W.A.A. ACTIVITIES

The Women’s Athletic Association is the largest organization on campus. Every woman becomes a member of the organization upon enrolling at the university. The purpose of W.A.A. is to provide a variety of activities to meet the interests and needs of the majority of the women. The yearly program includes such activities as archery, badminton, basketball, field hockey, softball, swim marathon, table tennis, and volleyball. The organization functions through a council consisting of the officers and a representative from each women’s dormitory. The officers for this year were:

President: Jinny Hurm
Vice-President: Betty Hastings
Secretary: Sue Smith
Treasurer: Sandy Kimball

Carol Kelk plans to make like Robin Hood.
The Aquatic Club is an organization which provides those girls interested in synchronized swimming with an opportunity to develop this interest with help from others of equal interest. Try-outs are held in the fall and the first few meetings are designed for learning stunts and strokes. One of the most important accomplishments is being able to swim in time to music, since all the swimming is performed with a musical background. A theme is chosen for the show, given this year on March 3, 4, and 5, and small groups are arranged in order to work on individual numbers. The groups use many different effects for their numbers by exhibiting originality in costume, theme, music or lighting. The Club consists of thirty girls and is guided by Mrs. Barbara Rothacher. Our officers for this past year were Carolyn Joyce, President; Jean Rovey, Vice-President; Eleanor Eastburn, Secretary; Jean Fracassi, Treasurer; and Carole Wagner, Program Chairman.
