Harmony Grange will hold its annual farm and home products show next Monday and Tuesday in the grange hall on Limestone Road.

All exhibits must be at the hall by Monday at 11 a.m. All crop exhibits must be grown on the land where the exhibitors live. The show is open to the public on both evenings.

Cash and merchandise prizes will be awarded Tuesday evening. Marvin Klair is chairman with Edward Wilson, Paul Nelson, and Wilson Pierson, committeemen. Mrs. Walter Marshall is assisting with the handicraft exhibit.

Waverly Club members had a conservation program last Wednesday afternoon with Mrs. Paul W. Mitchell in charge. Mrs. Mitchell discussed the conservation of water resources in the Delaware River Basin. Mrs. Steele Atwell talked

### Eggs Aid In Diet Without Fattening County Agent Says

"Should I eat eggs even if I'm on a diet?" you may ask.

And M. Katharine Jones, county home demonstration agent answers, "Yes, eggs are not fattening, they rate as moderate-calorie foods. Each egg contains about 70 to 75 calories and is rich in high-quality protein."

The protein in egg furnishes all the amino acids the body needs for growth and maintenance of tissue. It gives eggs their stick-to-the-ribs quality.

Leading the list of other nutrients found in eggs are vitamin A, B2 and iron. According to the latest figures established by the food and nutrition board, National Research Council, just one egg can supply women with about one-tenth of their daily need for these nutrients.

Eggs are also good sources of phosphorus and vitamin D.

### Dr. Francis Chase, Dean Visits University Campus

Dr. Francis Chase, dean of the graduate school of education at the University of Chicago, is a visiting scholar today on the University of Delaware campus.

In addition to meeting with faculty and students in private conferences and in the classrooms, Dean Chase was entertained at a luncheon today by members of Phi Kappa Delta and the executive council of DSNEA.

The historic Red Clay Valley, Inc., meeting this evening, will feature slides by John W. Gotwals, Jr., on coal and oil burning locomotives, and a talk by C. A. Weslager on "Letitia Manor."

Edward Holler, Jr., of 5709 Limestone Road, is stationed at Lackland Air Force Base, San Antonio, Tex., having enlisted for four years. He is entering the mechanical field of the Air Force. Holler graduated from Conrad High School last June.

The Altar Society of St. John's Catholic Church, Hockessin, will hold a Christmas bazaar on Nov. 19 from 10 a.m. to 5 p.m. in the church hall. Mrs. James Roache and Mrs. Edward A. Kachik are chairmen.

Proceeds will be applied to the new church building fund. Santa Claus will come to the bazaar via Hockessin Fire Company engine. Articles offered for sale will include gift candles, corsages, aprons, novelties, home-made foods and preserves, cakes, candy, children's articles, and religious items.

Mrs. Edward Ryan and Mrs. Norman Beattie will have charge of decorations.

Red Clay Creek Presbyterian Church Stewardship day will be observed this Sunday, and the every-member canvass will be held in the afternoon.

The board of deacons is sponsoring a campaign for new church hymnals. Arthur Eastman, Jr., Leo Kangas, and Albert Miller may be contacted for further information.

Red Clay again is collection center for good used clothing, and articles may be left here any day from 9:30 a.m. to 12:30 p.m. from now until Dec. 5. The drive is sponsored by the Council of Churches.

Lois, Dorcas, and Esther circles will hold covered dish luncheons at the church next Thursday at noon. Each member is requested to bring a box of talcum powder gift wrapped for Christmas. Esther circle members are also reminded to bring garments for a layette.

Martha Circle will meet at 1 p.m. that day at the home of Mrs. Lewis Clark on Lancaster Pike.

The Cemetery Corporation will hold two special meetings—next Monday, and on Nov. 21 at 7:30 p.m. to amend by-laws to allow trust fund money to be reinvested.

Margaret Ann, middle daughter of James and Jean Keith Derickson, was baptized last Sunday morning.

The Mill Creek Hundred Association of Churches unanimously opposed the plan to allow children under 15 years of age to bowl Sundays from 9 to noon for a cheaper rate, stating it was unfair to church schools.

Annual Union Thanksgiving services were planned for Nov. 23 at 8 p.m. in Cedars Methodist Church with ministers of the various churches participating.

Mrs. Leroy Haggerty of Marshallton sang and the Rev. George T. Jamieson, pastor at Red Clay Creek Church, led group singing.

Rachel Davis Du Bois of New York, will conduct group conference at the Hockessin Friends Meeting House on Nov. 10 and 20. She will be the weekend guest of Mrs. Bertha Marshall.

New officers of the Junior Monthly Meeting were announced last Sunday with Cathy McVaugh, clerk; Dennis Berry, assistant clerk; and Jane Hannum, treasurer.

Sixteen new members were honored at a reception and fellowship supper last Sunday evening at the meeting house. Mr. and Mrs. Lewis Palmer, Mrs. John H. Dennison, Mr. and Mrs. T. Clarence Marshall, Mr. and Mrs. Joseph Mitchell, Mr. and Mrs. Lewis Phipps, Mr. and Mrs. Wildon Harvey, Mrs. Sarah Hannum, and Elizabeth T. Mitchell, overseers, were hosts and hostesses.

### Palardy To Speak Tonight For Winterthur Lecture

Jean Palardy, painter, author, film director and producer, will be the third speaker in the University of Delaware's Winterthur lecture series, tonight at 8:15.

This week's program has been shifted from Wolf Hall auditorium to the new East Hall, formerly the Newark Armory.

Mr. Palardy's subject will be "Furniture of French Canada," a topic in keeping with the general theme of this year's series. Tickets may be purchased at the door.

Joseph Mitchell was named as the new member of the nominating committee.

Union Grange installed officers last Wednesday, with Bayard B. Taylor, state secretary and Mrs. Taylor, assisted by Mrs. Roberts Dempsey, Mrs. Dorothy Galloway, and Belle Chambers. Melvin Dempsey is the new master succeeding Burke Cleaver who became a member of the executive committee for three years.

Year pins were awarded to the Y's Owl 4-H Club members at the annual Parent Night meeting last Thursday at Red Clay Creek Presbyterian Church as follows: First Year—Danny Seymour, Linda Edwards, Andrew Lindell, Edmund Lincoln, Delores Dawson; second year—Paul Lindell, Becky Bachman, Faith Dawson; fourth year—David Lindell, F. Dawson, Nina Dawson, Sandra Seymour; fifth year, Mrs. Barbara Gregg Klair.

Roberta Lewis from Sanford Preparatory School, showed pictures of Europe which she took last summer. Andrew Lindell played his accordion and Danny Seymour, the piano.

The club's annual Christmas party will be held Dec. 1 at the home of Edmund Lincoln, Westover Hills. Ebenezer Methodist Church. The youth choir has chosen offi-

### CITY OF NEWARK Delaware COUNCIL

Public Hearing

November 22, 1960 - 8:00 P.M.

Pursuant to Section 17 of the City Charter and Chapter XXII, Section 10 of the city code of ordinances notice is hereby given of a public hearing at the regular meeting of the Council in the Council Chambers, Academy Building, Newark, Delaware, Tuesday, November 22, 1960 at 8:00 P.M. E.S.T. at which time the Council will consider for final passage a proposed ordinance amending Chapter XXII, Newark Code of Ordinances by changing the zoning map so as to rezone from "RD" to "B-1" property on New London Road known as "Wedgewood."

### New Scholarships Awarded At U.D. By Cancer Society

Two new scholarship awards have been made by the Delaware Division of the American Cancer Society to students majoring in biological sciences at the University of Delaware.

Recipients are Miriam L. Hagy, Haverstown, Pa., and Carol M. E. Wylie, Wilmington.

Scholarships for two upper class students also were renewed under sponsorship of the society, for Annette S. Adams, Collingswood, N. J., and Peter N. Gray, Wilmington.

Announcement of the grants was made jointly by Dr. Leslie W. Whitney, president of the Delaware division, and Donald P. Hardy, assistant dean of students at the university.

American Cancer Society scholarships are awarded to students who plan careers in medical technology, medicine, nursing, or some vocation involving work in the biological sciences.

Qualifications established by the Delaware division include a demonstrated interest and ability in the field, good scholarship standing, and financial need.

Preference is given Delaware residents.

Letters of recommendation were received from Nancy Whiteman, president; Peggy Lynch, vice-president; Arlene Lynch, secretary. Mrs. Kinsey Whiteman is director.

The Booster Circle will meet next Monday at 8 p.m. at the home of Mrs. Norman Dempsey, Corner Keetch.

Donations for a Thanksgiving basket are to be brought to the Helping Hands Circle meeting next Tuesday at 8 p.m. at the home of Mrs. Franklin Knotts, Kirkwood Highway. Alma Johnston will have devotions.

The Mite Circle will be entertained next Thursday evening by Mrs. Gray Lomax of Newark, assisted by Mrs. George Knotts and Mrs. Leonard Nelson. Alma Johnston has the program.

Mrs. Willard Robinson was hostess to the Amity Circle yesterday morning at the church parsonage. This group is reviewing the book "The Big Fisherman." Mrs. Joseph Brown led the discussion.

A joint birthday party was held recently at the home of Mr. and Mrs. Willard D. Ball on Limestone Road to celebrate the anniversaries of Mr. Ball and Harold Narvel.

Those present were Mrs. T. Wilton Porter, Mr. and Mrs. William H. Naudain, Mr. and Mrs. Calvin Ball, Mr. and Mrs. David Rambo, Mr. and Richard Porter, Mr. and Mrs. Harry Morrison, Carderta Morrison, and Albert Kessler, all of Woodstown, N. J.; Sandra Naudain, and Charles Meredith.

### Delaware Food Market Report

By Anne Holberton  
U. of D. Agricultural Extension Service

Three native American vegetables—winter squash, pumpkin and sweet potatoes—are in season and you will find them on the vegetable counter in every store. These three are symbolic of the harvest season, not only because of their native origin, but also because of their high coloring which blends so well with autumn.

Although pumpkin is used less than in years past, pumpkin pie remains a favorite as well as a uniquely American dessert. All three vegetables are very reasonable—to check cost per serving, count on two servings per pound for squash and pumpkin and three servings per pound for sweet potatoes. Allow about one pound of fresh squash or pumpkin for every cup of cooked or mashed vegetable.

There is a good supply of other fall vegetables on hand and prices are down a bit this week. White turnips are excellent in quality and price are averaging three cents cheaper per pound.

Cauliflower remains a good buy and is selling at an average of 34 cents a head—some stores are featuring this vegetable at prices much lower than the average price.

Yellow turnips are selling for

eight cents a pound, parsnips 20 cents a pound, brussels sprouts 19 cents, broccoli 29 cents a bunch and egg-plant about 15 cents a pound. There is a good supply of fresh greens available this week also.

Florida oranges are beginning to make news as quality and size greatly improve and the price begins to slide downward. Despite substantial losses from Hurricane Donna, the Florida early and mid-season crop of 50.5 million boxes is 3 per cent above the 1959-60 crop and 9 per cent above the average.

Grapefruit is also down in price, averaging 10 cents apiece. Bananas are definitely more reasonable during weekend sales. Winter pears are in good supply now and prices are

lower on this fruit. Also check for prior grapes again this week.

Beef prices are fluctuating with up-and-down changes in lamb. Best buys this week are of beef and a few pot roasts, corn ham and picnic shoulders, corn sausage and smoked ham.

Eggs are down a few cents this week with Grade-A medium size eggs being the best buy. The large size egg is up in price and is being sold as high as 74 cents a dozen. Butter is also up one to two cents a pound.

Beef prices are fluctuating with up-and-down changes in lamb. Best buys this week are of beef and a few pot roasts, corn ham and picnic shoulders, corn sausage and smoked ham.

## Shopping News from Peggy Cronin's

Recently we've heard our customer friends say "Oh, I didn't know you had that!" or "I wish I had known you had so and so!" That's why this column. To let our friends—who are so busy wearing themselves out looking here and there—know that right here at home on Main Street, Newark, you can find almost everything. So from now on, this chit-chat column will tell you in the most informal memo-ish way, what's new and exciting at Peggy Cronin's Fashionary.

This week, we're thrilled with our new KNOT FASHIONS—Yes, a whole rack of them (and boxes piled all around, too) of cotton knits from Koret of California and junior A&R's—and wool knits from the famous Wagadon and Catalina! Be smart—try a knit dress (or skirt or slacks) and, lest we forget, ask for our Nylon Taffeta slips or petticoats with matching ties! Try 'em on and tell us what you think. NOTE: Not pictured here, but if you haven't tried our Glydon Long-Leg panty girdle at \$6.50, you've missed something. Made in California, it's a gal's answer to a slim thigh-look under a fashionable knit dress, or a slim, slim slacks. Usually our customers buy two!

Next week look for more exciting Peggy Cronin Shopping News—and plan to spend a day or half day just browsing around the shop! We're on MAIN STREET near the College & across from the new handsome Wilmington Savings Bank. . . . And on North Street in Elkton.

**the Great Books speak to Today...**  
Parenthood  
Do we desire to be beloved of our children? Let us reasonably accommodate their lives with what is in our power. In order to do this, we should not marry so young that our age shall in a manner be confounded with theirs.  
—MICHEL DE MONTAIGNE (1533-1592)  
French essayist

It is noteworthy that on the whole children love their parents less than their parents love them. The reason for this is that they are gradually increasing in strength, and are learning to stand on their own feet, and so are leaving their parents behind them. The parents, on the other hand, possess in their children the objective embodiment of their union.  
—GEORGE HEZEL (1770-1831)  
German philosopher

Agasilus was very fond of his children. It is reported that once toying with them he got astride upon a reed as upon a horse, and rode about the room. Being seen by one of his friends, he desired him not to speak of it till he had children of his own.  
—PLUTARCH (467-120 A.D.)  
Greek biographer

- 2. PETITION  
A. Petition from William H. Porter, Inc. for rezoning from "RS" Residential to "Business C" their property on Capitol Trail consisting of 1.24 acres.  
B. Petition from Dr. David A. George, 32 Hillcroft Road for rezoning from "RS" Residential to "RD" Residential his property on Capitol Trail opposite to Dillwyn Road.  
C. Hance property on New London Road. Petition amended to request rezoning from "RS

## Nelson's Fightin' Blue Hens Stop Owls For 3d Unbeaten Week; To Meet Rutgers

A fast-improving but injury-plagued Delaware football team tangled with Rutgers of the major college ranks this Saturday at 1:30 p.m. in Delaware Stadium, with some 1,200 parents of new students as guests on the campus.

Coach Dave Nelson's Fightin' Blue Hens whipped Temple 26-12 last weekend for the Hens second straight victory and third unbeaten weekend after playing Marshall to a tie in halting a four-game losing streak.

At rain-soaked Temple Stadium last Saturday, Delaware turned in their season's top scoring effort. Outstanding defensive work forced breaks for a change for Delaware, which the Blue Hen ground offensive turned into touchdowns.

A Temple punt blocked by sophomore Tom Skidmore and pounced on by senior Tackle Joe Jerkovich, at the Owl 40-yard line early in the first period, set up Delaware's first touchdown.

Junior Quarterback Gary Hebert, engineered the Hens to the 31, then handed off to sophomore Fullback Dick Gemp, who plowed his way through the middle of the line and the rest of the way for the touchdown. A Hebert pass for the conversion was broken up.

Ron McCoy, sophomore halfback from Smyrna, the Hens' kick-off specialist, fooled Owl defenses with an on-sides kick, which Skidmore fell upon the Temple 41 to set up the Hens' second scoring drive. McCoy carried most of the time as in eight plays Delaware drove to the three, then slipped through the middle for the score at 9:08 of the first quarter.

Junior Quarterback Barry Fetterman, recovered a Temple fumble earlier, and then stole the ball from

the Owl quarterback as he was about to pass in the third quarter. A promising drive failed, and the Hens had to wait a few moments until Karl Lorenz recovered a fumble at the Delaware 43.

In typical "grind-em-out" Delaware fashion, the Hens moved the ball in 12 plays to the Temple 13, including a couple of fourth down gambles. Lorenz, who sparked the drive, broke through to the one-ft. line, then Hebert sneaked across for the third touchdown at 13:34 of the third period.

Fetterman intercepted a Temple pass at the Owl 41 and ran it back to the six early in the fourth quarter. Lorenz cracked through the middle two plays later for the final Hen tally. Hebert ran for the conversion.

George I. "Bus" Townsend, reading in the Newark Post of Brandy Davis' recent capture of a three-pound large mouthed black bass at Lum's Pond, decided that perhaps it wasn't too cold and late in the season after all—whisked the dust off his spinning tackle, four-pound monofilament and a jitterbug—and caught a Townsend record bass last Sunday from a little pond near Rising Sun.

Unwrapping the paper from a package with the left and dimensions of a huge ham, "Bus" Townsend displayed an immense green-gold bass with a mouth like an open nail keg—a big nail keg, too.

"We've seen some big bass, but any bass approaching the five-pound mark proves personally baffling as to estimated weight. And this monster threw us way off.

"Twelve pounds!" Mr. Townsend's audience asked, and meant it. "No-o-o," the fisherman replied, and waving his hand, "Seven and a half pounds." Bus said, "Carl Linden weighed it."

The Big Daddy of local bassdom exploded under a surface plug on Bus Townsend's third cast of the day, busting clear of the water in its initial, blasting surge, and unlike most heavy bass, this one took to the air often in a jumping contest with the Townsend heart.

For a very long 30-minutes, Bus battled the big bass on the four-pound bit of spider web, gossamer monofilament line, and the mighty fish had the best of it until the last—fighter through and through.

"What a fish!" we breathed in awe. And Mr. Townsend concurred, wholeheartedly after some first-hand experience.

Paint Pot Proprietor John Jackson returned from the Acadia Camps on Maine's Eagle Lake last week with his four companions and three deer—one of the deer being a seven-point buck that dressed out at an impressive 190-lbs. after the bounding bucklet fell before the Jackson 30-06 automatic.

Black Bear And the quintet of sportsmen left a 400-lb. black bear in the care of their French guide, Fernan Seymour.

"There wasn't any room on the car for the bear," Mr. Jackson explained.

The bruin was bagged by Bill Carrico of the Stine Lab near New-

## Green, Raymond Babe Ruth League Banquet Speakers

Awards To Be Presented Next Thursday At Third Annual Newark Banquet

Dallas Green, major league pitcher with the Phillies and former Conrad High School and University of Delaware star, and Harold "Tubby" Raymond, former professional baseball player and now Blue Hen baseball and baseball coach, will be the principal speakers at the third annual Newark Babe Ruth League banquet next Thursday at Harmony Grange Hall, Limestone Road, at 6:30 p.m.

The Rev. Herbert J. Hoefling, pastor of the St. Andrew's United Presbyterian Church, Brookside, will pronounce the invocation.

Certificates of Award will be presented to all sponsors, managers, and coaches, with Certificates of Achievement for all players; trophies for the batting champion and pennant-winning team; and pins for all boys on the all-star team.

Continental - Diamond won the Newark Babe Ruth League pennant with a 10-5 record; the Bank of Delaware and VFW tied for second with logs of 9-6; Curtis Paper was fourth with 7-8; the Optimists, 6-9; and Newark Lumber, 4-11.

Matt Crary of the Optimists won the batting title with a 490 average, the highest in three years. Lloyd Wells was the batting champ with .487 in 1958, and Joe Brothers batted .488 to win the crown in 1959.

Other guests will include Dr. Fred Kutz, Newark High School Principal; Stanley Francis, Newark Recreation Ass'n director; Brandon Davis, former major league outfielder and now playing manager for the Dodgers' farm team at Orlando, Fla.; Forrest "Babe" Ridings, regional director for the Babe Ruth League; and Robert Beattie, newly-appointed state director and former local team manager.

"The past year has been a most prosperous one for the Newark Babe Ruth League," Ken Fell said yesterday. "The Ladies Auxiliary was organized with Mrs. Bayard Baylis, president, and the ladies took care of all concessions, besides raising money to support the league in many other ways. A portable concession stand was built," Ken Fell continued, "a refrigerator was donated for the stand by George Hoefling of Newark Electric, and flooring was provided by Saul Savitch of Eagle Furniture."

Officers for the year 1960-61 have been announced with William White, president; Robert K'burg, vice-president; John Quinlan, treasurer; and Joseph "Bonny" Horgan, secretary.

ark, and Carrico stopped his quarry with a .35 caliber pump gun. "A paradise," John Jackson related, referring to the Eagle Lake sector of Maine near the Canadian border. "We saw moose, plenty of squirrels and grouse; shot two foxes—unprotected in Maine—and the lake is full of fish—landlocked salmon and trout," he said. "But not a snowshoe rabbit—in the woods, that is—did we see."

## Star Kicker Pape Lukk Lost To Hens For Season

Delaware's Dave Nelson received more bad news this week when it was revealed that Pape Lukk, senior letter-winner from College Point, N. Y., and a top center linebacker and punter, re-injured his knee Saturday and will be out the rest of the season. The permanently disabled list now includes six regulars.

The injury to Lukk last Saturday brought another sophomore into focus—Fred Rullo, sophomore quarterback from Glenolden, Pa., who handled the punting chores after Lukk left the field, and kicked twice for a total 84 yards.

Nelson hasn't decided who will handle the linebacking duties. Lukk had been a topnotch performer, accounting for up to 12 tackles a game.

## Duncan Freshmen Win 4th Straight, Face Owls Friday

Seottly Duncan's Delaware freshman football team shoots for a perfect season when the Chicks close their campaign at Temple on Friday.

The Blue Chicks took a 12-0 halftime lead and previously unbeaten Rutgers, 12-6, last Saturday morning at New Brunswick.

The triumph was the fourth straight for Delaware. Quarterback Fran McCullion plunged over from one yard out in the first quarter for the initial score.

A blocked punt at the Delaware eight in the third period set up Rutgers' touchdown.

## Ron McCoy Leads Hens' Halfbacks In Rushing Total

Ron McCoy, sophomore from Smyrna, leads Delaware halfbacks this week in rushing after a 56-yard performance on Saturday as the Blue Hens beat Temple, 26-12.

McCoy, who has runs in rushing through most of the campaign, took over the lead from Tommy Michaels, who is injured for the rest of the season. McCoy has collected 313 yards in 90 carries for an average of 3.5 yards a carry.

Gary Hebert, Hens' passing leader from Needham, Mass., regained his total offense lead and McCoy moved up into second place. Hebert has 333 yards running and passing for 3.3 yards a play.

Barry Fetterman, junior quarterback from East Greenville, Pa., intercepted a Tommie pass last week and ran it back 35 yards to set up the Hens' fourth touchdown, and to take the lead this week in interceptions with four for 103 yards.

Dick Gemp, sophomore fullback from Bergenfield, N. J., tightened his hold on fourth place in rushing with a pace-setting 57 yards against the Owls. Gemp, with 143 yards in 35 carries, is within 30 yards of junior Ken Schroeck's third place total.

son's last trip to the north country when the mechanism of his rifle froze in the bitter cold at a critical moment with a deer in his sights, the temperature last week hovered in the 50's—above zero.

Big Carp at Lum's "Those carp are like ocean fish," Hardy Herman Klahr said enthusiastically of the Lum's Pond tackle busters. "They go and go—zip!"

Alone upon occasion, and with Mike Beldyk, Marty Inden, and Rocky Rockwell, Mr. Klahr has had some interesting sport with the copper-clad carp in the big pond near Kirkwood throughout the summer and fall.

Herman Klahr's recipe for carp bait consists of one cup of white cornmeal, one-half cup of flour, and one-quarter cup of sugar mixed dry in a bowl. Add water until the mixture becomes a heavy dough, and dividing the dough into two cloth containers, drop into boiling water and boil for 20 minutes.

Herman's heaviest fish has been an 18-pounder—a lot of fish, carp notwithstanding, on light spinning or any tackle!

Delaware's shotgun season for deer opens tomorrow for two days, and both bucks and does are legal game for those who have not already killed a Delaware deer during the month-long bow and arrow season last October. One deer per season is permitted. And luckily, Delaware hasn't had a fatality among its deer hunters in spite of intense pressure, spreading Suburbia, and lack of elbow room.

The upland game season for rabbit, cock pheasants, and quail opens in Delaware on Nov. 18. And all persons over 15 are required to have a hunting license.

## Yellowjackets Win First, Last Game Of Soccer Season

Coach Bill Kent's Newark Yellowjacket soccer squad closed its fledgling season last Monday with a 3-2 victory—the first of the year—over Brandywine's booters in a Newark home stand.

Bill McCarns scored one, and Pete Joss, three goals for the Yellowjackets in their victory over the Brandywiners after an earlier 4-3 loss.

Last Thursday, Co-Captain Pete Joss scored the lone goal for Newark as the Kent combine dropped a 6-1 decision in a return go with Coach Gene Watson's University of Delaware freshmen on the high school field.

"The boys did very well," Coach Bill Kent said in summarizing the first Newark soccer season in many years. "They showed lots of growth, and I hope the sport grows as well," he concluded.

## Delaware Bowbenders Win In Flint Round Archery

The Delaware Bowbenders defeated the New Castle Archery, Rod and Gun Club in a flint round archery tournament at the Petersburg conservation area on Saturday, as part of Sportsmen's Field Day, sponsored by the Delaware Game and Fish Commission.

Pete Goffinet of the winning club, was individual winner with an overall score of 232 out of a possible 280. Jim Wheaton, an individual entrant from Seaford, was second with 212, while Duke Tyler of the Bowbenders was third with 199.

## Clippers, Humming Birds Win Little League Toss

The Stanton Clippers won their second game in three starts in Capitol Trail Little League Football last Sunday, defeating the Green Ghosts, 13-7, on the Red Mill field.

The Clippers Juniors kept in stride with the parent team, besting the Junior Ghosts, 7-0.

The Humming Birds went out of the league to defeat St. John the Beloved of the CYO Parochial League, 14-0, while the Junior Humming Birds scored a 13-0 victory over the St. Thomas Juniors.

## NRA Boy Bowlers In Three-Way Tie

The Newark Recreation Association Junior Bowling Leagues compete each Saturday morning at the new Blue Hen Lanes in the Newark Shopping Center, and a three-way tie for top honors prevails in the boys league as a result of last Saturday's action.

The Friendly Five, Die Vikings and the Swirgs all came through with victories as each retained 8-4 records.

The Flying Dragons led by Gerry Jackson were edged out of the league lead which they had held since the opening.

The Swirgs again were led by Mike Sobolewski who posted a three game series of 410.

Leaders in last week's play in the boys league include Marty Logan with a 171 nosing out Gerry Jackson who had the high single 170; Logan also rolled the three game high 458, and Jim Pandl was second with a 437.

In girls play the Fireballs took over first place with a 10-2 record and the Untouchables slipped to second with 9-3.

Nancy Sobolewski of the Fireballs holds league honors with a single 145 and a 377 series.

The second place Untouchables were paced by Barbara Squier who had a high single 136 and a three-game 355.

## GREEN GHOST HOSTS

The Green Ghosts of the Capitol Trail Little League Football Club will play host to the Dixon Drivers of Paulsboro, N. J., this Saturday at 1 p.m. on the Red Mill Field near Newark. The public is invited to attend and admission is free.

## Navy All-American Babe Brown Cites Football Training Game "Terrific Asset" To U.S., Hall Of Famer Tells Touchdown Club

"Football is a terrific asset to this country," Admiral John "Babe" Brown said as Navy's All-American guard and tackle and a member of Football's Hall of Fame addressed the luncheon meeting of the Newark Touchdown Club in Brookside last Monday at the Colony Inn.

"Someone has to lead the show," the Admiral said, "and the football field is a wonderful place to develop leadership."

As commander of submarine warfare in the South Pacific during World War II, Navy's All-Time All-American reported that 50 per cent of his submarine commanders were ex-football players.

Speaking of his playing days with the Navy during the second decade of the 20th century, "The Babe" explained that kicking was a feature of the game, and that the strategy was to give the opponent the ball and "wait for him to make an error."

The Admiral said that the coach had no control over his quarterback "and didn't try to exercise any—except possibly at halftime" and pointed out that the Navy had but six plays—and two of these were kicks.

Admiral Brown said that the one big difference in football today was in "administration—many people are getting a living from it. And I find no fault with that," he said.

In his days at the Naval Academy, there was no charge for any except the Army-Navy game which was played for the benefit of the Army and Navy Relief Fund.

The Navy team was sponsored by coaching talent from Yale from 1910 to 1914; the Admiral related, and Harvard took over from the Yales in 1915-16-17, with the head coach receiving from \$1,000 to \$1,200 annually, and the other members of the coaching staff serving as unpaid volunteers.

"Football," Admiral Babe Brown said, "teaches a man to think under pressure, to take punishment, to come back for more, and to become a leader."

**Halfback Lloyd Wells Scores Three As Hoffman's Yellowjackets Wallow**

With Halfback Lloyd Wells scoring three touchdowns on sprints of 70, 66, and five yards—Halfback Pearl Hubbard checking in with the long distance scoring scamper of the evening in a 75-yard off tackle payoff—and Halfback Charlie Wood accounting for two more touchdowns rambles—Coach Bob Hoffman's Newark Yellowjackets romped over Wilmington High's Red Devils at Bayard Stadium last Friday night, 50-6, to give Newark a 5-1 first place spot in the Blue Hen Conference.

Hoffman called on 52 members of his Yellowjacket squad for action against Wilmington High—the entire squad that was suited up for the engagement.

Co-Captain and Quarterback Guy Cage passed to End Ronnie Pyle for a 27-yard touchdown, and fired another touchdown pass to Charlie Word for a 45-yard scoring thrust, with Word scoring his second touchdown of the evening on a seven yard run.

Fullback Frank Subach accounted for the eighth Newark touchdown with a one-yard, goal line smash through the Red Devil defenders.

Co-Captain Art Carney at guard had difficulty finding the range with his educated toe in trying for extra points at the crossbar, but managed to kick one conversion. And the Yellowjackets didn't need the in-

### Christiana Calling

Sylvia P. Jones, Correspondent  
Phone: EA 8-7413

Open house for parents was held during school hours Monday, with home room mothers furnishing baby sitting service for preschool youngsters while mothers visited classrooms.

Open classrooms were also a feature of Wednesday evening's PTA meeting, with discussion of the coming bond referendum for a junior-senior high school, led by school board member Frank T. Dianich.

Mrs. Rebecca Rannels reported on the school lunch program.

Friday is the last "Bundle Day" for contributions of good used clothing for the Children's Federation. Parents are urged to send their donations to school, where some will be selected for local use and the remainder collected for use in other parts of this country and abroad.

Following a recent meeting of the official board of the Salem Methodist Church, it has been announced that stained glass windows will be installed in the church. A window committee, of Alberta Johnson, Mrs. Beatrice Jones, A. W. Howell, and the Rev. Arley B. Golden, will report at the church on Nov. 15.

A Christian workers' school will be held for the Christiana-Salem Methodist Charge at the Christiana church on Nov. 13 and 20 from 2 to 5 p.m. There will be a class for each division of the church school, and all workers are invited to attend.

Used clothing for the current overseas clothing drive may be left at either the Salem or Christiana church until Dec. 5.

Rachel Morrison will lead a Bible study discussion at this evening's meeting of the United Presbyterian Women in the Hall Memorial Building. Mrs. John Holsten and Mrs. Edward Singleton will be hostesses.

Mrs. Ida Tomlin is ill at her home on North Old Baltimore Pike. Mrs. John Currinder has recuperated from recent surgery at the Memorial Hospital, Wilmington.

**CARL SHUSTER HONORED**  
Dr. Carl N. Shuster, University of Delaware marine biologist, has been appointed a member of the new conservation citation committee for the Delaware Federation of Sportsmen and Conservation Clubs.

**By Bob Bartos**  
Manager, Friskies Research Kennels  
By rescuing Little Richard, a coonhound, from five days of imprisonment in a rocky crevice, the town of Owasso, Oklahoma, recently was the proud recipient of the Friskies Fidelity Award. This coveted award is presented by Friskies Research Kennels to humans for valourous deeds in behalf of their four-footed friends.

In the case of Little Richard, it was impossible to single out any one individual for the honor. Immediately townsfolk learned of the dog's plight . . . how he had become trapped while chasing a coon and how his owner was trying to extricate his pet single-handed with nothing more than a pick . . . they rallied 'round.

For five long days and nights, dog lovers from Owasso as well as nearby Tulsa toiled to free the coonhound.

It was a grim battle against time, for Little Richard grew weaker and weaker from lack of food and water. Finally, at the end of the fifth day when hope had dimmed, a carefully laid dynamite charge loosened the surrounding rock. Little Richard was free.

Carried out of the crevice by his master to a waiting ambulance, he was rushed to a nearby veterinarian. After thoroughly examining the dog, the vet predicted Little Richard would be back chasing coons after a good night's rest and plenty of nourishing food.

As a permanent memorial to its devotion to dogs, Friskies presented the dog with a granite plaque. The inscription reads: "Friskies Fidelity Award to the People of Owasso for Their Heroic Act in Saving the Life of Little Richard, April 30, 1959."

### K'Burgs To Direct Dance For Teen-Agers At NCC

The first of a series of five scheduled teen-age dances at the Newark Country Club will be held in the ballroom for junior high members and their guests on Friday, Nov. 18, from 7:30 to 10:30 p.m.

Mr. and Mrs. Tom K'Burg will direct the dance with George McBride, professional disc jockey, providing music.

Mr. and Mrs. Stephen Macuga will serve as chaperone chairmen assisted by Mr. and Mrs. Grover Surratt, Mr. and Mrs. H. Griffith Jones, and Mr. and Mrs. William Hilton.

**CARL REES REELECTED**  
Dr. Carl J. Rees, University of Delaware provost, was reelected president of the Delaware Society for Crippled Children and Adults at the annual meeting in the Hotel DuPont last week.

### Drama Conference Scheduled Friday For Local Campus

The 21st annual Delaware Dramatic Conference—one of the oldest in the country—will be held tomorrow at the University of Delaware.

Theatre's influence on radio, television and motion pictures will be the subject of the principal address, by Dr. Delwyn Dusenbury of Temple University.

Also featured on the program will be a lecture-demonstration on "Performing Comedy" by Dr. C. R. Kase, chairman of the department

### Turkey Shoot At Louviers Scheduled This Sunday

The DuPont Fish and Game Association will hold a turkey shoot this Sunday from 1 p.m. to darkness at the Louviers trap and skeet range, Milford crossroads.

Trap, skeet, and "luck" targets will be featured and members and guests are welcome. Warren H. Lauer announced today.

Invitations have been sent to 100 school and college theatres in Delaware and neighboring states, and 400 delegates are expected.

### Junior-Senior High PTA Plans Open House Events

The Newark Junior-Senior High School PTA is planning two open house meetings for November.

The first—tonight—will be at the high school for parents of senior high students.

The second, on Nov. 16 will be at Central Junior High School for parents of the students there. Both meetings are at 8 p.m.

### CITY OF NEWARK BOARD OF ADJUSTMENT Public Hearing

November 15, 1960 — 7:00 P.M.  
The Board of Adjustment will hold a public hearing in the Council Chambers, Academy Building Newark, Delaware on Tuesday, November 15, 1960 at 7:00 P.M. E.S.T. to hear the appeal of Mr. Charles A. Bailey who has been refused a Building Permit on a revised plan for a house on a lot on Mann Avenue that does not completely conform to the area regulations of "RS" Residential Zoning.

Charles D. Long  
Secretary of the Council of the City of Newark

**Dr. George Spache Of Florida Speaks At Reading Clinic**

**Speaker Scores Schools' Failure To Inform Parents Of New Teaching Methods**

Dr. George Spache, head of the Reading Laboratory and Clinic at the University of Florida, was the principal speaker for the 11th Annual Reading Conference for parents last Saturday sponsored by the university's reading-study center.

"Parents' questions about 'new-fangled' methods, about phonics, reading readiness, and remedial reading arise from ignorance of the facts and theories known but not disseminated by teachers and administrators," Dr. Spache said.

"Parents demand that schools teach phonics, when this is already an integral part of the reading program. Parents show such misconceptions of the nature of reading as their requests that the schools teach the ABC's or letter sounds before actual reading, that oral reading should be stressed more, or that reading should revert in other ways to procedures nostalgically familiar to parents," Spache said.

"Apparently the more a reading specialist believes in phonics, the more rigid and irrational on this subject he becomes," Dr. Spache declared. "First of all, let me point out and prove, that there is no such group of accepted beliefs as a phonetic method. There is no agreement among writers of phonics textbooks and workbooks, and even the leading reading experts of our day disagree on what to teach, how to teach, or how not to teach phonics."

Dr. James M. Rosbrow, president of the Delaware Congress of Parents and Teachers, served as chairman for the opening session and Dean William O. Penrose brought greetings from the university.

Participants in sectional discussion meetings included Mrs. Edmund J. Cain, Central Elementary PTA president.

**Arts And Crafts Classes Offered By Doris Francis**

Featuring gem stone jewelry and other projects in keeping with the Yuletide spirit, the Newark Recreation Association again will offer instruction in Christmas arts and crafts classes beginning today. Two classes will be held on Tuesdays and Thursdays from 9:30 until noon and from 8 to 10:30 p.m. at the NRA office.

In addition to gem stone jewelry

**National Teacher Testing Scheduled For U. D., Feb. 11**

The University of Delaware has been designated as a testing center for the 1961 nationwide administration of the National Teacher Examination in February, James E. Robinson, director of residence, announced today.

College seniors preparing to teach, and teachers applying for positions in school systems which encourage or require applicants to submit scores on the National Teacher Examinations along with their other credentials, are eligible to take the tests.

Designation of the University of Delaware as a testing center for these examinations gives prospective teachers in this area an opportunity to compare their performance on the examination with 10,000 candidates throughout the country which will be participating in the nationwide program on Feb. 11, Robinson said.

At the one-day testing session a candidate may take the common examinations, which include tests in professional information, general culture, English expression, and nonverbal reasoning. In addition, each candidate may take one or two of the 13 optional examinations designed to demonstrate mastery of subject matter.

Applications for the examinations, and bulletins describing registration procedures and containing representative test questions may be obtained from Mr. Robinson, Brown Residence Hall.

**Electricity Course Initiated At NHS With 80 Students**

Newark High School's industrial arts department is offering a course in electricity for the first time, with four classes and 80 students.

In effort to make the course as practical as possible — "something these boys can really use in everyday experiences and situations" — instructor Frank Higgins had his charges build an enlarged section of "wall" with boxes, duplex receptacles, toggle switches, and a main switchbox.

After steering them through units on basic electricity; magnetism, induction and transformers; thermocouples, switches and relays, electric motors and controllers, he plans to turn them loose in planning a house circuit.

The test of their planning, though, will come when they go to the "wall" and wire it according to their plans.

One outgrowth of the interest already generated by the new course in electricity has been the Radio and Electronics Club. This club is divided into three groups — one of which plans to further its knowledge in electricity and elementary electronics; a second is going to do radio and TV work, and the third plans to obtain a novice license for ham radio.

More than half the difficulties of the world would be allayed or removed by the exhibition of good temper. —Arthur Helps

with the mounting of polished field and stream stones for necklaces and other articles, class members will make honeycomb candles, stick planters, copper foil craft, mosaic tilework and a variety of items molded to traditional shapes and decorated with individual tastes with spangles and stars. Other projects will be undertaken if enough interest warrants.

Mrs. Doris Francis, instructor, has announced that classes for 10 sessions still have openings.

Registration may be made at the NRA office, 315 Delaware Circle or by mail to Newark P.O. Box 231.

**Christmas Seals To Be Distributed In Anti-TB Fight**

**105,000 State Families To Receive Yule Seals In Mails Next Monday**

Some 105 Delaware families will receive their first Christmas greetings of the season next Monday with sheets of the 1960 anti-tuberculosis Christmas Seals distributed for the 54th year by the Delaware Tuberculosis and Health Society.

Dr. Gerald A. Beatty, president of the society, said that the 1960 Christmas Seal campaign coincides with the beginning of a new era in tuberculosis control.

"Findings of the recent Arden House Conference have provided us with the information needed to begin a program which will work toward the eradication of tuberculosis," he said. "In addition, we are stepping up our work in the general field of respiratory diseases, an effort that will be of significant importance to Delawareans."

Dr. Beatty said that the letter which will accompany the Christmas Seals this year points up the need for additional emphasis in the fight against TB.

"So far this year authorities have uncovered more cases of tuberculosis than in the corresponding period of 1959," Dr. Beatty said. "In 1959 there were 162 new cases diagnosed; 21 Delawareans died from tuberculosis last year; 572 of our residents were receiving treatment for this disease."

The Christmas Seal as a means of raising funds for tuberculosis control was introduced to this country here in Delaware in 1907.

Emily P. Bissell, Wilmington civic leader, designed the 1967 seal and placed it on sale in the Wilmington Post Office.

**GREAT NEW Trouble-free Ramblers FOR '61**

**Year after year, surveys of owners of all make cars show Ramblers are most trouble-free . . . proved over 11 years, 35 billion miles. That's why owners are Rambler's best salesmen.**

- Beautifully New — Tried and True • See the First Cushioned Acoustical Ceiling of molded fiber glass that cuts road noise 30%
- First Die-Cast Aluminum 6 engine block • Top Resale Value consistently proved by Official Used Car Guides.

**STRONGEST GUARANTEE IN AUTO HISTORY**

1. On all new Ramblers, the former standard warranty of 90 days for 4,000 miles is extended to 12 months or 12,000 miles, whichever occurs first. This warranty does not cover tire and battery replacement covered by other warranties, nor normal maintenance.
2. New Ceramic Armored Muffler and Tailpipe are further guaranteed against defect for the life of the car as long as the original buyer owns it.

**Top Quality at America's Lowest Price \$1845**

**Rambler Classic 6 or V-8 . . . The all-purpose compact. Only car with the Best of Both: Big car room and performance; compact economy and handling. The smart new car that is obsolescing the old "low-price field" with advantages none can match—yet priced as much as hundreds of dollars less. Before you buy any "low-price" car, compare the 1961 Rambler Classic.**

**...THREE RAMBLER SIZES TO MEET EVERY PURPOSE—AND HELP EVERY PURSE . . .**
