OUR modern idea is that athletics in some form are absolutely essential to the development of both mind and body. Hence in all large colleges and universities, athletics form an important branch in the education of the student.

Delaware College is by no means behind the times and every effort has been made to provide for the education of the students in this respect. We are the proud possessors of a large, beautiful and up-to-date athletic field, and a well equipped gymnasium.

We are indebted for our athletic field to the kindness and generosity of Mr. and Mrs. Eben B. Frazer and their son, Mr. J. Stanley Frazer of the class of ’04, who donated the field as a memorial to their son and brother, Joseph H. Frazer who was graduated from the college in 1903 and who died recently in Bolivia while pursuing his duties as a civil engineer.

The field is one of the largest in the East and consists of a football field, baseball diamond, running track, jumping pits and tennis courts. The 229 yard straight-away and the fact that the football playing field, the baseball diamond, the jumping pits and the tennis courts are distinct from one another are features of the athletic field.

The gymnasium is large and affords ample means for indoor sports. In the basement of the gymnasium are the lockers, shower baths and a swimming pool.

Nearly every student takes part in some branch of sport and even those who do not participate in athletics are compelled to take a course in physical training. This course is under the supervision of Wm. J. McAvoy, our able and thoroughly capable physical director and athletic coach.
THE ATHLETIC COUNCIL

The first step taken by the faculty, alumni and students of Delaware College toward the raising of the athletic standard was the forming of an athletic council. This council is composed of seven members, two of whom are members of the faculty, two from the alumni and three from the student body. For the scholastic year of 1915-16 the members representing the faculty are Professors E. L. Smith and C. A. McCue. The president of the Alumni Association has appointed Dr. Walter H. Steel, '95, and Norris N. Wright, '11. The members from the student body are Gerald P. Doherty, of the Senior Class, Leroy B. Steele, of the Junior Class, and Donald P. Horsey, of the Sophomore Class. The officers of the council are President, Vice-President, Secretary, Treasurer and General Manager.

The council has direct charge of athletics at Delaware College and the care of Frazer Field. The General Manager arranges all athletic contests and takes charge of all property of the Athletic Association. The Treasurer, who is one of the alumni members, has charge of all the money of the association, and is assisted by the student treasurer.

“FEET BALL”

He made a run around the end,
Was tackled from the rear.
The right guard sat upon his neck,
The fullback on his ear,
The center sat upon his legs,
Two ends sat on his chest;
The quarter and the halfback then
Sat down on him to rest.
The left guard sat upon his head,
A tackle on his face.
The coroner was next called in
To sit upon his case.

CAPTAIN HANDY
SEASON OF 1912

In our Freshman year our 1916 class furnished eight men for the 'Varsity squad, Hirshman, Kyle, Pepper, Vandergrift, Crothers, Horty, Groff and Taylor. Of these eight, Hirshman, Pepper and Vandergrift made their letter.

The season was a very unsuccessful one, Delaware winning but one game. Hirshman was the one bright star of the team throughout the season. No matter if Delaware was hopelessly behind, “Hirsh” was still fighting and plugging away.

SEASON OF 1913

In our Sophomore year, our class had Groff, Foster, Vandergrift, Pepper, Taylor, Doherty, Crothers and Handy on the 'Varsity. Of these men, Groff, Foster, Pepper, Taylor and Handy made their letter.

The team this year was light as in the preceding year but it was a fast, hard-fighting team and had a fairly successful season.

Haverford beat us, 7–0, because they had a better and heavier team. P. M. C. held us to a scoreless tie but their playing as well as their showing during the remainder of the season proved them a worthy foe. We defeated Temple, 28 to 0. All of our 28 points were made in the last 10 minutes. The team’s playing was ragged and the final score should have been
twice as large. After tying Catholic University 0-0, in Washington, the team journeyed to Hoboken and met defeat at the hands of Stevens Institute, 14-0. The following week Washington College won from us by the score of 13-0. Miserable tackling and defensive work lost the game for Delaware. Mt. St. Mary's was the next team on the schedule. They expected to win by a 40-0 score, but the old "Delaware Spirit" was pre-eminent and we won by the score of 20-13. In the last game of the season we bucked up against Dickinson with the mighty Dunn and the wiry Goldstein and lost 35-7. It was a hard fought game, and the work of the Blue and Gold against such odds was wonderful. The fact that we scored a touchdown gave us almost as much satisfaction as a victory over some other opponent.

The team's record for the eight games played was Won, 2; Lost, 4; Tied, 2; Total, Delaware 55, Opponent 85.

In looking over the team it is very difficult to pick any one man as the best player. On the offense Handy, Taylor and Huston played the best games. On the defense, Huston, Cann, Carswell and Foster were a tower of strength to the team. Handy's showing, however, was such that "Vic" was easily the logical man for Captain and he was elected to fill that position for the 1914 season.

SEASON OF 1914

The season of 1914 was a successful one, our team winning seven of the nine games played. Our class had five men on the Varsity team, Captain Handy, Crothers, Taylor, Newton and Groff. All of these men made their "D" and they also figured in every victory.

The scores of the games played were:

Delaware, 0; Lafayette, 41.
Delaware, 27; Baltimore Poly. Institute, 6.
Delaware, 49; Baltimore City College, 0.
Delaware, 20; Temple University, 7.
Delaware, 13; P. M. C., 0.
Delaware, 0; Stevens, 0.
Delaware, 13; Catholic University, 0.
Delaware, 17; Western Maryland, 12.
Delaware, 33; Carlisle Indian Reserves, 0.
Total—Delaware, 172; Opponents, 66.
We opened the season with Lafayette and were overwhelmingly defeated. Nevertheless the team put up a plucky fight and gained much credit for their showing. Lafayette had a veteran team and had the advantage of several weeks of practice. This game was the only defeat of the season. Baltimore Polytechnic, Baltimore City College and Temple University proved "soft pickings" to our warriors. Pennsylvania Military College proved as usual a "hard nut to crack" but they were unable to withstand the fierce attack of the Delaware team. The game with Stevens at Hoboken resulted in a tie. Although neither team scored, Delaware clearly outplayed her opponents at all stages of the game and had the breaks favored us we would have gained another victory. Catholic University was the next victim and though they expected an easy victory, our team outfought and outplayed them in every part of the game. The game with Western Maryland was easily the most exciting home game of the season. There was very little to pick from either team and it was not until the referee's final whistle that the victory was assured. Western Maryland proved to have both good players and good sportsmen. There was not a decision of the referee or umpire disputed. We closed the season on Thanksgiving Day with the Carlisle Indian Reserves and found little trouble in piling up a big score on the tricky Indians.

AT the beginning of the season, our team started off composed of Captain Sawdon, Rigney, Cann, Weimer, Hirshman and Lacklen. The first loss to the team was Rigney. Just as he was playing in his best form, he was retired from the game because his studies required most of his time.

Soon after the team was going smoothly again, with Lacklen taking Rigney’s place, Hirshman had to lay off for a few weeks with an injured foot. A new man, Thomas, was put in this place and filled it very creditably, but his lack of weight was a serious handicap.

Although Rigney was out of a number of games he was the largest scorer for Delaware; Lacklen was second, and Thomas third. During the latter part of the season several new men, including Doherty, McNeal, Wills and Hill were put into the game. These men showed the making of good players but lacked experience.
The scores of the games played were:

Delaware, 30; Drexel, 33. (Home)
Delaware, 15; Pratt Institute, 16. (Home)
Delaware, 15; St. John's of Annapolis, 36. (Home)
Delaware, 17; Gettysburg, 16. (Home)

SEASON OF 1914

The second half of this season was much better than the first half and the team deserved much credit for the fine showing made in the last few games.

Captain Weimer played a hard game for Delaware all of the season. His floor work was exceptionally good while his shooting improved wonderfully during the last few games.

Cann and Doherty proved to be two of the best guards that ever played on a Delaware basketball team. Their team work was wonderful throughout the season.

Lacklen, H. Horsey and Wills all played a good game. Horsey was probably the fastest man of the trio, but his lack of weight was a great handicap.

Thomas, Brockson, Geoghegan, T. Wilson, Bounds, Jones and Dean all worked hard for the Scrubs. In a three-game series with the Newark High School, Scholastic Champions, the scrubs won two of the three games.

The first 'Varsity game of the season was with Susquehanna University. This team was a new one on our schedule. They were a bunch of clean players and true sportsmen. Superior weight told and Delaware went down to defeat.

Our second game resulted in a defeat at the hands of Drexel Institute. Our inability to shoot fouls was the direct cause of the loss of this game.

We were victorious in the third game against Temple University. The game was fast and only a spurt in the last few minutes brought Delaware the victory.

Washington College defeated us twice, once at Chestertown and again at Newark.

The team next took a three day trip to New York City to play Pratt Institute and St. John's College. Pratt was easily the strongest team we met all season and we suffered defeat at their court. The St. John's game was more closely contested. At the end of the game both teams were tied and an extra period of five minutes had to be played. Delaware had three chances to score in the extra period but fell down on easy shots and lost the game on a foul.

The next game was with the strong Wilmington Y. M. C. A. team. The Wilmington boys led at the close of the first half, but Delaware forged ahead in the second half and won out by a good margin.

The University of Pennsylvania Scrubs met defeat at our hands in a game in which our team showed its true worth.

We closed the season with an easy victory over Philadelphia College of Pharmacy.
SERVICE OF 1915

Although we started out with a veteran team, we lost our opening game to Temple by a one-sided score. Baltimore Polytechnic was our second opponent and they proved easy. Swarthmore handed us our second defeat in a game which showed the weak points in our team work and caused a shakeup in the team. Too much "Prom" was the cause of our defeat at the hands of St. John's of Annapolis. Delaware looked like winners throughout the game but a couple of spectacular goals in the last few minutes of play snatched the victory out of our hands. Our second victory was won over New York University Law School. The New Yorkers were "soft" and we had little trouble in defeating them. We played Drexel on a strange court, strange in size, shape, appearance and in many other ways. We attribute our defeat to this fact and not to Drexel's superiority. Our victory by a one-sided score over Drexel on our own floor proved that such was the case. On our New York trip, we lost to Crescent Athletic Club and New York City College. The game with Crescent was well played although we owe our defeat to our inability to locate the basket. In the game with City College, we were unable to stand the fast pace set by the New Yorkers and lost by a good margin. The team ended the season in a blaze of glory, winning three of the last four games. We defeated Drexel and then tackled the strong Susquehanna five. This game was a hard fought contest from start to finish and at the final whistle we were three points to the good. Our next game was with Washington College at Chestertown. We easily out-played Washington in the first half and were ahead when the half ended. Washington overcame our lead in the second half and at the end of the game we had the short end of the score. We wound up the season with Washington on our own floor and we again out-played them, this time throughout the entire game. The score plainly showed the relative merits of the two teams.

Three men on the 'Varsity team were members of the 1916 class, Weimer, Wills and Doherty.
Weimer proved a splendid player and his floor work was a valuable asset to the team.
Wills played a great game at center and made a wonderful record for shooting fouls. "Connie" was off form in this respect at the first of the season, but his work in the last few games was directly responsible for Delaware's victories over Drexel, Susquehanna and Washington.
Doherty, the other member of the 1916 Class, and Captain Cann made a strong pair of guards and their defensive work was largely instrumental in keeping down the opponents' scores.
H. Horsey, Weimer's running mate at forward, made up for his lack of weight in speed and proved invaluable to the team by reason of his excellent floor work and shooting.
The scrub team comprised D. Horsey, Bounds, Bowen, Downing, Brockson, E. Wilson, Thomas and T. Wilson. The scrubs lost the series with Newark High School and then showed their class by defeating an all star team picked from the high schools of Wilmington.

SEASON OF 1914

The 1914 season was also a successful one, the team winning six of the nine games played. The class of 1916 had three men on the Varsity, Doherty, W. Hoch and Taylor. Much of the success of the team was due to the pitching of W. Hoch.

On Tuesday, April 28, the Blue and Gold journeyed to Wilmington and gave the “Chicks” the hardest game they played that Spring. The Tri-Staters won out by the score of 2 to 1, all of the runs being made in the first inning. “Buck” Hoch held the professionals to three lone hits, while our boys gathered the same number of “Eph” Jolls, ’13, who pitched the first three innings for the “Chicks”. Doherty, our first man up, singled. Horsey sacrificed him to second, and he scored on Huston’s hit. This ended our scoring although we had men on base in several innings. For Wilmington, Pedone reached first on Doherty’s error, stole second and scored on Sharpe’s double. Sharpe scored on Meyer’s single. The game was fast, well played and marked by brilliant fielding.

Delaware..............1 0 0 0 0 0 0 0 0—1 3 1
Wilmington............2 0 0 0 0 0 0 0 x—2 3 0
Our 1916 season was very much of a success, the team winning eight of the eleven games played. We were especially pleased with our victories over two of our old rivals, St. John's College of Annapolis and Washington College. This was the first time we had defeated either team in any branch of sport for several years. Both games were exciting and well played. It took seventeen innings to decide the game with St. John's. Our other victories were over Baltimore Polytechnic Institute, Rock Hill, Haverford B. B. C., Temple, Western Maryland and the Alumni.

We lost to Drexel, Swarthmore and Johns Hopkins. The Drexel game proved a farce. Drexel fully expected defeat but Delaware seemed determined to hand them the game and by taking advantage of Delaware's misplays and by timely hitting, they came out victors.

The Swarthmore game was well played up to the eighth inning, when Delaware blew up and Swarthmore gathered four runs. It took 11 innings to decide the game with Johns Hopkins. Hopkins had a strong team but Delaware played a scrappy game and with Hoch's splendid twirling deserved to win. Misplays at critical times spelled defeat for Delaware, however, as Hopkins was quick to take advantage of every miscue on Delaware's part.

Another feature of the season was the Alumni game. This was the first Alumni game in several seasons and it was due to the zealous efforts of several would-be "come-backs" among the alumni that the game was revived. As there is always a large number of the alumni back during commencement week, it is a splendid means of again arousing their interest in athletics by having a ball game. We sincerely hope that the Alumni game will always be a part of the program for commencement week in the future. The "old timers" lost to the 'Varsity, but not, however, until they had shown faint traces of the old training they had received at Delaware.

The team lined up with
Huston, '14, catcher
Jolls, '13, pitcher
Edgar, '10, first base
Beck, '13, second base
Taylor, '12, shortstop
Lind, '14, third base
Houchin, '13, left field
Ward, '12, center field
Cann, '09, right field
Attix, '12, right field

Our class had two men on the 'Varsity, Captain Doherty and Hoch. Doherty lead the team in hitting and Hoch was the mainstay in the box. Wallace who played on the 1913 team was Hoch's running mate in the box and he pitched great ball. Geoghegan, pitcher on the 1912-13-14 teams, covered first base and did it
in grand style. "Hop's" timely hitting also figured largely in Delaware’s victories. D. Horsey, a Freshman, took Fidance’s place at second and made a decided impression by his clear fielding. Doherty covered shortstop and was captain of the team. Although he got a bad start in the field, he settled down and his hitting and base running largely offset his fielding. Fidance was moved from second to fill the hole at third base and "Mike", all around ball player that he is, more than made good. "Mike's" timely hitting scored many a run for Delaware. H. Horsey and Gray proved to be efficient men in the outfield. Horsey was Delaware’s one best bet in the outfield during the 1914 season and he duplicated his playing of that year last season. Gray’s hitting was a valuable asset to the team’s offensive strength, while his fielding was of the "dead sure" variety. O’Daniel started out handicapped by having a responsible job to fill. Hston had been the ‘Varsity backstop four years and his graduation left a big hole in the team. However, "Mike" came across and his hitting and "pegging" to bases stamped him as a reliable catcher.

DELAWARE COLLEGE VS. ST. JOHN’S OF ANNAPOLIS
May 26, 1915. 17 Innings

The longest and one of the most exciting games ever played on the Delaware College field was that between Delaware and St. John’s College of Annapolis. The game went 17 innings before Delaware finally scored the only run of the game. O’Daniel was the man of the hour, cracking out a two bagger in the seventeenth and later scoring the winning tally.

Neither pitcher gave a base on balls, while Hoch allowed but five hits in the seventeen innings. The
FOUR of the college records were broken during the 1915 season; Crockett, a Freshman, breaking the record in both the 120 yard high hurdles and the 220 yard low hurdles; W. Manning, '15, breaking the college record for the high jump and G. O. Smith, '16, breaking the record for the broad jump.

The season consisted of two dual meets, one with Gettysburg at Gettysburg and the other with Temple University at Newark, while the relay team ran in the Penn Relays.

The best our team could do in the Penn Relays was to make third place. Maryland Agricultural College won in 3-39; Ursinus was second, Delaware, third, and Albright, fourth. The team was composed of Crockett, Steele, Manning and Marshall.

G. O. Smith, who equalled the Delaware record for the 100 yards, was entered in the inter-collegiate 100 yard event but he failed to place.
THE GETTYSBURG MEET

delaware's inability to hold her own in the field events lost the meet with Gettysburg. the battle field boys carried off first and second places in the pole vault, broad jump and shot put, and aided by the wonderful running of Bostock in the sprints, they won the meet 57 to 42. Bostock, who holds the middle Atlantic states A. A. U. record for the 100 and 220 yard dashes, defeated G. O. Smith, the "Delaware Flyer" in both events, winning the hundred in 9 4-5 seconds. Manning of Delaware ran a good race in the hundred but was beaten by a few feet.

The mile run was sensational. "Alec" Crothers, the Blue and Gold football star allowed Storey of Gettysburg to lead the field for the first three laps and then passed him on the last lap and won in 5 minutes and 1-5 seconds.

Another feature of the meet was the sensational hurdling of Dave Crockett of Delaware. Crockett captured both hurdle events, breaking the Delaware record in each case. In the 120 yard high hurdles, he breasted the tape in 17 seconds, breaking the former record of 18 3-5 seconds held by "Archie" Dean, captain of last year's team. Crockett broke the record held by Dean in the low hurdles, taking the event in 26 3-5 seconds, 1 1-5 seconds better than the former record.

G. O. Smith, although defeated by Bostock in the broad jump, broke the former Delaware record held by himself with a jump of 20 feet 1 1-6 inches.

DELAWARE lost the only tennis match of the 1915 season to Drexel of Philadelphia. The visitors won four out of six sets. Drexel proved strong in the singles winning three of the four sets played. Each team won one of the doubles. Sumwalt did the best playing for Delaware, while Lauritsen also played a strong game. Osmon and Parks were Drexel's stars.

This match was the first inter-collegiate match Delaware has played in some years, the sport being revived this season with the installation of the two new courts on Joe Frazer Field.

The summary of the games:
- Wilcox of Drexel defeated Pepper of Delaware, 6-3, 6-3.
- Osmon of Drexel defeated Walls of Delaware, 6-1, 1-6, 6-1.
- Sumwalt of Delaware defeated Wood of Drexel, 6-1, 4-6 and 6-3.

The matches were well played.

Professor George E. Dutton coached the tennis team, while Wm. Torbert, '15, managed it.

Our class football team was successful in both our Freshman and Sophomore years and was composed largely of the same men each year.

In our Freshman year we defeated the Sophomores 13-0. This game was strongly contested throughout and was one of the best exhibitions of football seen on Delaware field that season. For the Freshmen, Hirshman, Doherty and Foster were the stars; for the Sophomores, Kelly and Gravell did the best work. The line-up:

- Foster, Right Tackle
- Callaway, Right Guard
- Crothers, Center
- Vandergrift, Left Guard

In our Sophomore year we defeated the Freshmen by the score of 13-0 despite the fact that we were penalized 100 yards in the first quarter and "then some" during the rest of the game. The Freshmen looked soft before the game but they made us play the game of our lives to win out. The line-up:

We are justly proud of the fact that our class has won the Inter-Class Basketball championship for three successive years.

In our Freshman year we defeated the Sophs, 23-13, and the Juniors defeated the Seniors, 16-15. We defeated the Juniors for the championship, 32-2, the Juniors getting only two foul goals.

In our Sophomore year we defeated the Freshmen, 19-6, and the Juniors beat the Seniors, 20-10. We defeated the Juniors for the championship by the score of 22-16. This game was the fastest class game played during our time in college. With the score tied at "16 all", Connie Wills scored three field goals in as many minutes, thereby "putting the game on ice".

In our Junior year we defeated the Seniors, 20-14, and the Freshmen defeated the Sophomores, 20-4. In the final game for the championship we easily trimmed the Freshmen by the score of 17-4.

CLASS BASEBALL

FRESHMAN YEAR

We won our first class baseball game against the Sophs, 9-6. "Buck" Hoch had a single, a two-bagger and a triple. He started a batting rally in the second inning with a two-base drive, and in the third inning with the bases full he cleaned up with a triple. Hoch was down to pitch but on account of a sore arm, "Doc" Doherty did the twirling and, considering his support, did it well.

We lost the championship to the Juniors, 4-3. The game was a pitcher's battle between two brothers, "Buck" Hoch for the Freshmen and Elmer Hoch for the Juniors ('14). E. Hoch was the 'Varsity first baseman but he showed the goods in the box. Doherty of the Freshmen starred at the bat with three hits, two of them doubles.

1916—SOPHOMORE
BASEBALL TEAM

1916—JUNIOR
CHAMPIONSHIP BASEBALL
TEAM
In our Junior Year, under a ruling of the Athletic Council, ‘Varsity men were not eligible to play in inter-class games. Nevertheless we gathered together nine uniforms of bright and varied colors and soon found nine “world’s champs” to fill them.

The Seniors did not even have a “look in”. When they did manage to hit the ball, “Connie” Wills and his “uniform of many colors” scared them away from first. A few of the bolder ones managed to reach first and even tried to steal second, but “Soapy” Morrison’s steely southpaw moved them down in short order. On the other hand, what our mighty club swingers did to the “hooks” and “bends” of “Shorty” Alderson is too sad to relate. When the Seniors’ outfielders started running and the Juniors started their marathon around the bases, it looked more like a track meet than a baseball game. It took seven innings to prove to the Seniors that they were beaten and at the end of that time, out of wind and out of spirit, they decided that they had had enough.

We won the class championship by defeating the Sophs who had previously defeated the Freshmen. The game was interesting and well played throughout.

IN our Freshman year, the annual indoor meet between the Freshman and Sophomore classes was held in the gymnasium on December 19, 1912. It was an exciting exhibition and as in all athletic contests between these classes, the "old-time pep" was predominant.

The meet consisted of a high jump, shot put, tug-of-war, three wrestling matches and three boxing bouts. Coach McAavoy and Professor E. L. Smith were in charge of the affair. Professor C. A. Short acted as referee for the wrestling matches, while Dr. Blake gave the decision on the boxing bouts.

In the high jump, Manning, '15, cleared the bar at five feet. Gibney, '15, Wills, '16, Bye, '16 and Hory, '16, tied for second place at four feet ten inches. Kelly '15, won the shot put easily, putting the 16 lb. shot a distance of 32 feet. Hirshman, '16, was second, and Foster, '16, third.

The first wrestling match was the lightweight between Loomis, '15, and Taylor, '16. This match was won by Loomis. The middleweight wrestling match was won by Emerson, '15, over Crothers, '16. In the heavyweight match Grieves, '15, won over Pepper, '16.

The boxing bouts were the real life of the meet. In the lightweight bout, Dawson, '16, won over Little, '15. The middleweight bout was a draw between Cann, '15, and Rigney, '16. The most interesting bout of the evening was the heavyweight boxing between Kelly, '15, and Hirshman, '16. We had never seen "Hirsh" box but we knew that "Mike" Kelly was no "slouch". Nevertheless, we all had confidence in our man and he did not disappoint us. "Hirsh" entered the contest with a broken nose, an injury received (for the second or third time during the season) in the annual class football game about several days previous. "Hirsh" was game, however, and entered for his class willingly. Although outweighed twenty pounds, "Hirsh" was the aggressor throughout and knocked Kelly down in both the third and fourth rounds, easily gaining a decision.

We won the tug-of-war by default but lost the meet to the "Sophs", 29 to 23.
INDOOR MEET—1914

We were more successful in the indoor meet as "Sophs" and easily defeated the "Freshies" by the score of 25 to 15, winning two wrestling matches, two boxing bouts and the tug-of-war.

In the high jump, Wills, '16, lost to Marshall, '17, who cleared the bar at 5 feet.

"Gus" Graham, who hails from Charlestown, the garden spot of Cecil County which county according to Graham and Crothers is three-fourths of Maryland, put Mason, '17, on his back twice, as gently as the circumstances would permit, and then modestly declared that if he had had a pint of Charlestown hard cider he could have thrown Mason and the mat both out the window.

"Alec" Crothers, of Northeast, Cecil County, Maryland, U. S. A., not to be outdone by Graham and in order to have something to tell the folks when he went home for the holidays, then threw "Pete" McDowell, '17, and won the middleweight match.

In the heavyweight match, Pepper, '16, lost to Wilson, '17.

The boxing bouts were exciting and well fought. Bonwill, our representative in the lightweight bout, lost to Fidance, '17.

G. O. Smith, '16, showed class in the middleweight bout and easily outpointed O'Daniel, '17.

Weimer, '16, won the decision over Naylor, '17, in the heavyweight bout.

We finished up a big night by winning the tug-of-war and incidentally winning the meet. Our team composed of Crothers, Weimer, Doherty, Foster, Morrison, Graham and Pepper, had the Freshman team composed of Wilson, Fidance, Naylor, Marshall, Mason, McDowell and Beauchamp half out of the gymnasium door when time was called.

The less we say of our class track team the better. True it is that we have turned out several good track men, two of whom, G. O. Smith and "Alec" Crothers, have captained Varsity track teams, but it is rather unfortunate that, with a class otherwise athletically inclined, we have been unable to arouse any enthusiasm in class track.

Since we entered college there have been held two inter-class track meets, one June, 1914, and the other in June, 1915. The class of 1916 failed to carry off the honors in either although we finished second in 1914, the Seniors winning out by a few points.
