Two Hundred Three
Phi Kappa Phi, an honorary fraternity, based upon scholarship, was founded at the University of Maine in 1898. It stands for unity and democracy of education and receives the engineer, the agriculturist, the architect, or the chemist as heartily as it does the classicist or man of letters.

The Chapters of Phi Kappa Phi are located as follows:

1898—University of Maine.
1899—Pennsylvania State College.
1900—University of Tennessee.
1901—Massachusetts Agricultural College.
1904—Delaware College.
1911—Iowa State College.
1912—University of Florida.
1912—University of Nevada.
1913—North Dakota Agricultural College.
1914—Georgia School of Technology.
1914—Alabama Polytechnic Institute.
1915—Rhode Island State College.
1915—Kansas State Agricultural College.

The badge is an eight-rayed representation of the sun surrounding the earth, across which there is a band displaying the letters $\Phi \ K \ \Phi$. The band represents union in a world of thoughtful men. The eight rays represent Art, History, Literature, Philosophy, Religion, Science, Philology, and Sociology.

REPRESENTING DELAWARE COLLEGE FACULTY

George A. Harter, M. A., Ph. D.
