COLLEGE OF HUMAN SERVICES, EDUCATION AND PUBLIC POLICY
UNDERGRADUATE PROGRAMS

- Advisement and Academic Enrichment Opportunities
- Dean’s Scholar Program
- Teacher Education Programs
- Discovery- and Service-Based Learning Opportunities and Clinical Experiences
- Minor in Disabilities Studies

The undergraduate programs of the College of Human Services, Education and Public Policy (CHEP) prepare students to enhance human development across the life span, to strengthen educational policies and practices, to improve the quality and delivery of consumer goods and services, and to encourage effective policies and management in public, private and nonprofit organizations.

CHEP offers undergraduate degree programs through the Schools of Education, and of Urban Affairs and Public Policy and through the Departments of Fashion and Apparel Studies; Hotel, Restaurant, and Institutional Management; and Individual and Family Studies. In addition, an interdisciplinary major in Human Services, Education and Public Policy is available, as well as three minors: Disabilities Studies, Educational Studies, and Leadership.

ADVISEMENT AND ACADEMIC ENRICHMENT OPPORTUNITIES

CHEP is committed to students’ success and provides the resources and support services that will enable students to fully participate in the opportunities available throughout their undergraduate years. Undergraduates have an unequaled opportunity to gain valuable practical experience that complements their academic studies by participating in internships and practicum experience in schools as well as projects through CHEP’s public service and research centers. CHEP also promotes opportunities for students to enhance their undergraduate experience through the Dean’s Scholars Program; the CHEP Summer Scholars Program; service, leadership and mentoring experiences; undergraduate research; and study abroad opportunities. Most academic areas offer an Honors degree including research opportunities leading to a senior thesis for the Honors Degree with Distinction or the Degree with Distinction.

The CHEP Office of Student Support Services coordinates orientation activities for new students, supports academic advisement, administers academic policy, and maintains students’ records. Students with academic questions or concerns, those interested in becoming involved in special opportunities available to CHEP students, and those experiencing academic difficulties are all encouraged to contact their assigned faculty or professional advisor. For additional assistance and information, CHEP students are welcome to contact the CHEP Office of Student Support Services, 105 Pearson Hall, (302) 831-2301, visit www.udel.edu/chep/oss or email chep-oss@udel.edu.

DEAN’S SCHOLAR PROGRAM

The Dean’s Scholar Program exists to serve the needs of students whose clearly defined educational goals cannot be effectively achieved by pursuing the standard curricula for all existing majors, minors, and interdepartmental majors sponsored by the University. Driven by an overarching passion or curiosity that transcends typical disciplinary bounds and curricula, a Dean’s Scholar’s intellectual interests may lead to broad interdisciplinary explorations of an issue or to more intense, in-depth studies in a single field at a level akin to graduate work. In consultation with faculty advisors and the Associate or Assistant Dean of their college, Dean’s Scholars design an imaginative and rigorous individual plan of study to meet the total credit hours required for graduation. Contact the Assistant/Associate Dean in the college or go to www.udel.edu/deansscholar for more information and the application.

TEACHER EDUCATION PROGRAMS

Responsibility for the coordination of the teacher education programs rests with the University Council on Teacher Education (UCTE). Teacher education programs in specific areas are administered by the Colleges of Agriculture and Natural Resources; Arts and Sciences; Health Sciences; Human Services, Education and Public Policy; and Marine and Earth Studies. For more information on teacher education programs, students who wish to prepare themselves to be certified teachers should consult the teacher education web site at www.udel.edu/teachered or the faculty advisor for the specific area of certification sought, as follows:
FIELD EXPERIENCES (INCLUDING STUDENT TEACHING) are required of all students who wish to obtain an undergraduate degree in teacher education. To participate in the field experiences, including student teaching, students must satisfy their program’s course prerequisites, meet minimum GPA requirements, pass required competency tests, and satisfy other criteria as designated by their program, e.g., testing for tuberculosis, criminal background check, child abuse clearance, physical exam, etc. Consult the appropriate teacher education program advisor (see the list of advisors for teacher education programs) for the exact GPA requirements and other policies concerning qualifications for field experiences. Applications for student teaching must be submitted and approved prior to the student teaching semester. Deadlines, prerequisites, corequisites, and procedures for submitting applications for student teaching are published each year.

CERTIFICATION. The professional education unit of the University of Delaware is accredited by the National Council for the Accreditation of Teacher Education (NCATE). The individual teacher education programs have received State Approved Program status and have been recognized by national specialty organizations as having met their standards. Students who complete a University of Delaware Approved Teacher Education Program and who demonstrate competency in the appropriate academic content knowledge by taking the Praxis II test required by the State of Delaware for certification receive an institutional recommendation for teacher certification. Upon receiving the University’s recommendation, students must apply for certification through the individual state’s Department of Education. Most states require that students pass a standardized test to qualify for teacher certification. The Delaware Center for Teacher Education has information available to students on the testing requirements and the certification procedures.
DELTA WARE CENTER FOR TEACHER EDUCATION

The Delaware Center for Teacher Education (DCTE) strengthens both pre-service and in-service teacher education, improves access for the education community to the University’s teacher education and professional development programs, and supports the state’s efforts to enhance teacher and professional development in line with new state content standards and accountability requirements. For further information about DCTE generally, call (302) 831-3000 or visit the web site at www.udel.edu/dcte/.

Of the programs and services within DCTE, the following are of particular interest to undergraduates.

The America Reads program recruits undergraduates to tutor young children in basic reading skills. For information, call 831-0722 or e-mail cmcvens@udel.edu.

The Americorps VISTA program works with schools and community groups across the state developing mentoring programs. It places college graduate VISTA members in schools and with community groups to recruit and organize mentors for students in need. Following a year of service, members admitted to select College of Human Services, Education and Public Policy programs are guaranteed graduate assistantships. For more information call 831-0520 or e-mail mknight@udel.edu.

The ASPIRE program encourages students from underrepresented groups to pursue a career in teaching. In addition to recruiting qualified applicants, ASPIRE provides students in all the University’s teacher education programs with academic support, if needed, and professional development activities. For more information, call 831-1641 or email clescott@udel.edu.

The Delaware Mentoring Council provides support and technical assistance to mentoring programs throughout the state. For additional information, call 831-0520 or e-mail mknight@udel.edu.

The Teacher Quality Enhancement Grant provides support to undergraduate students interested in becoming special education teachers to build their content knowledge so that they meet the federal government’s “highly qualified” status requirements.

The Education Resource Center (ERC) is a multimedia, special purpose curriculum materials center that provides both circulating and reserve collections for use by teachers, students, and administrators. The ERC operates a Book Examination Site, receiving review copies of newly released books for youth from over 100 publishers. It also houses a site of the Delaware Teacher Center for constructing learning materials for use in classrooms with K-12 students. In addition, the Resource Center coordinates the school library media specialist program. For further information, call (302) 831-2335 or visit the website at: http://www.udel.edu/erc.

The Office of Clinical Studies assists faculty in implementing a program of field-based professional practice that includes several sequential phases of increasing involvement and responsibility and in placing students in appropriate clinical settings. For further information, call (302) 831-2319 or e-mail hartmanj@udel.edu.

DISCOVERY- AND SERVICE-BASED LEARNING OPPORTUNITIES AND CLINICAL EXPERIENCES

As a professional, service-oriented college, CHEP stresses opportunities for learning through experiences that require students to apply their academic training and encourage them to develop their newly acquired skills and knowledge. CHEP has a unique combination of facilities that provide a wide range of practical experience settings, and CHEP offers special programs that encourage personal and professional development. Undergraduate students can also learn from valuable practical experience that complements their academic studies by working with faculty, staff and graduate students in CHEP’s public service and research centers.

CHEP receives funding from the Delaware General Assembly to support undergraduates who are working on projects that benefit the people of Delaware.

The following units offer special opportunities for undergraduate student participation:

The College School located in Alison Hall (ALS), provides a school-year program for children, grades 1-8, with learning differences. The school provides individualized and innovative instruction for children who have had unsuccessful school experiences, with the goal of returning these students to more traditional classroom settings within an average of two to three years. The College School also serves as a research and clinical site for students and faculty in Education, School Psychology, Clinical Psychology, Nursing, Physical Education, Music, and many other disciplines. For further information: www.udel.edu/collegeschool or call (302) 831-1097.

The Courtyard Newark at the University of Delaware is operated by the Shaner Hotel Group and provides on-campus lodging for alumni, parents, guests and conference attendees. It also provides enhanced educational experiences in the Marriott Center for Hospitality and Tourism for students in the Department of Hotel, Restaurant and Institutional Management by offering opportunities to gain hundreds of hours of practical experience in a teaching and research laboratory located in a hotel setting. Students gain valuable experience in sales, marketing, revenue management, hotel engineering, and housekeeping. For further information, call (302) 831-6077 or email dlaws@udel.edu.

The Design Laboratories provide applied learning opportunities for apparel design and fashion merchandising students. The Computer-aided Design Laboratory builds skills in graphic and pattern design, pattern grading and marker-making systems used in the apparel industry. Students can use the Historic Costume and Textile Collection, with 2,500 historic textiles and apparel pieces, for design inspiration. For further information, call (302) 831-8713 or visit http://www.udel.edu/fash.

The Legislative Fellows Program is a unique opportunity for especially qualified undergraduates and graduate students to work directly with members of the Delaware General Assembly. Fellows provide timely, nonpartisan research assistance on complex public policy issues while gaining a thorough knowledge of the legislative process that will be useful in a wide variety of careers. In addition, Fellows become acquainted with state and local elected officials, agency directors, business heads, and community leaders. Selected through a competitive process, Fellows work in Dover for twenty hours per week from January to June and earn a stipend comparable to a research assistantship. For more information contact Lisa Moreland at (302) 831-4955 or e-mail lisam@udel.edu.

Professional Development Schools provide professional training in teacher education much in the way teaching hospitals serve medical education. The University of Delaware is working with several elementary and middle schools in the Christina and Milford School Districts. Some undergraduate students in elementary education complete their clinical requirements at these sites.

The University of Delaware Laboratory Preschool is a state licensed and NAEYC accredited model preschool program, provides appropriate developmental programs for children with and without disabilities; teaches University students to work with young children through classroom practicum experiences; provides opportunities for students, faculty and professionals to observe exemplary preschool programs and teacher role models; enables students to observe children ages two through six so the students can better understand developmental progression; and provides a research site for students and faculty. For further information, contact Peg Bradley, director, at (302) 831-8556 or e-mail phbradley@udel.edu.

The Vita Noval/Foodservice Laboratory is part of the Hotel,
Restaurant and Institutional Management (HRIM) Department and is located on the second floor of the Trabant University Center. The laboratory consists of Vita Nova, a student-operated, 65-seat dining room open to the public; a display kitchen; the Copeland Vinotek wine cellar; the Darden Bistro; and a teaching and demonstration kitchen with state-of-the-art video and satellite capabilities. Students in the HRIM program use the facility to understand the challenges and dynamics of operating a business. On a daily basis, students rotate through management and skill-level assignments to learn the details required to exceed guest expectations. For further information, call (302) 831-6077 or e-mail dlaws@udel.edu.

CHEP UNDERGRADUATE INTERNSHIPS AND RESEARCH ASSISTANTSHIPS

CHEP offers students many opportunities for public and community service research assistantships and internships through its research and public service units. Undergraduates are able to work closely with faculty, staff and graduate students on key issues involving children, families, schools, communities, the environment, consumers and service institutions, and public policies. The following CHEP research and public service centers, profiled in detail in the chapter “Research Centers, Institutes, and Special Facilities,” offer public and community research assistantships and internship opportunities:

- Center for Applied Demography and Survey Research
- Center for Community Research and Service
- Center for Disabilities Studies
- Center for Energy and Environmental Policy
- Center for Historic Architecture and Design
- Delaware Center for Teacher Education
- Delaware Education Research and Development Center
- Early Learning Center
- English Language Institute
- Institute for Public Administration
- Mathematics & Science Education Resource Center

MINOR IN DISABILITIES STUDIES

The College of Human Services, Education and Public Policy offers a minor in Disabilities Studies, with courses taught by an interdisciplinary team of faculty associated with the Center for Disabilities Studies. The minor in Disabilities Studies requires 18 credit hours, distributed as follows: all core courses listed below (9 credits) and three additional courses (9 credits) selected in consultation with and approved by the student’s minor advisor. These courses shall be chosen from each of the following topic areas: Human Development, Social Systems, and Service Delivery Methods. At least one of these courses must be from outside the requirements of the student’s major and outside his or her major department. Additional course restrictions apply to students in the CHEP or ETE major. All courses included in the minor must be completed with a grade of C- or better.

IFST/PSYC/SOCI 270 Families and Developmental Disabilities .............. 3
EDUC 230 Introduction to Exceptional Children ..................................... 3
HEPP 465 Senior Seminar in Disabilities Studies ................................. 3

Topic Area Courses ........................................................................... 9

Information regarding courses recommended in the topic areas and the procedures for completing the minor can be obtained from the Center for Disabilities Studies, http://www.udel.edu/cds/disabilities_minor.html

EDUCATION

http://www.udel.edu/educ
Faculty Listing: http://www.udel.edu/educ/people.html

The School of Education offers undergraduate degree programs in Elementary Teacher Education and Educational Studies. Both majors include an Honors Degree option. The School’s exemplary teacher education and specialist programs produce skilled professional educators who are able to work with today’s diverse learners. Through their coursework and field experiences, undergraduate teacher education candidates become skilled in developmentally and educationally effective approaches to instruction. With reflective practice as a guiding principle, the School prepares candidates to become scholars who are grounded in the knowledge of their discipline and pedagogy; problem solvers who are able to design effective instruction and address challenges; and partners who can support the development of the children with whom they work.

PROGRAM IN ELEMENTARY TEACHER EDUCATION
(INCLUDING MIDDLE SCHOOL AND SPECIAL EDUCATION)

Telephone: (302) 831-2317

The Elementary Teacher Education Program is designed to help students meet the following goals:

1. become outstanding general elementary teachers, middle school teachers and teachers of exceptional children
2. develop a strong background in the academic subjects taught in the elementary level
3. develop the employment flexibility and security to become an elementary teacher, a middle-school teacher in English, mathematics, science or social studies and/or a teacher of exceptional children
4. provide all children, including those with special learning needs, with the best possible education

The program curriculum is designed to provide students with a range of practicum experiences in a variety of settings. These practicum experiences begin with observation and tutoring of children in the freshman year and culminate with student teaching in the senior year. These direct experiences in actual classroom settings give the teacher candidate important opportunities to apply the knowledge gained in college courses to his or her work with children and to gain critical on-the-job training.

The program is divided into three general areas.

The General Studies area includes courses in the following subject areas: natural sciences, mathematics, social sciences, English/linguistics, and fine arts. A grade of C- or better is required in all of the courses in this area.

The K-6 licensure requirements are designed to develop the candidate’s teaching skills. The courses place strong emphasis on the development of teachers who can plan and implement appropriate educational experiences for children of varying levels of ability. A grade of C- or better is required in all of the courses in this area.

The 3-5 licensure area provides the teacher candidate with an opportunity to select a second certification area: middle-school English, middle-school mathematics, middle-school science, middle-school social studies or special education. A list of the specific courses that comprise each of these areas is available in the School of Education’s Office of Undergraduate Services. A grade of C- or better is required in all of the courses in this area.

APPLICATION FOR CLEARANCE FOR UPPER DIVISION STUDY IN TEACHER EDUCATION

Students enrolled in the Elementary Teacher Education major wishing to begin upper-level work must make formal application and satisfy the requirements for Clearance for Upper Division Study.

Students wishing to pursue teaching as a professional goal should secure a copy of clearance requirements from the School of Education Office, (Room 120, Willard Hall). Students will be notified of deadline dates for making application for clearance.

The purpose of clearance is to assure that each student is satisfying requirements in the major and is prepared to undertake
junior-level work including in-school clinical experiences. Students not meeting criteria are provided support services including study skills assistance, vocational counseling, and academic planning.

DEGREE: BACHELOR OF SCIENCE IN EDUCATION
MAJOR: ELEMENTARY TEACHER EDUCATION

CURRICULUM CREDITS

UNIVERSITY REQUIREMENTS
ENGL 110 Critical Reading and Writing 3
First Year Experience (see page 68) 0-4
Discovery Learning Experience (see page 68) 3

Three credits in an approved course or courses stressing multi-cultural, ethnic, and/or gender-related course content (see pages 68-70) 3

MAJOR REQUIREMENTS

Note: All students must complete General Studies courses, K-6 Licensure courses, and choose a 2nd Licensure either in a Middle-School content area or Special Education

GENERAL STUDIES (45 credits)
GEOL 113 Earth Science 4
SCEN 102 Physical Science 4
BISC 104 General Biology 4
BISC 207 Introductory Biology I 4
MATH 251 Mathematics for K-8 Teachers: Number & Operations 3
MATH 252 Mathematics for K-8 Teachers: Rational Numbers & Probability 3
MATH 253 Mathematics for K-8 Teachers: Geom., Algebra & Measurement 3

One of the following History courses: 3
HIST 101 World History I
HIST 104 World History II
HIST 205 United States History
HIST 206 United States History

One of the following Geography courses: 3
GEOG 101 Human Geography
GEOG 120 World Regional Geography
GEOG 203 Introduction to Cultural Geography
GEOG 210 Economic Geography

POSC 150 American Political System 3
or
HEPP 102 Civics and Economics for Teachers 3

ECON 100 Economic Issues and Policies 3
or
ECON 151 Introduction to Microeconomics 3
HEPP 102 Civics and Economics for Teachers 3
(if not taken above)

LING 101 Introduction to Linguistics 3

One of the following literature courses: 3

Students in the Middle School English concentration:
ENGL 101 Tools of Textual Analysis 3

Students not in the Middle School English concentration:
ENGL 202 Biblical and Classical Literature 3
ENGL 280 Approaches to Literature for Non-Majors 3
ENGL 281 British Literature to 1700 for Non-Majors 3
ENGL 282 British Literature 1700-Present for Non-Majors 3
ENGL 283 American Literature for Non-Majors 3
ENGL 284 Shakespeare for Non-Majors 3
ENGL 285 Introduction to Poetry for Non-Majors 3
ENGL 286 Introduction to Drama for Non-Majors 3
ENGL 287 Introduction to Novel for Non-Majors 3
ENGL 288 Studies in Film for Non-Majors 3
ENGL 289 Studies in Literature for Non-Majors 3
ENGL 290 Studies in Literature for Non-Majors 3
Art, Art History, Music, Music Education or Theater 3

K-6 LICENSURE (47 credits)
EDUC 100 Introduction to Elementary and Middle School Education 1
(Satisfies First Year Experience)
EDUC 205 Human Development: Grades K-8 3
EDUC 210 Beginning Literacy Instruction 3
EDUC 239 Introduction to Exceptional Children 3
EDUC 240 Professional Issues: Philosophical and Legal Perspectives 3
EDUC 247 Professional Issues: Historical Perspectives 3
EDUC 258 Cultural Diversity, Schooling and the Teacher 3
EDUC 259 Cultural Diversity in Community Contexts 3
EDUC 286 Educational Technology: Professional Tools 1
EDUC 310 Reading and Writing in Elementary School 3
EDUC 335 Elementary Curriculum: Mathematics 3
EDUC 341 Elementary Curriculum: Science 3
EDUC 346 Elementary Curriculum: Social Studies 3
EDUC 387 Integrating Technology in Education 2
EDUC 390 Building Communities of Learners 3
EDUC 400 Student Teaching (K-6) 5
EDUC 433 Non-school Factors Affecting Learning in the Classroom 2

EDUC 436 Literacy Problems: Assessment and Instruction 3
EDUC 437 Diagnosis and Instruction: Literacy 3
(Special Education Licensure only)
EDUC 451 Educational Assessment for Classroom Teachers 3

2nd LICENSURE
For students seeking licensure in Middle-School English, in addition to the 9 General Studies English and Linguistics credits (including ENGL 110) taken for K-6 licensure, students will take the following 21 credits of English for a total of 30 credits in English as well as a middle-school reading/writing course and student teaching.

ENGL 294 English Language: Grammar and Usage 3
EDUC 403/ENGL 403 Literature for Adolescents: Multimedia Texts 3
ENGL 204 American Literature 3
ENGL 205 British Literature I 3
ENGL 206 British Literature II 3

Writing course
ENGL Diversity elective 3
EDUC 320 Reading and Writing in the Middle Grades 3
EDUC 400 Student Teaching: Middle-School English 5

TOTAL CREDITS FOR K-6 LICENSURE WITH MIDDLE SCHOOL ENGLISH 121

For licensure in Middle-School Mathematics, in addition to the 9 General Studies mathematics credits taken for K-6 licensure, students will take the following 21 credits of mathematics for a total of 30 credits in mathematics as well as a middle school mathematics teaching course and student teaching.

MATH 221 Calculus I 3
or
Math 241 Analytic Geometry and Calculus A 3
MATH 222 Calculus II 3
or
Math 242 Analytic Geometry and Calculus B 3
MATH 210 Discrete Mathematics 3
MATH 230 Finite Math with Applications 3
STAT 200 Basic Statistical Practice 3

or
MATH 201 Introduction to Statistical Methods I 3
MATH 240 Geometry and Measurement for Middle School Teachers 3
MATH 217 Algebra for Middle School Teachers 3
EDUC 336 Middle School Mathematics Curriculum and Methods 3
EDUC 400 Student Teaching: Middle School Mathematics 5

TOTAL CREDITS FOR K-6 LICENSURE WITH MIDDLE SCHOOL MATHEMATICS 121-123
For licensure in Middle-School Science, in addition to the 12 General Studies science credits taken for K-6 licensure, students will take 18 credits of science courses for a total of 30 credits in science, as well as a middle-school science teaching course and student teaching. Of the 18 credits, students must take the following: 6 credits in biology, 6 credits in physical science, 3 credits in earth science and 3 credits in environmental science. A list of approved courses can be obtained from an advisor in WHL 120.

- Biology courses: 6 credits
- Physical science courses: 6 credits
- Environmental science course: 3 credits
- Earth science course: 3 credits
- EDUC 443 Teaching Science in the Middle School: 3 credits
- EDUC 400 Student Teaching: Middle School Science: 3 credits
- Free elective from any department: 3 credits

**TOTAL CREDITS FOR K-6 LICENSURE WITH MIDDLE SCHOOL SCIENCE: 121**

For licensure in Middle-School Social Studies, in addition to the 12 General Studies social studies credits taken for K-6 licensure, students will take 18 additional credits of social studies courses for a total of 30 credits in the social studies area. A list of approved courses can be obtained from an advisor in WHL 120.

- US History 205 or 206: 3 credits
- World History 103 or 104: 3 credits
- POSC 240 Introduction to International Relations: 3 credits
- POSC 270 Comparative Politics: 3 credits
- Economics elective*: 3 credits
- Geography elective*: 3 credits
- History, Geography, Political Science or Economics*: 6 credits
- (*Six of the above 12 credits must be at the 300 level or higher.)
- EDUC 443 Teaching Social Studies in Middle School Communities: 3 credits
- EDUC 400 Student Teaching: Middle School Social Studies: 3 credits
- Free elective from any department: 3 credits

**TOTAL CREDITS FOR K-6 LICENSURE WITH MIDDLE SCHOOL SOCIAL STUDIES: 121**

For students seeking licensure in Special Education, the following courses are added to the K-6 requirements:

- EDUC 410 Assistive Technology: 1 credit
- EDUC 431 Applied Behavior Analysis: 3 credits
- EDUC 432 Curriculum for School-aged Exceptional Children: 3 credits
- EDUC 435 Educational Evaluation for Exceptional Children: 3 credits
- EDUC 400 Student Teaching: Special Education: 5 credits

In addition, students will be required to complete the Disabilities Studies Minor (15 credits) or a content area in science, mathematics, social studies, or English (15-21 credits). See list of courses in 120 Willard Hall.

**TOTAL CREDITS FOR K-6 LICENSURE WITH SPECIAL EDUCATION: 122-128**

**Praxis Test Requirements**

**Praxis I:** Passing scores on the Praxis I test, all three subtests (reading, writing, and mathematics), are required prior to enrollment in upper division professional education coursework.

**Praxis II:** Proof of having taken an appropriate academic CONTENT area test (e.g., Praxis II in English, Praxis II in Elementary Content Knowledge or Fundamental Subject Area Test). A copy of the official score report must be submitted to the Delaware Center for Teacher Education, during enrollment in EDUC 400 Student Teaching or no later than November 1 for January graduates and May 1 for June or summer graduates. An institutional recommendation for certification will not be issued until the candidate has presented the official score report.

**HONORS BACHELOR OF SCIENCE: ELEMENTARY TEACHER EDUCATION**
The recipient must complete:

1. All requirements for the Bachelor of Science degree in Elementary Teacher Education.
2. All the University’s generic requirements for the Honors Baccalaureate Degree (see page 52).

---

**SOUTHERN DELAWARE ELEMENTARY TEACHER AND SPECIAL EDUCATION**

**DEGREE:** BACHELOR OF SCIENCE IN EDUCATION

**MAJOR:** ELEMENTARY TEACHER EDUCATION/SPECIAL EDUCATION

University and major requirements are the same as for the Elementary Teacher Education program. However, this program differs in that students are required to seek dual certification in Special Education and discipline area requirements are selected for an integrated discipline area rather than a single discipline area. This program also includes more K-6 school-based requirements that are designed in cooperation with the Milford School District. All requirements for this program may be met at the University of Delaware campus in Georgetown and the Milford Professional Development School located on the grounds of the Milford School District. For additional information, please contact Laurie Palmer at (302) 424-6461.

**PROGRAM IN EDUCATIONAL STUDIES**

Telephone: (302) 831-2317

The Bachelor of Arts in Educational Studies program is designed for students who are interested in the subject of education as part of a liberal arts curriculum pursuant to education-related careers that do not directly involve classroom teaching. The degree does not prepare teacher candidates for certification. The program requires students to minor in an Arts and Sciences field related to education. Students are admitted no earlier than their sophomore year and must possess at least a 3.0 cumulative GPA.

The program features intensive attention and guidance by faculty members, including personal advisement and a year-long research project culminating in a senior thesis. During the thesis process, students will intern with an educational researcher (on or off-campus) and will conduct the thesis under the direction of two faculty members. There is significant flexibility regarding the content of the thesis as a function of a student’s background and interests. Students may select the program as a single major or as a double major with a field outside of education. An Honors Degree option is also available.

Students may change to the major in Educational Studies from any program in the University. An application form must be completed and submitted to the Coordinator of the Program.

**DEGREE:** BACHELOR OF ARTS IN EDUCATIONAL STUDIES

**MAJOR:** EDUCATIONAL STUDIES

Three credits in an approved course or courses stressing multicultural, ethnic, and/or gender-related course content [see pages 68-70].
BACHELOR OF ARTS

COLLEGE SKILL REQUIREMENTS

Writing: (minimum grade C) ................................. 3
A second writing course involving significant writing experience including two
papers with a combined minimum of 3,000 words to be submitted for extended
faculty critique of both composition and content. This course must be taken after
completion of 60 credit hours. Appropriate writing courses are designated in the
semester’s Registration Booklet. (See list of courses approved for second writing
requirement, pages 93-95.)

Mathematics: (one of the following) .......................... 0.4
MATH 113 Contemporary Mathematics
[designed for students who do not intend to continue the study of mathematics]
MATH 114
or
MATH 170 College Mathematics and Statistics
[designed for students who do not intend to continue the study of mathematics]
MATH 115
or
MATH 171 Pre-Calculus
[designed for students who intend to continue the study of mathematics]

Successful completion of any mathematics course at or above the 200-level except
MATH 251, MATH 252, Math 253, or MATH 266.

Successful performance on a proficiency test in mathematics administered by the
Department of Mathematical Sciences through the College of Arts and Sciences
Advisement Center. (0 credits awarded)

The math requirement must be completed by the time a student has earned 60
credits. Students who transfer into the College of Arts and Sciences with 45 credits
or more must complete this requirement within two semesters.

Foreign Language: .............................................. 0-12
Completion of the intermediate-level course (107 or 112 or 214) in an ancient or
modern language. The number of credits needed and initial placement will depend
on number of years of high school study of foreign language. Students with four or
more years of high school work in a single foreign language may attempt to fulfill
the requirement in that language by taking an exemption examination.

BREADTH REQUIREMENTS (see pages 95-100)
Group A .............................................................. 9
Understanding and appreciation of the creative arts and humanities. Nine credits
representing at least two areas.

Group B .............................................................. 9
The study of culture and institutions over time. Nine credits representing at least
two areas.

Group C .............................................................. 9
Empirically based study of human beings and their environment. Nine credits
representing at least two areas.

Group D .............................................................. 10
The study of natural phenomena through experiment and analysis. A minimum of
ten credits representing at least two areas including a minimum of one course with
an associated laboratory.

MAJOR REQUIREMENTS
EDUC 230  Introduction to Exceptional Children
or
EDUC 258  Cultural Diversity, Schooling, and the Teacher  ................. 3
EDUC 240  Professional Issues: Philosophical and Legal Perspectives .... 3
EDUC 247  Professional Issues: Historical Perspectives ................. 3

FASHION AND APPAREL STUDIES

Telephone: (302) 831-8714
E-mail: fashion-studies@udel.edu
http://www.udel.edu/fash

The Department of Fashion and Apparel Studies (FASH)
prepares students to thrive in the fast paced field of fashion. Relevant
curriculums address the conceptualization, design, pre-production,
planning, promotion and distribution of apparel and related products
through two undergraduate major courses of study. Examining the
social, psychological, historical and cultural influences on fashion, as
well as providing a basic understanding of textile materials and
production enriches our academic programs. An industry-oriented
approach is emphasized.

The Apparel Design major focuses on trend research, conceptualization and pre-production of products for apparel-related
industries that meet the functional, expressive, and aesthetic needs
and desires of the consumer.

The Fashion Merchandising major addresses the planning,
production, promotion and distribution of products in fashion
industries to meet consumer need and demand. An Honors Degree
option is available for each major.

Students in both majors can benefit from the Department of
Fashion and Apparel Studies’ collaboration with the Center for
Historic Architecture and Design. Opportunities are available for
students interested in material culture and preservation as they relate
to apparel design, historic costume, dress and culture, and
contemporary consumer behavior.

Students who wish to transfer from another major in the
University are advised to contact the Department office regarding
application policies and procedures.
DEGREE: BACHELOR OF SCIENCE

MAJORS: APPAREL DESIGN (APD) or FASHION MERCHANDISING (FM)

Both the APD and FM curricula consist of a core supplemented by courses specific to each major, facilitating a double major or transfer from either major to the other.

CURRICULUM CREDITS

UNIVERSITY REQUIREMENTS
ENGL 110 Critical Reading and Writing (minimum grade C) ........................................ 3
First Year Experience [see page 68] .................................................................................. 0.4

ELECTIVES
After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

May include Military Science, Music, or Physical Education (Only two credits of activity-type Physical Education and four credits of Music ensemble and four credits of 100- and 200-level courses in Military Science/Air Force may be counted toward the degree).

CREDITS TO TOTAL A MINIMUM OF . . . . . . . . . . 120

HONORS BACHELOR OF SCIENCE:
FASHION MERCHANDISING

The recipient must complete:
1. All requirements for the Bachelor of Science degree in Fashion Merchandising.
2. All the University’s generic requirements for the Honors Baccalaureate Degree [see page 52]. Within these requirements, the twelve (12) honors credits earned in courses in the Department of Fashion and Apparel Studies or in closely related areas outside the Department must be approved by the student's advisor. Of these, a minimum of six (6) credits must be taken in the Department of Fashion and Apparel Studies.
The Hotel, Restaurant and Institutional Management curriculum leads to a Bachelor of Science Degree (including an Honors Degree option) and is based in liberal arts, business and specialized courses in technical applications for the hotel and restaurant industries. Students are provided a foundation in the traditional academic areas to complement the state-of-the-art business and hospitality courses. The curriculum is structured to provide both a practical and theoretical education. An integral part of the curriculum is the hospitality-related work experience. A documented student work and community service requirement of 800 hours is required prior to graduation. These combined work experiences assist in the preparation of students for the increasingly complex and challenging hospitality industry.

Transfer student applicants and those wishing to change from another major at the University of Delaware are considered on a space available basis. The chief criterion used in selection is academic performance. Applications are reviewed January 15, March 15, July 15, and October 15.

Students in the Hotel, Restaurant and Institutional Management program also have the opportunity to participate in a 4+1+1 MBA program with the Lerner College of Business and Economics. With careful planning, academically eligible students can complete both their undergraduate degree in Hotel, Restaurant and Institutional Management and the Master of Business Administration degree in five years of academic study plus a 12 month internship.

BREADTH REQUIREMENTS
The following courses have been approved to fulfill humanities and science electives for students majoring in Hotel, Restaurant and Institutional Management.

**Humanities**
Art, Art History, Communication, Comparative Literature, English, Foreign Language (including: CHIN, FREN, GREEK, GRMN, HEBR, ITAL, JAPN, LATN, PORT, RUSS, SPAN), Foreign Languages and Literatures, Jewish Studies, Linguistics, Museum Studies, Music, Philosophy, Theater, Women’s Studies (WOMS 203, 205, 210, 216, 222, 318, 320, 326, 328, 330, 353, 380, 381, 382, 389, 465, 480), Science and Culture (CSCC 229, 241, 246, 250, 330, 365, 368, 369, 444).

</table>

All HRIM courses require a minimum grade of C.

The HRIM program requires 700 or more hours of approved industry work experience and an additional 100 hours of approved community service activities prior to graduation.
ELECTIVES

In addition, sufficient elective credits must be taken to meet the minimum credits required for the degree.

May include Military Science, Music, or Physical Education. [Only two credits of activity-type Physical Education and four credits of Music ensemble and four credits of 100- and 200-level courses in Military Science/Air Force may be counted toward the degree.] Students are encouraged to develop fluency in a second language.

CREDITS TO TOTAL A MINIMUM OF ............... 120

HONORS BACHELOR OR SCIENCE:
HOTEL, RESTAURANT AND INSTITUTIONAL
MANAGEMENT

The recipient must complete:
1. All requirements for the Bachelor of Science degree in Hotel, Restaurant and Institutional Management.
2. All the University’s generic requirements for the Honors Degree (see page 52).

HUMAN SERVICES, EDUCATION AND PUBLIC POLICY

The Human Services, Education and Public Policy major combines humanities, science and social science requirements with a breadth of courses from the College of Human Services, Education and Public Policy. In addition to the Core requirements, which represent the interdisciplinary nature and service-learning focus of the College, students select a Primary Interest Area of at least twenty-four credit hours from among the Interest Areas offered by the academic units in the College. Students also select a Secondary Interest Area, typically in the form of an existing University minor; however, there is an option to individualize the Secondary Interest Area with prior approval from the CHEP Faculty Committee. The selection of each interest area is designed to allow students to explore their own personal and career objectives, while exploring the diverse areas within the CHEP College.

Students who wish to change from another major in the University are encouraged to contact the CHEP Office of Student Support Services (105 Pearson Hall). For additional information on the CHEP major, please contact:

Kristine Coll
(302) 831-2301
kritz@udel.edu
www.udel.edu/chepp/oss/undergraduate/chepmajor.html

Breadth Requirements

Students are required to select courses in the humanities, social sciences and sciences as indicated below, including two multicultural courses and a second writing requirement. A list of courses that may be used to satisfy the program’s requirements may be obtained from the CHEP Office of Student Support Services (105 Pearson Hall).

[May fulfill another degree requirement.]

MAJOR REQUIREMENTS

Three additional credits in an approved course stressing multi-cultural, ethnic, and/or gender-related course content .................................................. 3

Students should select one course in U.S. diversity and one in global diversity. A list of courses that may be used to satisfy the multicultural requirements may be obtained from the CHEP Office of Student Support Services (105 Pearson Hall). May fulfill another degree requirement.

Social Sciences

History or Economics Elective ................................................. 3
History or Sociology Elective ................................................. 3
Psychology Elective ............................................................ 3
Social Science Elective or ACCT 160 ....................................... 3
Social Science Elective ............................................................ 3

A second writing course is also required. It should be selected from the courses approved for Arts and Sciences second writing requirement and can be used to fulfill another degree requirement.

COLLEGE CORE REQUIREMENTS

[minimum grade C- in each course]

The College Core includes courses from the various CHEP Departments and Schools and reflects the interdisciplinary intent of this major.

HEPP 100 CHEP Introductory Seminar .................................... 1

Pre-professional Skills Courses:

Choose two of the following .................................................. 6

LEAD 100 Leadership, Integrity, and Change
HRIM 140 Information Technology and Services Management
HRIM 230 Executive Presentations and Problem Solving
HRIM 238 Assessment, Evaluation, and Communication in Service Delivery Systems
ENGL 312 Written Communications in Business
LEAD 209 Presentation Strategies

Interdisciplinary Courses:

Select 9 hours of CHEP Special Topics (HEPP 160, 260, 360, 460) or other interdisciplinary courses from a restricted list, available from the CHEP Office of Student Services, 105 Pearson Hall .................................................. 9

Special Topics courses vary each semester and are at various levels, from freshman to senior-level offering. Topics may include the following: Learning Across the Lifespan; The Family; The Physical and Emotional Wellness of American Youth; Communities and the Environment; Current Policy Issues; the Dignity of Service: Professional Autonomy and Public Accountability.

Primary Interest Area ......................................................... 24-25

Students will complete one of the following interest areas of approximately 24 credit hours (see below):

A: Education and Community Services
B: Hospitality Services and Information Technology Management

Secondary Interest Area ......................................................... 18

Students are encouraged to complete an approved University minor. Other options may be approved by the CHEP Faculty Committee.

HEPP 400 Service Learning Practicum .................................... 3-6

Students will complete a required Service Learning Experience connected to their Primary Interest Area and/or Secondary Interest Area.

ELECTIVES

After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

CREDITS TO TOTAL A MINIMUM OF ............... 120
The Department of Individual and Family Studies offers undergraduate majors in Early Childhood Education, and in Human Services, both with Honors Degree options. The curricula prepare students for challenging careers with individuals and families throughout the lifespan. Graduates become leaders in early education, family support, and human service programs, with many students pursuing advanced study.

The major in Early Childhood Education is designed for students who plan on working with children in a variety of educational settings, including schools, preschools, early care and education and home-based programs. The Early Childhood Education major prepares undergraduate students to educate young children in inclusive settings. Students who graduate from this approved early childhood program meet the requirements of the state of Delaware to be certified birth through second grade in both early childhood education and early childhood special education. The program emphasizes developmentally appropriate, family-centered practices to meet the needs of all children, including those with disabilities.

Students in the Human Services major are required to choose one of two concentrations. The Clinical Services Concentration is designed for students wishing to work within public and private agencies serving clients, infants through the aged, and their families. Combining course work and clinical experiences, the program prepares graduates for positions in direct client services and developing quality programs for individuals and families. Students are also prepared to pursue graduate degrees in careers addressing the needs of individuals and their families, such as in community and school counseling, family therapy, and social work.

The Administration and Family Policy Concentration is designed for students with interests in developing and administering human service programs, as well as making societal changes through advocacy and social policy. Students are prepared to pursue graduate degrees in such areas as public administration, community development and community psychology, family policy and family studies, family law, and social work.

Selection and retention policies for the Early Childhood Education, and Human Services majors have been established and must be followed. In addition, there are limitations on the number of students who can be enrolled in each major. Students are responsible for travel arrangements and costs for clinical/internship experiences.

**BREADTH REQUIREMENTS**

The following courses have been approved to fulfill humanities, science and social science electives for students in majors offered by the Department of Individual and Family Studies

**Humanities**

Art, Art History, Comparative Literature, English, Foreign Language (including: CHIN, FREN, GREK, GRMN, HEBR, ITAL, JAPN, LATN, PORT, RUSS, SPAN), Foreign Languages and Literatures, Jewish Studies, Linguistics, Museum Studies, Music, Philosophy, Theater, Women's Studies (WOMS 203, 205, 210, 216, 222, 318, 320, 326, 328, 330, 353, 380, 381, 382, 389, 465, 480), Science and Culture (CSCC 229, 241, 246, 250, 330, 365, 368, 369, 444).

Praxis Test Requirements
ECDE students must complete the following Praxis test requirements:
Praxis I: Passing scores on the Praxis I test, all three subtests (reading, passing score = 175; writing, passing score = 173; and mathematics, passing score = 174), prior to enrollment in IFST 355.

Praxis II: Proof of having taken an appropriate academic CONTENT area test (e.g. Praxis II in Elementary Content Knowledge or Fundamental Subject Area Test) or a state-designated academic content knowledge test (e.g. New York State test in the appropriate area, like the Elementary Multiple Subjects Test). A copy of the Official score report must be submitted to the Delaware Center for the Teacher Education, 200 Academy Street, during enrollment in EDUC 400 Student Teaching or no later than November 1 for January graduates and May 1 for June or summer graduates. An institutional recommendation for certification will not be issued until the candidate has presented the official score report.

Electives
After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

Only four credits of Music ensemble and four credits of 100-200 level courses in Military Science/Army ROTC may be counted toward the degree.

Credits to Total a Minimum of 124

Honors Bachelor of Science: Early Childhood Education

The recipient must complete:
1. All requirements for the Bachelor of Science degree in Early Childhood Education.
2. All of the University’s generic requirements for the Honors Baccalaureate Degree. (see page 52 of this catalog.)
3. These additional requirements:
a. Student Teaching Seminar must be taken as an Honors course (IFST 481).
b. Achieve a 3.4 GPA in major.

Degree: Bachelor of Science

IFST 445 Family, School, and Community Partnerships 3
IFST 452 Assessment of Children 3
IFST 470 Families and Children at Risk 3
IFST 480 Student Teaching Seminar 2
EDUC 400 Student Teaching 12

Prerequisites for EDUC 400 Student Teaching: a GPA 2.50 and a major field index of 2.75 (Information on courses designated in major field is available from Department Office) and a minimum grade of C- in all IFST courses.

One "Individuals and Families with Disabilities" course chosen from: 3
IFST 270 Families and Developmental Disabilities
IFST 470 Families and Children at Risk

One developmental elective chosen from: 3
IFST 220 Child Development I: Prenatal to Age 3
IFST 221 Child Development II: 3-8 years
IFST 222 Inclusive Curriculum: Birth to Grade 2
IFST 224 Practicum in Inclusive Curriculum: Birth to Grade 2 3
IFST 306 Reading and Writing Birth to Grade 2 3
IFST 350 Technology & Assistive Technology in Early Childhood Educ. 3
IFST 355 Professional Issues in ECDE 3

One developmental elective chosen from: 3
IFST 405 Aging and the Family
IFST 411 Inclusive Curriculum - Birth - Preschool 3
IFST 412 Inclusive Curriculum - Preschool - Kindergarten 3
IFST 413 Inclusive Curriculum - Kindergarten - Grade 2 3
IFST 414 Classroom Management/Guidance and Behavior Support 3
IFST 431 Field Experience: Birth to Preschool 1
IFST 432 Field Experience: Preschool - Kindergarten 2
IFST 433 Field Experience: Kindergarten - Grade 2 1
IFST 435 Programs for Children with Exceptionalities 3
IFST 445 Family, School, and Community Partnerships 3
IFST 452 Assessment of Children 3
IFST 470 Families and Children at Risk 3
IFST 480 Student Teaching Seminar 2
EDUC 400 Student Teaching 12

Prerequisites for EDUC 400 Student Teaching: a GPA 2.50 and a major field index of 2.75 (Information on courses designated in major field is available from Department Office) and a minimum grade of C- in all IFST courses.

Electives
After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

Only four credits of Music ensemble and four credits of 100-200 level courses in Military Science/Army ROTC may be counted toward the degree.
Restricted electives .......................................................... 12
determined in consultation with advisor upon completion of IFST 235. Nine credits of restricted electives must be completed prior to senior internship.

ELECTIVES
After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

Only four credits of Music ensemble and four credits of 100- and 200-level courses in Military Science/Army ROTC may be counted toward the degree.

CREDITS TO TOTAL A MINIMUM OF ......................... 120

DEGREE: BACHELOR OF SCIENCE
MAJOR: HUMAN SERVICES
CONCENTRATION: ADMINISTRATION AND FAMILY POLICY

CURRICULUM

UNIVERSITY REQUIREMENTS
ENGL 110 Critical Reading and Writing (minimum grade C) .................................. 3
First Year Experience (see page 68) ................................................. 0-4
Discovery Learning Experience (see page 68) .................................. 3
Three credits in an approved course or courses stressing multi-cultural, ethnic, and/or gender-related courses content (see pages 68-70) ............ 3

MAJOR REQUIREMENTS
English course ................................................................. 3
Communication course ....................................................... 3
Humanities electives .......................................................... 6

IFST 329 Adolescent Development
IFST 339 Adult Development and Aging
IFST 403 Concepts in Gerontology
IFST 405 Aging and the Family
One developmental elective must be related to the "area of interest" and approved by the advisor.

Restricted electives ....................................................... 18
May be fulfilled with a minor. Minors may include, but are not limited to, legal studies, public policy, criminal justice, disability studies, leadership, women's studies, public administration; related electives may be necessary to complete 18 credits. Restricted electives may also have an applied family research emphasis, and may include, but are not limited to, IFST 466, IFST 415, and UNIV 401/402 Senior Thesis.

ELECTIVES
After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

Only four credits of Music ensemble and four credits of 100- and 200-level courses in Military Science/Army ROTC may be counted toward the degree.

CREDITS TO TOTAL A MINIMUM OF ......................... 120

HONORS BACHELOR OF SCIENCE: HUMAN SERVICES

The recipient must complete:
1. All requirements for the Bachelor of Science degree in Human Services.
2. All of the University's generic requirements for the Honors Baccalaureate Degree. (see page 52)
3. These additional requirements:
   a. Senior Seminar (IFST 465) must be taken as an Honors section.
   b. Achieve a 3.4 GPA in major.
   c. IFST 422 [Honors section] serves as the capstone course.

LEADERSHIP

Telephone: (302) 831-8711
Email: leadership-studies@udel.edu

The School of Urban Affairs and Public Policy offers an undergraduate degree in Leadership. The Leadership major and minor educates students to provide leadership for socially responsible strategies, programs and policies that improve quality of life and minimize harmful effects on consumers. Students are encouraged to blend their knowledge of leadership, consumer behavior and consumer policy with a personal set of values and ethics to mobilize change. The strong interdisciplinary curriculum provides students with knowledge applicable to a variety of workplace settings. The major also prepares students with a set of skills that will give them an active voice and confidence in their endeavors: team work; effective communication; decision-making skills; and synergistic and creative approaches to problem solving. With careful planning and advisement, Leadership majors have the opportunity to earn a Bachelor of Science degree and a Master of Public Administration (MPA) degree in less than the usual six years. An Honors Degree option is available. Additional information is available from the program office.

Students who wish to change from another major in the University are advised to contact the program office regarding selection policies and procedures.

BREADTH REQUIREMENTS

The following courses have been approved to fulfill humanities and science electives for students in the Leadership major.

Humanities
Art, Art History, Communication, Comparative Literature, English, Foreign Language (including: CHIN, FREN, GREK, GRMN, HEBR, ITAL, JAPN, LATIN, PORT, RUSS, SPAN), Foreign Languages and Literatures, Jewish Studies, Linguistics, Museum Studies, Music, Philosophy, Theater, Women’s Studies (WOMS 203, 205, 210, 216, 222, 318, 320, 326, 328, 330, 353, 380, 381, 382, 389, 465, 480), Science and Culture (CSCC 229, 241, 246, 250, 330, 365, 368, 369, 444).

Sciences Physical and Biological: Anthropology (ANTH 102, 104, 202), Biological Sciences, Animal Science, Chemistry, Entomology, Food Science, Geological Sciences, Marine Studies, Plant and Soil Science, Physics and Astronomy, Psychology (PSYC 314), Science.

### ELECTIVES

After required courses are completed, sufficient elective credits must be taken to meet the minimum credits required for the degree.

May include Military Science, Music, or Physical Education. (Only two credits of activity-type Physical Education and four credits of Music ensemble and four credits 100- and 200-level courses in Military Science/Air Force may be counted toward the degree).

### CREDITS TO TOTAL A MINIMUM OF ........................................ 120

### HONORS BACHELOR OF SCIENCE: LEADERSHIP

The recipient must complete:

1. All requirements for the Bachelor of Science degree in Leadership.
2. All the University’s generic requirements for the Honors Baccalaureate Degree ([see page 52]). Within these requirements, the twelve (12) honors credits earned in Leadership courses or in closely related areas outside the program must be approved by the student’s advisor. Of these, a minimum of six (6) credits must be taken in the Leadership Program.

### MINOR IN LEADERSHIP

The Leadership minor provides an opportunity for students from a variety of disciplines to gain a substantive introduction to the concept of leadership and the application of leadership to designing, managing, and evaluating change in our public, private, and non-profit organizations. The hallmark of the minor is a focus on how vision, integrity, change, communication, decision-making, and evaluation influence leadership and shape change in organizations and in the community.

The minor in Leadership requires 18 credit hours, distributed as follows: all core courses listed below (9 credits) and three additional courses of restricted electives (9 credits) selected in consultation with and approved by the student’s minor advisor. One of these restricted electives must be selected from approved COMM courses. The remaining 6 credits must be selected from outside the student’s major field of study, and must be chosen from the following topic areas: Leadership in Context; Integrity/Ethics; and/or Leadership Competencies. All courses included in the minor must be completed with a grade of C- or better.

- **LEAD 100** Leadership, Integrity and Change ............................................ 3
- **LEAD 304** Leadership, Power, and Social Responsibility .......................... 3
- **LEAD 404** Leadership in Organizations .............................................. 3
- **Restricted electives** .................................................................................. 9

Admission to the minor is by application. For further information, contact the Leadership Program, 182 Graham Hall, (302) 831-8711, leadership-studies@udel.edu.
