Dear Dannie:

This is just a word to say we are thinking of you and that all is well here. We are both now rather eager to leave. I have done all that I can. It seems a long time since we left home. A lot has happened in the interval and there will be a lot to talk over. To-morrow we visit the two plants and have lunch with the Board of Cade at Puerto Nuevo. In the evening we have dinner with the President and Mrs. Peron and some of the ministers at a small dinner at the Embassy.

The President and Mrs. Peron have been very kind.

This evening Brosens comes in for dinner and we have a lot to go over to-night. Marion is out for dinner with some friends. She has had a good time here. I do hope you are feeling better. It is only a question of time.

Love to you all from us both

Faithfully

George
