COLLEGE OF HUMAN SERVICES, EDUCATION AND PUBLIC POLICY

- Advisement and Academic Enrichment Opportunities
- Dean's Scholar Program
- Teacher Education Programs
- Discovery- and Service-Based Learning Opportunities and Clinical Experiences
- Minor in Disabilities Studies

The College of Human Services, Education and Public Policy (CHEP) is an interdisciplinary, professional, service-oriented college that addresses some of the central intellectual and social challenges of our time — those affecting children, families, schools, communities, the environment, consumers and service institutions, and public policies.

CHEP offers undergraduate degree programs through the School of Education and through the Departments of Consumer Studies; Hotel, Restaurant, and Institutional Management; and Individual and Family Studies. In addition, an interdisciplinary major in Human Services, Education and Public Policy is available, as well as three minors: Disabilities Studies, Educational Studies, and Leadership.

ADVISEMENT AND ACADEMIC ENRICHMENT OPPORTUNITIES

CHEP is committed to students' success and provides the resources and support services that will enable students to fully participate in the opportunities available throughout their undergraduate years. Undergraduates have an unequalled opportunity to gain valuable practical experience that complements their academic studies by participating in internships and practicum experience in schools as well as projects through CHEP’s public service and research centers. CHEP also promotes opportunities for students to enhance their undergraduate experience through the Dean's Scholars Program; the CHEP Summer Scholars Program; service, leadership and mentoring experiences; undergraduate research; and study abroad opportunities. Most academic areas offer an Honors degree including research opportunities leading to a senior thesis for the Honors Degree with Distinction or the Degree with Distinction.

The CHEP Office of Student Support Services coordinates orientation activities for new students, supports academic advisement, administers academic policy, and maintains students’ records. Students with academic questions or concerns, those interested in becoming involved in special opportunities available to CHEP students, and those experiencing academic difficulties are all encouraged to contact their assigned faculty or professional advisor. For additional assistance and information, CHEP students are welcome to contact the CHEP Office of Student Support Services, 106 Alison Hall West, (302) 831-2301, visit www.udel.edu/chep/oss or email chep-oss@udel.edu.

DEAN'S SCHOLAR PROGRAM

The Dean’s Scholar Program exists to serve the needs of students whose clearly defined educational goals cannot be effectively achieved by pursuing the standard curricula for all existing majors, minors, and interdepartmental majors sponsored by the University. Driven by an overarching passion or curiosity that transcends typical disciplinary bounds and curricula, a Dean’s Scholar’s intellectual interests may lead to broad interdisciplinary explorations of an issue or to more intense, in-depth studies in a single field at a level akin to graduate work. In consultation with faculty advisors and the Associate or Assistant Dean of their college, Dean’s Scholars design an imaginative and rigorous individual plan of study to meet the total credit hours required for graduation. Contact the Assistant/Associate Dean in the college or go to www.udel.edu/deansscholar for more information and the application.

TEACHER EDUCATION PROGRAMS

Responsibility for the coordination of the teacher education programs rests with the University Council on Teacher Education (UCTE). Teacher education programs in specific areas are administered by the Colleges of Agriculture and Natural Resources; Arts and Sciences; Health and Nursing Sciences; and Human Services, Education and Public Policy. For more information on teacher education programs, students who wish to prepare themselves to be certified teachers should consult the teacher education web site at www.udel.edu/teachered or the faculty advisor for the specific area of certification sought, as follows:

(all telephone numbers are area code 302)
In all its teacher education programs, the University of Delaware is guided by a unified conceptual framework. Programs aim to develop teachers who are reflective practitioners serving diverse communities of learners as scholars, problem solvers, and partners. While the specific course requirements in the programs vary widely, they all support the conceptual framework and outcomes. All University of Delaware teacher education programs have a general education component of liberal studies, a major field or discipline component in the teaching field, and a professional education component of formal study in the educational foundation disciplines and clinical studies of curriculum design and instructional strategies. In addition, all teacher education students benefit from early and graduated "hands on" experiential and instructional opportunities in schools. Information on the University of Delaware’s Title II Higher Education Act can be obtained at www.udel.edu/teachered or by calling 302-831-3000.

FIELD EXPERIENCES (INCLUDING STUDENT TEACHING) are required of all students who wish to obtain an undergraduate degree in teacher education. To participate in the field experiences, including student teaching, students must satisfy their program’s course prerequisites, meet minimum GPA requirements, pass required competency testing, and satisfy other criteria as designated by their program, e.g., testing for tuberculosis, criminal background check, child abuse clearance, physical exam, etc. The appropriate teacher education program advisor (See the list of advisors for teacher education programs) should be consulted for the exact GPA requirements and other policies concerning qualifications for field experiences. Applications for student teaching must be submitted and approved prior to the student teaching semester. Deadlines and procedures for submitting applications for student teaching will be published each year.

CERTIFICATION. The professional education unit of the University of Delaware is accredited by the National Council for the Accreditation of Teacher Education (NCATE). The individual teacher education programs have received State Approved Program status and have been recognized by national specialty organizations as having met their standards. Students who complete a University of Delaware Approved Teacher Education Program receive an institutional recommendation for teacher certification. To be certain of the University's recommendation, students must complete the Approved Program in its entirety. Upon receiving the University's recommendation, students must apply for certification through the individual state’s Department of Education. Most states require that students pass a standardized test to qualify for teacher certification. The Delaware Center for Teacher Education has information available to students on the testing requirements and the certification procedures.

DELAWARE CENTER FOR TEACHER EDUCATION

The Delaware Center for Teacher Education (DCTE) strengthens both pre-service and in-service teacher education, improves access for the education community to the University’s teacher education and professional development programs, and supports the state’s efforts to enhance teacher and professional development in line with new state content standards and accountability requirements. For further information about DCTE generally, call (302) 831-3000 or visit the web site at www.udel.edu/dcte.

Of the programs and services within DCTE, the following are of particular interest to undergraduates.

The Americorps VISTA program works with schools across the state developing mentoring programs. It places college graduate VISTA members in schools to recruit and organize mentors for students in need. Following a year of service, members admitted to select College of Human Services, Education and Public Policy programs are guaranteed graduate assistantships. For more information call 831-4530 or e-mail felowser@udel.edu.
The ASPIRE program encourages students from underrepresented groups to pursue a career in teaching. In addition to recruiting qualified minority applicants, ASPIRE provides students in all the University's teacher education programs with academic support, if needed, and professional development activities.

The Delaware Mentoring Council provides support and technical assistance to mentoring programs throughout the state. For additional information, call (302) 831-0520 or e-mail Tclower@udel.edu.

The Education Resource Center (ERC) is a multimedia, special purpose curriculum materials center that provides both circulating and reserve collections for use by teachers, students, and administrators. The ERC operates a Book Examination Site, receiving review copies of newly released books for youth from over 100 publishers. It also houses a site of the Delaware Teacher Center for constructing learning materials for use in classrooms with K-12 students. In addition, the Resource Center coordinates the school library media specialist program. For further information, call (302) 831-2335 or visit the website at: http://www.udel.edu/erc.

The Office of Clinical Studies assists faculty in implementing a program of field-based professional practice that includes several sequential phases of increasing involvement and responsibility and in placing students in appropriate clinical settings. For further information, call (302) 831-2319 or e-mail acase@udel.edu.

The America Reads program recruits undergraduates to tutor young children in basic reading skills. For information, call 831-0520 or e-mail Tclower@udel.edu.

DISCOVERY- AND SERVICE-BASED LEARNING OPPORTUNITIES AND CLINICAL EXPERIENCES

As a professional, service-oriented college, CHEP stresses opportunities for learning through experiences that require students to apply their academic training and encourage them to develop their newly acquired skills and knowledge. CHEP has a unique combination of facilities that provide a wide range of practical experience settings, and CHEP offers special programs that encourage personal and professional development. Undergraduate students can also learn from valuable practical experience that complements their academic studies by working with faculty, staff and graduate students in CHEP’s public service and research centers. CHEP receives funding from the Delaware General Assembly to support undergraduates who are working on projects that benefit the people of Delaware.

The following units offer special opportunities for undergraduate student participation:

Clearinghouse for Abuse and Neglect of the Elderly, a public service unit housed in the Department of Consumer Studies, contains the nation's largest computerized collection of materials and resources related to elder abuse. The Clearinghouse offers technical assistance to professional and community agencies and organizations delivering services to abused and neglected elders. Opportunities are available for undergraduate and graduate students to participate in the delivery of technical assistance, as well as to engage in interdisciplinary research. For further information, call (302) 831-8714 or (302) 831-3525.

The College School located in Alison Hall (ALS), provides a school-year program for children, ages 6-14, with learning differences. The school provides individualized and innovative instruction for children who have previously had unsuccessful school experiences, with the goal of returning these students to more traditional classroom settings within an average of two to three years. The College School also serves as a research and clinical site for students and faculty in Education, School Psychology, Clinical Psychology, Nursing, Physical Education, Music, and many other disciplines. For further information, call (302) 831-1097.

The Design Laboratories provide applied learning opportunities for apparel design and fashion merchandising students. The Computer-aided Design Laboratory builds skills in graphic and pattern design, pattern grading and marker-making systems used in the apparel industry. Students can use the Historic Costume and Textile Collection, with 2,500 historic textiles and apparel pieces, for design inspiration. For further information, call (302) 831-8711 or visit our website at http://www.udel.edu/cnst.

Leadership Education at Delaware (LEAD) is an innovative University-wide effort to link the academic and student life components of leadership education. The program draws upon students' experiences, both on campus and in the community, and their academic programs in mutually reinforcing ways, enhancing all three. An undergraduate minor in leadership is available through the Department of Consumer Studies. For more information, contact the program director, Dr. Audrey Helfman, at (302) 831-1708 or e-mail ahelfman@udel.edu.

The Legislative Fellows Program is a unique opportunity for qualified undergraduates and graduate students to work directly with members of the Delaware General Assembly. Fellows provide timely, nonpartisan research assistance on complex public policy issues while gaining a thorough knowledge of the legislative process that will be useful in a wide variety of careers. In addition, Fellows become acquainted with state and local elected officials, agency directors, business heads, and community leaders. Selected through a competitive process, Fellows work in Dover for twenty hours per week from January to June and earn a stipend comparable to a research assistantship. For more information contact Lisa Moreland at (302) 831-4955 or e-mail lisamin@udel.edu.

Professional Development Schools have been initiated by the Holmes Partnership, a national network of universities in partnership with schools, to provide professional training in teacher education, much in the way teaching hospitals serve medical education. The University of Delaware is working with several elementary and middle schools in the Christina and Milford School Districts. Some undergraduate students in elementary education complete their clinical requirements at these sites.

The University of Delaware Laboratory Preschool is administered by the Department of Individual and Family Studies. The Laboratory Preschool, an NAECYC-accredited model preschool program, provides appropriate developmental programs for children with and without disabilities; teaches University students to work with young children through classroom practicum experiences; provides opportunities for students, faculty and professionals to observe exemplary preschool programs and teacher role models; enables students to observe children ages two through six so the students can better understand developmental progression; and provides a research site for students and faculty. For further information, contact Alice Eyma, Director, (302) 831-2304 or e-mail: aeyman@udel.edu.

The Vita Nova/foodservice Laboratory is managed by the Hotel, Restaurant and Institutional Management (HRIM) Department and is located on the second floor of the Trabant University Center. The laboratory consists of Vita Nova, a student-operated, 65-seat dining room open to the public; a display kitchen; the Copeland Vinotek wine cellar; the Darden Bistro; and a teaching and demonstration kitchen with state-of-the-art video and satellite capabilities. Students in the HRIM program use the facility to understand the challenges and dynamics of operating a business. On a daily basis, students rotate through management and skill-level assignments to learn the details required to exceed guest expectations. For further information, contact Fred DeMicco, Department Chair, (302) 831-6077 or e-mail: dlaws@udel.edu.

The Courtyard by Marriott at the University of Delaware is operated by the Shaner Hotel Group and provides on-campus lodging for alumni, parents, guests and conference attendees. It also provides
enhanced educational experiences for students in the Department of Hotel, Restaurant and Institutional Management by offering opportunities to gain hundreds of hours of practical experience in a teaching and research laboratory located in a hotel setting. Students gain valuable experience in sales, marketing, revenue management, hotel engineering, and housekeeping. For further information, contact Fred DeMicco, Department Chair, (302) 831-6077 or email dlaws@udel.edu

**CHEP UNDERGRADUATE INTERNSHIPS AND RESEARCH ASSISTANTSHIPS**

CHEP offers students many opportunities for public and community service research assistantships and internships through its research and public service units. Undergraduates are able to work closely with faculty, staff and graduate students on key issues involving children, families, schools, communities, the environment, consumers and service institutions, and public policies. The following CHEP research and public service centers, profiled in detail in the chapter “Research Centers, Institutes, and Special Facilities,” offer public and community research assistantships and internship opportunities:

- Center for Applied Demography and Survey Research
- Center for Community Research and Service
- Center for Disabilities Studies
- Center for Energy and Environmental Policy
- Center for Historic Architecture and Design
- Delaware Center for Teacher Education
- Delaware Education Research and Development Center
- Early Learning Center
- English Language Institute
- Institute for Public Administration
- Mathematics & Science Education Resource Center

**MINOR IN DISABILITIES STUDIES**

The College of Human Services, Education and Public Policy offers a minor in Disabilities Studies, with courses taught by an interdisciplinary team of faculty associated with the Center for Disabilities Studies. The minor in Disabilities Studies requires 18 credit hours, distributed as follows: all core courses listed below (9 credits) and three additional courses (9 credits) selected in consultation with and approved by the student’s minor advisor. These courses shall be chosen from each of the following topic areas: Human Development, Social Systems, and Service Delivery Methods. At least one of these courses must be from outside the requirements of the student’s major and outside his or her major department. All courses included in the minor must be completed with a grade of C- or better.

**GENERAL EDUCATION COURSES**

The following courses have been approved to fulfill humanities and science electives for students in majors offered by the Department of Consumer Studies.

**Humanities**

Art, Art History, Communication, Comparative Literature, English, Foreign Language (including: CHIN, FREN, GREK, GRMN, HEBR, ITAL, JAPN, LATIN, PORT, RUSS, SPAN), Foreign Languages and Literatures, Jewish Studies, Linguistics, Museum Studies, Music, Philosophy, Theater, Women’s Studies (WOMS 203, 205, 210, 216, 222, 318, 320, 326, 328, 330, 353, 380, 381, 382, 389, 465, 480), Science and Culture (CSCC 229, 241, 246, 250, 330, 365, 368, 369, 444).

**Sciences**

Physical and Biological: Anthropology (ANTH 102, 104, 202), Biological Sciences, Animal Science, Chemistry, Entomology, Food Science, Geology, Marine Studies, Plant and Soil Science, Physics and Astronomy, Psychology (PSYC 314), Science.

**Natural:** Geography (GEOG 101, 152, 220, 230, 235, 236, 250, 255, 320), Mathematics, Statistics (including PSYC 309), Computer and Information Science.

**UNDERGRADUATE INTERNSHIPS AND RESEARCH OPPORTUNITIES**

- Center for Applied Demography and Survey Research
- Center for Community Research and Service
- Center for Disabilities Studies
- Center for Energy and Environmental Policy
- Center for Historic Architecture and Design
- Delaware Center for Teacher Education
- Delaware Education Research and Development Center
- Early Learning Center
- English Language Institute
- Institute for Public Administration
- Mathematics & Science Education Resource Center

**CURRICULUM**

**UNIVERSITY REQUIREMENTS**

- ENGL 110 Critical Reading and Writing (minimum grade C) 3
- Three credits in an approved course or courses stressing multi-cultural, ethnic, and/or gender-related course content (see p. 60-63) 3

**MAJOR REQUIREMENTS**

- English Writing course 3
- Selected from courses approved for Arts and Sciences second writing requirement, page 87-89: 3
- COMM 255 Fundamentals of Communication or COMM 312 Oral Communication in Business 3
- ART 129 Design in Visual Arts or ART 130 Drawing I: Tools and Techniques 3
- Modern foreign language courses 0-8

DEGREE: BACHELOR OF SCIENCE

MAJORS: APPAREL DESIGN (APD) or FASHION MERCHANDISING (FM)

Both the APD and FM curricula consist of a core supplemented by courses specific to each major, facilitating a double major or transfer from either major to the other.
Students with fewer than two high school years of a particular foreign language will be placed in a 105 language course and will then take 105-107. Students with two or three years of a particular language will be placed in a 106 language course and will then take 106-107. Students with more than three years will be placed in a 107 language course and, upon completing 107, will be advised, but not required, to take a 200-level language course. Students with four or more high school years of a foreign language may attempt to fulfill the requirement by taking an exemption examination and will then be advised, but not required, to take a 200-level language course.

The recipient must complete:

- HONORS BACHELOR OF SCIENCE: CREDITSTO TOTAL
  - 100· and 200-level courses in Military Science/Air Force may be counted toward the degree.
  - Activity-type Physical Education and four credits of Music ensemble and four credits of 100- and 200-level courses in Military Science/Air Force may be counted toward the degree.

After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

CREDITS TO TOTAL A MINIMUM OF 120

HONORS BACHELOR OF SCIENCE: FASHION MERCHANDISING

The recipient must complete:

1. All requirements for the Bachelor of Science degree in Fashion Merchandising.
2. All the University's generic requirements for the Honors Baccalaureate Degree (see page 45). Within these requirements, the twelve (12) honors credits earned in courses in the Department of Consumer Studies or in closely related areas outside the Department must be approved by the student's advisor. Of these, a minimum of six (6) credits must be earned in courses in the Department of Consumer Studies.

ELECTIVES

After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

May include Military Science, Music, or Physical Education (Only two credits of activity-type Physical Education and four credits of Music ensemble and four credits of 100- and 200-level courses in Military Science/Air Force may be counted toward the degree).

CREDITS TO TOTAL A MINIMUM OF 120

HONORS BACHELOR OF SCIENCE: APPAREL DESIGN

The recipient must complete:

1. All requirements for the Bachelor of Science degree in Apparel Design.
2. All the University's generic requirements for the Honors Baccalaureate Degree (see page 45). Within these requirements, the twelve (12) honors credits earned in courses in the Department of Consumer Studies or in closely related areas outside the Department must be approved by the student's advisor. Of these, a minimum of six (6) credits must be taken in the Department of Consumer Studies.
The Elementary Teacher Education Program is designed to help students meet the following goals:
1. become outstanding general elementary teachers, middle school teachers and teachers of exceptional children
2. develop a strong background in the academic subjects taught at the elementary level
3. develop the employment flexibility and security to become a teacher of exceptional children and/or a regular elementary teacher, with additional options in English as a second language, and middle school mathematics or science
4. provide all children, including those with special learning needs, with the best possible education

The current elementary teacher education program has evolved as a result of a determined effort on the part of the faculty to coordinate their efforts with public school personnel in education. Programs of clinical experiences have gradually increased and improved because of the continuing contact with classroom teachers, principals, and administrative officers of local schools. The program curriculum is designed to provide students with a range of practicum experiences in a variety of settings. These practicum experiences begin with observation and tutoring of children in the freshman year and culminate with student teaching in the senior year. These direct experiences in actual classroom settings give the teacher candidate important opportunities to apply the knowledge gained in college courses to his or her work with children and to gain critical on-the-job training.

The program is divided into three general areas:

The General Studies area includes courses in the following subject areas: natural sciences, mathematics, social sciences, English/linguistics, and fine arts. A grade of C- or better is required in all of the courses in this area.

The Discipline area provides the teacher candidate with an opportunity to select one of the following disciplines: English, foreign languages, general science, mathematics, social studies, or language studies. A list of the specific courses that comprise each of these areas is available in the School of Education Office. If a student pursues certification in the Discipline area, a grade of C- or better is required in all courses in this area.

The Professional Studies area is designed to develop the candidate’s teaching skills. The courses place strong emphasis on the development of teachers who can plan and implement appropriate educational experiences for children of varying levels of ability. A grade of C- or better is required in all of the courses in this area.

APPLICATION FOR CLEARANCE FOR UPPER DIVISION STUDY IN TEACHER EDUCATION

Students enrolled in the Elementary Teacher Education major wished to begin upper-level work must make formal application and satisfy the requirements for Clearance for Upper Division Study.

Students wishing to pursue teaching as a professional goal should secure a copy of clearance requirements from the School of

EDUC 437 Diagnosis and Instruction: Literacy (Elementary and Special Education certification) 3
EDUC 451 Educational Assessment for Classroom Teachers 3
EDUC 486 Educational Technology IV: Science, Social Studies, & Math Lab 1

The program requires students to minor in an Arts and Sciences field related to education. Students are admitted no earlier than their sophomore year and must possess at least a 3.0 cumulative GPA.

The Elementary Teacher Education program requires a certain minimum GPA for enrollment in EDUC 400, Student Teaching, a course required for the degree. An advisor in Room 120 Willard Hall should be consulted for the exact GPA requirements and other policies concerning qualifications for student teaching.

Students will complete two, nine-week placements in student teaching and will receive 6 credits for each nine-week placement.

For Certification in Special Education, the following courses are added to the core:
EDUC 410 Assistive Technology 1
EDUC 432 Curriculum for School-Aged Exceptional Children 3
EDUC 433 Non-School Factors Affecting Learning in the Classroom 2
EDUC 436 Literacy Problems: Assessment and Instruction (Elementary certification) 3
EDUC 437 Diagnosis and Instruction: Literacy (Elementary and Special Education certification) 3
EDUC 451 Educational Assessment for Classroom Teachers 3
EDUC 486 Educational Technology IV: Science, Social Studies, & Math Lab 1

Students wishing to complete certification in both elementary education and special education must apply for Clearance for Upper Division Study. The criteria for applying for dual certification are available in the School of Education Office (120 Willard Hall).

CREDITS TO TOTAL A MINIMUM OF . . . 121-131

HONORS BACHELOR OF SCIENCE:
ELEMENTARY TEACHER EDUCATION

The recipient must complete:
1 All requirements for the Bachelor of Science degree in Elementary Teacher Education
2 All the University's generic requirements for the Honors Baccalaureate Degree

SOUTHERN DELAWARE ELEMENTARY TEACHER AND SPECIAL EDUCATION

DEGREE: BACHELOR OF SCIENCE IN EDUCATION
MAJOR: ELEMENTARY TEACHER EDUCATION/SPECIAL EDUCATION

University and major requirements are the same as for the Elementary Teacher Education program. However, this program differs in that students are required to seek dual certification in Special Education and discipline area requirements are selected for an integrated discipline area rather than a single discipline area. This program also includes more K-8 school-based requirements that are designed in cooperation with the Milford School District. All requirements for this program may be met at the University of Delaware campus in Georgetown and the Milford Professional Development School located on the grounds of the Milford School District. For additional information, please contact Laurie Palmer at (302) 454-6461

PROGRAM IN EDUCATIONAL STUDIES

The Bachelor of Arts in Educational Studies program is designed for students who are interested in the subject of education as part of a liberal arts curriculum pursuant to education-related careers that do not directly involve classroom teaching. The degree does not prepare teacher candidates for certification. The program requires students to minor in an Arts and Sciences field related to education. Students are admitted no earlier than their sophomore year and must possess at least a 3.0 cumulative GPA.

The program features intensive attention and guidance by faculty members, including personal advisement and a year-long research project culminating in a senior thesis. During the thesis process, students will intern with an educational researcher (on or off-campus) and will conduct the thesis under the direction of two faculty members. There is significant flexibility regarding the content of the
thesis as a function of a student's background and interests. Students may select the program as a single major or as a double major with a field outside of education. An Honors Degree option is also available. Students may change to the major in Educational Studies from another major at the University. An application form must be completed and submitted to the Coordinator of the Program.

Upper Division Course Elective 3

**MINOR EQUIVALENT**

Specialization equivalent to a minor in a related field 18

**ELECTIVES**

After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

**CREDITS TO TOTAL A MINIMUM OF ................. 120**

**HONORS BACHELOR OF ARTS:**

**EDUCATIONAL STUDIES**

The recipient must complete:

1. All requirements for the Bachelor of Arts degree in Educational Studies
2. All the University's generic requirements for the Honors Baccalaureate Degree (see Honors Degrees). Nine Honors credits in the major must be at the 400-level or higher, and must include the program seminar.

**REQUIREMENTS FOR A MINOR IN EDUCATIONAL STUDIES**

The minor requires the 15 credits listed below. A grade of C or better is required in all courses.

**HOTEL, RESTAURANT AND INSTITUTIONAL MANAGEMENT**

The Hotel, Restaurant and Institutional Management curriculum leads to a Bachelor of Science Degree (including an Honors Degree option) and is based in liberal arts, business and specialized courses in technical applications for the hotel and restaurant industries. Students are provided a foundation in the traditional academic areas to complement the state-of-the-art business and hospitality courses. The curriculum is structured to provide both a practical and a theoretical education. An integral part of the curriculum is the hospitality-related work experience. A documented student work and community service requirement of 800 hours is required prior to graduation. These combined work experiences assist in the preparation of students for the increasingly complex and challenging hospitality industry.

Transfer student applicants and those wishing to change from another major at the University of Delaware are considered on a space available basis. The chief criterion used in selection is...
academic performance. Applications are reviewed on January 15, March 15, July 15, and October 15.

Students in the Hotel, Restaurant and Institutional Management program also have the opportunity to participate in a 4+1+1 MBA program with the Lerner College of Business and Economics. With careful planning academically eligible students can complete both their undergraduate degree in Hotel, Restaurant and Institutional Management and the Master of Business Administration degree in five years of academic study plus a 12 month internship.

GENERAL EDUCATION COURSES
The following courses have been approved to fulfill humanities and science electives for students majoring in Hotel, Restaurant and Institutional Management.

Humanities
Art, Art History, Communication, Comparative Literature, English, Foreign Language (including: CHIN, FREN, GREK, GRMN, HEBR, ITAL, JAPN, LATN, PORT, RUSS, SPAN), Foreign Languages and Literatures, Jewish Studies, Linguistics, Museum Studies, Music, Philosophy, Theater, Women's Studies (WOMS 203, 205, 210, 216, 222, 318, 320, 326, 328, 330, 353, 380, 381, 382, 389, 465, 480), Science and Culture (CSCC 229, 241, 250, 330, 365, 368, 369, 444).

Sciences
Physical and Biological: Anthropology (ANTH 102, 104, 202), Biological Sciences, Animal Science, Chemistry, Entomology, Food Science, Geology, Marine Studies, Plant and Soil Science, Physics and Astronomy, Psychology (PSYC 314), Science.

Natural: Geography (GEOG 101, 152, 220, 230, 235, 256, 250, 255, 320), Mathematics, Statistics (including PSYC 309), and Computer and Information Science.

DEGREE: BACHELOR OF SCIENCE
MAJOR: HOTEL, RESTAURANT AND INSTITUTIONAL MANAGEMENT

CURRICULUM

CREDITS

UNIVERSITY REQUIREMENTS
ENGL 110 Critical Reading and Writing 3
(minimum grade C)

Three credits in an approved course or courses stressing multi-cultural, ethnic, and/or gender-related course content (see p. 60-63) 3

MAJOR REQUIREMENTS
COMM 312 Oral Communication in Business 3
ENGL 312 Written Communications in Business 3

Foreign Language elective 3

Humanities elective from above 3

MATH 114 or MATH 170 College Mathematics and Statistics 3
(designed for students who do not intend to continue the study of mathematics) or
MATH 115 or MATH 171 Pre-Calculus 3
(designed for students who intend to continue the study of mathematics) or
Successful performance on the proficiency test in mathematics administered by the Department of Mathematical Sciences
STAT 200 Basic Statistical Practice 3
or
MATH 201 Introduction to Statistical Methods 3
NTDT 200 Nutrition Concepts (minimum grade C) 3

Science electives 6

PSYC 100 General Psychology 3
ECON 100 Economic Issues and Policies 3
or
ECON 151/152 Introduction to Microeconomics/Macroeconomics 3
Sociology Elective (following course recommended) 3

SOCI 201 Introduction to Sociology

ACCT 200 Survey of Accounting 3
or
ACCT 207/208 Accounting I and II 7

BUAD 301 Introduction to Marketing 3
BUAD 309 Management and Organizational Behavior 3
FINC 200 Fundamentals of Finance 3
HRIM 180 Introduction to Hospitality 3
HRIM 187 Introduction to Hospitality Information Management 3
HRIM 201 Food Principles 2
HRIM 211 Food Principles Laboratory 1
HRIM 218 Beverage Management 3
HRIM 321 Quantity Food Service Management 2
HRIM 325 Laboratory in Quantity Food Service Management 2
HRIM 327 Property Engineering 3
HRIM 380 Management of Lodging Operations 3
HRIM 381 Management of Food and Beverage Operations 3
HRIM 382 Managerial Accounting and Finance in the Hospitality Industry 3
HRIM 480 Human Resources Management in the Hospitality Industry 3
HRIM 481 Marketing in the Hospitality Industry 3
HRIM 482 Law of Innkeeping 3
HRIM 450 Managing Hospitality Information Systems 3
HRIM 488 HRIM Practicum I 3
HRIM 489 HRIM Practicum II 3

All HRIM courses require a minimum grade of C-
The HRIM program requires 800 hours of industry work experience, in two parts:
1. 400 hours of documented hospitality work experience is encouraged prior to the junior year.
2. A total of 700 or more hours of approved work experience is required for clearance for graduation. The HRIM program also requires an additional 100 hours of approved community service activities.

ELECTIVES
In addition, sufficient elective credits must be taken to meet the minimum credits required for the degree.

May include Military Science, Music, or Physical Education. (Only two credits of activity-type Physical Education and four credits of Music ensemble and four credits of 100- and 200-level courses in Military Science/Air Force may be counted toward the degree.) Students are encouraged to develop fluency in a second language.

CREDITS TO TOTAL A MINIMUM OF ........................................... 120

HONORS BACHELOR OR SCIENCE:
HOTEL, RESTAURANT AND INSTITUTIONAL MANAGEMENT

The recipient must complete:
1. All requirements for the Bachelor of Science degree in Hotel, Restaurant and Institutional Management
2. All the University's generic requirements for the Honors Degree (see page 45)

HUMAN SERVICES, EDUCATION AND PUBLIC POLICY

The Human Services, Education and Public Policy major combines science, humanities, and social science requirements with a breadth of courses from the College of Human Services, Education and Public Policy. In addition to the Core requirements, which represent the interdisciplinary nature and service-learning focus of the College, students select a Primary Interest Area of at least twenty-four credit hours from among the Interest Areas offered by the academic units in the College. Students also select a Secondary Interest Area, typically in the form of an existing University minor; however, there is an option to individualize the Secondary Interest Area with prior approval from the CHEP Faculty Committee. The selection of each interest area is designed to allow students to explore
their own personal and career objectives, while exploring the diverse areas within the CHEP College.

Students who wish to change from another major in the University are encouraged to attend an interest meeting prior to submitting an application. To obtain the application materials and dates for upcoming interest meetings, please contact the CHEP Office of Student Support Services (106 Alison Hall West). For additional information on the CHEP major, please contact:

Kristine Ritz
(302) 831-2301
kritz@udel.edu

GENERAL EDUCATION COURSES

Students are required to select courses in the humanities, social sciences and sciences as indicated below, including two multicultural courses and a second writing requirement. A list of courses that may be used to satisfy the program’s requirements may be obtained from the CHEP Office of Student Support Services (106 Alison Hall West).

DEGREE: BACHELOR OF SCIENCE
MAJOR: HUMAN SERVICES, EDUCATION AND PUBLIC POLICY

CURRICULUM

CREDITS

UNIVERSITY REQUIREMENTS

ENGL 110 Critical Reading and Writing (minimum grade C) 3

Three credits in an approved course or courses stressing multi-cultural, ethnic, and/or gender-related courses content (see p. 60-63) (May fulfill another degree requirement) 3

MAJOR REQUIREMENTS

Three additional credits in an approved course stressing multi-cultural, ethnic, and/or gender-related course content. Students should select one course in U.S. diversity and one in global diversity. A list of courses that may be used to satisfy the multicultural requirements may be obtained from the CHEP Office of Student Support Services (106 Alison Hall West). May fulfill another degree requirement.

Humanities

English Literature Elective; English 312; or Communications Elective 3
Foreign Language or Humanities Electives 6-8
Fine Arts Elective 3

Mathematics and Science

MATH 114/170 (or higher) or MATH 251 3
Science Elective with Laboratory 4
Science Elective 3
Science, Mathematics or Statistics Elective 3

Social Sciences

History or Economics Elective 3
History or Sociology Elective 3
Psychology Elective 3
Social Science Elective or ACCT 160 3
Social Science Elective 3

A second writing course is also required. It should be selected from the courses approved for Arts and Sciences second writing requirement and can be used to fulfill another degree requirement.

COLLEGE CORE REQUIREMENTS

[minimum grade C in each course]
The College Core includes courses from the various CHEP Departments and Schools and reflects the interdisciplinary intent of this major.

HEPP 100 CHEP Introductory Seminar 1

Pre-professional Skills Courses:

Choose two of the following 6

CNST 100 Leadership, Integrity, and Change
HRM 140 Information Technology and Services Management
HRM 230 Decision-making Skills and Techniques
HRIM 238 Assessment, Evaluation, and Communication in Service Delivery Systems
ENGL 312 Written Communications in Business
CNST 209 Presentation Methods and Media

Interdisciplinary Courses:

Select 9 hours of CHEP Special Topics (HEPP 160, 260, 360, 460) or other interdisciplinary courses from a restricted list, available from the CHEP Office of Student Services, 106 Alison Hall West 9

Special Topics courses vary each semester and are at various levels, from freshman to senior-level offering. Topics may include the following: Learning Across the Lifespan; The Family; The Physical and Emotional Wellness of American Youth; Communities and the Environment; Current Policy Issues; the Dignity of Service; Professional Autonomy and Public Accountability.

Primary Interest Area 24-25
Students will complete one of the following interest areas of approximately 24 credit hours (see below):

A: Material Culture and Visual Style
B: Education and Community Services
C: Administration of Community Resources
D: Hospitality Services and Information Technology Management
E: Family and Consumer Sciences Education

Secondary Interest Area 18
Students are encouraged to complete an approved University minor. Other options may be approved by the CHEP Faculty Committee.

HEPP 400 Service Learning Practicum 3-6
Students will complete a required Service Learning Experience connected to their Primary Interest Area.

ELECTIVES

After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

CREDITS TO TOTAL A MINIMUM OF 120

INTEREST AREA A:
MATERIAL CULTURE AND VISUAL STYLE

Required Minor: American Material Culture Studies Minor

CNST 110 Seeing and Being in a Visual World 3
CNST 114 Fashion, Style and Culture 3
CNST 213 20th Century Design: Ethnic Influence 3
CNST 214 Costume History Before 1700 or
CNST 224 Clothing, Design Since 1700 3
CNST 216 Introduction to Material Culture Studies 3
CNST 419 Social Psychological Aspects of Clothing 3
CNST electives, independent study and/or practicum courses 6

INTEREST AREA B:
EDUCATION AND COMMUNITY SERVICES

EDUC 202 Human Development K-4 or
IFST 221 Child Development 3
EDUC 203 Human Development 5-83 or

<td>Students desiring certification for teaching Family and Consumer Sciences in grades 5-12 in Delaware schools can major in Human Services, Education and Public Policy. As part of their academic program, they will be advised to complete the necessary content and professional course requirements to meet Delaware’s licensure requirements. (Note: Under this option, the Primary Interest Area will total more than 24 credit hours, reducing elective credits available. Professional courses are not offered each year. Students must work with their academic advisor to determine availability.) Detailed information on current requirements for certification is available from the Department of individual and Family Studies. Student teaching requires a GPA of 2.50, a major field index of 2.75, and C-grades in required courses. Additional information is available from the program coordinator.</td>

<th>INDIVIDUAL AND FAMILY STUDIES</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>The Department of Individual and Family Studies offers undergraduate majors in Early Childhood Development and Education and in Family and Community Services, both with Honors Degree options. The curricula prepare students for challenging careers with individuals and families throughout the lifespan. Graduates become leaders in early education, family support, and human service programs, with many students pursuing advanced study.</td>
<td></td>
</tr>
<tr>
<td>The major in Early Childhood Development and Education is designed for students who plan on working with children in a variety of educational settings, including schools, preschools, early care and education and home-based programs. The Early Childhood Development and Education major allows students to choose one of four certification options: Early Care and Education, Early Childhood Special Education, a dual certification in Early Care and Education and Early Childhood Special Education, and a dual certification in Early Care and Education and Primary Education (kindergarten through 4th grade). Certification requirements for state approved early childhood programs can be met by completing the identified course work for each certification option. The program emphasizes developmentally appropriate, family-centered practices to meet the needs of all children, including those with disabilities.</td>
<td></td>
</tr>
<tr>
<td>Students in the Family and Community Services major choose one of two concentrations. The Human Services Concentration is designed for students wishing to work within public and private agencies serving clients, infants through the aged, and their families. Combining course work and clinical experiences, the program of study prepares graduates for positions in direct client services, management and administration, and public policy. Students are also prepared to pursue graduate degrees in careers addressing the needs of individuals and their families, such as community counseling, social work, public administration, program evaluation, and social policy.</td>
<td></td>
</tr>
<tr>
<td>The Family Research Concentration is designed for students with specialized interests who expect to pursue subsequent graduate education. Students undertake a substantial research experience and pursue an area of interest.</td>
<td></td>
</tr>
<tr>
<td>Selection and retention policies for the Early Childhood Development and Education, and Family and Community Services majors have been established and must be followed. In addition, there are limitations on the number of students who can be enrolled in each major. Students are responsible for travel arrangements and costs for clinical/internship experiences.</td>

| EDUC 400 Student Teaching | 9-12 |
| (12 credits for dual certification) | |

Prerequisites for EDU 400 Student Teaching: a GPA 2.50 and a major field index of 2.75 (information on courses designated in major field is available from Department Office) and a minimum grade of C in all IFST courses, EDUC 306, and certification electives is required. Students seeking certification in one area will complete one 9-week placement of full days and one 9-week placement of half days for a total of 18 weeks and 9 credits.

**Early Care and Education Certification**

Students seeking ECE certification must complete 12 credits from the list of certification electives appropriate for working with children O-K and their families.

**Early Childhood Special Education Certification**

Students seeking ECE certification must complete the following courses before student teaching, plus six credits of certification electives:

- IFST 463 Atypical Infant and Toddler
- IFST 470 Families and Children at Risk

**Dual Certification**

Qualified students can complete an additional certification in Primary Education (K-4) or combine Early Care and Education and Early Childhood Education as a dual certification. Students must complete all requirements for the certification in Early Care and Education (K-4), plus additional requirements, including a major field index of 3.00 after 60 credit hours and to student teach. Students seeking certification in two areas will complete two full day 9-week placements for a total of 18 weeks and 12 credits.

**Dual Certification: Early Childhood Education and Kindergarten through Fourth Grade**

For this certification, students must complete the following 12 credits of approved elementary methods courses as their certification electives:

- EDUC 310 Reading and Writing in the Primary Grades
- EDUC 335 Elementary Curriculum: Math
- EDUC 341 Elementary Curriculum: Science
- EDUC 346 Elementary Curriculum: Social Studies

Enrollment in these courses is limited.

An additional student teaching experience is also required (12 credits)

- Students must also take as their mathematics elective MATH 253 Mathematics for the Elementary School III
- Students must have a C- or better in all courses.

**Dual Certification: Early Childhood Education and Early Childhood Special Education**

Students seeking this dual certification must complete the following courses before student teaching, plus six credits of certification electives:

- IFST 463 Atypical Infant and Toddler
- IFST 470 Families and Children at Risk

An additional student teaching experience is also required (12 credits).

**ELECTIVES**

After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

- May include Military Science, Music, or Physical Education (Only two credits of activity-type Physical Education and four credits of Music ensemble and four credits of 100- and 200-level courses in Military Science/Air Force may be counted toward the degree)

**CREDITS TO TOTAL A MINIMUM OF 129**

**HONORS BACHELOR OF SCIENCE:**

**EARLY CHILDHOOD DEVELOPMENT AND EDUCATION**

The recipient must complete:
- 1. All requirements for the Bachelor of Science degree in Early Childhood Development and Education
- 2. All of the University’s generic requirements for the Honors Baccalaureate Degree (see page 43 of this catalog)
- 3. These additional requirements:
  - a. Senior Seminar (IFST 465) must be taken as an Honors section
  - b. Achieve a 3.4 GPA in major.
After required courses are completed, sufficient elective credits must be taken to bring the total credits to a minimum of 120.

ELECTIVES

Natural. Physical Education and four credits of Music ensemble and four credits of 100- or 200-level courses in Military Science/Air Force may be counted toward the degree.

CREDITS TO TOTAL A MINIMUM OF

120
