I.F.C. Sets Dates For Playbill Periods

The Inter-Fraternity Council, headed by Francis "Hank" Hammond, president, has released the program for the I. F. C. weekends, held during the spring of each year. The relative dates are as follows: April 13, Sigma Phi Epsilon, Alpha Tau Omega; April 27, Theta Chi, Sigma Nu; May 5, Pi Kappa Alpha, Alpha Epsilon Pi, Delta Tau Delta; May 11, Phi Kappa Tau, Kappa Alpha.

The schedule for the I. F. C. playbill, staged during the same period, has also been announced. The following schedule is based on the order of appearance of each fraternity: April 18, Delta Tau Delta, Alpha Epsilon Pi, Alpha Tau Omega, Pi Kappa Alpha, and Phi Kappa Tau; April 19, Kappa Alpha, Theta Chi, Sigma Nu, Sigma Phi Epsilon.

Additional information regarding the development of each fraternity's plans will be supplied in succeeding issues of *The Review*.

DAVE HOYER

Faculty's Work Exhibited

An exhibition of books and articles published by members of the faculty during the last decade opened in the prints room of the Memorial Library last Monday. The display, sponsored by the faculty research committee, will be open to the public without charge until March 24.

Dr. Walter Kirchner, chairman of the committee, commenting upon the significance of the exhibit, said that "the great American universities as well as those all over the world have always considered the research work of faculties as one of the most important contributions which their members can make to the civilization of their time. The pushing back of the edges of ignorance, as Dr. Dunlap put it last week, and the conservation of existing knowledge through research form, indeed, a most essential part of our work. Moreover, to disseminate, beyond the classroom, the knowledge accumulated in the course of the work of a professor through creative scholarship has always been a foremost duty of every scientist and every institute of higher learning."

"The faculty of the University of Delaware has contributed to this part of scholarly endeavor, and it is well worthwhile for all students of the university and all other people interested in the work of our state university to be acquainted with the significant results of its research. Unfortunately, the space for the exhibit is limited and does not allow the display of all available material. Some of the most important publications had to be omitted for the sake of getting as representative a cross section of the university's research contributions as possible."

The exhibit contains President Perkins' work on "The Role of the Governor of Michigan in the Enactment of Appropriations"; three of former President Sypherd's

books: "The Book of Books," "Jephthah and his Daughter," and "The Literature of the English Bible"; Dr. John Stoudt's "The Way to Christ"; Anna J. DeArmond's "Andrew Bradford, Colonial Journalist"; Earl P. Hanson's "New Worlds Emerging"; Walther Kirchner's "An Outline History of Russia"; H. Clay Reed's "Delaware, a History of the First State"; R. O. Bausman's "An Economic Study of Land Utilization in New Castle County"; Carl J. Rees' (co-author) "Nautical Mathematics and Marine Navigation"; and Dr. A. R. Dunlap's (co-author) book, which was released on the very day of the opening of the exhibit, "Indian Place-Names in Delaware."

S. G. A. Committee Chairman Reports On Campus Parking

Once again it has come to the attention of the University Administration and to the S. G. A. Parking Committee that the students have been abusing the fundamental courtesies of civic cooperations and pride. Commuters have continued to dispose of their lunch bag waste in the streets and drivers have time after time violated the parking ordinances on Kent and Amstel Avenues.

The parking facilities at the University are limited but students have not been making the most of the facilities that are offered. Now that the weather is improving there should be less resistance to making use of the lots behind Old College and north of Robinson Hall. Students fail to realize that the time saved in parking in these lots would more than compensate for the time lost trying to park on

Amstel Avenue or Kent Way. A money saving too, might be accomplished in view of the renewal of law enforcement on those streets by the local gendarmes.

Back of the whole problem is a matter of common courtesy. Who can blame the residents of the Kent and Amstel area for complaining? You, too, would complain if your driveway was blocked and there was an emergency call to be made. University public relations are the concern of every student. The residents of Newark, if aroused, could make it pretty tough on the student driver by the parking-meter or fine method. If we think and act out of due respect to the other person's rights we will all benefit.

"Girls Must Pay" Weekend Starts This Evening

By ANN FERGUSON

For the first time on the University of Delaware campus, the women will pay! "Women's Weekend" will begin Friday night and continue through Sunday afternoon. Fun and frolic for all have been planned by the girls.

Things will start rolling in Mitchell Hall at 7:00 p. m., Friday. Here, the various dorms will compete for the Carlson Cup which was won last year by Sussex Hall. The cup will be awarded to the Dormitory presenting the most original and entertaining production. Each group will be allotted 40 minutes to display a variety of talents in dramatic and choral work. Everyone is invited to attend. Since this is the only money-matter involving the boys, a silver donation will be accepted.

The blarney will run riot Saturday night at the dance held in the Field House. Shamrocks, leprechauns, and a nearby authentic blarney stone will capture the St. Patrick's Day theme. Much work and effort have been expended by the girls in developing this idea. Lois Weiser has used her artistic talents to create a really Irish atmosphere.

Dave Hoyer's Del-Melodians with Chris Walton as featured vocalist will urge the dancers to compete with the vivacious caricatures of Irish dancers along the walls. Surprise favors will be presented to the boys by their dates. Refreshments—free for nothin'—will be served at Old College during a half-hour intermission.

On Sunday all the dorms are providing a special entertainment. New Castle is having a buffet-dinner and a scavenger hunt. The freshmen are going to take over the gym, while the other dorms hold Open House. Thus, will end the first "Women's Weekend" ever held at the University.

A continuation of this idea will depend on its success this year. The girls have been doing their part to show how really wonderful a "Women's Weekend" can be. Everyone on campus should cheer their efforts.

Aggies' Annual Dad-Son Banquet Saturday, March 17

The Ag Club's annual Father and Son Banquet will be held on Saturday, March 17, at 6:30 p. m. in Kent Hall.

The speaker this year will be Mr. C. E. McCauley of Newark. Other special guests will be: Dr. John A. Perkins, President of the University; Dean George Schuster of the School of Agriculture; Gov. Elbert N. Carvel and son; Dean J. Fenton Daugherty; Dean William O. Penrose; Dean Francis Squire; Mr. George M. Worrlow, Director of the Delaware Agricultural Experiment Station; Mr. Paul W. Mitchell, member of the Board of Trustees; and all Agricultural School faculty members.

The Banquet Committee under the chairmanship of Lee LeCates, consists of Frank Miller, Gifford Crothers, Ken McClellan, and Jim Maxwell.

In picking a speaker this year, the committee decided that rather than bring in an outside speaker they would secure a successful alumnus. Mr. McCauley, a member of the class of 1932, is a native of Bridgeville, Delaware. He was a Delaware 4-H Club Agent for several years and is well known to most of us. He is now associated with Southern States Cooperative.

Tickets which went on sale last week may be secured from any member of the banquet committee.

PRINCESS AWARDED ORCHID

ALICE MARTIN AND VIC BEIRIGER

Alice Martin Chosen Cherry Blossom Princess

U. of D. Junior Represents State; Will Be Honored Guest In Washington

Last Friday, the students selected Alice Martin to represent the state in the National Capitol Cherry Blossom Festival in Washington on April 5, 6, 7, 8. Alice was presented to the student body by Fred Hartmann during the Freshman-Varsity basketball game in Carpenter Field House on Friday night. Vic Beiriger, treasurer of the SGA, pinned an orchid on the lovely princess.

A dinner on Wednesday, April 4, by members of the Delaware State Society in Washington and the Washington Chapter of the Delaware Alumni Association will start next month's program of gay activity for Alice.

The University Junior will be guest of honor at the banquet on Wednesday evening at the 2400 Club in Washington.

The next day will mark the beginning of official visits to the Capitol, where she will meet high government leaders; publicity appearances scheduled by the Washington Board of Trade; meetings with the other princesses, and attendances at many parties and dances. Her trip to the Capitol will be sponsored by the News-Journal Company.

Although details of the National Cherry Blossom Festival have not yet been received by the Delaware princess, the highlight of the celebration on April 5, 6, 7, and 8 will be the Friday evening ball at which a wheel will be spun to determine which of the many princesses will be the festival queen.

Alice and her parents will be guests of the News-Journal Company during their stay at the Mayflower Hotel in Washington for the festival.

On Saturday and Sunday afternoons the huge outdoor festival will be held on the banks of the Potomac River among the famous cherry trees, which the Washington Board of Trade hopes will be in bloom by the weekend of April 7-8. For her many public appearances, including the luncheons and dances, Delaware's princess will receive a personally chosen wardrobe provided by the News-Journal Company.

APPROPRIATE

Tombstone, Arizona, population 650, has an appropriately named newspaper, "Epitaph."

38 Seniors Elected To National Honor Society From Here

Thirty-eight seniors have been elected to membership in Phi Kappa Phi, national honorary society which recognizes academic achievement. In addition, two members of the faculty, Miss Jane L. Gardiner, Associate Professor of Art, and Donald MacCreary, Associate Research Professor of Entomology, were elected.

The 38 students represent the highest bracket of the Class of '51 academically. The will be initiated during Honors Day ceremonies in May.

The newly-elected members are: Mary J. Bradshaw; Janet L. Clark; Alice Jean Coon; Edward R. Cordray; Paul Davidson; Lois M. Deiss; Robert Dickerson; Arthur F. Duncan; Florence E. Duncan; Bernard Freedman; Barbara Ann Gilling; Francis M. Green; William H. Groetzing; III; Clarence T. Harkness, Jr.; Robert W. Knox; Charles G. Kofler; George H. Kumler; Beverly B. Lester; Joseph H. Lukens; Mark J. McDonough; Robert J. McFarlin; Sidney Marantz; Dora Monaco; Keith G. Parthemore; Joseph F. Pawlikowski; James O. Porteus; Mervin Rosen; Neal J. Rothman; Mary H. Sagan; Gregory Sarmousakis; Albert M. Skinner; Donald M. Stewart; Lois C. Streithof; John B. Sullivan; Joan H. Wallis; Walter F. Williams; Jane Wood; and Thomas A. Wood, Jr.

Draft Director D. W. Troll To Address Student Body

By DON KIDDOO

Next Thursday, March 22, during College Hour, Mr. Douglas W. Troll, State Director of Selective Service, will address the student body in Mitchell Hall. He will explain the present draft status of college students and attempt to clarify the many college draft regulations which have been released in the past several months.

Mr. Troll will be introduced by Mr. Milt Roberts, Coordinator of Student Affairs of the university. Following Mr. Troll's address, a question session will be held during which students will have an opportunity to quiz the Selective Service Director on personal and general draft problems.

When interviewed by *The Review*, Mr. Troll stated that he felt that there is so much confusion and lack of full understanding of the present Selective Service law and policy, and its effect on college students, that a clarification was necessary. His address on Thursday will attempt to effect this clarification.

Mr. Troll stated that the assembly was open to the general student body, but that all men, especially Delaware men, should be specifically invited to attend.

Lights Over South Campus

For a number of years, decent lighting has been needed on the paths south of the library. At long last, the University emplaced spotlights on the top of the library.

Are the paths well lighted now? No. The sad fact is that though these lights shine forth well-meaningly enough for the first fifty yards, there is still darkness throughout the area where lights are needed most.

Thus, the circle in the garden where some unpleasant incidents have occurred, still is without sufficient lighting. We don't wish to belittle the efforts of the University to rectify this matter, but we wonder if it would be possible to further improve the situation by placing lights over the walks through and around the garden circle.

If well-lighted walks will prevent any of these unpleasant occurrences from happening again, then it is well-lighted walks that we need, and not the futile floods of searchlights.
N. J. S.

THEATRE REVIEW

By GIL KOFFLER

If ever an actor fitted a part, he is Edward Everett Horton in *Springtime For Henry*, seen at the Playhouse recently. Both have been around for years and years—the play since 1931, Mr. Horton for quite a bit longer—but the end of their long-lived partnership (on and off since 1932) is not yet in sight. In fact, *Springtime For Henry* will appear on Broadway soon with Mr. Horton as Henry for the first time. If the reaction of the traditionally cold Wilmington audience is any indication, *Springtime For Henry* should become a semi-permanent fixture in New York. Its witty lines and plot neatly avoid any subjects that would cause "ageing."

Springtime For Henry is a delightful farce about a thoroughly debauched scoundrel, Henry Dewlip, his temporary reformation to decency, and his final, happy return to utter profligacy. Although the Johnson office would never approve of the ending (Henry follows a friend's wife into the bedroom), Mr. Horton deftly manages to convince the audience, with his beguiling drollery, that this is the only possible state in which the philandering Henry could happily exist. Mr. Horton's every movement, every minor inflection of the voice, every facial expression is a polished perfection of acting. He is funny without saying a word. He makes the character of Henry Dewlip become as tangible as a next-door neighbor.

The rest of the small (5 actors) cast is unusually good, especially a British import, Hugh Wakefield, who plays the part of a blustering, somewhat befuddled Englishman.

By HELEN LILLEY

Let Me Hear the Melody by S. N. Behrman, which will open on Broadway, March 27th, had its premiere last week at the Playhouse. The play, primarily about the artist's place today, is obviously another take-off on the life of F. Scott Fitzgerald. However, Behrman says he got the idea to write the play, long before the Schulburg and Mizener revival, when he met Fitzgerald in Hollywood. It is the kind of play that has a profusion of sophisticated dialogue and a subdued plot which would make enjoyable reading but slightly less enjoyable theatre.

This story of a washed out, romantic writer, who finds himself entangled in Hollywood's intricate production system, severely criticizes the movie capital's people and morals. Movie making today is "trying to write *Paradise Lost* and build the Panama Canal all at once." The hero is an introspective idealist living in a materialistic world where the Napoleons outnumber the St. Francis.

The script has great versatility in the number of themes discussed. They range from philosophical discussions of "the weak shall inherit the earth," "the world is too addicted to the machine," "the artist has deeper insights into life," all the way to contrapuntal music versus harmonic music. The producer complains that his composers won't write melodies for his pictures. "Let me hear the melody!", he frantically screams. I wouldn't be surprised if an irate audience floundering in this torrent of unconnected ideas might not make the same demand.

Alumni Corner

By JEAN LAWLESS

Catherine Bilderback '50 is now employed in the field of merchandising at the new Sears Roebuck Store in Wilmington.

Sherman Longacre '50 was married recently to Miss Roberta Lord Latimer of Wilmington in a ceremony held in West Presbyterian Church. They are now residing in Lancaster, Pennsylvania.

Mr. and Mrs. William Keller of Wilmington have announced the engagement of their daughter, Ruth, to Mr. Henry Galperin '50. Henry was a member of Alpha Epsilon Pi while on campus and he is now in the U. S. Air Force stationed at the Dover Air Base. Ruth is a member of the sophomore class here.

A daughter was born on February 25 to Margaret Guenver Sedwick '49 and her husband John Sedwick. Margaret was well known on campus for her participation in E-52 productions and Johnny is a senior at Delaware now majoring in Dramatics.

Charlie Griffith '49 has left his coaching position at Pennsgrove High School to accept a position with Lever Brothers Company in Atlantic City.

Dolly McNulty Harris '49 has a daughter named Heather, who was born on November 13, 1950. They are living in Worton, Maryland.

Howard Martin '49 has moved to Hatboro, Pennsylvania, where he is employed at the Naval Air Development Center as an electronics engineer.

Bob Levine '48 is teaching part time, in the evening, at Brooklyn College, and this semester has courses in newswriting and playwriting. He is enrolled at Columbia University while working for his doctorate.

Jane Lynam '43 and Bob McCurry '46 welcomed a seven pound daughter into the family on March 5. The McCurry's, who live in Appleton, Wisconsin, have named the new arrival Josephine Davis.

To E. J. Wilson '39 and wife, Peggy, of Wilmington, a son was born on March 2.

Emery W. Loomis '14 has been elected a vice-president of Westinghouse Electric Corporation. Emery, who has been with the company since graduation, received in 1942 the Westinghouse Order of Merit, the Company's top award to employees. He is president of the Electrical Association of Philadelphia and a member of the American Institute of Electrical Engineers, the Pennsylvania Electrical Association, and the Illuminating Engineering Society. His daughter, Virginia, is on campus as a member of the class of 1952.

John N. Lyndale '10 was recently re-elected to the Wyoming Town Council.

Let me remind you again to send any news items you may have about yourself or your fellow alumni to the Alumni Office, Purcell Hall. See you next week.

NOTICE

In order to determine the need for Campus Housing for the Academic Year 1951-52, ALL MALE STUDENTS who desire a room on Campus next Fall are requested to come to my Office by March 17, 1951 and sign a room request form. Because you occupy a room at this time does not mean that you are automatically assigned a room for next Fall.

In requesting a room, I feel you ought to know that, beginning next Fall, there will be a substantial increase in room rent. I do not know the amount at this time.

J. Fenton Daugherty
Dean of Men
March 13, 1951.

NOTICE

The Art Department Announces:
1. An exhibition of original watercolors by Charles Demuth will be shown in the Art Gallery until March 31.

2. On March 20 and 21 Dr. George H. Hamilton of Yale University will give two lectures open to students and faculty.

Dr. Hamilton will address the Art and Philosophy Clubs on March 21. Tea will be served and everyone is invited.

C'est La Vie

By NORM SETTER

The Model T is my car.
I shall not want another.
It maketh me to lie down in wet places,
It soileth my soul,
It leadeth me into deep waters,
It leadeth me into the paths of ridicule for its name's sake,
It prepareth a breakdown for me in the presence of mine enemies.
Yea, though I run through the valleys, I am towed up the hills.
I fear great evil when it is with me,

It anointeth my face with oil,
Its tank runneth over,
Surely, if this thing follows me all the days of my life,
I shall dwell in the house of Insanity forever.

She was only a clergyman's daughter, but you couldn't put anything pastor.
—MISSOURI MINER

LIKE FATHER LIKE SON:

An enthusiastic Harvard alumnus took his son to see the traditional Harvard-Yale game. In the midst of the excitement he felt his son tug at his elbow and say, "Daddy,

can I wee?" Not wishing to be disturbed he answered, "Not now—later." Time after time this happened, and time after time he told the boy, "Not now, wait until half-time." Finally, the first half was over and the boy again tugged at his father's sleeve and asked, "Daddy, can I wee?" His father exhaustedly said, "Alright, alright, come on." The boy jumped to his feet and shouted, "Weeeee!"

Les Riggs says that it takes four to play bridge, but only a cannibal can throw up a hand.
IT HAPPENED
On a ride in the country, She: Would you like to see where I was vaccinated?
He (expectantly): Yes, indeed.
She: Well, keep your eyes open.

We'll drive by there any minute.
IT PAYS TO BE GOOD
His mother began to worry when she hadn't heard any noises from upstairs where her young son was playing. She called, "Junior, what are you doing up there?" He answered, "Nothing. How can I, with you, Jesus, and Santa Claus watching me?"

DEFINITIONS TO LIVE BY:
Steam: Water gone crazy with the heat.
Chiropractor: A guy who gets paid for what other guys get slapped for.
—Missouri Miner

Love starts when she sinks in your arms, and ends with your arms in the sink. —C'est la vie.

Varsity Club Sponsors Cage Title, Gives Benefit Show

Mr. Groo, director of Alumni Relations, is shown above accepting a gift of \$300.50 from Don Boorse, President of the Varsity Club, in behalf of the 1951 Stadium Fund Campaign Committee. He commented, "The initiative and enterprise shown by our Varsity Club in planning the benefit game for the stadium fund speaks highly for that organization. We are very grateful for its cooperation. We appreciate, also, the splendid support given by the students, faculty, alumni, alumnae, and friends, who turned out in large numbers for the game. Thanks go, also, to the varsity, freshmen, and intermural championship squads who played hard, clean basketball in an exhibition of fine teamwork, equalled only by that shown in overall effort to make this project a huge success, which it certainly was in every respect. Our grateful thanks are extended to all who had a hand in making it possible. This fresh evidence of the support being given us in our efforts to secure funds for the stadium will give added impetus to the campaign as a whole."

Grounds Committee Promotes Campus Clean-up Campaign

By VERA LAIR

The new chairman of the S. G. A. Grounds Committee is Devereaux McCarthy. Membership of this committee consists of representatives from each group living on campus. The purposes of the committee are to stimulate student interest in keeping the campus clean and beautiful, and to formulate suggestions for the administration on ways of improving the beauty of the Delaware campus.

The problems which concern the committee are: (1) the paths worn through plots of grass because students will not take time to walk around; (2) the trash thrown from cars which park on Kent Way, Amstel Avenue, etc. Complaints of this sort have been raised by Newark citizens; (3) the problem of cigarette butts in buildings and on the grounds; (4) the use of trash cans near the post office instead of throwing notices on the floor.

The first problem — unsightly paths through grass plots—can be remedied only by student cooperation. The campus lawn will soon be rolled and these bare places will be fertilized and seeded.

Suggestions Made by Committee
The committee urges that students use the available sand cigarette disposal urns instead of littering the buildings and grounds with their cigarette butts. The committee is considering the addition of more urns at strategic points.

Another item which the committee has under consideration is the construction of several outside bulletin boards to keep students posted on activities. Complaints about muddy conditions around the barracks, damage done by University trucks, and student cars tearing up the grass are being considered.

This work of the S. G. A. Grounds Committee is an attempt to improve the looks of the campus by student interest and cooperation. The campus grounds receive a great deal of attention and care. The campus contains approximately 86 acres and has numerous plantings to be cared for.

Trees Sprayed
Recently men of the maintenance

department have been spraying the campus trees. This is done every spring to prevent damage from aphids and scale. It is a dormant spray which must be applied just before the leaf buds burst, when it is not freezing weather.

The trees lining the walk from Main Street to Old College are American Linden trees, the lives of which have been extended by the careful attention given them.

Later in the season, when the trees are in leaf, spray is applied again to combat Japanese beetles and leaf-borers which attack the trees. The elm trees along the walks from Main Street to the Library must be closely watched for Dutch Blight, which removed to prevent its spreading to other trees.

Publicity Campaign Starts

On lower campus the trees are chiefly locusts, with a few oaks and poplars. The magnolias and crab trees provide a touch of beauty along the walks south of the Library. The numerous evergreens provide a background as well as a touch of green during the winter months.

Thomas McAlpine, the tree surgeon, devotes his whole time to the care of trees and shrubs on the campus. The four things of chief importance in the care of the trees are spraying, feeding, pruning, and filling cavities. Other items in caring for the grounds are mowing grass and trimming and training ivy on the walls and buildings.

Among the prized shrubs on campus are the boxwoods in front of Mitchell Hall. These shrubs require special treatment by the maintenance men.

In order to increase student interest in the grounds, the Grounds Committee is starting a publicity campaign today March 16. This campaign will begin to enlist student cooperation in handling some of the problems of cleanliness. The Rally Committee will aid this effort by providing posters for the campaign.

Experience Proves Frosh Downfall In Exhibition

University history was being made in the Carpenter Fieldhouse last Friday night. The Varsity quintet trounced the Frosh 76-51. Alice Martin was announced as the winner of the Cherry Blossom contest. Coach Dave Nelson made his first public appearance at Delaware, and Sigma Phi Epsilon defeated the All-Stars 51-32. A crowd of 700 witnessed the Varsity Club sponsored program and contributed \$275 to the University Stadium Fund.

In the Varsity-Frosh cage event, Dick Goldberg with 20 points and Dick Evans with 19 spurred the upperclassmen to victory. Frank White and Ray Crawford, scoring 18 points and 14 respectively, took high scoring honors for the Frosh. The score at the half favored the Varsity 34-18. Throughout the game the Varsity remained in complete control, outshooting the Frosh 14-1.

At the half-time of the Varsity-Frosh contest, Fred Hartmann announced the selection of Alice Martin as the Delaware Princess. Vic Beliger, SGA treasurer, presented the princess with an orchid corsage on behalf of the student body. Hartmann then read a wire sent by U. S. Rep. J. Caleb Boggs congratulating the new princess.

Nelson Makes 1st Appearance
Coach Dave Nelson made his first public appearance before the Delaware student body shortly after the close of the Varsity-Frosh game. His pleasant personality met with the immediate approval of the students. Nelson said he feels at home here at Delaware and finds the people very friendly. Due to Coach Murray's efforts, the University is in excellent condition, he continued. "I will do everything I can to carry on and improve that condition. If I don't succeed, it won't be because I didn't try," Nelson.

(Continued on Page 4)

Dr. Rasetti Gives Lecture Today On Nuclear Physics

Dr. Franco Rasetti, Professor of Physics at Johns Hopkins University, will address an open meeting on Friday, March 16, at the University, on "Recent Geological Applications of Nuclear Physics." Dr. Rasetti is the author of one of the best-known books on nuclear physics and has published numerous papers in physics and paleontology.

The meeting will be held at 4 p. m. in room 220, University Hall. Dr. Rasetti will be at Brown Hall, at 1:30, on the same day for informal discussion with groups interested in physics, geology, and paleontology. On Saturday, March 17, Dr. Rasetti will meet with the students and staff in physics to discuss topics of mutual interest.

Teachers Attend Music Workshop

More than 200 Delaware school teachers attended a music educator's workshop Sunday at the University. The workshop was sponsored by the University's music department, and featured two demonstrations in the use of rhythm.

Fourteen first-grade children of Newark participated in the first demonstrations, under the direction of Mrs. Edna W. Doll. A second presentation illustrated "The Importance of Rhythmic Training for Adults."

At a luncheon meeting, the teachers were greeted on behalf of the University by Dr. John A. Perkins.

Book Exchange Report

Alpha Phi Omega reports that through Student Used Book Exchange the student body of the University earned \$1171.99 by selling their used text books.

Income:	
Service charges.....	\$108.60
Sale of donated books	24.85
Total income	\$133.45
Less expenses:

DICK FOSTER

Bowen & Mooney To Model For Photography Club

Senior Mary Lou Bowen and freshman Peggy Mooney will be the models at the Photography Club's second "Model Night" to be held on Friday evening, March 30, from 7:00 to 10:00 p. m., in Mitchell Hall.

The use of two models will allow greater variety in poses and will give the photographers more room to work.

The members will enter their photos in a competition to be held at the end of April. All Photography Club members in good standing are invited to attend and to enter the contest. Closing date for entries is Monday, April 30. Judges will be announced at a later date.

Dick Foster Directs Variety Show For Handicapped Kids

Don Boorse, Varsity Club president, has announced that the club is making plans for its annual variety show to be held March 26 and 27 in Mitchell Hall. An admission, probably 50c, will be charged with all proceeds going to the Wilmington Day School for Handicapped Children. Dick Foster, committee chairman of the show, met with Dev McCarthy and Bob Schechinger last Tuesday to discuss the program for the variety show.

The theme of the show will be the rise and fall of the University of Delaware. This year's show, following tradition, will furnish the audience with good music and plenty of laughs. Talent for the show will come largely from within the Varsity Club, with the exception of a few specialty acts being volunteered.

Such familiar scenes as South campus, the Student Union, and Old College figure into the program with numerous surprises in store for the audience, surprises that will not be revealed until opening night.

Dick Foster is the director, Don Boorse the stage manager, and Dev McCarthy and Bob Schechinger split the job of introducing the acts. The tentative chorus line-up is made up of such North campus beauties as: Emil Milner, Ray Wright, Fred Schenck, Al Brodhag, Don Swan, Joe Kwiatkowski, Milt Keene, Tom Bonelli, Ducky Carmichael, Tom Baylis, John Buechele, Archie Rapposelli, John Meccariello, and Seymour Kaplowitz.

Dick Foster strongly urges all participants to attend the practice sessions. The practices for the show are to be held as follows:

Monday, March 19, Wolf Hall 7 p. m.
Tuesday, March 20, Wolf Hall, 7 p. m.
Friday, March 23, Mitchell Hall, 7 p. m.
Sunday, March 25, Mitchell Hall, 6 p. m.

Dr. Starkey Recalled to Service

By HAROLD SMITH

Dr. Lawrence G. Starkey, Instructor in English and Chairman of the Committee on Student Publications, has been recalled to active service with the U. S. Air Force, effective immediately. Dr. Starkey left the campus on Wednesday to report to MacDill Field, Florida. He will re-enter the Air Force with the rank of captain.

Dr. Starkey served four years during World War II as a statistical officer. Two of those years were spent in China with the Fourteenth Air Force. Upon his return to civilian life, he enrolled at the University of Virginia, and subsequently earned his Ph.D. in English. Besides doing graduate work, Dr. Starkey also taught while at Virginia.

Starkey, a native of Templeton, Mass., joined the University's English Department in September, 1950. He is the second U. of Delaware teacher to be recalled to active duty with the armed services. The first instructor recalled was 1st Lt. Harold W. Chase, USMC, an assistant in the Political Science Department.

The classes taught during this semester by Dr. Starkey are now being conducted by Mr. Richard D. Stein, a native of Philadelphia, Pa. Dr. Stein is a graduate of the University of Pennsylvania, having received his bachelor's degree from there.

ASME Elects

ASME officers for 1951-52 were elected at a recent meeting. The results of the elections were as follows:

Chairman	Ed Milligan
Vice-chairman	James Jones
Treasurer	Ed Fluevog
Secretary	Seward Jones
Representatives for Engineering Council	
Senior	Bob Monohan
Junior	Charles Hyde
Mr. F. Drechsler was reelected	
Honorary Chairman.	

DR. LAWRENCE STARKEY

Duke and Duchess Bites Feeding Hand

The Duke and Duchess, student humor magazine at Duke University, has been suspended from publication. The ban came after the magazine had devoted an entire issue to a satire on the Littleworth family (called the Duke family), endowers of that institution.

Here is a fairly typical passage from that issue, which may have helped inspire the ban on the part of university authorities:

"Young Diane Littleworth inherited piles from her father. Considering her painful childhood, Papa always made certain that there was a shack over her head. . . . Her education was of the finest, but not of the most practical sort for Papa always insisted, 'Hell, I didn't need no Latin to make my piles.'"

"Diane took a fresher viewpoint and would reply, 'I wouldn't need these piles to make my Latins.'"

Review Sports

UNIVERSITY OF DELAWARE

Chicken' Chat

By ARLENE McGEE

At last the time for the long awaited Aquatic Show is rolling around again. Last year the colorful water pageant was so successful and the bleachers were so packed that it was decided to extend the entertainment to three big nights this year. Tuesday, Wednesday, and Thursday, March 27, 28, and 29 have been set as the dates. Nancy Nicoli, Aquatic Club President, spoke for the club in saying that they expect and hope for the same enthusiastic attendance again this year. Don't forget to make a place on your calendar for a hike down to the Women's Gym to see one of the more unusual events of the year. More about the Aquatic Show in *The Review* next week.

Twenty-six girls have signed up to compete in the badminton singles tourney which will begin immediately, and 18 couples have entered the doubles tourney.

Matches can be played at anytime when the Mirror room is not being used. This room is open every evening, and a list has been posted on the bulletin board telling when it is free during the day.

The deadline for Round 1 is March 30. Round 2 must be completed by April 13th, and the quarter final by April 20th. Semi-finals and finals are to be scheduled with the manager.

The playoff listed on top of each bracket is responsible for arranging the match by contacting her opponent or by writing in a time when her match can be played. A list of the names of every player, the time she can play, and where she lives will be posted on the W.A.A. Bulletin Board. From this chart it will be possible to choose a time convenient to both of you and to write it on the chart. This must be done the Monday before the deadline of the round. If the top person does not arrange the match by writing in time on Monday or by contacting the other person, she defaults.

The winner will be the player with the best three games unless by mutual agreement the players decide to play one game.

Several members of the Aquatic Club traveled to New Jersey College for Women at New Brunswick, N. J., last Saturday to participate in a swimming play day. As part of the program they competed in mixed swimming color-teams and gave a demonstration of synchronized swimming.

VARSITY TROUNCES FROSH

(Varsity Club Benefit from Page 3)

NICE JUMP, STUMP

Pictured above is Dick "Stump" Harris attempting a hook shot during the Varsity-Frosh game last Friday night in which the oldsters walked to a win, 76-51. This shot tells the whole story of a game in which the Frosh were simply out-gunned from start to finish. Also in the pic is Skip Crawford, guarding Harris, and Frank White, (21) coming up for a rebound which nearly came.

The contest sponsored by the Varsity Club for the benefit of the Stadium Fund drive, served to once and for all dispel any lingering doubt in the minds of Delaware cage enthusiasts as to who wears the jock in Carpenter Field House.

son commented. Following Nelson's brief talk, the Cheerleaders led the group in the singing of the Alma Mater.

In a later interview Nelson remarked that he was very much impressed by the enthusiasm the football team has displayed. Nelson said earlier, upon his arrival at Delaware, that he will use either or both the single wing and T formation depending on the type of material available. Murray used both last year.

Shockley Scores 16

The preliminary event of the evening was the Sigma Phi Epsilon vs. the All-Stars cage clash. Twice in the first half the All-Stars managed to tie the score but the well co-ordinated Sig Ep team began to settle down. The score at the half was 21-16, Sig Ep. The fraternity team sparked well ahead in the second half outshooting the All-Stars 2-1. Bill Shockley, SPE captain, took high scoring honors with 16 points. John Allen, All-Star center, led his team with 9 points. The players on the All-Star team were selected as being outstanding in the National and American Leagues.

An informal dance lasting until 12 o'clock concluded the evening's program. Recordings furnished the music for approximately 200 couples.

The summaries of the games:

Matmen Complete Successful Season

Led by Jim Michael, 177 pound grappler, Whitey Burnham's wrestling team turned in an impressive 5-3 log this past season.

Michael, who led the groaners with a 31 point total as against only 5 points lost, was Burnham's leading tally-producer. In the eight bouts in which Jim participated, seven ended in the black half of the ledger—only one in the red.

Second in the point parade was heavyweight Tom Schultz. Schultz, defeated only by MASCAC wrestling champ Bill Helferrich, accumulated 28 points. Incidentally, in the Helferrich match, it may be noteworthy that Helferrich outweighed Tom 30 pounds—235 to 205.

Don Rumer, 130 pounder, went through the entire campaign without being pinned, winning four bouts, dropping only two by the decision route, and was held to one draw. He was third high-point man with 22.

Following the Muhlenberg match, the Hen grunners were considerably weakened by the loss of a trio of key men. George Snyder, Matt Mitten, and Leonard Clapp, who, in the bouts in which they had taken part, had accumulated 38 points, were lost following mid-term.

A highlight of the season was the Swarthmore meet in which all of the Bouts ended in a fall. Delaware garnered six of these to win 30-10.

Prospects for the coming year are exceedingly bright with a host of stars returning. These include Schultz, Rumer and Michaels. Coming up from the frosh will be Vince Stallone, undefeated 167 pounder, who averaged under two minutes per meet in gaining a fall. He pinned his opponent each time out.

Hen Tankmen Lose In EC AA Tourney

After a record breaking season, Coach Harry Rawstrom's Mermen finally broke under the strain last Saturday at NYU where they attempted to make a name for themselves in the Eastern Collegiate. The swiftest of the swift placed in only two events. The first was the 300 yard medley relay. Art Mayer, Captain Charlie Lloyd, and George Ester combined to take a fourth in the time of 3:10. Seton Hall took first with a 3:02 followed by Rutgers, Fordham, Delaware, Lehigh, and CCNY in that order.

The only other place was taken by Art Mayer in the 200 yard backstroke. Mayer placed sixth in this event. He was beaten by Hammel of Seton Hall, Fannin of Pitt, Benza of Seton Hall, Peachey of Lehigh, and Selp of Lehigh. The winning time of Hammel was 2:21.7. Mayer's time was 2:29.

The Mermen finished off one of their best seasons with seven wins, three losses, and a staggering total of 22 records broken.

Past Season In Retrospect Prospects Look Rosy For 1951-52

By DON KIDDOO

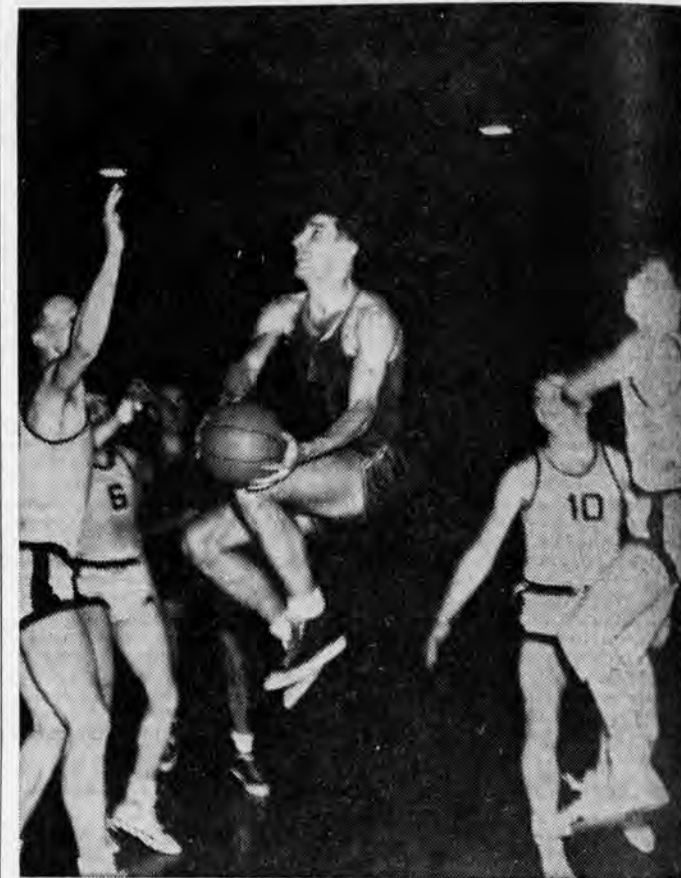

After a post-war period of comparative mediocrity, Delaware's basketball fortunes began a great upswing during the 1950-51 season. Coach Fred Emmerson, in his second year as head cage mentor, trained a team that tackled one of the toughest schedules ever faced by a Blue Hen basketball team, and achieved one of the best records ever—14 wins against 7 losses.

Of great significance in the long range basketball picture was the tremendous success of the freshman team, which finished with 14 victories and only one defeat. This loss was to Lehigh, and it by only two points. The frosh averaged over 81 points per game, and scored 69 or more points in every

game. If the personnel that made up this fine squad can survive the rigors of academic activity and the armed services' call for manpower, next year's varsity will be considerably strengthened. Since the 1950-51 varsity squad had only one senior, Captain Frank Albera, much experienced talent will be available for what is expected to be Delaware's best basketball year in 1951-52.

The varsity started its season late in November with a trip to Detroit where Lawrence Tech, which later developed into one of the best teams of the nation, staged a second half rally to dump the Hens 62-58. A dismal journey to Philadelphia the following week added loss number two to the rec-

THE FLYING ALL BUGLE

Soaring through the ozone is Frank Albera, lanky captain of Coach Fred Emmerson's quintet this past season. "Ratini" is shown in action against the Swarthmore cagers, who copped the Southern Division crown in the MASCAC. The Birds took it on the beak in this decisive contest, bowing to the Little Quakers 52-50. Albera, the only senior on the squad will be sorely missed next season.

ord, as Temple University turned Bill Mikvy loose and gave the Hens their worst beating of the season, 80-45. Mikvy scored 30 points in the game and was unquestionably the best player that the Hens faced all season.

1st Victories Show Potential

A pair of heartening triumphs over St. Joseph's and Muhlenberg in Carpenter Field House showed the potential that could be developed on the home floor, before a home crowd. The Hens went undefeated on the local court until the last game of the season, when Swarthmore did the trick by a 52-50 count and claimed the Middle Atlantic States Collegiate Athletic Conference, Southern Division Championship as a result. The cagers completed their pre-Christmas schedule with a trip to Buffalo where they lost 54-38.

After the holiday vacation, play was resumed with a tangle with Lafayette at Easton, where loss number four was suffered. Then began the thrilling MASCAC league play. Delaware played each of the five other teams in the circuit twice, and six of the ten games were decided by margins of three points or less; all six were decided in the last minute of play, two in overtime periods.

The Hens opened league play at Swarthmore and won by a lone point on Johnny DeGasperis' foul shot with 13 seconds remaining. The next game, at Haverford, was lost in the last second of an overtime period when Sol Tollin dropped two free throws. Then Drexel came to Newark and was beaten by a ball freeze for the last minute of the game, the score, 50-49. Next P.M.C. tried its luck on the Carpenter Field House floor, and they too were beaten by freezing the ball, but in the last minute of an overtime period.

SN Wins Boxing-Wrestling

Finals in Intramural Boxing and Wrestling were held last Thursday night at Carpenter Fieldhouse.

The champions who retained their titles were Don Shannon, 128 pound boxer; Norm Wilcox, 155 pound wrestler; Jack Jones, 165 pound wrestler; and Joe Lank, 175 pound wrestler.

Sigma Nu took scoring honors. Seven of the sixteen events were captured by the boys on the upper campus. In addition to this, Sigma Nu had four other men in the finals.

Theta Chi had three kings with six other finalists. Tom Bonelli and Jimmy Thomas have not met yet. They are due to face off in the near future.

Past Season

(Continued from Page 4)

round by going up to Ursinus, where a field goal, with 25 seconds left, spelled Hen defeat. Coach Emmerson did what was believed to be impossible in the next game by defeating P.M.C. 73-64 on the Cadets' home court. It was at this stage that the Hens developed a lusty appetite for the MASCAC championship. Three games remained — Drexel, Ursinus, and Swarthmore. The first two were easy. Drexel was beaten in Philadelphia, 75-55. Ursinus was easily downed by a 95-62 count.

With a record of 14 wins and only 6 losses, and with 7 wins and only 2 losses in the conference, the Hens faced Swarthmore in the season's finale before a capacity crowd in Carpenter Field House. Swarthmore possessed an equal record for conference play, 7 wins and 2 losses. The championship was to be decided. At halftime the Hens were leading by a 7 point margin. With a minute left in the game, Swarthmore led by 2 points. The Hens could not score, and lost the championship to a fine Swarthmore team by a single field goal.

Billy Utt, a driving junior guard on the starting team, gained season scoring laurels with 352 points and an average of 16.8 points per game. His consistent point making led the Hens to victory in many games; in seven games he totaled more than

20 points; he made a record 29 against Muhlenberg—20 in the first half—and scored 28 against Ursinus.

"Dodo" Follows Utt in Scoring

Jim Kruzinski, the massive 6'5" center, followed Utt in the scoring column with 267 counters. Next came Captain Frank Albera with 198, Dick Evans with 185, and Dick Goldberg with 148. This quintet is the group that composed the first team for the last half of the season. As the season began, Utt, Goldberg, and Johnny Buechele were alternating in the two guard positions, with Kruzinski at center, and A'be.a and Evan: at forwards. In the West Chester game, Buechele broke a bone in his right hand and was sidelined for the remainder of the season. It was then that Goldberg moved up to a full time starting position, a spot which he capably filled and held through the second half.

Johnny DeGasperi was usually the first substitute to go in, and his blazing spurts won several ball games.

Despite the disappointing loss of the MASCAC championship to Swarthmore, the 1950-51 basketball season will be remembered as a successful season, one that indicated great potential for Delaware basketball, one that was tough, but satisfying in its difficulty.

The Delaware basketball pendulum is beginning to make a long-awaited upswing. The future is bright.

'Neath the Arches'

By DICK BURTON

The tempo of extra-curricular activities picked up tremendously this past week, with most of the social events taking place on the campus.

On Friday evening, AEPI was host to a stag party for the KA's and Delts. A choice variety of food and refreshments were supplied to the hungry Greeks. As is in the case with such affairs, many of the better known campus celebrities were in attendance. Some of them tried their hand at playing the various musical instruments which were scattered profusely around the house. Outstanding at the piano were: Dodo Kruzinski and Spike Fink, with vocal assistance from "Stanley" Gross. Somebody slipped a Charleston

number on the record machine which in turn caused Leo Zuckerman, Don Junghans, Dave Kirkby, and "The Flea" to make with some fancy gyrations. There was plenty of work for the pledges when they cleared out the debris on Saturday morning.

But this riotous gathering was just the prelude to a great weekend which was culminated on Saturday night.

The Hotel DuPont, in Wilmington, was the scene of a gala affair on Saturday evening. The local Thets played host to their brothers from all over the Eastern Seaboard, who had journeyed to the Mecca of Newark. In the Gold Ball Room the Delmelodians did their usual fine job of "making mit der music." Among the many couples present were: Don "we are mutually fortunate" Kiddoo and Alice Martin, Roco Carzo and Dolores DeStephano of Chester, Jack McKenna and Betty Pillow, Jim D'Angelo and

Marty Forsythe, Joe Kwiatkowski and Mary Jane Guenveur, and Duke Bernardo with Pat Emmott. We are led to understand that Ruth Geister's date was an expert on Thumb Tacks, while A. J. Mathews' escort was equally adroit on the subject of Cows. Jane Wagner made a big hit with the troops when she offered to buy everyone refreshments.

Nevertheless, Theta Chi was not alone in playing the perfect host. Kappa Alpha opened its doors to many of the brothers from below the Mason-Dixon Line. Thus on Saturday Evening the House was aglow with Fraternal Spirit.

Among the more spirited couples were: Jack Bradford and Bobby Martin, Jim McNeil and Lucy Finn, Walt Swenhardt and Jean Smith, Bob Davis and Pearl Rose, and Jim Gordon with Susan Legates. It goes without mentioning that the Province Meeting of the Southern Chapters was a big success.

Meanwhile some off-campus activities were held which bear mentioning. On Saturday, a few of the Campusites journeyed up to New York to take in the Invitational Basketball Tournament and some of the Nite Clubs. Included in this little Safari were: Frank Albera and Katherine Barlow, Dick Evans and Connie Hooven, and Dick Goldberg with Dottie Harty. After seeing Lawrence Tech get trounced, they headed for the Cafe Rouge where they wine and dined to the music of Freddy Martin. Next on the Agenda was Nick's in Greenwich Village. On the following day they wound up at Dick Goldberg's for a roast beef dinner and Champagne! We mentioned all of this just to show you that some of the students here are really living!

Returning to Saturday night on the Campus—Sig Ep had a terrific affair from every angle. The entertainment was particularly scintillating . . . Ralph Gasell as M.C.; Dick Maciver, John Buechele, and Les Riggs singing; and a soothing skit starring Jack Jester, Wilson Lewis, and Herb Zachow. Down in the Panther Room "Elkton" Nowland was strumming the Uke to the apparent delight of Pop Hewlett and Betty Skeats. Other On-lookers were: Roger Betty and Joan Gesell, and Hope Orloff with Dick Hughes.

Down at 230 E. Main St., the Delts were engaged in getting rid of that mid-semester letdown. The hit of the evening was an Improptu Quartet which boasted those eminent virtuosos Greg Gause and Tom Waters. "Operator" Milligan again arranged numerous dates by bringing down a carload of Temple girls and Jack Fairchild made a big impression with his queen from Wilmington. Included in this gathering were: Dave Allen and Shirley King, Dick VanBeek and Louise Hann, and "Canvas Top" McFarlin with Jane Good.

Finally, up in Wilmington at the home of Dick Berl, Sigma Nu pitched a dandy. Acting very petite were: Jock Ponton and Lou Marie Walsh, Eddie Minehan and Marguerite Fedele, Arch "another date" Ayers and Kay Hall, and Robbie Stevens with Johnny Runkle. Date Bureau Wilcox seemed to be out of this world and the hit of the evening was when Don Rumer showed with Tom Shaeffer.

Thus we come to the end of "the word for the herd" for this week.

ODK Prepares For Honor's, Award

Omicron Delta Kappa, a national honorary society which recognizes leadership, now has twenty-seven active members on campus.

Dick Wells, president of O. D. K., and Joe Lank plan to attend the annual O. D. K. convention at Washington University in St. Louis during April.

The members of O. D. K. are completing plans for the Honor's Day Award. One classified Senior student will receive the award. The selection will not be based on scholarship or extracurricular activities, but on the contribution of the Senior to the University.

Temple's Bill Mikvy Gets All-American Honor; Collier's, UP

In two major All-American teams published last week, Collier's and United Press, Temple's Bill Mikvy received the nod from the sportswriters of the nation after amassing 731 points in 25 games and putting in approximately one thousand minutes of busy basketball. Authoritative sources predict that Mikvy will be named on the Look Magazine team to be announced this week.

Temple fans feared that the team's mediocre record this season would push the scoring wizard out of All-American ranks, but last Wednesday morning the Owl ace's name topped all other selection on the United Press release.

Last Friday morning when the March 17 issue of Collier's hit the Newstands, Mikvy's position on the nation's top quintet was solidified. More than 200 members of the National Association of Basketball Coaches agreed that Mikvy's size, eleven carried one of the top performers in college basketball circles this year.

The UP and Collier's first-team selections were identical, Bill Spivey, Kentucky; Sam Ranzino, North Carolina State; Gene Melchiorre, Bradley, and Clyde Lovellette, Kansas, all joined the "Owl-Without-a-Vowel" in the nation's epitome of cage distinction.

Early in the campaign when Coach Emmerson's basketballers faced the Owls in Philadelphia, the All-American led his team to victory as he tabbed 30 points against the Birds. Among his other numberless honors, Mikvy holds the distinction of being the highest scoring opponent against the Blue Hens this year.

Receive Bid For New Stadium Field

A low bid of \$11,665 for grading and draining the playing field area of the proposed stadium was received by the University from Pleasanton & Edgell of Dover.

This bid and four others were referred to the committee on grounds and buildings of the board of trustees for consideration. Business Administrator Charles E. Grubb said that action on accepting a bid will be taken as soon as possible, then, actual grading can start when the weather permits.

Although prevented by a federal regulation from building a grandstand, the university is going ahead with work on the playing field.

Army Recalls Prof. Clower

Prof. James I. Clower, of the Department of Mechanical Engineering, has been ordered to active duty for 15 days with the Army Field Forces, at Fort Knox, Ky., from March 25 to April 8. He will be on duty, with Board No. 2, which tests and evaluates all track and wheel vehicles from jeeps to heavy tanks used by the Army.

Professor Clower holds the rank of major in the Ordnance Corp. He served throughout World War II in the Research and Development Service in the office of the chief of ordnance in Washington. He is a specialist in hypervelocity weapons, armor, and armor-piercing shot.

Roughing Charge Denied By Frat

A photographer for the Minnesota Daily recently took a lucky shot of several Chi Psi fraternity members "roughing up" a pledge. The action took place on campus.

The Daily at first refused to print the picture on the grounds that it represented "an atypical situation" in fraternities, and for fear it would be overstepping the bounds of "sensationalism."

But things got out of hand. The photographer, who claimed the fraternity men tried to take the picture from him by force, sold the photograph to the local papers and to two wire photo services. Hastily, the Daily changed its mind and printed the picture along with a story.

The photograph shows several grim-faced youths struggling with the pledge, but a Chi Psi spokesman claimed it "is not what it appears to be." He said the incident was in the spirit of "good fun, and not by any stretch of the imagination, a vicious, sadistic fraternity hazing."

Commented a University official, "As far as the University is concerned... the issue is closed."

Reds Lose Count Of Kansan Signers

A few weeks ago the Daily Worker, official news organ of the Communist party, reported that 11,000 University of Kansas students had signed a petition against the A-bomb, and that the Daily Kansan had "pushed the drive for signatures on its own."

Last week the Daily Worker apologized. In a letter to the Kansan the Worker regretted "that its account, due to an error in transmission, said 11,000 students signed the petition."

The Kansan estimated that not more than 200 University students signed the petition. It added that it "has never 'pushed' such a policy nor is it likely to do so in the future."

Continued the Kansan, "We would like to know what kind of 'transmission' allows such gross errors. If there is an overly-enthusiastic Daily Worker correspondent on campus, he has only to call up the Kansan office, and we will be glad to acquaint him with some of the basic principles of journalism."

Jay Cees Sponsor Annual Miss Wilmington Pageant

The Wilmington Jay Cees, sponsors of the 2nd annual Miss Wilmington Scholarship Pageant extend an invitation to the women of the University to enter the Competition.

The Pageant will be held at the Playhouse on Wednesday evening, May 2nd. This will be a preliminary to the Miss Delaware Pageant to be held in Dover sometime in June. "Miss Delaware" will represent the state in the Miss America contest at Atlantic City in September and vie with representatives of every state, Canada, Alaska, and Hawaii for the crown of Miss America and also for a share of the \$25,000 in Scholarships.

Rules of the Pageant are as follows:

1. Contestants must be a resident of the territory in which the local contest is held for six months prior to contest. This rule is only waived for the contestant whose residence is out of the territory, but who is a college or university student in the territory where contest is held and at time contest is held. She may not compete in more than one Official Preliminary Contest each year.

2. Contestants must be single and never have been married, divorced or had a marriage annulled.

3. Contestants must be high school graduates by September, 1951.

4. The contestant's age on September 1, 1951, shall not be less than eighteen, nor more than twenty-eight years.

5. Contestants must be of good character and possess poise, personality, intelligence, charm, and beauty of face and figure.

6. Contestant must possess and display a talent in a three-minute routine. This talent may be singing, dancing, playing a musical instrument, dramatic reading, or she may give a three-minute talk on the education she is seeking or career she wishes to pursue.

7. Contestant must name the school or schools where she intends to use the Scholarship if she becomes Miss Wilmington.

If girls who are interested would like further information before applying for entry, please contact the Jay Cee office and leave your name and telephone number. A Jay Cee will be glad to meet with you at the University and discuss details.

Applications for entry may be obtained at the office of Dean Rextrew, Room 100, University Building. Send entries to

Wilmington Jay Cees

Wilmington, Del.

HE'S HAD IT

Did you know that the expression "He's had it!" originated in Rome in the days of Julius Caesar. When gladiators fell wounded the crowd yelled "Habet," Latin for "He's had it." The phrase was rediscovered by the R.A.F. in World War II.

HAPPINESS every moment... a world apart. You two alone in a cottage all your own. Luxurious relaxation... lie abed mornings (breakfast until 11:00). Jolly meals shared with other newly married young folks... and fun the whole day long. Dream by the fire, or play in the great outdoors.

Alpha Epsilon Pi

From all reports to the minute, all hands certainly enjoyed the after-game social held last Friday evening. Visiting entertainers Dodo "Pianoroll" Kruzinski and Dave "Ichelestontoo" Allen lended to a real evening—"It was all right in my book!"

Best wishes to Brother Len Slutsky upon his recent marriage. Congrats are also in line for Brother George Stutman on his engagement to Pat Budner—we'd been waiting.

Brothers Fink, Flann, and Elise-man are sure set on keeping their room spick and span—the vacuum cleaner's been heard going full blast at such hours as four in the morning.

Supreme Master Arthur Teich paid a visit to the Rho Deuteron Chapter of Delaware on March 7. Brother Teich was very impressed with local progress—especially concerning Rho Deuteron's newly opened Dining Room.

The AEPI luxurious subterranean lounge—the scintillating celestial cellar den—is nearly at completion. Looks like a perfect dry dock for the S. S. AEPI on BB-3-24, the Buccaneer's Brawl of March 24.

Word of the week from AEPI's Vocab Chiefs Gary "General Knowledge" Greenstein and Barry "I'm well rounded—even though I'm an engineer" Seidel is the word "muliebrity". You know its meaning? Of Kus!

Pi Kappa Alpha

Delta Eta held its semi-annual installation of officers last Wednesday night with—"that Smiling Irishman", Don Shannon assuming presidential duties as S M C. The other new officers in line for congratulations are: Harold Prettyman, I M C; Emil Lewis, S C; and Pete Pelter, T H C. Compliments of a "job well done" go to past officers, Doc Wood, S M C; Bill Thomson, I M C; Bob Saunders S C; and Hal Prettyman, T H C.

Along the Pi Kap athletic line, it was a pugnacious Shannon in the 128's and a dazzled Serpico in the 155's who won in their respective classes during the recent Intercollegiate Boxing Finals. However, in a totally different situation, but with the same degree of aggressiveness, was the tug-o-war that netted Marie Hutchison that long desired pin of Jack "Little Bear Dog" Turkleson's. Fiery, fierce love can bring many dire consequences: in this case, at least, it will be a Pike serenade for Hutch some midnight.

The House Party Saturday night had an "extra lift" with the appearance of little alumnus Marko Bonifito and his tale of the latest doings of his friend spegit, the Italian Baseball King. Also among some of the stags, dotted in with the usual couples, were Andy "The Body" Searl, Mat Lamkin, Andy Zimmerman, and Moose whose "date", as such creatures will do, turned up her tail, refusing to come in. Why don't you try a little Saturday nip on the gals, Moose?

Theta Chi

After months of hard planning, the Theta Chi Conference was one of the greatest, best enjoyed, stupendous times Alpha XI chapter has ever experienced. From education at the chapter house, to excitement at the Wedgewood Room, it was ten degrees greater than terrific. All the brothers extend sincere thanks to each campus fraternity for helping us with our housing problem, a true sign of interfraternity brotherhood; also, all the dormitory rooms, and others who we may have missed, who helped us so generously. And, above all, to the wonderful girls who helped give our visiting brothers the time of their lives.

The strong pledge basketball team, held the fast-moving active dribblers to only a two-point win Sunday afternoon. Hal "Wrong Way" Schmittinger played a fine game for the pledges.

Interesting couples at the Gold Ballroom last Saturday night included Al St. Clair and Claire Alava, Bart Nunn and Lorraine Robinson, Dawson Stewart and Jane Brennan, Don Kiddoo and Alice Martin, Gus Seaburg and date, and hundreds more.

Dr. John A. Perkins, at the banquet which seated 400 people, gave a very interesting speech on the

importance of fraternity life. Other honored guests of interest were Dr. and Mrs. J. F. Dougherty, Dean Amy Rextrew, and Dr. and Mrs. C. N. Lanier.

Phi Kappa Tau

The Theta Chi's had the campus pretty well sewed up this past week-end. The Phi Tau's consoled themselves by having a little stag party. Brothers Lowth, Unangst, Becker, Johnson, Beatty, and pledge Dollam went to Baltimore when the party became too dull. From all reports they hit the "better" night spots.

Brothers Silva, Huffard and Cann deserve congratulations for being accepted as pledges in Alpha Zeta, the honorary Ag Fraternity. Likewise, congratulations to pledge Bob Reeves who became a pledge in Tau Beta Pi, the honorary Engineering Fraternity.

Uncle Sam is moving in closer—Jack Scott and Bob Moore are all set for their physicals, while Bob Lytle just got back signed, sealed and 1-A.

Flash! Girls—Attention!! Do you need a date for Women's Week-End? Call 2966. All sizes and shapes—healthy or anemic. Please call before midnight Friday as the supply is limited.

Sigma Phi Epsilon

The new regime of house officers has been installed. Brother Graves passed the gavel on to Bill Shockley as the next president. Other new officers are John Buechle, vice-president; Frank Hewlett, comptroller; Paul Hern, historian; Tom Baylis, Roger Browning and Tom Walker, ritualistic officers. Brother Grier was reelected to the office of secretary. With the help of his officers, President Graves did a commendable job of directing the chapter. During his term the house attained a high level in academic, as well as extra-curricular, activity.

This year's SPE basketball team wound up an undefeated season by defeating the All-Stars last Friday night.

Congratulations are in order for Jack Fossett who is marrying Ginny Rhodes Thursday night.

Brother Steve Kaiser is now recuperating in the Wilmington General Hospital. He was critically injured in an auto accident last week, and is now on the road to recovery.

Delta Tau Delta

The AEPI house was the scene of their annual TV party on Friday night with men from the Shelter and the Kastle joining in on the fun. It was a great party and the TV was terrific. Joe "Here I go again" Glick honored us with his interpretation of the Charleston—which would put any flapper to shame.

Saturday night found us again making with the mirth down at the shelter. Ed "I'll fix you up" Milligan imported several girls from Temple and John "she types" Kennehin also brought several love-ies from Beacom. Greg Gause, Dave Kirkby, and Tom Waters dropped in, and Greg and Tom, along with George "B. J." Nagy and Dave "N. D." Allen, managed to get up a little harmony.

Biggest surprise of the week was the announcement of the recent wedding of Alumnus Harry Masten to Ann Beckner of New Castle. Andy Anderson also pulled a shrewdly when he pinned Jane Wood this week-end. Congratulations!

Scholastic honors were showered upon the house when Bob McFarlin "Harky" Harkness, and Joe Pawlikowski were chosen to Phi Kappa Phi, the honorary scholastic fraternity for both Arts and Science and Engineering students. Alpha Zeta, the honorary Ag fraternity pledged "Andy" Anderson, and Bill Moore was pledged to Kappa Delta Pi, honorary education fraternity.

Brothers Dave Johnson and Dick Burton were invited down state to take their (pardon the expression) physical. We can just picture our Phoney from Philly, Burton, in Khaki—good luck, men.

In closing we hope the girls' first twirp week-end is a big success.

Alpha Tau Omega

This week-end is the one that all of the Brothers have looked forward to for so long. This is the Biennial Conclave, held this year at the University of Maryland, and Washington, D. C. The chapters of the two Provinces, XIX and XIV will attend. (Delaware Epsilon Rho is in Province XIX.) All in all, there will be eleven chapters in attendance. Along with the usual meetings, there will be an All-Star basketball game between the two Provinces, a formal dance on Saturday, March 17, and a banquet on Sunday afternoon. It promises to be a worthwhile adventure.

turned to the ATOMIC Club late last Saturday evening with the bitter news that Epsilon Rho had been handed a 35-30 defeat.

ATO's bowling team, Brothers Chance, Walker, Hoch, Betts, and Spang ran their winning streak up to two straight games by defeating AEPI's team in the first two matches. ATO leads the league with a 6-0 record in points.

Also, ATO welcomes Coach David Nelson to the Blue Hen Campus. By the looks of spring practice, the gridders, under such able leadership, will have a very successful season.

And, finally, congratulations to Theta Chi for their successful Regional Conference last week-end.

lives, Sigma Nu came through with 7 victories to capture the hard earned crown. The new champions are Frank Baylis, Joe Lank, Jim Jones, and John Higgins in wrestling, and Charlie Carr, Paul Catts, and Harry Fitzsimmons in boxing.

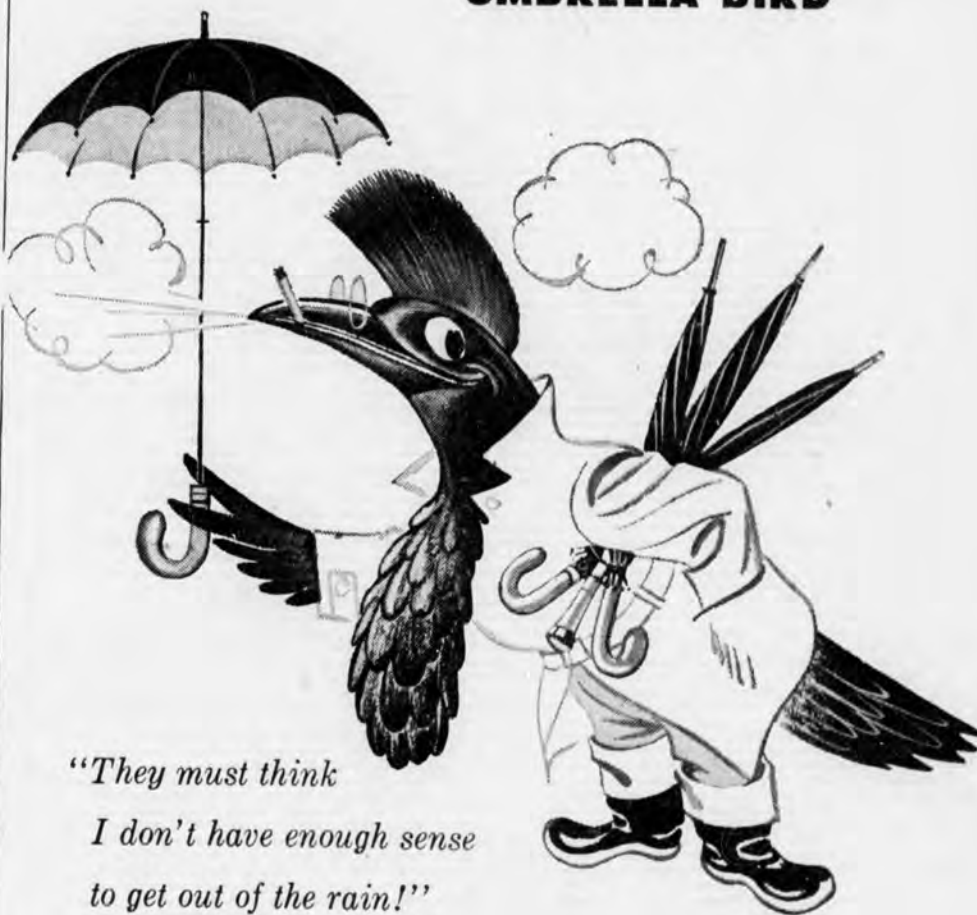

The party boys of the Fraternity refused to let the week-end go by without some form of amusement, so the old expression "Party at Berli's" echoed throughout the house all last week. On Saturday night therefore, the brothers took over the premises, let their hair down, and had themselves a fun packed time.

Just recently, Delta Kappa's pledges got together and elected Jerry Angulo to the position of Pledge Captain for their pledging period.

The members of Sigma Nu would also like to take this opportunity to congratulate Miss Alice Martin on being chosen Cherry Blossom Queen for 1951.

Campus Interviews on Cigarette Tests

Number 15...THE LONG-WATTLED UMBRELLA BIRD

"They must think
I don't have enough sense
to get out of the rain!"

It made L. W. madder than a wet hen when they

asked him to judge cigarette mildness by taking one puff, one huff, one whiff or one sniff. Our common sense friend enjoys a good smoke too much ever to settle on any brand in such a snap-judgment way! For him and for millions like him, there's only one convincing way to test cigarette mildness.

It's the Sensible Test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke—on a pack after pack, day after day basis. No snap judgments needed! After you've enjoyed Camels—and only Camels—for 30 days in your "T-Zone" (T for Throat, T for Taste), we believe you will know why . . .

More People Smoke Camels than any other cigarette!

Buckeye's Lantern Laments Trouble Of College Seniors

The Ohio State Lantern, slightly immersed in self-pity, recently printed the following editorial: "We note that a recent physician's survey indicated that college graduates have far more headaches than those with little education."

"This isn't difficult to fathom... Consider the poor college senior like us. If he goes into the army, he's got to worry about what's going to happen to him there, with bullets and all. If he doesn't go into the army, he's called... a draft-dodger."

"... If he goes out with boys at night for a beer, he's accused of being a drunk. If he stays home and hits the books, he's accused of tearing down the party... If he's single, he's got to worry about all his girls and which other guys they're dating. If he's married..."

"No wonder college men have more headaches."

Lauds Review Contest Chairman

Gentlemen:

It is a pleasure to inform you that your excellent editorial treatment of the subject of holiday safe driving has been awarded Honorable Mention by judges of the 1950 College Newspaper Contest on Safe Driving.

Your splendid job of selling holiday safety to your fellow students is appreciated. As sponsors of the contest we are grateful for the wholehearted co-operation given us by college publications throughout the nation.

Your certificates of editorial excellence are enclosed. Also enclosed you'll find a listing of judges and the winners of cash awards and honorable mention.

I look forward to seeing another fine entry from your publication in the 1951 contest. My thanks to you.

Sincerely,
James S. Kemper
Chairman

Newspaper Ad Causes Stir Among Anti-Red Elements

Sometimes, it seems that the vaunted power of the press may become too powerful for its own good. At least that seems to be the case in the following story taken from the pages of the Daily Nebraskan.

Last week Joan Krueger, managing editor of the Daily Nebraskan, ran the following classified ad in that newspaper:

"Wanted: Communist literature or information leading to literature or persons interested in communism. Write Box 1, Daily Nebraskan, Room 20, Student Union."

The results were more far-reaching and hysterical than even Miss Krueger, who had inserted the ad just to see what would happen, had anticipated. "This innocent ad," commented the Nebraskan, "has aroused the furor, fear and excitement of persons both on and off the campus. It has resulted in threats, accusations, puzzlements and inquiries."

"The author of the ad has been ridiculed, questioned and a few times praised—praised by a few because it actually proved that a

mass hysteria has blanketed the nation."

Answers to the ad were varied. One professor wanted to be helpful, but feared he would get in dach with the administration. He declared he was willing to approach the head of his department, the dean of his college, the chancellor and even the state legislature to make certain he would not be labeled "Red."

A student appeared in person to ask, "What's going on? You cut that out or I'll take this up with the legislature." And a woman observed that young people at the University were not aware of the evils of Communism.

Concluded the Nebraskan: "... Although the ad itself has been killed, perhaps it will give birth in the reader's mind of a new ad reading: 'Wanted: A sane and sensible nation regarding communism. Although we must be cautious, there is no need for hysterical fear.'"

NOTICE

MEMBERS OF THE VARSITY CLUB

Rehearsals for the variety show will be held as follows:

Monday, March 19, Wolf Hall, 7:00 p. m.

Tuesday, March 20, Wolf Hall, 7:00 p. m.

Friday, March 23, Mitchell Hall, 7:00 p. m.

Sunday, March 25, Mitchell Hall, 6:00 p. m.

Go Lucky!

LUCKIES TASTE BETTER
THAN ANY OTHER CIGARETTE!

Fine tobacco—and only fine tobacco—can give you the perfect mildness and rich taste that make a cigarette completely enjoyable. And Lucky Strike means fine tobacco. So if you're not happy with your present brand (and a 38-city survey shows that millions are not), switch to Luckies. You'll find that Luckies taste better than any other cigarette. Be Happy—Go Lucky today!

When Yale plays Harvard in a game,
One of the two must lose,
But you will always pick the champ,
If Lucky Strikes you choose.
Stephen Krulik
Brooklyn College
