

President Freshmen Forbidden Of Automobile In Newark

University of Delaware Issues Ban To Aid City Parking
Upperclassmen Urged To Leave Cars At Home; Registration Tugs Planned For Campus Parking Program

Newark University of Delaware freshmen, other than those living in the dorms, will be prohibited from driving their cars on campus during the 1954-55 academic year. Upperclassmen are urged to leave their cars at home unless suitable arrangements for garaging or storing can be made.

City Improvement Bond Issue Study To Be Conducted

Committee To Consider
Methods Of Financing
Improvement Program

A citizens' committee has been appointed to study a proposed bond issue for financing a city improvement program.

In announcing the committee appointment, Acting Mayor Samuel L. Diehl, Jr. stated that the improvement program is expected to be financed by current city revenue, and that no increase in taxes is contemplated.

One Of Two Knife Fighters Still Critically Injured

Edward Poindexter, one of two men injured in a two-way knife fight on Saturday evening, Aug. 14, is still in a critical condition in Wilmington Memorial Hospital.

Members Of Local Southern States Co-Op In Meeting

Members of the Southern States Newark Cooperative board of directors and the Southern States Farm Home advisory committee, their wives and husbands, met last night at the Glass Kitchen in Glasgow to plan for their local 1954 Southern States Cooperative annual membership meeting and to nominate persons to fill vacancies occurring this year on the board and advisory committees.

Local Businessmen Encourage Competition As Firm Sponsors

Newark Electric and Martin J. Inden, Inden for Young Folks, Inc., are sponsoring a contest for young people to design a new product or service.

150 Split Level Homes Scheduled For Development

\$5 Million Construction
Planned For Section M-2
In Brookside Community

Plans for the construction of 150 split-level homes at the Brookside development near Newark have been announced by the S/L Development Company, headed by Arnold Mattel of Wilmington.

The \$5,000,000 project, covering a large tract adjoining the present development on Chestnut Hill Road to the east, will be known as Brookside Section M-2.

The homes are being constructed as an expansion of Brookside through an agreement between S/L and the original developer, Brookside Park Associates, Inc.

The three-bedroom dwellings, situated on lots about 70 by 110 feet, will sell for \$11,000, according to Mr. Mattel. The first home is expected to be ready for occupancy in November. A sample home has been built beside other Brookside simple dwellings on the Capital Trail outside Newark. The homes are on four different levels.

Development of the new tract will substantially increase the size of Brookside, which already has some 900 homes, 4,000 residents, a school, churches, a shopping center under construction, a 200,000-gallon swimming pool, a clubhouse, and park and recreational facilities.

All construction work will be handled by the Arnold Construction Company of Wilmington. Engineering will be under the personal supervision of Kenneth A. McCord of Whitman, Reardon and Associates, Baltimore consulting engineers.

H. Albert Young, Wilmington attorney, represented S/L in negotiations for purchase of the tract, and Matthew Tost of New York represented the seller.

Police Investigate Two Car Accidents Early This Week

Two automobile accidents involving total estimated damages of \$640 were investigated by Newark police early this week.

On Sunday afternoon, at 2:05 o'clock, two cars proceeding south on South College Avenue, collided.

Wm. H. Kitchen, 59, of Wilmington, attempted to make a left turn south of Winslow Road, into a university driveway, when a vehicle operated by John E. Tucker, 27, of Chester Heights, Pa., struck the left side of Kitchen's car. Damages to the Kitchen car were estimated at \$350, while Tucker's machine sustained damages of \$300.

On Tuesday morning, at 8:10, two automobiles were slightly damaged on North College Avenue.

Parked on the east side of the street, Harold Condra, 31, of Lovett Avenue, Newark, opened his car door on the driver's side and into the right fender of the vehicle operated by Thomas Mitchell, 47, of Chestnut Hill Estates, which was passing by, headed north.

Damages to Condra's car were estimated at \$35; Mitchell's, at \$55.

Uniform Fire Code Planned For State Law Enforcements

Fire Marshal Announces
Blanket Regulation Plan
For "Neglected Standard"

Delaware's first uniform fire code, applicable to all communities and giving local fire authorities power to enforce their laws, is in the making.

State Fire Marshal W. J. LaRue is preparing specific recommendations for such a law, to be submitted to the 1955 General Assembly.

If enacted it will establish Delaware as the nation's first state with "blanket" regulations, he said.

An expanded staff and budget will be other legislative requests.

At present, Delaware has a set of fire laws dating back to 1935, which contain penalties for violations. A number of communities have their own city codes.

\$500 Pledged For Proposed Medical Center

Clarence Brown, of the Newark Kiwanis Club, presents a pledge of \$500 from local Kiwanians to Elmer Kleppner, executive director of the proposed Southern New Castle County Medical Center. The presentation was made recently after the Newark Medical Society and the Chamber of Commerce had announced opposition to the proposal for construction of a 150-bed capacity hospital to be located in the area.

Preparations for Newark's 1954-55 Red Feather campaign began last Monday night with a meeting of the regional organization, R. L. Hardy, 4 Tanglewood Lane, chairman of Region X, which includes Newark and its suburban areas, presided.

The meeting held at the Town Council offices, was attended by the regional vice-chairmen, district chairmen, and Fred H. Norris and Ben Knipper, executive director of the United Community Fund of Northern Delaware.

This year a Newark organization is represented for the first time among the Red Feather member agencies, which now total 29. The Newark Recreation Association was admitted to the United Community Fund in June.

Organization of the local areas was outlined, and plans were discussed for solicitation within these areas. General solicitation in the 1954 campaign will be concentrated as much as possible in one day, Wednesday, Oct. 13. Volunteer workers will be asked to try to complete their assignments on that date, then report their results on the following day, Thursday, Oct. 14. Plans for the clean-up of the campaign will depend largely on the success of the Oct. 13 effort.

An unscheduled drizzle washed out the eighth annual run of the Pushmobile Derby last Saturday morning.

Officials of the Delaware Association of Police, sponsor of the event, rescheduled it for this coming Saturday at 10 a.m. on the Millford Crooked track near Newark.

Plans for the derby remain unchanged, they announced, except for the postponement.

The decision to cancel plans for the derby last Saturday was reached about 8:30 a.m., while a clammy drizzle was falling and leaden skies showed few signs of breaking up.

The 114 cars pronounced eligible for the derby were ordered kept under lock and key in the gymnasium of the Pierre S. duPont High School, where they are impounded until the running of the derby.

Telephones at DAP headquarters were ringing early as the contestants called in to find out if the event had been called off.

As a result, derby officials were reasonably sure that everybody got the word early enough. As far as they know, nobody went out to the track Saturday morning.

Members of the DAP were ready with several vans to move the racers out to the track about 5:30 last Saturday morning.

They waited around in the rain, hoping it might quit, but finally decided against moving any of the cars.

A \$500 scholarship and a \$500 war bond have been added to the list of prizes for the derby.

J. Henry and Jerry Topkis are donating the \$500 scholarship, and the DAP is donating the war bond as a prize for the second place winner.

NEWARK BOY ENLISTS
Lindsey Saunders, 18, of 30 Corbit Street, Newark, was among 11 Delaware youths who enlisted at the Army-Air Force recruiting station in Wilmington last week. Lindsey enlisted for service with the Army Medical Corps.

Newark League of Women Voters Baby Sitters for 950-lb. "Babies"

Members of Newark's League of Women Voters, old hands at baby-sitting for voters' families on election days, have taken on the new job of baby-sitting for the new voting districts and the location of registration places for the registration on Oct. 2 and 16.

The demonstrators will be prepared to answer questions on voting procedures and to supply voters with cards bearing their political address.

\$25,000 Fire Hits Local Lumber Co. On Tuesday Night

Third Disaster In Three
Years Damages Warehouse
As 60 Aetnammen Respond

Within a period of three short months, a again struck the Newark Lumber Company when a blaze of undetermined origin broke out shortly after 6 o'clock Tuesday evening in a warehouse stocked with building materials. Damages were estimated at \$25,000.

A. L. Dollins, Newark Lumber Company manager, said yesterday that the building and the materials were covered by insurance.

Three fires within three years, and two within three months, are making this lumber load a heavy one to carry," Dollins commented ruefully.

"This fire was mild compared to the airplane crash in May," he continued. "It was bad enough. We plan to replace the destroyed materials just as soon as we can arrange for delivery with the suppliers," he said.

The 50 by 150 ft. frame, one-story warehouse is located only about 600 feet distant from the lumber company's main building, gutted by fire in a May 25th crash of a C-45 twin-engine Air Force plane. Damage estimates in the wake of the plane crash ran as high as \$500,000. The two fires parachuted to safety.

Fire Chief John C. Cunningham of the Aetna Hose, Hook and Ladder Co. gave the most recent damage estimate.

Walter J. LaRue, the state fire marshal, was called to the scene and is investigating the cause of the blaze.

Sixty firemen from the Aetna company swarmed over the area while the Singery Fire Company of Elkton, Md., stood by to cover for the Newark company in the event of other alarms.

Chief Cunningham said the roof and part of one side of the warehouse, located on Pennsylvania Railroad property, but owned by the lumber company, were destroyed by the fast-burning flames, fed by an asphalt roofing compound.

School Cafeteria, Maintenance Staff Named At Schools

Janitorial-Maintenance,
Cafeteria Personnel
Announced For New Term

Members of the cafeteria staff, and personnel comprising the maintenance and janitorial staff for the Newark public schools were announced yesterday by Frank R. Mercer, administrative assistant to the superintendent of the Newark school district.

Mrs. Phoebe Marshall will manage the central school cafeteria, assisted by Mrs. Mary Willis, Mrs. Margaret Roberts and Mrs. Belle Smith.

At the E. Francis Mead elementary school, Mrs. Kathryn M. Moser will be the cafeteria manager, with Mrs. Emma Baldwin, Miss Marian McDaniel and Mrs. Esther Kraus, assistants.

Mrs. Carroll Mumford has been named to manage the West Park Place school cafeteria which will open some time after the beginning of the school term on Sept. 9, with Mrs. John Daley and Miss Alma Johnson as cafeteria staff members.

The West Park Place school cafeteria staff will work with Mrs. Marshall, central school, until the new cafeteria opens.

Clifford Knotts is director of maintenance for all Newark public schools, with John Moore, in charge of all janitorial service.

Roy Nutter and Jan DosSantos comprise the maintenance-janitorial staff at the Central elementary school. John Broyles, James White, David Thurston, Clarence Reason and Mrs. Ring are employed at the junior-senior high school, and Henry Arnold and James Wyatt have the middle school assignment.

Mead Ragan will be employed at the West Park Place school building; James Field at the New London Avenue school; and Walter Ewing will provide maintenance-janitorial service at the Brookside elementary school.

Two part time workers are needed to complete the staff, Mr. Mercer stated.

CD Rescue Truck Provided For City Of Newark Use

Newark will receive a brand new rescue truck tonight, when Harry B. Crissman, acting director of the New Castle County Department of Civil Defense turns over the keys to the new vehicle to Wallace G. Johnson, Newark Civil Defense director, at the town garage on East Main Street at 7 o'clock.

The new truck is the third one of its type provided for Civil Defense use in the county. The others are located at Talleyville and at the Minqua Fire Company, in Newport.

Chrysler To Submit Tank Bid To Continue Local Operation

Local Tank Plant Manager States Bid Will Be Submitted
"In The Near Future" For Continued Production Of M-48
Medium Tanks At Newark; Modification Work Continues

Irving J. Minett, operating manager of the Chrysler Delaware Tank Plant in Newark, said this week that Chrysler will submit its bid for the production of additional Patton M-48 medium tanks in the near future.

Army officials recently announced that proposals have been solicited from prospective manufacturers for the continued production of these medium tanks. It was pointed out that bids would be accepted only from those firms now engaged in the production of the vehicles, or from those on the Army's stand-by list of producers.

General Motors Corporation's Fisher Body Division is the sole source of supply for the Patton tank at this time. Other manufacturers on a current stand-by basis are the Ford Motor Company and the Chrysler Tank Plant here in Newark.

Final Tank
Mr. Minett stated that the final Patton 48 rolled from the Newark plant's assembly line several months ago, but that the plant was still carrying out its modification program.

This modification program is the process whereby the latest engineering changes and improvements are incorporated into previously completed tanks. Such changes are ordered by Army Ordnance officials following recommendations of field troops.

Defense Department officials said that the additional order for medium tanks was included in a \$260,000,000 program for the construction of additional tanks and other military vehicles.

In addition to medium tanks, the Army has asked for bids on the production of M-59 armored infantry vehicles, M-42 self-propelled guns, and five-ton cargo trucks.

Street Committee Ponders Proposed One-Way Traffic

Members of the Newark street committee met Tuesday night to consider the State Highway Department proposal for one-way traffic on Main Street, and one-way traffic east on Delaware Avenue, with construction of the Delaware Avenue extension.

No definite conclusions were reported after the informal discussion of the problem.

The proposed by-pass to relieve the local traffic load, will extend Delaware Avenue east through the Continental Diamond Fibre Company property, in back of George Read Village, and into a traffic circle with entry on Capitol Trail and the Ogletown Road.

Aetna Firemen Tackle Two Preliminary Fire Alarms

Tuesday night's fire at the Newark Lumber Company was the hot spot of the week for members of the Aetna Hose, Hook and Ladder Company volunteer fire department, as 60 firemen fought the blaze at 221 E. Main Street. No injuries were reported.

On Saturday morning, at 11:30, one truck with Aetna volunteers responded to an alarm on Route 40, near Glasgow, where gas fumes from an air vent in a building, were ignited by an electric sign. State Police had extinguished the fire before the firemen could reach the scene.

Last Tuesday morning, a junk pile in a field off New London Avenue caught fire and was extinguished by the efforts of firemen on one truck. No damage was reported.

School Of Art In Newark

An art school will open in Newark on Sept. 7, with classes to be conducted by Leo Laskaris in the Masonic apartment building, corner of Main and Academy Streets.

Evening classes for adults will be scheduled on Monday, Tuesday and Wednesday evenings, with Saturday morning classes for children to be conducted from 10 to 11:30 o'clock.

The son of Mr. and Mrs. James Laskaris, of 41 East Main Street, Newark, Leo is currently painting an original mural in the remodeled Newark Trust Company building.

A graduate of Newark High School and of the University of Delaware, Mr. Laskaris continued his studies at the Chicago Art Institute and the Ozenfant School of Fine Arts in New York City.

Check Up On Yourself Advises Home Management Specialist

"Everyone needs friends," says Louise R. Whitcomb, home management specialist at the University of Delaware. There is a kind of understanding that exists among friends that is different from the understanding you'll get from parents or teachers.

If you're beginning to wonder just what sort of person you really are, check these questions: When you don't win in games, debates, or other competitions—do you congratulate your opponents? Do you often offer to help with the dirty work? Can you take criticism without getting angry? When your friends win honors or get invitations that you would like to have gotten yourself, do you like them to get as well and show it? How do you receive your own tributes and honors—do you brag about them? Do you make sure everyone knows your good fortune?

State Installment Buyers Broke? Backbone of Economy CIT States

Those who tend to picture the Delaware installment buyer as a hapless individual with his future mortgaged and his present buying power drained away by past purchases are far from the actual facts, according to Arthur O. Dietz, president of C.I.T. Financial Corporation.

Actually, the installment buyer is the backbone of the state's economy and provides a vital prop to Delaware's employment and well-being, Dietz declared.

Dietz, whose firm is the nation's largest independent financing institution, and has several offices in the state, said a recent study indicated that of the Delaware families who started 1934 without debt, only about one in four will buy durable goods during the year. But of the families who started the year with installment debt, he explained, almost half will make additional purchases before the year is out.

Dietz based his estimates for the state on a national study of consumer buying habits, conducted for C.I.T. by the Survey Research Center of the University of Michigan.

"Installment buyers are middle-income families with new homes, growing families, expanding needs and aspirations for a better life," Dietz pointed out. "They are the real support of the durable goods industries—automobiles, refrigerators, washers—on which such a large share of the national prosperity depends."

So They Say

... but none of them were big enough to describe her joy at discovering... It's a rare treat in store for you.

Pre-School Association Announces Availability Of Brookside Openings

The proportion of middle-income families—those earning between \$3,000 and \$7,500 a year—more than doubled between 1935 and 1953, Dietz said. Half the nation's families are in that bracket now, he pointed out.

"Consumers today," Dietz declared, "have record savings and record income with which to buy things. In addition, their credit rating is excellent. They have the credit to purchase just about any amount of durable goods. Our people are not buried under debt. They are very well off."

University Parking

(Continued from page 1)

Registration tags with green field and gold letters will permit parking in the agricultural hall parking area at any hour and in other parking areas from 5 p.m. to 7 a.m. only. These tags will be issued to upperclassmen having classes scheduled at agricultural hall.

Registration tags with gold field and blue letters will permit parking in university parking areas between the hours of 5 p.m. and 7 a.m. daily, Monday through Saturday and on Sunday. They will be issued to upperclass students not holding blue or green tags.

Fraternity Parking
The nine campus fraternities also will be requested to assist in the new program. Complaints have been received regarding the unsightly appearance given the neighborhood when large numbers of automobiles are parked in the yards of fraternity houses. The university will expect fraternities to limit the number of cars allowed to park in fraternity house yards in order to avoid a used car lot appearance.

Present university parking lots accommodate 530 vehicles, but approximately 60 spaces will be lost when construction on a new dining hall begins at the site of the Knoll on South College Avenue later in the school year.

During the coming months, on-street parking in Newark especially near the campus will be at a premium and all students will be urged to cooperate in making the new regulations effective.

Should this plan of parking prove unsatisfactory, the university will be forced to establish more stringent restrictions in subsequent semesters.

Children's Zoo Popularity Proved By 3,000 Visitors

The Children's Zoo in Wilmington is even more popular than expected, Irwin F. Brown, chairman of the citizens' committee promoting it, declared last week.

Estimates were that 25,000 persons would visit it this summer but by early August there already had been 30,000 visitors, he said. This is one reason the committee has decided to keep the zoo open at least a week beyond Labor Day.

A prayer, in its simplest definition, is merely a wish turned heavenward.
—Phillips Brooks

Auto Inspections Urged To Prevent Last Minute Rush

Only 2,000 of the 36,780 cars with registrations expiring Sept. 30 have been inspected and another last minute jam at inspection lanes is feared.

A warning that lanes at Wilmington, Dover, and Georgetown may not be able to handle the rush was issued last week by Motor Vehicle Commissioner Harvey Spicer.

Mr. Spicer again pointed out that car owners can have their vehicles inspected at any time and wait until it is convenient to pay to renew the registration.

"The reason we set up these three-month inspection periods was to prevent a jam at the inspection lanes on the final days," Mr. Spicer said. "We are ready to handle them as they come along but if they do not come to the lanes until the final days of their period, they may have to wait in line to have their motor vehicles inspected," he added.

Citizens' Corner

This is a project of the League of Women Voters of Newark, a local unit of the League of Women Voters of the United States. The league, a non-partisan organization devoted to informing the electorate, will be glad to answer your questions addressed to The Citizens' Corner, c/o The Newark Post. Questions will also be accepted at Newark 8-1615.

Q: How can I find out where to register to vote?
D.M.F.

A: The Department of Elections in the courthouse, Wilmington 8-7121, can give you this information; or visit the voting machine display in the Farmers Trust on Main Street in Newark and consult the map of election districts on display. While you're there, try out the voting machine!

Q: Is it too late to register for the November election?
E.M.M.

A: There will be registration in the courthouse during the first 15 working days of September; also in your local district on Oct. 2 and 16. Remind your friends and neighbors!

Q: If someone stands right outside the voting machine when you open the curtains, can't they tell how you voted?
Mrs. R.P.J.

A: Watch for that when you go down for your voting machine demonstration. You'll find that when you push the red gadget to let yourself out of the booth and register your vote, the little voting levers return to their original position just before the curtains open.

Q: Is it true that you only can vote a straight ticket on a voting machine?
J.K.

A: No. You may vote for any individual whose name appears on the machine, regardless of party. Why not take the first opportunity to try one of the machines which are being placed in public places for demonstration during the next month?

Give August Grass A Rest; Husbands, Too Says Expert

If mowing the lawn is one of the jobs your husband is lazy about in summer, that may be all to the good for the grass.

William H. Mitchell, assistant Extension agronomist at the University of Delaware, says that the kind of grass you have should decide how close to cut in summer. If you have the familiar bluegrass or creeping fescue, which thrives in cool seasons, then laziness about mowing during hot August weather may benefit or even save your lawn. A close shave in the heat can ruin such a lawn.

Mr. Mitchell advises that these "cool season" grasses should be cut no shorter than 1½ to 2 inches in hot weather. A closer cut at this season when growth is slow may use up the food reserves of the plant so that it will be too weak to come back when the cooler fall growing season begins.

TRAINING FOR FUN

with the Newark Recreation Association

Drama Group

Mrs. John Sinclair climaxed four weeks work with two performances of the "Emperor's New Clothes". Those taking part in the final production were:

Emperors: Ace Jaquette, Diane Duff, Empresses: Lynn Coburn, Barbara Berry; Jesters: Beverly King, Liz Sinclair; Tailors: Diana Duff, Jean Munson, Pendleton Duff, Susan Hall; Cooks: Lynn Mercer, Janet Darsie; Captains: Kimball Jaquette, Dave Jaquette; Prime Minister: Herbert Christman.

On behalf of the Recreation Association, we wish to thank Mrs. Sinclair for her untiring effort and two successful plays.

Minister Accepts

(Continued from Page 1)

While attending Princeton Seminary Mr. Andrews served for a time as assistant pastor at the First Presbyterian church of Sparta, N.J. and during the past year has been assisting Rev. Bruce Morgan, the Presbyterian pastor at Princeton University.

This summer Mr. Andrews has been on the staff of Dodge Community House, a social welfare project sponsored by the Presbyterian churches of the Detroit area. During the past ten days Mr. Andrews has been attending the assembly of the World Council of Churches at Evanston, Ill., as a member of the Presbyterian delegation to the United Student Christian Council Conference.

As minister of Christian education at First Presbyterian Church Mr. Andrews will devote his attention primarily to strengthening the work of the church with youth and young people.

Westminster Foundations are organizations of the Presbyterian Church designed to supply the religious needs of students in state universities and colleges.

As director of Westminster Foundation at the University of Delaware Mr. Andrews will in effect be Presbyterian pastor to university students.

The office of the Foundation will be in the First Presbyterian church and all religious meetings sponsored by the Foundation will be held in the church.

Mr. Andrews will reside at City Line Apartments, on Elkton Road, Newark.

Lumber Fire

(Continued from page 1)

The warehouse was crammed with keels of nails, the roofing compound, roofing shingles, plaster board, and other building and construction materials.

Chief Cunningham reported that most of the contents either were consumed in the blaze, or badly damaged by water.

He reported that one side of the warehouse was a mass of flames when firemen arrived at the scene at 6:40 p.m. They had the fire under control in about a half hour, but were at the scene about an hour and a half.

Fighting the blaze was made more difficult through the fact that firemen had to dig through smoldering building material to get at the floor, which also was afire.

Ground on which the warehouse is located is adjacent to a PRR siding. The ground is leased from the railroad by the company.

Firemen employed five pieces of equipment in dousing the stubborn blaze. The building is referred to as Warehouse No. 12.

"BROOKSHADE"
Jane C. Hopkins, Newark, has been granted the exclusive use of the name "Brookshade" as a herd name in registering her purchased Holstein-Friesian cattle. This prefix name is granted and will be recorded by The Holstein-Friesian Association of America.

"Big Enough to Serve You—Small Enough to Know You"

Research, Graduate Ag Appointments Announced at U.D.

Research and graduate assistant appointments in agriculture were announced this week at the University of Delaware. Raymond Chalmers of Newark is working in the agricultural engineering department; Frank B. Springer of Cape May Court House, N.J., and Betty May Goff of Seaside, N.Y., and E. Dawson Blest of Wilmington are working with the agronomy department; Wilson Kaiser of Lexington, S.C. is working in the agriculture economics department and Frank Murphy of Hockessin is in the entomology department.

Raymond Chalmers is working in agricultural engineering department as a shopman. He worked with the duPont company for five years and Chrysler for two and a half years. A graduate of Newark High School, Mr. Chalmers worked in aerial photography while serving in the Marine Corps in World War II. He has his own machine shop at home.

Frank Springer was appointed a full time position in charge of variety testing program and field research. Mr. Springer, a graduate assistant in the agronomy department for the past two years, received his masters' degree in agriculture from the University of Delaware in June. He will temporarily replace William Mitchell who has been granted a leave of absence to do graduate work at Pennsylvania State University.

Betty May Goff is in charge of the soil testing laboratory. A chemistry graduate from the College of Wooster, Ohio, she has worked with the duPont company as a control chemist. She now replaces Edward J. Kedda.

E. Dawson Blest, a graduate of the University of Delaware, was appointed graduate assistant. He will work on field research in agronomy. Wilson Kaiser, a graduate of Clemson College, S.C., has a full time job as research assistant to Dr. Raymond C. Smith in the agricultural economics department. While doing research work, he will also work on his masters' degree. He served 3½ years in the army. Kaiser and his wife make their home on 113 Orchard Road, Newark.

Frank Murphy is a graduate of the University of Delaware with Bachelor and Master of Science degrees in entomology. He will do research work in entomology. At the same time he is doing work for his doctor's degree in biology. He, his wife and their 10 year old daughter make their home in Hockessin.

Historian To Talk At Citizenship Day Dinner In Dover

Dr. John A. Munroe, University of Delaware history department chairman, will speak on "John Dickinson and the Constitution" at a Citizenship Day dinner in Dover on Sept. 17.

The observance, sponsored by the Delaware Society of the Sons of the American Revolution, commemorates the 168th anniversary of adoption of the Federal Constitution. By a recent act of Congress, the name for the celebration was changed from Constitution Day to Citizenship Day.

The dinner will be held at 6:30 p.m. at the Dinner Bell Inn, according to plans announced by Judge P. Warren Green of the New Castle County Court of Common Pleas, president of the state society. Judge Green is also general chairman of the observance.

Poultry Disposal Pit Use Urged To Combat Disease

Prompt disposal of dead chickens helps prevent the spread of disease, according to Ralph Barwick, Asst. County Agricultural Agent. The quickest and easiest way to dispose of them is to drop them in a disposal pit. The chickens decompose rapidly without chemicals and cannot be dug up by dogs. With a pit it is not necessary to dig a hole or start a fire to destroy the diseased carcass every time a chicken dies.

Wonderful Time for Lawn Fix-Up

Scott's Lawn Seed is the time proven blend of grasses to make the deluxe lawn in sun or shade. This all perennial blend including 70% Kentucky Bluegrass is best for fall planting. Scott's Lawn Seed is economical because you need so little... only a pound or two per 1000 sq. ft.

1 lb. - \$2.45 2½ lbs. - \$5.95

Scott's SPECIAL SEED - Makes a serviceable lawn in sun or shade with ordinary care. 1 lb. - \$1.45 5 lbs. - \$6.95

Turf Builder - Fall feeding strengthens roots, makes the grass healthy. Turf Builder is clean and safe, no offensive odor before or after use.

Mill Creek Hundred News

Sara Pennington Evans, Correspondent
Phone: Hockessin 1728

With September just around the corner, school days are fast approaching and activities for school, church, and club will begin in full force next month for a busy season.

Mrs. Paul W. Mitchell of Woodside Farms, entertained Mrs. W. Harmon Money of Smyrna, president of the Delaware State Federation of Women's Clubs at a luncheon meeting last Friday when the state program was set up and the annual fall conference planned for Sept. 16.

Mrs. Mitchell had the following guests in addition to Mrs. Money: Mrs. Howard W. Brannon of Wilmington, communications; Mrs. Charles O. Bratton of Newport, community affairs; Mrs. Wilbur Mumford of Georgetown, conservation of natural resources; Mrs. Clarence Fraim of Wilmington, education; Mrs. Clarence Simpson of Delaware, fine arts; Mrs. Clinton H. Brown of Roselle, American home; Mrs. Jesse Seven of Odessa, international affairs; Mrs. Thomas E. Herlihy of Wilmington, public relations; Miss Etta Wilson of Newark, editor of Club Women Magazine.

Mr. and Mrs. Mitchell will leave today on a 16-day tour of the Pacific Northwest. They will go on the Pennsylvania State Grange tour to Jasper National Park, Alaska, Vancouver, and Victoria and enroute home they will visit Yellowstone Park.

Mr. and Mrs. Parker Baldwin, lifelong residents of Hockessin and Yorklyn, celebrated their 49th wedding anniversary on Tuesday. In their honor, a family party was held last Sunday at the home of Mr. and Mrs. Clayton Jenkins at 2611 Newport Gap Pike.

Mr. and Mrs. Garton Taylor and children, Judith and Bruce, of Chester, Va., are spending this week with Mrs. Taylor's parents, Mr. and Mrs. M. A. Shakespeare on Louville Road.

Mr. and Mrs. J. B. Eastburn and children of Limestone Road, spent last week at Wildwood, N.J.

Red Clay Creek Presbyterian Church
Work on the new addition began last week following the awarding of the contract to W. Nelson Potter of Wilmington at the bid of \$25,320, exclusive of the installation of another heating unit to the present system.

The new wing—45x38 feet—will consist of two floors and a basement. There will be 14 classrooms and a church office. The barn-garage has been torn down and excavation work has begun.

The Rev. H. Newton Hudson, pastor of Union Presbyterian Church, Carney's Point, N.J., will preach this Sunday at 11 a.m. and William T. Elliott will be the soloist.

The first fall meeting of the evening circle of the Women's Association will be held Sept. 1 at 8 p.m. with the fall meeting of the church school executive board on Sept. 2 at 8 p.m. at the church.

White Oak 4-H Club
Parents, guests, and members numbering 40 enjoyed the annual outing last Wednesday at White Crystal Beach Manor, Md. There was swimming, fun, and fellowship.

Miss Dorothy Pierson, junior club leader, is at Camp Barnes for the next two weeks as a counselor for the state 4-H Camp, Janet and Edwin Pierson, Jr., will enjoy a stay at the camp next week.

Corner Ketch
Two girls from the Union 4-H Club, Peggy Harris and Immaculate Voss, a German exchange student, will spend next week at the state 4-H camp.

Carol Harris went to Dayton, O., last week to visit her cousin Margaret Kline.

Union Grange will begin its meetings next Wednesday at 8:30 p.m.

Ebenezer Methodist Church
The Ebenezer Fellowship will meet next Wednesday at 6:30 p.m. for a covered dish supper and meeting at the home of Mr. and Mrs. Kinsey Whitman on Ogletown-Christiana Road.

The Mrs. M. M. M.
"Well," George exclaimed, "at last I've got some real figures to back me up." He laid down his magazine with a satisfied air.

"Let's have it," said Molly, putting her darling aside.

"George Ames was trying to tell me the other day that the Tennessee Valley Authority, far from being a drain on the taxpayers, was actually showing a profit. I knew darned well it wasn't so, but I couldn't prove it."

"So?"

"So now I've got the dope. For the fiscal year ended June 30, 1953, the TVA had an income of \$104,877,860. The TVA's figures would indicate that its expenses for this period amounted to \$85,583,760, which would indicate a balance or profit of \$19,294,100."

"So George was right?"

"Not at all. If TVA had been operated as a private power company, it would have had these additional expenses—\$76,205,028 in taxes, and interest and amortization totaling \$34,628,183. But the taxpayers paid the interest and the taxes, so actually we lost \$91,540,104 by operating the TVA as a bureaucratic business."

"Maybe I got lost in all those millions, but I don't follow you," Molly sighed.

"You get the \$91-million figure by adding the \$76-million figure and the \$34-million figure, and subtracting the mis-termed 'profit' of \$19-million. Simply means that the TVA power consumers got it cheap because the taxpayers put up the difference."

be cleaned in preparation for its opening.

Mrs. Elsie W. Stradley will be the teacher for the coming year.

Mr. and Mrs. Edward A. Naudain and son, Jackie have returned from a trip to Montreal, Can.

Mr. and Mrs. Raymond Lynam of Bayview Road, Middletown, were Sunday guests of Mr. and Mrs. Warner Naudain on Limestone Road.

Christiana Calling

Sylvia P. Jones, Correspondent
Phone New Castle 6876

After two months of reporting Christiana news, we are delighted to announce the town's first new baby during this time. Terry Suzanne Roberts was born Aug. 19 in the Wilmington General Hospital, the daughter of Pfc. and Mrs. J. Allan Roberts. The proud grandparents are Mr. and Mrs. Samuel Butler. Private Roberts is enjoying a ten-day furlough from his Army duties at Pikeville, Md., to become better acquainted with his new family.

Increased fire protection for the Christiana area is assured, with the fire company's official order for a new American-La France combination pumper. Representing the latest thing in fire-fighting equipment, the new truck will equal any engine now in use in this section. Because it fulfills all Civilian Defense specifications for such equipment, part of the total cost of almost \$18,000 will be defrayed by the town. A large amount still remains to be raised, however, and the fire company and Ladies Auxiliary are buzzing with plans for fund-raising projects. Delivery of the new truck is promised within six months.

Store Improved
Customers of Baldwin's general store on "the corner" appreciate the external improvements recently completed by E. I. Baldwin, proprietor. The new concrete porch and sidewalk in front of the store add much to the attractiveness of the property, and the outdoor telephone booth is a boon to all in need of fast phone service. As the only public air-conditioned building in town, the Baldwin store has been a popular spot this hot summer.

Mrs. Anna Scherck, who has been visiting her daughter and son-in-law, Mr. and Mrs. Joseph Cunane, returned to her home in Olyphant, Pa., last Saturday. The Cunane family, including the boys Joey, Jimmy, Tommy, and Bobby, motored with Mrs. Scherck to Olyphant, where Mrs. Cunane and the children are visiting this week.

Mr. and Mrs. William Solomon of Bridgeport, Conn., were recent guests of Mr. and Mrs. Joseph Cunane and family.
Miss Martha Greene has returned from a two-week stay at the Girl Scout camp at Grove Point, Md. Mrs. Perry Thorp was hostess at a coppercraft party at her home on Maguire Street last Tuesday evening.

To Ohio
Mr. and Mrs. James Crosby and son, and Miss Carol Anne Thorp motored to Sandusky, O., last week-end to bring home Mrs. D. C. Crosby, who has been spending two weeks with her daughter and son-in-law.

Come in... See

Newark
Co-op

In-law, Mr. and Mrs. Albert Thorp. The Women's College Club held its August meeting at the home of Mrs. A. H. Jones last Wednesday. Miss Mary White of Richardson Park showed colored slides of her recent motor trip to the West Coast. Mrs. John Currier entertained her cousin, Mrs. James Pappas and family of Clayton, Del., on Friday. Miss Cissy Murphy spent last weekend in Richmond, Va., as a member of the champion girls' softball team of Delaware.

New Construction
Busy construction work along Walther Road these days is explained by the new houses being built for Lawrence Lee and E. B. McCann. Teddy Novak is also building a new home on Old Baltimore Pike, just outside the town limits. Invitations have been issued for the wedding of Miss Mary Louise Leasure, daughter of Mr. and Mrs. Wilbur L. Leasure, to Mr. and Mrs. Lloyd Dudley Baker, son of Mr. and Mrs. Charles Baker, Christiana, in the Stanton Methodist Church on Saturday, Sept. 4, at 2 p.m. A reception immediately following the ceremony will be held at the DuChesne Hotel, Main Street and Telegraph Road.

A ham or chicken salad supper will be served by the Christiana Methodist Church Social on Saturday, Sept. 4, in the church. First table will be at 5 o'clock. Tickets may be obtained at the door or from members of the social.

Mr. and Mrs. Albert H. Jones and children, Jacqueline and Kent, are visiting this week at Rehoboth Beach. Our apologies to all who may have tried to call in news items this week, only to be told by an unanswered phone. As of Saturday, we will again be glad to accept news for the column by phone or through Post Office Box 24, Christiana.

News of Bear

Mrs. Leslie Ford, Correspondent
Phone New Castle 6181

Joseph C. Marousch is convalescing at home in Bear after having been a patient in Wilmington General Hospital.

Lawrence P. of Baltimore is spending the summer with his cousin, Tommy Blest, of Mill Road, Bear.

Mr. and Mrs. Howard Slaughter spent the week-end with friends at Annapolis, Md.

Randall Slaughter of Smyrna spent the week-end with his grandmother, Mrs. Annie Harrington. Miss Bessie Davis spent Thursday with Miss Florence Appleby of Newark.

Miss Jennie Stanert of Wilmington is spending some time with her nephews, the Walker brothers. Wm. Walker is spending the week touring Maine and Canada.

Mrs. Marie Deibel celebrated her 71st birthday last Wednesday. Mr. and Mrs. Howard Stanley, Jr., entertained Mr. and Mrs. Douglas Stanley of Delaware City and Mr. and Mrs. Earl Trice Jr., of Wilmington at Sunday luncheon.

The Bear Home Demonstration Club held their annual picnic at the cottage of Mrs. Roger Woolleyhan in Rock Hall, Md.

Mrs. James Blest was in charge of children's games and the following won prizes: Betty and Mary Moore, Henry Sweetman, Guy Walker and Scott Moshier.

The adult games were in charge of Mrs. Frank Danish and winners were Charles Moore, Mrs. James Blest, Mrs. Walter Sweetman, Mrs. Douglas Mohler, Mrs. George Weaver, Mrs. Charles Moore, Mrs. Joseph Reynolds and Mrs. Roger Woolleyhan.

A picnic dinner was enjoyed at noon followed by boating, fishing and crabbing. Ice cream and cake were served in the afternoon.

The September 20 meeting will be at the home of Mrs. Samuel Haman.

Mr. and Mrs. William Moore entertained at a birthday party for their son Jeffrey on Saturday evening.

The following guests were present: Mrs. Paul Murray, Mrs. Annie Harrington, Mr. and Mrs. Robert Stafford, Mr. and Mrs. John Savage and family; Mr. and Mrs. George Moore and family; Mr. and Mrs. Paul Burge and son; Miss Bessie Davis, Mr. and Mrs. Raymond Davis, Mr. and Mrs. Howard Stanley, Jr., and family; Randall Slaughter, Mr. and Mrs. Albert Thorp and family; Mrs. Elizabeth Skillman, Mr. and Mrs. Robert Murray and daughter; Mrs. Paul Toland and daughter; Mr. and Mrs. Clarence Walls and family; Mr. and Mrs. Harry B. Moore, and Mr. and Mrs. Joseph Heterick and daughter.

Games were played and refreshments were served.

Capitol Trail News

Marjorie M. Bishop, Correspondent
Kirkwood Highway
Phone 6318

Sincere sympathy is expressed to the family of Dr. Henry A. Blomquist, well-known dentist who had practiced in Richardson Park for twenty years. He passed away on Saturday, August 14th, at his home on Capitol Trail and Harmony Road, after a long illness. Interment was at Silverbrook Memorial Park.

Dr. Blomquist is survived by his wife, Mrs. Ethel M. Blomquist, two sons, Roy H. and Glen R. and four daughters, Mary C., Louise E., Linda, and all at home; his mother, Mrs. Ellen Blomquist of Richardson Park, six brothers and two sisters.

A jury called by Coroner C. Everett Kelly met last Thursday in the Levy Court Room, Wilmington, to hold a hearing on the death of William Henry Allen who was killed in an automobile accident at Milford Crossroads on June 13th. John Leakey of Newark, driver of the car, was charged with negligence.

Another attractive Brookside sample home has been completed on Kirkwood Highway. It was open for inspection this past week-end. It is of the split-level type. The S/L Development Company announces that about 450 similar homes will be constructed on the Chestnut Hill Road, to be known as Brookside, Section M2.

Mr. and Mrs. Frank Butterworth, Carl, Audrey and Rodney, Kirkwood Highway; Mr. and Mrs. Lewis Springer and "Paddy," Kirkwood Highway, were recent guests of Mr. and Mrs. Paul Peach and family, of Stanton, for a boat trip on the Sasafra River.

Friends of Mr. Howard Bradley, of Harmony Crossroads, are glad to note his gradual improvement at Rehoboth Hospital. Although no visitors are allowed he is able to enjoy cards.

Insects Build Up Spray Resistance Says Entomologist

Are your insects immune to insecticides? Insect build up resistance to insecticides just as people build up immunity to diseases, according to Richard F. Darsie, associate research professor of entomology at the University of Delaware.

The Mexican bean beetles are naturally resistant to DDT. The housefly and mosquito which were once killed with DDT have acquired resistance through continued exposure to the insecticide in amounts not great enough to kill them.

Benzene hexachloride or BHC as it is commonly called (USDA approved) has taken the place of DDT in killing mosquitoes bred on salt marshes. Each year DDT has not been used, resistance in mosquitoes has been reduced. Last year, the amount of resistance was so greatly reduced that DDT could be effectively used again.

DDT and the mungling and interbreeding of resistant and non-resistant individuals have helped decrease the amounts of resistant mosquitoes.

Asst. Secretary of State

That all-day rain last Saturday, so welcome to farmers and gardeners, caused a postponement of the Pushmobile Derby. It is to take place this Saturday at 10:00 a.m. on the new track at Milford Crossroads.

The track was constructed on land furnished by S. Hallock duPont, who is serving as President of Pushmobile Track Inc. J. Henry Topkis is Secretary-Treasurer of the Corporation. Contributions for the erection of the most modern track in the country came from friends in many parts of the country and from the proceeds of the "Push-a-Buck" Campaign.

One of about 120 boys scheduled to race is Carl Butlerworth, son of Mr. and Mrs. Frank Butlerworth, Kirkwood Highway. He is being sponsored by the Newark Hobby Shop. Long hours of painstaking work went into the construction of that Pushmobile. Good luck, Carl!

White Clay Creek Presbyterian Church
All services at White Clay Church are cancelled for next Sunday, August 29th. The regular schedule will be resumed on Sunday, September 5th.

Choir rehearsals will begin on Thursday, September 8th: Junior Choir at 6:30, Senior Choir at 7:30. The September meeting of the White Clay Fellowship will not be held on September 7th. The group will join with the Women's Association in a church Family Night Supper to be held on Tuesday, September 21st.

Attention is called to the Special Provisions in the proposals, the specifications and the Contract Documents. The provisions of the Federal Aid Highway Act as amended are applicable to Federal Aid Projects.

The employment agency for these contracts shall be the Delaware State Employment Service whose offices are located at 601 Shipley Street, Wilmington.

Performance of contract shall commence within ten (10) days after execution of the contract and be completed as specified. Bidders must submit proposals upon forms provided by the Department.

Each proposal must be accompanied by a surety bond, certified check, or money to the amount of at least ten (10) per cent of the total amount of the proposal.

The envelope containing the proposal must be marked "Proposal for the construction of State Highway Contract No. 121-1 (5) Federal Aid Project P-1 (9) CONSTRUCTION OF EMBANKMENT AND STABILIZATION OF SOUTH APPROACH WALNUT STREET BRIDGE".

The contract will be awarded or rejected within twenty (20) days from the date of opening proposals. The right is reserved to reject any or all bids. Complete sets of specifications may be obtained upon receipt of five dollars (\$5.00) for each set which amount will not be refunded. Make checks payable to the Delaware State Highway Department.

Dungeons, Moats, Ghosts of the Past, Intrigue Public
As Park Body Provides Transportation To Ft. Delaware

An old treasure was rediscovered by the last two General Assemblies to start improvements.

A full-time caretaker is now employed and an effort is being made to conquer the heavy vegetation with which part of the island is covered. Because of its extreme popularity through this series of week-end trips, when the public was able to see the great possibilities of developing this spot into a state park and picnic grove, Fort Delaware Society is hopeful that representations can be made to the next General Assembly which will cause it to be more liberal with an appropriation. If that is possible, the Park Commission will be in a position to undertake further development.

According to historians the fort was first occupied by one company of Marines in 1869. First Confederate prisoners incarcerated there were from Stonewall Jackson's army following the battle of Kernstown in 1862. Other barracks were built and thousands of prisoners reached the spot. About 2700 of them died there and were buried at Finn's Point, N.J., just across the Delaware River, where today there is a national cemetery.

The Washington Street project will cover a distance of nearly a half-mile. The section from Eleventh Street to the Washington Street bridge will be completely reconstructed and will have a concrete base with a sheet asphalt surface. The remainder of the section will be resurfaced with sheet asphalt.

Contrary to rumors, there are still a few vacancies for nursery and kindergarten age children at the Brookside Pre-School. If you were away on vacation and have not registered you may do so by phoning Mrs. Mann-7324.

The membership committee held a meeting Aug. 20, to give all interested persons a resume of the association progress. Gladys Mann, chairman, introduced officers and chairmen of standing committees.

On Saturday, Aug. 21 at 9 a.m. there will be a meeting of everyone interested in contributing time and talent toward making the necessary equipment still on the planning board.

Calling all handy fathers! Boy Scout Troop 252 had to postpone their overnight camping trip last week end.

Cub Pack 252 will hold its first pack meeting on Sept. 8 at the Brookside School at 7:30 p.m. Any boys eight years of age or older are invited. If you are soon to be eight you are also very welcome.

The Pack committee met at 10 Copperfield Lane on Aug. 25 to discuss plans for the beginning of a new season.

Mrs. Norman Kugel and daughter Karen recently returned from a five weeks visit to Kansas City, Mo. They were guests of Mrs. Kugel's parents, Mr. and Mrs. C. L. Wolf.

Mr. and Mrs. Stuart Dopp and children have returned from a tour of Canada, including Niagara Falls. On their return trip, a few days were spent with relatives.

Cherub List
It's a son for Mr. and Mrs. Louis J. Vaccaro, 101 Brookside Blvd., at the Delaware Hospital, Aug. 17.

A son for Mr. and Mrs. Ralph Meier at the Memorial Hospital, Aug. 18.

A son for Mr. and Mrs. Wm. J. Williams at the Memorial Hospital, Aug. 23.

Congratulations to all of you!

Brookside Church Schedules Special Baptismal Service

Kingswood-of-Brookside Methodist Pastor Plans Sunday, Sept. 26 Rites

Plans are under way, according to the Rev. Milton H. Keene, minister of the Kingswood-of-Brookside Methodist Church, for a special infant baptismal service to be held Sunday, Sept. 26, at 4 p.m., in the temporary school building presently being used by the church for services.

The service grows out of the many requests for infant baptism directed to Mr. Keene during the several months of his new suburban pastorate.

Scheduled for an hour believed to afford the best possible opportunity for such a service, it is believed that nearly 100 children will be baptized on the occasion.

The minister plans to have the names of the baptized children placed upon the nursery roll of the church.

The religious census of the community being made by the church has moved into two other sections of the town, Section M west, and Section K, under the leadership of James E. Leedy and Robert Innis, respectively.

Many Methodists are reported among the persons already contacted, indicating their desire to unite with the new church as charter members on Sunday, Oct. 3, which has been designated as Charter Membership Sunday.

MISS RUTH LOCKARD TO BE BRIDE SEPT. 11

The wedding of Miss Ruth Ann Lockard, daughter of Mr. and Mrs. William H. Lockard of Christiana, and Mr. John Roland Pyle, son of Mr. and Mrs. Charles Roland Pyle of Shelter Vale Farm, Kennett Square, Pa., will take place Saturday, September 11, with the ceremony being performed in the Christiana Methodist Church, with the Rev. Arthur D. Golden, pastor, officiating.

Mr. Harold Lynch of Cooper Farms will play the wedding music and Mrs. Arthur D. Golden will sing. Mr. Lockard will give his daughter in marriage and her sister, Miss Margaret Marie Lockard, will be her maid of honor. Bridesmaids will be Miss Janet Kesteven of Bear, William Redding of Wilmington, and Mrs. Arnold Franco of Strickersville, Pa., another sister of the bride.

Miss Barbara Pyle, sister of the bridegroom, will be the junior bridesmaid. Little Miss Patricia Lockard, daughter of Mr. and Mrs. Amos Lockard of North East, Md., will act as flower girl.

Mr. Herbert McKinstry of Deerhurst, brother-in-law of the bridegroom, will be the best man. Ushers will be Mr. William Cann, Jr., of Newark, Mr. William Jenkins of Touchenon, Pa., and Mr. Charles E. Johns of Toledo, Ohio.

Miss Lockard graduated from the Newark High School and attended the University of Delaware. She is now associated with the Avon Products Company as a sales representative.

Mr. Pyle graduated from the Kennett Square High School and served two years with the Air Force. He is now engaged in farming with his father.

Miss Lockard has been honor graduate at several showers. After their wedding trip the couple will be at home in Avondale, Pa.

BLUE HEN 4-H SUMMER ACTIVITIES

About 43 members, parents, and guests gathered at Port Herman Beach, Maryland, for the annual August family picnic of the Blue Hen 4-H Club. Following an afternoon of swimming, everyone ate supper at 6:30 p.m. Afterwards, the group played softball. The boys team beat the girls team 13 to 6.

Attending the first week of 4-H Camp at Camp Barnes, near Frankford, Del., August 23rd to 28th are Carl Schaumann, Roger George, Kenneth Wilson, and George Jarmon. Those members planning to go for the second week of camp on August 30th to September 4th are Doris Jarmon, Nancy Price, Beverly Burris, Carl Schaumann, John Jarmon, and Edward and Kenneth Wilson.

A cooking project school meeting was held Wednesday, August 25th at the home of the leader, Mrs. Edward C. Wilson. Members prepared luncheon and served it, then scored each other on the results.

Members of the club joined with the Sussex County 4-Hers on a boat trip to Philadelphia Friday, August 20th. This trip was sponsored by the Sussex Co. 4-H Junior Council. The members who went were Joyce Messimer, Dorothy Zimmerman, Doris Jarmon, Nancy Price, Beverly Burris, Carl Schaumann, John Jarmon, and Edward and Kenneth Wilson.

W.C.T.U. MEETS WITH MANNS

The annual meeting of the Women's Christian Temperance Union of Newark was held at the home of Dr. and Mrs. Thomas Manns, West Park Place on July 27.

Election of officers was held naming Mrs. John W. Moore, president; Mrs. Laura Nichols, treasurer; and Mrs. William Wilson, secretary.

Ways and Means were discussed and a meeting will be called in the fall by the new president to formulate a program for the coming year.

NEWARK DEM. CLUB MEETS SEPTEMBER 1

The Newark Home Demonstration Club will meet Wednesday evening, September 1, at 8 o'clock at the home of Mrs. Marie Taylor, 39 Lovett Avenue.

Flower corsages will feature the program and will be given by Mrs. Pauline Dieffenferer.

PLATTER SUPPER WED. EVE. SEPT. 1

The ladies of the Methodist Church, Christiana will serve a platter supper on Wednesday evening, September 1, featuring your choice of a ham platter or chicken salad platter.

First table will be served at 5 o'clock. There will also be a Bazaar table.

SALEM CLUB PICNIC AT THE PERRY HOME

The Salem Home Demonstration Club of Newark held the annual picnic Sunday afternoon, August 22, at the home of Mr. and Mrs. Howard Perry.

A combined stork shower was held for Mrs. William Pawley and Mrs. Albert Barabari.

A class for basket weaving will be held with an all-day meeting, September 22, at the home of Mrs. Howard Perry. The group will start at 10:30 a.m.

Mrs. Harry Wells of East Main St., is spending some time with her son Mr. Richard Wells in Pittsburgh, Pa.

Mr. and Mrs. Andrew Kerr of Toledo, Ohio, spent the past week end with Mr. Kerr's aunts, Miss Mary Kerr, and Miss Alice Kerr.

Dave Horn of Nottingham Manor returned to Duke University on Tuesday. Dave is on the football team.

Lloyd "Skip" Hudson, son of Mr. and Mrs. Lloyd Hudson of Orchard Avenue, Lumbrook, is a patient in the Delaware Hospital.

Miss Jeanne Pennington of Rembleville, Mrs. Benjamin Stoltzfus of Pleasant Hill, and Miss Doris Jarmon of McDanielsville spent last week at Rehoboth Beach.

Dr. and Mrs. Wallace M. Johnson left Monday for Michigan where they will visit with Mrs. Johnson's mother.

Mr. and Mrs. William B. Bridge returned recently from a motor trip to New England.

Mr. and Mrs. Kenneth Barnes of Orchard Avenue, Lumbrook are on vacation in New York City and Rehoboth.

Miss Ann Bjornson of West Main St. is spending a week's vacation in Connecticut.

Mrs. Charles M. Clark and Miss Betty Sargeant of West Main St. are spending a week in Maine.

Mrs. Maude Thornton of S. College Ave., visited relatives in Kirkwood, while her boys were on a recent camping trip.

The annual convention of the American Legion and Auxiliary will be held in Washington, D.C., starting Sunday, August 29 until September 2.

Donald L. Boyden, son of Mr. and Mrs. Makary L. Boyden of Maplecrest, was commissioned ensign and awarded his wings as a Naval aviator at the Naval Air Station, Pensacola, Fla. Ensign Boyden attended the University of Delaware before joining the Navy.

Miss Mary Jeanette Chalmers, daughter of Mr. and Mrs. George V. Chalmers of Amstel Ave., will arrive the Wilmington General Hospital Nursing School on August 31. Miss Chalmers was a student at the Women's College, University of Delaware, last year.

Mrs. Mary Gary of Chesapeake City, Md., is visiting her mother, Mrs. Ella Homewood.

Miss Miriam Biddle and Miss Ruth Biddle were recent guests of Mrs. Roger Wooleyhan at Rock Hall, Md.

Mrs. E. M. Eldredge of East Main St. and her sister Mrs. Herbert C. Gault, West Main St., spent Monday with their sister Mrs. William Freidrich in Newtown Square, Pa.

Dr. and Mrs. John R. Warren and daughter "Jackie" of Kelle Avenue returned from a vacation in Lehigh.

A family reunion was held at the home of Mrs. Mary Eastburn Rimes on Sunday with guests present from Delaware and nearby states. A picnic dinner was held during the day.

Calendar
Saturday, Aug. 28—9 a.m.—Paint party, Newark Kindergarten Association, Tyre Ave. 10 a.m.—Ogletown Home Demonstration Club Picnic, White Crystal
1 p.m.—Democratic Primary, Penzance Hundred, Woerner residence, Route 40, Glasgow.
Thursday, Sept. 2—9:30 a.m.—Teacher's Orientation, Main St. Building.
1:30 p.m.—Pleasant Valley Home Demonstration Club, Ott's Chapel
7:30 p.m.—Salem 4-H Club, Salem Church.
8 p.m.—New Castle County Pomona Grange, Harmony Grange Hall.

Newark Actress In North Carolina Theater

JEAN MARIE HILLMAN of Nottingham Road, Newark, plays the part of a colonial lady in the outdoor drama hit, **HEN IN THE WEST** which plays nightly except Sundays at the Daniel Boone Theatre, Boone, N.C. Miss Hillman, a former student at the University of Delaware, is now studying at the University of North Carolina. (Photo by Bob Isbell)

BIRTHS

Mr. and Mrs. Michael Hudak of 103 Commerce Street, Harrington, Delaware, are receiving congratulations on the birth of a son, Michael John Hudak, III, born August 18, in the Wilmington General Hospital.

Mrs. Hudak is the former Miss Ellen Cooper, daughter of Mr. and Mrs. Charles M. Cooper, Capital Trail.

Mr. and Mrs. Kenneth Dolan at the Delaware Hospital on August 17, a daughter.

Mr. and Mrs. Alfred Cleaver, R.D. 2 at the Memorial Hospital on August 18, a daughter.

Mr. and Mrs. Allen E. Smith at the Delaware Hospital on August 23 a son. Mrs. Smith is the former Shirley Ritchie.

Mr. and Mrs. Allen Roberts, Christiansburg at the Wilmington General Hospital on August 19, a daughter.

Mrs. Paul W. Mitchell of Woodside Farms, near Newark, dean of the department, chairman of the Delaware State Federation of Women's Clubs, entertained Mrs. W. Harmony Money of Smyrna, state president, and their chairman at a luncheon and a planning session for the coming year's program at her home last Friday. The group made arrangements for the yearly conference on Sept. 18 at St. Andrew's School near Middletown.

Miss Lydia Fader, and Miss Winifred Fader of Main Street spent the past week-end in Rehoboth.

Mrs. Brinton Edwards of New York City is the guest of her sister Miss Harriet Bailey, West Main Street.

Mr. and Mrs. William J. Williams at the Memorial Hospital on August 23, a son.

Mr. and Mrs. Thomas McGrellis at the Wilmington General Hospital on August 21, a daughter.

HOW THEY BEGAN

Survey of 1,000 successful men—Not just money-makers but ones who have made the world better by their work—showed that 300 started life as farmers' sons; 200 sold or carried newspapers; 200 started as messenger boys; 100 as printers' apprentices; 100 started working in factories; 50 began at the bottom in railroad work. Only 50 out of the 1,000 had well-to-do parents to give them a start.

Mr. and Mrs. George McClelland at the Wilmington General Hospital on August 19, a son.

Mr. and Mrs. George M. Curtin of Fairfax, at the Delaware Hospital on August 20, a daughter.

Dr. and Mrs. Irwin Carroll, Christiansburg at the Delaware Hospital on August 22, a son.

Mr. and Mrs. Alexander Jarrell, Jr., Hockessin, at the Delaware Hospital on August 21, a daughter.

Mr. and Mrs. Theodore Majewski at the Memorial Hospital on August 21, a daughter.

Mr. and Mrs. Vernon Baker at the Memorial Hospital on August 23, a daughter.

Mr. and Mrs. William J. Williams at the Memorial Hospital on August 23, a son.

Mr. and Mrs. Thomas McGrellis at the Wilmington General Hospital on August 21, a daughter.

Mr. and Mrs. George McClelland at the Wilmington General Hospital on August 19, a son.

Mr. and Mrs. George M. Curtin of Fairfax, at the Delaware Hospital on August 20, a daughter.

Dr. and Mrs. Irwin Carroll, Christiansburg at the Delaware Hospital on August 22, a son.

Mr. and Mrs. Alexander Jarrell, Jr., Hockessin, at the Delaware Hospital on August 21, a daughter.

Mr. and Mrs. Theodore Majewski at the Memorial Hospital on August 21, a daughter.

Mr. and Mrs. Vernon Baker at the Memorial Hospital on August 23, a daughter.

Veterans' Corner

Provided by The Veterans' Administration Information Service

Q—I am a Korean veteran with a service-connected disability serious enough to prevent me from getting commercial life insurance. Will my disability also stop me from obtaining GI permanent insurance available to disabled Korean veterans?

A—No. No matter how severe it is, your service-connected disability will not bar you from permanent GI insurance. But you could not get it if you had a non-service disability that would prevent you from meeting the good-health requirements of the GI insurance law.

Q—I understand I can pay off my GI loan in advance, without penalty. Can these advance payments be of any size, or is there some minimum amount below which they can't go?

A—There is a minimum amount. It is the amount of one regular monthly payment or \$100, whichever is less.

Q—I'm planning to add the total disability income provision to my GI insurance policy. I pay my insurance premiums once a year. Could I pay the extra amount for the disability provision on a monthly basis?

A—No. You must make your disability income payments in the same manner as your regular insurance payments. If you pay your premiums yearly, you must pay the extra amount for disability coverage year, also.

Q—I am a Korean veteran, and I got out of service in July, 1952. What is my cut-off date for starting Korean GI Bill training?

A—You—and all Korean veterans separated before August 20, 1952—must begin training under the Korean GI Bill by August 20, 1954. Veterans separated after August 20, 1952, have two years from separation in which to begin.

He who fears being conquered is sure of defeat. —Napoleon

Yellowjackets Begin Practice With Twice Daily Grid Drills

Equipment Issued, Physical Examinations Given Squad
In Initial Wednesday Meeting; All-State Howard High
Halfback Kenny Hall Reports For Yellowjacket Berth

Candidates for the Yellowjacket grid squad were issued equipment and given physical examinations yesterday morning, and participated in their first workout yesterday afternoon, with limbering-up calisthenics drill on the high school field.

"We've issued equipment to 60 boys, and they're still coming," Head Coach Raymond "Scotty" Duncan said during

what may be termed loosely as a fall in the morning program. "And we expect about 25 more," Duncan continued. Dr. John R. Downes, retired State Board of Health official, conducted the physical examinations.

Two practice sessions will be conducted today and tomorrow, from 9 to 10:30 a.m. and from 3:30 to 5 p.m., with one drill scheduled for Saturday morning. Morning and afternoon workouts are scheduled for Monday and Tuesday of next week, with a squad of some 45 selected varsity candidates leaving Wednesday morning for a six-day training period at Camp Teekwagh, Md.

Coach Duncan, with End Coach Les Maurer and Backfield Coach Dick Musselman, will accompany the squad to the training camp. Kenny Hall, of Newark, and last year's All-State halfback selection with the Howard High Wildcats, reported for practice with the Yellowjackets yesterday, along with varsity backfield star from Edgewater, Pa., Lee Schaffer.

Hall and Schaffer, with impressive records behind them, will face keen competition from Yellowjacket veterans Bill Hiddleston, Bob Conway, and John Miller, for starting halfback assignments, according to the coach.

Varsity and junior varsity candidates will be separated Saturday morning, with the junior varsity boys to engage in daily football drills on the high school field while the varsity candidates are away at camp.

Season tickets will go on sale shortly. "Scotty" has announced that the coach urges the people of Newark to support the high school team by purchasing these tickets.

"If they want to go out and watch Dave Nelson's boys play, that's fine," Scotty smiled. "But we hope they will have already bought their tickets for the Yellowjacket game."

Returning from camp on Labor Day, the Yellowjackets will open an eight game schedule on Saturday, Sept. 25, at home, with the Golden Elks of Elkin.

Dependability —Our Keynote

Our thorough training and many years of experience combine to assure you the sure kind of service so important to the perfect operation of the plumbing in your home. Call us any time. Newark 7611.

Little American Optimist Browns Win Second Half

Victors To Meet First
Half Leading VFW Phils
For League Championship

**American League
Final Standing — Second Half**

Team	W	L
Browns	7	2
Phils	6	3
Dodgers	4	5
Cubs	4	5

Play in the second half of the American Little League came to an abrupt ending last week when the Jackson Cubs forfeited their remaining games. So many of their players were away on vacations that they could not field a team.

The Optimist Browns, with a final standing of 7-2, won the second half of the split-season schedule and the opportunity to play a three-game series with the VFW Phils, first half winners, for the league championship.

The championship series got underway on Tuesday and the Phils jumped into the lead by squeezing out a tight 1-0 decision. Mathewson, winning pitcher for the Phils, and Lackman for the Browns turned in excellent performances. Each gave up only five hits, with six and nine strikeouts respectively.

A double by Phils second baseman Starkey in the second inning followed by Dilling's single brought in the winning run.

The next evening the Browns came roaring back to even the series by winning 17-6. Dunn was the winning pitcher, striking out nine while yielding nine hits.

Brooks, hurling for the Phils, struck out six but was nipped for 15 hits, including Brownie catcher Jackson's third-of-the-season homer.

The third and deciding game scheduled for Friday was rained out.

McGrath In Midget Race Win; Johnson Takes Stock Race

Steve Takes Midget Lead
On 21st Lap, Wilmington
Lou Cops 2nd Main Event

Steve McGrath of New Caanan, Conn., raced to victory in the 25-lap midget auto race at Wilmington Speedway before a crowd of 2,970 paid fans who witnessed the second midget-stock combination show of the local season.

Sharing the spotlight with McGrath was the veteran Wilmington racer, Lou Johnson, who scored his second main event victory of the Speedway season in the 25-lap stock car feature. Johnson grabbed the lead on the 15th lap and went on to score impressively over Ray Kable, runner-up from Randallstown, Md., and the third-place finisher, Rex White of Silver Springs, Md.

In all, 75 cars—midget, stocks and amateur models—took part in the lengthy proceedings with the midget and stock drivers each battling for prize money in four races; two qualifiers, a consolation and the main event.

En route to his triumph McGrath assumed command on the 21st lap from Charlie Miller of Allentown, Pa., who finished second. Third money went to Cliff Riggott of Windsor, Conn.

Next week-end the Speedway will resume its regular NASCAR-sanctioned all-stock schedule with a special Powder Puff Derby for women drivers also on the program.

Recreation Tennis Champions Named As Program Ends

Bill Shue, Ginny Hurm,
Hope Handloff, Champs
In Three Net Divisions

Winners and runners-up in the Newark Recreation Association tennis program have been announced by tennis instructor Raymond "Scotty" Duncan, with Bill Shue, Ginny Hurm, and Hope Handloff crowned as champions in the junior boys, junior girls, and midget boys and girls divisions.

Joe Marvel and Marilyn Woodhouse were runners-up in the junior divisions while Barbara Bohning was the losing finalist in the midget class.

Others participating in the summer tennis program were Ted Schwartz, Mary Ellen Foster, Ace Jaquette, Patricia Greiss, Peter Greiss, Beverly King, Lee Anderson, Don Keister, Jay Phillips, Gail Wollaston, Sandra Scambias, Betty Lucas, Jack Christman, Billy Skold, Toby Smith and Gail Symington.

Duncan recommends that future tennis programs be conducted in the evenings.

"The children should get the chance to watch adults playing the game," he stated. "It might create more interest to have a city tournament for an adult group, and some noted tennis players could appear in evening exhibitions to further stimulate interest."

POSTED

"It's getting to be a serious situation," said the Solicitor on Sunday at Sunset Lake. "It took up this fishing business because my boy, Mike, wanted to go, and I haven't caught a game fish since I began."

After watching Jack Sinclair handle that spinning tackle—dropping a tiny bass bug from the tip of a gossamer leader into the likely looking shoreline pockets, with far better than average accuracy—that statement bordered on the incredible. But fishing is loaded with surprises.

When three hours of Sunday morning time had ticked away, Sinclair had had in no way altered his no-hit performance record. That's no reflection on Jackson. The bass and pickerel were in no striking mood, and despite the early morning start—ideal conditions as wind and weather—a private pond—and the favorable month of August—the blasted bass just weren't biting.

Despair Affair
Sinclair's despair is understandable—it's a rare affair when a capable caster puts in a couple of seasons without coming up with a game fish a notch or two above the blue-gill class—but that's been done before, too. The best way to catch more fish is to go fishing more often. And if you like to fish—and Jack obviously does—that's an easy prescription to follow.

Casting from a canoe gliding over the mirrored surface of a lake at sunrise comes close to pure contentment—fish or no—and the more conventional rowboat is a poor substitute craft indeed. But skiff, scow, or LST, it doesn't make much difference to the angler when the fish are rising.

Marine Vegetation
The over-abundance of algae and marine vegetation in Sunset Lake make the going a bit tough for the caster of artificials, but even so, the fishing should have been better than it was.

In a last chance effort, along the stone wall bet of the end of the lake, we caught a youthful bass and an adult bluegill to wind things up.

Wildfowl Season
While the Delaware Board of Game and Fish Commissioners are engaged in a battle with the U.S. Fish and Wildlife Service to increase the legal bag limit and to waive a two-day penalty deduction from the total 60-day season, for each shooting day allowed between Jan. 10 and 20, local wildfowlers are, to living experience, of last year and planning for the one to come.

George Wiggin—who endures all of the rigors of wind, ice, mud and sub-freezing temperatures of Delaware and Maryland wildfowling, with all the relish of a Tahitian—has been putting on weight during the summer months to provide added insulation for subsequent duck duty as a ground observer in the marshes while hunting partner Gibby Young has taken off for New Hampshire and some pre-season conditioning in the state's icy lake-water.

Air Conditioned
Sweltering in the Main Street heat, it was hard to revive last year's memory of George and Gibby huddled over a duck blind stove stoked with empty shotgun shells, reeds, candy wrappers and all available inflammable material, chattering and blowing into the smoking embers in an effort to coax out a little more heat into being.

Until we crossed the street into Frank Tolomeo's air-conditioned atmosphere, and George and Gibby both ordered hot coffee.

"Terrible"
"This fishing around here is terrible," Murray the Toggler complained.

We went out of Barnegat over the week-end—the wife, the boys and I—guess what we caught?"

Rehoboth Ocean Swim Continues This Saturday After Postponement

Rain cut short the two-day Ocean Swim meet at Rehoboth Beach last week end, but the events scheduled for Saturday, including the mile swim for men and women and the 800 yard Delaware State Championship race will take place this Saturday, August 28, it has been officially announced.

According to Col. C. B. Shaffer, general chairman, several distance swimmers who were not on deck last week end will participate in the big events this week. Among them will be Joe Robinson of Pittsburgh, and Thomas O'Brien of Willow Grove, Pa., both of whom have two legs on the trophy. Robinson won in 1952 and 1953.

Strong competition is expected however from seventeen year old Tim Jacko, Bethesda, Maryland, swimming for the Walter Reed Hospital team, Washington, D.C., who took the 351, 440 and 880 yard races last Friday.

Also making a clean sweep of the women's events was Marie Gillett, of the Walter Reed team, who also recently won the 400 meter National Amateur Athletic Union championship in Indianapolis. Marie had clear sailing in the 220 and 440, but in the 880 yard race teammate Shelley Mann was just 19 seconds behind her to finish second. Joe Robinson finished second in all three men's events. He was swimming for the New Haven, Conn. Swim Club.

Only Delawareans to get in a point was Bill Rash of Wilmington, who managed a fourth place in the men's 880 yard race, competing for the Delaware National Guard. Melissa Raught, Lewes, was the only Delaware woman competitor on Friday. Although the individual point winner, she failed to place.

Friday's races took place in a calm sea with a hot sun shining down. Events went smoothly through the

cooperation of the United States Coast Guard, the Delaware State Boat and the U.S. Army communications team from Ft. Miles under the direction of Sgt. Ellis Banks.

The point trophy will be presented by former Gov. Elbert S. Carvel and the team trophy will be the gift of former Lt. Gov. Alexis I. duPont Bayard.

**Sprockets Defeat VFW 9
For Adult Softball Title**

After a spectacular performance in the Delaware State Softball Championship tourney, in which they gained the finals before losing to the defending champion Polish Americana, the Chrysler Sprockets returned to local league competition last week.

The first place Sprockets stopped the season's second place VFW nine, 2-0 in a sudden death single game playoff for the Adult Recreation Softball Championship.

Irv Weget was the winning pitcher, giving up four hits, while Nick Brady issued but three safeties as the loser for the Vets.

**Happy-Go-Lucky Girls Stop
Defending Champion Jets**

The defending champion Jets, captained by Elaine Davis and coached by Mrs. Olive Ryland, lost the single playoff game for the Recreation Girls' softball title when Capt. Maureen Stout's Happy-Go-Lucky girls won by a 28-27 count.

A scoreless first inning ruined the Jets as the Happy-Go-Lucky girls scored into a 13-0 lead.

The losers rallied with eight runs in each of the second, third and final innings—scored three runs in the fourth—but were still one off the pace at the end of the four frame contest.

Murray didn't pause for an answer, but continued in the same breath, "Two flounders. And when we got back to the dock, after hiring a big boat, drifting all over Barnegat Bay, back and forth, one drift after another—over the flounder grounds—a guy fishing off the dock was just hauling up a big string of big flounders that he had caught right there within ten feet of the shore."

And according to his 8-year old son Richard, who was an interested listener to this narrative, the two flounder were caught by young Richie and his older brother, Neil, age 12.

Murray frowned a bit at this reminder.

Sea Robins
"What were all those fish we caught, Rich?" he queried. "Those fish, with the claws, Robins—sea robins?" he answered his own question.

"Hooked two of those robins at the same time," he said. "Thought I had one of those doomed flounders, but nothing but two robins. I tell you, it's rotten."

Murray's been spoiled with a taste of Florida reef and Gulf Stream fishing, where the barracuda, grouper, kingfish, snappers, snappers, black sailfish and a host of other species afford an endless variety and challenge to the blue water man.

Deer Season
Delaware bowmen will have their first shot at the red-tails after New Year's day, as the Delaware Board of Game and Fish Commissioners has set aside three days—Jan. 4, 5 and 6—for deer hunting with bows and arrows only.

In a one day stand on Jan. 7, Bucks, does, fawns—any four-legged deer—are legal prey for an anticipated army of hunters.

An arrow-proof vest will be advisable as a field garment.

Famed Foxcatcher Steeplechase Set For 15th Renewal

Fair Hill Event To Be
Run Saturday, Sept. 11
With World Top Hunters

The internationally-famed Foxcatcher National Cup Steeplechase will be renewed at Fair Hill, Md., near Newark, on Saturday, Sept. 11.

The Foxcatcher, which annually draws a field of the world's finest jumpers, will be run on the first of two successive Saturdays when the Cecil County Breeders' Fair will sponsor racing on the Fair Hill course.

Highlighting the race program on Sept. 11 will be The Manly, a \$3,000 added steeplechase handicap for four-year-olds and up. Seven races will be run on each of the two Saturdays.

The annual cattle show will be held on Sept. 11, and the horse show on Sept. 18.

The Foxcatcher, won last year by Morris H. Dixon's Palaja, is being run for the 15th time. Started in 1934, it was discontinued for five years during the war.

The race covers some three miles over a Grand National brush course. In addition to holding the National Cup Perpetual Trophy for a year, the winning owner will receive a \$200 plate and 60 per cent of remaining receipts.

The breeder of the winner receives \$200, and \$100 is set aside for the trainer.

The race is for 4-year-olds and upwards. The National Cup was given by the late W. Plunkett Stewart.

William duPont, Jr., is chairman of the race committee, which also includes Alfred E. Bissell, J. H. Tyler McConnell, John B. Hannum III, Bayard Sharp, and J. F. Colwell, racing secretary.

The honorary race committee is comprised of Donaldson Brown, Morris H. Dixon, Donald P. Ross, and Mrs. Marion duPont Scott.

Patricia duPont is chairman of the horse show committee, which also includes Mr. duPont, William A. Shelton, Jack R. Caddell, Mildred E. M. Pike, secretary, and Dr. E. L. Symington, veterinarian.

Raymond C. Mueller is general superintendent of the cattle show, with Mr. Shelton and Edward H. Schabinger, assistant superintendents. Division heads are Frank Brown, Jr., Guernsey; Carl Feucht, Jr., Jersey; Joseph T. Ayers, Holstein; Edward C. Wilson, Ayrshire; and Allen Bryant, 4-H Clubs.

The 18-hole qualifying round will be played Monday, Aug. 30 with match play rounds Aug. 31 and Sept. 1. The 36-hole final will be played Sunday, Sept. 5.

NCC Member-Member Tour Finals To Be Played Saturday

Bob Manning and Ralph Madden To Meet Tony Pacello and Wilmer Dill In Final Play; Newark's Wilmer Dill To Play At DuPont; Natty Young Night On

The team of Bob Manning and Ralph Madden will meet Tony Pacello and Wilmer Dill this Saturday in the final play for the Newark Country Club Member-Member Tour title, with qualifying rounds for the E. B. Wright Tournament slated to begin on Sunday.

Last week end, Manning and Madden defeated Richards and Harvey Ewing, 1 up in semi-final play.

**Aneda Enters PGA
District Tourney
To Begin Aug. 30**

Newark Country Club Pro To Play At Shawnee Inn And Country Club Event

Joe Aneda, Jr., Newark Country Club, will compete in the Philadelphia District PGA tournament to be held at Shawnee Inn and Country Club Aug. 30, 31, and Sept. 1.

Henry Poe, Reading, president of the Association and Marty Lyons, Llanerch, chairman of the tournament committee expect a record entry for the tournament in which Henry Williams, Berks, Pa., will defend the title.

Williams defeated Pete DeAngelis, Plymouth C.C. 3 and 2 in last year's 36-hole final.

With one of the largest PGA memberships in the country this year's contenders for the Philadelphia District title will include a number of players who tour the winter circuit.

Besides defending champion Williams and Pete DeAngelis, the field will include George Griffin, Green Valley C.C., who won the medal last year with a five under par 67; former champions Bud Lewis, Manufacturers; Clarence Eshman, Ashbourne; Rod Mundy, York; and John Serafin, Fox Hills. Also in the field will be Eddie Ginter, Hercules; Teri Johnson, duPont C.C.; George Fazio, Pine Valley C.C.; Johnny Weitzel, Hershey, and home pros Stan Dudas and Al Nelson.

The 18-hole qualifying round will be played Monday, Aug. 30 with match play rounds Aug. 31 and Sept. 1. The 36-hole final will be played Sunday, Sept. 5.

**Blaney, Soph
Candidate For DuPont**

Among the 55 players report for initial round (Shawnee Inn) will be Soph Blaney, of DuPont, who is a candidate for the 1954 aggregation.

GLEN FARMS

"A Modern Suburban Village"

THREE MILES FROM NEWARK

To the original Glen Farms Development begun in September, 1952, two additional sections of 17 and 50 acres have been added. The plot plans for these new additions are being completed and individual home sites will be placed on sale on Saturday, September 4th.

Prospective purchasers can now view the site and reserve tentative lots. Each plot consists of eight tenths of an acre. Some are larger. The majority are wooded and several are located along streams or lakes.

The original plan of "Glen Farms" comprised 65 acres; twenty-five plots of this portion have been sold and sixteen dwellings, \$12,000 to \$15,000 range have been completed or are under construction.

The natural beauty of this development and the attractiveness of the almost acre-sized sites have appealed to many home seekers who are in search of a moderate-priced but different development.

If you, too, are looking for a miniature country estate for your future home, you would do well to investigate "Glen Farms" and reserve your plot before the choicest sites in the new portion of this carefully restricted development are sold.

30 Plots at \$1,000

40 Plots at \$1,250

10 Plots at \$1,650

Reservations prior to the opening sale are being accepted and attractive payment privileges offered.

To reach: Cross B.&O. R.R. in Newark, West Main Street, pass Country Club, two miles on Nottingham Road to our sign on right at Egypt Road; then one-half mile to "Glen Farms".

HISTORICAL REVIEWS OF THE NEWARK AREA

By ETHEL M. HILL

It is a matter of regret to me that in my school days we were not taught that the Indians had a knowledge of religion.

They believed that the Great Spirit was the creator of all things, and was present with them at all times. They had religious gatherings when they gave thanks to Manitou for their crops, and by religious dances and songs praised Him for overseeing their health and well-being.

The Lenapes lived in this locality and the Susquehanna lived in the lower part of the Susquehanna valley and along the Chesapeake Bay, in the lower part of Pennsylvania and in Maryland.

The Lenapes lived north of the Susquehanna, and the Susquehanna lived in the lower part of the Susquehanna valley and along the Chesapeake Bay, in the lower part of Pennsylvania and in Maryland.

The Lenapes lived north of the Susquehanna, and the Susquehanna lived in the lower part of the Susquehanna valley and along the Chesapeake Bay, in the lower part of Pennsylvania and in Maryland.

Cooch's Bridge and Glasgow

Mildred Ludwig, Correspondent
Phone: Newark 8-8196

Mrs. J. Burchard of Pleasant Valley Road has returned from visiting in Bucksport, Maine, on the Penobscot River and Hartford, Conn. Mrs. Burchard entertained a group of friends and neighbors last Wednesday evening with a coppercraft party.

Among the guests were Mrs. Vernon Artz, Mrs. Frances Carey, Mrs. J. A. Jurell, Mrs. Elizabeth Scott, Mrs. David McMullen, Mrs. Laurie Jewell, and Miss Esther Golt. The demonstrators were Mrs. Elizabeth Smith of Chelsea Estates, Clubs and civic groups can earn up to 17% of coppercraft merchandise sold at parties, according to demonstrators Mrs. Smith and Mrs. Evelyn Miller of Oxford, Pa.

Regina Woerner of Glasgow celebrated her tenth birthday Monday evening with a party for friends and relatives.

The Pencader 4-H Club peach festival Friday evening was attended by 40 persons, netting \$19 for the club treasury. Attending the sale were Mrs. J. Burchard, Mrs. J. A. Jurell, Mrs. Elizabeth Scott, Mrs. David McMullen, Mrs. Laurie Jewell, and Miss Esther Golt.

The Salem H.D. Club picnic Sunday on the Howard Perry's huge lawn was attended by some 40 members and families.

Games for all, including croquet, horseshoes, and a sandbox for toddlers, were played enthusiastically. A surprise stork shower was given for Mrs. Elva Barbarka and Mrs. Anna May Pauley.

Mr. and Mrs. J. E. Leathern of Salem Church Road have named their new son Barry, born Aug. 15 at the Wilmington Memorial Hospital and weighing in at 7 lbs. 11 oz.

The Leatherns have three other children, Betty, age 14; June, eight; and James, who was six years old Tuesday.

State Fire Code

(Continued from Page 1)

In addition to bringing Delaware up to what he calls a "long neglected standard" which should improve a deplorable lack of laws, Mr. LaRue includes expansion of the fire marshal's office in his legislative request.

The office itself, in which Mr. LaRue is the only paid staff member, is responsible for the entire state, an assignment which is acknowledged as impossible. The post, created by the 1933 General Assembly, also carries with it the authority to appoint three deputies, one for each county, but these assistants are on a volunteer basis only.

The present budget of \$17,500 is doubled in the fire marshal's legislative request, with the added amount requested to pay deputies' salaries.

The deputies now do a great deal of the work which they have available, Mr. LaRue said, "but they have full-time jobs of their own and there is so much inspecting and enforcing to be done that full-time employees are needed."

The law which created the office of state fire marshal gives him authority to enforce ordinances and laws of state, city, and county concerning:

Fire prevention; storage, sale, and use of combustibles and explosives; installation and maintenance of automatic fire alarms and fire-extinguishing equipment; construction, maintenance; and regulation of fire escapes; fire exits in public places; arson and investigation of fires; and assistance to fire chiefs or recognized fire companies.

Extension Division Adopts General Engineering Class

Because of a demand from students arising since the printing of the 1944-45 bulletin, the Extension Division of the University of Delaware has added another course to its wide selection of offerings available at the Wilmington High School.

The additional course will be General Engineering 1215, engineering drawing, which will be given under the direction of Professor Frank Zozzora each Wednesday evening during the first semester.

Complete information on this course and other phases of the extension program for the coming year may be secured by contacting Gordon C. Godbey, associate director of the Extension Division at the University of Delaware.

14-Year Old Girl, Diane Boltz Dies In Wilm. Hospital

Diane Boltz, 14, daughter of Arthur J. and Mrs. Beulah Thomas Boltz of Salem Church Road near Newark, died Sunday in Wilmington General Hospital.

Miss Boltz was born in Dover and moved to Newark from Kenton with her family three years ago. She was a member of the youth fellowship of Salem Methodist Church, and had been a Girl Scout. She attended Christiana School.

In addition to her parents, she is survived by a grandmother, Mrs. Fred Cahill, Kenton; two sisters, Joyce, 11, and Bonita, 8½, and a brother Arthur, Jr., 10.

The Rev. Joseph Kephart, pastor of Wesleyan Methodist Church, Wilmington, officiated at funeral services at 2 p.m. today in the funeral parlors of R. T. Jones, Newark. Interment was in Red Clay Creek Cemetery.

Benjamin W. Stretch Dies At Delaware State Hospital

Benjamin W. Stretch, who resided for many years at 370 South College Avenue in Newark, died last Thursday at the Delaware State Hospital.

A former employee of the University of Delaware at the experimental farm in Newark, Mr. Stretch was well known in the community. He was a member of the Independent Order of Odd Fellows.

A widower, Mr. Stretch is survived by two nieces — one living in Illinois, another in British Columbia, Can.

Funeral services and interment took place early this week in Asheville, N.C.

Plastic Films Prove Merit In Prepackaging Of Fruits

Transparent plastic films such as phlofin, polyethylene, and cellophane have already "earned their salt" in the prepackaging of fresh meats and vegetables, but now some of these same transparent films are proving their worth in prepackaging certain fruits, according to Dr. Chester W. Hitz, associate horticulturist at the University of Delaware.

Results of recent studies made by the United States Department of Agriculture indicate that certain sealed film box liners for fall and winter pears and Golden Delicious apples substantially lengthen the cold-storage life and maintain the quality of these fruits.

License Holders Warned To Renew Before Birthdays

The State Motor Vehicle Department is again warning holders of biennial operator's and chauffeur's licenses that these licenses expire on the birthday of the holder and must be renewed before that date.

Motor Vehicle Commissioner Harry Spier reports that there are still holders of these licenses who think that they will receive an expiration notice from the Motor Vehicle Department.

Mr. Spier noted holders of these licenses can apply for a renewal within 60 days prior to their birthdays.

Application blanks for the renewal of licenses are available at the branch offices of the department which are located at Eighth Street and Bancroft Parkway, in Wilmington, on South State Street in Dover, and near the railroad station in Georgetown.

They can also be obtained by mail by addressing the letter to the Motor Vehicle Department at Dover and enclosing a self-addressed, stamped envelope.

Summer Surgery Tree Trimmings Protect Patient

Trees that need operations should get them now.

Tree doctors prefer to do their surgery during the summer because their patients are apt to respond more quickly and look better. Healing bark has time to fully cover the edges of the wound during the same growing season.

In recent years, the average individual operation is a much smaller one, and that's good, says C. A. Hoge, field representative of the Davey Tree Expert Co. This simply reflects the nation's appreciation of the beautiful shade trees and the success of preventive tree care practices.

If your tree has a small cavity, don't wait until it gets really large before you call the arborist medic. Then it may be too late for him to pull the patient through. The smaller operation is better for your tree and your pocketbook. If the tree has to be taken down, this probably will cost more than the minor surgery required in the early stages of decay. Once decay spreads far into the tree, even the most skillful scalpel wielder may be unable to save it, no matter how much you are willing to spend.

Modern tree moving science makes it possible to bring to the home grounds fairly mature trees to replace ones on which it is undesirable or unpractical to operate. A few kinds of trees can't take surgery. The tree specialist knows just which they are and will advise you accordingly.

**Weather Aids Construction
For State Highway Workers**

The weather conditions prevailing throughout the state during July and the early part of August aided the progress of construction projects in operation by the State Highway department.

According to reports submitted by the construction division of the department to Col. W. A. McWilliams, chief engineer, several of the projects now in operation are maintaining their construction schedules.

Delaware Civil Defense Facts

First in a Civil Defense Series by D. Preston Lee
State Director of Civil Defense

To some extent, Delaware has a built-in Civil Defense.

In the confusion following an enemy bombing, it is the state police, the highway crews, the state health and welfare specialists that will spearhead the all-important work of restoring order, preventing panic, keeping roads open and providing food and shelter for refugees.

Under Delaware law, all state agencies must work with CD. What's more, they are expected to be ready to act instantly in an emergency.

The state's overall Civil Defense plan, as prepared by the state director, details the responsibilities of each agency. The plan, incidentally, has the effect of state law.

Under it, the state welfare department, for instance, is charged with planning for emergency feeding, clothing and sheltering of disaster victims. It also must be prepared to set up evacuation areas and mass care centers, register the

Emergency Service

The state highway department leads up CD's emergency engineering and rescue service. It is charged with restoring highways and bridges, providing engineering services to the counties and helping them to form trained rescue squads to release victims trapped in bomb-damaged buildings.

The state health department is expected to set up emergency hospitals, transport medical supplies, take necessary sanitary measures in a disaster. In like manner, the state police and the schools are responsible for working up plans and training personnel for an emergency.

Why then should the layman bother himself about CD? Why not let the specialists handle it?

Let George do it?

This would be fine, but it doesn't quite work out that way—for two reasons: (1) the state agencies can provide only the bare bones of a CD organization; (2) the state agencies are fortunate if they can keep up with their regular workload, let alone find the time and

energy to handle the emergency. Why worry about a big roomy home to live in when you can buy this bargain with only \$2,000 down.

If you don't need so many bedrooms you can easily rent them, and cut down the high cost of living. Possession at settlement.

**ACADEMY STREET
OPPOSITE HIGH SCHOOL ENTRANCE**

One of the nicest locations in the city. Beautifully landscaped grounds, lot 60x180 ft. Plenty of old shade and well-kept shrubbery and flowers. NEW COUNTRY HOME

Stone, L.R. Knotty Pine panelling, D.R. Modern kitchen with electric dish washer, 3 beautiful bedrooms, 2 1/2 baths, expansion attic with stairway, for two additional rooms if desired. Two-car garage under house, unit drive. Lot 100x200 ft. 2 1/2 miles to Louvers Building. Good hard surface road. Open country and one of the better areas around Newark.

Newark School bus. Possession at settlement. A fine buy for less than \$25,000.00.

manpower for emergency training and planning.

In short, Civil Defense must have volunteers, too. And, surprising though it may seem, Delaware does have some well-trained volunteer outfits.

The Explosive Ordnance Reconnaissance (charged with detecting and reporting unexploded bombs) is a top-notch volunteer unit under Dr. William H. Lockwood, duPont explosives expert. So also in the Special Weapons (chemical and radiological) Defense under Frederick Stow. The local fire companies form another trained volunteer CD nucleus with high morale. The utilities division—with the help of the Delaware Power & Light Co. and the Wilmington water department—also has worked up plans for dealing with an emergency.

First State

In communications, CD is well advanced. Delaware was the first CD organization in the nation to set up at state-wide radio communications network and a centrally operated state-wide warning system.

All this is at the state level. To be effective, CD must reach down to the local level and home. CD is not an extracurricular activity, an expensive frill. CD is going to

be a part of our lives from now on. It also will be an integral part of government.

Only when each of us realizes this and acts upon it will CD work at top efficiency.

GRADUATE WORK

Five graduate assistants are working for their masters degree in agriculture at the University of Delaware as announced this week. The graduates and the departments in which they work are William West, agricultural economics; Robert R. Homasko, plant pathology; Milford S. Brown, Dean E. Knaveel, and Charles H. Green, horticulture.

**Delaware Red Cross Gives
200 Hours At Chestertown**

Twenty-six Delaware Red Cross Emergency disaster volunteers gave 200 hours of service at the Chestertown, Md., fireworks plant explosion, the July report of chapter activities has disclosed.

Andrew P. Gornowski, coordinator for disaster work, said in a 16 explosion and fire resulted in a request from Eastern Red Cross Area officials for local assistance. Graduate and student nurses, nurses aides, canteen, first aid, survey, and motor service volunteers were immediately called for service.

Two-car garage under house, unit drive. Lot 100x200 ft. 2 1/2 miles to Louvers Building. Good hard surface road. Open country and one of the better areas around Newark.

Nottingham Manor Lots
No more \$25.00 per front ft. lots left.
But we have five fine lots left on Bent & Brian Lanes.

NEW APARTMENT HOUSE

Masonry stuccoed, 4 rooms and bath each floor, all hard wood floors, oil hot water heat, beautiful high dry cemented basement on good size lot, only two blocks from High School. Rentals are scarce and high, and this would make a fine investment.

Only \$18,000.

LARGE BRICK HOME

6 Bed rooms, L.R., with brick fire place, D.R. Nice kitchen, basement, large front porch, high elevation and grand view. Lot 110x400 ft. Plenty of old shade and shrubbery. In city.

EAST PARK PLACE

A fine home in one of NEWARK'S best residential areas. Very large living room, dining room and kitchen first floor, beautiful oak floors. 2nd floor, 2 large bedrooms, and bath, with more large walk-in closets than the average family would have any use for. Full size high cemented basement, oil hot water heat, garage, exceptionally fine level lot, nicely landscaped and shrubbed. In excellent condition inside and out.

This is a real buy at today's new low price of \$13,700.00. We can convince you, by a showing. Quick possession.

COUNTRY HOME

Old Baltimore Pike

On beautifully landscaped 3 acres. L. R., two large bedrooms, bath, modern kitchen, utility room, garage and unique steam bath, first floor, 2nd floor, two bedrooms, drop stairway. Aluminum storm doors and storm windows. Artistic rustic outside fireplace. Newark school bus at door. A fine buy at \$15,000.00.

EAST MAIN STREET

One of the best business locations in the city. Call us for further information.

DAIRY FARM

With 113 acres very productive ground, large dairy barn with 36 stalls, calf and stock pens, lounging parlor, silo, and large feed storage space.

Good 8-rooms and bath dwelling just reconditioned, H.W. floors, full size cemented basement, fine machinery storage buildings, and garage, beautiful pond well stocked with fish. Tenant house. All buildings in excellent condition. Some well timbered woods, apple orchard.

This is a good going dairy farm, on blacktop road, 5 miles from Newark. Well priced. Shown by appointment only.

COUNTRY HOME

Beautiful location on Paper Mill Road, in setting of grand old shade trees, pines, four large apple trees; 8 rooms, full basement, corner two highways. Approx. 1 acre, stream. All floors refinished and redecorated throughout. If you want to live in the country in a beautiful area you should investigate this property. Newark School bus.

NORFOLK MANOR BUILDING LOTS

Are moving fast, with a few left, and they are all choice. NEWARK'S most desirable and fascinating dwelling area. Scenic beauty and high altitude make them most attractive. Some wooded lots on the Welch Tract Road, are very attractive, all fairly priced and restricted.

STONE COUNTRY HOME

Polly Drummond Hill. View unsurpassed in the county — with 3 acres of beautiful lawn, trees and shrubbery, make it the IDEAL SPOT. 4 bed rooms, bath, very large living room, D.R. approx. 20 ft. square, large kitchen, two-car garage. Newark school bus. Just \$23,500.00.

BRICK CAPE COD

Large L.R. with brick fire place, Spacious D.R., one bedroom, modern kitchen, full bath, first floor, two good size bedrooms second floor, full size high, dry, cemented basement, new oil hot water furnace, H.W. floors, aluminum comb. storm sash and screens, insulated. Garage, Lot 100x200 ft., beautifully landscaped with plenty fine shrubbery, and fine new fence.

Only three blocks to High School, excellent buy at \$18,000.00. No redecoration or repairs necessary.

TYRE AVE.

Ranch house—living room, 3 bedrooms, large modern kitchen, tile bath, plenty closets, hardwood floors, alum. storm sash and screens, full size cemented playroom, basement laundry, insulated, 60-ft. corner lot. Less than 3 years old. Beautifully built by HAWTHORNE. Real buy at \$13,000.00.

**THIS IS ONE OF BETTER BUYS
SOUTH COLLEGE AVE.**
