## PROPERTY DAMAGED BY STORM SUNDAY

Several Homes Struck By Lightning During Gale

A gale that brought with it lightning, wind, rain and some hail caused considerable damage around the Newark-Elkton area Sunday afternoon but failed to alleviate the heat wave which has persisted for the past two weeks.

Streets were flooded by the cloudburst while the accompanying lightning and wind set houses afire, lifted roofs from buildings, and tore large limbs from trees throughout this section and on the University of Delaware campus.

Lightning caving around Newark, struck four buildings and a number of trees and telegraph poles. Electric and telephone service was also disrupted in the Richardson Park, Newport, Stanton Christiana, and Ogletown sections. In some places, service was not resumed for several hours.

Considerable damage resulted when a bolt struck the chimney and roof of the home of F. G. Oswald, 722 Academy Street. A large portion of the roof was torn out but no fire resulted.

A radio set and a portion of the floor surrounding it at the home of John Lewis, 366 East Main Street, was damaged when a bolt entered the house through the radio aerial. Damage was estimated at about \$50.

Members of the Atna Home and Ladder Company and the Christiana Fire Company extinguished a fire at the home of Wilmer Hawthorne, Ogletown, after a bolt had struck the side of the house. A slight fire also occurred when lightning struck the Press of Kells building, S. College Avenue. The blaze was put out by Edwin Shakespear, a member of the local fire company.

A roof was torn from a barn on the Samuel Murray farm along the Newark-Elkton road, two miles southwest of Newark, and set down on the highway, more than 25 feet away.

Five telephone poles were torn down, two trees uprooted, and windows and doors torn from the home of Raymond Cochran along the Harmony Road, near the Capitol Trail.

Lightning also struck the new home of Mr. and Mrs. Almer A. Reiff on Townsend Road, destroying the chimney. Damage was slight.

Newark streets were flooded with between two and three inches of water as sewers became clogged with debris. White Clay Creek, which drains most of the Newark section, was unusually low from the prolonged dry spell and because of that did not rise enough to overflow its banks.

A number of other roads in the Newark, Elkton, Newport, and Richardson Park sections were reported covered with several inches of water.

"Why It Pays Farmers To Cooperate" will be discussed by Dr. T. K. Wolfe, director of distribution for Southern States Cooperative. M. D. Crowl will give the annual report for Southern States Newark Service.

## BARGAINS GALORE AWAIT SHOPPERS

More Than Thirty Stores Participate In Event

The stores are ready, all merchandise has been reduced and plainly marked with price tags. Mayor Collins has issued a proclamation designating Friday and Saturday as Visitors Days in Newark's greatest celebration of Dollar Days since the events were first inaugurated here.

Sponsored again by the Newark Chamber of Commerce, this year's Dollar Days promise to exceed all other similar occasions ever staged in Newark. More than thirty local stores and merchants are participating in offering the most attractive array of bargains ever made available to the shopping public of this area.

Hundreds of huge placards announcing the event have been posted in town and outlying rural sections. Thousands of eight-page circulars announcing the many values available have been distributed throughout the entire countryside. The Dollar Days committee consisting of M. Pilnick, chairman, George F. Jackson, Herman Handloff and George W. Rhodes have put forth every effort to make Newark's Annual Dollar Days and event long to be remembered.

Tomorrow and Saturday your dollars will do double duty at every store displaying the Dollar Days placard. Many truly great values are offered, merchandise has been drastically reduced and thrifty shoppers are urged to do their shopping early in order to avail themselves of the most complete selection possible as the hundreds of visitors expected in town will quickly diminish supplies in most instances.

Read the following pages of this newspaper which are literally crammed with Dollar Days advertisements. Patronize the merchants who have cooperated to make this event possible.

## SATURDAY IS DAY TO REGISTER

Second In Series Of Five Dates

With the first registration day the lightest in recent years due to the excessive heat, a large number of citizens are expected to register on Saturday. Only 772 voters, including 479 men and 293 women were recorded in White Clay Creek Hundred, Representative District No. 9, on July 20.

A total of 23,544 voters was recorded in Wilmington and New Castle County for the day.

Saturday will be the second of five days when citizens who expect to go to the polls in November must register in order to be eligible to cast their votes in the national election. Registration must be made on August 3 or August 8 for the delegate election and county primary. Therefore, two other registration days remain, falling on September 21 and October 19.

Polling places for White Clay Creek Hundred, Representative District No. 9, are as follows:

District 1—Deer Park Hotel; District 2—Washington House; District 3—Christiana Fire House; District 4—Girl Scout House, Academy Street; District 5—Henry F. Mole's Garage, 57 Elkton Avenue.

## DOLLAR DAYS

Newark residents will feast at the table of annual Dollar Days values again on Friday and Saturday with nearly forty local stores and merchants taking part to make the event another outstanding affair.

Sponsored annually by the Chamber of Commerce, Dollar Days are the one bright spot in the usual mid-summer slump that follows the closing of summer school and things settle into a hum-drum condition for about five weeks.

Many are the savings that will be effected by those thrifty shoppers who carefully peruse the numerous advertisements in this week's newspaper then follow their noses to the store which has caught their fancy with its Dollar Days offerings.

Representing the town administration and in full cooperation with local merchants, Mayor Collins, last week issued a proclamation designating Dollar Days as Visitors Days in Newark. Hundreds of out-of-town residents will, undoubtedly, visit our town on these two days to share in the season's most sensational sales event. It is timely that they be urged to observe our parking and traffic regulations in an effort to alleviate to the greatest extent traffic congestion.

Dollar Days are shoppers days—the town is yours. The merchants wares will be thrown on the counters at prices well below their ordinary value. We sincerely hope that the 1940 Dollar Days reflect to the advantage of all concerned.

The Newark Post carries, in this issue, the largest Dollar Days edition ever printed. Eight full pages, crammed and jammed with goodwill, Dollar Days messages. We urge you to read them and profit by them. We are grateful to the many merchants for their participation and support—we hope these Dollar Days justify their faith.

## CLASS ON WEEK'S VACATION

Sunday School  
Class At  
Oak Orchard

By Mrs. G. T. Kane

Brook-Ex. July 31—Miss Christine Brown took members of her Sunday School class of the Presbyterian Church on a week's outing to Oak Orchard, on the Indian River. The group left Saturday. The girls will have a cottage at the beach and will be chaperoned by Mrs. William R. McKenna and Mrs. Crawford Brown.

Street repairs in this section have been completed by George and Lynch, contractors of Wilmington and Dover. The work was under the supervision of the street committee headed by Commissioner William A. Dryden and cost the town of \$2,500.

Two town streets were not repaired, but were sited and graded to smooth out the surface and settle the dust. These streets, Cleveland Avenue and Wilmington Avenue, are possible routes over which the next section of the new dual highway between Wilmington and Newark may be constructed, and for this reason the commissioners omitted repairing them.

Mrs. Albert C. Thompson, and her infant son, Eric Dryden, have returned home from the Dr. Gross Private Hospital, Wilmington.

Mrs. Thompson is the former Miss Louise Dryden, daughter of Mr. and Mrs. William A. Dryden. The child is the Thompson's second.

Plans for a week-end outing at Atlantic City on August 17 and 18 were made by the members of the J.J.J. Club at a meeting recently at the home of Miss Marion Shortess, Hawthorne Avenue. Miss Margaret Bullock, president, was in charge of the meeting. Miss Dorothy McKeever will be hostess at the gathering on Tuesday evening, August 13.

Mr. and Mrs. Charles W. Kane and son, Dickey, were Sunday callers with Mrs. Katie Kane, of Summit Bridge.

Miss Ruth Brundisburger, of Talleyville, spent the week-end with Misses Nancy and Marjorie Kane.

Mr. and Mrs. George T. Kane entertained on Sunday evening Mr. J. Ollie Clark of Newark, Mr. and Mrs. Walter H. Clark also of Newark, Mr. and Mrs. O. Rodney Clark of New Road Reside, Mr. and Mrs. Charles W. Kane and son Dickey, and Mrs. Robert W. Dress of Tamaqua, Pa.

Mr. and Mrs. O. Rodney Clark entertained over the week and Mrs. Robert W. Dress of Tamaqua, Pa.

Mr. and Mrs. George T. Kane and sons Roland and Donald were Saturday evening guests of Mr. and Mrs. Harry Clark, Newark.

## MERIT EXAMS

The State Board of Charities, the Mothers' Pension Commission and the Old Age Welfare Commission will shortly select their entire personnel from the lists of those who qualify by means of merit examination. The Unemployment Compensation Commission adopted this plan two years ago and will participate in these examinations only for the positions of appeals referee, telephone operator, and stenographer.

Letters of inquiry about these examinations have come from all parts of the state and surrounding areas, and Charles W. Bush, supervisor of examinations, is preparing to send out the requested information. Specifications for each position, including the minimum qualifications, have been prepared and are being sent to applicants by the supervisor. All who wish such information may obtain it by addressing him at P. O. Box 1911, Wilmington, if they will specify what type of position or positions they are interested in.

Applicants must be citizens of the United States but are not required to be residents of the State of Delaware except for positions with the Unemployment Compensation Commission.

Later in the fall the State Board of Health will also select its staff from lists of qualified applicants, but these examinations will not be conducted at the present time.

The present series of examinations includes, in addition to positions named above, with the Unemployment Compensation Commission, supervisors, case workers, field workers, and stenographers and typists.

## HOT TIPS FOR WORLD'S FAIR TRIPS

BY CHOLLY LASHER

SET OUT to learn why so many folks are saying, "Hotel Pennsylvania is the place in New York for World's Fair visitors." Here's the glad news...

This great 2200-room hotel is tops in location. A passageway to Pennsylvania Station saves taxi fares and confusion. And special electric trains zip you to the Fair in 10 minutes for 10 cents. Broadway's one block away!

Next, I learned that you folks get a single room with private bath for \$3.50. Take your wife and it's only \$5.00. Bring the children, and you get a "family" room at surprisingly low rates. Better yet, on the \$10.00 week-end

Plan, both you and the Mrs. get a double room with bath for two full days and a night... plus a wonderful dinner at either the gay Pennsylvania Roof (Famous orchestras play for dancing!) or right at the Fair in the enchanting Roman House Restaurant... plus a fine breakfast in the Hotel... plus admissions to the Fair and to one principal attraction—all for a ten dollar bill. Include the youngsters for only \$3.00 each. If you must go alone, it's only \$6.00, single.

By auto, the Hotel's a cinch to reach. Special garage rates, too! For reservations, write or wire the Hotel. Or just "drop in."

## CLEVELAND SLUGGERS CHALLENGE LEADERS

### Move To Front In Playground Third Round Diamond Race

The Cleveland Sluggers, victorious in the first two rounds, displayed unexpected power this week and moved into a first-place deadlock with Southside in the third round of the Playground Baseball League.

Finally coming to life after being pushed around by their rivals, the Sluggers downed Cen-Choc in a 12-11 slugfest and then trounced Lumbrook, favored to cop the third round, by a 9-5 count.

Southside, winner of the second round, continued its stretch of conquests by nosing out a 6-5 over Toe-Nail Alley, winner of the first round, and then added its second triumph by pouncing Cen-Choc into submission, 16-4.

Martin's Cue Stars, winner of only one game in five starts, dropped out of the softball loop as the first three teams continued a nip-and-tuck race. Still leading the circuit, Southside has registered four victories against two defeats while Continental and Playground are deadlocked for second honors with four wins in seven starts.

Southside will meet Continental Friday night at six o'clock for the privilege of playing the Playground team for the championship, William K. Gillespie, director of the loop, announced yesterday.

The title tilt will be staged next Tuesday at six o'clock, while on Wednesday, an all-star playground team, picked from the top three contingents, will meet Delaware Rayon in a feature attraction. The all-star tilt will get underway at 6:30.

John E. Rothrock, Jr., who has lost only one game in 80 starts, continues to pace the Playground Ping Pong competition with Ken Barnes, winner of 63 games in 70 starts in second place.

## LIGHT IN POLE POST FOR RACE SUNDAY

### 200-Mile Stock Car Event To Be Staged At Langhorne

Now that Mark Light, 1939 national stock car king, has secured the pole position as a result of last Sunday's qualifying heats, it remains only for the choosing of the second 18 for the outside row before the 200-mile second annual AAA stock car championship race is run off at Langhorne Speedway next Sunday, the remainder of the 36 starting posts to be filled Saturday.

It was Mark Light, Walt Keiper, Henry Banks, Ted Nyquist, Ebby Eber-sole, Bob Irwin, Jeff Frame, Otis Stine, Hal Brokhoff, Mace McCarthy, Gus Zarka, Bill Strauss, Frankie Bailey, Jim Stonebraker, Ellie Montgomery, Tillman Huskey, Jack McCaskill and Irvin Blatt who were the July 28 winners that will make up the inside or pole row for the double-century.

Every heat winner last Sunday with the exception of two rode Buicks, Light, Brokhoff and Bailey, while Eber-sole was mounted in a Ford and McCaskill piloted a Pontiac as the Sunday qualifications show a widely representative field of automobile brands. More various makes were listed this year than in 1939, with only three American makes absent from the ranks.

American Automobile Association officials have ruled to allow another chance to those drivers who failed to secure a place in the August 4 lineup, the second opportunity for non-qualifiers coming next Saturday when entrants outside the 400-mile zone of Langhorne Speedway will try-out for the outside 18 starting positions of the 200-mile grind.

Although many of the professional racing greats are listed for Saturday, it is highly probable that there may be re-entries of scenes on July 28 when gentlemen jockeys managed to outdrive the professionals, as did Eber-sole, Irwin and Frame when they showed the way for Stine in the second heat.

Next Saturday's qualifiers will include Everett Saylor, Bert Ross, Ted Horn, Joie Chitwood, Manuel Cooper, Dan Goss, Tommy Elmore, Dee Toran, Red Redmond, Bob Baker, Ray Hall, Bill France, Joe Littlejohn, Bob Sall, Hugh Davis and others in addition to the July 28 non-qualifiers.

The 200-mile tilt grind on Sunday will begin at 2:30 p.m., eastern daylight time at the world's fastest mile speedway.

## LOCALS STILL IN TOP SPOT

### Continue To Pace Junior County Loop

Drawing a 9-0 forfeit victory from the local legion entry on Monday, Newark continued to set the pace in the Junior New Castle County League with a record of five victories against no defeats.

After failing to play on Monday, the second local team came back on Wednesday to play the fifth-place Newport outfit to an 8-8 deadlock. Bear, victorious over Newport in a 6-3 tilt on Monday, added their fourth win by downing New Castle, 9-2, on Wednesday to hold the second spot while Rosehill absorbed a 10-4 trouncing at the hands of New Castle on Monday to stay in third with a mark of three victories against two defeats.

Results Monday

## FAMILY REUNION PLANNED

### Woodward Meeting On August 17

By Mrs. G. T. Kane

Marshallton, July 31—The biennial reunion of descendants of Joseph and Mary Blair Woodward is planned for August 17 at Lenape Park. The date was set at a recent meeting of the executive committee. A basket lunch will be served at noon and there will be a program of sports. Irwin Peoples, of Kennett Square, Pa., is president of the association, and Mrs. Estella Blair Gass, secretary.

Trustees of Ebenezer Church have granted the pastor, the Rev. L. V. Pratt, a three weeks vacation beginning August 5. Mr. and Mrs. Pratt are planning a trip to the Pacific Coast.

Following an illness of about five weeks, William Lord, 73 of here, former state senator and state representative, died last week in the Wilmington General Hospital, where he had been a patient since June 21. Death was due to a stroke of paralysis.

Mr. Lord had been a resident here for 36 years. He was born in Birmingham, England and came to this country in 1890, at the time of his death he was a member of the board of trustees of St. Barnabas Church and Marshallton School Board.

He was a member of Armstrong Lodge No. 26, A. F. and A. M. and of Diamond Lodge No. 16, Knights of Pythias, he also was an honorary member of the Cranston Heights Fire Company.

Surviving him are a daughter, Mrs. Katie Stanley, of Milford Cross Roads; a son Frederick Lord of Marshallton, three grandchildren and one great grandson. His wife, Mrs. Annie Lord died nine years ago.

Funeral services were held from Jones Funeral Home, Newark. Interment in St. James' Cemetery at Stanton.

Residents of Highland Avenue Prospect Avenue and other sections here, where many new homes have been erected in the last few months, are petitioning the Marshallton Post Office for delivery of mail by carrier. Approximately 20 new families have moved into the section this year and a number of additional homes are nearly ready for occupancy.

A traffic signal light is to be installed at the Prices Corner intersection of the Capitol Trail and Ferris Road shortly. Workmen last week installed rubber sections through which switches are thrown for through traffic.

## LINKS TOURNAMENT

Intense heat retarded progress of the President's Cup tournament at the Newark Country Club with two of eight second-round matches still to be completed. B. F. (Sank) Richards (2) led the way into the quarter-final round of the handicap competition by defeating Bob Stewart, Jr., (5) by a 4 and 3 count.

Results of other matches played were as follows:

H. M. McCauley (8) defeated R. Y. Taggart (12), 4 and 2; P. DiSabatino (9) defeated Wallace Williams (10), 3 and 2; G. DiSabatino (17) defeated Dr. Louis A. Stearns (14), 2 up; Bob Thoroughgood (9) defeated Jack Sinclair (8), 2 and 1; Mike Fidance (13) defeated Harry B. Williamson, Jr. (9), 2 and 1.

Other second-round matches to be played are: J. E. Dougherty (7) vs. Clarence H. Hopkins (16) and Wayne C. Brewer (11) vs. T. S. Beck (11).

## LEGION WINS, 9-2

### Locals Take Series From Wilmington

The closely-contested legion championship of the northern half was finally taken by representatives of the J. Allison O'Daniel Post last night when they turned back the Delaware Post No. 1 contingent by a 9-2 count.

Deadlocked at three games each, the two teams played to an 8-8 deadlock in the rubber game but had little trouble in touching Ernie Garyantes, who was on the mound for the Wilmingtonians last night.

Led by Henry Brooks, who batted in five runs with three hits, Newark countered two runs in the sixth inning, five in the sixth, and two more in the seventh while Wilmington scored once in the second and again in the seventh.

Charlie Weldin and Al Thorpe worked on the mound for the locals and kept enemy bats silenced throughout the contest. Newark will open the state championship series at Milford on Saturday at three o'clock.
