are receiving popular support. Reg-
istrations for all age groups are

maintained when post enrollment is
reached.

through the schools as well as at
the YMCA and the Newark Recrea-
tion Association office.

Mother, Children
Escape From Fire
Set By Husband
Delaplane Manor Home
Razed As "Fit of Rage"
Produces Conflagration
The mother of four children was
burned on the right hand as she
tried to put out a fire which police
said was started in a "fit of rage"
by her husband, destroying their
home in Delaplane Manor, near
Newark, Tuesday night and causing
damages estimated between \$20,000
and \$30,000.
The husband, Franklin E. Pope
of 9 Capitol Place, was taken into
custody by state police for question-
ing in connection with charges of
arson before Magistrate Clarence
S. Foster of Newark.
The wife, Mrs. Marie Pope, was
given first aid and she and the chil-
dren are staying with neighbors.
The children, who escaped without
injury are Eugene, 17; Lois, 16; Be-
verly, 15, and Joyce, 15. All are stu-
dents at the Newark Junior and
senior high schools.
According to state police, Pope
employed for the past 17 years as
a conductor for the Pennsylvania
Railroad Company, returned home
about 6 p.m. with two friends. His
wife told police all had been drink-
ing.
She reported her husband returned
alone shortly after 9 p.m. and
told her he was going to set the
house afire. She said he went
around gathering all the papers and
trash he could find and dumped it
throughout the house.
Then, she said, he got a can of
fuel oil to douse the papers but
before he could do this, Mrs. Pope
told police she upset the can. She
said her husband then went to
another room and when she went to
see what he was doing, he had
dumped papers in a closet and set
them afire.
A neighbor, Earl Godwin, saw
smoke and flames coming from the
house and telephoned an alarm. The
Aetna Hose, Hook & Ladder Com-
pany of Newark and the Christians
Fire Company rushed to the scene.
When firemen arrived, they found
the greater part of the home built
by Mr. Pope, a mass of flames. Be-
fore the fire was extinguished, it
had swept all of the house but
rooms occupied by the children.
Those rooms suffered smoke and
water damage.
Firemen from Newark responded
with 52 men and four pieces of
equipment while Christians sent
18 men and two fire trucks.
AT WILLIAMSBURG
Mathilda Johanna Jansen of the
Netherlands, now finishing graduate
studies at the University of Dela-
ware, is one of 42 foreign scholars
selected to participate in the Wil-
liamsburg (Va.) International As-
sembly, June 8 through 12.

Newark Police Solve Mystery
Of Malicious Mischief Cases
One Newark Boy Among 4 Juveniles Arrested Monday
For Series Of Eight Breaking, Entering, 4th Degree
Burglary Cases At Local School Buildings, Warehouse
Newark police ended a series of eight local breaking,
entering, malicious mischief, and fourth degree burglaries
that began last September, with the arrest of four boys last
Monday. All juveniles, one is from Newark—the other three,
from Wilmington.
Judge Francis J. Reardon presided at Family Court in
Wilmington last Tuesday, and the boys have been lodged in
the first offenders building at the
New Castle County Workhouse on
counts of breaking and entering,
and fourth degree burglary. All
eight offenses were committed dur-
ing daylight hours in Newark pub-
lic school buildings, and at the
Newark office and warehouse of
Southern States Cooperative.
The first case occurred last Sept.
15 when the rear door of the South-
ern States building was forced, and
the office ransacked. Damages were
estimated at \$17.50, including stolen
change.
Schools Sacked
On Sept. 29, the glass in a rear
door of the Newark Junior High
School was broken, the office was
ransacked and the safe tampered
with, while some candy bars and
small change were stolen. The loss
was estimated at \$12.
The same day, the intruders
forced their way into the senior
high school building through the
locker room; ransacked office desks,
and stole small change and stamps,
with loss estimated at \$28.
Things quieted down until Dec. 31
when the Southern States office was
entered by removal of rabbit strip-
ping in the rear; the office was
thrown into disarray, and some
small change taken.
On Feb. 23, damages estimated at
\$203 were sustained at the junior
high school building when entry
was gained through an unlocked
window; the glass in several doors
was smashed; maps were ripped
from the walls; ink was poured over
desks and floor, and obscene lan-
guage was scrawled on the black-
boards.
The Same Day
Again, on the same day, the
Southern States Cooperative build-
ing was entered and sixty 100-lb.
bags of feed were slashed and scat-
tered over the floor, the office desk
was ransacked, and change was
taken from the cash register. Dam-
ages to business of labor for rebag-
ging were estimated at \$38.
And to round out what must have
been a busy day, the juvenile of-
fenders broke the glass in a rear
door at Newark High School, threw
ink around the premises, broke an
ice cream cabinet, and two watches
were reported missing with dam-
ages estimated at \$75.
On March 2, Newark Junior High
School was again ransacked, with
minor damages estimated at \$8.
PTA Group Seeks
Financial Help
For Needy Pupils
Possible financial assistance for
those needing it to cover fees for
local public school summer courses
is being explored by the Newark
PTA study-planning committee.
The study-planning committee is
seeking groups or individuals in-
terested in sponsoring needy pupils
in the Newark school district sum-
mer program.
The committee recommends that
each PTA unit use some of its May
Fair profit to sponsor such pupils
from its school.
Mrs. A. L. Lackman or Charles
Zemsky can be contacted to provide
additional information for financial
assistance.
The deadline for registration for
all summer classes is Friday, June 6.

of his artwork.

City Officials Puzzled
By Lack of Applications
Recent experience of Newark city
officials fails to bear out claims of
unemployment stress and auto deal-
ers' need for additional sales.
Advised since last Thursday,
four job openings for city employees
have failed to arouse a single ap-
plicant, and the first application to
bid on the sale of a new automobile
and truck for city use was made
Tuesday morning. And only one

Commencement Theme To Feature Flower Show

This year's Spring Flower Show at the University of Delaware takes its theme from the many graduation and commencement exercises being held at this time in nearly every community. The flower show will be open to the public on Saturday from 2 to 9 p.m., and on Sunday from 1 to 9 p.m. in the auditorium and foyer of Agricultural Hall.

Newark Spending Below Budget Rate For First Quarter

Chas. D. Long Reports Expenditures, Revenue For Operation Of City

The City of Newark spent only 17.8 per cent of its 1958 budget in the first quarter of the year, Finance Director Charles D. Long has reported to City Council.

With a budget of \$1,273,840, the city had spent only \$226,433 up to March 31, leaving nearly \$1,050,000 to spend in the last nine months of 1958.

Chief cause of the slow start is that the budget was not adopted until mid-March. Spending until then held close to the 1957 rate. Actual spending by the city in 1957 was \$204,494.

Only 8 1/2 per cent of the budgeted capital outlay, or \$30,289 out of \$355,800, was spent before March 31. The city spent 22 per cent of its maintenance and operation budget, or \$125,585 out of \$566,240. It had paid 20.1 per cent of its budget for salaries and wages, or \$70,559 out of \$351,800.

Sections of the budget affected by the February and March snowstorms were the only ones that spent more than one-fourth of their budgets. The street division paid 31.3 per cent of its wage account, the electric division spent 26.4 per cent of its maintenance funds, and the sewer division 36 per cent of its wage account.

Meanwhile, on the revenue side of the ledger, half again as much money came in as was spent. The city took in \$365,661 during the first three months or 28.7 of the anticipated total. This includes the \$145,240 surplus on hand last Jan. 1, plus \$207,690 in electric, water, and sewer receipts, \$8,789 in overdue real estate taxes, and \$3,942 in fines and permits.

Parking fines, hampered by snow, totaled only \$432 toward a budgeted \$3,000. Tax penalties, however, have already topped the whole year's expectations, with \$300 budgeted and \$537 already collected.

YOU CAN CALL YOUR MONEY YOUR OWN

This year, Tax Freedom Day fell on May 13. It bears the name because it was the first day of the year on which you would call the money you earned your own.

Here's the story. Estimates say the personal income of people in this country will come to \$350 billion in 1958. Federal, state and local tax bill will add up to \$125 billion, or 36 per cent. So, on the average, each of us must work 36 days to pay the cost of government before there is anything left for ourselves.

Newark Taxpayers Profit In Savings With New Schools

McVey Cites Cooperative Effort Of School Board, Todd Estates Developers

Taxpayers of the Newark special school district have been saved thousands of dollars in school construction costs by cooperation between the school board and the builder of Todd Estates, rapidly-growing community on Chestnut Hill Road near Newark, according to Joseph M. McVey, board president.

"It is difficult to estimate the exact amount saved in the building of our new elementary and junior high schools adjacent to Todd Estates," Mr. McVey said, "but it is a substantial sum. In addition, it has helped us to maintain our scheduled opening of the school in September."

The board president pointed out that most of the savings was realized in the installation of such utilities as streets, water lines, and storm and sanitary sewers. "By coordinating our building of these facilities with Samuel Watkins, president of Todd Construction Company, we were able in most cases to pay only for enlarging those already planned by the builder rather than installing separate systems of our own," Mr. McVey said.

"Willingness of the builder to alter his plans for streets and sidewalks to meet more fully our requirements resulted in substantial cost reduction for us in these items," he declared.

"This rearrangement by the builder of plans for home and street layouts in the immediate vicinity of the new school also means greater safety from traffic for our students, especially those in the elementary grades," he added.

Mr. McVey said that the architect had assured the school board that both the junior high and elementary schools would be ready for classes this fall. They will be officially known as the Oglethorpe Junior High School and the Jennie E. Smith Elementary School.

Carpenter Signs 2 Hen Stars For Phils With Smith, Watson

Delaware Star First, Second Basemen To Report This Weekend To Class B Carolina League In Phillies Chain With Bonus Payments Reported At \$10,000 To \$15,000

Two star infielders of Coach Harold Raymond's Fighting Blue Hen baseball team—Second Sacker Jim Smith, and First Baseman Gene Watson, were signed for the Phillies by President Bob Carpenter last Tuesday, with bonuses reported from \$10,000 to \$15,000. Smith and Watson will report this weekend for duty with the Class B Carolina League of the Phillies chain.

Both Watson and Smith played on three of Delaware's best teams, the Blue Hens compiling a 47-11 record over that period.

Two of these teams, in 1956 and 1958, qualified for the District 2 NCAA playoffs. The 1956 team was eliminated in the opening round by St. John's, but the 1958 team withdrew because the playing dates conflicted with final examinations at the university.

Captain Gene Watson

Watson, who captained this year's Hens, compiled a .346 batting average over the three-year period. Smith hit .323.

Smith, 23, started playing baseball at P. S. duPont High, handling second base for three years under Coach Ren McGraw. He batted .410 in his senior year.

Jimmy also played three years at second base for the 1952 Laurence Roberts American Legion Junior team, under Coach Frank Lucas. He hit .584 for the 1952 state champions, and led all Legion players in homers that season with 11.

Batting Champ

At Delaware, Smith batted .222 in his sophomore year, but averaged .354 as a junior and .323 this year. In '57, he led the club in hitting and set an NCAA record by smashing seven triples.

The 5-11, 165-pound second baseman also is a top-notch fielder. He was selected on the 1957 District 2 all-star team. He figured in 20 double plays last year.

Smith is married to the former Nancy Heaps.

Watson, 5-10 and 180, led the Hens in hitting in his sophomore and senior years, with .339 and .363, respectively. He finished with a .337 average in his junior season. The Middletown resident is an expert fielder, too.

Gene, who bats and throws left, is one of the few to have belted a ball over the right-field wall at Delaware's Frazier Field. The Phillies' Harry Anderson, then playing for West Chester Teachers, was the other.

Smith and Watson follow another former Delaware athlete, Dallas Green, into the Philadelphia organization. Green, tall pitcher out of Conrad High, is with Miami in the International League.

McKenry's Braves Lead Little League In American Race

Unbeaten Optimist Nine Stops Phils, Cubs; New Indians Win 23-6 Rout

Standing	Thru June 2	Won	Lost
Braves	3	0	0
Phillies	3	1	1
Indians	1	1	1
Dodgers	0	2	2
Cubs	0	3	3

Manager Harry McKenry's Optimist Braves defeated the Phils and Cubs last week to stretch their undefeated string to three in leading the Newark American Little League. The Braves belted the Phils, 12-2, and clubbed the Cubs, 27-4.

In other games played last week, the Indians — newcomers as the fifth team in the league — walloped the Cubs, 23-6, and the Phillies stopped the Dodgers, 10-6. Last Monday evening, the Phils moved up on the leaders with a 17-2 victory over the Cubs.

With Gene Garrett giving up but two singles, and helping himself to three singles and two doubles for a perfect day at bat, the Braves downed the Phils, last year's champions, by 12-2. Buster Kennard's homer following George Spicer's walk in the second, and Fred Van Name's triple with two on in the fourth were the highlights of the scoring.

Ricky Cronin was the winning pitcher as the Braves swamped the Cubs of Manager James Ochs, 27-4. Paul Schlosser's Indians took a quick lead over the Cubs, who were playing their first game of the season, when Bob Hubbard doubled and came home on Cal Hubbard's two-base hit.

The Cubs came back in their half of the first inning as Sam Yarrington singled; Bob Cronin doubled; and Joe Hollon scored the fourth run after reaching second on an error coming home on Bob Trull's single to right.

However, the Indians poured it on in the late innings to win, 23-6, with Bob Hubbard batting five for five.

Manager Bill Morgan's VFW Phils stopped Al Dager's Dodgers after Dodger Nick Biasotto used up his weekly allowance in a three-inning duel with Steve Mitchell. Mike Huff and Corky Deck proved no puzzle to the Phils who scored five in the fifth and three in the sixth for the ball game. Thomas and Godbey doubled for the Phils, and Brabey belted a triple.

In last Monday's game, Harry Saunders was the winner for the Phils. Sam Yarrington the losing pitcher for the Cubs.

This Saturday, the Dodgers meet the Cubs at 1 p.m., and the Indians and Braves play at 3 o'clock. On Monday, the Indians and Phils meet; it's the Braves and Dodgers on Tuesday; and Phils vs. Braves, Wednesday — all games beginning at 6 p.m.

International Polo Team Faces Brandywine Stars

The U. S. Inter-Collegiate International Polo Team will play the Brandywine Polo team in a benefit game for the Bryn Mawr Hospital under the auspices of the Devon Horse Show at Toughkenamon, Pa., this Saturday at 3 p.m.

The collegians will leave for England shortly after the game at Toughkenamon, where they will face England's best mallet-swingers in six contests, high-lighted by a game played at famous Cowdray Park during England's polo week before the Queen and other polo enthusiasts.

The 18-hole qualifying round is scheduled for Monday with first round play in all flights scheduled for June 17. Except for the qualifying round medal play, all other rounds will be match play.

The 36-hole championship final is scheduled for Saturday, June 21. Eighteen-hole final matches in other flights will also be played on that date.

The tourney is open to players who are amateur members in good standing of a DSGA member club, and who are domiciles of the state.

Backbone — And He Has Plenty — Seen As Favorite For Delaware Park's Kent

He's not a Tim-Tam—not yet, anyway—but the colt who might come up favorite in Delaware Park's \$25,000 added Kent Stakes this Saturday June 6, will have plenty of possibly the most improved racehorse of the year.

The chestnut flyer's name is Backbone, and he has shown plenty of it. Last year, as a juvenile, he got one victory, four seconds and one third in eight starts and certainly caused no furore. This season, he lost no time accounting for five triumphs, three of them in stakes events, getting better all the time. It appears certain that Backbone will have plenty of backing in the mile and a sixteenth Kent, first of Delaware Park's major fixtures for three-year-olds.

His owner and breeder is New Jersey C. J. Devine, who races in the name of Boncrust Farm. After Backbone scored his first stakes win in the Chesapeake on April 19, many thought the colt would try for the rich Preakness—second of the triple crown classics. But owner Devine decided to pursue a "discretion" policy with his colt—and it proved a wise move.

Letting Tim Tam and Lincoln Road fight it out in the Preakness, Backbone was sent to New England. There, he promptly captured two \$25,000 added stakes—the Hartford at Lincoln Downs, and the first running of the Suffolk Downs Stakes. In the latter, he revealed exceptional courage.

Carrying topweight of 121 pounds, Backbone drove to victory in the Suffolk Downs Stakes.

Lackman, regular third sacker for the Yellowjackets, began playing baseball with the first of the Newark Little Leagues, moved up to Babe Ruth baseball, and onto varsity starter for Newark High School.

Frank Jezzyk in right field was runner-up with a batting average of .466, including 14 hits in 30 times at bat, while Herm Hubbard and Ricky Parker posted averages of .437 and .409.

Pitcher Dick Gray batted the ball at a .333 clip, while Shortstop Dave Stimmel turned in a satisfying season total .311.

Scorekeeper Patti Howes, chief statistician for the Yellowjackets, also reports that Barney Field accounted for the other Newark home run; Hubbard and Jezzyk led in doubles with three each, while Lackman, Parker, Gray, Bob Frank, Field, and Carl Rice registered two each.

Hubbard led in stolen bases with six; Stimmel, four; Rice, and Lackman, three; Jezzyk, two, and Frank, Field, and Parker, one each.

Undeclared Tigers Lead In National Little League Play

Pirates' No-Hitter Over Leaders Spoiled As Rain Halts 3-Inning Contest

Standings thru June 2	Won	Lost
Tigers	3	0
Yankees	2	2
Pirates	2	1
Giants	0	4

The Chrysler Tigers edged the Avon Yankees, 5-4, last Monday to remain undefeated and in first place in the Newark National Little League race, as Tiger Tommy Palmer and Yank Don Konz turned in stellar mound performances.

Konz gave himself a big assist with a pitcher's home run, while his catcher, John Collins, led the Yankee hitters.

Reggie Bishop, Tiger catcher, paced the Chrysler hit parade. Last week the Tigers topped the CIO Giants, 8-5, with Bishop again leading the Bengal hitters. Mike Johnson hit a home run in the role of losing pitcher.

The Yanks walloped the Pirates 10-1, cashing in on eight hits while the Aetna boys were held to four safeties.

On Wednesday of last week, after taking a shelling from the Yanks, the Pirates rebounded to hold the Tiger team hitless for three innings, leading 2-0 as rain called a halt to the evening contest, spoiling Mikolitch's no-hitter. The game must be replayed since 3 1/2 innings are required for the record book.

On the following evening, the Yankees belted the hapless Giants, 10-1, behind Konz's hurling.

A Saturday doubleheader is scheduled with the Tigers and Pirates playing at 1 p.m., and the Giants facing the Yankees at 3 o'clock.

Next Tuesday, the Tigers meet the Yanks; it's the Pirates vs. Giants on Wednesday; and the Tigers play the Giants next Thursday. All games are scheduled to begin at 6 p.m.

Newark finished a 6-4 campaign last week with four straight victories in Talarowski's coaching debut with the Yellowjackets.

Completing a month of practice this week, the teams met for a baseball skill clinic last night and will attend another tonight. At the Medill School, the American and National League players, coaches and dads saw a series of five instructional films starring baseball greats. Pitching, catching, infield play, double plays, and batting techniques were shown and discussed. The Major and International Leagues attend the clinic tonight.

In the American League, the Indians open the season against the Red Sox at the West Park Place diamond; the Yankees meet the Orioles on Tuesday; the Braves and the Yankees on Wednesday; and the Yankees and the Orioles on Thursday.

"Hay Day" Attracts 100 For Review of Research

Delaware farmers in the future may be able to produce a better grade of hay than they are now importing, leading to a new source of farm income.

This prediction was a highlight of a special "Hay Day" held near Middletown last week, under sponsorship of the University of Delaware school of agriculture, and attended by more than 100 farmers.

Under the university's "Bunker Hill Project," carried out at the farm of George T. Weymouth at Middletown, methods tested for growing local hay have proven successful.

Dean George M. Worrlow pointed out that local hay research is a team effort, involving agronomists, entomologists, agricultural engineers, farm economists, and other agricultural scientists.

"In most modern libraries there is a desire to create a freer atmosphere, to remove some of the bolts and padlocks which once were considered necessary," he said. "We plan to put students in closer touch with books, not only required reading and reference books, but worthwhile volumes for recreational reading."

At the University of Delaware the library's book collection is good, but needs constant expansion to meet faculty research programs, Dr. Dawson indicated.

"We now subscribe to about 1,350 periodicals and are adding as many as 10,000 books each year to our collection," he said. "In addition, we must fill gaps in our present holdings."

Dawson Discusses Place Of Library For College Town

"A good librarian can do just as much teaching as a member of the faculty in a classroom," Dr. John M. Dawson, director of libraries at the University of Delaware, said in discussing the place of the library in the life of a college community.

Dr. Dawson noted that too much emphasis has been placed by many libraries on conservation rather than on use of books.

"In most modern libraries there is a desire to create a freer atmosphere, to remove some of the bolts and padlocks which once were considered necessary," he said. "We plan to put students in closer touch with books, not only required reading and reference books, but worthwhile volumes for recreational reading."
