FOOTBALL TEAM OF 1932

REVIEW OF 1931 SEASON

The opening of the football season of 1931 found the entire varsity squad of the previous year back and ready for another campaign. "Charlie" Rogers had assumed the head-coach position, with "Gus" Zeigler as advisory coach and head line coach. The outlook was bright, even though the schedule included such formid-
able teams as Rutgers and Navy. "Bud" Haggerty succeeded "Sam" Sloan as captain and led the team through perhaps the most impressive season that the University of Delaware has ever had on the football gridiron.

The first game of the season was with a veteran Susquehanna team. Branner smashed through for two scores and Craig and Kemske for one each to overwhelm the Selinsgrove aggregation 27-0.

The next game, St. Joseph's, of Philadelphia, was a great disappointment. The Blue Hens outclassed the Hawks 13 first downs to 3 and gained three times as much yardage, but were unable to cross the goal line for a score. Result—0-0.

The team next traveled to Annapolis to act as a "breather" for the Middies, and as a result of a long pass from Green to Kemske, the Hens led 7-6 with but a few minutes to play. A new Navy team was rushed into the fray, fresh and "raring to go," and though the "Chicks" fought valiantly, they were too worn and tired to withstand the Navy score. The work of Kroah, Haggerty, and Branner on defense was notable. (Navy, later in the season, beat Penn 6-0.)

A strong Richmond University team fought hard, but the ball-toting of Green, Lane, and Kemske was good enough to send the southerners back on the short end of a 7-0 score.

The Blue Hens traveled to New Brunswick and held the Rutgers team to a 6-6 draw. "Boo" White, after receiving a pass, sprinted fifteen yards for the Hen score. "Bud" Haggerty did much toward diminishing Jack Grossman's (Raritan Captain) All-American potentialities.

Before a record Frazer Field crowd of eight thousand, the Blue Chicks downed the Little Quakers from Swarthmore 26-0. Kemske's two scores and two long runs—one by "Boo" White of 55 yards and the other by Joe Crowe of 51 yards—accounted for the overwhelming victory.
In the waning minutes of a hard, fast battle with P. M. C. "Boo" White pulled the game out of the fire with a beautiful 70-yard run for a touchdown. The Hens scored first via the Green-to-Kemske pass route, but were tied later as a result of a sustained Cadet drive. Then "Boo's" final dash sewed up the game for Delaware.

The Blue and Gold team's final game of the year was with Haverford at the Main Line field. The wind-up resulted in an easy victory for the Hens, 31-0. The entire squad played in this game. White, Kemske, Craig, Zavada, and Knight recorded the touchdowns.

The 1931 season was, indeed, one to be envied by any of the smaller colleges in the country. One defeat during the entire season, and that one by the Navy, two ties, and five victories establishes a record season for Delaware. The 0-0 tie with St. Joe's proved costly, and when the final standings of the "Class B" colleges in the east were figured out, the Hens were found to be tied with Drexel for the championship. Had Delaware scored against the Hawks, the 1931 championship would have rested for the year in Newark.

**FOOTBALL SEASON OF 1932**

Losing but one varsity man and two substitutes by graduation, there was every indication that Delaware would have a formidable eleven to carry on the victorious season of the previous year. Nine games were on the schedule, which included many strong smaller college teams.

**DELAWARE, 11; LASALLE, 6**

Delaware's odd-score victory over LaSalle College, though not overwhelming, was impressive. Ed Thompson made his debut at Delaware, and the big fullback’s punting was a treat. The Chick’s first score came in the first period as a result of a well-placed dropkick by Quar-
terback Green. In the second period three Blue and Gold linemen smothered Knox, a Sally back, behind his goal line for two more points. In the third period a bullet-like pass from Joe Green to "Boo" White resulted in the first touchdown of the season for Delaware. "Boo" took the pass on the LaSalle 35-yard line and sidestepped his way to the final chalkmark. Branner backed up the forward wall effectively.

DELAWARE, 10; DREXEL, 13
A heart-breaking blocked kick resulted in Delaware dropping the decision in the second game of the season to Drexel by the score of 10-13. Pohl's defensive play was commendable. Time and again he sifted through the Dragon defense to bring down his man. Little Charlie Knight featured the scoring for Delaware. His field-goal, touchdown, and his conversion of the "point-after" resulted in Delaware's ten points. Jack Branner did some excellent line-plunging and consistently reeled off nice gains. This game was replete with thrills throughout, but the greatest came when Joe Crowe broke into the open with less than a minute to play and only the safety man between the shifty back and the winning score. But Joe was brought down . . . Too bad!

DELAWARE, 0; RUTGERS, 32
The "Chicks" evidently did not recover from the sting of the Drexel defeat and were miserably humbled by the fast-stepping Rutgers crew. Twice in the first half "Boo" White sprinted across the Raritan goal line, but both times the play was recalled. Disheartened, the team played a rather haphazard brand of football thereafter.

DELAWARE, 6; SPRINGFIELD, 13
Delaware, although losing for the third consecutive time, showed decided improvement while holding the Y. M. C. A. team to a low
score. The "Hen" defense worked better than any time previously during the season. A long run by Joe Green after receiving a lateral pass gave Delaware its only score. Joe ran 63 yards for this score.

DELAWARE, 0; WAKE FOREST, 7

Following the three defeats at the hands of three of our most formidable opponents, Delaware acted host to the Wake Forest, North Carolina, "Tar Heels," one of the strongest teams in the south. Battered and worn for three periods, the "Chicks" started a rally that was halted only by the final whistle with the ball resting in Delaware's possession on the "Tar Heels'" one-yard line. A new backfield combination for Delaware clicked better than any previous quartet. This combination was composed of Green, O'Connell, Crowe, and Ed Thompson. The defensive work of Captain "Bud" Haggerty and "Winnie" Mayer was outstanding.

DELAWARE, 7; ST. JOSEPH'S, 0

Finally, after playing the most difficult teams on the schedule, the "Blue Chicks" managed to defeat the St. Joe's College team. The game was listlessly played—both teams tackling and blocking halfheartedly. For three periods the game dragged on to what appeared would result in a stalemate. Then, with not many minutes remaining, Joe Crowe slipped off-tackle for a beautiful run of 68 yards and a touchdown. Joe Green's toe gave the "Hens" the extra point.

DELAWARE, 7; P. M. C., 6

The Delaware team was initiated into night football at the Convention Hall in Atlantic City. The night air agreed with the "Hens," and
after entering the game the heavily odded underdogs emerged victors of a well-played and hard-fought game. After a cautious first half—both teams sounding for weaknesses in the other's defense—the Delaware squad opened up with a nice attack that resulted in a score. Green heaved a pass to Ed Thompson, who squirmed and fought from the 38-yard line to the five-yard line. After two unsuccessful attempts at line plunging for the touchdown, Kemske dove over the line for the score. Joe Green, of the extraordinary toe, dexterously booted the extra point. Then the heavy cadet team began to function. Continuous plunging at the "Chick" line netted the big red team a touchdown. The drop kick for point after touchdown was low by inches. Score—D. U., 7; P. M. C., 6. Again the heavy team that outweighed the "Hens" 26 pounds per man pounded into Delaware territory, but the hard-fighting blue team repulsed each threat. This was the first time during the entire season that the crack backfield of last year had been in action together. Ed Thompson's punting was at its best—some of his kicks going 65 yards. The entire team played excellently, and it was team-work alone that defeated the Cadets.

DELTA, 6; HAVERFORD, 0

Completely outplaying the Main Line aggregation, the "Mud Hens" lived up to their name and waded through a field ankle deep with mud to a victory, 6-0. The "Hens" made 16 first downs to their ancient rivals' one. Branner crashed through the line for the only score of the game. Kemske, Green, and Crowe, despite the condition of the field, managed to break away for several nice gains. "Stretch" Pohl did some nice work going down under punts and breaking up end runs. Pleasants, Haverford fullback, did some excellent punting, averaging around fifty yards with the wet ball.
On one of the coldest days in Delaware football history, the team traveled to Chestertown to play Washington College, the last game of the season, and won 8-0. The frigid weather and a strong wind kept the "Mud Hens" from scoring more heavily. "Bud" Haggerty broke through the Washington forward wall to block a punt, giving Delaware two points for the safety. This occurred in the first period. And shortly thereafter, in the same period, "Monk" Dillon crashed through and blocked another Washington punt; Haggerty recovered. On the first offensive play following, Kemske took the ball and went over for the last Delaware touchdown of the year. The line play of Haggerty, H. Walker, and Dillon was outstanding, while Crowe and Kemske proved to be the best ground-gainers. Although the game was hard fought throughout, much of the thrill was lost due to the intense cold.

OUT ACROSS THE CRISP NIGHT—THE ALMA MATER!
REVIEW OF 1932-33 SEASON

ALTHOUGH handicapped by the absence of "Irish" O'Connell and "Bud" Haggerty, regular forward and guard on the Blue Hen basketball quintet, the 1932-33 season was officially opened when the Dohertymen nosed out Hampden-Sydney in the Taylor gymnasium, 36-29. Earl Leahy exhibited his 1930 form by scoring 14 points to lead the point-earners of the game.

Following the auspicious opener, the Blue and Gold representatives of the wooden way garnered two bitterly fought games from St. Joseph and University of Baltimore by the scores of 35-24 and 34-29. Leahy again led the scorers, tallying a total of 29 points in the two games. The latter game marked the return of "Irish" O'Connell to his regular position at forward on the Delaware squad.

W. C. S. T. College handed the Blue and Gold cagers their first defeat of the season on their home floor by the close score of 22-20. This game was a heart-breaker for the Delaware team, as "Irish" O'Connell scored a long field goal as the game ended. The official disallowed the goal, and the Delaware chances vanished.

Moravian College proved to be the fourth victim of the Delaware cage five. They were downed to the tune of 46-27, with Captain Kauf-
On the trip to New York immediately after the examination period, the Blue Hen team split the two games played. Pratt was defeated by a 35-27 count, and Stevens took the home five into camp, 25-19. Delaware suffered her second defeat in a row when St. Joe avenged an earlier defeat by submerging the Dohertymen, 42-21. Captain Zuber, of the "Hawk" five, scored 22 points in this rout of the home forces. The seventh victory of the season for the home five was a 40-38 win over their traditional rivals, P. M. C. This game was bitterly fought throughout, and at the end of regulation time the score stood at 38-38. In the extra period Earl Leahy scored a field goal which gave Delaware the margin of victory. "Big Ed" Thompson and "Irish" O'Connell led the scorers in this game; their combined total scored 23 of the 40 points. This victory proved to be the outstanding victory of the season for the Blue and Gold cage team.

Haverford was the eighth victim of the home forces when they were handed a 36-24 setback. Washington College again defeated the Blue Hen five by a 20-16 count in the Taylor gymnasium. This was the first defeat suffered by a Delaware cage team on their home floor in two years. The Dohertymen won their ninth and last victory of the year when they triumphed easily over the Susquehanna cagers, 48-26. George Washington U. and La Salle College handed the Blue Hen quintet defeats in the last two games of the schedule by scores of 52-34 and 38-27. In both these games the home team had little to offer in the way of resistance.

The season's record of nine wins and seven losses did not match the preceding season's record, although the nine victories garnered by the Blue and Gold five were won from teams which are rated high in basketball circles. Those men who received a varsity letter for their activities on the basketball court were Co-Captains Kaufman and Haggerty, O'Connell, Leahy, Thompson, Kemske, Greer and Manager "Bill" Negendank. —Reviewed by Ralph McMullen.
Although the soccer squad did not fare so well from the games-won point of view, it did uncover a wealth of material for future seasons. Of the entire squad, only three are lost by graduation; this should give Coach Bardo a bright outlook for a powerful aggregation next season. The most impressive games played were with Army, which the "Hens" held to a 1-0 score, and Dickinson, which we tied, 3-3.

The University of Delaware swimming team broke even in ten dual meets this season. Inasmuch as Freshmen were barred from competition in a majority of the meets, the Blue and Gold season may be considered a successful one. The scoring aces of the Delaware team were Hugh Lattamus, sprint star, who was undefeated in the fifty-yard dash; Harry Wilson, the fancy diver; and Len Barker, breaststroke performer. With Captain Murray and Lindstrand the only members of the team to be graduated this year, and Bill Croes and John Carey coming up from the Freshman squad, Coach Bardo should be able to produce a formidable team in the future.

THE Blue Hen fencing team of 1932-1933 is one of the best that Delaware has had in recent years. At this time, the Blue and Gold foils men have won two and lost two matches. One of these losses was suffered at the hands of a strong Rutgers team, but the Delaware team was only beaten by a one-point margin, which, in itself, is commendable.

ALTHOUGH losing several of its sharpshooters this season, the rifle team has been able to do fairly well with its influx of capable new material. Maher has been outstanding, having broken five school records in his two years on the team. Complete returns for the scheduled matches are not available at this time.

The Blue Hen track team won three meets and lost three. The teams that beat Delaware won, in two cases, as a result of but one race. New records were established in the high hurdles and the pole vault, and "Boo" White, Lambert, and Cavalli all tied the record for the "century." "Stretch" Pohl was entered in the University of Pennsylvania Relay Carnival Decathlon and made a noteworthy showing.

THE University of Delaware tennis team, like the soccer team, was not entirely successful from the won and lost columns. However, Coach Jones has developed several players who will prove to be stars in future collegiate circles. Brown and Heppe were outstanding, while Babcock showed much ability.

DELAWARE'S 1932 linksmen set an enviable record for any small college in the east. They played six matches and won the first four, defeating Haverford, St. Joseph's, Franklin and Marshall, and Rutgers. The only games lost were to the strong Villanova team and the University of Pennsylvania. The playing of Tipka, throughout the season, was commendable; he lost but one of his matches—to Winehart, of Villanova, 1 up.

THE baseball team managed to eke out an average above the .500 per cent mark. Out of seventeen games played, Delaware won nine. Among the noteworthy victories for the Blue Hens were those over P. M. C., C. C. N. Y., Haverford, West Chester Teachers, and others. The work of Prettyman, Riley, and O'Connell helped the "Hens" in several of their hard-earned victories.

INTRAMURAL ATHLETICS

The college year 1932-33 found a new era in Intramural and Inter-fraternity athletics at the University of Delaware. It became possible that the non-varsity men in college might take part in real competitive athletics through the work of the physical education mentors—Doherty, Bardo, Rogers and Hollaway. These men, in conjunction with the Athletic and Inter-fraternity Councils, formed the schedules in various athletics.

FOOTBALL
The only attraction of the fall season of 1932 was the annual Freshman-Sophomore football game which, as is usually the case, turned out to be a hard fought, though gentlemanly fracas. Before one of the largest crowds to witness this yearly classic, these two teams fought to a scoreless stalemate.

BASKETBALL
The interclass basketball championship was won by the Sophomores, who defeated the Seniors in an evenly matched contest by the score of 26-23. The Seniors had previously defeated the Juniors and the Sophomores had downed the Freshmen.

SWIMMING
The interclass swimming did not fare quite as well as expected. Due to the scarcity of entrants, the events were cancelled. The reason for the comparative lack of interest lies in the fact that these intramural swimming meets followed the inter-fraternity meets.

BASEBALL
The Sophomores clinched the interclass baseball title by defeating the Juniors 8-4. Previously the Juniors had defeated the Seniors while the present champions had thoroughly trounced the Freshmen.

TRACK
Under the auspices of the track coach, Charley Rogers, the college witnessed its first regulated interclass track meet. The yearlings managed to eke out a win over the Juniors by the score of 50½ to 49. The Sophomores and Seniors scored 25½ and 12 points respectively.

INTER-FRATERNITY SPORTS
As for the creation of interest on the Campus, Inter-fraternity athletic competition stands second only to Varsity sports. One of the oldest inter-fraternity competitive sports is basketball. This year found the Sigma Nu team at the head of the final standings with a clean slate, having defeated all its opponents. Sigma Phi Epsilon and Theta Chi tied for second, with Sigma Tau Phi, Phi Kappa Tau and Kappa Alpha following in the order named.

Inter-fraternity swimming was revived this year after an absence from the Fraternity Athletic program last year. This year the trophy went to Sigma Phi Epsilon, which won three out of the five scheduled events. Sigma Nu won the remaining events to take second place. Kappa Alpha and Phi Kappa Tau were tied for the third place.

At this writing, the interfraternity relay has not been run; however, comments are in order at this time on last year’s winners. Theta Chi sprinters, closely pressed by Sigma Nu cindermen, smashed the old Sigma Phi Epsilon record for the half-mile, creating a new standard of 1:36.6. The remaining fraternities finished in the following order: Sigma Phi Epsilon, Phi Kappa Tau, Sigma Tau Phi and Kappa Alpha.

A new event on this year’s inter-fraternity sports program is the playground baseball league. As yet, the entire schedule has not been played, and as a result no final standings can be given. Much interest has been created in the new game, and it is hoped by many that this sport will be continued in the future.
