

THE EXPERIENCE WE NEED.

"I am honored to work as your State Representative. The 26th District is a special place made up of working families, talented students, valued seniors and innovative small business owners. We have worked together to strengthen our schools, protect our seniors and make our neighborhoods safer. I look forward to continuing our work and would appreciate your vote on November 6."

**Delaware is one of 19 states that
DOES NOT consider parental interests
as a fundamental right.**

It's one of the reasons state officials were able to attempt
implementing Regulation 225, seeking to allow school
children as young as five-years-old to designate their
own race, gender, and name without parental
notification or consent.
