Businessman Rudy Taggart Buys Self Service Laundries

During wartime service with the U. S. Merchant Marine, Robert Williams, chain of self service laundries, was announced today by Rudy Taggart, a lifelong resident of Newark, that he had purchased the original Laundral self service laundry at 124 East Main Street in the family residence.

Williams has expanded his business to include self service laundries in three Newark locations, at the Park 'n' Shop, at the Ad. in Newport, and at the Kirkwood streets.

Taggart will conduct his business enterprise in partnership with his son, Rudy, Jr., of Elkton, Md., and a prominent sportsman in the area, also has real estate holdings in Newark.

McDowell-Mitchell Aide

Edmund M. Pitts

Veteran advertising, marketing and public relations executive Edmund M. Pitts has joined the staff of McDowell-Mitchell Associates, Inc.

During a 40-year career, Pitts has been an account executive with Young and Rubicam in New York City and with J. Walter Thompson Company in San Francisco as well as a public relations, advertising and marketing consultant in southern California.

John N. McDowell, president of McDowell-Mitchell Associates, said that his firm will now extend its services into the advertising and marketing areas, with Mr. Pitts as director of the advertising and marketing division of the company, and a public relations account executive.

Ned Allen Heads Rhodes Scholarship Committee At U.D.

Dr. Ned B. Allen, University of Delaware representative in charge of Rhodes Scholarship information, has announced that Nov. 2, 1960, is the deadline for applications by students who hope to receive awards to enter Oxford next October.

To be eligible for a Rhodes Scholarship, the candidate must be a male citizen of the United States at least five years' permanent residence; unmarried, and between the ages of 18 and 24.

The applicant must have at least junior standing at a recognized degree-granting college or university.

The qualities which Cecil Rhodes specified in his will as forming the basis of selection are: (1) literary and scholastic ability and attainment; (2) qualities of manhood, truthfulness, courage, devotion to duty, sympathy for and protection of the weak; kindness, unselfishness, and fellowship; (3) exhibition of moral force of character, and of instincts to lead and to take an interest in his fellows; (4) physical vigor, as shown by fondness for and success in sports.

Some definite quality of distinction, whether in intellect or character, is the most important requirement for a Rhodes Scholarship.

The value of a Rhodes Scholarship is 750 pounds per year and appointments are made for two years with a possible third year if the scholar's record and plan of study warrant an additional award. No restriction is placed upon field of study.

Social Security Official To Appear Here Tuesday

A representative of the Social Security Administration in Wilmington will be in Newark next Tuesday, from 9:30 to 11 a.m., to provide information concerning the Social Security program.

The representative will occupy an office in the Academy Building on East Main Street.

Indian Chief Halftown To Appear Here For School Children, Bowling Exhibition

Chief Halftown, Philadelphia TV performer, will address a West Park Place School assembly at 10 o'clock and will conduct a bowling clinic at the Blue Hens Lanes in the Newark Shopping Center tomorrow at 4 p.m.

The Indian, a top-flight bowler, will give an hour and a half lecture and demonstration on bowling techniques to which adults and youngsters alike are invited. A door prize of free games will be awarded to one of the youngsters present.

Chief Halftown is a full-blooded Seneca Indian from Buffalo, N.Y., a direct descendant of the original chief who signed the peace treaty with the 13 original colonies. This treaty is still in existence and the chief receives a token grant of calico and money from the federal government each year.

Chief Halftown first encountered a bowling ball while in the U. S. Army. Since then he has become an ardent fan. He is a member of the Walker-McDermott team, 1958 Philadelphia champions, with a 197 average.

The chief conducted bowling shows with children ranging from eight to 16, and is currently engaged in conducting bowling clinics for men, women and children. He is a member of the Brunswick advisory staff of bowling champions.

The chief began his show business career in high school. At every lunch hour he would whip over to the local radio station, do a 15-minute singing show, and be back at class by 1 o'clock. During the war he was featured in the Winged Victory Air Force show.

In 1951 he made his first appearance on WFIL-TV, and has been on the air continuously since.

Three NHS Pupils Gain Semi-Finals In National Tests

Nancy Bonney, Tom Kirch, Gary Reichard Win Honors In Merit Scholarship Plan

Dr. Frederick B. Kutz, Newark High School principal, announced today that three of the school's students have been named semi-finalists in 1960-61 National Merit Scholarship competition — Nancy Bonney, Thomas Kirch, and Gary Reichard.

Nancy qualified additionally and through entrance examination has been admitted to the University of Delaware as a regular first-year student.

Among 15,000 high schools participating in the national scholarship test, semi-finalists are the highest scoring students in each state.

John M. Stalnaker, president of the National Merit Scholarship Corporation, stated that "Semi-finalists represent the most promising brains in the nation. From this group will come the scholars and intellectual leaders of tomorrow."

The students will be eligible for scholarship awards sponsored by 115 business and industrial organizations, professional societies, foundations, individuals, and the National Merit Scholarship Corporation itself.

The Merit Scholarship program, now in its sixth year, was founded in 1955 with grants from the Ford Foundation and the Carnegie Corporation of New York.

Thus far, 4,000 students have received direct financial assistance from the National Merit Scholarship Corporation.

8 Quarter-Century Employees At CDF To Receive Honors

Eight 25-year employees of Continental-Diamond Fibre Corporation, Newark, will be honored at a Diamond Club banquet to be held Oct. 11, it was announced today by Worth Tracy, CDF industrial relations director and toastmaster for the affair.

Featured on the evening's program will be entertainment by Gigi, blonde Parisian singing star who has a number of records and television appearances to her credit and is best known for her novelty arrangements in French. She also presents her own unique version of several American songs.

Lt. Bruce Walton Leads Guardsmen In Pistol Tourney

Lieutenant Bruce R. Walton of Newark led the Delaware National Guard pistol team in winning a silver medal in recent national matches at Camp Perry, O., sanctioned by the National Rifle Association.

Walton, one of seven Delaware guardsmen participating, scored 280 out of a possible 300.

According to Lt. Col. George R. Walton, team captain, this is the first pistol leg medal won by a member of the team.

Colonel Walton, with three, and Lt. Walton, with four, each won NRA silver place awards.

Series Of Public Lectures Scheduled For Saturdays

"Experiment in Education," a public lecture series, will be presented through the University of Delaware extension division by the school of education on Saturday mornings during the fall term.

The series of five lectures will be conducted by leading American educators who will describe pioneer education research in their communities and institutions.

Sessions will be at 9 a.m. in Wolf Hall auditorium on Oct. 8, 29; Nov. 12, 19; and Dec. 10.

Friendship, Understanding In AFS Plan Topics For "Uncle John" Conant At NHS

Friendship and understanding developed by the American Field Service will be discussed at the Newark High School student assembly next Wednesday by Dr. John Conant, Delaware director of the program.

"Uncle John," as he is affectionately known to the students who have worked with him, will discuss the background and the goals of AFS.

Robert Raun, who spent the summer abroad as one of Newark's two AFS students, will speak of his experiences and John Jaquette, an official delegate to the YMCA World Conference at Amsterdam, will tell of his trip last summer.

Other students who will be recognized for their trips abroad include Kay Reaser and Diana Duff, who took the AFS tour, and the eight Newark students who visited La Garde-Freinet under the twin city program.

Management Club To Honor Champs At Annual Banquet

The third annual Award Night and banquet for the Newark Recreation Association baseball Pony Leagues will be held Monday, Oct. 17, honoring the Major League Giants as the Newark champions.

The Newark Industrial Management Club, sponsors of Award Night, will present framed certificates to each member of the winning team. The Giants include 18 players and two coaches.

Ken Walters, outfielder for the big league Phillies, will be the guest speaker.

Championship trophies will be awarded to winning teams in each of the five NRA Pony Leagues.

The Orioles were top team in the American League; White Sox in the Eastern; Syracuse in the International; and the Dodgers of the National League.

Hilda Ebert Named As YWCA Director For Smyth Center

Hilda Ebert of Philadelphia has been named director of the Alice P. Smyth Center in Newark, succeeding Ruth Ackerman Miller, who has resigned to join her husband in New York City, where he has been assigned in a recent promotion by the YMCA.

J. E. Crow Heads Medill School PTA For New Season

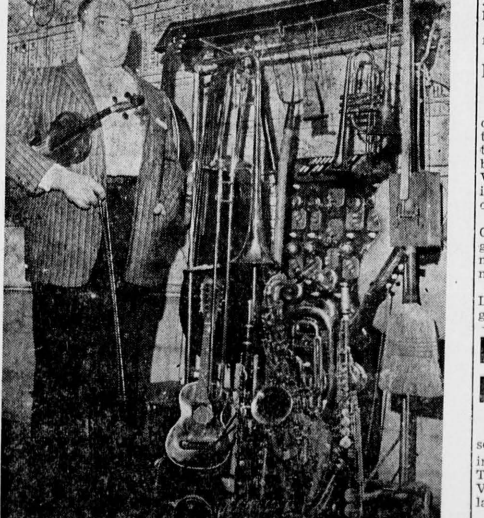

The first meeting of the new school year for the Medill PTA will be held next Wednesday at 8 p.m. at the Medill School, and after a brief business session parents may visit their children's teachers in their classrooms.

James E. Crow is president of the Medill PTA, with John B. Medill and Elmer S. Monroe, vice-presidents; Mrs. Howard C. Hoyt, secretary; and Harry F. Lackhove, treasurer.

Committee chairmen are Mrs. Lackhove, budget; Mrs. Southard Jones, curriculum and audio-visual aids; Mrs. Paul W. Watson, health and safety; Mrs. H. Eugene Pierce, home room mothers; Mrs. Kenneth Chantler, hospitality; Mrs. James C. Walker, insurance; Chapman Herrmann, legislative; Mrs. Arthur B. Johnson, membership; Peter T. Clarke, program; Mrs. Cliff Boyer and Mrs. Edward Newman, ways and means.

Robert L. Melson, Dr. Howard L. Reed, and Mr. Crow are PTA Council representatives.

Evangelist and Music Master

The Rev. Ralph A. Creider stands beside his 25 musical instruments which he plays each evening as part of evangelistic services being conducted nightly at 7:45 at the First Assembly of God Church, Lovett and Benny streets.

Among the standard instruments are such novelty music-makers as a Chinese horn, slide cornet, broomstick, saw, pitchfork, ordinary tire pump, doorbells, and winglasses mounted on a sounding board in chromatic scale.

The Rev. Thomas Lazaar, pastor, extends a public welcome.

11,000 Invitations Mailed To Alumni For Homecoming

Parade, Football Game With Lafayette Offered For Old Grads At U.D.

Invitations to attend the Homecoming Day program and football game on Oct. 8 have been mailed to 11,000 University of Delaware alumni in 49 states and some 40 foreign countries.

In recent years Delawareans have enjoyed a remarkably pleasant return to the campus, for the Blue Hens have never lost a homecoming contest in Delaware Stadium before the old grads.

In 1952, when the stadium opened, the Hens squeaked by Lafayette, 13-12.

In 1953 they topped Muhlenberg, 18-6.

In 1954 and 1955, Connecticut was the victim by 28-7 and 28-0 scores, and Bucknell was the Hens' prey in 1956, taking a 20-7 pasting.

Hapless New Hampshire suffered defeats in 1955, 1957 and 1959 by scores of 20-18, 59-6 and 50-12.

Lafayette will try once again to break the visitors' hex in a Middle Atlantic Conference game at 2 p.m.

Prior to the game, a special meeting for alumni leaders will be held in the Student Center at 10 a.m., followed by a luncheon at the Newark Country Club. After the game the traditional goalpost party for alumni and their guests will be held at the country club.

Highlights of the afternoon will be the annual homecoming float parade, with entries representing campus dormitories and fraternities, and crowning of the homecoming queen during halftime ceremonies.

PTA Membership Drive In Newark Slated Next Week

Mrs. Adam V. Reed, membership chairman for the Newark PTA, has announced that the Newark special school district membership drive will be held next week.

Application blanks will be sent home with students tomorrow, and are to be returned next week. All parents are urged to join and to support their PTA.

Mrs. Reed points out that it is necessary to join at each school in which you have a student in order to be a member of that particular PTA.

Membership committee members are Mrs. Arthur B. Johnson, Medill; Mrs. Francis Webb, Eden; Mrs. Howard Perry, Christiansburg; Mrs. Gordon Gaddis, Central; Mrs. Robert Plinick, West Park Place; Mrs. Hans Haas, Brookside; Mrs. Charles Reklinski, Jennie Smith; Mrs. Robert Rose, Gallaher; Mrs. John M. Hendrix, Central Jr. High; Mrs. R. P. Perkins, senior high; Mrs. Douglas Baker and Mrs. James Boyer, Ogletown Jr. High.

7 Newark Youths Win Major Posts With Local ROTC

Richard F. Humphreys, of Lewisburg, Pa., has been named brigade commander for the ROTC at the University of Delaware this year, and seven Newark youths are included with other principal appointments announced by Col. Gerald H. Raggsdale, professor of military science.

Cadet Major Russell N. Bonney, Jr., is executive officer for the brigade, with Wilmer E. Shue, Jr., a brigade officer, and Joseph B. Marvel, executive officer of the first battle group.

Officers of the second battle group include Carl F. Cherico, Jr., executive officer, J. Green, adjutant, and Joseph R. Staveland, company commander.

Fred Kutz, Jr., is commanding officer of the brigade band.

Newark LWV To Sponsor Meeting Of Candidates

Candidates for county political office, and state senators from Districts 4 and 6 will be introduced to the public at a meeting sponsored by the Newark League of Women Voters next Wednesday at 8 p.m. in the County Engineering Building on Kirkwood Highway.

The senators and Levy Court Commissioners will be quizzed on general aspects of county government, with Dr. G. Gorham Lane, moderator.

Quaesita C. Drake, of the Newark League of Women Voters, is program chairman.

Four Public Meetings Planned By Newark Board of Education

First In Series To Be Held Oct. 18th, At Gallaher School With Report On Curriculum In Public Schools; Program Planned To Improve Community Communication

The Newark Board of Education has scheduled four public meetings to present an action picture of the Newark public schools.

It was brought out in a public meeting prior to the school board election, that there had been a lack of communication between the board of education and parents in the school district, and the purpose of these meetings is to better acquaint the parents with the entire school program.

These meetings will be in the form of reports to the board of education and community by school administrators and staff members on selected topics.

The first meeting will be held at the Gallaher School at 7:30 p.m. Oct. 18, with a report on the curriculum of Newark schools.

"This is a big topic for one evening and will necessarily need to be condensed to present the essential points of curriculum, background, development, and present programming in the Newark school system," Supt. Wilmer E. Shue said yesterday.

The next three meetings are scheduled for Dec. 20, at the senior high school; Feb. 21, at the Medill School; and April 19, at Brookside — on citizenship training, individual differences, and the new mathematics program.

"This is an opportunity for patrons of the school district to become better informed as to actual subject matter offerings and teaching methods in the Newark schools. All parents are urged to attend," Dr. Ramon C. Cobbs, administrative assistant, said yesterday.

W. L. Gore Begins \$75,000 Building On Paper Mill Rd.

Local Firm To Manufacture Insulated Wire And Cable For Electronic Operation

Construction has begun on a new research, development and manufacturing facility for W. L. Gore & Associates, Inc., a \$75,000 building on a 10-acre site immediately adjacent to the Du Pont Company's Louvers Building on Paper Mill Road near Newark.

Because of the specialized nature of Gore's work, a significant portion of the new plant will be given over to expanded laboratory and test facilities.

The firm manufactures wire and cable insulated with special types of TFE-fluorocarbon resins (Teflon), for use in aircraft, missiles, ground control systems, communications equipment and a variety of other electrical and electronic applications.

At the same time, the new plant will permit greatly increased production of the firm's Mono-Tet single-conductor wire, and Tet multiple-conductor flat ribbon cable.

The building will be of masonry construction, set in landscaped grounds. Thomas J. Walters, AIA, of Design Services, Inc., Fairfax, Del., is the architect. Construction is being handled by Joseph W. Remedio, Inc.

According to Wilbert L. Gore, president of the company, this is the first of several steps in a projected long-range expansion program. Occupancy of the initial stage is scheduled for Dec. 1.

Gore, who founded the firm early in 1958, was head of the staff section, operational research group, in the Du Pont polychlorinated biphenyls department.

Rezoning Opposed Before Levy Court In Pencader Tract

Opposition was voiced before the New Castle County Levy Court last Tuesday, to a petition to rezone from agricultural to residential a 95-acre tract in Pencader Hundred near Newark.

Meeting in the County Engineering Building on Kirkwood Highway, the court considered the petition of Samuel E. Miller and A&D, Inc., dealing with land use of Chestnut Hill Road and bounded by lands of the Newark Recreation Association, the Manor Real Estate & Trust Company, and others.

Samuel Handloff, attorney for an opposing unit, said the property was not a loss to the owner as it stood.

Joseph F. Dayton, president of the Levy Court, said the commissioners would reserve decision as they did on all of the cases heard during the afternoon.

Walter Kirchner Textbook Released In College Series

A new textbook "Western Civilization to 1500," by Dr. Walter Kirchner, professor of history at the University of Delaware, has been released by Barnes and Noble of New York as a part of the College Outline Series.

The new volume deals with early civilizations in Egypt, Greece and Rome—the early feudal age—the Middle Ages—and the Renaissance.

Dr. Kirchner is a specialist in Russian history and author of a number of books on this subject, including "Rise of the Baltic Question," "Jacob Fries' Journey through Siberia," and "History of Russia."

He spent a year in Denmark as a Fulbright fellow and in 1955-56 was appointed a member of the Institute for Advanced Study at Princeton University.

Dr. Kirchner has been a member of the University of Delaware faculty since 1945.

Local Youth David Moore Places Seventh For State Record In 4-H Tractor Contest

David Moore, 20, of Bear, placed seventh among 22 boys competing in the 19th annual Eastern 4-H "Tractor Operators' Contest" at the Virginia State Fair in Richmond last week.

This is the highest any Delaware representative has ever placed in the contest. David was actually competing under a handicap because he was suddenly drafted to fill in for Wayne Curry, of Wyoming, Wayne, a freshman at the University of Delaware, had placed first at the state contest at the Kent-Sussex Fair and David was second.

Wayne broke his collarbone while playing football the day before the contest.

David was asked to represent the state at 10 a.m., and packed and left at 1 p.m. with Ernest N. Scarborough, University of Delaware agricultural engineer who handles the Delaware state contests.

Scarcborough said Moore did amazingly well without benefit of practice on the tractor he had to drive in the contest, and without the background study that the other competitors had in preparing for the event.

David placed fourth in the written part of the competition and sixth in the four-wheel drive section.

West Park PTA Plans Get Acquainted Program

A "get-acquainted" program will feature the first meeting of the year for the West Park Place School PTA next Wednesday beginning at 8 p.m.

Parents are invited to meet the teachers in their classrooms and to learn what their children are doing, and what is expected of them.

Mrs. Walter Hannum is in charge of refreshments, assisted by Mrs. Carson Roselle and Mrs. Donald Burton.

Christiana Calling

Sylvia P. Jones, Correspondent
Phone: EA 8-7413

Annual Homecoming Day at Christiana Presbyterian Church will be this Sunday, with services at 11 a.m. and 3 p.m., and a fellowship luncheon in the Hall Memorial Building.

The Rev. Robert F. Coon, pastor, will conduct the morning service, and the Rev. William F. Groff, Jr., pastor of the Delaware City and St. Georges Presbyterian churches, will be the guest speaker of the afternoon. All members, former members, and other friends of the church are invited to spend the day renewing old acquaintances and noting the progress made during the past year.

Among changes since last year's Homecoming are complete renovation of the sanctuary; construction of a pastor's study and Sunday School rooms in the Hall Memorial Building; and removal of two dwellings on North Old Baltimore Pike to provide an enlarged parking lot on church property.

The United Presbyterian Women will meet in the Hall Memorial Building next Thursday at 8 a.m. with Ruth Phelps and Mrs. Sylvia Jones, co-hostesses.

Superintendent Rhoads M. Speck has announced the following schedule for the Christiana Presbyterian Sunday School bus, now making regular Sunday trips: Appleby Road, 9 a.m.; Coventry, 9:35; Churchman's Road, 9:55; Pilgrim Gardens, 9:20; Hillside Heights, 9:25; Birchwood Park, 9:30; Tanglewood, 9:35; arrive at Hall Memorial Building, 9:40. Children from two years through high school who wish to attend the Sunday School are invited to use the bus.

The church budget for 1961 was the subject of a meeting last evening of the committee composed of Albert Jones, John Hilbeck, Rachel Morrison, Mrs. Ethel Holsten, Paul Sims, and Mildred Davis. The budget will be acted upon at a congregational meeting following morning worship, Oct. 16.

A benefit chicken dumpling supper will be sponsored by the Christiana Methodist Social on Saturday, Oct. 15, at the church.

Mrs. Jeanne McLaughlin entertained members of Joy Circle at her home in Brookside yesterday. At Rally Day exercises last Sunday in the Christiana Methodist Church, Mrs. Jeanne Thorpe, Mrs. Lucille Hawkins, and Elaine Cole received honorable mention for attendance records. Cited for perfect attendance were: one year — Mrs. Henrietta Ennis, Frank and Laura Ennis, Jeffery Thorpe, Patty Ward, Tina Morrison, and Diane Butler;

two years — Nancy, Becky, and Maggie Ennis, Gary Thorpe, three years — Mrs. Irene Redding, Kathy and Johnny Redding, Nancy Carroll; five years — Paul Thorpe.

Auxiliary Soup Sale

A soup sale will be held Saturday morning in the Christiana firehouse sponsored by the Ladies' Auxiliary. Mrs. Phyllis Thorpe is chairman. Advance orders may be made through members of the auxiliary.

The Christiana Fire Company has announced Sunday, Nov. 13, as the date of its annual fall supper.

The fire company has called for volunteers among its members or others who can help with painting and other work at the firehouse addition. Workers will be welcomed any evening after 6:30, as well as Saturdays and Sundays.

The first fall meeting of the Christiana-Salem PTA will be held next Wednesday at 8 p.m. in the all-purpose room of the school. All parents are urged to attend for a get-acquainted program directed by chairman Sidney McClain.

Mrs. Frances Perry, chairman, has planned an all-out membership drive for the month of October. Memberships will be accepted through the school children, with cash prizes for the rooms having the highest percentage of parent-members.

PTA committee chairmen have been announced by Mrs. Sylvia Jones, president; ways and means — Mrs. Olga Graden; insurance and home-room mothers — Mrs. Polly Sharpe; publicity — Mrs. Anne Stafford; hospitality — Mrs. Alma Graden; budget — Gilbert Barlow, Sr.; health and welfare — Mrs. Janet Cross; transportation — Mrs. Vivian Stodard; property — Mrs. Helen Sharpe; Gilbert Barlow was nominated treasurer, succeeding Dr. Fred Boebel, who has moved out of state.

Installation of officers, awards, and advancement in rank were features of last Monday night's campfire court of honor for Christiana Boy Scout Troop 75. Ricky Seutter and Jon Speck advanced to second class, and 21 merit badges were awarded to 11 Explorers and Scouts, including George Fausnaugh, Richard and Vernon West, Tim Davis, Michael Golden, Wayne Hawkins, Carl Sharpe, William Kee, David and James Shetzler, and Philip West.

The Explorers received a second place award in the district bowling championship contest, and George Fausnaugh won Scout lifeguard recognition.

Wayne Hawkins was made leader of the Apache patrol, with Ricky Seutter, assistant, and Joe Shetzler, scribe. Tim Davis is Panther patrol leader with Andy Perry, assistant, and Jon Speck, scribe. Rattlesnake patrol leader is Jim Shetzler, with Roger Sharpe, assistant, and Ricky Lovekin, scribe.

On the junior staff are William Kete, librarians; Michael Golden, senior patrol leader; and David Shetzler, junior asst. scoutmaster.

A visit to a Wilmington firehouse is scheduled for this Saturday. Annual Parents' Night will take the place of the boys' meeting on Monday evening.

Mr. and Mrs. C. Benjamin Clevener and family have moved from their former home on South Old Baltimore Pike to 700 Gerald Drive, Tanglewood.

Local Garden Club To Hear Derrick As Professional

The Newark Garden Club will meet this Monday at the home of Mrs. E. L. Symington, 118 Manns Avenue, at 8 p.m., with Joseph Derrick, professional gardener from Wilmington, speaking on bulbs, their selection and care.

Mrs. Symington will continue the book review program started at the September meeting, using another of the new books on gardening recently purchased by the Newark Library from funds donated by the Garden Club.

Mrs. Charles Dunham will be in charge of refreshments.

Anyone interested in flowers and gardening will be welcomed. The membership roll is open not only to amateurs in gardening but to those with years of experience who can share their knowledge with others. A. B. Eastman reports.

Members are urged to bring any prize blooms to this meeting, especially mums and dahlias.

Oct's Chapel Rally Day To Be Observed Sunday

Annual Rally Day services will be held at Oct's Chapel this Sunday at 2:30 p.m., with the Rev. J. Calvin Alt, pastor of the Newark Wesleyan Methodist Church, the guest speaker.

Cruikshank Collection Presented U. D. Library

The University of Delaware library has received a collection of original drawings and letters of George Cruikshank, British illustrator of the 19th century.

The gift, one of several made recently by W. Alice Burpee, Jr., of Philadelphia, is valued at more than \$4,000.

Dr. John M. Dawson, director of libraries at the university, said that most of our conceptions of the characters of Charles Dickens are based upon Cruikshank's drawings.

"This is a collection that any library would be pleased to own," Dawson added, noting that it supplements one of Mr. Burpee's earlier gifts "An Essay On the Genius of George Cruikshank," which contains a number of the artist's original illustrations.

"Most of us have too many days left over each month at the end of our money."

Woodrow Wilson Fellows To Be Named By Oct. 31

Dr. Hugh Taylor, president of the Woodrow Wilson National Fellowship Foundation, has announced the opening of competition for Woodrow Wilson graduate fellowships for the academic year 1961-62. He estimated that more than 9,000 students will be nominated before the closing date, Oct. 31.

Designed to reduce a nationwide shortage of qualified college teachers, the program annually awards 1,000 fellowships for first year graduate study at any university of the recipient's choice in the United States or Canada.

Professor Cyrus L. Day of the English department is the Woodrow Wilson representative at the University of Delaware.

Farmers Invited To Enter Soybeans In 40-Bu. Contest

Farmers are invited for the seventh straight year to submit entries in the soybean yield program of the Delaware Crop Improvement Association, says Edward H. Schabinger, New Castle County agent.

Known as the 40 Bushel Soybean Contest, all farmers who achieve a measured yield of 40 bushels per acre on their best five acres receive recognition at the annual awards banquet in Dover during Thanksgiving week.

Soybeans have become the most important cash crop in Delaware with a total of 188,000 acres for 1960. Hurricane Donna in some areas hurt the yield prospects this year by blowing down the lush green vines in many places, and also by leaving shallow ponds in low fields.

In spite of this, many people look for some Delaware farmer to exceed the record yield of 62.2 bushels per acre.

Anyone interested in taking part in the program this year is asked to call Mr. Schabinger.

There is no Corn Yield Contest this year. The early corn harvest demonstration replaced it, Schabinger said.

Two Newark Students Win Awards For Scholarship

The University of Delaware has cited 30 students, including two from Newark, for substantial improvement in scholarship during their last year of academic work. Awards of \$50 gift certificates for the purchase of books or art objects at the university bookstore were presented to the students at convocation exercises last week.

To be eligible for the award, each student must have had at least a 3.0, or "B" cumulative index as of June, 1960.

Newark recipients of awards are Ralph O. Williams, a senior, and Patricia H. Coyne, a sophomore.

Thomas Lee Dickey Wins Top Club Insurance Honor

Thomas Lee Dickey, 48 West Stephen Drive, Chestnut Hill Estates, has qualified as a member of the 1959-60 Top Club of New York Life Insurance Company, according to Frank D. Staudel, general manager of the company's Wilmington general office.

Membership in the Top Club is based on 1959-60 sales record in a field force of 6,000 agents in 236 offices throughout the United States and Canada. As a member of the Top Club, Dickey will attend an annual conference, Oct. 4-7, in Canada.

More Evidence That RAMBLER IS THE NEW WORLD STANDARD OF BASIC EXCELLENCE AMERICAN MOTORS CORPORATION, DETROIT 32, MICHIGAN

LIFETIME GUARANTEE ON NEW CERAMIC-ARMORED MUFFLER AND TAIL-PIPE STANDARD ON ALL '61 MODELS

Born of space-age developments, Rambler announces on all 1961 models a new Ceramic-Armored muffler and tail-pipe guaranteed against defects for the lifetime of the car while in the hands of the original owner. This covers total replacement cost including parts and labor. Every '61 Rambler muffler and tail-pipe is completely covered with a special ceramic coating—similar to that used in rockets and missiles—to give lasting protection against rust and corrosion caused by water, salt and acids. Another Rambler first!

12-MONTH, 12,000-MILE WARRANTY EXTENDED TO ALL NEW RAMBLER OWNERS

Now Rambler extends to all new Rambler owners its comprehensive full-year or 12,000-mile warranty, whichever occurs first. In fact, this liberal warranty, announced to dealers more than a year ago, also covers total replacement cost including parts and labor. It applies to all 1961 Rambler models and to 1960 Ramblers still within the warranty period. The normal industry warranty covers only 90 days or 4,000 miles.

Teacher Assigned At Chestnut Hill School Crossing

A teacher will be stationed at the crossing on Chestnut Hill Road while state officials study the possibility of installing a traffic light near Oglethorpe Junior High School.

This decision was made last week in a meeting between school officials, parents, and representatives of the State Highway Department concerning responsibility for operating the interchangeable sign during hours when school children use the crossing at the entrance to Todd Estates.

William R. Carrow, director of the traffic division, highway department, said the state would continue a vehicle and pedestrian count to decide need for a traffic light at the intersection.

Norman Kugel, chairman of the school PTA traffic committee, has been pressing for a traffic light. He said the PTA would furnish a traffic count to the highway department.

Kugel called for reduction of the 50-mile-an-hour speed limit there. A teacher will be at the crossing for two weeks, Dr. Ramon Cobbe, administrative assistant for the Newark Special School District.

James Prinsen Assigned To Destroyer At Norfolk

James A. Prinsen, USN, seaman, and son of Mr. and Mrs. Wells T. Prinsen, 80 August Drive, Chestnut Hill Estates, is serving aboard the destroyer USS Stormes at the Norfolk Shipyard, Portsmouth, Va.

The ship is undergoing reconstruction as part of the fleet rehabilitation and modernization program, a Navy-wide project for World War II ships to make destroyers more capable of combating the latest nuclear submarines.

Prinsen said until a decision has been reached on who will pay for a crossing guard.

Delaware Food Market Report

By Anne Holberton

U. of D. Agricultural Extension Service

Fresh oysters are back in season, and supplies are adequate. This food, according to the Nutrition Foundation, is a powerhouse of vitamins and minerals. A single oyster contains approximately 100 milligrams of calcium — an amount nearly on a par with the calcium in a glass of milk. Oysters also score very high in iron, vitamin A and components of vitamin B. Yet with all of this, oysters (a half dozen) contain only 65 to 70 calories — an ideal food for those who are reducing.

Don't forget, it's what you add to oysters that make the calories jump, not the oyster itself.

Other seafood in season and in good supply are fresh shrimp, sea and bay scallops, crabmeat, hard clams, lobsters, Spanish and king mackerel, porgies and whiting.

You will find plenty of frozen shrimp and lobster at the market, also.

Red meat continues to be plentiful. This weekend check your favorite grocery for good buys on rib roast of beef, ground beef, pot roasts, leg-of-lamb, shoulder roasts and combination packages of lamb.

There is a good supply of veal on hand, and although pork supplies are down, there are many good buys on bacon, sausage and hams. Fresh mushrooms are a newcomer to the vegetable counter. While the supply is small, it will pick up as the season advances. It's nearly last chance for enjoying local sweet corn and tomatoes. With the first hard frost the season will end.

PATRIOTISM IS EVERYBODY'S JOB!

"ANATOMY OF APATHY"

American Medical Association news release deals with "anatomy of apathy."

About polio. It recalls the days of terrible epidemics, when millions were struck down on a mass scale. Then, in 1955, the Salk vaccine which, when given in properly spaced doses, is 80 per cent effective against paralytic polio. In 1956, as the release puts it, "We all went to sleep." The number of paralytic polio cases has steadily increased. In communities epidemics have appeared once again.

Does this mean that the vaccine has failed? Dr. Alexander H. Leavell, chief of Epidemiology in the Government's Communicable Disease Center, has the answer to that question: "It's not a failure of the vaccine. It's a failure of people to use it. Eighty per cent of the paralytic cases are the unvaccinated or incompletely vaccinated group." The vaccine is still 90 per cent effective. But that doesn't mean 10 million people who have failed to take advantage of it.

Drift is that habit of character that prompts one to do what he gets, to earn what is paid him; to invest his earnings; to spend wisely and well; to save, not to waste—Arthur Chamberlain.

Letters To The Editor

Oct. 3, 1960

Bring to my attention that the morning hours of the persons whose appearance it was to forcibly enter the Newark County Jail were apprehended by two officers of the City of Newark.

These officers were disarmed for what might be a very serious robbery. One of the officers and of the Newark County Jail to commend those who were instrumental in this arrest. It is indeed a source of great pride to know of the efficiency of the Newark police force and the protection afforded the Newark County Jail.

Respectfully yours,
George I. Townsend
President

State that Councilwoman's remark that the Newark County Jail has lost faith in the department does not hold. In fact it is the Councilwoman's remark that is the cause of the present situation and public displays of the fact that when the Councilwoman's remark is made it is a fair and satisfactory behavior of the Councilwoman's remark.

It is a remark that "we are not having made an improvement in the jail" is the cause of the present situation and public displays of the fact that when the Councilwoman's remark is made it is a fair and satisfactory behavior of the Councilwoman's remark.

members reading confidential reports to the public without due representation of anyone involved.

Why not pass a law, in regard to sidewalks, where if there is a curb, there must be a sidewalk? A law where a property sold must be inspected for termites? There are a lot of termites in this city. A law limiting the number of people residing in a dwelling based on bath facilities and number of rooms.

We have needed a strict law on weeds for years.

These are simple things that could be controlled by strict laws and if we paid more attention to them we wouldn't have such a slum problem.

A city must first of all help itself. If we had good building requirements it wouldn't be necessary for the citizens to have to get up petitions and go on mass to council regarding water problems and many others.

There is no sense in having a Planning Commission if the council does not heed their views and insist on having experts come in at a cost to the city.

We have experts of every kind right here in this community, who are and have been willing to advise. But who takes their advice? Council is very good at reprimanding other people, but who reprimands or fires council members when they overstep their positions as representatives or citizens of this community?

Dear Sir:
The PTA executive board of the Central Elementary School on Academy Street would like to thank and commend the City Council for their prompt action in correcting the safety hazards that endangered our school children.

The council's cooperative attitude, followed by their immediate action, is an indication of their sincere desire to make Newark a safe and better place in which to live.

Thank you very much.

Very truly yours,
Virginia H. Cain,
President, Central Elementary PTA.

THE '61 PONTIAC IS OUT TODAY!

It's All Pontiac! on a new Wide-Track!

New track-to-body proportion! The track is the width between the wheels. Pontiac is the only Wide-Track car. Body width is reduced, shaving side overhang, balancing more weight between the wheels. Best relationship of body width to wheel width ever tailored. Lean and sway are ancient history.

Announcing the new Pontiac Trophy V-8 Engine! We've improved the engine the experts said was perfect. New fuel induction system saves gas by using more air in the gasoline mixture. This makes the engine breathe more efficiently, giving you better acceleration. Eleven versions to choose from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas.

More headroom, legroom, footroom for greater comfort! You'll take great comfort in the extra roominess we've built into the '61 Pontiac. Seats are higher, yet there's more clearance beneath the steering wheel and more hatroom over your head. There is more legroom, more footroom. Doors are wider and designed to swing open farther. The more highway you put behind you (Pontiac specializes in this) the more you'll appreciate the new room that's all around you in this sleek new '61.

THE ONLY WIDE-TRACK CAR!
Body width trimmed to reduce side overhang. More weight balanced between the wheels. No other car hugs the road with such sure-footed stability and precision.

ISN'T THIS YOUR BIG YEAR FOR A WIDE-TRACK PONTIAC? IT'S ALL PONTIAC!

WE ARE LOOKING

COUNTRY LOVERS—YOU are invited to the opening SUNDAY, October 15, 1960 of a new section of 43 country type homesites at beautiful GLEN FARMS—five minutes and three miles from Newark. All locations measured by ACRE not by footage. Pick the fresh new setting you have been waiting for, nestled in the tall Autumn trees. What do you want on your lot?—A little brook, a big stream, large shady trees, young trees, an open knoll with long view, hillside, valley, crest, or perhaps a pond? We have them ALL!

More new homes are being completed for sale in the last of the section opened this past year. 2 Cape Cods, 2 Ranchers, 1 Split Level, 1 Colonial, all quite different—\$19,900 to \$28,500. However, we build what YOU want! We have five builders at GLEN FARMS all competing. Bring your plans or look at ours.

The 80 families now living here will tell you that GLEN FARMS is not only a place to live, but a refreshing way of life.

Community tennis court, swimming and skating at the lake with plans for a new spring-fed pool. School buses through the whole farm. County maintained roads. Easy taxes. Complete Home delivery services.

New Freeway will make center Wilmington minutes away. DIRECTIONS: Travel through Newark on Main Street (Route #273) West 2.1 miles past the entrance to Newark Country Club—turn right at GLEN FARMS sign.

Homes open for inspection every Sunday. On Sunday, October 15, 1960, beginning at 12:30 P.M., salesmen will be on duty to help you inspect the beautiful, new locations. For preview and further information contact—

LOOK WHAT DODGE HAS DONE FOR COMPACTS

The name, Lancer: one hardtop; one 2-door sedan; two 4-door sedans; two wagons. What kind of cars are they? This kind: two feet shorter; many pounds leaner; a couple of hundred dollars less in cost than usual automobiles. Lancer welcomes a family of six lavishly. Has plenty of trunk. Its fully-unitized body is very quiet, very tough. Lancer is also mannerly. It corners decisively, takes a well scarred road with aplomb. Parks obediently. More reasons to buy? Read on. The interiors are rich, but simple: Shed soil, wear well, feel good. The engine is highly spirited, but extremely light on regular gasoline. One more thing, Lancer is built by Dodge. Our name is on it. This means Lancer will stay nice and shiny. How so? The body is rustproofed by an exclusive Chrysler Corporation process. Enough talk. Meet Lancer at your Dodge Dealer. Now.
