Salutations —

Dear Donnie,

The weather is wonderful, the ship comfortable, the passengers pretty uninteresting, the food only fair, the quarters most people, the Captain an old friend, the boat enjoying the trip. We had your table and are from among your friends.

I am so far from America. We can’t control or do anything
Dear [Name],

With dire news to share, even amidst almost complete isolation. The news of霉素 in
Madrid when I can see the virus at the microscope.

Marin joins us, let us extend
wishes to you all. Kindness
how much we appreciate
with you. Take care of your
self.

Yours truly,
