C. Messerom.

June 19, 1953.

Dear John :

My departure for the north has been delayed because of difficulties in getting answers to certain problems of the Company here, and I am now leaving on Saturday morning, June 20, for New York. I will be at the Hotel Carlyle, 76th Street at Madison Avenue, all day Sunday. The telephone is Rhineland 41-600. - On Monday, June 22 I can be reached either at the Hotel Carlyle or in the offices of "Amitas", 50 Broadway. The telephone is Whitehall 3-7900. It is very probable that I shall have to leave for Washington on Tuesday, June 23, and a telephone call to the Metropolitan Club on Tuesday or Wednesday should reach me. I expect to be back in New York on Thursday and Friday of next week and can be reached at the Hotel Carlyle. On Friday evening, June 26, I have to leave for Toronto and will return to New York on the morning of July 1st. I expect to be at the Hotel Carlyle with my wife from July 1st to July 5th, when I will return to Mexico.

I have given you these details of my movements so far as I can be adequately precise, as I hope that we may have an opportunity of seeing each other either in New York or in Washington. If at any time you have difficulties in reaching me between this coming Sunday and July 5, Mr. Max Loris of "Amitas", Inc., at the above mentioned address, will know where I can be found.

This is just a hurried note, as I am in the midst of getting away to-morrow morning, and with all good wishes to you and Mrs. Snyder, believe me

Cordially and faithfully yours,

George S. Messersmith.
