NO CONTEST DEVELOPS IN TOWN ELECTION

Voters To Express Views On Sunday Activities

Qualified voters of Newark will go to the polls on Tuesday, April 14, to elect councilmen from each district and voice their sentiment either for or against an ordinance restricting Sunday activities.

Overseas candidates who will automatically become elected Tuesday are: C. Hubert, Eastern District; Herman Williams, Middle District and John Richards, Western District, all for one year terms. Morris N. Wright will be named to fill out the one year unexpired term of C. Emerson Johnson, resigned, from the Western District.

A place for voting for or against the ordinance is provided on the ballot of each ballot reading "For an ordinance restricting Sunday activities." Voters favoring such an ordinance will mark their ballots "Yes" and those opposed will indicate "No".

The polling place, at Council offices, Academy Street, will be open from 9 a. m. to 6 p. m. on Tuesday. The time inclusive, with Frank Lutz, George C. Price and Mrs. Mary Johnson acting as election officers.

Uncontested elections here in the past have drawn only a small vote but with the Sunday ordinance involved this year's voting is expected to be larger than usual.

All property owners whose 1941 taxes have been paid and all qualified residents who registered and paid capitation prior to June 18, 1941, are eligible to vote in the annual election on Tuesday.

Benzer To Repeat Cantata by Request

The Easter Cantata "The Resurrection" will be repeated by request of the Benzer Methodist Church, Pleasant Hill, Newark on Sunday evening, April 12th at 7:30 P. M.

The cantata was given on March 29th, but due to the stormy weather, many persons requested that it be given again.

The cantata is directed by Mrs. Floyd Johnson and twenty voices are in the choir.

Entertainment Program At Lions Club Tuesday

President John K. Speicher conducted the weekly Lions Club dinner meeting, held in the Country Club, Tuesday evening which was curtailed in order to allow members time to return for the benefit card party at 8 o'clock.

Thomas A. Ross, program chairman for next Tuesday's meeting, announced a splendid program of entertainment and promised a real treat for those who attended the meeting.

Mr. Ross will present a program featuring dancing, magical feats and music with the performers attending as guests of the club. A full attendance of the club membership is expected to turn out to enjoy Mr. Ross' hospitality.

MUSIC FESTIVAL FOR NAVY RELIEF

Button Sale, Hosiery Workers Dance Augment Relief Drive

Meeting at the home of Dr. Kenneth J. Kadow last Thursday evening, the Newark committee for Navy Relief abandoned tentative plans for a sports carnival and decided to stage a Music Festival in the high school auditorium at 3:30 P. M. Sunday, May 3.

The program will be under the direction of Frederick B. Kutz, high school music instructor, and will feature the high school glee club, mixed chorus, orchestra and band and the University of Delaware Cadet Band.

Tickets for the affair, which is expected to last about an hour and a half, will go on sale shortly. Proceeds from the festival will go into the fund for Navy Relief to augment Newark's quota. Leonard Fossett, in charge of ticket and button sales, put 1,500 buttons on sale last week and announces that they are progressing satisfactorily although the halfway mark has not yet been reached.

Buttons may be obtained at most places of business, from committee members or at the State Theatre. Their purchase is purely voluntary. It is hoped that the entire fifteen hundred buttons may be sold by the end of the current week.

Members of the New Castle County Hosiery Workers Association are staging a Navy Relief benefit dance at the Newark New Century Club Saturday evening as their contribution to the campaign.

The reception accorded a previous Sunday afternoon massed band festival indicates a capacity attendance will be on hand to hear the Music Festival on the afternoon of May 3. Admission will be ticket only with no tickets sold at the gate. Persons desiring to attend must purchase their tickets before the festival.

Further details concerning the sale of tickets and program to be staged will be made public in next week's issue of this newspaper.

Dr. Kadow, assisted by Wm. K. Gillespie, William Murray, Leonard Fossett, R. T. Ware, W. A. Hulise, A. A. Foster and F. B. Kutz, form the Newark Navy Relief Committee working in conjunction with Mrs. F. Allyn Cooch, Jr., of the State Committee.

RETREADS APPROVED

The Newark Rationing Board Monday evening approved its first applications for retreaded tires in this section by certifying tires for six applicants. Only one new passenger tire was issued.

Those receiving approval for the purchase of retread tires are: Mary L. Biddle, Kirkwood, 1 passenger tire; Alice L. Lane, R. F. D. No. 1, 2 passenger tires; Raymond Lynam, R. F. D. No. 3, 1 passenger tire; David A. McMullen, Newark, 1 passenger tire; H. A. Phelps, Christiansburg, 1 32 x 6 and 1 34 x 7 truck tire.

The sole new passenger tire was issued to Dr. E. E. Weggenmann, 262 So. College Avenue.

Salvage Committee Meeting Sunday

Mrs. Jos. C. Beatty has announced that there will be a meeting of the Newark Salvage for Victory Committee held in Town Council offices Sunday afternoon between 1 and 2 o'clock.

All committee members are urged to be present and hear reports of the splendid work being done by this committee.

STYLE SHOW AT CENTURY CLUB HERE MONDAY

Club Luncheon To Precede Showing Of Spring Styles

A luncheon meeting will precede the fashion show at the New Century Club on Monday afternoon. The luncheon, for club members only, is being prepared and will be served by Mrs. R. O. Bausman and her committee composed of canteen class members.

The fashion show, to be presented by Bird-Speakman, Inc., is sponsored by the Department of Fine Arts Committee, Mrs. Frank Oswald, chairman, assisted by Mrs. Jay Robinson, and will begin promptly at 2:30 o'clock. The public is invited. Proceeds from the show will help defray recent expenses incurred in redecorating the Red Cross workroom.

In addition to professional models, the following club members will model: Mrs. E. N. Rose, Mrs. R. O. Bausman, Mrs. R. T. Ware, Mrs. G. Taggart Evans, Mrs. Barton H. Mackey, Miss Edna Samson and Mrs. George F. Anderson will also model with Miss Elizabeth Hyde and Miss Eve Boden modeling frocks for the junior miss.

Miss Nell Wilson will furnish music for the occasion.

DANIELS SEES OIL SHORTAGE

Tank Ship Load Limits Increased

The oil industry is making every effort to meet the transportation difficulties behind the current rationing of gasoline and fuel oil, H. V. Daniel, Secretary, Associated Petroleum Industries of Delaware stated today.

"Every petroleum tankship sunk, or transferred away from Gulf-to-East-Coast service, means that nearly 100,000 passenger cars, or 35,000 domestic fuel oil burners, on the Atlantic seaboard, have to get their motor fuel or heating oil by some other transportation means," Mr. Daniel stated.

"This means that all users will have to share and get along with a little less."

"Normally, the Eastern seaboard received annually in the neighborhood of 516,000,000 barrels of petroleum and products, of which only 8,500,000 barrels were transported by pipe line from inland points. Shipments by tank cars were so expensive they were never made in normal times."

"In the past year, however, thousands of tank cars have been pressed into service, tank ship loading limits have been increased and pipe line and barge shipments have increased to about 13,000,000 barrels."

"Tank ship building programs have been expanded but sinkings and transfers to the Pacific and other essential war service have conspired to create transportation difficulties behind present rationing rules."

"The oil industry is sparing no effort to modify the situation, which is almost entirely one of transportation. The demand on the industry for specialized fuels and lubricants for our armed forces is steadily increasing and must be met completely. In the meantime, it is the patriotic duty of motor vehicle owners to conserve. Oil is ammunition and it must be used wisely and with the exercise of every economy."

NURSE'S REPORT

Miss Alice Leak, R. N., visiting nurse for this section of New Castle County, reports a total of 217 visitations made during the month of March, including 126 nursing calls and 91 instructive visits.

Kinds of cases and number of visits made are tabulated as follows: pre-natal 7, visits 7; paralysis 2, visits 36; pneumonia 1, visits 11; la Grippa 3, visits 11; cancer 2, visits 15; streptococci sore throats 2, visits 8; operations 2, visits 8; heart diseases 4, visits 31; intestinal diseases 7, visits 17; kidney diseases 2, visits 9; burns 1, visits 2; diabetes 1, visits 1; chicken pox 3, visits 3; miscellaneous cases 16, visits 37. Fifteen treatments were given. Six birth certificates were delivered.

TYPHOID, SMALLPOX CLINICS SUCCESS

Countywide Program Of Immunization Near Completion

Dr. John R. Downes, New Castle County Health Officer, reported this week that a total of 19,299 injections for typhoid immunization and 1,322 smallpox vaccinations had been given in the twenty-five clinics operated in New Castle County during the past four weeks.

On this basis 6,433 persons have already received their three doses constituting immunization and Dr. Downes predicted that a total of approximately 10,000 in the county will have received immunization before the program is completed about the latter part of this month.

Statistics on clinics maintained and doses given throughout the county were released by Dr. Downes as follows:

Newark — typhoid 2219, smallpox 312; Marshallton — typhoid 1414, smallpox 41; New Castle — typhoid 1695; Richardson Park — typhoid 1733, smallpox 15; Alexis duPont — typhoid 833, smallpox 82; Alfred I. duPont — typhoid 552, smallpox 146; Mt. Pleasant — typhoid 1378, smallpox 2; Claymont — typhoid 2493, smallpox 268; Middletown — typhoid 977, smallpox 85; Townsend — typhoid 552; Delaware City — typhoid 428, smallpox 49; U. of D. Men's College — typhoid 800, smallpox 191; U. of D. Women's College — typhoid 609, smallpox 146; Conrad — typhoid 962; Oak Grove — typhoid 696; Delaware City (colored) — typhoid 157; Newark (colored) — typhoid 514; Rose Hill — typhoid 643; Blackbird — typhoid 35; Claymont (night) — typhoid 185; Red Cross — typhoid 37; Bellefonte — typhoid 20; Yorklyn — typhoid 96; Newark (night) — typhoid 100; Abselem Jones — typhoid 171.

Dr. E. E. Weggenmann assisted Dr. Downes in the local clinic held in the Newark High School with his corps of nurses assisting in other clinics throughout the county.

SCHUSTER ASKS 4-H CLUB AID

Rural Youth Help Needed In Food Program

"Every Delaware 4-H club boy and girl has a job to do in this time of war," says George L. Schuster, director of the Delaware Agricultural Extension Service, and during the week of April 5 to 11, which is being observed as 4-H Mobilization Week, he has asked every Delaware club member to reaffirm his intentions of carrying club project goals to completion. He points out that 4-H club members' greatest contribution can be increased food production and improved health practices through the use of foods produced in the family garden. Every club member in the State is urged to either have a garden or to assist his family in providing a garden which will supply much of the family food needs.

Younger rural youth are especially urged to help in the family home food production program in order that older members of the family may do the more difficult farming tasks. Girls enrolled in food preservation projects are expected to can more quarts of fruits and vegetables than in previous years.

Local 4-H club garden committees have been organized and are sponsoring contests to stimulate improved garden work. These garden committees are urging more and better gardens on the farm of their members and on all other farms in their communities.

During Mobilization Week, Director Schuster urges Delaware's more than 1300 members to continue their contributions to the victory effort through their project work, local community defense activities and their purchase of defense bonds and stamps.

Other rural youth not affiliated with 4-H club work are urged to "enroll for victory" by joining the 4-H club in their community during this mobilization week.

Charles Rutledge, former editor of The Newark Post and a resident of this town for many years, visited a number of his friends here Wednesday evening.

1942 State Income Tax Returns Break Record

A total of 158,108 persons filed state income tax returns this year, the largest number in the history of the state, and 9,465 more than the 148,643 who filed returns last year, officials of the State Tax Department revealed yesterday.

The actual number of returns this year was 103,410 as compared with 97,100 last year, but 54,699 were joint returns, thus accounting for the larger number of persons.

This year's returns were the largest of any year since the filing fee was abolished in 1926, but as joint returns were not allowed while the filing fee was in existence the total number of persons filing is the largest in the state's history.

PRIZES AWARDED AT BENEFIT CARD PARTY

Lions Club Affair Aids Playground, Swimming Pool

Forty valuable prizes were awarded bridge and 500 players who attended the Lions Club annual card party held for the benefit of the Playground and Swimming Pool fund. About \$130 was realized from the sale of tickets despite the fact that a number of persons who purchased tickets did not attend.

H. Maurice Overly, playing contract bridge, was high scorer for the evening with a tally of 6,070 for four tables and received a beautiful set of matching lamps as his reward. Mrs. I. H. Colmery was high scorer in the 500 division with a tally of 4,880 and drew down an assorted box of toilet soap containing twenty-four cakes.

Nine tables of 500 were in play, in the lounge, with fifteen tables of contract bridge in action in the dining-room. Bridge prize winners, in order of the scores, were: W. P. McCreight, L. W. McCreight, Mrs. Wayne C. Brewer, Wm. Beswick, Wayne C. Brewer, Alice E. Hancock, Margaret Ware, J. Lester Scott, T. D. Mylrea, Mrs. W. C. Waples, Alice Harnischfeger, Betty Mumford, B. Mae Gibson, Mrs. Albert Hammond, Mrs. Geo. Schuster, Guy E. Hancock, Anna Frazer, Mrs. R. M. Thompson, Mrs. Lynam, Mrs. J. R. Fader, C. Emerson Johnson, W. C. Waples, Mrs. Elizabeth Scott, Mrs. T. A. Ross, J. D. Counahan, Geo. Harnischfeger, W. R. Payson, Robt. M. Thompson, Elinor M. Lowitt, Mrs. T. D. Smith, Mrs. Georgia Hendricks.

Five Hundred prize winners were: O. Cataldi, S. Morrison, H. M. Bolton, Lillian Willis, R. E. McFarlin, Dan Willis, S. E. McFarlin, Mrs. Hurlock, Golda McFarlin, W. Dickerson, Florence Hicks, E. A. Jones, Mildred Wilson, Edna Smith, B. Correll.

SPEEDER FINED \$50

Police Chase Car At 75 MPH

A rural Elkton motorist learned Tuesday night that speeding through Main Street at the rate of seventy-five miles an hour is exceedingly risky and expensive business.

Malcolm Frazer, Elkton R. D. No. 3, was chased several miles by Officer Tibbitts, on the police motorcycle, before being apprehended at McLaughlin's Hill, about three miles out of town, and arrested on a charge of speeding through town at 75 miles per hour about 7:30 Tuesday evening.

Ignoring all traffic regulations and the crowd of people gathered at the Country Club for the Lions Card Party, Frazer was chased by Officer Tibbitts on the motorcycle and Chief Cunningham in the police car for several miles before being overtaken.

He plead guilty to the charge when arraigned before Magistrate Clarence Foster, Tuesday evening, and paid a fine of \$50 and costs.

Chamber of Commerce To Meet On Monday

The April meeting of the Newark Chamber of Commerce will be held at Town Council offices, 26 Academy Street, at 8 o'clock Monday evening, April 13, President D. A. McClintock said yesterday.

The March meeting of the group was postponed due to a lack of a quorum and it is hoped that a full attendance of directors may be available for this meeting as there will be only one more meeting before summer vacation.

STREET REPAIR PROGRAM OFFERED

Blackout Ordinance Given Two Readings

Recommendations of Town Engineer Price covering approximately \$16,000 in street repair projects for the summer were heard at the meeting of Town Council held Monday evening. Mayor Collins presided over the meeting which was attended by Councilmen Hubert, Richards, Wollaston and Ferguson. J. P. Cann, town attorney, was also present.

Proposed street programs include the installation of curb and gutters the entire length of Choate street, resurfacing the street and widening it if land can be obtained from property owners for this purpose. Mr. Price's recommendations included the resurfacing of Orchard Road, parts of Kells and Lovett Avenues and the lower portion of South Academy Street.

A proposal to widen South College Avenue, from the alley in the middle of the block to Delaware Avenue, and improve drainage conditions met with opposition from members of the body and was tabled pending investigation and further recommendations.

First and second readings were given on a blackout ordinance, patterned after one adopted in Wilmington and approved by the State Council for Defense, which received the unanimous support of the body. Final reading and passage will be given the ordinance at the May meeting.

An estimate of \$319.79, offered by Julian T. Jones for installation of curb and gutters on West Main Street was authorized paid. Engineer Price reported installation of four new street lights on Lovett Avenue under way with work expected to be completed this week.

Forty arrests were reported during March by Chief of Police Cunningham, tabulated as follows: drunk 5; drunk and disorderly 7; disorderly conduct 3; speeding 6; reckless driving 2; cruelty 1; parking 15; parking on sidewalk 1. Sixteen police calls were reported with the police car touring 2,082 miles and the motorcycle patrolling 103 miles.

Gross cash receipts for March were \$12,146.37 with disbursements of \$9,999.97 leaving a net cash balance on hand at March 31 of \$12,652.04.

The council appropriated \$100 to the Newark Council for Civilian Defense after Mrs. Jos. C. Beatty, chairman of the Salvage for Victory Committee, had outlined salvage work being carried on in the community and the need of a truck for daytime operations.

FUNERAL SERVICES WEDNESDAY

Geo. McConaughy Buried In White Clay Cemetery

Funeral services for George McConaughy, life-long resident of near Newark, were held from the funeral parlors of Ira C. Shellenbarger at 2 o'clock Wednesday afternoon, April 8, with interment in the White Clay Creek Cemetery. Rev. Evan W. Renne, pastor of The Rock Church, officiated.

Mr. McConaughy died in the Memorial Hospital, Wilmington, on Sunday, April 5, after a three weeks illness. He was 74 years of age.

Surviving are two daughters: Mrs. William J. Kelley, of Providence, Md., and Miss Reba McConaughy, of Newark. The deceased was the husband of the late Lucie McConaughy and had one brother and one sister, Thomas McConaughy and Josephine Tobitt, of Philadelphia, both deceased.

Former Local Mail Clerk Commissioned

Word was received here this week that William Herbert Henning has been commissioned Assistant Liaison Officer in Mails of the new Miami Fleet postoffice, Miami, Florida, with the rank of Lieutenant, junior grade, in the U.S.N.

The son of the late Frederick W. and Mrs. Etta L. Henning, William was formerly employed as a clerk in the Newark postoffice. He enlisted in the Naval Reserve on April 1 after having previously served as Assistant Station Examiner at the Miami postoffice.

OLD AGE INSURANCE BENEFITS DOUBLED

Social Security Payments To 982 In County During 1941

Keeping pace with the state-wide progress of the program, old-age and survivors insurance monthly benefits in New Castle county were doubled in 1941. The second full year of operations of the monthly benefit paying basis, it is announced by Roger R. Minker, manager of the Wilmington office of the Social Security Board.

Monthly payments amounting to \$19,000 were being made to 982 men, women and children in the county at the end of 1941. At the end of 1940 there were 468 beneficiaries receiving \$8,000 a month. The rate of payments, Mr. Minker pointed out, has increased to \$29,212.00 a year. The figures do not include lump sum payments to persons not immediately entitled to monthly benefits.

The New Castle county payments were broken down by Mr. Minker as follows: 513 retired workers, age 65 or over, \$12,197.00 a month; 154 wives (age 65 or over) of retired insurance workers, \$1,876.00 a month; 73 young widows with dependent children under 18, \$1,544.00 a month; 193 dependent children (under 18) of retired or deceased workers, \$2,564.00 a month; 45 widows, age 65 or over, of insured workers who have died, \$877.00 a month.

Monthly payments are made also to dependent parents, above age 65, of insured workers who die without leaving a widow or dependent child who might subsequently become eligible for monthly benefits. Mr. Minker explained.

These insurance payments, Mr. Minker said, are based on the worker's average monthly wage and his period of coverage in the old-age and survivors insurance program. Widows receive three-fourths of the monthly benefit of the worker on whose account they are claimed; wives receive one-half as much as their husbands; children and parents also receive one-half the monthly benefit of the worker whose insured status made them eligible.

NEWPORT VALUATION INCREASED BY \$90,000

New Homes Cause Increase In Assessment, Tax Rate Same

Large congregations attended the Easter Services in the Newport Methodist Church. At the 11:00 a. m. service, the Rev. R. S. Hodgson, pastor, spoke on "The Christ Who Lives Today." The choir had special music, under the direction of William D. Blair. Mrs. Mary Hayden, soloist, sang "Open the Gates of the Temple" with Miss Barbara Stewart, organ accompanist.

The Board of Commissioners of Newport sat this week as a Board of Appeals on Tax Assessments. At the monthly meeting of the Commissioners held Friday evening, report was made that the final assessed valuation of property within the Newport town limits is \$1,350,000 which is an increase of \$90,000 over last year. The increase is due to the fact that many new homes have been erected in this area. The Tax Rate for the year was set this week at 75c per \$100 of assessment, which remains the same as last year.

The Newport Civilian Defense Council held a session this week in the St. James Parish House. There were 25 members of the Council present. C. C. Collingswood, Chairman of the Council, presided. Earle Cunningham of the Fire Service reported that the new seven and one-half horsepower siren recently purchased has been received and is on display in the firehouse. The Council authorized Chief Cunningham to erect and test the siren which was purchased from the U. S. Fire Apparatus Company of Wilmington at a cost of \$500. The money will be raised by subscription from residents of the area.

The Council is ready to start their Auxiliary Fire School, which will be in charge of George High of the Minquas Fire Company, and the firemen will be taught the operation of pumping and chemical engines; methods of handling and carrying hose; fire drills, and general handling of fire apparatus. Frank R. White reported 68 members enrolled in their Police Service.

Other chairmen reporting on activities included J. J. Fleming, Chairman of Transportation, J. E. Wetherell, Chairman of Air Warden Service and Mrs. G. D. Baldwin, Health Coordinator of the Newport area Civilian Defense. First Aid Stations are being established under the direction of Mrs. Russell Weiss, who is being assisted by Mrs. Ruth Harrington. Equipment for the stations is now being secured. The Council authorized Arthur G. Craig, Assistant Chairman of the Council, to conduct drills throughout the sector, working with the Air Raid Wardens, Fire, Police, Transportation, First Aid Health and Maintenance groups.

The Krebs School Parent-Teacher Association will sponsor a program of entertainment on Thursday evening in the auditorium of the school. The dancing pupils of Miss Mildred W. Bryan will be featured in the program for the benefit of the Red Cross.

Less than two hours after Mrs. R. E. Mayfield of Washington lost a diamond ring in her bathroom, the sewer department recovered it in a manhole three blocks away.

Walter J. Davies, who died in an Illinois poorhouse, divided a secret hoard of \$7,000 among his fellow inmates.

Hit Them Where It Hurts
... BUY BONDS!

Make no mistake—this is a life or death struggle. Men are dying in your defense. Dying that America may be safe!

Give our fighting men the guns, the planes, the tanks they need! Bonds buy bombs. Every dime, every dollar you put into Defense Bonds and Stamps is a blow at the enemy. Hit them where it hurts—buy bonds! Bonds cost as little as \$18.75 up—stamps as little as 10 cents up.

SOUTHERN STATES COOPERATIVE FARM BULLETIN

What to Do About Fencing and Roofing

It takes a lot of steel to fight a war. Some of it is coming from the steel roofing and fencing you had planned to buy this spring. There may be a little steel roofing left in some places, but if you find it consider yourself lucky. Instead of steel you can turn to heavy grade roll roofing with a high quality felt base for long life. Choose Unico Roll Roofing. It will stand the rain, sleet, wind, snow and sun for years without cracking, checking or drying out.

You can prolong the life of old paper roofs with Unico Liquid Asbestos Roof Cement. It will stay put in hot weather and yet not crack in cold weather.

As for steel fencing . . . You can make your three-strand barbed and smooth wire fence go three times as far with a Southern States Electric Fence Controller. The low-cost battery type will serve any farmer who does not yet have the farm wired. For sure-fire service there is the combination battery and house current model. String a single wire and hold back almost any livestock. They respect an electric fence, and your fencing problem is solved at a saving to you.

Cheer Up -- Paint Up

One farm supply you CAN get is paint. Ask for UNICO paint. It's made by your cooperative on the same high-grade specifications reached by test and experience before war broke. Unico paint will add as much as 16 years to the life of metal and wood buildings if thoroughly applied. There's nothing like UNICO paint to brighten things up.

COMMUNITY SONG FETE PLANNED AT MARSHALLT'N

Postponed Meeting Of Red Clay Church Set For Tonight

Richard Miller, pilot for Pan American Airways, who will leave soon for Africa, was entertained at a dinner recently at the home of his uncle and aunt, Mr. and Mrs. Irvin Klair, of Limestone Road. Those attending were Mr. and Mrs. Frank Miller, Miss Clara Miller, Mrs. Frances Miller, Mrs. Clarence Stroud, Mr. and Mrs. Gheen Stephenson, Mr. Miller and Mr. and Mrs. Klair.

The Rev. G. Ashworth Burslem of St. Georges delivered the service on Good Friday night at Red Clay Creek Presbyterian Church. The annual congregational and corporation meeting of the church scheduled for last Thursday night was postponed and will be held this Thursday night instead.

Members of the Parent-Teachers' Association of the Marshallton Consolidated School are planning to attend the annual convention of the Delaware State Congress of Parents and Teachers in Dover on Saturday, April 18. The Association here is entitled to send thirty-seven delegates.

A community song festival is planned for Monday evening, April 27. Chorus of Churches in the town and nearby communities will take part. The arrangements are in charge of Miss Bessie Cox, program chairman of the Marshallton Parent-Teachers Association.

The monthly meeting of the Forward-In-Service Club of St. Barnabas P. E. Church will be held Saturday evening, April 11 at the home of Miss Edith Longstaff. Franklin Ford, president, will preside.

The April all-day sewing meeting of the Three-In-One Homemakers Club was held last week at the home of Mrs. Oliver W. Eastburn, chairman. Sixty-nine garments were reported completed for the Red Cross in March. Those attending were Mrs. George Allcorn, Mrs. W. H. Dean, Mrs. Maskie Johnston, Mrs. Ellis White, Mrs. John Lynch, and Mrs. Clarence Wells.

The Rev. John M. Kelso, pastor of Marshallton Methodist Church, preached a Good Friday night service at Newport Methodist Church.

Forty-five men and women were enrolled in the first aid class which opened last week at the Harmony Grange Hall at Mermaid. The class is being sponsored by the Grange and Mill Creek Civilian Defense Sector. Miss Elizabeth Edge, of Wilmington, is instructing the course which will continue on Tuesday and Thursday evenings from 7:30 to 10:00 p. m., for the following weeks until the course is completed.

STANTON REVIVAL CLOSES

C. E. McCauley Movie of 4-H Work in Cuba

The two weeks of special services which have been conducted in the Stanton Methodist Church by the Rev. and Mrs. H. Evan McKinley of Memphis, Tenn., were brought to a close on Sunday evening. Special Easter services were held on Sunday.

Communion Service was observed at the St. James P. E. Church on Easter Sunday with the Rev. E. Kenneth Albright in charge.

The St. James P. E. Church held a Congregational Supper on Monday evening, followed by a Congregational meeting.

The Women's Society of Christian Service of the Stanton Methodist Church will meet on Thursday evening at the home of Mrs. William Vanamon, President. The feature of the meeting will be a Dollar Social.

The Forest-Oak 4-H Club met here Friday evening at the home of Miss Lora Little, Principal of the Stanton School. Edward McCauley, State 4-H Club Leader was the guest of the evening, and showed a motion picture on 4-H Club work in Cuba. He urged the group to observe Mobilization Week, by seeking new members of a desirable type, as well as start their projects for the ensuing year.

Miss Little, Principal of the Stanton School announces that children of the school are being fingerprinted, and the work will be completed this week through the cooperation of the American Women's Volunteer Service.

Carroll Hale of Langley Field, Va., spent a few days this week with his mother Mrs. Grace Hale of Stanton.

The latest cases of scarlet fever reported here are Anita Mahan, daughter of Mr. and Mrs. William Mahan, and John Robinson and son Jackie, of near Klamensil.

COMMITTEE SEEKS AID IN MUSIC CLUB DRIVE

Ask Discarded Instruments To Equip Quarters Of Service Men

The Victory Musical Equipment Drive of the Delaware Federation of Music Clubs now in progress, has been launched to assist the National Federation of Music Clubs in its undertaking to serve our boys in the All-out effort for Victory over the axis powers.

This appeal to supply musical equipment to our armed forces is nationwide and is being sponsored by Mrs. Vincent Hilles Ober, the War Service Chairman of the National Federation of Music Clubs, who is a member of the Sub-committee on Music of the Joint Army and Navy Committee on Welfare and Recreation and is in direct contact with the needs of our fighting forces.

The army in wartime is continuing to give the soldier a varied program of recreational activities because it has been discovered that such a program brightens the spirit of the soldier and strengthens his ability to perform his military duties. While it is true that many of the service clubs have been supplied with pianos and phonographs, these buildings are often so located that many of the men cannot reach them easily. The Committee feels that each Day-room should be equipped with at least a radio, a phonograph and records, a few song books, a guitar or banjo, and perhaps a piano, for after the day's work is done, the soldier should have the privilege of using music as an emotional outlet if he so desires it.

The Committee is appealing to civilians to aid them in the campaign to equip our fighting forces with adequate musical equipment, and to share with the privilege of helping to maintain morale among the boys who are fighting our battles for us. They ask for either new or used records in good playing condition, needles, guitars, banjos, ukuleles, band and orchestral instruments, and phonographs of either the electric or spring winding type. Please send or take any of the above items to the Home Drug Store, Main Street, Newark, and mark them "For the Victory Musical Equipment Drive," and a Committee from the Federation will see to it that they are delivered to the places where they are most needed. The War Service Committee of the Delaware Federation of Music Clubs is Mrs. Austin V. Myers, Chairman; Mrs. Florence Hastings, Mrs. Arthur Hughes, all of Wilmington; Mrs. Lee Cropper Parks of Elsmere.

CLEAN-UP DAYS

Monthly Clean-Up Days for Newark were designated as Wednesday and Thursday, April 15 and 16 by Mayor Frank Collins and members of the Town Council at the meeting of that body on Monday evening.

Residents are requested to gather their debris in containers and place it in front of their homes so town trucks may pick it up on their rounds of collection.

ELECTED TO VESTRY

Dr. Arthur H. Haroldson was elected a member of the vestry of St. Thomas Church at the annual meeting held Monday night.

CIVIL SERVICE JOBS OPEN

The Civil Service Commission is seeking Junior Chemists and Senior Bookkeeping Machine Operators for the Federal Service.

For Senior Bookkeeping positions, a written test to determine ability to perform various kinds of clerical work will be given. The salary is \$1,620 a year. At least 1 year of paid experience is required in the operation of a typewriter-general accounting machine. Applicants must be over 18 years of age. Applications must be filed with the Civil Service Commission not later than May 19, 1942.

For the position of Junior Chemist, paying \$2,000 a year, women especially are urged to apply. Completion of a 4-year college course, with 30 semester hours in chemistry, is required. Senior students may apply and are eligible for provisional appointment prior to their graduation if they will complete the prescribed course within 4 months of the date of applying. There is no written test. Applications must be filed with the Civil Service Commission, Washington, D. C., and will be accepted until the needs of the service have been met.

Full information as to the requirements for these examinations, and application forms, may be obtained from C. S. Crompton, Secretary of the Board of U. S. Civil Service Examiners, at the post office or customhouse in this city, or from the Secretary of the Board of U. S. Civil Service Examiners, at any first- or second-class post office.
