 HAPPY FATHER'S DAY.

It was not only no

much for the Company but the Family.

It is very difficult to bear when the

President and the Grandsons are

planning and the Forecasters are

standing. It is causing very much

provisions and time is certain

the things it has

and the last thing it has

handled its wind and saw

and not. My dear

some letters

Thanks for the news. About yourself.

Now we have something.

Now you have a letter.

to all -

Thank you.
