Last night the DPTA and DATA reached agreement on common language for the regulation of Athletic Trainers that limits their ability to practice independently to musculoskeletal injury resulting from or limiting participation in or training for scholastic, recreational, professional or sanctioned amateur athletic events and requiring a physicians referral.

They will not be independently able to treat other musculoskeletal injuries but can work under the direction of a PT in those circumstances with direct supervision of every fifth treatment. Also, the ATC cannot independently initiate, modify or discontinue a PT plan of care – any changes require discussion and clearance from the PT who is ultimately responsible.

I believe this is a good compromise and win/win for both PT and the ATC. Thank you all for your contacts to representatives, it made a huge difference in these final days, because without pressure from the house, I don't know that this would have been accomplished.

Once I have this in writing from the DATA (we've had verbal conversations while they are at conference this week) I will contact the House of Representatives to share this information.

Thank you again to Greg Rybicki, Joe Lucca, Lynn Snyder-Mackler, Laura Schmitt, Tara AManal, Glenn Brown, George Edelman, Erik VanDoorne, Stacie Larking and Julie Moyer Knowles – these people have spent untold hours behind the scenes reviewing and reworking drafts to try and find compromise.

Ms. JoAnn M. Hedrick
Chief Clerk of the House

State of Delaware
Legislative Hall
Room H129
Dover, Delaware 19901

Dear Ms. Hedrick:

Thank you for contacting my office on behalf of the House of Representatives and bringing Resolution No. 72 to my attention.

As you may know, largely in response to Resolution No. 72, the congressional delegation, state and local officials convened a meeting with the Federal Aviation Administration to discuss the matter of noise abatement in depth on May 18, 2004. I believe this meeting was productive and will help us examine and address this issue.

Thank you again for sending me a copy of Resolution No. 72. As I value the input of the state's House of Representatives and its capacity to examine federal issues through a local lens, I encourage the House to continue providing me with their perspective on federal matters.

With personal regards, I am

Sincerely yours,
Thomas R. Carper
United States Senator
