 Dear Mother I arived here on the 22nd of february,
 after six hours travel,, We expected to have a Great
 day as soldiers and fire Companies were coming
 by thousands to inaugerate the Statue of Washington
 but it began to rain in the morning and kept on the
 whole day with the exception of an hour or so in the
 afternoon.

about 10 o'clock in forenoon we went up
to the Treasury and took a stand on the
portico which was crowded with Men
Women and Children but after waiting
some time we got tired and went up
the Avenue towards the City Hall where
We met the procession and walked with
it about 2 miles through mud and
rain to the Statue,, fortunately it stopt
raining just then and we had an
opportunity to hear the Oration which
was delivered by Mr Bocock of Virgin-
ia, after the oration,, President Buchanan
Dedicated the Statue to Washington,,
and then the covering was removed from
it amid the roaring of Cannon and
Cheering of the people,, After the parade
and inauguration it cleared up and we
have had splended weather since,,
