Dear Bonnie - I hope you all had a wonderful trip. Jimmy I am sure has told you my plans. We leave here Tuesday May 14 + I will spend May 15 + 16 at the Carlson Hotel in Washington + will phone you from there. We have to go to Boston May 20 or 21 + I will be in the hospital for ten days for a small hernia operation. It is an awful nuisance but has to be done. All this upsets our plans. I'm sorry I will not have a chance to see Adenauer while he is with you. We have to be back in Mexico by July 1 for reasons I will tell you when I phone you from Washington.

Marion is well. I'm feeling much better. Hope the kids are all a lot of good. Marion joins in all love & good wishes for you all -
