Dear Mr. Messersmith:

We have just bought through Carl H. Pforzheimer & Company, 25 Broad Street, 1,000 Mexlight commons at 8 1/4. This is 1/8 of a point lower than the shares were this morning and 3/8 lower than they were yesterday afternoon when you called. Pforzheimer are holding these shares pending instructions from you. The address given for the purchase of these shares was: George S. Messersmith, c/o James Heineman, 50 Broadway, but Pforzheimer are awaiting instructions from you as to what you wish done with them.

As soon as we buy some of the preferred at what we believe to be the most favorable price, we shall cable you about it.

I have not yet received the letter which you wrote on Monday but look forward to receiving it tomorrow.

With kind regards,

Sincerely yours,

JHH: pm
