The Hon. George S. Messersmith,
Minister of the United States of America,
VIENNA

Dear friend,

It was a great pleasure to receive your letter of the 17th inst. and to know that your trip to the States was a pleasant one.

I shall not be going to America before the end of September and we must certainly try and arrange to meet somewhere before then.

I am sending you herewith copy of a letter I wrote to Lord Swinton, Secretary of State for Air, which contains some information that will, I am sure, interest you. I also attach copy of his reply. The English are rather extraordinary people !!

I am dictating this in great haste, and shall write you again more fully when I have a little more time.

With kindest regards,

Cordially yours,

P.S.- I sent you another letter on May 26th but it probably just missed you in the States. I enclose a copy for your information.
