Dear Dannie:

To one of my recent letters I appended a copy of a telegram I had received from Theodore Weicker in the Argentine and a copy of my reply, which had reference to the inauguration of the new Squibb plant in the Argentine. I now send you herewith a copy of a telegram which I have just received from Weicker.

He had, of course, not received the letter which I wrote him and of which I sent you a copy when he sent me this appended telegram. If he makes any comment on the letter which I sent him, I will see that you have it.

With all good wishes,

Cordially and faithfully yours,

George S. Messersmith
Chairman of the Board
