Dear Dannie:

I have your telegram of August 4 stating as follows:
 "LEPERS REPLY AFFIRMATIVE IF YOU MAKE SUGGESTION CORDIALLY".
 I am glad to know from your telegram that you have been able
 to discuss this matter with Leper either orally or by letter
 and that he is willing to go on the Board. I am sure we
 are not making any mistake in inviting him. I am not, how-
 ever, clear from your telegram as to whether it is desired
 that I address Leper directly as Chairman of the Board.
 Before writing Leper directly, I would appreciate a word
 from you. If you think I should write a letter to Leper,
 please send me a telegram as soon as convenient, simply
 "Write Leper". So far I have no indication as to whether
 you have been able to discuss this matter with Binder. I
 am hoping very much that Binder will accept. I can appre-
 ciate that he is not particularly interested in taking on
 any new obligation of any kind, but it would mean so much
 if Binder will accept.

Time is beginning to press, as I understand we have to
 get these new members qualified before the Annual Meeting in
 September, and I would be very happy to hear from you with
 respect to Binder as soon as you can let me know--preferably
 a word by telegram.

I have not written anything to Binder or to Leper about
 this matter or said anything to them at any time, as I thought
 it would be very nice, as well as very acceptable for them
 to have the initiative come from you. I will of course be
 very happy to write to Binder if you suggest I do so.

I am writing this very hurriedly as we are very occupied
 these days. With every good wish,

Cordially and faithfully yours,

D. N. Heineman, Esquire,
