Phi Kappa Phi

Phi Kappa Phi, an honorary fraternity based upon scholarship, was founded at the University of Maine in 1898. It stands for the unity and democracy of education and receives the engineer, the agriculturist, the architect, or the chemist as heartily as it does the classicist or man of letters.

The chapters of Phi Kappa Phi are located as follows:
1898—University of Maine
1899—Pennsylvania State College
1900—University of Tennessee
1901—Massachusetts Agriculture College
1904—Delaware College
1911—Iowa State College
1912—University of Florida
1912—University of Nevada
1913—North Dakota Agriculture College
1914—Georgia School of Technology
1914—Alabama Polytechnic Institute
1915—Rhode Island State College
1915—Kansas State Agriculture College

The badge is an eight-rayed representation of the sun surrounding the earth, across which there is a band displaying the letters ΦΚΦ. The band represents union in a world of thoughtful men. The eight rays represent Art, History, Literature, Philosophy, Religion, Science, Philology, and Sociology.
