Dear Dominic: I know you went
some first hand news of the quake.
I just wrote a letter to Sidney (more)
in North Carolina - whom I'm sure will read
my letter - and so I want to take to
write another letter during my visit
and in Cuernavaca, I'm sending you a
copy of my letter to him and you
be interested in some of the details
of the Earth quake. Please try to read
the enclosed letter as it comes
my writing in long distance is
without considering -

That's how you write for you
all in which letters yours

Always affectionately yours
