Dear Gene:

I am sending you herewith a letter which I have written to John Snyder inviting him to join the Board of Mexlight. I am also sending you herewith a copy of a personal note which I have written him. I know that John will be very much occupied by many duties, but it is my very sincere hope that he will be able to join the Board, as I am sure that he would be able to render useful service thereon. I am taking the liberty of sending you the copies of these letters and of informing you of what we are doing as you and the Bank have taken so constructive and understanding an interest in our company and I am inclined to believe that you will be pleased that we are asking John to join the Board.

Believe me, with all good wishes,

Cordially and faithfully yours,

George S. Messersmith
Chairman of the Board
