Dear Friend,

With reference to my letter of the 9th instant, a translation has now been made of the note I sent you dealing with the new Company formed in Germany under Hermann Goering's name, and I am sending you a copy herewith for your convenience.

There was an article in the London 'Times' of August 13 on the same subject, and a leader commenting thereon. I am sending these to you in case you may not have seen them. The article by the Berlin correspondent of the 'Times' is very well written, but I think some of his statements are not quite correct.

Cordially yours,

Janich K...
