REPORTER
A. C. Connelllee, '14
DELAWARE COLLEGE can now boast of a modern athletic field. With the exception of its seating capacity the "Joe Frazer Field" is the equal of any, and surpasses all but a few of the athletic fields of the east. Because of the small crowds that attend athletic events here, as compared with the larger colleges, only a small seating capacity is required. The field is the gift of Mr. and Mrs. Eben B. Frazer and Stanley Frazer as a memorial to their son and brother, Joseph H. Frazer, who died last year in Bolivia.

The field was graded by Stewart and Donohue, of Wilmington. In grading it was necessary to remove about 20,000 cubic yards of dirt.

The plans for the entire field were made by Wilbur Wilson, a local civil engineer, after visits to numerous other college fields. Mr. Frazer and his son gave the work their personal supervision at all times, and were in constant touch with Mr. Wilson in case they thought it of any benefit to make minor changes and additions to the original plans as the work progressed. Our coach, Mr. McAvoy, was also on the ground and assisted with the work.

A seven foot wall, built of tile and covered with cement, surrounds the entire field. The wall adjoins the extreme western part of the gymnasium, which practically places that building within the athletic field. The other end of the wall ends at Mechanical Hall, so that these two buildings really form part of the wall. The memorial gate, which is a special feature of the field, is at the main entrance, between the gymnasium and Mechanical Hall.

The baseball diamond is located at the southeast corner of the field. It is a modern diamond in every particular and modelled after those in the major league, with the grass centre and skin base paths. This baseball field is one of the largest in Delaware; in it there is plenty of room, especially in left and centre fields, for home runs within the grounds, and in fact it is practically impossible to knock the ball out of this field in fair territory.

The quarter-mile track starts at the western end of the field and is oval in shape. In the centre is the football gridiron. This gridiron will also be used for pole vaulting, high jumping and other field sports. By extending the southern straight course of the track to the east it gives a 220-yard straightaway, and, with the exception of Harvard, Delaware is the only college in the east to have this feature.
The exact location of the tennis courts has not been definitely decided, but there will probably be six of them placed on the northwest corner of the field. The entire field is fitted with the French drain system, so that it will be fit for sports a short time following a heavy rain.

Beginning at a point near the southeast corner of the field, where the baseball grandstand is located, a terrace begins. There is a gradual rise in this terrace until it reaches a point about in front of Mechanical Hall; then it starts to slope down again until it reaches the northern section of the wall. The terrace, which is now sodded, presents a very pleasing appearance. At the top of the terrace a space is reserved for automobiles. It is estimated this space will accommodate 600 machines. The entrance for machines is at the east end of Mechanical Hall.
FOOTBALL is the major sport at Delaware College, and although we have only a few men to pick from, Delaware usually has a good team. The scores of this year's games show that the team was not successful, but the score does not show all. The team this year was inexperienced and exceptionally light. Every man worked hard and showed the old Delaware spirit—a spirit of the do or die variety. As a consequence of this reawakened spirit the scores were much lower than they would have been otherwise. Every man from Captain Jimmy Huston to the water boy was working for the "Blue and Gold" every minute. We won but one game, the last game of the season, that with Maryland College. Delaware, 50; Maryland College, 0.

Our first game was with the Lehigh team. We were outclassed and lost, 45 to 0. We lost to Haverford, 14 to 0, the next week. Haverford was of about the same weight as Delaware, but a little too fast for the Blue and Gold. The team came back strong the next week and tied the heavy Lebanon Valley team, 0 to 0. Then followed a series of hard luck games. We lost to Washington College, 7 to 0; Muhlenberg, 21 to 0; Catholic University, 7 to 0; and Gettysburg, 29 to 0, in rapid succession. In our last game we won, 50 to 0, with the scrub team playing the last quarter.

Delaware was outweighed in every game she was in with the exception of Haverford. In the Muhlenberg game Huston and Cann, two of our
star men, had their shoulders broken and were unable to play the rest of the season. The loss of these men was keenly felt, because it broke up the backfield, which at that time was going nicely.

“Billy” Cann, who for three years has put up a star game at end, was chosen to lead the 1913 team, which will be the first football team to play on Frazer Field.

Average weight, 163 pounds. Average height, 5 ft. 10.3 in.
After our rather unsuccessful baseball season in 1911, we hoped for a better season in 1912, but we were sadly disappointed. The season of 1912 was the worst season ever experienced by a Delaware College baseball team. The "Blue and Gold" did not win a single game. Coach MacAvoy did his best to form a winning combination. But try as he would, "Mac" couldn't seem to get a good fielding and batting team at the same time.

Jolls's arm, which was sore at the beginning of the year, got in good shape about mid-season, and "Eph" pitched some of the best ball of his career, but did not receive proper support. Geoghegan, a Freshman, shared the burden of the pitching and did well considering his lack of experience.

The team sorely missed Dunn and Marshall, the two 1911 men who played such a fine game the year before. "Bob" Harvey was shifted from short to play "Bishop's" old position at second, Taylor, '15, taking his place. Knopf took "Joe's" position in left field, while Foster covered the centre garden vacated by Knopf. Right field was never the same in any two games, but Geoghegan held down the position when he was not pitching.

Captain Hoch played his usual brilliant game at first base and handled the team as well as possible. Hoch, Harvey, Taylor and Lind composed the infield and played their best, although they were not the stars of that famous quartet of the previous year, Hoch, Dunn, Harvey and "Dick" Taylor. "Dick" was
placed in left field after the first few games, and Lind took his place at third. This change made a better combination. C. Taylor, Knopf and Foster covered the garden positions. The outfield was weak and many games were lost through their slow fielding.

The real weakness of the team is hard to determine, but it really seemed to be a combination of weak fielding and weaker batting. On the days that the team was batting well the errors were so numerous that our opponents won easily. Likewise, when the team was fielding like fiends no one could hit the "pill" for love or money. This sad state of affairs caused our downfall. Lack of interest among the students helped in a great measure to discourage the team.

Only the superb pitching of Jolls kept down the scores. We all hope for better success next year when the team will again be led by Elmer Hoch, '14.

The team took no southern trip last year during Easter vacation as had been the custom for many years. The reason for giving up the southern trip was purely a financial one. The trip had always been a financial loss due to bad weather at that time of the year and long jumps between games. For these reasons the manager and coach thought that the trip had best be omitted from the schedule.

Our first game was with our old rivals, Swarthmore. The team went up against the strong "Garnet" nine with but one day's practice. The result might have been foreseen. We lost, but only after a hard struggle in which the "Blue and Gold" outbatted its opponents. We were next defeated by the strong A. and M. team of South Carolina. Our next game on the schedule, the HOCH game with P. C. P., had to be cancelled on account of rain. We lost our next two games to Lebanon Valley and Albright by easy scores. Rain prevented the C. U. game. The team braced at this time and the remaining scores were all very close with the exception of the Fordham game, which we lost, 15 to 2.

Edward L. Rice, '12, was manager and Artisan Smith, '13, assistant manager. Artisan Smith, '13, was elected manager for 1913 and Alfred Connellee, '14, was elected assistant manager.
The class of 1912 won the inter-class championship series after a hard struggle with the fast 1914 team.
VARSITY BASKETBALL SQUAD
DELAWARE has always had good basketball teams and last year was no exception. We played a long, hard schedule, but Captain Sawin and his bunch of hustlers came out on the large end of the score.

This year the team, under the captaincy of Wallace Sawdon, has shown remarkable form, considering that three men playing on the 'Varsity are Freshmen. We lost all of last year's 'Varsity with the exception of "Billy" Cann. But the quintet composed of Sawdon, Cann, Weimer, Rigney, and Hirschman, with Lacklen as a fast substitute, has shown that Delaware needs not to fear the outcome of her basketball schedule. Thus far we have played four games and lost three, but the closeness of the scores shows that as soon as the Blue and Gold team gets settled there will be some scores with Delaware on the large end.

Manager Foster has arranged the following schedule. He is assisted by "Babe" McCafferty, '14:

Jan. 15. Drexel at Newark.
Jan. 18. Pratt at Newark.
Feb. 7. Gettysburg at Newark.
Feb. 15. Catholic University at Washington.
Feb. 20. Catholic University at Newark.
Feb. 28. Muhlenberg at Newark.
Mar. 5. Lebanon Valley at Newark.
Mar. 7. Washington College at Newark.

THE FOUNTAIN
IN 1912 Delaware's track team showed a marked improvement over the previous year. This great improvement was caused by the enthusiasm of the student body and the untiring effort of Captain Ennis to produce a fine team. We did not win any meet, but the "old Blue and Gold" was in the running from start to finish, which looks well for a successful season this year. This year our meet with Muhlenberg will be held May 30, on our new Frazer Field. A relay team will be entered at the Pennsylvania relay races. The Delaware team will also be entered in several other track meets.
In our three meets with Muhlenberg annually "the Blue and Gold" has always been on the short end of the score. Last year the meet was held at Allentown and resulted in a decided victory for the "Germans," 76 to 48. Harper was the only Delaware man to make a good showing, although Harvey and Schlittler tied for first place in the pole vault. The sturdy lad from over on the "Eastern Sho' of Maryland" ran away from the Muhlenberg stars in the dashes. Archie Dean scored first in the low hurdles.

Summary:

100 yard dash—Won by Harper, Delaware; Wacker, Muhlenberg, second; Bixler, Muhlenberg, third. Time, 10 4\-\frac{5}{5} seconds.

880 yard run—Won by Toebke, Muhlenberg; Loser, Muhlenberg, second; Sawdon, Delaware, third. Time, 2 minutes 8 \frac{1-5}{5} seconds.

16 lb. shot put—Won by Skean, Muhlenberg; Snyder, Muhlenberg, second; Jeffries, Delaware, third. Distance, 37 feet 4\frac{1}{5} inches.

220 yard hurdles—Won by Dean, Delaware; Miller, Muhlenberg, second. Time, 29 seconds.

Discus—Won by Snyder, Muhlenberg; Skean, Muhlenberg, second; Veale, Delaware, third. Distance, 100 feet 5 inches.

220 yard dash—Won by Bixler, Muhlenberg; Ennis, Delaware, second; Wacker, Muhlenberg, third. Time, 23 2-5 seconds.

Two mile run—Won by Bueks, Muhlenberg; Cranston, Delaware, second; Croutnamel, Muhlenberg, third. Time, 10 minutes 52 seconds.

Broad jump—Won by Blackburn, Muhlenberg; Harvey, Delaware, second; Loser, Muhlenberg, third. Distance, 19 feet 5\frac{1}{5} inches.

440 yard dash—Won by Harper, Delaware; Bixler, Muhlenberg, second; Ennis, Delaware, third. Time, 56 seconds.

High jump—Blackburn, Muhlenberg, and Jeffries, Delaware, tied for first place; Bennett, Delaware, third. Height, 5 feet.

16 lb. hammer—Won by Reisner, Muhlenberg; Todd, Delaware, second; Skean, Muhlenberg, third. Distance, 109 feet 7 inches.

120 yard hurdles—Won by Miller, Muhlenberg; Dean, Delaware, second. Time, 19 1-5 seconds.

Pole vault—Harvey and Schlittler, Delaware, tied for first place; Loser, Muhlenberg, third. Height, 8 feet 9 inches.
One mile run—Won by Dietz, Muhlenberg; Toebke, Muhlenberg, second; Shakespeare, Delaware, third. Time, 4 minutes 55 2-5 seconds.

RELAY RACES

At the Eighteenth Annual Relay Race Carnival, given under the auspices of the University of Pennsylvania, April 27, 1912, Delaware did not place in the relay race with five other colleges—St. John’s, Muhlenberg, Maryland Agricultural College, Gallaudet, and Catholic University. Harper ran the best race of all the men.

The team comprised Manning, '12; Harper, '15; Sawdon, '13, and Ennis, '12.

At the Inter-Collegiate Track Meet, held at St. John’s College, Annapolis, Delaware entered men in the 100 yard dash, 220 yard dash, 220 yard hurdles, pole vault, and relay race.

Harper, '15, finished third in the 100 yard dash.
Schlittler, '13, finished third in the pole vault.
Dean, '14, finished third in the 220 yard hurdles.
Relay team finished second in the relay race.

INTER-CLASS MEET

The final meet was the annual inter-class track and field meet, held on the college track. The track had just been put in shape the day before and was in very poor condition. Fast time was made considering the conditions.

A. H. Dean was the highest individual point winner with 15 points to his credit. But the man who clinched the victory for the winners was little “Babe” McCafferty. “Babe” won the final relay from Mearns, the speedy Freshman, after Mearns had a five yard lead. It was a beautiful race and everyone had praises for the plucky Sophomore. To these two men the Class of 1914 owes its victory.

The Class of 1914 finished first with 53 points; 1915 second with 39 points; 1912 finished third with 28 points; and 1913 fourth with 5 points.

Summary:

100 yards dash—Won by Harper, '15; Ennis, '12, second; Dean, '14, third. Time, 10 3-5 seconds.

High jump—Won by Bennet, '14; Manning, '15, second; Harvey, '12, third. Height, 5 feet 1 inch.

Shot put—Won by Veale, '14; Kelley, '15, second; Dean, '14, third. Distance, 29 feet 4 inches.

Half mile run—Won by Little, '15; Grubb, '14, second; Lindsay, '15, third. Time, 2 minutes 18 seconds.

220 yard hurdles—Won by Dean, '14; Harvey, '12, second; McCafferty, '14, third. Time, 29 1/2 seconds.
16 lb. hammer throw—Won by Todd, '12; Veale, '14, second; Bennet, '14, third. Distance, 97 feet 7 inches.

Broad jump—Won by Harvey, '12; McCafferty, '14, second; Dean, '14, third. Distance, 18 feet 9½ inches.

Mile run—Won by Cranston, '14; Shakespeare, '15, second; Harvey, '15, third. Time, 5 minutes 2 seconds.

440 yard dash—Won by Harper, '15; Ennis, '12, second; Shakespeare, '15, third. Time, 54½ seconds.

120 yard hurdles—Won by Dean, '14; McCafferty, '14, second; Manning, '15, third. Time, 20 seconds.

Pole vault—Won by Schlittler, '13; Harvey, '12, second; Gibney, '15, third. Height, 9 feet 7 inches.

Discus throw—Won by Taylor, '12; Kelley, '15, second; Veale, '14, third. Distance, 87 feet 8 inches.

Relay race—Won by Class of 1914, Dean, Grubb, Cranston and McCafferty. Second, Class 1915, Harper, Little, Lindsay and Mearns. Time, 4 minutes 4½ seconds.
We had four tennis tournaments on our schedule in 1912, Swarthmore, Haverford, St. John’s, and Drexel. Drexel failed to arrive. We lost to the other three teams by large scores.

The tennis team was composed of Hoch, ’14, captain; Geoghegan, ’15, and F. Gibney, ’15.

J. P. McCafferty, ’12, was manager, and E. Gonce, ’13, assistant manager. For the season of 1913 Elmer Hoch, ’14, was re-elected captain, Eugene Gonce manager, and E. Hoch assistant manager.

Next year, with our new courts on Frazer Field, we hope to be able to uphold the honor of Delaware on the tennis courts as well as on the gridiron, diamond and track.

Class Athletics

The “Class of 1914” will always be noted for its excellent athletic ability in college sports. We hold the distinction of having eight men on the 'Varsity football squad during our Freshman year. Five of these men played at regular positions. We won our football game with the Sophomores, 18 to 5. In our game with the class of 1915 the best score we could make was 5 to 5, although we had the ball across the enemy’s goal line three times. In basketball we have not been so successful. Hamel, who was our only 'Varsity man, has resigned from college. But the scrubs boast of five 1914 men. We won from the 1913 class in our Freshman year but were badly defeated by the
class of 1912, the college champions. In our Sophomore year we did even worse than the year before. We lost to the Freshmen by a close score.

The Class of 1914 won itself a great name when it defeated the Class of 1913 in the second annual indoor meet, held at the college, by an overwhelming score. The Sophomores proved an easy proposition and only captured first in one event. Two records were made, one in the high jump and the other in the shot put.

The indoor meet in our Sophomore year was lost to the Freshmen by the score of 21 to 19. We lost the meet through poor management and not because of the athletic superiority of the Freshmen team.

CLASS BASEBALL TEAM
There has been but very little inter-class tennis, but we can boast of the fact that the captain of the tennis team in our Sophomore year was a member of the Class of 1914. Elmer K. Hoch is the man who attained this distinction by his brilliant and consistent playing.

In baseball we have been fairly successful. In our Freshman year we had a long schedule of games and only made an even break in victories. We lost our contest with the Sophomores, which, of course, kept us out of the finals. The score was close, 5 to 4. Our loss was due mainly to the fact that Hoch, our first baseman and heavy hitter, was hit in the head by a pitched ball and had to leave the game in the third inning. We came back strong in our Sophomore year and beat the Freshmen, 7 to 5, in a fine game. The result was always in doubt. The game was won in the ninth after two men were out. Singles by Hoch and Huston and a pass and a double by Lind brought victory to the Class of 1914. The Seniors defeated the Juniors and we were ready to fight it out for the championship and the cup. The game was started and at the end of three innings we were on the large end of a 5 to 0 score. Then came the one thing that lost for us the chance to keep the cup from the Seniors—a torrent of rain. When the game was replayed we were over confident and lost by the close score of 6 to 4. This defeat lost us a chance ever to win the inter-class cup.
We have always stood strong in track events. Two men of the Class of 1914 are the holders of college records. In our Freshman year we came out second in the interclass track and field meet. Our efforts in our second year were much better and we won the meet by a large score.

In summarizing the athletic history of the Class of 1914 we can safely say that, although we have lost some athletic contests, we have won more victories and given to the college more athletes than any other class, with the probable exception of the Class of 1912. We have lost some of our athletes but are always ready to uphold the glory and honor of our Alma Mater and the Class of 1914.
