SPLENDID EXHIBITS AT SCHOOL PARTY

Freshman and Sophomore Girls at High School Take Part

The tea and exhibit given by the high school students of Newark High School yesterday afternoon was a great success. There was an abundance of attendants of parents and friends of the school. The affair was arranged by the department under the direction of Miss Woman College students, protection given them by teachers, and in every other respect given and taken care of by those present.

Evening of Christmas.

Students crowded as Christmas Season Arrives

The evening of Christmas last December was spent in the Metropolitan Church, on the high school campus. The program was a complete success in every particular for the students from each of the schools. The music, the songs, the reception of the audience, and the entire program were very successful. The evening continued until the morning at 12. The affairs of the evening were planned by Miss S. W. Mathews, who was in charge of the program.

The program opened with the singing of the three school songs, and delivered an inspiring Christmas message. The school choirs were especially selected for the occasion, and the choirs were in their best form.

Another church bell of people of the Methodist Church. The church is located on the corner of the main street and was occupied by the student body. The program was conducted by the Reverend Dr. J. E. Grose, who delivered the message. The music was provided by the Methodist Church choirs, and the program was in charge of the Student Council.

The program was followed by a very successful Christmas service, after which the students enjoyed refreshments prepared by the students.

The students were then invited to a special reception in the hall, where refreshments were served. A special committee was appointed to take charge of the reception, and they arranged for a very successful reception.

The students then returned to the church for the closing exercises, and the program was concluded with the singing of the student body in charge of the reception.

The program was a great success, and the students were greatly pleased with the arrangements and the program.

As part of the side-ways move being waged by the Parent Teacher Association for the strengthening of educational standards, the school has been requested to post suitable art work in every P. T. A. district.

The posters are being sent out to every P. T. A. member. The selection of art work was done by Miss Eliza Wilson, secretary of the Association.

Miss Congdon's death has left a void in the community. The posters are being used to raise awareness and funds for the cause.

Newark Couple

The Newark couple, Miss Congdon and the other woman on the sidewalk, were involved in an accident that resulted in the death of Miss Congdon. The Levy Court is not being blamed officially, and the investigation is ongoing.

The report in the paper also states that the Levy Court is not being held to blame officially. We do not hold the Levy Court to blame officially.
