Dear Mr. Messersmith:

I am enclosing herewith a statement of your account with Carl H. Pforzheimer & Company regarding the purchase of Mexlight common and preferred shares. You will note that this account has been closed as from October 21st and that you have no debit balance.

I am leaving for Brussels Friday, the 5th, on Sabena and am scheduled to arrive early on the 6th. I do not know how long I shall remain there, but I believe it should not be any longer than two weeks at the very most.

I shall be writing to you again soon, but in the meantime with all good wishes to you and Mrs. Messersmith, I am,

Very sincerely yours,
