

French Mademoiselle Reports On Newark Goodwill Travelers

Founder Of Twin-City Program With La Garde-Freinet
In Newark, Mrs. Cyrus L. Day Receives Report On Six
Local Youngsters Visiting France In Goodwill Plan

Mademoiselle Josette Infernet — chairman of the La Garde-Freinet Twin City Committee in France—reports in a letter of June 29 to Mrs. Cyrus L. Day, former chairman of Newark's Twin City steering committee, that Newark's six visiting youngsters are ably following the example of their predecessors as goodwill ambassadors.

"Dear Friend," Mlle. Infernet writes in French. And Camilla Day provided translation.

"The group is very sympathetic and intelligent. Our friends speak French very well, and the young Americans were very happy.

"Today we are going to the beach, and then to St. Tropez to see the boats. They love our French cooking, but they eat very little.

"On Thursday we are going to have a picnic at the Gorge de Ver-

dun.

"I believe that their visit here will be very successful. They are very well brought up, and we like them very much already.

"I hope to write you again soon, and I thank you for your gift and your card which Ann Haney brought me.

"Ann is very attractive, and my parents are happy to have a second daughter."

"Affectionately, Josette Infernet."

The six local delegates who left here June 18, to spend the summer with French families in Newark's twin-city of La Garde-Freinet, are Tom Borchardt, Ann Haney, Mary Ann Keese, Ann McIntosh, Dick Mendenhall, and Carolyn Thomas.

Since establishment of Newark's Twin-City program by Mrs. Day some five years ago, two delegations of La Garde-Freinet youngsters have spent summers with families in Newark, and three local youth groups have traveled to France as summertime guests of La Garde-Freinet families.

Mrs. Margaret Day Broussard, daughter of Mr. and Mrs. Day, provided the Newark delegations as a special gift of Alfred Max, mayor of La Garde-Freinet, who received an honorary degree from the University of Delaware where he was an exchange student in 1933.

Mademoiselle Infernet was among the French visitors in Newark several summers ago.

Mrs. Day and Mrs. Edmund M. Lacey attended the National Twin-City Conference in Washington last week at which Mrs. Lyndon B. Johnson greeted the group, and Secretary of State Dean Rusk spoke before representatives of this international goodwill program.

As a founder of the Newark program, Mrs. Day addressed the conference on "Our Best Project and How We Carried It Out," and Mrs. Lacey discussed details of the Newark-La Garde student exchange program.

Ass't Postmaster
Corbit Crompton
Dies In Hospital

Corbit C. Crompton, 59, assistant postmaster of Newark for the past 30 years, died Tuesday in Delaware Hospital after a long illness.

Born in Newark, Mr. Crompton was a Newark High School graduate and as a star football athlete, was a star football player.

Since his marriage in 1944 to the former Madeline Manlove, a teacher at Middletown School, Mr. and Mrs. Crompton lived at 103 South Broad Street, Middletown.

Mr. Crompton had been associated with the U. S. Post Office in Newark for 41 years.

An Army veteran of World War II, he was a life member of the Acta Hove Hook and Ladder Co. of Newark, and was a member of the National Association of Postal Supervisors.

In addition to his widow, he is survived by three sons, Pierre K. of Chester Heights, Pa., a vice-president of the Bank of Delaware, and Leroy Crompton of Newark.

Services will be conducted at 2 p.m. Friday from the Robert T. Jones & Son Funeral Home in Newark, where friends may call this evening after 7.

Interment will be in Graceland Memorial Park.

Kenneth Klimek Selected
For Summer Institute

Kenneth E. Klimek, Christiana High School teacher and wrestling coach, has been chosen to attend a summer institute in mathematics at the State University of New York in Buffalo, June 29 to Aug. 7.

Sponsored by the National Science Foundation, each of the 52 participants from throughout the United States, receives a stipend of \$450; travel allowance; and \$15 per week per dependent to a maximum of four, while attending the program.

Klimek resides at 7 Carvel Avenue in New Castle.

Emil Fedorka, Jr., Wins
Promotion In Air Force

Emil Fedorka, Jr., son of Mr. and Mrs. Fedorka of 81 Augusta Drive, Chestnut Hill Estates, Newark, has been promoted to airman first class in the U. S. Air Force at Schilling AFB, Kan.

Airman Fedorka is a jet aircraft mechanic in a unit that supports the Strategic Air Command's mission of keeping the nation's intercontinental missiles and jet bombers on constant alert.

The airman is a graduate of Newark High School.

Richard B. Herr Heads New Chair For UD Astronomy

Classroom Instruction,
Research To Be Resumed
With Mt. Cuba Facilities

Classroom instruction and research in astronomy and astrophysics will be resumed at the University of Delaware this fall after a lapse of several years.

Dr. Richard B. Herr, assistant professor of astronomy, has been appointed to the faculty of the school of arts and science and will be the first professor to hold the Annie Jump Cannon chair of astronomy.

Establishment of the endowed chair was announced earlier this year by the university and the Mt. Cuba Astronomical Observatory, Inc., which is supporting part of the astronomy program.

A graduate of Franklin and Marshall College, Herr received his master's degree in physics at the University of Delaware and his doctorate in astronomy at Case Institute of Technology. He held graduate assistantships at each of these institutions.

Born in Philadelphia, he has traveled in Holland, Belgium, France, Switzerland, Italy, Austria, Germany, Denmark, and England.

His publications include "Pre-outburst Spectrum of Nova Herculis 1963," as co-author.

Delaware students enrolling in astronomy courses will have full use of the Mt. Cuba Observatory at Greenville where a telescope, smaller instruments, cameras and precision astrolabes are in use. The university also will extend use of the building to qualified area scientists and provide programs of interest in astronomy through public lectures, research, tours and other means.

Annie Jump Cannon, whom the endowed chair honors, was born in Dover in 1863 and won international fame at Harvard where she catalogued more than 400,000 stellar bodies.

She was the first woman elected to honorary membership in the Royal Astronomical Society of Great Britain and the first woman to receive an honorary degree from Oxford.

In 1923, she was named one of the 12 greatest living women by the National League of Women Voters. She died in 1941.

Other officers are Richard Higgins, Carroll W. Mumford, Jr., and Richard N. Loftman, vice-presidents; Arthur E. Tomhave, secretary-treasurer; and John L. Lintan, treasurer.

Directors are Harry Bollinger, Robert McAlpine, Taggart Evans and Ely Gonic.

The Newark Lions' annual certificate of appreciation for outstanding contribution to the interest of club members was presented to Taggart Evans by John Murray, outgoing president.

Weekly meetings of the club have been discontinued until September.

11th Cecil County Fair
To Be Held July 22-25

The 11th Cecil County Fair will be presented July 22-25, at Fair Hill near Newark on Route 273, with exhibits of foods, plants, and livestock, and demonstrations by 4-H clubs and homemakers.

Carnival rides will be offered, and circus acts will include a singing, dancing, artists, band, dancers, and singers.

Donations will be accepted at the gate, and gate prizes will be awarded.

Mrs. Grove Miller of North East, Md., is publicity chairman.

"Delaware Scene"
Contest In Poetry
Offered To Public

The third annual "Delaware Scene" contest has been announced by the Wilmington Poetry Society and Delaware Writers, Inc.

The contest is open to anyone in Delaware, and the \$10 prize will be awarded at the ninth annual Poetry Day dinner next Oct. 15.

No more than three poems of 20 lines or less are to be submitted anonymously. The name of a contestant should be enclosed in a sealed envelope. Typewritten copies are preferred. No copies will be returned unless a stamped envelope is enclosed.

Closing date for receipt of manuscripts is July 25.

All copies should be sent to Edwin Sawdon, contest chairman, at P.O. Box 1005, Wilmington.

Five Newark Cadets, Four CAP Seniors
Attend Summer Camp At Dover Air Base

Five cadets and four senior members of the Newark Cadet Squadron, Civil Air Patrol, returned recently from an eight-day summer encampment at Dover Air Force Base, where they toured various base facilities; watched a fire demonstration; received briefings on the Strategic Air Command and air-craft recognition. One afternoon was devoted to water training in wet ditching and water survival at the airbase pool.

Highlight of the week was a bus trip to the Philadelphia Naval Yard where the cadets toured a battleship and a submarine.

On June 29, parents and friends watched 93 cadets pass in review before receiving encampment ribbons.

Newark Cadet Commander Lois Clark was awarded a plaque and

Edith DeLong Leaves As IFYE Delegate For 6-Month Visit With Ceylon Families

Daughter of Mr. and Mrs. William B. DeLong, 56 Sunset Road, Newark, Edith DeLong left June 27 for a six-month visit to Ceylon as a representative of the International Farm Youth Exchange.

Miss DeLong is one of 30 young men and women from the United States who left to visit 15 different countries as IFYE delegates. Delegates will live with rural families in their host countries, spending two or three weeks with each family.

A 4-H Club exchange program, IFYE is designed to promote better understanding among countries. The program is conducted by the National 4-H Club Foundation in cooperation of the Cooperative Extension Service and state land-grant colleges and universities, of which the University of Delaware is one.

Miss DeLong was a 4-H Club member for six years in Delaware and was a delegate to National 4-H Club Congress in 1958.

A biological technician in virus research, she is a graduate of Mount Union College, Alliance, Ohio.

Before leaving for Ceylon, Miss DeLong and other delegates took part in a training session to learn more about the countries they are visiting — and to learn more about the United States, as well — in order to answer questions about this country accurately and completely.

Ceylon, an island country off the southern tip of India, is an agricultural nation now beginning to attract industry. Miss DeLong learned, however, its agricultural practices remain primitive, and the average yearly income is \$122. It is densely populated, and its people comprise three ethnic groups following three different religions and speaking three different languages.

More than 2,500 young people have participated in the IFYE program in the 17 years since it was started.

The program is privately financed in the United States by 4-H clubs, businesses, industries, foundations and individuals.

In other countries, it is usually administered and financed by ministries of agriculture and 4-H and similar organizations.

Last summer, an Irish IFYE delegate spent several weeks visiting families in Delaware.

Collector Of Toys,
Antiques Authority
John Ernest Dies

John R. Ernest, 73, of 45 West Park Place, Newark, died last Thursday night in Union Hospital, Elkton, Md., after a short illness.

A native of Sassafras, Md., Mr. Ernest moved to the Newark area about 38 years ago and retired from Continental Diamond Fibre in 1957. Since then he had been managing an estate near Earleville, Md.

He is survived by his wife, Mrs. Mildred Brown Ernest, two daughters, Mrs. H. W. Haigh of Wilmington and Mrs. James B. Merritt of Abingdon, Md., a brother, Douglas of Middletown, and five grandchildren.

Mr. Ernest was one of Delaware's best known antiquarians and had what is considered the state's largest collection of antique toys.

Active in historic preservation work, he spoke on these subjects before service clubs and other organizations.

A member of the board of managers of the Delaware Society, Sons of the American Revolution, and a director of the Delaware Society for the Preservation of Antiquities, he served as secretary of the Delaware Folklore Society, and had been active in work of the Fort Delaware Society and of the Historical Society of Delaware.

Services were held at St. Anne's Episcopal Church in Middletown, last Monday morning with interment in Old St. Anne's Cemetery.

In lieu of flowers, the family requests contributions to the Delaware Heart Association.

Rooms For Grad Students
Sought In Newark Area

With the largest undergraduate and graduate student enrollment in the University of Delaware history expected this September, John R. Hale, director of residence, invites Newark area residents who have rooms or apartments available for graduate students, to call him as soon as possible for listings.

A brief description of facilities, and rental price, will expedite placement of students.

Hale said rooms will be needed by incoming students about September 15.

Oil Painting By Newark's Wynn Breslin
Presented To Dr. Bush As Farewell Gift

Dr. Bush's resignation as acting mental health commissioner was effective June 30. He was honored at an informal tea attended by several hundred employees at the Nurses' Home of Delaware State Hospital.

The Breslin painting was presented by Dr. Kurt Anstreicher, clinical director.

Mrs. Breslin, wife of William Breslin, local physical education teacher, has won several prizes at regional art shows in Delaware and Pennsylvania, including a juried show of the Delaware Art Center.

Syracuse University owns two of her drawings in its permanent collection.

She is former art supervisor for elementary schools of the A. I. du Pont school district, has taught in the Medill and Central elementary schools in Newark from 1956 to 1960.

She holds a bachelor's degree in fine arts from Ohio Wesleyan University; studied at Syracuse University, Haystack Mountain School of Crafts, and has a master's degree from the University of Delaware.

Mrs. Breslin conducts private classes in her studio at the Wedge near Newark and is planning one woman shows for the fall and early winter at the Warehouse Gallery, Arden, and the Kershaw Gallery, Newark.

Hosiery Millsite Purchased By U. D. For Warehousing

University Of Delaware
Purchases Former Danita,
Avon Plant For \$270,000

The one-story building formerly owned by Danita Hosiery in Newark, has been purchased by the University of Delaware.

The purchase price of \$270,000 was announced for the building, on a 4½-acre site on South Chapel Street, near the university campus.

After minor alterations, the building will be used by the university as a maintenance and warehousing center on Aug. 1.

The 64,000-sq. ft. building is to house central stores for university supplies, including bulk food, hardware and other maintenance supplies.

Built of brick, steel and reinforced concrete floors, there is tailgate truck loading at four locations.

The building was occupied for several years under lease by Avon Products, Inc.

The sale was negotiated by Binswanger Corp. of Philadelphia for Danita and the Arnold J. Goldsborough firm of Wilmington for the university.

World Missionary
Dwight Ferguson
To Speak Sunday

Dr. Dwight H. Ferguson, world-traveling missionary, evangelist, and representative of the Men for Missions movement, will speak at the Wesleyan Methodist Church in Newark at 318 Delaware Circle this Sunday at 11 a.m. and 7:30 p.m.

After 23 years in Christian evangelism throughout North America, Dr. Ferguson visited mission areas in the Far East and India, ultimately concluding a world tour.

As this concern for other peoples gripped him, Dr. Ferguson encouraged a businessman from Lima, Ohio — R. Stanley Tann, to visit the oriental fields with him — first step toward a layman's movement known now as Men for Missions International.

Businessmen are encouraged to dedicate their vacation time to visiting a mission field, and then return home to challenge other men with the unfinished task of the church.

Dr. Ferguson has preached in major mission areas of the world, and much of his experience is focused in his missionary film "Souls in Transit."

The public is invited by Pastor J. Calvin Alt to hear Dr. Ferguson this Sunday at the Wesleyan Methodist Church.

Wins National Honor

J. Franklin S. McMullan

Certified public accountant with offices at 131 East Main Street, J. Franklin S. McMullan has been named national treasurer for Alpha Phi Omega national alumni association.

A University of Delaware graduate in the Class of 1960, McMullan received his CPA from the State of Delaware in 1962.

A member of Phi Kappa Tau social fraternity, he resides at 609 Academy Street in Newark.

Harold M. Swendsen Honored As "Brookside Of The Year"

Former President Of Brookside Activities Council,
Newark Touchdown Club, Named Winner Of 7th Annual
Award For Community Service; Lamnot Presents Plate

Harold M. Swendsen was selected for the 7th annual Brookside of the Year Award at the recent Brookside Activities Council summer festival conducted in Newark's neighboring community, Delaware Lieut. Gov. Eugene Lamnot made the presentation to the award-winner selected by the BAC president and two previous recipients of the annual award for distinguished community service.

Other winners of the Brookside of the Year Award are David C. Fariss, Domenick Cannatelli, Mrs. Charlotte McGuire, Mrs. Ruth Duesman, Harry E. Kaley, Jr., and John H. Dunn.

As Brookside of the Year, "Swede" Swendsen received an engraved silver platter from the lieutenant-governor.

A native of Narrowsburg, N. Y., Swendsen graduated from the Narrowsburg High School where he was a football star; served six years in the U. S. Army, including European duty; and came to Newark with employment at the Chrysler Parts Plant.

Resigning at Chrysler, he has been employed with the Newark Lumber Company for the past 11 years.

Past president of the Newark Touchdown Club and the Brookside Activities Council, Swendsen was a vice-president of the YMCA Industrial Management Club, and is a member of Hiram Lodge 25, AF&AM.

Married to the former Miss Alma Ryan of Wilmington, he resides with his wife and 10-year-old daughter Patty at 58 Mercer Drive in Brookside.

John M. Morris
Succeeds Garvick
In UD Sport Post

John M. Morris, golf writer for the Baltimore Evening Sun, has been appointed sports information director at the University of Delaware. He will assume his new position on July 27.

A graduate of Penn State, Morris was sports editor of the daily student newspaper there and also assisted Director James Tarman in publicizing the Nittany Lions during the football season.

During the summers of 1961 and 1962 he worked on the sports staff of the Atlanta Journal Constitution under the direction of veteran sports editor Furman Bisher, past president of the National Sports Writers Association.

Prior to joining the Sun sports department, he was news editor of the Centre Daily Times, State College, Pa.

Morris succeeds John D. Garvick, who expects to enroll at the University of Delaware for graduate study after a five-week European tour.

Gold End To Make
Second Appearance
In All-Star Game

Dick Stoutland may be the first player ever to make two appearances in the Delaware All-Star High School Football Game series.

The Dickinson High guard of last year has been picked to play for the Golds against the Blues on Saturday, Aug. 22, at Delaware Stadium in the game that annually benefits the Delaware Foundation for Retarded Children.

Stoutland also was on the field in the 1962 game — but as a musician. He was with the Dickinson High School band that played between halves.

Stoutland, 5-11 and 190 pounds, is the son of Mr. and Mrs. Elmer Stoutland, 4003 Limestone Road. He plans to enter Juniata College in the fall.

Four Conrad High athletes also will represent the Conrad School District with the Golds. They are Halfack, Ernie Anderson, Quarterback Harry Crum, and Ends Bill Beatty and Warren Adkins.

Anderson, son of Mr. and Mrs. Holstein Anderson, was an outstanding halfback for the Redskins for three years, scoring 25 touchdowns and 133 points.

His sophomore feats included scoring the winning touchdown against Newark. A third-team All-Stater, he will enter Delaware State.

Crystal was Conrad's passing ace, and co-captained the team with Adkins. He is the son of Mr. and Mrs. Harry F. Crystal, and plans to enter Delaware. He was an All-Conference choice of coaches.

Beatty will be the tallest Gold at 6-5 and 183 pounds. President of the senior class, he was a class officer since his sophomore year, and is the son of Mr. and Mrs. Howard Beatty.

Adkins, senior class treasurer, will major in engineering in Delaware. The 175 pounder at 6-1 is the son of Mr. and Mrs. Charles W. Adkins, and was an All-Blue Hen Conference end.

BLUE HEN "COUSINS"

Delaware's best series records in football have been chalked up against New Hampshire and Temple. The Blue Hens have won seven of eight games played with New Hampshire, and stand 12-2 against Temple.

The bell on old Harmony School on Limestone Road, rang Saturday when it joined with others in the state to salute Independence Day. This school was closed in 1955 and is now the residence of Mr. and Mrs. Edward Holler. Nearby residents gathered at the Holler home and listened to the chiming of the bell, placed in the building in 1907. The school was built in 1845.

Those who joined in ringing the bell were former students Mrs. Emma W. Pennington, 94 years old; Edward Naudain, Warner Naudain, Mrs. Sara P. Evans, and Raymond Naudain. Lynn Naudain, 12, also assisted.

Brandywine Launches 60-Night Meeting With Harness Racing Through Sept. 12

They're underway at Brandywine Raceway! The Delaware Valley harness track opened its gates last Monday night for the 12th straight year, and they'll remain open straight through July, August and part of September. The meet — 60 nights in all — runs thru the Labor Day holiday to Saturday, Sept. 12.

There's a new wrinkle in the programming this season. Racing Secretary James M. Lynch, who arranges nightly trot and pace formats, said he is aiming to stage the weekly maximum allowed number of invitational races, a move which would insure Brandywine fans showcase action virtually every night.

Ten events of the invitational variety are allowed each week, and purses range from \$3,500 to \$10,000. The inaugural on opening night was a \$5,000 invitational pace.

Brandywine's early-closing stakes program, worth an estimated \$170,000, will open with the \$20,000 (est.) Martha Washington Trot for three-year-old fillies on Monday, July 20. This classic, like practically every one on the agenda, has a record number of nominees to seek gold and glory.

Curtis Clinches Babe Ruth League First Place Spot

Curtis Paper Company clinched first place in the Newark Babe Ruth League season with a dramatic come-from-behind 11-10 win over Newark Lumber last week.

The win, clinched by Jeff Fisher's run-producing single with the bases loaded, removed any possibility of any other teams catching the league leaders.

Glenn Boyer of Curtis, and Roger Hunt of Lumber both hit homers. Curtis defeated Bank of Delaware 6-4 the next evening as Mark Brown struck out 12 Banners while allowing five hits, one a homer by Bob Ewing.

In other games last week, the Bank of Delaware turned back Budd 9-4 in a game featuring home runs by Bankers Bob Ewing and John Bonner. On Tuesday night, Optimists and VFW met and even though Larry Wingard of VFW hit a home run and a triple in a losing cause, the Optimists won 8-5.

Last Friday night, Newark Lumber downed the VFW 9-1 behind four-hit pitching of Frank Basta and a home run by Tim Herman. In the two games played Saturday, Budd defeated the Optimists 19-5, and Newark Lumber turned back Bank of Delaware 13-5 as Rich Kutner hit a home run while pitching his team to victory.

Standings as of July 4:

| Team | W | L | Avg. |
|------------------|----|---|------|
| Curtis | 11 | 2 | .846 |
| Budd | 7 | 6 | .538 |
| VFW | 6 | 8 | .462 |
| Newark Lumber | 6 | 8 | .429 |
| Optimists | 5 | 9 | .385 |
| Bank of Delaware | 5 | 9 | .357 |

tom fishing fleet some 10-miles offshore; disturbed a great table-top size 300-lb. loggerhead turtle with a barnacle-encrusted, moss-covered carapace, that went swimming down in the starboard side of the rumbeling diesel-powered prop and then the fog lifted with alone in the bright sun shining on a blue sea extending to the horizon on all quarters.

Putting over four trolling lines with an assortment of feathers, and spoons, we trolled northeast until a flotilla of other trolling cruisers appeared over the horizon. And they weren't catching fish, either.

There was little wind, but a heavy ground swell rolled in from the southeast as we trolled on a course for the bluefish area indicated on the chart by Bill Moore.

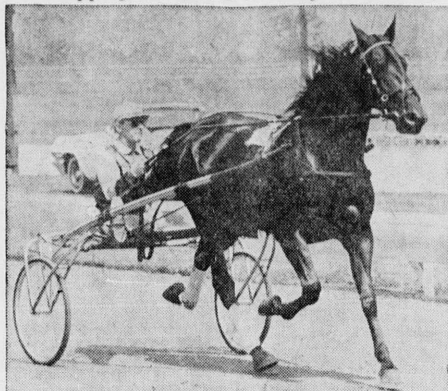

Gus Tagnon rigged a marker buoy from a boat bumper, a Calcutta pole with a white handkerchief, and several sinkers—and at long last

concerned, finally placed a marker buoy in the National League line-up—and a good thing it was, for Manager Walt Allison came through with a story-book, three-run homer with the score tied, two out, and two men on in the last of the ninth.

But it was Willie Mays who put the Nationals back in the ball game. Lead-off man in the ninth, Willie walked, stole second, and raced home on Orlando Cepeda's Texas leaguer behind first base.

Prepping For Martha Washington Purse

LIVELY RODNEY, divisional winner of last year's rich Nancy Hanks filly trot at Brandywine Raceway, will be back this summer with his sights focused on the \$20,000 (est.) Martha Washington purse. The MW—exclusively for three-year-old trotting fillies—is first stakes event on the agenda and will be trotted out on Monday, July 20. Del Cameron is in the sulky behind lively Rodney.

Harley Williams Scores 28 Goals To Lead Polo Play

Harley Williams, leading scorer at the Chester Country Club with a total of 28 goals, will team with Wilmington's Charlie Walker, Norm Taylor and Don Ross, Jr., in opposing the Brandywine polo squad at 3 p.m. this Sunday at Toughkenamon, Pa.

The Brandywine squad includes Dr. Larry Cushing, Bob Connors and Sam Dixon, with Capt. George Weymouth trailing Williams by only one goal in the tally column. Aggregate goals give the Wilmington quartet a 78-69 lead over the Brandywiners who garnered their sixth straight win last Sunday when they turned back Unionville 6-3.

Bob Connors paced the victory with four markers.

When one of the reels finally screamed to the thrust of a fish in all of that near-barren ocean, we tossed the marker over the side for future reference as Gus Tagnon battled the fish from the butt of a bucking rod. But the fish shook free, and only by dumb luck in a half-hour search were we able to find our marker again in all that ocean.

Oriented once more, we circled the area close-hauled on the buoy, and with no further action, picked up the marker before we lost it again, and reversed our course to troll shoreward and back toward the sports-fishing fleet.

An hour later, Francis Neide had a good strike—lost it—and then trolling fast—headed in—Gus hooked a good blue and reeled it almost to the boat transom where we could see the fish flashing mirrorlike in the clear, foam-laced sea—and then it shook free.

The final strike proved to be from a fresh stalk of collared greens—an unusual specimen some 20-miles offshore in the Atlantic Ocean—and this proved to be the lone catch of the day.

Back at the marina, Bill Moore reported no more fish and one less strike than we. It was one of those days.

"They were really catching rock at Rock Hall last Sunday afternoon," Charles "Bunny" Walker reported Tuesday while watching the All-Star Game with Tony Pacello.

Forced to put in at Rock Hall because of rough weather while cruising in the Chesapeake, Bunny Walker observed a few of the fisher fleet set forth Sunday morning to return with empty-handed, pale, shaken, and discouraged fishing parties—and then trying it again under more calm conditions in the late afternoon, returned laden with rockfish from two to 12-lbs.

"The rock must be running," Mr. Walker concluded. But we had moved the boat from Rock Hall to the Indian River Inlet the week before.

Don Walp's .512 Leads Babe Ruth Batting Averages

Don Walp leads the Newark Babe Ruth League hitters with an average of .512.

Other leading hitters in the Babe Ruth loop include Sylvester Tucker .486; Frank Basta .444; George Arbeiter .442; Dave Clauss .429; Bob Ewing .400; Marty Duff .378; Mark Brown .377; Bob Foraker .361; and Don Jones with .356.

Newark Lumber leads in team hitting with a .290 average, followed by Curtis with .268; Budd .263; Bank of Delaware .261; VFW .250; and the Optimists with .220.

GNRA Pony League First Half Play Standings Listed

The Greater Newark Recreation Association Pony League season is at the half-way point of season's play.

In the International League, Ted Heiken's Maple Leafs are winning with a 4-1 record, followed by the Bisons, Royals and Chiefs.

In the Major League, George Lunski's Tigers with a 6-0 record are leading, followed by the Cubs, Colts and Twins.

The Eastern "B" League finds Don Fangman's Blue Scouts ahead with a 5-1 record followed by the Blue Hens, Red Legs and Wildcats.

Fritz Zamorski and the Orioles are leading in the American League with a 5-0 mark, with the Titans, Red Sox, Indians, Angels and Yankees trailing.

In the National League, Dave Thomas' Pirates are ahead with a 5-1 log, followed by the Dodgers, Warriors and Phillies.

A real battle has been taking place in the Ivy League, and three teams share first place with 4-2 records—Colgate, Cornell, and the Giants coached by Tom McAllees, Joe Magnus and John French.

In the Eastern "A" League, James Lester's Gold Scouts are leading with a 5-1 record, followed by the Colonels, Athletics and Blue Rocks.

The Eastern "A" League produced the first no-hit game of the season, with the Blue Rocks' Alvin Lynam beating the Athletics 2-1.

The Rocks in last place, seemed a pushover for the A's in second, since they had already been beaten by the Athletics 14-8 and were winless.

The lone run dangled by the A's was scored by Danny Schwartz in the first inning as he walked, stole third and came in on an error.

Lynam struck out the next three batters, and had 16 strikeouts all told.

One of Delaware's best "pass catchers" during the undefeated 1963 season was Jack Istnick, decorated back from East Palestine, O. Istnick intercepted four aerials for 102 yards and two touchdowns—scored on romps of 65 and 27 yards. He'll be back in '64.

\$25,000 Sussex Turf Handicap Scheduled As Saturday Feature For Delaware Park

A phase of thoroughbred horse racing which has increased in popularity more and more each year in North America is that of grass competition on the flat. From the turn of the century until the early 1930's, United States tracks did not include turf courses. But during intervening years, racing strips of this kind have sprung up in many racing centers around the country. With them have come numerous new stakes events, while some formerly run on dirt tracks, have been converted to grass courses.

In the latter category is Delaware Park's \$25,000-added, mile and three-eighths Sussex Turf Handicap which will feature the Stanton track's program this Saturday with a banner field in prospect.

A good example of how grass racing on the flat has gained popularity in leaps and bounds is afforded by the schedule of major stakes in both the United States and Canada the coming weekend.

Of six headline events on the agenda, three of them will be decided on the turf. In addition to Delaware Park's Sussex, there are the Laurence Armour Stakes at Chicago's Arlington Park, and the Canadian Maturity Stakes at Woodbine Park in Ontario.

The Sussex comes up for its 27th running—the ninth on grass to which it was converted in 1956. If the star-studded list of eligibles means anything, this could be one of the most colorful and thrilling versions of the stake. Among the most notable nominees are

Jerry Basta's Florida-bred Cedar Key, currently the horse most likely to replace 1963 grass champion Mongo, as the nation's No. 1 performer on the turf with five big stakes conquests already to his credit this year; F. Eugene Dixon, Jr.'s Will I Rule; Townsend B. Martin's Sunrise County; Milton Rittenberg's Mr. Steu, and other accomplished grass-cutters.

Mr. Steu is a stablemate of Wise Ship, who captured last year's Sussex and established a course record of 2:13 4/5, only three-fifths of a second away from the American mark.

Mr. Steu's biggest triumph this season came in the Riggs Handicap on Pimlico's turf course.

No matter what your age, the years have got you down when it takes you longer to rest up than it did to get tired.

MISS JEAN PEARSON BRIDE JULY 4

Miss Jean Allen Pearson and Mr. Malcolm John Stone were married Saturday, July 4, in the First Presbyterian Church in Newark, with the Rev. Charles H. Davis officiating at the ceremony which was followed by a reception in the Green Room of the Hotel Du Pont.

The bride is the daughter of Mr. and Mrs. Cyril Pearson of Newark. Mr. Stone is the son of Earl Stone and the late Mrs. Stone.

Given in marriage by her father, the bride wore a gown of Italian silk with Italian lace trim. A matching pillbox held her veil, and she carried a bouquet of daisies, French carnations, ivy and stephanotis. Miss Penny Smith, maid of honor, wore a sheath gown of blue linen and carried a bouquet of blue carnations, yellow roses, ivy and stephanotis.

Mr. Stone was best man for his son. Ushers were Mr. Kenneth S. Stone of Hollywood, Calif., brother of the bridegroom, Mr. Harvey D. Smith of Charlotte, N. C., and Mr. Leslie W. Croft Jr. of Balboa, Canal Zone.

The bride was graduated from Cabrini College, Radnor, Pa., and is a teacher in the Canal Zone Schools Division. Mr. Stone was graduated from the U. S. Merchant Marine Academy, Kings Point, L. I., N. Y., and is associated with the Panama Canal Co.

CALADIUM COLOR

Homeowners may know the fancy-leaved caladium as the decorative indoor foliage plant, but caladiums also can add color and interest to the outdoors during summer months, says Dave Tattall, assistant agent in ornamental horticulture.

Matrimony is one profession that allows a woman to work 18 hours a day, without overtime.

KNIGHT—CRAVEN WED JULY 4

Miss Barbara Ann Knight and Lamont Wayne Craven were married Saturday afternoon, July 4, in the Red Lion Methodist Church.

The bride is the daughter of Mr. and Mrs. Leroy Charles Knight of Wrentham Hill Road, Bear. The bridegroom is the son of Mr. and Mrs. Ralph Craven of Egan, Ill.

The Rev. Irvin Pusey officiated at the ceremony and a reception was held in the community hall. Mrs. Joseph Cannon of New Castle was her sister's matron of honor.

Bridesmaids were Miss Mildred C. Knight of Bear, another sister, and Mrs. William Boyle of New Castle, cousin of the bride.

Mr. Harry I. Knight, brother of the bride was best man.

Ushers were Mr. William Boyle of New Castle and Mr. William Holcomb of Newark.

The bride attended Gunning Bedford High School and is employed by Richardson Variety Store.

The bridegroom was graduated from Nuclear Power School in Bainbridge, Md. He is a Machinist Mate 2/C in the Navy, and is stationed at Saratoga Springs, N. Y., where the couple will reside.

School Children, Senior Citizens Days To Be Featured At Delaware State Fair

Sally Starr

School children and senior citizens will have their special "days" at the Delaware State Fair to be held at Harrington, July 25 through Aug. 1.

Children's Day is traditionally on Tuesday of Fair week, and free admission of all school children makes for one of the annual event's biggest attractions. Special entertainment programs selected with the young in mind, add to the occasion.

Sally Starr, one of the all-time TV favorites, has been chosen to highlight the afternoon and evening grandstand shows on Tuesday, July 28.

There will be such added attractions as pony races, vaudeville and circus acts and a brilliant fireworks display at night. Barbara Heller, star of the Jackie Gleason TV show, also will appear at the evening performance.

Senior Citizens' Day, on which all persons over 60 are admitted free, was started two years ago and is rapidly gaining popularity. This special tribute to the area's older residents is held on Thursday of fair week. This is also Governor's Day.

Arthur Godfrey's appearance that day will be the first of two at the fair. He also will feature the grandstand show on Friday evening.

Bobby Vinton, young singing star, will headline the final grandstand show on Saturday night. Both the opening and closing Saturday afternoons will feature the big auto races, always one of the fair's biggest attractions.

Joie Chitwood's Auto Thrill Show will be presented Monday night. On Sunday there will be an antique car and quarter horse show.

How many food items can you name that haven't gone up in price over the past 20 years? Chicken is probably one of the few, says Mrs. Suzanne Tattall, New Castle County home economics extension agent, in fact, when the first commercial broilers were marketed in 1923, they sold for 62 cents a pound.

Twenty years ago, a three-pound chicken was sold with feathers, feet and all. And the purchase price did not give you any benefits for the work you still had to do when you got ready to cook it.

Today, says Mrs. Tattall, you pay for only what you cook — and your purchase is usually cut up into easy-to-handle parts. Packaging is sanitary, and you can see what you are buying.

One reason poultry is such a bargain is because of more efficient production, controlled from the day the chick is hatched.

Processing methods and transportation have seen great advances and improvements through the years. In addition, lower costs and marketing research have brought added consumer benefits.

Pecan Petal Tarts

There are two particular ways you can quickly establish a fine reputation as hostess. First, serve a really delicious potful of coffee because everyone notices your coffee right away. Then, serve a delectable dessert that shows you have culinary flair. Take, for instance, these pretty Pecan Petal Tarts. The luscious flavor of the filling blends coffee and pecans. And, because appearance is as important as flavor, the tiny tart shells are artistically formed of little "petals," easily assembled in muffin cups. The tarts are the perfect size and sweetness to complement a fragrant cup of hot coffee. But be sure your coffee does you proud. Here's a tip to remember: if possible, always serve coffee immediately after brewing. If you can't, keep it warm over low heat, but never let coffee boil.

Pecan Petal Tarts

2 pkgs. pie crust mix
1 egg
1/2 cup brown sugar
2 teaspoons instant coffee
Few grains salt

1 tablespoon melted butter or margarine
2/3 teaspoon vanilla
2/3 cup coarsely broken pecan

Prepare pie crust as directed on package, and divide in half. Roll out each half 1/4-inch thick. Cut pastry into 72 2-inch circles. Place one circle in bottom of each of 12 muffin cups. Arrange 5 overlapping circles around inside of each muffin cup pressing securely. Beat egg just enough to blend yolk and white. Combine sugar, instant coffee and salt and add gradually to egg, beating well after each addition. Add melted butter and vanilla. Sprinkle pecans evenly into muffin cups. Spoon filling over pecans, filling cups not quite to top. Bake in moderate oven, 350° F., 20 minutes or until set. Garnish with whipped cream. Makes 1 dozen.
