Governor Urges State-Wide Sunday Prayers for Fathers

Gov. J. Caleb Boggs has called for the observance of Father's Day Sunday, June 21, as a "day dedicated to the builder of good family life" in a proclamation issued this week.

The Chief Executive urged that special prayers be said for fathers, both living and dead, in all churches on that day, and that thought should be given to the fact that "it is the fathers of our land who primarily have built this great democracy through their teachings and sturdy devotion to liberty and love of freedom."

The full text of the proclamation follows:

"WHEREAS, we are honoring our fathers this coming Father's Day, Sunday, June 21, 1953; and

"WHEREAS, the theme for this American holiday is "Hail the Champ! Teacher of Fair Play and Good Citizenship"; and

"WHEREAS, we look to the father in the home as the builder of good family life and the foundation of our future and teacher of our young in the importance of good ethics, fair play, peace and brotherhood throughout the world:

"NOW, THEREFORE, I, J. Caleb Boggs, Governor of the State of Delaware, do hereby proclaim Sunday, June 21, 1953, as

FATHER'S DAY

and I call upon the citizens of our state to offer special prayers of thanksgiving for all fathers, both living and dead, and otherwise observe the day with emphasis on respect and admiration for the father in the home, so that every day in the year may have the blessings that flow from good fatherhood and a strong family life.

Sewer Line Leak Delays Service At College Park

Council Defers Operation Of New Sanitary Sewer Pending Repairs to Line

A leak in the finished portion of the new sanitary sewer line from the College Park development on Elkton Road, to tie in with New Castle County's new interceptor system, was reported to City Council by City Engineer Francis Neide at Tuesday night's meeting.

Council directed Mr. Neide to order the C.&T. Construction Company, of Collingswood, N.J. to correct the leak at once before proceeding with work on other sections of the sanitary sewer.

Representatives of College Park homeowners requested that the leak be repaired after the line was placed in operation, and expressed dissatisfaction with delayed occupancy of the housing development.

The City Engineer estimated that line repairs would involve from three to four weeks of work, but that such repairs would be more complicated and costly if undertaken after the line was in service. Currently, surface water is entering the system.

Mayor Wallace M. Johnson explained that Council's decision to have the necessary repairs made at once, despite the apparent inconvenience to the contractors and buyers, was based on a feeling of responsibility to all concerned for obtaining the best results per tax dollar. Immediate repair is believed to be the practical, expeditious course.

President John A. Perkins Presents 66 Advanced Degrees, Four Honorary Doctorates; Hercules Powder Co. Head Delivers Commencement Address

Commencement for the University of Delaware graduating class of 1953 was held Sunday in Carpenter Field House and Dr. John A. Perkins, university president, awarded 321 baccalaureate degrees, 66 advanced degrees, and four honorary doctorates.

Albert E. Forster, president of the Hercules Powder Company, delivered the commencement address, counseling the graduates to continue their education in order to meet world changes.

Mr. Forster stressed the opportunities and responsibilities of each person in contributing to the betterment of others.

"Each one of you," he said, "Must be determined to do a better job in the conduct of man's affairs with man. It is the greatest privilege on earth today, to be an American citizen. That privilege carries with it, however, the greatest responsibility on earth."

The recipients of honorary degrees were presented to Dr. Perkins by Dr. Francis H. Squire, dean of the university and commencement orator.

In presenting Mr. Forster for his honorary doctor of science degree, Dean Squire commented, "His belief in a strong chemical research program has resulted in important new industrial processes. . . . By his achievements he has earned a high place among the leaders of American industry."

Bishop McKinstry's citation for his honorary degree of doctor of laws said in part, "Since 1939, as Bishop of Delaware, he has strengthened the Episcopal Church within the diocese, and his influence has been felt by all who have worked for cooperation among the denominations of Christians."

In detailing Dr. Washburn's accomplishments which were recognized by the university in the awarding of the honorary degree of doctor of public service Dean Squire said that, "His eminence in the medical profession is attested by the offices which he now holds as president of the Medical Society of Delaware and medical director of The Memorial Hospital."

Dr. Amandus Johnson, the fourth honorary degree recipient, was awarded a doctor of laws degree in recognition of his exceptional achievement as author, explorer and historian.

The commencement program was preceded at 11 a.m. by baccalaureate services, which, because of cool and threatening weather, were held in Mitchell Hall instead of outdoors as scheduled.

Young Man Goes West in Bid For National Championship

It's a long haul from Newark, Delaware to Portland, Oregon, and a far cry from shooting marbles with the neighborhood kids on any convenient plot of dirt, to shooting those same marbles for the National Championship with the best in the business.

But young Johnnie Mueller, the 13-yr. old pride and joy of Newark's Mr. and Mrs. August Mueller and of the VFW J. Allison O'Daniel Post 475, and the State of Delaware's No. 1 knuckle baller who fires the hard, fast one with a thumb and index finger delivery from the knee, has just flown from Newark to Portland, and he is meeting the best small fry in the country for the National Marble Shooting Championship.

Johnnie, a Newark Junior High School youngster, who will be moving up to the eighth grade in September, represented the local Veterans of Foreign Wars Post in the State Marble Tournament at Dover, and on May 17 was crowned Delaware State Champion for 1953 after defeating 22 contestants without a setback.

Accompanied by Joe Bernardo, of Wilmington, VFW youth activities chairman, Johnny left New York Tuesday afternoon and arrived by plane at Portland yesterday morning.

Tournament play will begin tonight and wind up Saturday afternoon as kids from all over the United States knuckle down in competion for the National Marble Shooting Championship.

Good luck, Johnnie!

$40,000 Leonard Richards Stakes To Be Run Saturday

Jamie K. Among List of 80 Eligibles for 16th Running Of Mile and a Furlong Classic; Boggs, Guest Speaker For Fourth "Public Interest" Broadcast From Stanton

On Saturday, stars of the three-year-old division will clash at a mile and a furlong in Delaware Park's 16th running of the Leonard Richards Stakes, which has an estimated gross value of $40,000 including $30,000 in added money, plus nomination and entry fees. Eighty horses are eligible for this early-closing special, including such as Platan, County Clare, Maabrook, Tahitian King, Smart Apple, Bassanio, Jamie K., Magic Lamp, V-Two and Shining. Native Dancer was nominated but at this writing he could not be included among the likely acceptances for the event. At any rate, a large field appears in prospect.

No mid-week stake was scheduled but Wednesday's program had several highlights. It featured the Governor J. Caleb Boggs Purse, and on that day Delaware's chief executive and members of the Delaware State Highway Commission and Department were guests of Benjamin F. Shaw II, member of the Highway Commission and a Delaware Park director, at luncheon in the Turf Club. Delaware Park officers attending included Donald P. Ross, president; J. Simpson Dean, vice-president and treasurer, and Bryan Field, vice-president and general manager. Governor Boggs presented a sterling silver cigarette box to the jockey winning the main event.

Other distinguished visitors to the course Wednesday included the English track team of Oxford and Cambridge athletes who are in this country as guests of the University of Pennsylvania, and members of the Wilmington Advertising Club.

Meanwhile, interest is rapidly increasing in the July 4 renewal of the world's richest race for fillies and mares—the $100,000 added, mile and a quarter New Castle Handicap. Numerous opportunities for the distaff-side racers will be coming up to help in the conditioning routine of those pointing for the big holiday stake.

On Saturday, Governor Boggs is scheduled to be the guest speaker on the fourth of Delaware Park's week-end half-hour "In the public interest" broadcasts carried non-commercially by five Delaware radio stations.

The Governor wil talk on behalf of the Delaware State Development Board, following the race description of the Leonard Richards and winner's circle interviews.

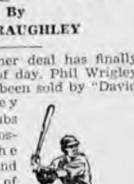
Dusting 'Em Off

By

E. A. RAUGHLEY



Well, the Kiner deal has finally seen the light of day. Phil Wrigley once again has been sold by "David Harum" Rickey and the Chicubs are the proud possessors of the home run bat and $70,000 contract of Ralph Kiner. Of course there were other players in the deal and that guy who never appears in the box score, Cash. However, the sleeper in the deal may be Joe Garagiola who is a pretty fair catcher.

No doubt, the players involved will do a better job, as a new ball club always seems to pep a player and he puts out just a little more.

This deal does one thing and that is it gives the Cubs an awfully good one-two combination in Sauer and Kiner. They are both long ball hitters, and last year tied for the home run crown.

Pace Setters

The Yankees are making a runaway of the American League race. At last reports they had won 11 straight and were just rolling along. The latest dope is that Casey is getting way out in front while the weather is cool for he is afraid that his old men will curl up when the heat begins.

Maybe that is what will happen but what team is going to be able to come up and take the flag away from them? Last year, Cleveland had three 20 winners and still finished second. This year they seem to be following the same pattern and are still back of the Yanks.

The rest of the league seem to be cutting each others' throats. None of them are going anywhere and the only prospect some of them have is to finish in the first division so as to get a cut out of the World Series.

on a lawn mower. Out for about three or four weeks, his place will be hard to Phil. However, O'Neill says he will give some of the others a chance and maybe a new star will come out of it. The only pitcher he has who can win is Roberts, as Drews is having an in and out year. This Ridzick seems to be the new fireman and is getting lots of work. So far, he is doing a better job than expected.

Bill Nicholson has been clouting the apple and playing almost as a regular, as he plays when a right hander is pitching against the Phils, and that is pretty often. But as far as this club being on top at the end of the year, I have my doubts that they will be able to make it.

"Some people are always surprised at how well the neighbors' kids turn out."

Four Softball Leagues In Organization Process

Fred Emmerson is in for a busy summer with six junior boys softball teams, and four teams each in the senior boys, senior girls, and junior girls leagues.

The Newark Recreation Softball leagues and teams are still in the process of organization, with managers and umpires in demand.

The teams play on four fields—at Nottingham Manor, Orchard Road, Kells Avenue, and George Read Village.

Mason-Dixon Star Cops 2nd Straight NASCAR Feature

Buck McCardell, one of the favorites at the Mason-Dixon Speedway for the past four years, won his second straight NASCAR 25-lap feature by nipping another favorite, Eddie Adams, Sunday afternoon.

Racing will continue at Mason-Dixon each Sunday afternoon while a highlight of the season will be a 200-lap Grand National Big Car stock car race July 5.

McCardell, Adams and Bill Tanner fought for the lead from the 10th lap on. McCardell and Tanner drove modified vehicles while Adams piloted a sportsman model in the mixed model event. Tanner led from the 10th lap until the 24th when his motor konked out and McCardell and Adams, both riding his bumper, breezed by.

Adams, McCardell and Jerry Benjamin won the heat races while Sonny Strupp copped the consolation. Strupp finished third in the feature while Jim Smith was fourth.

Taylor Defeats Anderson, 4-3 For State Amateur Golf Title

Former Newark Country Club Star Tops Pair Of NCC Aces in E-Champs Anderson, Dollins; Defending Champion Stopped in Second Round

The Delaware Amateur Golf Championship has developed into pretty much of a closed shop affair between Ellis Taylor, Al Dollins, and George Anderson, with the Newark Country Club holding a championship monopoly on the coveted crown until the sharp-shooting Taylor transferred his allegiance to Rock Manor. Four-time champion Taylor defeated former champion Anderson, 4 and 3, over the 15-hole wet Sunday route at the Hercules Country Club to wrap up his fourth State Amateur crown.

Defeating defending champion Dollins, 8 and 7, in the second round, Taylor eliminated Ray DeCampli, 3 and 2, and defeated Rock Manor's Al DeBright, 5 and 4, in the semi-finals to meet Newark Country Club's George Anderson, 1948 state amateur champion, in Sunday's title round.

Anderson had turned back semi-finalist Jack Dorphley, of Rock Manor, 4 and 3.

Taylor took the lead on the first hole when Anderson's tee blast into the rough for a bogey five dropped him a stroke off the pace, and Ellis added another hole with a near eagle and a sure birdie from the second tee.

The pending champion maintained this lead over the next eight holes, and took the 11th when Anderson ran afoul of a trap. Taylor copped the 14th with a hair-raising 35-foot putt to shake Anderson's canning of a three-footer.

Ellis won the first Delaware Amateur Golf Championship Tournament, held in 1947, and with George Anderson and Al Dollins sandwiched in between, has nabbed the title every other year—in 1949, 1951, and now, in 1935.

Anderson won the championship in 1948, and Dollins in 1950 and 1952.

Local Junior Legion Nine Victims of No-Hitter

Members of the J. Allison O'Daniel American Legion Post nine in the Junior Legion Baseball League had the dubious distinction of participating in a no-hit baseball game last Friday evening.

Fred Mihal, pitching for the Laurence Roberts Post visitors, handcuffed the locals with a no-hit performance while his mates gave the base paths a heavy going over while scoring 24 runs.

The Vets still sport an undefeated record to lead the Newark Recreation Adult Softball League for the efforts of the Continental who punched a hole in the previously intact slate of the Blue Jays in a Monday night contest.

Continental took a first inning lead and over the seven inning course the Blue Jays had to come from behind to tie the score in the second, fourth, and sixth innings.

A two-run surge in the top of the seventh put the Continental ahead again and the Jays couldn't quite match that.

Delcallo hurled 7-hit ball for the victors while Ray Clesinski allowed eight safeties.

The jobs that come in cans

The American Can Company hasn't yet worked out a practical container for packing jobs and economic security. We make cans—we do no canning.

But, by making *better* cans, we have actually created job opportunities in many different fields.

All kinds of things—foods and beverages, paints and varnishes, tobacco and tennis balls—keep better, are more convenient and easier to use when they are packed in the right kind of container.

So, markets for these products expand. Thousands of new, well-paid jobs open up, and incomes climb.

In fact, whole new businesses have been able to get started because a suitable can was developed to hold a product. You probably know of manufacturing plants right in Delaware that owe their existence to the industry.

Creating new jobs is only one example of what America has accomplished in our free, competitive way of doing business. People working together, playing together and living together bring social and economic gains to all.

And such teamwork between our people and our business system promises greater prosperity and more jobs for our future.

Flavored Cottage Cheese

HERE'S something delightful—cottage cheese flavored with crisp bits of garden-fresh chopped vegetables. We call the flavor "Garden Salad"—you'll love its fresh, cool taste. Mixed into light, creamy cottage cheese are chunks of red and green sweet peppers and yellow Spanish onions. "Garden Salad" is wonderful with fruit or vegetable salads. It's good enough to be served by itself, too . . . and it looks so fresh and colorful when you press it into a mold. Try "Garden Salad" today. Your Pensupreme Routeman will be glad to take your order.

"The Secret of the Garden" was the theme of the children's pageant Sunday at Ott's Chapel, under the direction of Mrs. William Schwartz. Some 105 persons were in attendance to hear the message delivered by Rev. G. H. Mueller of the Lutheran Concordia Church in Wilmington.

Forty-five children registered at Ott's Chapel Monday morning for vacation bible school. Lessons, singing, a recess, and handiwork is the program for each morning session.

The beginners class up to and including first graders is in charge of Mrs. Gunner Nelson with Mrs. Helen Cole helping. The primary group of second and third graders is under Mrs. Gertrude Foltz. The junior group is divided into fourth and fifth graders, under Mrs. Edward Crowe and Mrs. Anna Bierlin, and sixth grade up, under Mrs. Stephen Williams and Mrs. Harry Howell.

At a recent board meeting at Salem Methodist church, it was voted to have morning sessions on Sundays, beginning at 9:30 a.m.

The Christiana Methodist vacation Bible school, held at the public school from 9 to 11:30 a.m. had an enrollment of 92 on Monday morning. The theme "Learning About Jesus" includes music, recess, and activities.

The kindergarten group is under Mrs. A. B. Golden, assisted by Mrs. Madge Johnson. The primary group includes ages 6 to 9 and is under Mrs. Mary Thorpe, assisted by Mrs. Charles Foose.

Mrs. De Grofe, and Rev. Golden have the junior group of 9 to 12 years. Several teen-agers of the community also lend their assistance.

At the Cooch's Bridge intersection of Route 896, residents are pleased to see some safety improvements which have been made by the State Highway Department, such as additional signing, white painted concrete retaining walls, and a short section of guard rails.
