Dear Mr. Messersmith:

Through my friend N. H. L.
Leiper I received the attached papers
which might be of interest to you.
I understand that N. Leiper is ren-
ding a copy of the statement to Mr.
Layne. Mr. X was in Geneva around
March 23rd and the last cable from
London communicated to you last
Saturday from Philadelphia by Mr. Young
referred to the 'offer to the King of Italy'.

Other reports say that the German
people are deeply divided and that
a complete severance of economic
relations would accelerate the progress
of reasonable forces in Germany.

Very respectfully yours,
J. P. Moring.
