Mayor, Four City Councilmen To Be Elected On Tuesday, April 13

Johnson Opposed By Skripps In 2-Way Mayoralty Contest

Doctor-Mayor Denounces Resignation - After - Election Rumor As "Absolutely False"; Both Candidates Favor Employment of City Manager as Necessary for Progress

Dr. Wallace M. Johnson, candidate for reelection as Mayor of the City of Newark and opposed by Thomas L. Skrips in a two-way contest for the mayoralty in Tuesday's scheduled municipal poll, has denied any truth in a reported rumor that if elected, he will resign in favor of a successor to be appointed.

"The rumor is absolutely false," the Mayor said yesterday.

For Mayor

day. "If I am elected, I intend to serve the full two-year term to the very best of my ability. Any reports of my political withdrawal are entirely unfounded."

Dr. Johnson, who has a married son and a grandchild, has practiced in Newark for 30 of his 36 years. Recipient of both B.A. and M.D. degrees from the University of Michigan, he is a veteran of both World Wars and holds the commission of lieutenant colonel.

In addition to many professional organizations, Dr. Johnson is active in the Newark Citizens' Committee for the Improvement of the City.

could best be solved by a series of by-passes which would keep through traffic off Main St.

Other pressing needs are sewer and water for Elliott Heights and other sections; the acquisition of properties for streets needed to create by-passes; and adequate housing in the Negro section.

City Manager Advocate

Dr. Johnson believes the employment of a city manager would greatly benefit the city. With the tremendous growth, and more ex-

**TAKE PLACE
Of April PTA Meeting**

The Fun Fair will take the place of the monthly meeting of the Newark Parent-Teachers' Association on April 23, and will be held in the high school basement with games, spoon shows, movies, exhibits, refreshments, and general fun for all.

Funds derived from the Fair will be divided among the several schools of the district according to the enrollment lists. The

The lecture will be presented in Wolf Hall on the Newark campus Tuesday, April 13, at 8:15 p.m. Dr. Gavran's subject will be "Architecture in Philadelphia During the Colonial Period."

With a small army of Brookside youngsters reluctantly abandoning their play for desks in the proposed Brookside elementary school which is to be opened in 1953, Supt. Wilmer E. Shue of the Newark special school district predicted that the planned 13-room building will require an annex as the first project in the opening day.

This prediction was based on surveys by Brookside officials which recent school district census and on the Brookside first grade will total 162 pupils.

This means that the new school as presently planned would be about filled by the opening day.

The school superintendent explained that every new home buyer in Brookside is asked to fill a form indicating the number of children in the family. This information is turned over to the school district.

Enrollment projections are accurate, except for minor changes re-

Mr. Shug declared that by next term the Brookside pupils will range from a total of 29 in the sixth grade to 107 in the first grade. Indications are that by 1955-56 term

5th In Series Of Lectures

Dr. William F. Albright, Spence professor of Semitic languages at Johns Hopkins University, spoke at the lecture Monday night at the University of Delaware campus at Newark last week.

The lecture was the fifth in a series given by Dr. Albright. He is the author of the archaeological background of the Bible and the history of the Hebrew language.

**Poultry Packaging
For Merchandising
Offered In School**

New trucks of poultry packaging and display will be revealed during a school for poultrymen, announced W. T. McAllister, extension manager, at the University of Delaware.

Three poultry merchandising demonstrations are scheduled. On April 10, in Agricultural Hall, Newark, April 20, in the N. W. Hall, Georgetown, and April 21, in Capital Grand Hall, Dover. They are all evening meetings, starting at 8 o'clock. The same program will be presented on each date.

Fred Hansen, of the Poultry and East National Board, will give the demonstration, stressing new efficient methods of cutting and wrapping chicken and handling more attractive store displays.

These new merchandising trucks also will show poultry, and will be most important to the Delaware poultry industry, McAllister declared. Probably the greatest need in the marketing field is to better packaging and display of the birds.

The poultry merchandising school is available in the series of agricultural short courses sponsored by the University of Delaware in the interest of improved agriculture and the development of the state's resources.

Home Clubs Back
Family & Health
Study For State

Home demonstration clubs are supporting the family and health study now being conducted throughout the state by the University of Delaware.

The state home demonstration council has agreed that rural people should be acquainted with the purpose and value of the survey, and has recommended that club members assist in preparing their neighbors for possible visits by interviewers.

Mrs. Ernest Waller, Newark state family life chairman for the 90 clubs, has sent a letter to each club chairman, explaining the survey and asking the members to cooperate.

This project can be of definite value to rural folk, Mrs. Waller explained. The information gained will be of use in planning family life phases of the Extension Service.

Through the cross-section interview, the university hopes to learn a great deal about the individual abilities, talents, attitudes, opinions and interests of the people of Delaware.

**United Church Women
Plan Fellowship Luncheon**

Mrs. Roger P. Watkins, local chairman of the May Fellowship Luncheon of United Church Women of Newark and Wilmington to be held May 7, in Strawbridge & Clothier's Wilmington merchandise mart, has announced that tickets are being distributed to local churches with a deadline set at May 1.

Mrs. Josephine Kyles, director of the department for Christian education of the Wilmington Federation of Churches, will be the principal speaker at the May 7 luncheon.

Food Fair Offers Two Scholarships For U.D. Students

The University of Delaware has received two new scholarships valued at \$200 each as a part of the educational program now being conducted by the Food Fair Stores Foundation.

Announcement of the grants, which will be awarded to incoming freshmen beginning with the fall semester of 1954, was made jointly by Dr. John A. Perkins, president of the University, and Louis Stein, president of Food Fair Stores, Inc.

The Food Fair Stores scholarships will be awarded to graduates of accredited secondary schools of the State of Delaware, who must apply directly to the university. Selection of the scholarship winners will be made by the scholarship committee and monies allotted for the scholarships will be paid to the treasurer of the University by the Food Fair Stores Foundation.

Applicants for these scholarships must contact John E. Hought, dean of students, before June 1, 1954. Awards will be announced by the University of Delaware in ample time for further announcement at the winners' high school commencement exercises.

Dr. Kurt Teiser, director of the Food Fair Stores Foundation, who has provided similar scholarships to several institutions in this area, describes their purpose as follows:

"America has a vast reserve of young men and women with natural interest and ability for college and intellectual pursuits. These young minds represent great hope for the future, and that is why the Food Fair Stores Foundation has started on an exceedingly timely and constructive and creative program. Its objective is to encourage young people to continue cultural and professional activities in schools of higher education. We feel that this is the best way to insure the future of America."

It was suggested that the defendant be sentenced to life in prison. The judge, however, sentenced the defendant to 15 years in prison. The judge said that the defendant was a first-time offender and that the crime was not particularly heinous. The judge also noted that the defendant had a good record and that he was a member of the church. The judge said that he was confident that the defendant would be able to lead a law-abiding life after his release. The judge also ordered that the defendant be placed on probation for 18 months after his release. The judge said that he would be monitoring the defendant's progress during this period. The judge also ordered that the defendant be required to attend counseling sessions. Council Race

The present system of supporting recreation projects by voluntary subscription has the added value of bringing the community together to work on a common project. His hobby, says Neighbors, is the community.

In Newark Since 1920
Grover T. Surratt, 40-year-old real estate broker of 54 E. Delaware Ave., grew up in Newark and is a graduate of the Newark High School, Peckskill Military Academy, and the University of Delaware in the class of 1937.

A veteran of army service with anti-aircraft in the Pacific from 1941 to 1946, Surratt holds the rank of major in the organized reserve. He is manager of the Newark office of Hanby-Worrall and Associates, Realtors, and a member of the Newark Lions Club.

Mrs. Surratt is the former Mary Staving of Wilmington, and the Surratts are the parents of two sons, aged 7 and 4.

Questioned on the special problems of the district which he hopes to represent, Surratt stated that the Middle District has none which are not shared by the entire community. He feels that a city manager will be helpful in handling the many small, "irritating" administrative problems which now take up

For Middle District

Richard D. Groo

George M. Neighbors

Grover T. Surratt

the time of Council.
Surratt feels that a community is not under obligation to provide recreation facilities of any kind until the people show beyond doubt that they want such facilities and are willing to pay for them.

The parking problem will be materially relieved, according to this candidate, with the completion of a lot for 200 cars off Center St. and the Newark Shopping Center which will accommodate almost 1000. Staggered working hours might be one way to ease traffic bottlenecks which now occur at certain times of the day, although this would require much cooperation on everybody's part, he believes.

Western District
Donald F. Hill, of 701 Brook Drive, Silverbrook, is 40, married, and the father of two boys age nine and 3½. He is a Newark High School graduate, studied for two years at the University of Delaware, and was graduated from Beacom College.

He worked with a contract floor covering company from 1936 to 1942. After spending four years in the infantry, he joined Sears Roebuck & Co. in Wilmington, where he is manager of the floor-covering department.

Hill served on Council for a full term and one year of a second term. His resignation last fall was necessitated by his moving from the Eastern District into the Western. While on Council, he was its representative to the Recreation Assn. He is a member of the Knights of Pythias.

Mayoralty Test

He is manager of industrial relations for Bond Crown & Cork Division of Continental Can. He is a member of the Newark Country Club, the Veterans of Foreign Wars, the Newark Optimists, Wilmington Chamber of Commerce, Personnel Group, Safety Engineers, and the Industrial Relations Group of the Cork Industries. He is chairman of the Labor Relations Group and is on the board of governors of the Industrial Club.

Skriggs has been a party committeeman and registrar. He was a candidate for council in 1952.

Supports City Manager
He said he felt that Newark definitely should have a city manager and that immediate and positive action with follow up should be taken to secure one. He thought that an estimated budget for the ensuing year and a financial statement should be published as scheduled.

On the traffic question he stated that a survey had been made by a competent consulting firm and he thought that council should consider their recommendations and act upon them.

One of the major problems of the city is a planned financial program with budgeted expenditures tailored to fit projected income from all sources. Only by closely controlled income and expenditures according to a carefully prepared plan can a balanced budget, a basic requirement of a financially sound city, be achieved and beneficial municipal improvement be secured. This also involves current, clear and regular statements of financial position.

Hill supported the city manager plan and said that if elected he would press for the hiring of a manager.

On the recreation question, Hill states that the city should supply play areas, that they could be decided under a long term zoning ordinance.

In his own district he states that there is a great need for adequate street maintenance. The primary needs of the city, according to Hill, are a city manager, street improvements and a better city administration.

Newcomer
A newcomer on the local political scene is Frank K. Scott, 37, of 20 Orchard Road. Scott is a graduate of the Collingwood, N.J. High School and of the University of Delaware in 1940. While an undergraduate he worked at night for Continental Diamond Fibre Co.

He was, for six years, sales manager for the Brandywine Oil Co. and is now assistant purchasing agent in the purchasing department of the DuPont Co. and operates Scott's Home Beverage Service. He served during World War II with the 25th Infantry Division in the Philippines and Japan and has participated in fund-raising activities for the Red Cross, the United Fund, and the Parent-Teachers Assn., which he has also served as secretary. He has assisted with the annual Bicycle Rodeo and has been cubmaster to Cub Pack 55. Scott belongs to the Newark Country Club and Sigma Nu fraternity. He is the father of two daughters, 11 and 7, and a son of 9.

Scott definitely favors a city manager and would work actively toward such an appointment.
In Scott's opinion, the city should provide off-street play areas on available property where needed. One-way traffic for Delaware Ave. and Main St. is suggested as one solution to the traffic problem by Scott, but he would be very willing to consider others.

Parking conditions could be improved if the university would require students to use the lots provided on university grounds.
There are two major problems in his own district, says Scott: the condition of the roads and streets, and the need for recreation facilities in the New London Ave. area.

Give your children real security...

We don't mean the nicest house in the best neighborhood... the newest, sleekest car... the right schools, the right camps
We're talking about the kind of security they can't do without... the kind that comes from inside.
Faith. In God, in life, in themselves.
For life is no game for spiritual sissies. Only Faith... the armor of the spirit... will give them the stamina to meet it courageously, no matter what it brings.
You can show your children where to find faith... how to build it day by day, if you make praying a family affair.

THE AMERICAN WAY

ELECTION DAY

A mayor and four city councilmen will be elected by duly registered voters in the City of Newark on Tuesday, April 13. Concerned with past voting apathy as a dangerous symptom of increasing civic disinterest, Mayor Wallace M. Johnson urges each one of you who is eligible to vote, to do just that on Tuesday.

In a public message issued yesterday, Dr. Johnson writes: "On Tuesday, a municipal election will be held in the Academy Building at the Council chambers. Those who are eligible to vote will have the opportunity to choose several councilmen and the mayor of our city from an imposing list of candidates."

"This message is not a bid for votes. Nor is it a manifesto for or against any candidate. It is an urgent request that each citizen entitled to vote, get out and vote."

"It has been found in the past that those not voting have often elected a candidate not of their choosing."

"After careful, thoughtful, and considerate evaluation of the qualifications of the candidates, cast YOUR vote. Do not let 'the other fellow' do it. He may not carry out your wish."

"This country was founded on the right of a free franchise. Exercise that right. Vote on April 13 at the municipal election."

"Remember, 'Good government begins at home.' Make for good government here by at least VOTING."

NEWARK IN REVIEW

Twenty-five Years Ago

\$30,000 in Bonds Burned

Members of the Newark City Council were interested observers as \$30,000 in retired bonds were fed to the furnace flames in the Academy Building. The bonds, which would have expired in 1940 were retired last May.

I. Newton Sheffer and Robert C. Lewis were named by Councilman Hubert to serve with town treasurer, Mrs. Laura Hossinger, as judges for the town election next Tuesday.

Election Contests

Six candidates and two contests are on the annual election ballot. Frank Collins and James Hutchison are candidates for mayor; Daniel Stoll is unopposed as council candidate from the Western District; Herbert Henning and Ralph D. Edmanson are competing for election as councilman for the Middle District; and Ralph L. Hane is the unopposed Eastern District council candidate.

Dorothea Chalmers' Prize Essay

An essay on Caesar Rodney, written by Dorothea Chalmers, a Newark High School senior, was submitted by state historian Ira Brinser to the Delaware State Department of the American Legion for national Legion competition, and was awarded top honors in the state. Dorothea's essay will be published in the American Legion Weekly.

Oration Contest

In the finals of the Newark High School oratorical contest, Dorothea Chalmers won first place with her oration on "World Peace" while Lillian Brown won second prize with her speech on the same topic. Marion Spencer took third place with an oration on "Evolution of the Constitution."

Record Violator

Town Officer Wm. Cunningham broke a local record Saturday when he arrested a local resident on four counts for driving a car with a cut-out, driving without a license,

driving an improperly registered vehicle, and using the wrong license plates.

Sports

The University of Delaware baseball team won the first game of its southern trip when the Hens defeated Lynchburg College, Va., 8-4. Max Glasser and Bill Shelly contributed home runs in a Delaware total of nine hits as Hens held the Virginians to four safeties.

In their previous outing, Delaware lost to Bridgewater College despite Charley Garrett's one-hit pitching. Garrett had a no-hitter going into the ninth and Delaware lost due to some five errors contributed by Garrett's teammates.

Newark's independent basketball team closed its season with a 19-19 record as Manager Otley Gregg announced plans for a community basketball squad to begin practice within the next two weeks.

Gregg is negotiating with C.C. "Cold Cash" Pyle to bring the Bunton Derby to Newark. It is rumored.

Social

Mr. and Mrs. Russell Morris spent the Easter holidays with Mrs. Morris' parents in Bridgeville, Del. Mrs. Jennie Campbell and Miss Ethel Campbell motored with friends to Rehoboth last week end. Misses Jennie, Anna, and Marian Smith of South College Avenue, were guests of Mr. and Mrs. D. L. Gallagher of near Peach Bottom, Pa., over Easter.

Mrs. Frank Ridgeway, of Buffalo, N.Y., is the guest of Mr. and Mrs. Daniel Thompson.

Mrs. Everett Johnson, of Washington, spent the holidays in Newark with her daughter, Miss Marjorie Johnson.

Mrs. David O. Evans entertained at bridge in honor of Miss Dorothy Doerr, who was the guest of Mrs. Henry Clay Reed.

Mrs. Jennie Frazer and Miss Martha Strahorn are spending a few

Central Welfare Group To Increase Local Membership

George Hanev Re-elected President Of Committee For Community Welfare

The Central Welfare Committee of 12 annual meetings last week elected officers, and resolved to increase the number of organizations represented for community activities in the welfare field.

George M. Hanev, who was re-elected president, was unable to attend and the meeting was conducted by A. E. Tomhave, who was re-elected treasurer. Other officers, chosen on recommendation of a nominating committee headed by Mrs. Robert C. Lewis, are Mrs. Alan P. Colburn, vice president, and Mrs. Carl J. Rees, secretary.

The resolution arose from the report of Dr. John Whithall on a luncheon at which the Newark residents decided the city needs a coordinating agency to avoid duplication and fill gaps in present welfare services.

Opposition was expressed to this proposal on the ground that the Central Welfare Committee is already doing all that is needed in the way of coordination. There was discussion of holding more frequent meetings but no decision was made.

In a roll call through the audience, representatives of 22 local organizations either gave brief outlines of their groups' welfare work or said they were attending as observers.

Represented were: Newark Methodist Church, Red Cross home service, the American Association of University Women, S. O. P. Club, YMCA, Parent-Teacher Association, Pilgrim Baptist Church, Brookside Civic Association, Chrysler Delaware Civic Association, Junior Chamber of Commerce, Newark Recreation Association, Rotary Club, Lions Club, Chamber of Commerce, the community visiting nurse, City Council, Business and Professional Women's Club, College Park Civic Association, New London Avenue Association, National Association for Advancement of Colored People, Elizabeth Bolden Temple Lodge, Kiwanis Club, American Legion and American Legion Auxiliary.

Council Meeting

(Continued from Page 1)

Council gave final approval to an ordinance changing from RS to business a property owned by David Gallo on Elkton Road. Final approval was also given to an amendment calling for a 20-foot setback on the new building in the business district.

Initial Readings

Two measures were given their first reading. One an amendment from RS to business for a triangular plot on the eastern edge of the city bounded by the B. and O. McKees Lane and the Capitol Trail and ordered from school to RM a block bounded by Delaware Avenue, Haines Street, Lovett Avenue and Academy Street.

Neide brought up a letter which he said the developers of Brookside Park had sent to purchasers of new homes in which it was claimed, he said, that the dwellings had been inspected by building and plumbing officials of Newark Neide said no Newark officials inspect Brookside homes and asked action be taken to correct that reference. The matter was referred to City Solicitor John P. Sinclair.

The College Park Civic Association asked that a speed limit be established in that area, asking for a 15-miles-per-hour limit. The matter was referred to the police committee.

Bernard H. Lagovitz requested water and sewer lines to a property on the Ogletown Road where he said an A. and P. supermarket will be erected. Council estimated that it would cost \$4,400 to extend the sewer line and \$3,700 for water extension. Neide was asked to negotiate with the property owner.

Council accepted with regret the resignation of E. J. Kendall, the building inspector, who will accept another position.

Retired

J. Leslie Ford

Deputy U. S. Marshall J. Leslie Ford of Bear, Del., retired last week after almost 10 years of service as marshal and deputy marshal. He was first appointed marshal on July 16, 1932.

Born at Summit Bridge, Mr. Ford spent most of his life in the Glasgow area and farmed until he became a marshal, and after that as deputy marshal.

He is also a former state representative having served in that capacity in 1927 and 1929, and was

the first reading clerk for the House in the present Legislative Hall, just after it was completed. Mr. Ford, who served as tax collector for Puncuator Hundred in 1933 and 1934, is president of the Cecil County Hunt Club, a position he has held for 22 years.

Mr. Ford is married to the former Miss Florence B. Day. They have three children, Miss Betty Borge and Mrs. Florence Moore, both of Bear, and J. Leslie Ford, Jr., 259 South College Avenue, Newark, who was recently released from the Navy after two years' service.

BANQUET APRIL 1 FUTURE HOME MAKERS

Newark chapter of the Future Homemakers of America held its third annual Mother and Daughter Banquet in the new cafeteria of the high school on Thursday night, April 1. The covered dish supper was given by the girls for two reasons, to give them experience in serving a dinner and to acquaint the girls' mothers with the club and its purposes.

Greetings were given by Betsy Gregg, president; and grace was said by Jackie McLean, vice president. Other officers are: secretary, Florence Burrows; treasurer, Emma Jane Schilling; historian, Joan Mowll; reporter, Barbara Burns; state president, Joan Mowll; and advisor, Miss Doris Dean.

A formal initiation followed the dinner for new members. After the ceremony, each new member was presented with a red rose, and every mother was presented with a white carnation.

The initiation was followed by entertainment. Donna Evelyn did an acrobatic act, Zelma Crossan danced an impersonation of the "Irish Washer Woman," Jackie McLean and Betsy Gregg did a pantomime to "Tennessee Wig-Walk," and Florence Burrows completed the program with several numbers on her accordion.

Seven members of the club attended a state leadership training meeting in Dover on Saturday, April 3. The purpose of this meeting was to instruct the leaders between chapters, solve individual problems by group discussions, and install the state officers. The seven attending members are: Betsy Gregg, president; Jackie McLean, vice-president; Joan Mowll, secretary; Zelma Crossan, Emma Jane Schilling, and Joan Mowll, state president.

Mrs. Groff, Joan Mowll, and chapter advisor, Miss Doris Dean, provided transportation.

Delaware Tops NCAA Champs Before 6-Game Southern Tour

Bob Siemen's Squad Drops 6-4 Opener To Yale At Home; Ed Morrow Shuts Out Michigan Champs With 4-Hitter; Hens Lose To Maryland, Navy In First Southern Tests

Stopped in Friday's opener with Yale at Frazer Field, Coach Bob Siemen's Blue Hen baseball varsity upset the NCAA Michigan champs at home on Saturday before taking the road south on Monday for six successive days and games of rounders with squads representing Maryland, Navy, Virginia, Washington & Lee, the Marines of Quantico, and the Georgetown Hoyas.

After their even split home stand, with a 4-1 loss to the Yale and a 1-0 victory over Michigan, the Delawareans were crushed under a Maryland barrage of base hits at College Park on Monday for a 12-1 shellacking, and a little further down in the Old Line State, Tuesday, received another painful dose of baseball education on the short end of a 9-2 count against the Navy.

Left Hennessey, at short for the Hens, was the outstanding performer against Yale. He handled eight chances afield, collected a pair of hits and drove in three runs in one and two-thirds innings.

Dallas Green, who yielded three runs in one and two-thirds innings, was charged with the loss. He struck out 10, and walked only two in winning his and the Hens' first victory of the year by a 1-0 score on Saturday.

Only two Michigan men reached third base. Morrow's fine support included two double plays started by Bill Annonio and Bob Hooper.

The Hens collected only three hits and picked up their run in the fourth on one hit, alert base-running and an error.

With one out, Redfield doubled to left. After Green walked, Redfield stole third. Annonio hit a short fly to right, but Lepley dropped the ball and Redfield scored.

Delaware's other two hits, singles by Frank Serpico and Morrow, were back-to-back in the eighth.

At College Park on Monday, the University of Maryland lumbermen chased starter Dave Woodward in the fifth to score two runs, and encouraged by this turn of events proceeded to score almost at will in the sixth, seventh, and eighth until hostilities halted with the Terrapins coasting on top of a big 12-1 count.

Dallas Green, and Ed Morrow worked in relief rolls for Delaware.

Delaware took a two run lead over the Navy at Annapolis on Tuesday, but that was only for the first half of the first inning.

Loading the bases in the home half of the first, Navy tripled and then scored the fourth run on Dick Bordone's single, which chased Middle shortstop Ed Dawson home.

Delaware, in dropping its third of four games, collected their two runs on Jim Zaiser's single, Dallas Green's three-bagger, and another single punch by Andy Wagner.

Starting pitcher Pete Kelleher was chased on the first inning and charged with the loss.

After successive games with Virginia, Washington & Lee, the Quantico Marines, and Georgetown, the Blue Hens return home for a Thursday game with Lafayette on Frazer field.

Dusting 'Em Off

E. A. Raughley

The recently listed added one big name last week, but it was not a physical hurt—just a manager being separated from his job as boss of the ball club. Phil Cavarretta, who had the longest service with the club of any of the players, was deposited as head man of the Chicago Cubs and succeeded by Stan Hack. The way it happened, the front office wanted the two men to change clubs—Los Angeles and Chicago—both owned by Phil Wrigley, but Cavy would have none of it. So he is out and likeable Stan Hack takes over. Since leaving the Cubs, Hack has managed Des Moines, Springfield and Los Angeles, all a part of the Wrigley chain.

In the meantime the ex-manager is looking for a job at a time of the year when pickings are slim.

Another Season
On Tuesday, the 13th, the big leagues will start another season. Some of the clubs have been strengthened and some others have made a lot of trades hoping that such moves help them. As we look at it the season will end like this:

National League
Brooklyn Philadelphia
St. Louis Cincinnati
New York Chicago
Pittsburgh

American League
New York Washington
Cleveland Philadelphia
Chicago Detroit
Boston Baltimore

From here it seems that Brooklyn has too much balance for the rest of the league with a fine pitching staff and added strength with the return of Newcombe and the return to form of Joe Black. The infield seems to be strong enough both afield and on the bench to allow a sale of a promising man—Morgan to the Phillies.

The outfield still has a question mark in left, but that seems to have been taken care of by moving Jackie Robinson from second base to the outfield. However, make all this come about, the key figures on the club—Campy, Reese, Robinson, Cox, Snider and Furillo—will have to play as they did last year and not go about reading the press clippings of 1953.

Braves, Second
The Braves would have been more in contention if Bobby Thompson had not broken his ankle in training. However, the accident did happen and it is probable that he will not be back in action much before June and that might leave too much space for the club to catch the front runner.

The Cards and Giants should stage a ding-dong battle for third place and in the end the men from St. Louis should come in ahead. The deal that brought Raschi to the Cards gave them that big right-hander that could be the stopper they need and also the man to fill the loss of Vinegar Bend Mizell, now in the Army.

The presence of two old pros in Slaughter and Musial will go a long way to help a team that otherwise might be just another ball club.

The Giants are all keyed up by the return of Willie Mays and the pitching staff additions, Antonelli and Liddle, and are really bent on improving their standing. However, their infield might prove to be a little leaky and Thompson's big bat will be missed.

Second Division
The Phils just don't have it and that puts them back in the second division. If Ennis and Hammer had some help in driving in runs, the club would be right up there, but it's a known fact that they are awfully weak with the stick and no club is in a humor to help them out with a trade. The only additions to the club have been veteran pitcher Murray Dickson, and a refugee from Brooklyn, who is to help out in the infield.

The rest of the league will be pecked and on some afternoons will give any club a good battle, but they just don't have the equipment to make a race of it.

However, watch Pittsburgh. They have a mixture of kids and vets and the kids are improving every day.

Over in the junior circuit we must string along with the champs.

Lacrosse Varsity Loses To Quakers In 12-2 Contest

Coach Milt Roberts' lacrosse team suffered their second loss of the season on Saturday when the visiting Quakers from Penn walloped the Delaware squad by a 12-2 count. Wayne Kirklin and Jack Wiberg, aided through the Penn defenders for two goals in the final period to prevent an even more discouraging shutout, and there was some police in that.

Andy Thompson was the big Quaker threat with four goals. The Hens' defense was captained by Boyd Cook and George Chaloupka, a pair of veteran enthusiasts for this strictly American form of competitive mayhem.

The Delawareans meet their next opponent away on Saturday at Rensselaer Polytechnic Institute, more familiarly known as R.P.I., which may be easily transported with appropriate and somewhat dire connotation for lacrosse participants, particularly.

even the I would like to see a new champion. The Yanks are getting a little too regular for the rest of the league but it must be admitted that they always have what it takes.

A great farm system seems to be the reason for the continued success of the club. The trade with the A's gave them Byrd to replace the late return of Mantle to the Yankees.

The return of Johnny Sain seems to have solved the pitching staff problem with Chief Allie Reynolds to be the main relief for any hurlers that may get in hot water. The late return of Mantle should not hurt the club any as a spring hitter by the name of Cerv will do a good job of hitting until Mantle is able to take over.

Base Position
Cleveland will have the same old trouble of not having enough to get out of the habit of finishing second. A good pitching staff and a good hitting club, but too many errors at the wrong time account for not being champs. The acquisition of Philley will help the outfield, but who is going to take the first base job? Luke Easter, when in shape, could do a job but the Indians are trying some other guy out for the sack and may come up with something.

The Chicago Sox lack the boys who can hit the long ball and don't have too good a pitching staff. A lot of the wrong time account for not being champs. The boys have trouble getting the boys home after they get on base. However, Manager Richards said that his club was going to win, so maybe we do him an injustice in saying it will finish third.

And Boston will miss Williams in the first part of the race. Without him they are just another ball club. The loss of his bat will leave the club too far behind to win the flag but they should finish in the first division.

"If" Bet
Washington has an if ball club although the if's are too many for them to get out of the second division. If Porterfield can have another 26-game season—if McDermott can come thru—if Umphlett can have as good a season in his sophomore year—if Vernon can repeat—and a couple of more question marks make the team hard to figure. But we pick them in fifth place.

The rest of the league—Philadelphia, Detroit and Baltimore—will have a little race of their own, fighting it out for sixth place. But as we see it Eddie Joost's club will finish sixth with Detroit edging out Baltimore. None of these clubs have it in a fight for the pennant.

Dale Boyd Named To Captain Hens' Wrestling Team

Dale Boyd, Delaware's mighty mite of the mat, will captain the Blue Hen wrestling team during the 1954-55 season.

The 123 pound sophomore from Drexel Hill, Pa., is the second sophomore to be chosen by his teammates to captain a winter sports team. Earlier this year, it was announced that Fred Freibott, also a second-year man, would lead the varsity swimmers.

Coach Alden H. (Whitey) Burnham considers Boyd one of the brightest prospects to join his team in several years. As a freshman, the clever lightweight was undefeated in five matches and, in fact, unscathed upon. He won all of his bouts except one by pins and the one exception was a forfeit for which he also received the maximum number of points.

This season, his first in varsity competition, Boyd was the team's leading scorer taking six of eight dual meeting matches and placing second in the Middle Atlantic championships. He was one of the few matmen to score on Ursinus' Ed Dawkins, the 123-pound titleholder.

Boyd's only other defeat came at the hands of Virginia's entry, a former New Jersey State champion who described Boyd as "the best he had ever faced." The Blue Hen grappler has never been pinned in his two seasons of competition.

Wild Walt Ragan Winner Of Mason-Dixon Feature

"Wild Walt" Ragan, Lancaster, Pa. Racing Association driver to win two features at the Mason-Dixon Speedway as he breezed home in a 25-lap "main" last Sunday afternoon.

Sportsman stock car racing will continue this Sunday with six events, topped by a 25-lap feature.

Chesapeake Stakes Heads Week's Card At Laurel

The Laurel spring meet reaches its climax Saturday with the 33rd running of the \$20,000 added Chesapeake Stakes, an annual mile and a sixteenth prep for Kentucky Derby hopefuls which headlines the closing day program.

The Chesapeake, which has sent War Admiral, Cavalcade and Citation to Louisville to be Derby winners, drew 53 nominations this year.

This number, 26 are eligible for the three-year-old classic in Kentucky on May 1.

Yellowjackets To Play On With Claymont Nine, Fri

John Cunane Gets Call As Starting Pitcher Claymont In Friday Opener; Lum Thorn Spots As Newark High School Nine Stages

With the opener scheduled for Friday afternoon test with the once-seasoned Claymont Indians, baseball coach Charlie Griffith has announced the starting line-up for the 1954 edition of the Yellowjackets.

Leading off for the Jackets will be Bob Cunane, letterman Harry Carswell at second base; John Cunane, and catcher.

Lightweights Box 10-Round Feature For Friday Show

Fireworks should be the order of the day when lightweights Eddie Compo and Paoli Rosi meet again in a scheduled 10-round undercard of the regular Friday evening television and radio feature from St. Nick's Arena on the Cavalcade of Sports starting at 10 p.m., EST.

In their first meeting, Rosi won a close decision in a bout considered by those in attendance as one of the best and hardest fought contests they ever witnessed. Fight fans from coast-to-coast will have a chance to sit in on the action this time via NBC television cameras and AISC radio.

Eddie Compo, a fine combination boxer-puncher, says he will take advantage of certain weaknesses he found in Rosi's style and avenge the previous decision in a decisive manner. Turning pro in 1944, Eddie has also out-pointed Chico Vejar, Pat Marcune and Teddy Davis while winning a total of 73 bouts, 13 by kayo.

Paoli Rosi of Italy, in five American appearances had kayoed four of his opponents before Compo forced him to go the distance to gain his fifth straight victory. Regarded as the hardest puncher to come state-side in many years, Paoli packs dynamite in both fists and has an amazing over-all record of 22 wins, 21 by kayo, while losing only one.

MOTOR MEMORIAL

They'll pull out all the stops in the Billy Huber Memorial motorcycle races at the Reading Fairgrounds on Sunday afternoon when most of the country's topflight riders are expected to take part in the memorial to Huber, their former riding colleague, who was killed in a racing mishap last July.

America's lowest priced low-friction SIX!

FORD'S NEW I-BLOCK SIX IS THE MOST MODERN SIX IN THE INDUSTRY... THE ONLY LOW-FRICTION SIX IN ITS FIELD!

More folks are swinging to Ford's 115-h.p. I-block Six because they're getting the most modern six in the industry. Ford's short-stroke, low-friction design means less gas waste, less wear and longer engine life.

ONLY FORD OFFERS BOTH A V-8 AND SIX IN THE LOW-PRICE FIELD!

HERE'S WHAT FORD'S LOW-FRICTION DESIGN MEANS TO YOU

LONGER ENGINE LIFE. Both new Ford engines are of short-stroke design. This means pistons travel less distance. Naturally, there is less friction and less wear. In both engines overhead valves have a free-turning feature which allows them to rotate to cut down wear.

MORE POWER. Because there is less friction to overcome in moving pistons up and down, there is more energy to move the car. And because combustion chambers are wedge-shaped, fuel burns more completely... for even more power.

MORE "GO" PER GALLON. engines also bring you the advantage of the Automatic Power Pilot which is the last ounce of power out of every gas. You won't find any of the modern on this page in any other low-price field.

Worth more when you buy it... worth more when you use it.

A beautiful spring wedding took place at White Clay Creek Presbyterian Church last Saturday, April 3. The bride was Gail Buckingham, daughter of Mr. and Mrs. Samuel C. Buckingham, Red Mill Road, and the groom was Burton William Schaefer, U.S. Navy, Key West, Fla., son of Mr. and Mrs. William Schaefer, Newark.

The Rev. James H. Bishop officiated at the double ring ceremony and Mrs. Paul Peach sang two solos — "Ich Liebe Dich" and "Benedictus." The organist was Miss Rosamund McCormick.

Mrs. Robert F. Geesman, Red Mill Road, was matron of honor. Mrs. Frank H. Buckingham II, Red Mill Road, was bridesmatron, and Miss Helen Jane Leasure, Glasgow, was bridesmaid. Little Maria Ann Buckingham, niece of the bride, was flower girl.

Howard F. Keeley, U.S. Navy, cousin of the bridegroom, was best man. Ushers were Frank H. Buckingham II, brother of the bride, and Robert F. Geesman, brother-in-law of the bride.

A reception was held in the social hall of the church following the ceremony.

After a wedding trip the groom will return to Key West, where he is stationed. Mrs. Schaefer is employed at the DuPont Louvers Building.

The Rev. Edwin J. Horney, Pastor of Ebenezer Methodist Church, will be the speaker.

Falls Head Rural Accidents In '53 With 895 Total

Falls felled more rural Delawareans than any other type of accident last year, reveals Miss Louise Whitcomb, extension home management specialist for the University of Delaware.

Figures just gathered on 895 accidents are the result of a statewide accident survey in 1953, reported by local rural people.

Falls accounted for 25 per cent of all casualties in the home and on the farm. Stairs in the home sent 25 persons tumbling, while 24 others fell over objects. Other falls came from porch steps, cellar stairs, icy steps, and miscellaneous causes.

Around the farm grounds, 8 persons tripped over objects, and 29 others fell from steps, trucks, hay bales and various places in the barn.

Elderly people were most subject to falls, says Miss Whitcomb. Those over 65 had the greatest accident rate, while children under 5 years of age came next. However, the accidents were most serious among the older folks. More women than men were injured by falls, but when the men fell their injuries were usually greater.

A campaign to remedy fall-inviting conditions is now in progress. Miss Whitcomb announces. Home demonstration and 4-H groups are carrying out inspections in their communities and keeping records of hazards corrected.

Kase Contributes Chapter To Recreation Publication

Dr. C. Robert Kase, chairman of the Department of Dramatic Arts and Speech at the University of Delaware, has contributed a chapter on dramatics to a recently released publication, "Methods and Materials in Physical Education and Recreation."

In the presentation of his subject, Dr. Kase draws upon a wide background of practical experience in theatre work. He was officer in charge of soldier shows in the Caribbean area during the war; is a former president of the American Educational Theatre Association, a member of the board of directors of the American National Theatre and Academy, and a member of the United States Centre Committee of the International Theatre Institute.

Bridge Classes Offered By YMCA For Eight Weeks

The Newark YMCA will offer beginners and intermediate bridge instruction for men and women beginning Wednesday, April 21. The courses will last for eight weeks and will include both the Goren point count and the Culbertson system of play. There will also be a course in bridge on Thursday mornings for those who cannot attend the evening sessions.

Mrs. Jane Colburn will be the instructor, there will be a small course fee, and you may sign up by calling the Newark YMCA.

Beginning the first week in May the spring Y-Ed series will begin and courses to be offered during the six-week period will be announced at a later date.

Changes In Social Security Program Cited For Public

Wilmington Office Head Advises Current Check Of Individual Benefits

Thousands of workers in Delaware have been paying for social security protection for years, but surprisingly a large number of them still think of the social security program as it was when they were first covered back in 1937 and 1938, according to Myron Milbourn, manager of the Wilmington Social Security Office.

"Some of these people are surprised to learn that benefits are payable to survivors in death cases," Milbourn said, "and many others think of the program as it operated prior to the 1950 amendments. They fail to realize that since then benefits have substantially increased, eligibility requirements have been greatly modified, and new types of benefits are provided."

"A strange thing about people's knowledge of social security," Milbourn added, "is that those who seem to know least about it are those who have been under it longest. The newly covered groups on the other hand seem to be much more aware of their status under social security and the protection it provides even though they have only recently begun making contributions."

All workers are urged to get up-to-date information about what the social security program means to them and their families. They should know what the program provides for a man's family in the event of his death as well as something about what they can expect as payments upon retiring after age 65.

The place to get this information, according to Mr. Milbourn, is at the Wilmington Social Security Office, 813 West Street. The staff of this office will be glad to answer questions and discuss social security as it applies to individual situations.

Small easy-to-read pamphlets explaining the program are available without cost.

U.S. Civil Service Exams Announced At Post Office

U.S. Civil Service examination applications are being accepted at the Newark Post Office for positions as Clerk, at a salary of \$2,950 to \$3,700 annually; Librarian for Federal agencies in Washington at \$3,410 per year; and for Meteorological Aid with the U.S. Weather Bureau at a salary of \$2,950 to \$3,410.

Further information and applications forms may be obtained from W. W. Singles at the Newark Post Office.

Spring Meeting

The spring meeting of the New Castle County Student Council Association was held at Mount Pleasant High School yesterday.

Newark will be represented at this meeting by high school student council officers.

Albert Jones, president, Jane Walton, vice president, Violet Gray, and James Edmondson.

Miss Dorothy Markert, high school guidance teacher, will accompany these students to the spring meeting.

The agenda includes:

Registration and tour, 3:30-4:00

General Session, 4:00-4:45

Group Discussions, 4:45-5:45

Dinner, 5:45-7:00

The following have been selected as topics for the group discussions:

1. How can we elect capable, not just popular, student council officers and representatives?

2. How much emphasis should be placed on extra-curricular activities in the school?

3. What should be the role of the student council in matters of school administration?

4. What are some good projects which the student council can successfully undertake?

—Jim Edmondson

Janet Campbell

Janet Campbell, a senior taking the scientific course, has attended Newark High School all of her school years. Janet is 17 years old, has brown hair, hazel eyes, stands 5-4, and weighs 106 pounds.

Janet says that her favorite subjects are chemistry and home economics. As for movies "The Robe" gets her vote. Her favorite food is spaghetti.

Some of the activities in which Janet participated are as follows:

Kaween, senior honor society, Traffic squad, and F.H.A. Upon graduating, Janet plans to enter the University of Delaware, majoring in home economics to become a teacher.

WCAU-TV Visit

Members of the sixth period English eleven class took a trip to WCAU television station in Philadelphia on April 6. They were accompanied by several parents and their teacher, Miss Jeanette Thorngood.

The trip included a tour of the television station and the viewing of two TV shows, "Fun and Fortune" and "Cinderella Weekend". Transportation was furnished by Stiltz Bus Service.

This trip was arranged entirely by a student committee headed by Barbara Link, class secretary, Turpin Rose, Mary Holloway, Wright Poffenberger, Ginger Lanier, and James MacAbee. The committee waited on Mr. Fred Kutz, principal, recently, to explain the value of such a trip to students in English.

Foul Shooting Champ

Robert Linton, a seventh grader, was the recent winner of a foul shooting contest held in the school gym.

The contest was open to all boys in grades seven through twelve. Anyone who played varsity or junior varsity basketball could not enter the contest.

Each contestant had to shoot 25 times with five practice shots, and the choice of the winner was based on how many of the twenty-five were made. Bobby had a score of 20 out of 25. He was presented with a trophy in the junior high assembly.

The runner-up had a score of 18 and two boys had 17.

The participants were allowed to shoot any way they wanted, but if they crossed the line the turn counted as a miss whether it went in or not. The contest took place during third periods and gym classes.

—John Cunane and Irving Thomas

Boys' Intramurals

The final games of the boys' intramurals have been completed with TD, the seventh grade champs, and the Knicks, the high school champs.

In the championship game with TB, the 7D team won by a score of 12 to 9.

Group Named To Select 12 Fellowship Winners

Dr. Carl J. Rees, director of the University of Delaware summer sessions, has announced the membership of the special committee which will award the 12 science fellowships provided by the DuPont Company for the 1954 summer session. The committee will comprise Dr. E. Vernon Lewis, associate professor of mathematics; Dr. Richard G. Bowers, assistant professor of physics; and Daniel W. Wood, of the school of education faculty.

Each fellowship will carry a stipend of \$115 for living expenses and in addition will provide tuition.

Applicants for the 1954 summer session science fellowships are invited to address inquiries to the Director of the Summer Session, University of Delaware.

Final playoffs in the high school found the All-Stars playing the Hawks and the winner of that game playing the Knicks.

The first game found the All-Stars playing the best ball and coming out on top by an 18 to 6 score.

Everyone expected the All-Stars to top the second game and walk off with the trophy, but the Knicks had different ideas.

The first half of play the Knicks jumped to a 6-2 lead. The All-Stars weren't out of the game yet, however. When the final half started the All-Stars found it a little rougher, with the Knicks outscoring them 9-2 and coming out with the trophy, 13-4, a major upset.

John Slack and Ralph Colbert led the Knicks with a tally of 5 points each. Dave Danich led the All-Stars scoring with two points.

—John Cunane

FHA Entertains Mothers

Newark High's Future Homemakers of America will hold their annual Mother-Daughter Banquet in the new cafeteria tonight from 6:30 to 9:30.

The committees for the banquet are as follows: Janitor, Joan Mowll; Decorations, Barbara Burns, Debbie Lewis, Mary Lou Bowser, Linda Fern, and Patsy Connor; Refreshments, Jean Keith, Minnie Cole, Zelma Croston, Emaline Graft, and Florence Burrows; Entertainment, Emma Jane Schirling, Phyllis Everett, and Joan Mowll. The mothers and girls will be entertained by comedienne from Elkton, Md. They will also enjoy games during the evening.

—Jill Holmquist

Senior Trip

On April 29 and 30 at seven thirty a.m. the seniors and chaperons of Newark High School will leave for Washington, D.C., by way of the Pennsylvania Railroad.

Upon arriving at the Capital, various tours and entertainments have been arranged for the two-day trip. At 7:00 p.m. the group with their chaperons, Mr. Frederick Kutz, Mrs. Cynthia Nickle, Miss Ann Stauter, Mr. H. Lewis Miller, and Mr. Gilmore Ott will visit the Library of Congress. During the remaining part of the evening the seniors may spend their time as they wish. A complete schedule has also been arranged for Friday and will continue until the group arrives home at approximately 8:32 p.m.

Transfer Of Blue Cross Urged With Job Changes

Members of Blue Cross employee groups who change jobs can take their Blue Cross protection with them, according to H. V. Maybee, managing director of Group Hospital Service.

"It is an easy matter to transfer your Blue Cross membership," Mr. Maybee said, "and thus to retain the protection." This is particularly important, he added, to persons who are between jobs, and to whom the cost of hospital bills would be especially burdensome.

To arrange for a transfer of membership, or to get any kind of information on Blue Cross, it is only necessary to call Wilmington 4-9691 or to stop in at the Blue Cross building, 508 West Street.

The instrumental program for April 14 will consist of incidental music to "Midsummer Night's Dream"; Symphony Number 5, "The Reformation"; and the violin concerto in E Minor with Gilda Mulhau as guest violinist.

**Public Relations
Course Scheduled
As Summer Class**

Dr. Arthur H. Rice, editor of "The Nation's Schools," will conduct a three-week workshop at the University of Delaware during the 1954 summer session.

The course, entitled "School Public Relations," will be given for three weeks beginning June 21 and ending July 9, with each week devoted to a complete unit. Students may enroll for one, two or three weeks at one graduate credit per week.

The University of Delaware, to help meet the specialized needs of schools in this area, made a special survey recently and found great interest in school public relations. Accordingly, the workshop was set up.

The enrollment will be limited. Special preference will be given to those who declare their intention to enroll early.

Notices of the course, including enrollment forms have been sent to school administrators throughout Delaware and the surrounding area. Further information can be obtained from Dr. Matthew J. Pildard, school of education at the University of Delaware.

The program for April 15 will be the presentation of the Elijah Overture, Bertam Gable of the Department of Music, who is training the A Cappella Chorus for this production, will also sing the title role.

Student soloists for the performance will be James Larkin, Ralph Spotts, Patricia Phillips, Edla Thielman, Margaret Woodward, and Valerius Ross. The ensemble work will be sung by Dorothy Locke, Catherine Delellis, Mary Pat Cannon, Robert Murphy, and Robert Whitlock.

The public is invited to attend both concerts without charge.
