COLLEGE PROFESSOR ENDS LONG SERVICE

Prof. Wilkinson Will Retire At End Of Summer School

William A. Wilkinson, 71 years old, will retire at the end of the summer session of the School of Education at Delaware, after 26 years' service. Formal action on his retirement was taken by the trustees of the university at their meeting Saturday.

That Professor Wilkinson was leaving was disclosed Friday at the meeting of the State Board of Education which authorized Dr. H. V. Holloway, state superintendent of public instruction, to accept the trustees' not to weaken the teachers' training course at the university.

The state school board particularly stressed the need of replacing Professor Wilkinson with a fully qualified professor and not an assistant professor.

At head of the School of Education at the university, Professor Wilkinson was responsible for the development of the training school from which most of Delaware school teachers came.

Professor Wilkinson went to Delaware College in September, 1918, as a member of the department of education and summer school faculty.

When the Men's College and Women's College became the University of Delaware in 1921, he was made director of the School of Education.

A native of Missouri, Professor Wilkinson was graduated from the University of Missouri.

Professor Wilkinson is a member of a number of professional organizations, a former president of the University of Delaware Faculty Club, and a former president of the Delaware State Education Association. He is a member of the board of trustees and of the finance committee of the Newark Methodist Church, and is a former vice-president of the Delaware Torch Club.

Professor and Mrs. Wilkinson will continue to live at their present home at 20 Sunset Road, Newark. They have one daughter, Mrs. Margaret Heppie, a graduate of the Women's College of the university class of 1933, who lives at Malvern, L. I., and there is one grandson.

HOLLOWAY RETURNS TO DUTY

Has Completed 37 Missions Against Japs

First Lieutenant William D. Holloway, refreshed and relaxed by a stay at the 13th AAF rest camp in New Zealand, has returned to active duty with the 13th.

The rest camp provides a "pre-war" recreation for the 13th's airmen, with abundant supplies of fresh milk, steaks and other nourishing foods available day and night. Golf, tennis, swimming and dancing help to relieve combat fatigue.

Lieutenant Holloway is the pilot of a B-25 Mitchell bomber which has been in all important campaigns from Rabaul to Kavieng. He is a veteran of more than 37 missions against Japanese-held installations and shipping; his plane has dropped more than 50 tons of bombs. He has been awarded the Air Medal.

Lieutenant Holloway is the son of Mr. John Holloway of Newark. He was commissioned as second lieutenant and presented his wings from flight school in January, 1943, left for the South Pacific combat zone in July.

The young pilot attended Beacom College in Wilmington. Previously he was a salesman of Buick automobiles. He is a member of the Kiwanis.

Sun Thwarts Official Beginning of Summer

With the thermometer and atmospheric conditions sharply contradicting the calendar, summer was officially ushered in yesterday with what was supposed to be the longest day of the year.

The summer season officially began at 9:03 A. M. (E.W.T.) at which time the sun (?) was supposed to stand at the so-called summer solstice. The sun was scheduled to rise at 5:31 A. M., and set at 8:23 P. M., providing 15 hours and two minutes of sunlight but apparently the sun hadn't been advised of its scheduled appearance here for it failed to make itself visible at anytime during the historic day.

NAVY KIT BAGS MADE BY LOCAL RED CROSS

Work Rooms Open All Day On Tuesdays And Thursdays

The Newark Red Cross Production department has been very busy recently. In answer to an S.O.S. from the Delaware Chapter a large number of Navy Kit Bags has been made to help complete the quota. The bags, when finished, will be filled with a shoe-shine cloth, a pad of paper, a package of envelopes, a pencil, a pack of playing cards, a package of cigarettes, soap and soapbox, a sewing kit, a package of life savers, shoe laces, razor blades, and a small book. About the same contents were put into the Army Kit Bags which were made earlier in the year. The boys put the bags to many uses, but the prize should go to the boy who, according to reliable report, used his to bring home a baby kangaroo.

Besides the kit bags, a large quota of hospital slippers had been completed. More material to be stitched up arrives constantly and it looks like a busy summer in Newark's cool Red Cross workroom.

Since D-Day, the response to the call for volunteers to make surgical dressings has been very gratifying. A large amount of gauze is available and the rooms will continue to be open all day Tuesday and Thursday.

The local Blood Donor Chairman, Mrs. R. L. Burnett, has been given time on Monday afternoon, July 10, and arrangements will be made to take into Wilmington ten donors from the Newark area. At present the Mobile Unit visits Delaware only 3 days each month and many of these dates are signed up by large commercial organizations.

The annual meeting of the Newark Red Cross Branch will be held in the New Century Club on Thursday, June 22, at 3:30 P. M. At this time new members of the Board of Directors and officers for the coming year will be elected. All chairmen will give annual reports.

F. K. SIMONS REPORTS ON FIRST WEEK BOND SALES

Women's Groups Doing Fine Job; \$1,500 Sold At Legion Carnival

Frank K. Simons, general sales manager for the Fifth War Bond Drive has announced that sales for the first week have totaled \$71,625 and while this amount is far short of the goal set for the town, Mr. Simons feels that with the necessary effort put forth by the Zone Captains and their volunteer workers Newark will again "Go Over The Top".

Mr. Simons stated that there were a large number of Zone Captains who failed to report at the meeting of captains held at the Elliott Building on Monday night and if all the captains had made their reports it is felt that the total would have been nearly double of the reported amount.

The Women's Organizations who have been selling stamps and bonds in the lobby at the State Theatre have been doing a very nice job it was stated at the meeting and the women who had a booth at the American Legion carnival turned in sales for \$1,500 in bonds.

The next turn-in night will be on Monday evening, June 26 at which time it is expected that every zone captain will be present and give a complete report.

It is reported that the pledges turned in on Monday night far exceeded the pledges made the first week of the previous drive and with the continued good work on the part of the workers it is felt that the total at the end of the drive will be very gratifying.

The Bond Premiere held at the State Theatre last night went a long way toward placing Newark in a position to attain their goal in the present drive as some women all paid for the show which found Ginger Rogers and Ray Milland featured in the technicolor film "Lady in The Dark".

Decorated with the Purple Heart, he was returned to the states in February and has been recuperating at Moore General Hospital and Valley Forge Hospital.

Private Lipscomb was in the Salerno invasion and was wounded by a high explosive fragment. Also decorated with the Purple Heart, he is presently in the England General Hospital, Atlantic City.

The 5th War Loan NEEDS YOUR SUPPORT

WHEREVER your invasion forces are fighting—at sea, in the air, on the ground—they're working together for victory. They know that they must depend on each other, for only by coordinated teamwork will they win through to final victory in the earliest possible time.

The Fifth War Loan starts next week. It's going to take teamwork—a lot of it—to put this drive over the top. For we've got a job to do. As the tempo of invasion rises every one of us must mobilize for support of our fighting men.

In every city, town and hamlet men and women like

yourself have banded together as War Bond Volunteer Workers, giving their time to taking your subscriptions for Bonds. Support them. Give them the kind of teamwork our boys are giving to each other on the fighting fronts!

When your Volunteer Worker calls, double your War Bond subscription. It's their job to help raise \$16 billions of money for victory during this Fifth drive, \$6 billions

from individuals like yourself.

Anything appearing in this column is purely the opinion of the writer and does not express the views or policy of the paper. Any exceptions should be taken up with the writer.

Well, wonders will never cease. With all my shooting off about the UNIONS, those fellows in the local Hosiery Workers Union have invited Sureshot to be their guest at their annual picnic which will be held at Charlestown Beach, Maryland, on Saturday, June 24. In the letter of invitation to be present they say "We certainly would be delighted to have you with us on that day". Now, I wonder just what they mean. They might want to get me down there and get me in swimming and push me under the water three times and only let me come up for air twice. But no, I know those boys are just not like any other union folks. Those local fellows are fine fellows and from some of the things I know about they have done a fine job in more ways than one. Mr. Clark, as president of your organization, I want to express my sincere thanks for the invitation and you can thank all the members of your branch for Sureshot. Here's trusting you all have a good time.

A funny one came to my attention the other day. A fellow stopped me and wanted to put an ad in my column. He said that it was the only part of the paper that was read by everyone. Many thanks for those kind words.

The Continental-Diamond Softball team is in the market for competition with other teams throughout the state and county. Mr. Thornton wants any one that has a team to call 531. Extension 61 between the hours of 8 A. M. and 5 P. M. We are told that the team did not do so good the other day. The score was so bad that they did not want it in the paper. The Continental Girls have a good team we are told.

Joseph Walker and William Harrington were among those honored at the Cap and Gown exercises held in Mitchell Hall on Monday afternoon. Now don't get excited folks, Joe Walker and Bill Harrington who have been fixtures on the College staff for many years did not receive diplomas. Both of these young fellows who have been popular with the students of the college for more than 25 years were honored by having gifts of money presented to them by the student body in recognition of their long service. Joe is the fellow who tends to the college mail and Bill Harrington is the watchman at the Women's College.

The baseball team from the Mexican Village walloped the Junior Legion team 5 to 1 the other night. Wonder what kind of an alibi the young town boys will have about that.

The town water that we have to drink still tastes very bad. Why can't we have the water just as it comes from the ground without being doctored up until it is not fit to drink. If God had intended us to have some of those funny chemicals in the water He would have put them in the water in the first place. The same way with pasteurized milk. Why don't someone invent a cow with a pasteurizing machine attached.

The Newark Public will be pleased to read that Staff Sergeant Andrew Walp, Jr., is reported to have arrived safely back at his base in Italy after having been reported "Missing in Action" over Austria since May 10. His wife, the former Elda Mae Harrington has received two letters from her husband stating that he is safe and we are sure that everyone rejoices with Mrs. Walp.

"Snap" Fisher has written to the Post this week and we are glad to hear that he has been promoted to the rank of Corporal. It won't be long before "Snaps" will be the general and tell them all how to win the war. Snaps is in the water supply division and he states with the hot weather he is having quite a time to supply those G. I.'s with enough of that H2O. Fisher also stated that he is showing moving pictures to the boys out in the woods at night. Snaps says that White Moore, one of the Big-Shot pitchers from the St. Louis Cards and the Reds is in his outfit and struck out 16 men in a seven-inning game.

Buck on Senate Group To Invite Governors

Four senators who are former governors like himself were named today by Senator Reed (R-Kas) to a committee which will invite the conference of state governors to hold its annual convention in Washington next year. The four are Senators Byrd (D-Va.), Russell (D-Ga.), Brewster (R-Me.), and Buck (R-De).

Reed recently wrote the 21 former governors in the Senate proposing they join in asking the governors to meet in Washington in 1945 to discuss post-war and state legislation.

Attendance and Betting Records Set in Chicago

Attendance and betting records were set Monday when the combined Arlington and Washington Park's 70-day racing meet opened at Washington Park. A crowd of 14,000 fans watched the opening day's eight-race program and sent more than \$824,000 through the mutual windows, compared with the 9,120 fans who visited the track the same day last year and the \$431,000 wagered.

DELAWARE PARK NOTES

Morris Dixon received Iron Shot, Miss Ella Widener's representative in the Georgetown Steeplechase Handicap, from Newtown Square, Pa. Iron Shot was the beaten favorite in Wednesday's \$6,000 two-mile feature. He also received Mrs. P. A. B. Widener's Polynesian, which had been nominated for the \$5,000 Christiana Stakes to be contested July 4.

Mrs. John Murphy purchased the 3-year-old Chalpre from W. W. Waters for a private consideration.

Henry Clark, who conditions the horses of George H. Ballou, has taken a contract on Fred Pannell. The boy is being groomed for a career in the saddle, but will not be rushed. It is likely that he will be returned to school next winter and take up his saddle activities again in the spring. He is an extremely light boy, weighing but 82 pounds, and is a brother of Joe Pannell, who was fatally injured in a spill at Charles Town last winter.

Cushlamacree is the latest addition to the schooling list of Starter George Palmer.

Charles M. Felner is confined to his home at Berryville, Va., with an undiagnosed ailment. The horses that he has in training at Delaware Park are being looked after by his son, Claude.

During the violent storm on Sunday evening lightning entered a tack room of J. Y. Pyle, struck a radio and some shelving but did no further damage.

Trainer J. V. (Irish Jimmy) Stewart was the smiling cigar man Tuesday. It's a boy and Mrs. Stewart and the new arrival are both doing fine.

Trainer Jimmy McGee will complete the training of Max Marmorstein's Best Reward at Garden State Park where he is entered in the Camden Handicap, \$7,500 opening day feature on July 5.

Jockey Jack Westrope will go to New York to ride W. E. Boeing's Slide Rule in an overnight handicap next Saturday. He will also meet his wife, the former Nan Gray of movie fame, who is coming east. Slide Rule is a nominee for the \$50,000 Brooklyn Handicap at Aqueduct, July 1.

T. T. Moti was at Delaware to see his Mad Policy perform in the Georgetown Steeplechase Handicap yesterday. Mad Policy is trained by Miss Judy Johnson.

Paul Keiper, who rode Galactic in the Shelvin, returned to Delaware Park accompanied by his agent Danny McAuliffe.

Col. C. V. Whitney's good filly Flyweight, was withdrawn from Tuesday's engagement due to track conditions. She is being pointed for the Polly Drummond Stakes, \$5,000 five furlong dash Saturday.

Jack Skinner shipped the jumper Redlands to New York for an engagement recently. John Harrison went along to ride. Emmett Roberts and Warren Leonard remained at Delaware Park to ride Caddie and Good Chance in the Georgetown Steeplechase Handicap.

The horses that Trainer C. Mills brought back from Suffolk Downs for E. C. Eastwood were Challamore, Brown Saxon and Partido.

E. K. Bryson shipped over from Bel Air, Md., to Trainer Harry Baker, the horses Our Boss and Royal Favor.

G. C. Smith shipped Town Hall and Waugh Pop from Charles Town, W. Va., where both were consistent performers.

Havahome Stable's Strategic, Eye for Eye, and Ben Gray were returned to New York after fulfilling engagements at Delaware Park.

Trainer F. W. Waller sent C. T. Chenery's Jacforay and Cattachiptoe to Aqueduct where the latter ran fourth in Wednesday's \$10,000 Gazelle Stakes. Jockey Doug Dodson went along to do the riding.

New Auto Eligibility Requirements Tightened

With the pool of new 1942 automobiles dwindling rapidly, the Office of Price Administration tightened eligibility requirements for obtaining certificates.

Effective Friday, qualified applicants must satisfy local rationing boards that a new car would be used principally in an essential activity, rather than only a small part of the time.

Another change eliminates certificates for persons driving four or more students, teachers or school employees to or from school.

The restrictions provide that members of the armed services or persons found fit and waiting a call to duty may sell used 1942 cars without a rationing certificate only to members of their own families.

In one extension of eligibility, OPA authorized issuance of certificates to U.S.O. clubs.

NEW TRACK PROPOSED

North Jersey Site Sought

An application for a permit to construct and conduct a horse race track with pari-mutuel betting in Secaucus, Hudson County, which is only 10 minutes by bus or automobile from Times Square, New York, was presented to the New Jersey Racing Commission Monday.

The application, made by the Hudson Racing Association, asked that racing dates be set for some time in 1945, providing present war-time restrictions on materials needed to construct the plant are lifted.

The site of the proposed track is just off the Paterson Plank Road near the New Jersey entrance to the Holland Tunnel.

The Hudson Association listed as its officers: President, Clarence A. Chafey of Mantoloking, vice-president of the Bank of New York, New York City; vice-president, Frank A. Shea of New York and Spring Lake, a member of the New York Stock Exchange, and secretary-treasurer, Eugene M. Mori of Vineland.

Mori is president of the Garden State Racing Association, which conducts racing at Garden State Park near Camden, the only licensed running track in New Jersey.

Racing Secretary Edward J. Brennan returned from a tour of inspection at Wheeling Downs where he is general manager. He reports a shortage of riders.

First Horse Cars Cross Wilmington's Thoroughfares

ON June 28th, 1864, the first horse-drawn trolley car, marked the opening of Wilmington's City railway system. This new line was built by the Wilmington City Railway Co. (now Delaware Coach Company), chartered February 4, 1864. The directors were: Joshua T. Mead, President of the Board, Philip McDowell, Vice-President, Clement B. Salyth, Secretary-Treasurer, Eli Garrett, Daniel M. Bates, William Wharton, Jr., William Tatnall. Thirty-five horses and seven cars were put into service at this time.

We quote from the history of the Railway Company, for full details of the day's activities: "June 28, 1864, is an epoch-making day. On this day Wil-

ilmington's first horse car, crossed its thoroughfares. Members of City Council, City Officers, Editors and Reporters met at City Hall—took their places in the three official cars. The cars started at 2:15 o'clock in the afternoon, arrived at the B. & O. 'Middle Station' Depot Building in eight minutes. After viewing the tracks laid to Union Street and the site of future development laid out westerly to south of Mount Salem Lane thence northerly to Rising Sun Village, the party returned to Clayton Street into the woods above the Brandywine. At this point, George H. Richardson had prepared a splendid meal. During the meal, many persons, active in establishing the line, gave short addresses."

Thus, the Delaware Coach Company had its beginning in 1864, just eighty years ago.
