Paris. France Aug 29

Dear Mother

I arrived

at this City just 14 days after I left New York,, I was on the sea 9 days before I was sea sick and then I was only sick about 2 hours,, I have never felt better in my life than I do now.. Paris is the most splendid City in the World and all that any one can hear or read will never give them the least idea of it,, I have been astonished at the splendid streets,, avenues,, and Parks of this City,, they have a Park here that would hold the City of Wilmington and have 2 or 3 hundred acres left
