# DRAMA

There are many opportunities on campus to participate in drama events. The E-52 Student Theatre and The Harrington Theatre Arts Company both give students a chance to work with all phases of play production. The E-52 had an enjoyable year acting and producing *The Star Spangled Weekend*, *What the Butler Saw*, *Sexual Perversity in Chicago*, *Company* and *PRIME TIME*. HTAC livened up dull evenings with the comedies *You Can't Take It With You* and *The Boyfriend*. The Delaware campus is alive with Entertainment . . . LIGHTS . . . CAMERA . . . ACTION

# CONCERTS

In November the Student Program tried something new; A Dance Concert! The success was due mainly to the performing group, the well-known new wave artists, The B-52's. A crowd of almost 1600 people wearing everything from safety pins to mini-skirts, from dyed hair to leopard-skin T shirts, danced to every song from the B-52's new album "Wild Planet" as well as a few from the first release "The B-52's". In May, students enjoyed another new wave group, this time from Philadelphia, the A's, who performed in Bacchus playing tunes from their two albums.

# JAMES TAYLOR

A full  
fieldhouse  
met James Tay-  
lor and his band on  
Tuesday, May 19.  
The large crowd was  
surprising considering in-  
als began 6 days later. No  
warm up band was needed for  
get the excited crowd ready for  
James Taylor. Affectionately called  
J.T., his warmth and desire to please  
was felt throughout the audience. Old  
favorites like "You've got a Friend" and  
"Up On A Roof" were greeted by enthusi-  
astic applause. A surprise guest, J. D. Souther,  
joined J.T. for the duet "Her Town". He also  
played his hit "When You're Only Lonely" which  
was received energetically by the audience. All in all,  
the evening was well worth the long wait in the rain to  
see JAMES TAYLOR.

The 1981 *Blue Hen II* Yearbook was printed by Josten's American Yearbook Company in State College, Pennsylvania. *BH2's* American representative was Richard Schrenker of Dover, Delaware. There were 1025 copies of the 240-page book published.

Standard body copy was 10-point "Optima," with caption copy in 8-point. Headlines appear in 36-point "Avant Garde" and complimentary decorative styles. The cover, spine, endsheets, and division pages are in "Bolt Bold." Paper stock is 80 lb. gloss, trimmed to 8- $\frac{1}{2}$ " by 11".

Process color photos appear on pages 1, 4-5, 8-9, and 12-13. The spot color on pages 17, 20-21, 24-25, and 28-29 is "Royal Purple." The spot color on pages 226-27, 230-31, 234-35, and 238-39 is

"True Blue." The spot color on pages 223-39, 232-33, 236-37, and 240 is "Process Red." The photos on pages 2-3, 6-7, 10-11, and 14-15 are printed in black with lacquer.

All color photos were taken by University of Delaware students. Black and white photos were taken by UD students and Merin Studios. Senior photographs were taken by Merin Studios of Philadelphia.

Constructive criticism is welcome and may be directed to: The *Blue Hen* Yearbook, 201 Student Center, Newark, DE 19711.

The *Blue Hen II* Yearbook is financed through sales of books, advertising, and senior photo sitting fees. No direct funding is received from any University source.

When undertaking a project as large as a college yearbook, the staff members alone are not able to handle every aspect of every job necessary. We would therefore like to offer our
