THE ATHLETIC DEPARTMENT

Gerald P. Doherty
Graduate Manager

"Gus" Zeigler
Head Coach of Football

Charles Rogers
Coach of Football and Track

Edward Bardo
Coach of Swimming and Intra-Mural Sports
At the beginning of the 1929-30 football season, the alumni of the University secured the services of A. B. “Gus” Zeigler as the head football coach. “Gus” is well known to the sports world, especially for the prowess he demonstrated as a football star at the University of Pennsylvania during the years of 1903-04-06, and 07, at the climax of which he was honored by the late Walter Camp on his mythical All-American team.

This was the first step forward in the University’s advance toward better athletics. “Gus” was somewhat handicapped during his first year by the lack of material, but he did two things that we must not overlook at this time: (1) He made the beginning toward a better football squad. (2) He demonstrated that, with better material, he could develop a good squad.

From this initial advancement, we stepped into a new era of athletics, and we secured the services of “Charlie” Rogers as an assistant to “Gus” Zeigler who assumed the same post as he held the previous year. “Gus” was master of the line, and “Charlie” had full sway of the backs. These two men, besides being Pennsylvania graduates, are also alike in one other respect; they live, eat, and sleep football. To top off the fine coaching staff, a wealth of material landed at Newark for pre-season training, the majority of whom are still with us. These two elements, working hand in hand, headed us for the best season we have had in football for many years, winning 5, losing 3, and tying 1, an enviable record for a college of our size.

These results only go to show that things can be done if the students, faculty, coaches, and the alumni work together; and we sincerely hope that they will continue to function as one body from now on.

As the year 1930 progressed, so did athletics; first, we now have our coaching staff so arranged that one coach does not have more than two sports, and the seasons do not conflict. This alleviates the possibility of overwork for any one man. Every team fared well, with the exception of soccer, which labored under the difficulty of not having a coach.

The high marks of the year came later. Graduate Manager of Athletics, Gerald P. Doherty, had more schools entered in the annual “Interscholastics”
than ever before. This only goes to show that this annual spring athletic classic is being more recognized throughout the East. The high-water mark of the year came when our benevolent Legislature passed the bill establishing a chair of Athletics at the University. This means Bigger and Better Athletics. Eh, what!

FOOTBALL SEASON OF 1930

Captain—Samuel Sloan  
Manager—Robert Glover

Delaware—13  
St. Joseph’s—6

Delaware opened the season with a brilliant victory over St. Joseph’s College in Philadelphia by a score of 13 to 6. All the scoring was the result of forward passing. In the middle of the first quarter, Lane heaved a long forward to White, who ran 30 yards through a broken field to score the first touchdown of the game. The next quarter, St. Joe’s attempted to pull themselves together, in order to show the Blue Hens that they, too, could pass, so as a result, they succeeded in making a well-earned touchdown by a pass from McNabb to Morris. St. Joe’s were held for the rest of the half, thus making a tie score. The second half started with a bang, and after a few minutes of play the Chicks started a march toward the goal line. Wonderful work by Hahn, Lane, and Kemske soon brought the ball within scoring distance for Delaware. A beautiful play with a pass from Lane to Sloan netted a touchdown for Delaware. Then, to make the touchdown complete, Hahn threw a snappy, unexpected pass to Mayer and bagged the extra point. The last quarter was more or less characterized by constant strong playing on Delaware’s part, which kept the ball in St. Joe’s territory most of the time. When the game was over the spectators were spell bound—they could hardly believe that what they had seen was really true.

Delaware—6  
George Washington—9

Delaware was defeated by George Washington’s heavy football team before the largest crowd of spectators that had ever viewed a game on Frazer Field.
The outcome of the game was doubtful to the very end because of the wonderful way the Blue Chicks tucked up and closed a nine-point lead to a 9 to 6 score, and even threatened to score again several times during the final period. No Delaware line has ever held as Delaware did when the visitors' powerful eleven had the ball in the lower shadows of the goal posts! The only scoring in the first half was a safety scored by George Washington. Even though there was very little scoring done in that first half it was full of thrills—thrills which showed the spectators an entirely new brand of football as played by Delaware. In the early part of the second half, George Washington scored a touchdown after making four successive first downs and completing a long forward pass. This act brought the Blue Hens to life again and after completing a few short passes and line plunges Delaware had the ball on the 25-yard line. Then an accurate pass from Hahn to White resulted in a six-pointer for Delaware. The rest of the game, Delaware threatened many times, but were held. Sloan and Pohl were the highlights on the line, while Hahn and White starred in the back field.

At a meeting of the Varsity team before the Gallaudet game, Sam Sloan was unanimously elected captain for the entire season.

DELAWARE—38  GALLAUDET—0

Delaware won a decisive victory over Gallaudet when the visitors went under by a 38 to 0 count. It was Delaware's game from the start. The team showed better form on the offense than at any time this season. Most of the scoring was in the third period, except for single touchdowns in the first and last quarters. The touchdowns were made by: White, Branner, Donoghue, Pohl, Mayer, and Haney. Gallaudet played a good game considering their handicaps and much lighter weight. The entire Blue Hen squad saw action in this game.

DELAWARE—0  RUTGERS—40

The University of Delaware's football team went down to a 40 to 0 count in being defeated by Rutgers. The Blue and Gold did not play as good a brand of ball as they had been playing, although at times they threatened to score.
Jack Grossman was the backbone of the Scarlet team, although Stager and Waldron made considerable gains through Delaware's line. The Chicks made a good showing at times but considering actual football they were outclassed by the Rutgers' aces.

DELAWARE—13
SWARTHMORE—12

Swarthmore finally bowed to Delaware in a game replete with thrills and exciting to the end. The whole team worked like a clock, but Joe Green undoubtedly was the outstanding player on the field. The whole team played as it never did before; each and every player was urged on by enthusiastic rooters and aided by the spirited music of the Blue and Gold band. White scored a touchdown in the first quarter, after a series of line plunges by Kemske and Branner. In the second quarter, the Little Quakers opened up with a brilliant passing attack. As the result of a long pass to Dellmuth, Swarthmore was stopped temporarily on the one-yard line. Delaware's line held like a stone-wall, but Swarthmore obtained two extra downs because of offsides and scored on the sixth attempt, when a pass over the goal-line worked. A few minutes later, Delaware fumbled on their 35-yard stripe and the Quakers completed a 40-yard pass to score again. The score was now 12 to 6 in favor of the "Little Quakers." Both teams came back full of fight in the second half, Swarthmore determined to increase their lead and Delaware determined to defeat the Garnets. Every man on the Delaware team was fighting mad, and, after a series of line plunges by Kemske, passes by Green, and end runs by White, Delaware made the tying score when Kemske made a touchdown. Then Green kicked the extra point, giving Delaware a one-point lead over Swarthmore. The remainder of the game was in Delaware's favor, the Blue Hens breaking up all hopes of Swarthmore's attempts to score. Delaware outplayed the Garnets, but the Garnet machine was more successful in their passing game. To make the victory complete, the school authorities declared a holiday on the following Monday to celebrate the spectacular victory.
Delaware—13

Mount St. Mary’s—6

Delaware defeated Mount St. Mary’s in a hard game on Frazer Field by a score of 13 to 6. The Mount team scored in the first quarter as a result of a blocked kick. Boggs, of Mount St. Mary’s, grounded the kick and made the only score for the visitors. Connell, the Mount’s threat man, kicked over the goal line, but a penalty for holding nullified the point. Delaware came through in the second period with a few points. Mount St. Mary’s fumbled on Delaware’s 30-yard line and Mayer fell on the ball. Then a long pass from Green to Kemske, followed by a dash by White around left-end, evened the score. Green kicked the extra point, putting Delaware in the lead.

In the second half, both teams fought hard, but Delaware had the edge; Haggerty and Mayer were playing superb defensive football. Delaware’s second touchdown was the outcome of a long pass from Green to Sloan, who ran through an open field for the touchdown.

DELAWARE—13

DREXEL—13

Completely outplayed in the first half by a snarling Drexel Dragon, a fighting brood of Delaware Mud Hens came back with a rush at the opening of the third quarter to hang up six points and throw the annual struggle into a 13-13 deadlock in which the battle ended.

Both teams were tremendously handicapped by the condition of the field, which resembled a quagmire, after the torrential rains of the previous day and night. Despite the mud and mire, which made the ball slippery and hard to handle, and a heavy rain which started in the fourth period, both teams resorted to the air for gains. Three of the four touchdowns resulted from aerials.

In the first period, “Hank” Haney intercepted a wayward Drexel pass and sped down the sidelines 95 yards for a touchdown. “Aub” Walker very carefully place-kicked the point which later meant so much to Delaware. Then the tide of battle changed. The Dragons began blocking Delaware’s punts and made a touchdown finally, after being held twice by the Hens. In the kick-off, Kemske made a magnificent bid for touchdown but was stopped by Redmond on the Dragon’s 20-yard line after a 65-yard dash. Here the Dragons started another
rampage and a series of driving plays and a lightning pass from Joe Holt to Redmond resulted in a second touchdown for the Dragons. The kick went wild of the posts.

Drexel found a different Delaware array facing them in the second half. After the kick-off, a punt was received by Lane who came back like an express train 35 yards to the Dragon's 22-yard stripe. Following two unsuccessful lunges at the line, Lane tossed a passout to Kemske, who tucked the ball under his arm and ran 15 yards for a score. Walker tried hard to make the kick good, but it would have taken a miracle to place kick accurately with that ball.

The rest of the game was played in a downpour of rain, and both teams resorted to exchanging punts.

DELAWARE—14 HAVERFORD—7

Trailing 7-0 going into the fourth quarter, Delaware's Blue Hens staged a magnificent rally to score twice within five minutes and send their traditional rivals, Haverford, home on the short end of a 14 to 7 count.

The two tallies came with a startling suddenness—just when it appeared that the Blue and Gold was facing almost certain defeat. The Main Liners had wrecked Delaware's offense and had tallied a touchdown in the third quarter on straight football. As the teams changed goals to open the final quarter, Delaware pounded out a first down on three plunges from their own 20-yard line. Then like a bolt from a clear sky, Joe Green dropped back and heaved a long pass into Kemske's hands on Haverford's 40-yard stripe, and Kemske next slipped past Haverford's secondary to reach the 1-yard line before being forced out of bounds. Branner dove across the line on a third down and "Aub" Walker place-kicked the point that tied the score.

Three minutes later, with the ball on the Red and Black 5-yard line, Pohl and Hurley sifted through the line to block a Haverford punt and Hurley went across the widest white line for the winning touchdown.

Only the brilliant defensive work by Haggerty and Haney, coupled with Lane's beautiful punts kept the Main Liners from scoring in the first half. Kemske played exceptionally hard, dependable football.
This victory made the Blue Hen's fifth win of the season and the most successful record of any Delaware team in the past five years.

DELAWARE—2

P. M. C.—10

After holding tenaciously to a 2-0 lead for three periods, Delaware weakened with only 8 minutes to play and P. M. C. scored a touchdown and a field goal to send the Blue and Gold down under a 10-2 score.

Delaware's lone score came in the second period. Brennan standing on his goal line prepared to punt against the wind and as the ball was snapped back Haggerty charged straight down on the kicker and blocked the kick—but the ball was covered by Warren, thus giving Delaware a safety, after a long consultation with the referee. The Blue and Gold missed another excellent chance to score when a Delaware punt aimed by Green went out of bounds on the 5-yard stripe. Brennan punted, standing on the goal line, and the ball was blown back and out of bounds on the 1-yard stripe. It would have been Delaware's ball, first down, but an off-sides was called. Brennan kicked again; Delaware was off-sides again. The P. M. C. soldiers marched 70 yards from their 5-yard line. Five penalties were called on Delaware during the march.

P. M. C. scored from Delaware's 40-yard line as a result of a long pass from Brennan to Warren, who ran only 10 yards for a touchdown. Later P. M. C. increased their margin by kicking a beautiful field goal from the 15-yard line. This was the first field goal that had been scored on Delaware for five years. Despite the cold weather, "Boo" White flashed three or four runs of 15 and 20 yards each, while Branner had a big day plunging through the P. M. C. line. Kemske, Green, and Haggerty played their usual fine game of football.
UNIVERSITY OF DELAWARE FOOTBALL SCHEDULE

SEASON OF 1931

October 3—Susquehanna ........................................... At Newark
October 10—St. Joseph’s ........................................... At Newark
October 17—Navy ................................................... At Annapolis
October 24—Richmond University ................................ At Newark
October 31—Rutgers ................................................ At New Brunswick
November 7—Swarthmore ........................................ At Newark
November 14—Pennsylvania Military College .............. At Newark
November 21—Haverford .......................................... At Haverford
The 1930 edition of the Blue and Gold basketball team turned in a 37-18 victory in the opening game of the season. Delaware drew away to a big lead early in the game and Coach Doherty was able to experiment with his whole varsity squad. Delaware's passing game was not very much in evidence, but the Blue and Gold didn't need it. Leahy, Roman, Donoghue, and Kemske had little trouble breaking through the Philly team's defense.

The basketball team scored its second victory of the season with no defeats when they trimmed a fast quintet from Baltimore. The game was exciting, and the teams were nip and tuck throughout.

West Point's array of basketball talent, undefeated in four states, put Delaware temporarily on the downward path. Kemske, along with Leahy, bagged five two-pointers; but Army's offensive strength was too strong, and the Blue and Gold faded in the waning minutes of play.

Against Upsala, the Blue Hens found the going a little easier, and hung up their lone victory of the trip north. Johnny Roman carried off the honors with 12 points. Every man saw action, and all figured in the scoring.

Pratt Institute gave the Delawareans their hardest jolt of the trip when they slapped a 27-21 defeat on the Blue Hens. Delaware's defense functioned fairly well in this encounter, but inability to get their offense under way sent them down.
This game found the Blue and Gold facing one of the best small colleges in this region. The Blue Hen showed the effects of playing three tough games in three nights. “Sid” Kaufman was the only Delawarean able to score readily, piling up 13 of Delaware’s 21 points.

Six field goals, coming in rapid succession, in the closing minutes of the game almost closed the commanding lead that Delaware’s cage men had held over Susquehanna for three quarters, and had the audience hanging on the edges of their seats. Johnny Roman led in the scoring with 11 points. The work of Capt. Glenn of Susquehanna was a feature, as he scored 17 points.

The Blue and Gold quintet put up a great fight the entire 40 minutes of play, but were unable to cope with the fast passing attack presented by St. Joe’s. Roman starred for Delaware with 10 points, while Zuber of St. Joe’s led with 15 points.

Presenting a fast passing aggregation that was able to stage a brilliant rally, Brooklyn Poly furnished Delaware’s cage men with plenty of opposition before finally succumbing by a score of 22-20. Just a minute before the end of the game, the visitors were leading 20 to 19. A foul goal tied up the score and then Roman sank a long shot that won the contest. Kaufman played brilliantly throughout the game.

Displaying their best form of the season, Delaware scored a decisive victory over P. M. C. The decisive margin of victory came as a surprise to even the most optimistic Delaware fan. Roman and Leahy did best in the scoring for Delaware.

For the first time this season, the U. of D. five dropped a decision on the home floor. At the gun marking the end of the game, the score was tie at 25 each.
foul shot by Kemske in the last minute gave the Blue Hens a tie, but the Hoboken five came back strong in the extra five minutes to score a field goal and two fouls, thus winning the game.

SWARTHMORE—37 DELAWARE—19
Falling back in their upward climb, the Blue Hens suffered a stinging defeat at the hands of the Little Quakers. Swarthmore led from the very start and despite repeated rallies from the Delaware team, the game ended in an orgy of scoring. Haggerty’s work at guard was the feature of Delaware’s playing.

MOUNT ST. MARY’S—18 DELAWARE—14
In a listless and erratic exhibition, the Delaware cagemen dropped another contest. The game was the slowest witnessed here for many years, and Delaware lost because of inability to shoot fouls. They made but two fouls out of 17 chances.

HAVERFORD—35 DELAWARE—32
Delaware’s erratic quintet scored a lot of points in their annual struggle with Haverford, but it all came to naught because the Main Liners went out and scored just three more. The Delaware guards, Kaufman and Haggerty raked up 11 and 8 points respectively.

LONG ISLAND U.—33 DELAWARE—28
Long Island U. piled up a 19-14 lead in the first half, and were held in the second half, but the five point edge provided the margin of victory. Leahy starred for Delaware, tallying five times from the field and six times from the foul line. This game was the fifth straight loss for the team.

LEHIGH—32 DELAWARE—26
A consistent last half attack earned the Lehigh team a victory over the Blue and Gold. Lehigh went into the lead early in the game and, for the first half, managed to maintain a winning margin, although not a large one, 15-14. The second half was closely fought, but Lehigh had the edge in the last minutes of play. Kemske was high scorer with 10 points. Roman accounted for 7, and Kaufman for 8 points.

SWIMMING SEASON OF 1929-1930

Captain—A. Taylor
Manager—W. Tindall

The 1929-30 swimming season opened by Delaware taking all seven first places in the dual meet with Johns Hopkins. This meet demonstrated the fact that two freshmen were to be stars for Delaware in the tank, namely, Lindstrand and Jacobs. Lindstrand took two first places, in the 50-yard and 100-yard freestyle; and Jacobs crashed through for a first in the breaststroke. The score was 47 to 19.

Three days later the Delaware team continued to win, by defeating F. and M. by the score of 39 to 27. Lindstrand repeated in the 50-yard freestyle and took second in the 100-yard. Brown easily won his specialty, the ISO-yard backstroke, and Captain Taylor came through in the 440-yard freestyle for another win.

The powerful Army team overwhelmed us in the next meet by the score of 54 to 8, the cadets taking all firsts and seconds, except for one second in the 150-yard backstroke, which Brown of Delaware took.

The following meet, with the University of Virginia, we easily won by the score of 40 to 25, taking 4 out of the seven first places. In this meet, Hartmann, another freshman, set a pool record for the dive with a total of 86.8 points.

The swimming team continued to win, while the basketball team was having reverse luck. We won the next dual meet from Catholic University by the score of 45 to 23. In this meet we took five out of the seven first places, Hartmann and Lindstrand again repeating.

The closest meet of the year was with William and Mary, which we lost by the score of 34 to 32. Captain Taylor tried to pull the meet out of the fire in the final event by entering the 100-yard freestyle, but was defeated by a yard. Previous to this he had won the 440 freestyle.

The Bethlehem natators succeeded in beating us in the dual meet by the score of 37 to 21. Delaware took only one first place, that being Brown's win in the 150-yard backstroke. Lehigh presented a strong team—a galaxy of stars.
SWIMMING SEASON OF 1930-1931

Captain—W. B. Brown
Manager—J. S. Parkinson

JOHNS HOPKINS—30
DELAWARE—35

Delaware's swimming team, coached by Ed Bardo, emerged from behind a two-point handicap to beat the Johns Hopkins swimmers. Adam, a freshman, who swam like a veteran, was high scorer for the Delawareans. He earned two points in the relay, five for a first in the 50-yard dash, and four for tying Lindstrand in the 100-yard freestyle. Captain Bill Brown showed his usual good form by winning the 150-yard backstroke by a full length. Moore of Delaware proved himself a good teammate for Brown by taking a second place after a thrilling battle with his opponent.

F. & M.—38
DELAWARE—30

The Blue and Gold suffered their first defeat of the season when they met a strong Franklin and Marshall swimming team. The meet was very close throughout and Delaware lost principally because of a defeat in the relay race, the first event.

GETTYSBURG—15
DELAWARE—60

Gettysburg's bullets failed to make any impression on Delaware's fish, and the Blue Hens romped home with every first place. In spite of the weakness of the opponents, the spectators were treated to a fine exhibition of competitive swimming as the members of the Blue and Gold team tried to outdo one another. Jimmy Adam equalled the pool record when he was clocked in 25 flat for the 50-yard freestyle, and Captain Brown, swimming a 100-yard backstroke instead of the usual 150, broke Bernard Nobis' old record in this event by one and one-fifth seconds and hung up a new mark of 1.11. The Medley Relay, 100 yards each of breaststroke, backstroke, and freestyle, a new addition to a Delaware dual meet, was won handily by the Blue Hens, who were in the run all the way.

CARNEGIE TECH—21
DELAWARE—47

Ed Bardo's swimming team added another dual meet to their string of victories when they defeated the Technicians. Delaware won the meet easily,
taking first place in seven of the eight events. Eastebrooke, swimming for Tech, won the 440-yard freestyle from Adam of Delaware by a narrow margin, the only event in which the visitors finished first.

WILLIAM & MARY—32 DELAWARE—34

Obtaining sweet revenge for a beating she took last year, Delaware nosed out the swimmers of William and Mary in a nip and tuck affair. Lindstrand, Adam, and Brown contributed the points that brought victory, this trio grabbing four first places. Delaware won the 40, 100, and 440 freestyle events; and Brown, Adam, and Moore made a clean sweep of the 150 backstroke.

LAFAYETTE—29 DELAWARE—30

Taking advantage of every break, Delaware continued their winning streak by nosing out a strong Lafayette team. This meet was one of the most exciting ever held in the pool this season, and the result was in doubt until the finish of the final event, the 100-yard freestyle. Although Lafayette won, Delaware maintained its slight lead by taking second and third places. Delaware won the relay, Lindstrand the 50-yard dash, and Brown the backstroke.

C. C. N. Y.—39 DELAWARE—20

The Delaware team started out strong by capturing one of the most thrilling 200-yard relays seen here in years. Brown, as usual, won the backstroke event by a large margin. A mix-up in the 50-yard freestyle, that was caused by the officials, seemed to upset the remainder of the program and helped to account for our defeat.

COLGATE—39 DELAWARE—20

Delaware closed their swimming season when they suffered their third defeat of the season. The mermen were submerged by a superior Colgate swimming aggregation. Bill Brown, who swam his last event for the Blue and Gold, climaxed his season’s performance by lowering his own record in the 150-yard backstroke by one second. His new record is 1:52.8

TRACK
TRACK SEASON OF 1930

Captain—Ralph Wells
Manager—F. Sweezy

University of Delaware's track team was swamped in its opening meet of the season by the strong Hopkins team. Captain Wells was the individual star of the meet, coping two firsts in the hurdling events. All three places were taken by Delaware in the discus; Parkinson, first; Benson, second; and Sloan, third.

Delaware beat out Drexel for a second place in a triangular meet held at Swarthmore. Swarthmore's team was an easy victor, but Delaware, through consistent placing, defeated Drexel by a small margin.

Despite the one-sided score, Delaware did not make a bad showing considering the fact that Haverford had one of the best track teams of the smaller colleges of the East. Delaware won but three of the fourteen events and tied a fourth. Captain Wells finished first in the high hurdles, equaling the record of 16 2/5 seconds; Sortman was first in the 220-yard dash, Manns was first in the javelin, and Sloan tied for first in the high jump.

This meet was closely contested throughout and was not decided until the last event. Three college records were broken in this meet; two by Wells and one by Benson. Wells ran the high hurdles in 16 2/5 seconds, and low hurdles in 26 1/10 seconds; while Benson broke the college discus record with a throw of 134 feet 5 inches.

By capturing first and second places in the javelin, the final event, Delaware decided the track meet with Catholic University. Previous to the last event the score was 59 to 58 in favor of the visitors. Captain Wells scored 13 points, capturing both the low and high hurdles and finishing second in the 440-yard dash. Sortman came through again for firsts in the 100- and 220-yard dashes. Other winners for Delaware were Sloan, in the pole-vault; Manns, in the javelin throw; and Benson, in the discus, and also placing second in the javelin throw.

Delaware's track and field men lost to St. Joseph's track team by a very close margin. Captain Wells took two first places in the hurdling events, while Sortman won both the century and the furlong. Parkinson placed first in the discus and Sloan won the pole-vault. Augustine starred for the Joemen, winning the 1-mile and 2-mile runs.
TRACK SCHEDULE OF 1931

Captain—Jack Parkinson   Manager—Charles Chandler

Saturday, April 11—St. Joseph's, Swarthmore, Delaware
Triangular Meet at Swarthmore

Saturday, April 18—Drexel At Newark

Friday and Saturday, April 24-25—Penn Relays

Tuesday, April 28—Haverford At Haverford

Saturday, May 2—Interscholastic Meet At Newark

Saturday, May 9—Susquehanna At Newark

Saturday, May 16—Catholic University At Washington

Friday and Saturday, May 22-23—Middle Atlantic States Meet At Haverford
BASEBALL
BASEBALL SEASON OF 1930

Captain—RALPH SNOWBERGER  Manager—J. WILKINS COOCH

DREXEL—6  DELAWARE—8

University of Delaware's baseball team won the opening game of the season from Drexel, 8 to 6. It was a hard battle through the nine innings with Delaware having a little better attack than their opponents.

CATHOLIC U.—11  DELAWARE—9

In a ragged game on the part of Delaware, and marked by a splendid up-hill fight on the part of Catholic U, the latter defeated the Blue and Gold. The game was marked with many hits and errors on both sides.

HAMPDEN-SIDNEY—6  DELAWARE—7

In the first game of the southern trip, Delaware romped through to victory, but it took ten innings to assure their success. In spite of the fact that the Blue and Gold had not had any practice for ten days they showed a wonderful brand of baseball.

UNIV. OF RICHMOND—6  DELAWARE—0

The following day, Brown of Richmond completely baffled the Delaware team, holding them scoreless and letting them down with three hits. Ryan pitched a fine game for Delaware, but was unable to throw off the Southerners' attack.

WILLIAM AND MARY—7  DELAWARE—11

After nine straight victories, William and Mary was quite confident of defeating the Blue and Gold, but Delaware found their stride and defeated them by a four run margin.

VIRGINIA MEDICAL COLLEGE—2  DELAWARE—5

After a victory over the Williamsburg aggregation, the Blue Hens loafed through the V. M. C. game to win 5 to 2. Powerful hits were the order of the day. Hill, Reitzes, Snowberger, and Smith all had two-base hits, Taylor and Skura had a triple, and Reitzes smacked a home run.

QUANTICO MARINES—18  DELAWARE—8

In the final game of the southern trip the Marines were doing the hitting of the day. The Delawareans had twelve hits, but this did not match the nineteen of their hosts.

HAMPDEN-SIDNEY—2  DELAWARE—8

The baseball team tagged up its fifth win of the season when it defeated Hampden-Sidney for the second time this season. The Blue and Gold snowed the visitors under an avalanche of hits. Rube Hall completely outpitched the visitors' hurler throughout. Reitzes was the batting star of the game.

MORAVIAN—1  DELAWARE—23

Delaware completely outclassed Moravian in a free hitting contest on the part of Delaware.
Because of good timely hitting on the part of the Little Quakers, Delaware was beaten by a score of 10 to 3.

In a poorly played game Delaware gave C. C. N. Y. an easy victory. Rube Hall pitched a beautiful game but the rest of the team was in a slump and could not snap out of it in time to change the tide.

Delaware avenged an earlier defeat when they pounded out a 5 to 1 victory over Catholic U. Playing an improved brand of ball, the home team snapped out of their losing streak to cop their seventh win of the season. The Blue and Gold in winning this game displayed their best form of the season.

**BASEBALL SCHEDULE OF 1931**

*Captains—George Hall, Frank Skura*

*Manager—Logan Grier*

The Editor wishes to commend the Blue Hen Staff on their full cooperation, without which the Editor would not have been able to publish this year book. Also the Editor wishes to sincerely thank the Student Council and the Publications Committee for the assistance they gave in making this a successful “Blue Hen.”

The Editor and the Business Manager of the 1931-32 “Blue Hen” wish to acknowledge the aid received through the cooperation of the following persons: Robert J. Vance and Ruth Martin for their contribution to the artistic effects of the book, and to J. Warner Klund for his honest effort and success in securing advertisements.
The Committee on Student Publications is a University Committee. The Committee is composed of the following members appointed by President Hullihen, Professor James A. Barkley, Chairman, and Professor William L. Blair, representing Delaware College, Professor George L. Schuster, Chairman of the University Committee on Publicity, and Mr. Arthur G. Wilkinson, Business Manager for the University. The Women’s College is represented by Miss Edith A. McDougall and Miss Eleanor T. Lincoln, faculty advisor for the Press Club.

The Committee acts as advisor to the staffs of the Review, Blue Hen, Blue and Gold, and Pambo. The policy of the Committee is to allow the utmost freedom possible to the members of each staff. This makes the student body responsible for its publications. Then each publication expresses the spirit of the student body through its chosen representatives and not the spirit of the faculty through the Committee. The real burden resting on the Committee is to see that all student publications are on a sound financial basis.

The members of the Committee wish to express their thanks to the members of each staff for the hearty cooperation they have given. We especially wish to commend the splendid work done by student Caleb Boggs, President of the Student Council, students Martin Goldberg and Philip Kotlar, of the Review, students William G. Ott and Harold B. Plummer, of the Blue Hen, for the courageous and successful steps they have taken in making the future publications of Delaware College safe from financial embarrassment.
