

## NEW PASTOR IS APPOINTED AT HEAD OF CHRISTIANA

### Princeton Theological Student To Assume Post

The Rev. James L. Getaz, Jr., who graduated in June from the Princeton Theological Seminary, has been appointed minister of the Head of Christiana Presbyterian Church and will conduct his first service at 11 a. m. Sunday. He fills the post vacated by the late Rev. Evan W. Benne, who resigned.

Mr. Getaz, who visited the church as guest minister earlier this month, was elected to the pastorate last Sunday by a unanimous vote of the congregation.

Although he will occupy the pulpit every Sunday from now on, he will be only on part-time duty during the week until he completes his studies at Princeton.

A native of Maryville, Tenn., Mr. Getaz, now 31, graduated from the University of Tennessee and was employed for several years with the Ingersoll-Rand Manufacturing Company. He began his studies for the ministry at Princeton in 1946.

Mr. Getaz, who is married and has a daughter, will reside at 244 West Main Street, when he finishes this year. His wife, who was born in Canton, China, is a graduate of the Westminster School of Music at Princeton Seminary.

The congregation, which has reserved the pastorage on West Main Street for some time on rental basis, plans to erect a new home for the minister in the near future.

## NEWARKERS ON U. OF D. DEAN LIST

### 20 Among 488 Students Are From Here

The Dean's List at the University of Delaware for the first semester of 1948-49 includes 488 students, or about 22 per cent of the entire student body. The list named 20 students from Newark High School.

Dr. Francis H. Squire, dean of the university, reported that 18 students had scholastic indices of 4.00, equivalent of a straight "A" average. A record of averaging at least 3.00, or "B," for all subjects is necessary for inclusion on the list.

More than held their own in non-veteran students. They constituted 45 per cent of the student body last fall, but the 243 veterans who were on the Dean's List are almost exactly 50 per cent of the total named.

Students named from Newark High School were: Robert W. Kennard, John G. Thompson, Helen M. Tierney, John A. Rothrock, Edward J. Buehler, S. Slack, Daniel L. Dugan, William F. Lindell, Jr., Mary E. Wayne, J. Pollari, Harry E. Brown, Sally A. Woolleyhan, Patricia M. Reichold, Louis H. Coxe, IV, Paul M. Martin, Jr., Joseph M. Brown, Charles L. Adams, Elizabeth G. Dawson, Albert A. Thorp, Ethel R. Weaver.

**Local Couple On Parent Group For Northwestern U.**

Mr. and Mrs. M. L. Draper, 301 North Main Street, have been appointed to the parent group formed by Northwestern University, which was announced recently by the University of Delaware.

Franklyn B. Snyder, president of the group, is a member of the national committee, which is the agency through which parents of N. U. students will be kept informed of the general activities of the university. The group will also serve as a liaison between the administration and parents.

Through its program, the committee encourages parents to visit the university, to inquire into its needs, and to give encouragement and counsel. The first meeting of the new organization has been arranged for the week of May 13, 14 and 15 on the Evans campus. In addition to attending business and planning sessions, the committee members will meet with administrative officers of the university, engage in several social events, attend sports and sports events, and be introduced to campus activities.

## Sposato, Ciesinski To Coach Football at N. H. S.

### Delaware Gridiron Stars Join High School Faculty; Matt Now Sport Director

Fred Sposato, varsity halfback and blocking quarterback for the University of Delaware football team from 1941 to '47, has been named head grid coach at the Newark High School.

Assisting him will be Roman (Ray) Ciesinski, varsity tackle for the Hens last season, who graduates in June. He will also serve as head basketball coach at Newark. The appointments were announced yesterday by Superintendent Wilmer E. Shue.

Walter Matt, who has been directing the Jackets' grid fortunes for the past three years, will now devote himself full time to his duties as Director of Athletics at the high school.

In addition to coaching, Sposato will teach social studies and Ciesinski will instruct science classes.

When he takes over the Jacket grid reins in September, Sposato will be no novice at coaching. For the past year, since his graduation at Delaware, he has been football mentor at the George Gray School in Wilmington and is now helping Coach William Murray and his staff with the Blue Hen spring training here.

Sposato won four gold "D's" with the University of Delaware Blue Hens, in 1941 and 1942, and in 1946 and '47, as right halfback and blocking quarterback, and was one of the powerhouses that helped to put the Hens in the undefeated column in '46.

Last year he was assistant to the Blue Chicks' freshman Coach Marty Pierson, and together they turned out one of the finest yearling teams Delaware has ever had, with a total score of 86 to 7.

Sposato also was a grid letterman at Wilmington High for three years, in the backfield, and was co-captain in his senior year, 1940. As a baseball outfielder and basketball guard he was a three-letter man at Wilmington High, and also played baseball and basketball at Delaware.

From 1943 through '45 he was a paratrooper with the 17th Airborne Division, and saw service in three European campaigns. Central European, the Rhine and the Bulge.

He is married and resides at 17 New Street, Newark.

Ciesinski, a Blue Hen in 1946, '47 and '48, was showing his best promise at the beginning of last season when he was injured. But he got back into the game late in the season, as right tackle and guard.

His coaches have described him as being a good student of the game, and a player who puts everything into it. He is from Detroit, where he had prep football experience.

He now lives with his wife at 316 Delaware Circle.

## NHS SPORT DINNER SET

### Phillies Scout To Be Speaker

Jacko Collins, scout for the Phillies and former major league umpire, will speak at the annual sports banquet at the Newark High School on Wednesday, April 27, in the cafeteria.

About 175 boys and girls are expected to attend the affair at which variety letters for football, basketball and track will be awarded. The banquet will honor all students of the school who participated in some form of competitive sport.

The program will close with a brief address by Principal Frederick B. Hull.

### Rites Saturday For Mrs. Emma D. Shellender

Funeral services for Mrs. Emma D. Shellender, 83, widow of George J. Shellender, were held on Saturday afternoon at the home of a daughter, Mrs. Norman Buchanan, Elliott Heights, Newark. The Rev. A. J. Jackson, of Newark Methodist Church officiated. Interment was in Newark Methodist Cemetery.

Mrs. Shellender died Wednesday at her daughter's home following a paralytic stroke.

Other survivors are two sons, Everett J. and Leon R. Shellender, seven grandchildren, and three great grandchildren. Her husband died four years ago.

**AAUW MEET POSTPONED**

Due to conflicting schedules, the next meeting of the Newark Branch of the American Association of University Women has been postponed to May 2. This will be followed by the final meeting of the year on May 23. The pro-

### Rotary "Blackbirds" To Cavort On April 27

"Rotary Blackbirds of 1949"—that's how the Rotary Club's Minstrel Show on April 27 will be billed. Two shows will be given at the State Theatre at 7 and 9:15 p. m.

A hilarious script, poking easy-going fun at local people and institutions, is being readied and will be staged exclusively by local talent.

Tickets are now available at the following places: Newark Department Store, Eagle Furniture Company, Golt's Cut Rate and from any member of the Rotary Club.

If desired, general admission tickets may be exchanged for reserved seats at the Newark Department Store.

## NEW HEADS ELECTED BY VFW WOMEN

### Agnes Crossan Now President Of Local Unit

Mrs. Agnes Crossan, secretary to the president of the University of Delaware, has been elected president of the Ladies' Auxiliary to Post 475, Veterans of Foreign Wars.

Retiring president Mrs. Beatrice Strickland has been appointed rehabilitation chairman. It was also announced that Mrs. Strickland was recently appointed to two Department of Delaware offices. She is now chairman of the Merchandizing Club and chairman of the National Honorary Fund in the state.

Other new officers named by the unit are: Doris Robinson, senior vice-president; Roberta Crossan, junior vice-president; Christine Grundy, treasurer; Dorothy Naylor, chaplain; Helen Herzyk, guard; Mildred Sweetman, conductress; Elsie Reed, patriotic instructor; Eva Mae Cameron, banner bearer; Gertrude Martin, flag bearer.

The new color guard is composed of Anne Dunn, Frances Edmanson, Ethel Creswell and Gladys Moore.

Mrs. Maudie Hufnal has been appointed secretary.

The installation will be held April 4 at the post home with Mrs. Catharine Higgins, president of the Department of Delaware officiating.

### Watson Post Forwards Gift To Cordell Hull; Receives Thank-You Note

A personal letter of thanks from Mrs. Cordell Hull, wife of the former Secretary of State, to the local Isaac Watson Post, American Legion, is now a cherished memento in the post home here.

Commander George Wilson told the story behind the letter this week. It seems that one of the gifts the post received from the Gratitude Train was a water color of the Abbe Mont St. Michel. Attached to it was a note from the artist, Henri Lambert, asking that it be forwarded to Mr. Hull. Mr. Lambert had known the Hulls while he was stationed in Washington on duty with the French Government in the first World War, and he wanted Mrs. Hull to have the painting.

The local post carried out the request, and this week received Mrs. Hull's thanks in the form of a personal note from Wardman Park, Washington, D. C. It read: Dear Sir: Thank you very much for forwarding to me the lovely water color from Mr. Lambert. It was most kind of you to carry out Mr. Lambert's request. I was quite touched that he should remember me during these full years since World War I.

"My husband and I lived in the same hotel with him when his duties called for service in Washington. With much appreciation to you and your Isaac L. H. Watson Post, No. 25, I am, Frances Hull."

### Attendance Level High At Schools

Attendance for white pupils at the Newark Schools averaged 93.8 during February and so far this year has hovered around 94.8, according to Superintendent Wilmer E. Shue.

Elementary grade attendance has maintained a high average and officials are speculating on whether or not the new germicidal lamps, installed last fall, in the Delaware Avenue School, may be partially responsible. It is too early, however, for statistical proof, it was said.

The colored attendance average topped the white by several points. During February it was 98.0, while throughout the year it has stood at 97.6.

## 2 Prominent Churchmen To Address Methodists Sunday; Ebenezer Choir Will Sing

Dr. Thomas G. Mulligan

Rev. Joseph B. Dickerson

Two prominent churchmen will be the speakers Sunday at 7 p. m. at the third in the series of weekly services marking the completion of the remodeling program at the Newark Methodist Church. The guests will be the Rev. Joseph B. Dickerson, Salisbury District superintendent of the Methodist Church, and Dr. Thomas G. Mulligan, Dover District superintendent.

A graduate of the University of Delaware and of Drew University School of Theology, Madison, N. J., Mr. Dickerson spent the summer of 1934 as an assistant in archaeological digging of the ancient town of Bethel in Palestine, some twelve miles north of Jerusalem. His pastorates since have included Stanton, Rising Sun and Zion Church, Cambridge, Md., before being appointed to the Salisbury District in May 1947.

Dr. Thomas G. Mulligan, Superintendent of the Dover District, is a graduate of Westminster Theological Seminary, Westminster, Md. He was prominent in the life of the former Methodist Protestant Church and was for some eighteen years pastor of the Saint Paul's Methodist Church in Cambridge, Md., before being appointed to the

Dover District in May 1945.

Both Rev. Dickerson and Dr. Mulligan will speak on the subject—"The Mission of the Church in These Times."

The music for this service will be provided by the choir of Ebenezer Methodist Church under the direction of Mrs. W. Floyd Jackson. They will sing two numbers: "The Lord Is My Strength and My Song," by Van Denman Thompson, and "Rise, Crowned With Light," by E. L. Ashford.

The members of the choir will include the following: Sopranos—Mrs. Ralph Whiteman, Mrs. Carl Nelson, Mrs. Robert Major, Mrs. Paul Nelson, Miss Ann Beyerlein, Mrs. Joseph Brown, Miss Rebecca Jarrell, Mrs. Gilbert Unger, Altos—Mrs. Charles Nelson, Miss Doris Major, Mrs. Anna Cameron, Mrs. Franklin Knotts; Tenors—Mr. Leonard Nelson, Mr. Franklin Knotts; Basses—Mr. Robert Major, Mr. Paul Nelson, Mr. Ralph Whiteman, Mr. Joseph Nelson, Jr., Mr. Carl Nelson, Jr.

In the Sunday Morning Lenten Service at 11 o'clock, the subject of the sermon by the minister, Dr. Arthur J. Jackson, will be—"The Climate of Our Times."

The public is cordially invited to attend all services.

## Action Picks Up In Town Election: Four More File

Action picked up considerably this week on the local political front when four more candidates filed for Town Council, which puts six in the race to date for the three posts open at the election on April 12.

A 3-way contest developed in the Middle District when Samuel Diehl, jeweler employed in Elkton, and R. T. Ware, publisher of the Newark Post, entered the lists. Already in the field in this district is Jack Hershelman, whose candidacy was announced last week.

The first entrant in the Western District appeared Tuesday, when Robert C. Levis, employed at the Equitable Trust, Wilmington, filed for the post now held by Rodney H. Dann, Mr. Dann has not shown his colors as yet.

In the Eastern District, a contest developed Friday when the incumbent Norman Battersby, Pennsylvania Railroad employee, announced he would seek reelection. His opponent, who filed last week, is Ernest Overby, assistant to the business administrator at the University of Delaware.

The triple fight in the Middle District offers men of varied backgrounds. Mr. Diehl, who resides at 214 Kells Avenue, has been a resident here the past 14 years. He is now employed with the Minister Jewelry firm in Elkton. Previous to that he was associated with Baynard Optical Company in Wilmington. Active in civic affairs, he is a member of Hiram Lodge, A. F. & A. M.; the Delaware Consistory; the Order of Eastern Star and the Knights of Pythias.

Mr. Ware, publisher of the Post since 1935, has been in newspaper and commercial printing work all his life, holding posts with papers in a number of states. Since coming here, he has been a keen observer of local affairs and has a detailed knowledge of municipal operations. He is a member of the Newark Lions and the Chamber of Commerce and lives at 20 Linden Street.

The third contestant in this district, Mr. Hershelman, 217 East Park Place, is a chemist with the Hercules Powder Company, and a resident here since 1945. He is active in the Junior Chamber of Commerce and in boy scout work, having served as scoutmaster of Troop 50. Before coming here, he was

employed in Oil City, Pa. A graduate of Alleghany College, Pa., he is a member of Alpha Chi Sigma and the American Chemical Society.

The lone contestant in the Western District, Mr. Levis, 188 West Main Street, is a long-time resident here. Before joining the Equitable Trust, he was employed at the Curtis Paper Mill here and the Newark Trust Company. He is a graduate of the University of Delaware.

In the Eastern District, Mr. Battersby, 224 South Chapel Street, has seen six years' service on Council and is now seeking his fourth term. He has a broad background in municipal affairs here, having served as Police Commissioner and headed other town committees.

## SIX FIRES REPORTED

### Five Are For Field Blazes

Six alarms, all but one for minor field fires, were sounded here the past week, with no serious property loss reported.

The activity began last Wednesday afternoon, with a call for blazing grass on North Street. Scarcely had the blaze been extinguished and the engine returned to the house than the firemen were called back to the same spot.

Two hours later a third alarm was sounded for grass and woods at Iron Hill. This proved a sizeable blaze, with the flames covering a wide area. The volunteers fought the blaze for about two hours and managed to contain it in a vacant stretch.

Late Thursday morning a tree caught fire on Kentway, and around 7 p. m. a field fire was reported at Harmony.

Monday another grass fire broke out along the barksdale Road. Later a garage was reported on fire on Cleveland Avenue, but when the firemen arrived they found only a rubbish heap smoldering.

## FUNDS ARE RESTORED TO NHS BY STATE UNIT

### Approves Many Items At First Cut From NHS Budget Request

Of the \$35,610 originally cut by state authorities from the \$255,555 school budget request of the Newark School District for the 1949-50 term, a total of \$19,065 has been recommended for restoration by the state legislature's Joint Finance Committee.

A sum of \$35,190 was also rejected by the state for the 1950-51 term, and \$21,265 of this has been restored by the committee.

This means that an overall budget of \$481,907 has been approved by the committee for the 1949-51 biennium, according to Supt. Wilmer E. Shue.

Of the \$70,800 originally cut from the request, \$40,330 is now returned. Added to this is another \$20,942.58 for delayed repairs, leaving only \$14,527.42 in the original request still withheld.

The budget has not yet been voted by the General Assembly, but the recommendation of the committee virtually assures its passage.

According to school officials here, the major factor in securing these additional funds for Newark was the work of John P. Sinclair, ninth district representative in the General Assembly and a member of the Joint Finance Committee. Once convinced of the need for the money, Mr. Sinclair did all in his power to convince the other members of his committee to grant the additional requests.

The funds, originally turned down and now approved, cover such critical items as additional instructional salaries, janitor salaries, fuel and capital outlay. The budget, as it now stands, provides funds for holding extra classes in the Newark Methodist Church next term, under the plan previously announced. Increased enrollment is expected to overflow existing facilities and will make this step necessary.

Officials stressed that all the funds provided through the 1949-51 budget will come from the state. Local money used in the operation of schools over the two year period will amount to only about \$18,000.

## P.-T. A. HEARS FULL FACTS ON FLUORINE

A concise, factual report on just what has been accomplished in preventing childhood tooth decay through the fluorination of community water supplies was given by Dr. Louis P. Smith, staff member of the Biochemical Research Foundation, in a talk last Thursday to the Newark Parent-Teacher Association.

Dr. Smith outlined data gleaned on his recent trip with other Newark officials to Newburgh, N. Y., where a Fluorine experiment is underway. He also gave statistical evidence taken from reports on other Fluorine projects throughout the country. Though his approach was the cautious one of a scientist, Dr. Smith said the statistical evidence indicates that the fluorination of water provides a curb on tooth decay in your children.

About 300 P.-T. A. members and guests attended the session and also heard a brief talk by a representative of dental team from the United States Public Health Service now visiting the school. The team is giving individual Fluorine treatments to selected pupils in the first six grades.

A nominating committee to select candidates for the annual P.-T. A. election was also named. F. T. Dianich heads the group, which includes Mrs. Eugene Sultz and Mrs. Margaret Koeig.

Further plans for the school Career Conference to be held April 20 were also outlined, as were plans for a square dance to be held by the association on April 29 at the school.

Final business of the session was the appointment of Donald Armstrong and A. J. Johnson to carry out the audit of the P.-T. A. books.

Refreshments were served by a committee of homeroom mothers from the tenth, eleventh and twelfth grades as follows: Mrs. Floyd Hinkle, Mrs. Oscar Pickett, Mrs. Charles Moore, Mrs. Clifford Moore, Mrs. R. L. Hardy, Mrs. Barton Mackey and Mrs. John McLean.

## BOY SCOUT HEADS PLAN MEET HERE

**Picnic Supper  
By Del-Mar-Va  
Group March 30**

The Annual Meeting of the Del-Mar-Va Council, Boy Scouts of America, featuring a covered-dish Picnic Supper, will be held on Wednesday at the Carpenter Field House, University of Delaware, Newark, according to announcement made by Paul D. Lovett, Newark, president of the Del-Mar-Va Council. The program will start promptly at 7 p. m.

The principal speaker will be Dr. H. Roe Bartle, Scout Executive of Kansas City, Missouri. Dr. Bartle is president of the Board of Trustees, Missouri Valley College; a member of the Committee of Rotary International; founder of the American Humanities Foundation; and an outstanding speaker of national reputation. For more than 18 years he has headed up the Boy Scout Program in Kansas City, giving leadership to 26,000 men and boys.

This meeting is for adults only. Besides the annual election of Council officers and the awarding of honors to outstanding Scouters, the main purpose of the meeting is to show appreciation to the leaders of Cub Packs, Scout Troops and Senior Units throughout the Council area who have given unselfishly of their time and energy to carry on the Scouting program. The picnic supper type of meeting enables the committee members and their wives of each Scout Unit to have as their guests the leaders of their units, with their wives, at this Council-wide annual affair.

The ladies of each Cub, Troop and Senior Unit plan and bring the food for their group, and each Unit group eats together at tables reserved for the District to which they belong. Groups from the same District sit together, and the affair has all the good features of a community party.

Coffee and dessert are provided by the Council and will be served by a special group of Senior Scouts. A small admission charge will be made to cover cost of facilities and equipment furnished.

ished.

The Chairman of each District throughout the Council area is acting as chairman of the Attendance Committee for his District, with the assistance of the District Commissioner and the District Scout Executive. Further information can be secured from any member of this committee.

## SEAL SALE FOR CRIPPLED

The crippled persons to be aided by the Easter Seal Sale, currently being conducted, are those who have physical handicaps preventing them from living a normal life, it was explained today by Mrs. Betty Neal, executive secretary of the Delaware Society for Crippled Children and Adults.

In speaking of "crippled" persons, the society includes a great many besides those who cannot walk. "Included are not only those who have crippling conditions of legs and arms from polio, cerebral palsy, bone tuberculosis, arthritis, muscular diseases and the like, but also those who are crippled in their communication with others by deafness, speech defects, damage to the language centers of the brain, cleft palates and other malformations. Included also are persons crippled in their chances of leading a normal life by such conditions as rheumatic hearts, congenital heart defects, cardiac asthma or epilepsy.

"Various organizations already provide hospital care and sanatoria for the acute stage of some of these ailments and help train physicians and nurses. But other services are needed after recovery when the victim is left with a disability. Handicapped children need special training to lift as normally and comfortably as possible; they should be taught to care for their physical needs efficiently and to enjoy recreational interests within their physical limitations," Mrs. Neal said.

"The society plans," she said, "gradually to meet some of the many unfilled needs of the handicapped in Delaware." Other needs, she said, would be met by the State Board of Health under a program for the crippled. An appropriation bill has been submitted to the legislature to finance the work of the board, and the society seeks to enhance its part of the work by the Easter Seal Sale, Mrs. Neal said. The programs of the two agencies do not overlap.

## Textile Designs On Exhibit At U. Of D.

An exhibition of modern textile designs now is current at the Art Gallery of the University of Delaware's Memorial Library, where it will remain until April 4. Circulated by the Museum of Modern Art, New York City, the exhibition includes hand-woven, hand-printed and machine-woven and machine-printed fabrics.

It is composed of 27 panels showing samples of fabrics on standard-sized frames, together with a number of unmounted textiles and photographs showing the use of fabrics in modern interiors. All were chosen to emphasize the value of well-designed textiles in the modern interior. Work by leading professional designers and students of several colleges and academies is shown.

The exhibition is open to the public.

## Sgt. Sofka To Leave U. Of D. Military Unit

Master Sergeant John Sofka, oldest member of the University of Delaware military staff, has been ordered by the Department of the Army to duty overseas. He will sail from New Orleans April 5 for duty in Puerto Rico. Sgt. Sofka came here in September, 1945, during the ASTP period, and stayed on through the formation of the post-war

ROTC. He is well known in the community and will be greatly missed by his many friends. His wife and daughter, Linda, aged 5, will follow him to his next station after the usual delay in transfer of dependents. Until that time, they will visit Mrs. Sofka's mother in New York City.

During his tour of duty here Sgt. Sofka has been Supply Sergeant in charge of all the military property furnished by the Department of the Army to the university for training purposes, and has made an excellent record. His assignment at the university is being taken over by Master Sergeant Myron E. Jacques, who has been his assistant for the past year.

Sgt. Sofka is a member of Local VFW Post 475 and of Hiram Lodge No. 25 A. F. & A. M., having been accepted in the Delaware Consistory just this year.

A new arrival in the military department is M/Sgt. Gaines G. Wicker, who hails from Texas and has been assigned to replace Sgt. Sofka. Sgt. Wicker is a member of the old Cavalry which has so long been famed in our armed forces as a most important arm in our defense team. He was last on duty with the Delaware Recruiting District with Headquarters in Wilmington so that he is not entirely a stranger to this area.

Sgt. Wicker who is still a bachelor, served, during World War II, in ETO with the Fifth Division.

### N. H. S. Seniors Grow Up

Seniors of N. H. S. who have successfully completed the first semester maintaining an "A" or better in all subjects in the fourth marking period are eligible for senior privileges.

A senior has a study hall either at sixth period, he may be exempted from it by signing out in the hall, so that he may go home for lunch. One study hall out per week is allowed by seniors and they may have other one if it is for an approved reason.

With every privilege goes responsibility, and all those who have senior privileges should take it upon themselves to carry out the following requirements: sign out in the office and where they are going; be on time for their next classes; do not roam the hall; make arrangements with their hall teacher so she will know they are exercising senior privileges. Anyone who violates these privileges will lose them for the remainder of the year. Senior privileges will be discontinued for all if there are too many violations. Whether there are too many or not will be decided in meetings between the school administration and the student committee for Senior Privileges.

The administrative department feels that by giving the students these privileges it will help them learn to accept responsibilities and use their leisure time profitably.

Students who may use these privileges for the next 5 weeks are as follows: Mary Brown, Nancy Conte, Margery Ford, Dorothy Ford, Ruth Gray, Evelyn Kahr, Tom Martin, Arthur Mayer, Jerry Murray, Donald Phillips, Jane Smith, Aileen Ritchie, Lorraine Robson, Don Rumer, Tom Schultz, Tom Miller, Nancy Smith, Elaine Tolson, Eugene Trivits, Virginia Wells, and Carl Wolf.

### Track Plans Are Made

Once again 1949 track season rolls around at Newark High School. Practice officially started on March 21. Athletes who have signed up so far are Layton Zimmer, T. Schultz, H. Blaney, W. Reybold, R. Smith, A. Correll, J. Smith, Martin, H. Kelley, E. Schaen, J. Schen.

### Assembly News

Romance is in the air! Romance is the love man's time; romance is medieval time; romance among our classes; romance in Brooklyn; but not least, leap year.

These romantic episodes were set off by the dramatic club in the assembly program given on March 23rd, at Newark High School auditorium. The play was "How To Propose," starring Anne Thureson as the "Lecturer." Direction of the play was under Ann Thureson with the assistance of the dramatic club. Other cast members included Rocky Rockwell, our "George"; Layton Zimmer, as Osborne, John Speicher, Irwin and Mary Louise Greenplate, Carl and Judith Kase, and Ann Difonzo.

### Seniors Visit Delaware Legislature

Anne Gallaher and Mrs. Rogers took N. H. S. Seniors to a session of Delaware legislature in session on Thursday, March 17.

A group arrived at the State House during the recess of both houses.

When both houses reconvened Governor Elbert Carvel greeted the students in his office and gave a welcome speech. He urged students to continue their education.

## Pleasant Valley School News Report

Mrs. Ruth McCormick, program chairman of the P. T. A., has announced that Mr. Samuel Kirk, one of our parents, will show some excellent travel motion pictures as well as cartoons at the meeting on Wednesday, March 30, at 8 p. m. There will be several selections by the rhythm band in addition to piano solos. Refreshments will be served.

### Experiencing

Within the past ten days outstanding experiences, not found in books, have been brought by Suzanne Cahall and her stamp collection; "Buddy"

Simpers with his exhibition from Japan, collected by his father while in the armed services; "Billy" Pollari and his huge stack of cards gathered from Delaware to California while on a motor trip with his parents and sister during the whole of last summer.

### SLIP COVERS POPULAR

One of the most practical expressions of the modern movement in interior furnishings is the extensive use of slip covers. This is true whether one is buying new furniture or whether rehabilitating old furniture.

Many rockers, wing chairs, and couches are given a touch of modernism by the use of slip covers.

ALL-ALUMINUM

### Combination Windows WITH INTERCHANGEABLE SCREENS

HUNTER WINDOWS eliminate once and for all the bothersome, dangerous job of putting up screens in the summer and storm windows in the fall. They're a good-looking, permanent installation with easily interchangeable screen and storm window inserts. They are the only all-metal combination windows that are completely air-tight yet permit rain-proof, draft-proof ventilation in any desired amount, all year round.

Brilliant new **DE SOTO**  
gets tremendous welcome from public!

Come in and see "The Car Designed With YOU in Mind"

It's BRAND-NEW... so new that there aren't many on the streets yet. But already it's a tremendous success. And it's easy enough to see why.

Everybody wants a smart, good-looking modern car. But most of us don't want to pay a penalty for being modern. We want more room... more comfort... more visibility... not less.

That's where De Soto scores. It's got those long, low lines. But you don't have to wriggle into it. It has big wide doors. Plenty of headroom, too. The roof won't scrape your hat, no matter where you sit. It's roomier than ever.

It's no use having bigger windows and windshields unless you can see out of them. In the new De Soto you can... because you're sitting on chair-high seats. Even a short person can see over the steering wheel. Even a six-footer won't hit his knees on it.

You don't have to enlarge your garage to hold the new De Soto. You can still change a tire yourself. And a dent in the fender doesn't mean an expensive body repair job. Come in and see this wonderful car that lets you drive without shifting. Compare it with any other at any price. Then decide.

Tune in "HIT THE JACKPOT" every Tuesday night, all CBS stations

## NEWARK TWENTY-FIVE YEARS AGO

New Bowling Mark At Aetna Alleys; Buckingham's Store Robbed;  
Two Local Men Beat Checker Champ

From Issue of March 19, 1924

## New Bowling Record

Morris Ewing set a bowling record with a score of 181 Monday night on the new alleys in the basement of the Aetna Firehouse. Previous high was made by James McKelvey, who rolled a 151 a few days ago.

## Store Robbery

While R. G. Buckingham was eating lunch yesterday around noon, a wallet containing over \$280 in cash and checks was stolen from the safe in his general merchandizing store here.

It is believed the robbery occurred while George Porter, clerk in the store, was at a gasoline pump outside.

## Good Turn Backfires

As a favor, Elroy "Skeet" Steele attempted to house J. E. Dougherty's snorting Dodge last Sunday and turned the wrong thingumbob on the dashboard. When Elroy got a grip on himself, the Dodge was about half way through the Dougherty garage and rarin' to get at the other wall. The garage was torn from its mooring in the battle, and the Dodge lost a radiator cap.

This is the second incident to disturb the calm on Park Place recently. Not long ago Walter Ritz displayed some expert gunnery when he shot the domesticated wild duck M. O. Pence was fattening for a meal.

## Checker Matches

State champion Charles H. Lynch took on 15 of Newark's top checker players last Thursday. He played them all at one time, and the results were 7 wins, 2 losses and 6 draws. The match was held in Powell's Restaurant before a large crowd.

Only local men to score victories were Alfred Walraven and Ernest Cornog. Others who took part were: Frank Lutton, Grover C. Henderson, Linwood Walbridge, Oliver Miller, Lee Crompton, Amos Collins, Horace Smith, Dr. Thomas F. Manns, Walter Boyd, Benjamin Wirt, A. M. Green, William Cole and Herman Cohen.

## The Stork

Mr. and Mrs. Howard Robinson, of

Prospect Avenue, are receiving congratulations on the birth Monday of a robust 11-pound boy. Mother and child are doing nicely.

## Personals

Mr. and Mrs. J. Earl Dougherty entertained the members of the staff of the Farmers Trust Company at their home on Park Place last evening. The guests were: Miss Edna A. Campbell, Miss Sarah Wilson, Miss Annabelle Jarmon, Miss Edith O. Lewis, William Bland, and Mr. and Mrs. O. K. Moore.

A St. Patrick's birthday party was given Saturday evening at the home of Mr. and Mrs. Alonzo Messick in honor of their son, Herman.

Mr. and Mrs. Clyde Robinson motor-ed to Perryville, Md., over Sunday.

CROWN DELAWARE  
WHEAT CHAMPION

Joseph R. Pierson

Joseph R. Pierson of Hockessin, Del., has been awarded the Philip W. Pillsbury trophy for growing the best wheat in his state, as judged at the Annual State Grain and Hay Show, at the University of Delaware Agricultural Station at Newark.

Pierson grew the prize-winning wheat on five acres of his 35-acre New Castle County farm, where he also raises corn, barley, potatoes, and hay.

Pierson's sample of prize-winning wheat has been forwarded to Minneapolis, where it will be judged for the national Philip W. Pillsbury prize on March 23. The national prize includes a large trophy, \$100 in cash, and an all-expense trip to Minneapolis as guest of the donor.

## NHS SURVEY ABOUT 40 PCT. COMPLETED

Forms Should Be Returned By March 25

Of the 300 questionnaires sent out recently by the Guidance Department of the Newark High School seeking data on weak spots in the curriculum, only 40 per cent have been returned. The deadline is March 25.

The questionnaires asked criticisms from ex-pupils of their education here in the light of their after school careers. The aim is to uncover these phases of the curriculum that have the most student appeal and prove most valuable in last life. Also sought was the reason why many pupils drop out of school before completing their educational.

Miss Dorothy Market, guidance director, who is in charge of the project here, said the results have proved most helpful. She gave no further details because most of the data will be compiled by the state guidance department in Dover, where the questionnaires will be sent.

Results from this state-wide survey will be turned over to the participating high schools. The Newark guidance department will compare the results of its survey with those from other Delaware schools.

The final result, it is hoped, will be a strengthened high school curriculum, with more emphasis on those courses and school activities which prove of most benefit in the workaday world.

## RED CROSS SOLICITORS

In the wind-up of the Red Cross campaign here, Dr. R. O. Bausman, general chairman, said that one more year had exceeded last year's quota.

This was Zone 24 (Town eastern boundary to Ogletown and Read Village) which this year contributed \$144, against \$63 last year.

Dr. Bausman, who announced the drive totals last week, set the final figure for the Newark area as \$6,623.

## New Delaware Canal Span Rises

Important link for traffic between North and South on Eastern Seaboard rises at Chesapeake City, Md., where engineers of U. S. Steel's American Bridge Co. are erecting the 4,000-foot bridge over the Delaware Canal. The bridge will feature a 540-foot arch span which will rise 235 feet above the water and provide 135 foot clearance above the channel. This

will permit passage of ocean-going vessels on a short-cut route to Baltimore and other Chesapeake Bay ports. It eliminates current ferry service and will be completed in the Fall of 1949 at a cost of \$3.5 million. The new structure will replace an old draw-bridge demolished by a French Tanker in 1942. Workmen are shown erecting girder approaches.

## NHS Staff Plans Another Pre-Term Parley At Tockwogh

Plans for another pre-term conference for Newark teachers prior to the opening of school next September are already being planned.

The parley will again be held at Camp Tockwogh but will be expanded to full two days next year. The dates have been set for September 6 and 7.

Last year's conference, the first in the history of the school, proved so successful that officials expect to make

it an annual event. The session gives the teachers an opportunity to plan the school program jointly for the coming term, as well as get an overall picture of the aims and activities for the year ahead.

If your child is a problem, perhaps it's because you set a bad example.

Experiments by Navy scientists have scuttled rumors that aircraft jet engines make noises in a sonic range harmful to humans. In extensive test with volunteer "guinea pigs" it was determined that the jets have no bad effects on the human body at any operating range.

## LUNCHEON AT CENTURY CLUB MON.

### Annual Spring Event Draws Noted Guests

The annual Spring Luncheon of the Newark New Century Club took place Monday in the clubrooms. Guests of the club included Mrs. Burton Meyer, president of the Delaware State Federation of Women's Clubs; Mrs. W. S. Rannan, vice-president for New Castle County; Mrs. Frost, representing the Wilmington New Century Club; Mrs. J. E. W. Wallin, president of the Newport Women's Club; and Mrs. Clarence Fraim, state chairman of education. A telegram of greetings and anniversary congratulations was read from Mrs. Floyd Booth who was unable to attend on account of illness.

The luncheon committee was composed of Mrs. W. O. White, hospitality chairman; Mrs. Perrie Arnold, housekeeper chairman; Mrs. R. O. Bausman, Mrs. Herman Handloff, and Mrs. Richard Snyder. They were assisted by Miss Anna Fraser, Mrs. William Swan, Mrs. Frank Jamison, Mrs. Chester Eving, and Mrs. E. B. Milburn.

Floral decorations were by Mrs. David Eastburn and her committee.

During a short business meeting conducted by Mrs. J. Pearce Cann a letter was read from the Wilmington New Century Club inviting members of the Newark club to an open meeting of the current events and international relations section at 2 p. m. on March 23. Mrs. C. M. Linden made a plea for cooperation with the Easter Seals drive now being conducted by the Delaware Society for Crippled Children and Adults which is planning a school for handicapped children and sponsoring legislation to aid all who are handicapped. Those wishing to offer assistance or make contributions may call one of the following: Mrs. Carl Rees, Mrs. G. T. Borchardt, Mrs. E. Hughes Nutter, Mrs. Leon Ryan, Mrs. Allan Colburn, or Mrs. Linden.

Mrs. Fenton Daugherty and Mrs. R. W. Heim were nominated to succeed themselves as directors.

A one-act play, "Some Women Were Talking" by John Kirkpatrick, was presented by a cast of six under the direction of Mrs. Jay Robinson. Mrs. John Hildreth, Mrs. Kingdon Watt, Mrs. Allan Colburn, Mrs. Herman Handloff, Mrs. F. W. Jahns, and Mrs. Thomas Batchelor made up the cast, assisted backstage by Mrs. Richard Snyder, Mrs. George Haney, and Mrs. Milton Draper.

### "Ladino" Club To Help Local Farmers

A "Ladino Clover Club" is being formed for farmers in New Castle County, to help them get good pastures at less expense, announced Edward H. Schabinger, New Castle County Agricultural Agent.

Experimental work and good dairy-men have shown that good Ladino pasture may save as much as a dollar's worth of feed for each cow every day during the pasture season, according to Schabinger. Ladino makes greener pastures and more abundant grazing, and requires no machinery and hand labor to harvest pasture.

The New Castle County grain and forage council of the Agricultural Extension Service, made up of County farmers, has suggested that a Ladino Clover Club could do much to improve pasture quality in this county. This type of educational program in the Northeastern states has resulted in many improved pastures in that area.

An opportunity is now being given all farmers to enroll in the New Castle County Ladino Clover Club. The only qualifications necessary for membership are to have some livestock that need feeding and to have a desire to feed the best and cheapest feed available. Club members will be given special help with their pasture programs through timely information material and visits to their farms by the county agricultural agent and a pasture specialist. For further information and enrollment blanks, contact Edward H. Schabinger, County Agricultural Agent.

### Students Attending N. Y. Art Conference

Three faculty members and three students of the University of Delaware's Department of Art are attending the seventh Conference of the Committee on Art Education at the Museum of Modern Art in New York City.

One of the students, Miss Rita M. Patnovic, a senior art major from Newark, is one of two student speakers on the program. She will speak Saturday afternoon on her experience in practice teaching last fall with Miss Stella Balderston at Claymont High School.

Also attending the conference are Miss Harriet T. Baily, chairman of the art department; Miss Jane L. Gardner, associate professor; and Mrs. Margaret P. Allen, instructor; and Miss Mary Lou Richardson, Claymont, and Miss Jane Gordon, Drexel Hill. The conference is sponsored by the Modern Museum.

Laundry assembled through the week in a hamper or closet requires less time than collecting the soiled clothes from all over the house on washday.

### Program For County Band Tour Announced

The program to be played by the New Castle County band on its 3-day tour of county schools beginning March 30 was announced this week by Ernest Wilder, chairman.

The concert will be the same for each school and will open with the well-known march, Bands and Banners, Rosencratz, directed by E. Steiner. Claymont, Next will be Overture Militaire, Hayden, with S. Cole, Mount Pleasant, directing. Sousa's famous march, Fairness of the Fair, will be the first number, with M. Wagner, Middletown, conducting. Mr. Wilder will then direct the popular Rhythm of Rio. The last number will be Stars and Stripes Forever by Sousa, with R. Williams, A. I. duPont, conducting.

As announced last week, the tour will open March 30, with appearances at Middletown and New Castle. Thursday, March 31, the group will stage performances at Newark, Conrad and A. I. duPont. April 1 the band plays at Claymont in the morning and concludes the series with a broadcast over WAMS-FM in the afternoon from Mount Pleasant.

### Ferrier Recital Is Well Received

By Mrs. T. D. Mylrea  
On Monday night, March 21, in Mitchell Hall, the music lovers of Newark were given one of their finest treats. Seldom is one privileged to hear so gorgeous a contralto voice so beautifully handled. It is difficult not to deal in superlatives.

Kathleen Ferrier, a newcomer to the American concert platform, is a British girl brought to this country by Bruno Walter to sing in Mahler's "Das Lied von der Erde" with the New York Philharmonic. Miss Ferrier is in complete command of her voice. It is rich and flawless throughout her entire range. Her breath control, the basis of all good voice production, is outstanding. Her stage presence is dignified and gracious. Good to look at, Miss Ferrier "sets the stage" for each song before she starts to sing, and holds the audience from beginning to end.

We all expect a good program to begin with Bach and Handel, but Miss Ferrier made her first group of songs live as they too frequently fail to do.

It was a fine touch of programming to put "Have You Seen But a Whyle Little Grow" in this group.

German Lieder is something that all vocalists feel are a must in a program. How seldom have we heard it as we did on Monday night! It made us feel that we had been missing something all these years.

Brahms is never easy to interpret, but Miss Ferrier took us into the realm of pure music with the Brahms group of Four Serious Songs. She gave us much for thought, and even the least trained musician was impressed by the artistry and soul displayed in this group.

Miss Ferrier's last group was in a much lighter vein, but here again her sheer musical genius was displayed. She carried us all with her into the mood of each song. Her encores, so graciously given at the end of her program, kept us on the same musical plane. We came away feeling that we had been in the presence of a real musician, a lovely young woman who was straight-forward and sincere.

## BROOMELLS HONORED ON GOLDEN ANNIVERSARY

Mr. and Mrs. J. Howard Broomell, of Newark, were dinner guests last Wednesday evening of their son-in-law and daughter, Mr. and Mrs. Robert M. Broomell, of 39 East Park Place in Newark, on the occasion of their golden anniversary.

The Broomells, natives of Chester County, were married on March 16, 1899, by the Friends ceremony at the home of Mrs. Broomell's parents. Mrs. Broomell was the former Miss Eva Cuthbert.

There is another daughter, Miss Alice Broomell, who resides at home and two sons, Bob and Billy Thompson. Mrs. Broomell has a sister in Colorado, who called her on her anniversary and one brother in Coatesville. Mr. and Mrs. Edward Broomell, of Woodstown, N. J., and Mrs. Annie Garrison of West Grove, were also guests at the dinner.

## MRS. BATTEN GUEST AT SOROPTIMIST DINNER

Mrs. Pluma Batten, of Woodstown, N. J., and treasurer of the American Federation of Soroptimist Clubs was the guest speaker at the first anniversary of the Soroptimist Club of Newark held on Tuesday evening of this week at the College Inn.

Mrs. Edna McMullen, president of the local club, presided and introduced the speaker and other guests of the evening.

Mrs. Batten gave the essence of Soroptimism which is service to the community and the meaning of the motto: Tolerance, sincerity, wisdom, friendship and service.

Members attended from other clubs at Dover, West Chester, Southern Chester County, Oxford and Gloucester County.

Mrs. Anne Longenbach read a history of the first year of the local club giving an account of those members having attended conferences at Toronto, Camden and Reading. The history also brought out the contributions to the several local service projects.

Special music was given by Miss Joe Barr, a student of the University of Delaware, who gave solos of folk songs accompanying herself with an autoharp.

The special committee on arrangements for the evening were Mrs. Dorothy Patterson, chairman, assisted by Miss Eleanor Numayser, Miss Mabel Fay, Miss Virginia Kirkpatrick, Miss Edna Campbell and Mrs. Selena Bing.

## WHITE CROSS WORK CLOSES MARCH 29

The White Cross work conducted at the First Presbyterian Church during the Lenten Season will close on Tuesday, March 29. Approximately twenty-four sponges and many bandages have been made.

This work has been on Tuesdays with the work rooms open from 10 a. m. until 3 o'clock under the direction of the groups of the Women's Auxiliary.

Groups Nos. 7 and 8, with Mrs. Richard Snyder and Mrs. Cuthbert Webster as leaders will be in charge of the women this week.

## BIRTHS

Congratulations are being extended to Mr. and Mrs. Mieczysla Chudzick on the birth of a daughter, born March 19, in the St. Francis Hospital.

Mr. and Mrs. John Wilkins are receiving congratulations on the birth of a son, born March 20, in the Memorial Hospital, Wilmington.

## MRS. SKINNER NAMED PRESIDENT DEL. CHAPTER

The annual meeting of the Delaware Chapter, National Society of Daughters of Founders and Patriots of America, took place following a luncheon at McConnell's Tea Room, March 8, 1949. Mrs. Edward W. Cooch, president, presided. In addition to the routine business, the following officers were elected for the ensuing three years:

President, Mrs. Glenn S. Skinner, Newark; vice-president, Mrs. Carleton P. Bardsley, Wilmington; second vice-president, Miss Mary R. DeVou, Wilmington; chaplain, Miss Marian T. Everett, Montchanin; recording secretary, Mrs. Robert B. Rayner, Wilmington; corresponding secretary and registrar, Mrs. Edw. W. Cooch, Cooch's Bridge; treasurer, Mrs. Layton A. Zimmer, Newark; historian, Mrs. Warren Lamborn, Newark; color bearer, Mrs. Emma Glauser, Swarthmore.

Mrs. Cooch appointed Mrs. Layton A. Zimmer and Mrs. Glenn S. Skinner to audit the treasurer's books.

The following delegates and alternates were appointed to attend the 51st General Court to be held in Washington in April:

Delegates—Mrs. Edward W. Cooch, Cooch's Bridge; Mrs. Glenn S. Skinner, Newark; Mrs. Carleton P. Bardsley, Wilmington. Alternates—Mrs. Layton A. Zimmer, Newark; Mrs. Emma Glauser, Swarthmore; Miss Betty Newkirk, Wilmington; Mrs. Ernest R. Caro, Wilmington; Mrs. Warren Lamborn, Newark; Mrs. Robert B. Rayner, Wilmington.

## 47 JACKET CANDIDATES TURN OUT FOR START OF BASEBALL DRILLS TUES.

**Workouts Begin For Opener At Conrad High April 20; Mercer Is Mum On Season's Prospects; Seven Holdovers Are Available**

Forty-seven Newark High School baseball hopefuls reported to Coach Frank Mercer and Assistant G. Ott on Tuesday for the opening of drills.

Six varsity veterans were in the group, which was sent through preliminary workouts in preparation for the opener at Conrad on April 20. The first home contest will be April 25 with Wilmington High.

Mercer had no predictions to make on this year's campaign. Much will depend, he indicated, on what new talent develops from the horde of candidates now romping about on the athletic field.

Although he has the basis for a pitching staff in Robert Haman and the ground plan for an infield in Ralph Barrow, James Ford, and Phil Harrison, Mercer must still fill in critical gaps. Two holdovers, Earl Laws and Frank Porter, are available for the outfield.

The remainder of the candidates who turned out Tuesday are as follows: B. Hawthorne, D. Sharpe, N. Smith, R. Bramble, B. Hammond, J. Gregg, L. Buckingham, T. Burke, R. Thorpe, V. Fox, T. Davis, J. Knotts, H. Long, W. Knotts, E. Swain, W. David, J. Edman, W. Redding, A. Vandepoole, R. Reed, R. Rainer, M. Crothers, A. Meyer, H. Keely, E. Trivits, R. Long, S. Gray, J. Leahy, A. Sparks, D. ## Newark Hi-Y Cagers Nip Brown; 3rd In League

The Newark Hi-Y basketball team ended its 1949 season Thursday by handing the Cherokees of Brown Vocational a close 34-31 setback on the latter's court.

Newark, which lost only to Wilmington and the Cherokees wounded up in third place in the Hi-Y League. The Jackets season's mark was eight wins and four losses.

The Cherokees took the title in the league with Wilmington High second. The winners will receive a trophy to be presented at the next Hi-Y Council meeting.

## Hen Nine To Start Southern Tour Tues.; Open At Maryland

**Trip To Include Games With Navy, Lynchburg, Hampton Sidney And Norfolk**

The Delaware Blue Hens will open their baseball season Tuesday against the University of Maryland at College Park, starting their five-game southern trip. The veteran Albert Thorpe will take the mound for the season's opener.

The series will continue through the week of the university's spring holiday, against Navy at Annapolis, Wednesday, Lynchburg College, Thursday, Hampton Sidney, Friday and Norfolk Saturday.

Coach Shack Martin will take seven pitchers on the trip, including three lettermen from last season—Thorpe, Jim Collins and Joe Pennock, along with Ken Walls, Paul Thompson, Doc Green and Jim Middleton. All are right-handers. They will pitch to Tom Silk and Ted Youngling.

All the infield problems are not solved yet Coach Martin said today, but his candidates, not named in order of probability, are Jim McFadden at first base unless a basketball injury delays his starting, and perhaps Pennock or Harvey Ewing; Billy Cole, last year's top hitter, and James Longacre at second; Jim Gilson, three-year letterman, at shortstop, and a trio of third basemen, Tulio Bonifito, Joe Higgins and Bill Bodnaruk. Outfielders are Ace Hoffstein, Larry Gillespie, Ron Bergstrom, Joe Heim and Larry O'Toole.

## 2 NEWARK YOUTHS AMONG 30 VARSITY ATHLETES TO RECEIVE LETTERS AT U. OF D.

**George Schaen Wins Gym Award And Is Elected 1950 Captain; Tom Runk Earns 'D' For Work On Mat Team; 3 Frosh Honored**

Two Newark athletes of the University of Delaware were among 30 varsitymen to receive letters in winter sports, and three received the freshman award, at the spring meeting of the University Athletics Council.

George Schaen, a junior and one of the outstanding performers on Coach Roy Rylander's gymnastics team, received the gold "D" and was elected gym captain for next year. Schaen is a top performer on the parallel bars and shows exceptional agility on the hi-bar and rings.

Tom Runk, also a junior, won his letter on Coach Shack Martin's wrestling team, in the 145-pound class. Runk and Ted Youngling, football lineman who was named 1950 mat captain, were the only Blue Hen matmen to go to the finals in the Middle Atlantic States championship tournament at Gettysburg.

Newark freshmen to receive awards were Don Martin, basketball guard and captain of the Newark High Yellow-Jackets cagers last year; Hugh Miller, graduate of Mercersburg Academy, a breast stroke swimmer, and John Sprecher, wrestler in the 121-pound class.

Carroll Mumford and Joseph Zappo, Jr., were members of the freshman gymnastics team, but this group did not participate in enough interscholastic competition to receive awards.

Paul Kraemer, sophomore, from Marshallton, who won his "D" as a 121-pound wrestler, also is a graduate of Newark High.

Baudy Grier, Wilmington, twice Middle Atlantic States diving champion, was named swimming captain. The cage captain has not yet been elected.

## Auto Races Set For April 3 At Reading

**25-Lap Sweepstakes Included In Opening Day Card**

They're formulating plans for the opening of the Eastern big car auto race season at the Reading Fairgrounds, Sunday, April 3.

The race at Reading, a sprint affair, will be restricted to AAA cars and drivers. Competition will be confined to regulation type race cars, and the events will offer drivers an opportunity to garner points in the 1949 Eastern dirt track championship.

The program, as announced by contest board officials of the American Automobile Association, will consist of time trials, four 10-lap qualifying heats, a match race, and a 25-lap sweepstakes final. Inverted starts, with the fastest car starting last, will be employed in the four heat races.

According to Nunis, many of the country's top drivers will be on hand for the inaugural. First entrant is Tommy Hinnershitz, of nearby Allentown, who set two new track records in the inaugural race at Reading one year ago.

Hinnershitz, who drives a high-powered Offenhauser car, hung up a new half mile qualifying mark of 24.35 seconds, and established a new 10-lap record of 4 minutes, 22.76 seconds. Both marks still stand in the official record books of the American Automobile Association contest board.

Meanwhile, Nunis predicted this week that the size of the starting field at Reading will exceed 25 drivers and cars.

Inspection Lanes Now Open Tuesday, Thursday Night

The Wilmington motor vehicle inspection lane at Eighth and Bancroft Parkway is now open each Tuesday and Thursday evening during March until 8 p. m.

This was announced recently by Frank L. Reed, motor vehicles commissioner, who pointed out that the extra time is reserved for owners of cars who are unable to get their cars inspected for the March 31 expiration during the regular hours of 8:30 a. m. to 4:30 p. m.

Daily Good Deed

"Young lady," asked the officer sternly, "do you know anything about the traffic laws of this city?"

"Yes, a little," she answered sweetly. "Can I help you out?"

## CERTIFICATE OF REDUCTION OF CAPITAL

PENN INVESTMENT COMPANY, a corporation organized and existing under the General Corporation Law of the State of Delaware, does hereby certify as follows:

1. That at a meeting of its Board of Directors, duly held and convened on February 8, 1949, a Resolution was adopted in pursuance of an express direction to that effect voted by the stockholders of the corporation at their Annual Meeting on July 14, 1948, setting forth a proposed reduction of the capital of said corporation in the manner and to the extent herein-after set forth.

2. That at the said Annual Meeting of the corporation the above named corporation (the Annual Meeting having been called upon at least ten (10) days' notice given in accordance with the By-Laws thereof), a Resolution was duly adopted by the holders of record of a majority of the shares of stock of the corporation having voting power, directing the directors of the corporation to reduce the capital of the corporation from \$103,549.20 to \$93,236.40, in the following manner:

Preferred Stock without par value, owned by the corporation, the amount of capital shares being \$20, \$10,500.00. By retiring 528 shares of Common Stock of the par value of \$10 per share, owned by the corporation, \$5,280.

Total \$10,120.00. The Resolution so adopted provided that an amount not exceeding that part of the capital of the corporation represented by the shares so retired may be charged in respect to such shares.

3. That the Certificate of Incorporation prohibits the reissue of said Preferred and Common shares so retired, and pursuant to the provisions of Section 28 of the General Corporation Law of the State of Delaware, upon the filing and recording of this Certificate as therein provided, the Certificate of Incorporation of said corporation shall be amended so as to effect a reduction in the authorized Preferred of 528 shares, being the number of such shares without par value so retired, and also to effect a reduction in the authorized Common stock of the corporation to the extent of \$52.80, being the aggregate par value of 528 shares of such stock so retired.

4. That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been otherwise provided for.

IN WITNESS WHEREOF, said PENN INVESTMENT COMPANY has caused this Certificate to be signed by its Vice-President and its corporate seal to be affixed, attested, the 1st day of March, A. D. 1949.

## NHS PUPILS GET DENTAL TREATMENTS

### Government Fluorine Team Visits Here

The fluorine team from the United States Public Health Service, assigned to Delaware under the direction of the State Board of Health, started work in the Newark Schools last week, and children for whom the fluorine will be made available have been selected from the first six grades.

According to Dr. Neil Kerico, dentist in charge of the program, each child will receive four applications of fluorine given about three days apart, which will be applied to the teeth following the method approved by the Public Health Service.

The teeth of the children will be examined prior to applying the fluorine and parents will be advised concerning those in need of dental attention. It is important that teeth which have started to decay receive immediate attention from the family dentist since they are not protected by the fluorine. According to Dr. Kerico, the topical application of fluorine is successful in reducing the yearly incidence of dental decay from 40 to 50 percent, but so far as it is known, it has no effect upon teeth which have started to decay.

Working with Dr. Kerico at the Newark Schools are Miss Dorothy Peters and Miss Jo Ann Kelchner, dental hygienists, and Miss Elizabeth Jackson, clerk. The team will move to Kent County when the work is completed in Newark.

Parents of the children and other interested persons in the community are invited to visit the school during school hours and observe the work being done there.

### Plan To Revise NHS Report Cards Studied

A plan to revise report cards in the Newark Senior-Junior High School was discussed at a recent faculty meeting, principal Frederick B. Kutz said this week.

The sorepoint in the present system is the method of rating citizenship, he said. Separate marks for citizenship are given in each course, and the teachers contend that parents seem to be having difficulty in interpreting just what the marks mean.

Several solutions were offered at the meeting, among them being: limit marks for citizenship merely to satisfactory or unsatisfactory, include a check list in the report rating the pupil for each separate quality covered in citizenship; do away with the citizenship mark entirely and substitute written comments by the teacher on the pupil's behavior rating; incorporate the citizenship mark in the subject mark and use only one grade per subject.

No decision on changing the system was reached, but each teacher was asked to fill out a questionnaire listing the solution preferred.

## ROTARIANS HEAR TALK

### Social Security Aide Speaks

Roger R. Minker, manager of the Delaware Office of the Social Security Administration, discussed the benefits of social security in a talk at the Newark Rotary Club on Monday night. He also pointed out some of the advantages as well as flaws in existing legislation.

Program chairman was Alex Richards, who introduced the speaker.

Details on the International Rotary Convention to be held in New York City, June 12-16, was given by Dr. T. F. Manns. Delegates from all parts of the world will attend.

A ninety-one percent attendance by the local unit in February was reported by Club Secretary Nickel.

Further plans for the club's coming Minstrel Show on April 27 were also outlined. All funds raised through the production will go to the Rotary International Scholarship Fund and to the local unit's Student Loan Fund, which aids worthy students in this locality.

Guests at the meeting were George Winckler and Jack Hershelman, both of Newark. A visitor was Percy Arnold, of Portland, Maine.

### SCHOOL TAX RECEIPTS

School tax receipts for February totaled \$263.67, according to Supt. Wilmer E. Shue.

A sizeable return on tuition from out-of-the-district students was also reported. A total of \$2501.40 was received from this source.

## How to Raise Chicks on a Shoe String

We're not advising anyone to spend their last dollar for baby chicks! We are suggesting, though, that there are ways you can safely economize. The first rule for economy is getting quality chicks, bred for profit.

The few extra pennies you spend initially will pay dividends in extra eggs and higher livability.

Your Pratt U. S. Approved-Pullorum Clean Chicks represent true economy... they live well, mature early and lay lots of big eggs. Start a batch soon... write, phone or visit the hatchery to place your order.
