Dear Danny

I appreciated very much your letter of May 11 informing me about Mr. Madigan's visit to Brussels and of the trip which he made with Samuels to Zurich. The information which you give me is very interesting, and I am very glad that Madigan had this opportunity of seeing Sofina establishment and laboratories, and to see you.

I note with interest the remarks which Madigan made about Maryssael, Martínez and Jimmy, as well as with respect to me. I was particularly happy to note what he said concerning Maryssael, Martínez and Jimmy, as while Madigan can be very frank, he is also very objective.

My own opinion is, that Madigan has been, and can be helpful in many ways. I am particularly happy that he had this opportunity of seeing you and getting to know better Sofina.

I look forward to seeing you on your return to New York as there are many things that we will have the opportunity to talk over.

Believe me, with all good wishes,

Cordially and faithfully yours,

George S. Messersmith
