

## Dean Dutton To Represent U. of D. At Muhlenberg

AT INAUGURAL

Dean G. E. Dutton

## New Head Of College To Be Installed

George Elliott Dutton, dean of the University of Delaware, will represent the institution at the inauguration of Dr. Levering Tyson as president of Muhlenberg College, Allentown, Pa., this week-end.

Dean Dutton will be among the delegates of more than 150 educational institutions and learned societies who will be the guests of Muhlenberg for the inaugural activities that will include a symposium on the relationship of the small liberal arts colleges to the professional life of the nation.

### Prominent Speakers

Dr. Frederick P. Keppel, president of the Carnegie Corporation; Dr. E. P. Pfattheicher, president of the Lutheran Ministerium of Pennsylvania; and Dr. Tyson will be the speakers at the inaugural program Saturday morning. At the symposium Friday night the speakers will include Dr. John Ward Studebaker, United States Commissioner of Education; Dr. George P. Muller, professor of surgery at Jefferson Medical College, Philadelphia; Dr. C. C. Williams, president of Lehigh University, Bethlehem; Dr. E. H. Kumbel, president of the United Lutheran Church in America; Judge F. Henninger and Congressman Oliver W. Frey, Allentown; Dr. Luther A. Harr, Pennsylvania secretary of banking; Dr. Meta Glass, president of Sweet Briar College; and another nationally known professional leader, Dr. Walter A. Jessup, president of the Carnegie Foundation for the advancement of teaching, who will preside.

### Native Of Reading

The Pennsylvania Association of College Presidents will be on the campus over the week-end.

Dr. Tyson, a native of Reading and a graduate of Gettysburg College, accepts the post at Muhlenberg after having served as director of the National Advisory Council on Radio in Education, a Carnegie Corporation division. He succeeds Dr. John A. W. Haag, who served the Lutheran Church institution for more than 30 years.

## New Century Club To Resume Meetings Monday

Following the regular summer recess, the Newark New Century Club will resume its schedule of bi-weekly meetings Monday, it was announced today by Mrs. R. T. Jones, president.

Miss Anna Frazer is in charge of arrangements for a luncheon, which will take place at one o'clock, prior to the opening meeting at two-thirty.

H. E. Stahl, superintendent of Claymont schools, who was visiting in China at the time of the outbreak of the war between Japanese and Chinese forces, will speak on the Far East situation. The program is under the direction of the committee on international relations, headed by Mrs. W. A. Wilkinson.

On October 18 a reception will be held for the faculty of the Newark Public Schools. Mrs. William K. Gillespie, chairman, and the committee on education will be in charge.

### "Rally Day"

Ott's Sunday School will hold its annual "Rally Day" Sunday afternoon at 2 o'clock. The Rev. Henry G. Welton, of Newark, will be the speaker. All former members of the school and their friends are invited to be present.

## Entertainment Given As Delaware Grange Marks "Booster Night"

By Robert M. Yearsley  
Lecturer, Delaware State Grange

"Booster Night" was observed on Monday evening by the Delaware Grange No. 46 at Newport. The meeting was called to order by Worshipful Master, B. B. Taylor. This was an open meeting and was well attended by the members and their friends as well as members of Center, Harmony and Hockessin Granges. The program in charge of Mrs. Chandler Gebhart, lecturer was as follows: letter written by National Master Taylor read by Mrs. Irene Ruth; solo by Mrs. Alice Slack accompanied by Virginia Slack; paper by Mrs. Sue Carpenter, "What the Grange means to me"; solo by Mrs. Florrie Frederick accompanied by Miss Doris McClane; game, "A Penny for a Thought", won by Mrs. Irene Ruth; playing "Managing Mother" by the State Road Community Club.

The Grange Hall was decorated with flowers brought by the members and Mrs. Robert P. Robinson's basket of zinnias was judged the most attractive display. Remarks on Grange work were made by State Lecturer Robert Yearsley and Mrs. Robert P. Robinson.

## BURIED TUESDAY

M. M. Hollingsworth

## CATTLE MAN PASSES

Widely Known;  
Dies In Seventy-  
Eighth Year

Last rites, conducted in the Friends ritual, were observed for Maria M. Hollingsworth, prominent cattle breeder and business man, at his farm residence near Lardensburg, Pa., on Tuesday at 2 o'clock. Interment took place in New Garden cemetery, near Toughkenamon, Pa.

Mr. Hollingsworth had been ill for some time and was taken to the Jefferson Hospital, Philadelphia about a month ago. He died on Friday, following an operation a week previous. He was in his seventy-eighth year.

### Prominent In Affairs

He was prominent in Chester County affairs and had lived in the vicinity near his present home all his life. Following education in the public schools of Pennsylvania and Rugby Academy, Wilmington, where he completed a course in civil engineering, Mr. Hollingsworth in his early life, carried work on as a surveyor in addition to his agricultural practice. He took a prominent part in activities of his community and served for many years as a school director and also for a long period as road commissioner.

Mr. Hollingsworth was a member of the Pennsylvania State Legislature at Harrisburg for two terms.

Prior to 1912, Mr. Hollingsworth and his brother, Enos J. Hollingsworth, operated two farms and carried on their business of breeding registered guernsey cattle under a partnership known in that community as M. M. and E. J. Hollingsworth.

However, in 1912, E. J. Hollingsworth withdrew and founded a lumber and coal business at Marshallton. This business was later incorporated under the name of E. J. Hollingsworth Co.

### Newark Yard Purchased

In 1922, the deceased again merged with his brother and took over the J. G. Justus lumber and coal business at Newport. In 1927, the yard at Newark, formerly owned by H. Warner McNeal, was purchased by the E. J. Hollingsworth Company.

Although Mr. Hollingsworth did not participate actively in this business, he was substantial stock holder and served as director and vice-president of the concern up until the time of his death.

With the exception of a few years, Mr. Hollingsworth's entire life was devoted to cattle, and he was known throughout the country as an outstanding breeder and a keen judge of dairy cattle. One of the highlights of his career in this field stands as a monument to his ability as a breeder of fine cattle.

In June 1922, he conducted an auction sale at his farm and sold 58 head of cattle which brought \$29,000 and an average price of \$500 a head. The top price paid was \$2,800 for one animal.

### Wide Cattle Field

Mr. Hollingsworth sold animals privately to every section of the United States and at one time sent some stock to Gatemala, Central America. The deceased held the honor of having the first federal accredited herd in the state of Pennsylvania.

He served as secretary of the Eastern Guernsey Breeders Association for 25 years and was a member of the Chester County Guernsey Breeders Association.

### Local Police Enter Drive To Halt Bicyclists

Shortly after Superintendent of State Police C. C. Reynolds sounded an edict against bicycle riders last week, Chief of Police William H. Cunningham issued a similar warning to local riders in Newark.

Four injuries have been reported to local headquarters within the last seven days that involved pedestrians struck by bicyclists riding on sidewalks at night without lights or any means of giving warning of their approach. Cunningham promptly instructed the Newark force to arrest violators of the town ordinance dealing with bicycles without question or warning.

### Cites Ordinance

In issuing instructions to his men, Cunningham passed out copies of the ordinance, which reads:

"No person shall be allowed to ride a bicycle or tricycle on the pavements or foot-walks within the Town of Newark; nor on the streets of said Town after dark without having a light and bell; said light to be lighted and kept burning."

"Any person violating this Ordinance shall forfeit and pay a fine of ONE DOLLAR for each and every offense; children under five years of age riding tricycles on sidewalks are excepted from the operation of this Ordinance."

### Anniversary Of Barratt's Chapel To Be Celebrated

Dr. E. M. Kohlstedt, executive of the Home Board of the Methodist Episcopal Church will speak on "Things That Matter Most" at the one-hundred and fiftieth anniversary of Barratt's Chapel which will be celebrated on Sunday at 2 o'clock.

Known as the "cradle of Methodism", Barratt's Chapel is located one mile north of Frederica on the du Pont highway. Dr. Kohlstedt is nationally known as a preacher and has also spoken in churches of foreign countries. Special music will be played by the Felton High School band with the Frederica Magnolia and Barratt's Chapel choirs singing special numbers. Miss Jean Todd, of Camden, N. J. will render a solo. A "ster Night" and over one hundred members and friends were present.

The program under the direction of Mrs. Earl Willey was as follows: reading of Taber's letter by Mrs. Emma Frazier; reading "The Grange in Legislation" by Judge Earl Willey; vocal solo by Herman C. Taylor; vocal selection by the Knox family; piano solo by Emma McKee; monologue "Teaching them to drive" by Mr. Meredith; recitation "Here's a Pusher" by John Weidman; vocal selection, "Bells of St. Mary's" by the Meredith family; talk by state chaplain, Harry Moore "Why Belong to the Grange?"; selections by the "Male Quartet"; skit, "The President of the Roarin Lions Club" by the Raughey family.

### Girl Scout Drive To Be Held October 4-10

The drive for funds, conducted annually by the Girl Scouts of America, will start Monday, October 4, according to the announcement made yesterday by Mrs. Frank K. Simons, chairman of the Newark drive. Mrs. Robert E. Price is assistant chairman. Fifty cents are enrolled in the local troop, with a large number on the waiting list. The drive will end October 10.

# Saturday Night Brings Reduction In Credits

## Bank Building To Be Improved

The Newark Trust Company, at a special board meeting recently, signed a contract to remodel and equip the present banking quarters. The Tilghman Moyer Company of Allentown, a firm of architects and engineers specializing in the design and construction of bank and office buildings, have been employed to handle the operation.

Work contemplated includes the construction of a one-story addition to the rear and the re-arrangement of the present interior. It includes also the construction of a new vault, the re-location of the main entrance, and the installation of the most modern and efficient of banking equipment.

Local labor, local supply concerns and local sub-contractors will be used in the construction wherever possible. The officers of the bank have decided to proceed at this time due to the pressing need for additional space.

A rendering of the proposed interior is on display in the bank lobby.

## VETERANS ADVISED

Meeting Held In  
Wolf Hall  
Tuesday Night

Valuable information about hospitalization was given a small number of persons who gathered in Wolf Hall Tuesday night to hear Veterans Administrator Heerv J. Crossan and Chief Medical Director Thompson Edwards M. D. speak on this topic which is not understood by many war veterans.

It was pointed out by Dr. Edwards that every veteran of the World War or Spanish American War, who has an honorable discharge is entitled to hospitalization in one of the U. S. Veterans Administration Hospitals, regardless of whether or not the condition existed during period of service.

### First Step Important

"The first step to obtain hospitalization is to present your discharge to your service officer or to the Veterans Administration representative or the Navy Hospital in Philadelphia, unless in the case of an emergency," Dr. Edwards stated.

For the benefit of all ex-service men and to assist them in establishing or re-establishing their status, J. Q. Smith, retiring commander of the J. Allison O'Daniel Post of American Legion, will act as a special representative of the Veterans Administration in Newark.

Veterans are advised to waste no time in putting themselves on record, so that in case of an emergency, they will be properly protected and cared for.

### Eighty To Take Part In "Messiah" Presentation

The chorus of the Newark Music Society held its rehearsal Monday evening of Handel's "Messiah," which will be presented in December. About 80 members are expected to participate in this event. In addition, the group will study Hayden's "Creation" for presentation in the spring.

All former members are urged to attend the weekly rehearsals and anyone interested in joining the chorus is asked to communicate with the director, T. D. Mylrea.

### Daughter Born

Mr. and Mrs. George Victor Chalmers are being congratulated on the birth of a second daughter, Carolyn Virginia, at the Flower Hospital Wednesday, September 29.

### Card And Bingo Party

Friendship Temple No. 6, Pythian Sisters, will hold a public card and bingo party Friday evening, October 8 at 8 o'clock in Fraternal Hall.

## TO HONOR SACHEMS

Red Men To  
Commemorate  
Past Chiefs

On Tuesday evening, October 5, Minneha Tribe will observe "George B. Crossan Night," the first of many ways in which the organization will honor its past sachems.

Chiefs elected Tuesday night will also be raised by Deputy Great Sachem Alfred Davidson and a staff from Bear Station. Those who will take office are: William Donnell, sachem; George McClary, Thomas Campbell, junior sagamore; James Scarborough, prophet; representative to great Council, Frank Johnson; and trustee for 18 moons, George Law.

### Awarded Prize

Last Saturday night, Minneha tribe took part in the parade held at Convention Hall, Philadelphia, in connection with the Golden Jubilee of Pocahontas and were successful in winning a cup for having the second largest delegation in line. Two members of the tribe, William Bruen and Norris Pratt won first and second individual prizes, respectively.

The Degree Team, under the direction of Degree Captain W. Vaughn Heavell and Assistant Captain C. Orville Sidwell, are making plans for a busy term.

On Friday, October 15, they will go to Oxford, Pa. Georgetown on October 22, and Baltimore on October 28. The last engagement was an invitation from the Great Council of Maryland, whose chiefs witnessed the work of Minneha last Saturday night in Philadelphia.

### Local Chapter Eastern Star To Stage Supper

A covered-dish supper will precede the regular bi-monthly meeting of Newark Chapter No. 10, Order of the Eastern Star, on Thursday evening, October 7. The affair will start at 6:45 o'clock. Mrs. Martha W. Krapf, chairman of the ways and means committee, will be in charge.

The meeting will follow the supper starting at eight o'clock with Mrs. Mattie P. Malcolm, worthy matron, and Leslie T. Truitt, worthy patron, presiding.

## NO LIMIT TO NUMBER FOR EACH WORKER

Extra Votes To  
Be Credited In  
Contest Until  
8 P. M. Saturday

Saturday night, this week, October 2nd, will bring the first reduction in extra votes in The Newark Post's subscription campaign in which a \$671 Chevrolet and cash prizes as well as commissions are offered to the people of this section.

The object of the campaign is to secure subscription payment from old subscribers and also to gather in a number of new subscribers to The Post. Having this point in mind, The Post offers these valuable awards and gives extra vote offers so that those candidates who will take advantage of these big ballots may work and win the prize they wish.

### Big Vote Premium

So, until 8 o'clock Saturday night, October 2nd, each and every amount of \$15 worth of subscriptions to The Post will give the candidate 200,000 extra votes. This is the biggest and best extra vote offer to be used in this campaign.

Starting Monday morning, October 4th, and lasting for just one week, only 150,000 extra votes will be given on the \$15 amounts. Then will come one week of only 125,000 extra votes while during the closing week of this campaign only 100,000 extra votes are to be given on the \$15 amounts.

This fact can mean but one thing to the candidate who are working hard to win, gather in as many as possible of the 200,000 extra vote ballots this week so you do not have to accept only 150,000 extra votes next week.

### No Changes Made

There has been no secret about what vote offers would be used in The Post campaign. Everything was announced right at the start. There will be no changes. So if you wish to share in the fine prizes offered, right now is the time to hand in every subscription you can get.

There never was a better time to start in this campaign than now. Anyone wishing to start should make it a point to take advantage of several of the big 200,000 extra vote ballots by Saturday night and then they will be well on their way to sharing in the \$671 Chevrolet or \$500 cash first prize, the \$200 second prize or the \$50 third prize.

You can enter this campaign today and win first prize. You have your friends and acquaintances who will not give a subscription to anyone else but you if they know you are interested. So decide what you wish to do today as you read this article. Get busy. Start right now. You can win a new car or \$500 in cash in a few weeks. Do not forget this fact. It is right up to you.

## Old Farm Lines Changed Under Erosion Plan

Survey Shows Farmers  
Cooperating With  
Conservation Agents

Old fence lines, which generally followed original farm surveys, roads, or more often the personal whim of the first owner, often are rearranged by farmers who are trying to control soil erosion by farming with the "lay of the land".

Soil Conservation Service disclosed that the farmers cooperating with the erosion-control agency have constructed or reallocated approximately 14,000 miles of fencing during the past 3 years.

### Reasons Are Given

One of the most important reasons for changing field boundaries has been the wide-spread adoption of contour cultivation — the practice of running crop rows around sloping fields instead of up and down the hillsides — service officials say.

Farmers also are using fences to protect new woodlands — and woodlands in which erosion control is under way — from grazing, to keep livestock out of gullies that are being stabilized with vegetation, farm ponds, areas retired to permanent grass, and other places on the farm where trampling and overgrazing would lead to accelerated soil erosion.

## List Of Candidates

This list contains the names of people who are working in The Newark Post's subscription campaign in which the prizes are a new \$671 Chevrolet, or \$500 in cash, first prize, \$200 second and \$50 third prize. A 20 per cent commission will be paid all candidates on every dollar collected.

## IN WILMINGTON AS IN NEWARK

(Editorial from the JOURNAL-EVERY EVENING)

One of the most perplexing traffic problems in Wilmington is that having to do with double parking. Something certainly will have to be done to remedy it.

Strict enforcement against it under the general parking system we now have undoubtedly would interfere with the operation of many businesses that must receive and deliver merchandise and other products in which they deal.

With the space next to the curb occupied by parked pleasure cars, trucks are forced to double park while making deliveries to or receiving consignments from such business houses.

Even this form of what may be considered necessary double parking at times causes traffic slowdowns, snarls and congestion.

But the trouble caused by the double parking of pleasure cars for the personal accommodation of their drivers or passengers is of greater concern.

Often drivers, while on a personal errand, will leave a car double parked and unattended in the street for five or 10 minutes or more at the busiest time of the day, regardless of whether it impedes or retards traffic.

The streets in the business center of Wilmington are too narrow for double parking and a safe, orderly flow of traffic at the same time.

We believe the situation has become such that the police should apply themselves to a sane and sensible handling of the double parking nuisance. We realize all stores and business houses cannot very well have a "no parking" or a "loading" zone marked off in front of them, yet they are entitled to reasonable opportunity to load and unload their wares.

But we realize, too, that scores and scores of automobiles are double parked for unreasonable periods to gratify the convenience of their drivers and at the inconvenience of other drivers.

The police have been devoting much time to marking parked cars in the business center of the city when, we feel, they could be performing a better and more-needed public service by regulating double parking, routing traffic around trucks or cars double parked of necessity, and compelling cars unnecessarily or unreasonably parked to move on.

By doing these things they would help to keep traffic lanes clear and smooth out congestion in the mid-city area that prevails during the morning, noon, and late afternoon rush to and from business.

## MOBILIZING AGAINST ACCIDENTS

Ten thousand men and women will mobilize for war on accidents at the Twenty-sixth National Safety Congress and Exposition which will be held from October 11th to 15th in Kansas City, Missouri.

Accidents — which killed 111,000 Americans and injured ten million in 1936 — will be given microscopic study. More than 400 speakers will discuss accident prevention in the home, on the farm, on streets and highways, in industry, in schools, in the air and at sea. The meeting will attract accident prevention experts and students from every corner of the United States and a number of foreign countries.

The work that is done at this Congress can be of immense potential value, if the public will cooperate. But the best plan in the world can do little if the attitude of public indifference toward the hazards that menace life and property continues. The finest accident prevention program ever devised is relatively useless without enthusiastic public cooperation and support. The most complete surveys of the cause of accidents are valueless if no attention is paid to them. Final public benefit will rest with the public — John Jones' life can't be saved if John Jones is too lazy to help.

Accident prevention is an individual problem. It is up to each of us to take the simple steps that suffice to prevent the bulk of accidents, minor and major, within the home, in business, on the highways or elsewhere. Passing the buck doesn't work.

This coming Safety Congress will be the largest and most important ever held. Experts and humanitarians will do everything in their power in the interest of saving us from death and injury, but the final answer must be made by the people.

## THE ESSENTIAL INVESTMENT

An essential part of every investment program is a plan that will reach — surely and steadily — from youth to old age and meet the eventualities faced by the aged as well as the young.

Here is where life insurance stands in a class by itself. The vital element in any policy is time — it is designed to give man a method to assure income in old age and also to care for his dependents in event of death. It leaves nothing to chance, nothing to an individual's judgment in making investments. Based upon mathematical law, it is as safe as human ability and faith can make it.

Life insurance is not the only good investment. There are many. But it is an essential investment. It is the safest economic protection for the average individual.

## DUCE'S SON GOES TO WORK

Vittorio Mussolini, son of the Italian Premier Mussolini, stuck out the family jaw this week and began to study American film production. After a week-end devoted to seeing the circus and other amusements, Vittorio had a round of conferences and inspections ahead of him. At his side was his business associate, Hal Roach, best known for his comedies starring "Our Gang" and Laurel and Hardy. As Roach explained it, Premier Mussolini chose his son to head a new Italian motion picture corporation because up to now, Italy has been making about 40 pictures a year and 38 of 'em are flops. It is said that Mr. Roach will accompany young Mussolini back to Rome in a few weeks.

## HAPPY BIRTHDAY

Once again the time has come to wish our beloved Editor a "Happy Birthday," who will celebrate the affair tomorrow, (Friday). Much water has run under the bridge since this was wished upon him last year. He has made this paper something that the people of this town can "crow" about. So again I say "Congratulations Charlie, wish you many more." — Snapper

## STATE THEATRE BRIEFS

### Friday and Saturday

After lavishing a fortune on the girl he loves, Jim Fisk, picturesque railroad magnate, learns that his business partner and best friend has won her affections in "The Toast of New York," with Edward Arnold, Cary Grant, Frances Farmer and Jack Oakie sharing starring honors. This picture brings to the screen a throbbing panorama of the most colorful period in the financial history of America, and a character who contributed more than his share toward making that period picturesque — Jim Fisk. Starting as a peddler, Fisk made a fortune by procuring cotton from the South and transporting it to the northern markets during the Civil War, and later became one of the most powerful men on Wall Street. His one weakness was his burning affection for Josie Mansfield, upon whom Fisk spent a fortune to bring her out of obscurity and help her realize an ambition to become a theatrical star. Josie is played by Miss Farmer and Cary Grant is cast as Fisk's handsome and more successful rival.

**Monday and Tuesday**  
The Samuel Goldwyn production of "Stella Dallas," with Barbara Stanwyck in the title role is a tense drama of a mother who sacrifices her own right to happiness for the sake of her daughter.

This film gives Barbara Stanwyck the strongest role in her entire career and one which was coveted by every leading actress in Hollywood.

**Wednesday**  
The Hal Roach M-G-M super feature comedy "Topper" will be seen this day only. Co-starring Constance Bennett and Cary Grant with Roland Young heading the supporting cast, "Topper" is said to be one of the best comedies ever to come out of Hollywood. The film is packed full of hilarious humor and the latest new creations of styles for next season. Samuel Murray Lange, noted stylist, returned from Paris to design and execute the gorgeous gowns for Miss Bennett, who already is acclaimed as one of the best dressed women of the film town.

**Thursday**  
From the pages of The Saturday Evening Post now steps the amazing Mr. Moto, his eyes as mild as his timid smile, his mind as quick as his trigger finger. Peter Lorre, the screen's master of impersonation, thrillingly portrays J. P. Marquand's Japanese master of crime detection, "Think Fast Mr. Moto" which plays this day only. Millions of Post readers asked to see him on the screen, and now the Japanese sleuth thrills more audiences with his exploits. Internationally famous as a character actor Lorre finds this his most difficult role as in a few sequences he is called upon for a triple impersonation. A Hungarian by birth, Lorre as Mr. Moto must imper-

sonate a Japanese and in character of Mr. Moto he must impersonate an American. This triple play of characterization adds new acclaim to the star's reputation for remarkable versatility in his portrayals.

# WOMEN'S COLLEGE

By SYLVIA PHELPS

## Teachers Added

Definite standings of the 309 Women's College students have at last been decided. There are 91 Freshmen, 108 Sophomores, 60 Juniors, and 50 Seniors.

Now that all those "absolutely musts" concerning bills, books, schedules, and the like are out of the way, we have a chance at last to look around and notice some changes on campus. Four teachers have been added to the faculty here. Dr. Elinor Ware succeeds Dr. Elizabeth Dyer as assistant instructor in chemistry. Miss Martha Mason, a member of the class of 1936, who was awarded a fellowship for study at the University of Vermont last year, has returned to her Alma Mater as an assistant chemistry teacher. Miss Elizabeth Child, W. C. D. '37, is part-time instructor in plain and applied arts. She succeeds the former Edith M. Eigner, who was married recently.

Anthony J. Loudis has been added to the University music faculty, as Miss Helen Russell is teaching only part-time while studying at Columbia University. Mr. Loudis, a graduate of the Juillard School of Music in New York, gives a course in Music Appreciation and conducts choral singing at both colleges. Miss Ella Pyle has returned to teach Piano Forte and Theory after spending a summer of study in England. Replacing R. C. Journey, instructor in Economics, is W. C. Wilson.

### Freshman Dance

Last August 56 students sailed for France under the Delaware Foreign Study Plan. One Women's College girl, Miss Aureta Lewis, is included in the group.

Many girls are looking forward to the Founders' Day exercises, which will be held in Mitchell Hall on Saturday evening, October 9. The principal speaker is to be Dr. Annie J. Cannon of the Harvard Observatory.

The Freshman Get-Together Dance will be held Saturday evening, October 2, in Old College. This affair is an annual "Let's Get Acquainted" party sponsored by the Women's College Social Committee and the Student Council of Delaware College. It provides a chance for all the shy Freshies to meet and know their classmates from the other end of the campus. If the smart young things have already met (and a lot of them have), they can still enjoy the music, dancing and ping-pong.

### Candid Camera Annoys

For the past few days a representative of Chidnoff's Studios in New York City has been haunting our campus. Besides the usual formal, dignified photographs, he has been snapping candid (pronounced "annoying") camera shots of students and faculty alike. Imagine our embarrassment when, in the midst of a natural — but very ridiculous pose, a sudden flash announces that our appearance has been recorded for our friends' amusement. "Hey, catch that man, quick! And watch your chance to smash his camera." Cheer up, girls. He'll be leaving any day, now.

# CHURCH TO MARK HOME COMING DAY

## Service To Be Conducted At Christiana

By Edna A. Dickey

"Home Coming Day" will be held in the Christiana Presbyterian Church on Sunday, October 10. At the morning service, at 11 A. M., Rev. David A. Reed, a former pastor, will bring the message. In the afternoon at 2:30 P. M., the Rev. Herriek Darling, pastor of the Hanover Presbyterian church of Wilmington, will be the speaker. There will be special music at each service. Lunch will be served by the ladies of the church at the noon recess. All members and friends of the church are invited to attend for spiritual uplift and for the renewing of old friendships.

The annual poultry and oyster supper of the Presbyterian Church will be held on Thursday evening, November 11.

The Methodist Church will hold its supper on Wednesday evening, October 20; Salem M. E. Church on Wednesday evening, October 27; and the Winona Lodge of Bear on Thursday evening, November 4.

Miss Edward Couch has presented to the Christiana-Salem Consolidated School 22 volumes of the Encyclopedia Britannica.

Frances Willard Day was observed at the school last Tuesday. Each class room had its own program. Fire prevention week will be observed October 3 to 9. The 5th, 6th, 7th and 8th grade will enter the county essay writing contest. Grades 1, 2, 3, and 4 will participate in the poster contest.

"Parent's Night" for the local 4-H Club will be held on Friday evening, Oct. 22 at 8 P. M. Announcement of the program will be made later.

## Assembly Program

The assembly program on Friday, October 8, will be presented by the third and fourth grades under the leadership of Mrs. Estol Hopkins. It will be a culmination of a unit of study on Columbus. All parents and friends are invited to attend.

Miss Dorothy Markert's seventh grade has organized a home room club with the following officers: president, Edward Purzycki, who is also club reporter; vice-president, Doris Simmons; secretary and treasurer, Doris Baker.

The seventh grade science class has been doing very interesting work on the water unit. Two unusually fine water wheels have been made by Fulton Wright and Donald Eastburn.

Last Friday the first intra-mural dodge ball game was played between the combined 5th and 6th grades and the seventh. The seventh grade won, score 17 to 9.

The Christiana School dodge ball team will play Stanton at Christiana, next Friday at 4 P. M. All parents and friends are invited to attend. The following are members of the team: Doris Baker, Allen Clymer, Bobby Murray, Marie Baker, Edward Purzycki, Ralph Robbins, Albert Thorp, Pauline Baker, Norman Laws, and Fulton Wright. Substitutes are Elizabeth Clymer and Joseph Amoroso.

## Flower Show

There were 79 exhibits at the flower show held at the school last Friday afternoon. First prize for the school went to Lewis Hutchinson of the fifth grade. Nicholas Vlasveld of the first grade got second place and Betty Hutchinson, seventh grade, third place.

The seventh grade studies' class is working on the third unit, "The Story of Power". The following children have done some exceptionally fine pieces of drawing, which

are being exhibited at the school: Ralph Robbins, Esther Suppe, Henry Wierzynski, Fulton Wright, Sylvia Edwards, Alma Takach, Clarke David and John Clayville.

Next Sunday will be observed as "Rally Day" at the M. E. Church. At the morning service, Rev. R. M. Green will deliver a sermon appropriate to the occasion. In the evening at 7:30 P. M., a special "Rally Day" program will be presented by the Sunday School.

Rev. R. M. Green will preach at Town Point M. E. Church next Sunday afternoon. R. Earle Dickey will have charge of the services at Salem M. E. Church in Rev. Green's absence.

A combined "Harvest Home and Rally Day" service will be held at the Salem Church on Sunday afternoon, October 10 at 2:30 P. M.

Funeral services were held on Tuesday afternoon for Mr. Lewis Thorp, Sr., from his late residence, with Rev. R. M. Green in charge. Interment was made in White Clay Creek Cemetery.

Mrs. Alma Cannon entered the Wilmington General Hospital on Friday.

Mrs. Maud Howell who has been confined to her bed for the past five months was quite ill last Saturday, but is improved at this time.

Mrs. S. Green and sister of Milton were week-end guests of Rev. and Mrs. R. M. Green. They returned home on Monday.

Final plans will be made for the party which is to be given for the veterans of Perry Point Hospital on Tuesday. The annual reports of all chairmen will also be given.

## Confirmed

The eminent alienist recognized the thug who was holding him up. "Look here," he protested, "I'm your benefactor. Don't you recall that I once saved you from a life sentence by proving you crazy?"

"Sure, I remember you now," the thug said, as he continued his work. "And you've got to admit, guv'nor, that holdin' up your benefactor is a crazy thing to do."

"I want a shave," said the disgruntled customer as he got into a barber's chair. "No haircut, no shampoo, no bay rum, witch hazel, hair tonic, hot towels, or face massage. I don't want the manicurist to hold my hand, or the bootblack to handle my feet. I don't want to be brushed off, and I'll put on my coat myself. I just want a plain shave, with no trimmings. Understand that?"

"Yes sir," said the barber quietly. "Lather, sir!"

## Winter Grain Loans Now Open To Farmers

Farmers may make applications for winter grain loans through field supervisors' offices until the planting season is over, according to an announcement last week by S. M. Thomson, regional manager of the Emergency Crop Loan Office at Baltimore, Md.

Where field supervisors' offices are located outside of the county, inquiry may be made through the county agricultural agent's office as to how to get in touch with the supervisor. Farmers who plant winter grain for disposal as cash crops the following season, are eligible for these loans, Mr. Thomson said.

The limit is \$4 per acre where fertilizer is used. The interest rate is four per cent, and loans are limited in amount to \$400 per individual. Farmers who can qualify for loans through Production Credit Associations are not eligible.

Altitude must always be considered in making. Increase processing time 15 per cent for each additional 1,000 feet.

## Given A Chance — Makes Good

Newark football fans at Pennoy Field last Sunday had plenty to cheer about while the Wilmington Clippers were doing a thorough job of routing the Richmond Arrows for their initial victory of the season.

Given a spot in the starting lineup, when Joe Nichols was incapacitated for the year with a back injury, Vic Willis, the younger, who gathered his primary football knowledge at Newark High School before gaining a place in the national limelight at the University of Maryland, made good with the well known bang.

Little short of sensational on the offense as he made good use of his six-foot, six inches to snatch four of Skipper Howard's passes out of the zone, Willis was equally brilliant on the defense.

He blocked one Arrow punt on his own and aided in the blocking of two more kicks early in the game. He registered a touchdown by planting himself on the receiving end of a 47-yard heave from Howard and generally made life miserable for Richmond's passers and kickers.

There were some of Willis' friends who were skeptical of his talents prior to the demonstration Sunday, but he came through the test in fine style. Tougher opposition is coming, of that there is no doubt, but we're rooting for the elongated wingman and hope the Richmond game gave him any confidence necessary to make the grade with the Clippers.

**RWR**  
**Not Pinkie — Curly**  
Football and baseball accomplishments have earned a little renown for Dick Roberts, grid captain at the University of Delaware who leads his mates into action against a good Ursinus team at Collegeville, Pa., Saturday.

Other players have earned similar renown, of course, but we're inclined to think that Dick (Pinkie) has a way of stirring female hearts not usually included in the gifts of athletes.

For example, one of our downtown readers contributed the following poem, which apparently has been clipped from a Caesar Rodney High School paper — and Pinkie, if you recall, once performed for the Camden-Wyoming team.

**Baseball**  
The players walk with pride into the field;  
The pitcher slowly walks into the box;  
The Milford team say that they just won't yield.

To us, although we have a Jimmy Fox.  
Wyoming's team is going on the rocks.  
If we don't get a run once in a while,  
But here comes Roberts with his curly locks.  
And over the crowd there goes a knowing smile,  
Because our folks know Dickie will hit it a mile.  
Ruth A. Bailey '38  
Ah, there, Dickie!

**RWR**  
**Bowlers Begin**  
Pin leagues swept into action at the Legion Alleys on seven fronts during the week that ended last Saturday. Making their initial start of the season, keggers were below the form they will gradually attain ere another spring has rolled around.

One of the funniest sights at the opening was provided by Councilman C. Emerson Johnson, not-too-good-a-bowler himself, who has been named captain of the Lions Club array.

Venting displeasure over the showing of his charges, Councilman Johnson read the riot act. He threatened to tie the "can" to New Sheaffer, told Dan Stoll he'd bury him in his own plumbing and forced Lou Staats, the dairyman, to take a bit of "warm up" work on an idle alley. (Incidentally, the trio made Johnson's score look like a one-stroke handicap compared to the Empire State Buildings.)

**RWR**  
**Hero Postman**  
Eddie Shakespeare, who delivers your mail and mine on East Main Street, is being hailed as a hero by co-workers in the local postoffice. The group spent a recent evening "outing" on Postmaster C. E. Rittenhouse's yacht, "Quo Vadis." Upon returning to the North East River Club, the party found their small boat missing and a low tide that made it impossible for them to reach the dock.

Eddie solved the problem by wading ashore with the anchor to save the day, but the hour at which they arrived back in Newark was hardly exemplary for sons and daughters.

**WE, SLOWLY, VERY SLOWLY** stick our favorite neck under the guillotine and hesitantly, very hesitantly, venture a prediction — Delaware Will Beat Ursinus, and we're going to be right on the sidelines to make sure.

Our decision was reached after numerous observations which we list as follows, according to their importance: 1-Coach Loyal Clark has four less hairs crowning his skull, all of which means the braintrust has been working overtime developing a plan of attack to fit his crew of fast-stepping backs; 2-Who's Ursinus'; 3-Captain Dick Roberts and Howard Viden; 4-Law of Averages; 5-We pulled a straw; 6-It's in the cards; and 7-Ditto No. 3.

**IN OTHER WORDS**, there's little reason why the Blue Hens should beat Ursinus. Coach Clark has a few good ball players — but only a handful, which isn't enough to stack up against a school of any consequence.

A lot of unusually fast backs with varying degrees of shiftness is the only tangible Blue Hen asset.

If they're given half a chance, they'll come through and Delaware will enjoy its biggest scoring year for many years — but the line is an unknown quantity. The extent of its weakness isn't to be measured until the opening tilt.

**THERE'S A BIG WEIGHT** on the shoulders of the green and inexperienced of that forward wall — the backfield, undoubtedly could go places with the proper amount of support. Give Dick Roberts half a chance and he'll stand any tackle on his head trying to follow his antics — let Howard Viden loose and a slice of that bacon's coming home, even if it isn't the whole ham — get Fenton Carey, Eddie Graham, Ernie George or Luce Luciano past the line of scrimmage and things are bound to happen — but get 'em loose.

That's the problem.

**ON THE LINE**, Fritz Ware and Suede Drodzov at the tackle posts have to take been indifferent performers.

Neither has performed in the manner of which he is capable and in view of the fact that they are two of the biggest linemen on the squad, sparks will fly if and when they get started.

Although lacking size, both candidates for the pivot post have plenty of pepper. Ken Lockwood, a freshman, and Dave Suidow, a J. V. man last year, are engaged in a terrific battle for the center position, and either one is sure to expend a generous supply of calories. Both men have shown up well in scrimmage.

Charlie Allen, a sophomore, Lunk Apsley and Allen Glaspey, both freshmen, are slated for guard berths. If inexperience means weakness, then the Delaware team is in terrible shape in this department.

## Hens In Shape For Ursinus Battle

### Eastern Beagle Club's Annual Field Trials Draw 125 Hounds

#### GRIZZLIES BOAST OF POWERFUL OUTFIT

##### Coach Clark's Charges Slated For One More Light Drill

**By Bill Fletcher**  
The University of Delaware resumes relationship with an old rival when it faces Ursinus on Patterson Field, Collegeville, Pa., Saturday in the Hens' opening tilt of the 1937 grid season. The two teams battled to a 0-0 stalemate in 1929.

Coach Loyal Clark has been sending his charges through light workouts all week in order to avoid injuries to his limited squad and the men are in top form for the fracas.

**Ursinus Looks Good**  
Greatly heartened by the showing made by his team, despite the 21-0 loss of the opener to Bucknell on Friday night, Head Coach Jack McAvoy has been putting the Bears through some heavy workouts in preparation for the tilt with the Hens. Finding it necessary to replace 9 lettermen lost by graduation, the Ursinus mentor turned to 17 candidates who were members of an undefeated freshman team last year for the answers.

Apparently he has found it, for the Grizzlies boast of a strong running attack that combines power, speed and deception, the best offensive since the powerhouse of 1931.

More than pleased with the showing of his reserves in the Bucknell shellacking, Coach McAvoy has two-deep all the way around for the first time in many years.

**Hen Backs Fast**  
Boasting of an unusual amount of speed and deception, Coach Clark's starting backfield will be composed of Captain Dick Roberts and Howard Viden at the wings; Lew Carey, quarterback and Ernie George, bucker. Able assistants will back up this quartet, with Tommy Ryan on hand to alternate with Carey at the signal-calling post; Eddie Graham and Fenton Carey as wing substitutes and Angelo Luciano, a freshman, promising understudy to George at the fullback position.

Averaging slightly heavier than last year, the Hens' forward wall will be composed of two seasoned veterans and a pair with limited varsity background while the rest will be inexperienced men or freshmen.

Choices to guard the flanks are Jack Daly and Earl Sheats, the former a graduate of Newark High School who saw action in several varsity games last year, the latter a Middletown High School product, who played junior varsity ball in 1936.

At the tackle posts will be Fritz Ware and Suede Drodzov, two thoroughly seasoned linemen who played in most of the games last season. Charlie Allen is the unanimous choice for one of the guard berths, while the other post will be handled by either Allen Glaspey, Salem High School, or Wilmer (Lunk) Apsley, Wilmington, both freshmen who have been making outstanding bids for a place on the opening lineup. Mike Isola, a newcomer, will undoubtedly be called into the battle.

**Fight For Center Post**  
Another recruit, Ken Lockwood, Prompton Lakes, N. J., has been battling it out with Dave Suidow, a junior varsity man last year, for the pivot post. Both will see action on Saturday.

Other linemen on reserve are: Charlie Ferrell, a recruit from Clayton, N. J., and Bruce Lindsay, tackle; Charlie (Sonny) Kenworthy, guard; and Larry Hodson and Jim Dickinson, ends.

Lacking power in their backfield, the Hens are expected to uncork a series of plays, especially designed to fit the shifty backfield, against the Bears.

Besides having the advantage of 12 lettermen returning, the Bears will sport a slight edge in weight over the Hens with a line averaging 177 pounds and the backs 168.

A number of Delaware fans are expected to attend the game which will get underway at 2:30 o'clock.

Big Ed (Jeff) Pfeffer was one of the few newcomers ever to win 20 or more tilts in his first big league campaign. Pfeffer made his debut with Brooklyn in 1914 and hung up 23 triumphs while dropping 12 frys.

#### Four Starters In Ursinus Fracas

Captain Dick Roberts

Earl Sheats

Fritz Ware

Charlie Allen

Toeing the Collegeville turf on Saturday when Delaware opens with the Ursinus Bears will be the four stalwarts pictured above. Roberts, top left, needs no introduction to Delaware grid fans who saw him covet and cut cupers in great style during the past three years. Sharing the upper section with the Blue Hen leader is Sheats, a junior varsity end last year who has developed fast enough to gain a starting berth for the opener.

One of the biggest men on the squad, Ware, lower left, played at a varsity tackle post during his freshman year, and still stands head and shoulders above rivals for his job. On the right is Allen, a freshman from Seaford last year, who despite his lack of experience, caught Coach Loyal Clark's eye in early drills. He's expected to hold down a guard berth in great style this year.

## HIGHLETS SURPRISE

### Strong Millville Team Tied By Local Gridders

A fighting team of Newark High School gridders upset the dope on Saturday when they came back in the third quarter to tie a powerful Millville combine, 6-6.

A pass, Drexel Harrington to Melv Brooks accounted for the tally. Millville, boasting of a stronger team than the one last year that played to a 0-0 tie with the locals, cut loose in the opening minutes of play with a triple lateral that caught the inexperienced Jackets flatfooted.

Piling up yardage throughout the entire struggle on an off-tackle attack, the Millers threatened on several occasions, but at the crucial moments, the Jackets' defense tightened.

On the Newarkers' starting lineup was: George Norris, quarterback; Steve Stevens, fullback; Harrington and Brooks, halfbacks; Bob Stewart and Bob Aiken, ends; Norv Robinson and John Grundy, tackles; Newt Sheaffer and Pete Morgan, guards; and Bill Hancock, center.

**Bellman Pleases Coach**  
Coach W. K. Gillespie was pleased with the work of Bill Bellman in the backfield and intimated that the fleet halfback may gain a starting berth for the University of Delaware Junior Varsity tilt, Friday. Harrington and Norris will exchange posts for the first home tilt.

Others used in the game were: Sam Kleink, end; Paul Robinson, Sam Heiser, Carrol Creighton and

## SEMIS TO BE PLAYED THIS WEEK

### Finalists In Memorial Event Looming

**By Tee Spoon**

Two pill-chasers joined H. F. Richards in the semifinal round of the E. B. Wright Memorial tournament at the Newark Club over the week-end.

One quarter final match remains to be played which will pit R. H. Morris against H. B. Fisher, J. A. Julian and Wayne C. Brewer provided the feature match of the contest when they finished all even at the end of the first 18 and were forced to repeat their match. Julian finally eked out a two-up-and-one-to-play win, despite a 2-stroke handicap.

B. F. Richards moved up to the semis by virtue of a 3 and 3 conquest over J. Harvey Dickey.

**Quarter Finals Played**  
Results of other quarter final matches were as follows: H. B. Williams defeated P. N. King 2 up; R. H. Morris defeated M. J. Fidance 4 and 3; H. B. Fisher defeated H. B. McCauley 6 and 4; W. C. Brewer defeated M. D. Darrell 6 and 4; Julian defeated L. A. Stearns 2 and 1; H. F. Richards defeated Wallace Williams 5 and 4; and Bob Stewart defeated William Bradford 4 and 2.

B. F. Richards will face the winner of the Fisher-Morris battle for the right to move into the finals, while H. F. Richards will yield four strokes in his important battle with Julian.

Golfers of the duPont Country Club avenged an earlier defeat by swamping the local divot diggers Saturday on the Wilmington course, 59-17.

### Length Of Human Life Increases, Survey Shows

Centenarians are more numerous. So say the report in the current Illinois Health Messenger, drawing conclusions from a study of mortality statistics in that state. One in each 2,000 persons who die in Illinois has reached the age of 100 or more. Also, the conclusion is that women are more likely to reach a ripe old age than men.

"To live for 80 years is now almost ordinary. More than one in each ten persons who die have survived their eightieth birthday. Living for at least 80 years grows constantly more frequent. Thus in 1910 only 6.9 per cent of all deaths in Illinois were among persons who had lived for more than 80 years, while in 1924 the proportion was 10.8 per cent."

## "BE YOURSELF" SECRET OF SUCCESS, SAYS WRITER OF TEN THOUSAND POEMS

PEOPLE marvel at the success attained by Edgar Albert Guest, forty years a newspaperman and loved by millions because of his refreshing and inspiring verses. In the first place, a newspaperman is not supposed to have the passion for the Home as an institution that has marked Eddie Guest's poetry for a generation; secondly, a newspaperman is not supposed to write poetry anyway.

America's favorite poet has never been able to reduce to a formula the factors responsible for his success. The closest he ever came to it was when he once said, "I just go along, being myself, writing verses for folks to read, and seeing that they get to as many people as possible."

"Being myself" is Eddie's idea of the way to live. Sincerity shines from every word he ever wrote. His love for the homely qualities of life, like honesty, affection, determination and devotion to family, are all an integral part of his own makeup.

He is passionately devoted to the newspaper for which he has worked during the past 40 years, and to his son, who now works for the same newspaper. Second only to his joy in writing verses is his joy in distributing them through the facilities of the press to "plain folks" all over the country. Though he once said that he was a writer and not a reader of poetry, he enjoys his radio program every Tuesday night over a great national broadcasting network because it enables him to carry his philosophy of life to more thousands who, he hopes, will profit from it.

All through the turbulent war era and the wild days prior to 1929, when the American home seemed fated to become a place where hats were hung and a base of supplies for entertainment forays, Eddie Guest kept on being himself, and gave himself to an unheeding public through his writing. Came the depression, and when the smoke had cleared away and the ruins of the gay days became clear, the old disheveled American decency was seen rising from the ashes. Its veritable and most powerful prophet was Edgar Guest. If a nation's existence depends upon its family life and the existence of the home, and most historians are agreed on that point, this country owes an incalculable debt to the former police reporter who is today America's first champion of the home.

## EXERCISES AT CHURCH

### "Rally Day" Observed By Institution

"Rally Day" exercises were held at the First Presbyterian Church of Newark with an attendance of over three hundred.

An interesting exhibition of memory work was given by members of the primary and junior departments. The Christmas story was told by Jane Smyth and Janet Murray related the Easter story. Frank McCarty reviewed Jane Smyth, Janet Murray, Mike Gillespie and Richard Evans in the catechism.

Prayers were recited by Caroline Simmons, Ruth Alice Cunningham, Marjorie Doherty and Lydia Smith and Margaret Nichols repeated the Beautitudes.

Superintendent A. B. Eastman announced the following new names added to the cradle roll: David Lewes Mackey, Thomas Raymond McMullen, Jr., Jacqueline Alice Barrett, Peter Warren Goodwin and Stephen Hurst Bishop. Those promoted from that department to the beginners were: John Lawrence Phillips, Phillis Baker, Stephanie L. Worriolow and Raymond Francis Long.

### Promotions Made

Those who advanced to the primary grade were: Jane and Joan Pickett, Thomas Sheaffer, Lorraine Robinson, Jay Steinoer, Margorie McMurray and Douglas Rankin. New members of the junior department are: Jane Smyth, Janet Murray, Frank McCarty, Richard Evans, Thomas Silk and Mike Gillespie by certificate and Royden Lovett and Frederick Leuschner by transfer.

Jane Smyth and Janet Murray were honor pupils, having completed all the required primary work besides part of next year's study. Those advanced to the intermediate grade were: Marjorie Doherty, Joseph Hearn, Billy Burnett, Billy Gray, Sophia McVey, Mary Lindell and Melissa Baker. Marjorie Baker was awarded a certificate for having completed all of the required memory work of the intermediate department.

The Rev. H. Everett Hallman presented the following pupils with Bibles as an award for one year's perfect attendance: Pearl Rose, Charlotte Rose Camilla Speicher, Lynn Preston, Mary Alice Hancock, Katherine Mitchell and Ann Hamilton. He made special mention of one teacher, Miss Sarah Potts, who also had perfect attendance for the past year.

The following pupils missed only one Sunday: Dorothy Rose, Dorothy Simmons, Jane Armstrong, Danny McVey, Billy and Danny Hamilton and Mrs. Charles Dryden.

Announcement was made that all members of the Sunday school, including teachers and adults, would be eligible for perfect attendance awards next year.

## Local Dealer To Attend Nash Preview

### J. H. Dennison Goes To Chicago For Showing Of Complete New Line

J. H. Dennison, president and manager of the Dennison Motor Company, Main and Haines Street, will board a special train Sunday at Philadelphia enroute to Chicago where Nash dealers from every section of the United States will attend a preview Monday of the first automobiles in history using conditioned air systems for winter driving.

Announcement was made this week when officials of the Nash Motors Division of Nash-Kelvinator Corporation, headed by Charles W. Nash, chairman of the board, completed plans for their annual distributor convention, which begins at Chicago Monday.

**Air System Secret**  
Officials of the company declined to reveal the workings of the new conditioned air system, which, they say, represents the first application of thermodynamics to the interior of an automobile.

The system, they claim, is based upon entirely new principles of car ventilation and heating and establishes an entirely new conception of motoring comfort.

With the new system, it was revealed, it is possible to drive a car in below-zero weather and yet maintain within the car an ever-changing supply of fresh, clean air at constant temperatures which are controllable by the driver.

A reversal of the present methods of car ventilation insures that there are no chilling drafts whatever to jeopardize the health and comfort of the occupants.

## Former Resident Of Iron Hill Visits Here

Mr. and Mrs. Stephen Walton, of Carmi, Ill., have been visiting friends at Iron Hill, Md., for the past two weeks. A former resident of Iron Hill, Mr. Walton moved West 48 years ago and since that time has become a successful business man. He is 77 years of age and made the trip East with his wife, a daughter of the late Dr. Whistler, who lived in Newark for several years.

A German husband was allowed to divorce his wife because she made insulting remarks about Hitler.

## Newark Boys Awarded Gold Medals By 4-H

### Melvin Dempsey And Joseph Cross Honored For Judging Ability

Awards of handsome gold medals have been approved for the county winning 4-H team in the national 4-H dairy demonstration contest, announced the committee in charge last week. The team members are Joseph Cross and Melvin Dempsey, both of Newark. The subject of their contest was "Production of Clean Milk on the Farm." They were coached by C. E. McCauley, boys club agent at large.

Silver medals are approved for the second placing team of Edgar and Thomas Jacquette, also of Newark. Their subject was "Judging Dairy Cattle."

### Sussex County Wins

The Sussex County winning team won the state contest and receives an all-expense trip provided by the Kraft-Phenix Cheese Corporation to compete in the finals at the National Dairy Show in Columbus, Ohio, October 9-16. The four top champion teams will divide \$2,300 in college scholarships.

The purpose of the contest, conducted in coordination with extension agents, is to focus attention of dairymen on producing methods which insure a profit, and yield a better, purer producer for the consumer.

### Analysis of Motives

"Don't you think our friend's belief that no one except himself can save the country denotes great patriotism?" "Not exactly," replied Senator Sorgum. "It's rather a case of egotism rushing to the rescue of pessimism."
