

## CONCERT ASSOCIATION TO OPEN FALL CAMPAIGN

Concert Committee  
Opens 1-Week Drive  
For Subscriptions  
(On September 28)

The Newark Community Concert Association will open a one-week campaign for membership subscriptions, beginning Monday, Sept. 28 and closing Saturday, October 3, announced T. D. Mylrea, membership chairman, this week. The concerts are public and any resident being eligible to purchase a subscription, officials emphasized.

Persons interested are urged to secure their subscription during the campaign as none will be sold following the Saturday deadline and no ticket sale will be conducted at the box office at Mitchell Hall.

Headquarters for the drive will be in the former Western Auto Co. building at 73 E. Main Street, where membership may be purchased. Team captains and volunteer workers, it is planned, will solicit subscriptions throughout the town, aiming as far as possible, to canvass everyone interested.

Membership will entitle the purchaser to see the three concerts on the program, with possibly a fourth if sufficient subscriptions are secured to finance the addition.

The drive will open with a dinner for the campaign workers in the Presbyterian Church, it was announced. The Newark Concert Association selects its artists from the Columbia Concert Bureau, which offers the leading performers of the Metropolitan Opera and Concert Stage. The finest artists in the country, including celebrated instrumentalists, singers, and dancers, are brought to Newark by the Association.

Rated the best small town Association in the nation, in view of the size of its enrollment in proportion to population, the Newark Association offers the finest in musical entertainment at reasonable prices.

Officers of the association are: president, Milton S. Draper; vice-president, George Haney; secretary, Mrs. R. S. Draper; treasurer, Mrs. Robert J. Boyd; membership chairman, Mrs. T. D. Mylrea; and assistant membership chairman, Mrs. George A. Hyde; and assistant secretary, Mrs. George Haney.

Members of the executive committee are: Dr. Walter Hüllihen, Professor Louis; Dr. G. C. Webber, and Mrs. duPont Thomson.

## G.O.P. SLATE FOR COUNTY COMPLETED

Brown Last To  
File Before The  
Wed. Deadline

The Republican Party's slate of candidates for the county was completed this week with the filing for renomination by Register of Wills Isaac R. Brown, Jr.

Other candidates are: Levy Court member Elmer C. Taylor for sheriff; State Senator Burton S. Heal for recorder of deeds; James F. Hearn for coroner; Thomas Earl Banks for Levy Court commissioner.

Deadline for the filing of candidates was noon Wednesday.

Prediction that the Republican Party will show greater strength nationally in the coming election was made by E. Brown, chairman of the Republican State Committee, following the Republican victory in Maine on Monday.

This strength, he believes, will be apparent in Delaware.

The Republican Party in Delaware, as in many other states, is pledged to support President Roosevelt as Commander-in-Chief in the war effort.

Coming To Receive Taxes  
At Home On Monday Evening

Deputy Tax Collector Morris T. Ewing has announced that he will remain at his home, 125 W. Main Street, from 7 p. m. until 10 p. m., Monday, September 21, to receive payment of taxes from taxpayers unable to make payment during the regular daytime hours.

This will be the last chance for taxpayers to make payment of their current taxes in Newark before the deadline of September 30. Those persons desiring to pay taxes between September 21 and September 30 will need to make a trip to the Tax Collector's office at the Public Building in Wilmington.

## Enters Navy

Lieut. George C. Price

Formerly engineer and secretary-treasurer for the Newark Town Council, Lieutenant Price has received a senior-grade commission in the U.S.N.R. and is now stationed at the Naval Operating Base, N.C.T.C. Allen, at Norfolk, Va.

## RECREATION PLAN SET FOR WOMEN WORKERS

Full Activities  
Program for Girl  
Defense Workers  
Is Proposed Here

A recreational program, offering a full schedule of social, educational and entertainment activities for women defense workers living in Newark, will get underway here shortly, it was decided this week.

The project will be sponsored jointly by church and civic groups and the U.S.O. Plans for a complete program of daily activities were discussed at a meeting of the representatives of approximately 15 town organizations in the New Century Club building Monday afternoon.

Practical suggestions for setting up such a program were outlined by U.S.O. officials Mrs. Garnet T. Trainor and Mrs. Rhoda Sutton, from Elkton, who have been organizing similar projects in nearby communities and will assist in the work here.

Already operating in Elkton and Oxford, the programs there offer group entertainments, including outdoor games, roller skating parties, dances, drama groups, suppers, glee clubs, movie parties, Red Cross classes and numerous other events. An equally varied program, it is expected, will be developed here.

In charge of the Newark plan will be a committee, comprising the representatives of community organizations present at Monday's meeting, at which Mrs. J. F. Daugherty was named chairman.

Definite action on the establishment and financing of a community center for women war workers and a headquarters for the activities program will probably be taken this week, with several tentative sites already being considered. The center, it is planned, will be a large room centrally located, staffed by volunteer women, and open to all defense workers. Recreational facilities of the Newark churches and civic groups cooperating in the program will also, it is expected, be placed at the disposal of those in charge.

A second meeting of the sponsoring committee is scheduled for next Monday afternoon, following which work on the entire program will be speeded up.

Stressing the need for such a project in Newark, both U.S.O. representatives Mrs. Trainor and Mrs. Sutton described the problem of enjoying leisure faced by women workers living in a strange community, without social contacts, and with but meager recreational facilities available. Planned entertainment, approved and organized by the community, will do much toward solving the problem, they said.

Council Asks Residents  
To Cut Weeds On Lots

All property owners and residents of Newark are requested by Town Council to take steps immediately to have cut all weeds standing on lots within the town limits.

The Council order, issued yesterday, is in the interest of curbing a wave of hay fever prevalent in the community and also hopes to eliminate a dangerous fire hazard which becomes flagrant when such weeds become dry and brittle in the fall months.

## NEWARK SCHOOL TO HOLD SCRAP CAMPAIGN

Supt. Douglass  
Gives Plan At  
Assembly; Grid  
Schedule Is Cut

Stressing the theme "What can we do?" as students to aid the war effort, Superintendent C. E. Douglass, at the first regular Wednesday morning assembly at the Newark High School, outlined a student scrap campaign calling for every pupil to donate at least a pound of scrap.

Pointing out the increasing changes wrought by the war in school routine and urging students to do their part, Supt. Douglass asked pupils to scour their homes for all types of scrap, emphasizing that such a program, if carried out generally throughout the country, would do much toward solving one of the nation's major problems.

The war's influence was felt in another field. A curtailed athletic program, especially as regards football, was discussed by Athletic Director William K. Gillespie at the assembly.

Although an eight game schedule has been arranged, adhering to it is a matter of doubt, with at least one game already cancelled. Transportation difficulties were given as the chief reason, there being no longer any regular means available for transporting a team out of town, and, in many cases, of opponents reaching here. Bus lines are not permitted, he said, to schedule trips other than on regular routes, excursions and chartering being impossible.

Please Turn to Page 8

## ROTARIANS HEAR TALK ON BONDS

P. D. Lovett  
Is Speaker;  
"Ladies Nite"  
Next Monday

Paul D. Lovett discussed "Defense Bonds" at the regular meeting of the Newark Rotary Club Monday evening in the College Inn, with president T. Russell Silk presiding.

Plans for "Ladies Night" next Monday, when the principal speaker will be W. E. Priestley, celebrated authority on Far East, were discussed at the meeting. The noted lecturer, who will discuss "Formosa" will speak at a special meeting to be held at the Howard Johnson restaurant, Hares Corner.

Defense bonds are the safest investment offered today, said Mr. Lovett, at Monday's meeting, who was introduced by Samuel Handloff, program chairman for the evening. Every bond purchase, he pointed out, is a new blow in the fight against inflation, as well as aiding the government financially to provide war material for men on the front.

At the special meeting Monday, Mr. Priestley, with 21 years experience in the Orient, is expected to give pertinent data on far eastern questions. During the World War, he was engaged in special work for the U. S. Government in Japan.

## ANDERSON AT LIONS

Outlines U. of D.  
P.I.T. Program

A record fall attendance of The Newark Lions Club honored President L. T. Staats at the annual 100 percent meeting of the local club held at the Newark Country Club Tuesday evening.

Thanking the members for their 84.4 attendance achievement, President Staats turned the meeting over to program chairman Ford McBERT who introduced Lt. Col. Sam Anderson, guest speaker for the evening.

Col. Anderson conducted a vitally interesting discussion of the Pre-military Induction Training program now being carried on at the U. of D. in cooperation with the War Department.

Recently transferred to Newark from the Division of Military Intelligence, Col. Anderson stressed the mutual value of the P.I.T. program as it concerns the individual, the University and the war program.

## 77 TIRES APPROVED BY BOARD THIS WEEK

2 Certificates  
For Bicycles  
Also Granted  
Local Residents

Certificates for 77 tires and two bicycles were issued by the Newark Rationing Board this week. Major portion of the forms were granted for re-tread passengers, of which 29 were approved, along with 2 new truck tires, and 1 new passenger tire, the remainder being for obsolete, recapped, or grade II tires.

The list is as follows: George L. Whitley, R. D. 3, Newark, electrician, two passenger retreads; S. Cooper Gregg, Yorklyn, clerk, four passenger retreads; Harry C. Joyce, R. D. 1, Newark, tube roller, four new obsolete; John Pemberton, Newark, elect. welder, two tubes and two obsolete; Philip Sutherland Goodwin, Marlsholton, defense worker, two passenger retreads; Joseph Goluska, Marlsholton, blacksmith, two passenger retreads.

William H. Harris, Christiansa, laborer, four passenger retreads; Gilbert Stewart, farmer, Middletown, two new truck tires; Worth Roberts, Newark, farmer, two passenger retreads; Rollin M. Farmer, Marlsholton, horse farm mgt., two obsolete, two tubes; R. Raymond Lewis, Newark, rural mail carrier, one passenger retread; Richard B. Downey, Newark, farmer, two passenger retreads.

Please Turn to Page 8

## DEMOCRAT NOMINEES SELECTED

County Slate  
Chosen At  
Primary

Democratic voters in New Castle County selected their nominees for county offices and for seats in the Legislature at the primary election on Saturday as follows:

Sheriff, G. Lester Cleaver, Middletown; recorder of deeds, Charles E. Belton, of Woodcrest; register of wills, Charles A. Neugebauer, Jr., of 3115 Washington Street; coroner, William Smith, Jr., 2419 Market Street, and Levy Court commissioner, Sheriff Elias E. Othoson, Newark.

## Levy Court Nominee

Elias E. Othoson

State senator from the First Senatorial District, Charles Boyer, 727 East Seventeenth Street; Fifth Senatorial District, Dr. E. Earl Weggenmann, Newark; Seventh Senatorial District, Rep. Harris B. McDowell, of Middletown, House Democratic floor leader during the last session of the General Assembly.

First Representative District, John F. Newell, 602 Spruce Street; second, William Blackwell, 509 McCabe Avenue; third, William J. McCafferty, Jr., 1719 North Rodney Street; fourth, Francis Q. Lemon, 714 West Eighth Street; fifth, James M. Maloney, 1200 West Second Street.

Seventh, Janvier DeH. McCallister, Newport; eighth, Levi W. Murray, Capitol Trail; tenth, Rep. James Quigley, New Castle; eleventh, former State Senator Frank Moody of near Newark; twelfth, Charles Crompton, St. George; thirteenth, John Heldmyer, Jr., Middletown; fourteenth, John W. Guesford Townsend; fifteenth, Clifford Pryor, Blackbird.

## Files For Senate

George W. Rhodes

Speaker of the House of Representatives at the 1941 session and one of Newark's pioneer and most successful merchants, Dr. George W. Rhodes, pictured above, Tuesday filed as a candidate for the State Senate from the Fifth Senatorial District on the Republican ticket.

Presently unsupported for the Republican nomination, Dr. Rhodes will oppose Dr. E. E. Weggenmann, Democratic nominee, in the November election.

## C. D. BUCK AND WILEY WILL HEAD G.O.P. SLATE

Former Governor  
C. Douglass Buck  
Nominated For  
U. S. Senator

Twice former Governor C. Douglass Buck was nominated candidate for U. S. Senator by the Republican Party at its state convention last Wednesday.

Others on the ticket, all being named unanimously, are as follows: 25th Representative, Secretary of State Earle D. Wiley of Dover; for Attorney General, Chief Deputy Atty.-Gen. Clair J. Killoran of Wilmington; for State Treasurer, John S. Isaacs of Milford; for State Auditor, J. Morris Harrington of Felton; and for Insurance Commissioner, William J. Swain of Bridgeville.

Mr. Buck's election rival will be E. E. Berl, Wilmington attorney, nominated by the Democrats, and Wiley will be opposed by P. A. Traynor, democratic candidate seeking reelection as representative.

The Republican convention was marked by harmony throughout. Former Gov. Buck is expected to present his position on the campaign issues when he formally accepts the nomination for Senator at a public rally officially opening the G.O.P. campaign on Oct. 1.

According to plans of Isaac R. Brown, Jr., chairman of the state executive committee, the rally will be attended by persons from all parts of the state and will be preceded by a reception to the party's candidates given by the members of the First District committee, Leonard G. Hagner, chairman.

## WORKERS NEEDED

Surgical Dressing  
Material Received

The Newark branch of the American Red Cross this week issued an urgent appeal for all women of the community, who possibly can, to volunteer their services to help make surgical dressings at the New Century Club building.

Material for the huge, new war department order has just been received here, officials stated yesterday, and there is a pressing and immediate need for additional workers.

Beginning Tuesday, September 22, the Red Cross workroom at the New Century Club will be open from 10 a. m. until 4 p. m. each Tuesday and Thursday and from 7:30 until 9:30 each Tuesday and Thursday evening.

No Sugar Forms Issued  
By Board After Sept. 30

Housewives are reminded that the canning season closes September 30. No certificates for canning sugar will be issued by the Newark Rationing Board after that date.

Those who have not already done so are urged to apply for their forms at once.

The announcement was made by Mrs. Arthur Haroldson, chairman of the sugar panel.

## COUNCIL TO BUY SIREN FOR TOWN

No Appointments  
Made To Fill  
Vacancies Created  
By Resignations

No appointments have been made to fill vacancies created by the resignation of local Civilian Defense officials last week, Mayor Frank Collins told a representative of The Newark Post Tuesday following a conference with Ralph Minker, New Castle County Civilian Defense Coordinator. Both Mayor Collins and Mr. Minker expressed the hope that the men who resigned would reconsider and continue to serve the Newark area in their respective capacities.

H. L. Bonham, Chairman, A. W. Perry, Vice Chairman, Al Relf, C. M. Palmer, C. Frank Powell and Newman Rose all submitted resignations from the Defense Council, last week, following Town Council action in appropriating \$300 toward a proposed schedule of equipment, needed for protection of life and property in Newark, total cost for IMMEDIATE NEED of which was set at \$3,570.00 in the itemized schedule prepared by Defense Council officials.

Following the wholesale resignations and subject to confirmation of the Town Council, Mayor Collins said,

## SPECIAL MEETING

The Council of Newark will hold a special meeting at the council office, 26 Academy Street, tonight to reconsider and possibly supplement their recent appropriation to the Newark Council for Civilian Defense.

Only four members of the council were present at the regular meeting, held September 8, when a schedule outlining supplies and material considered necessary for the local civilian defense program was submitted.

A full attendance of the Town Council, representatives of the Civilian Defense Council and other prominent citizens, is expected to be on hand for the meeting this evening.

Tuesday, that he felt the Council would pay for and erect the 7 1-2 H.P. siren on the water tower across from the Country Club. The other six smaller sirens, which have also been delivered at Town Council offices, may be returned, the Mayor said. It is thought, however, that if Town Council and Defense Council heads agree, funds contributed to the Newark Siren Fund and other donations which have not yet been reported, will nearly defray the expense of these sirens.

In the meantime, the Newark Council for Civilian Defense continues without official guidance pending reconsideration of resigned heads or appointment of their successors. It has been rumored that unless some compromise or progress is definitely reported this week there will be a mass protest meeting held to bring the situation to a head.

The proposed schedule showing cost of equipment needed for protection of life and property in NEWARK, as submitted.

Please Turn to Page 8

## 1350 TOTAL ENROLLMENT AT SCHOOLS

Approximately  
Same Figure  
As Last Year

Total enrollment for the Newark Public School District was set at 1,350, announced Superintendent C. E. Douglass this week.

With more pupils still expected to register, the figure compares favorably with the 1,380 enrolled during the first week of school last year.

Faculty members assembled for their first teachers meeting of the year in the high school auditorium the day preceding the opening of school. Ten vacancies occurred on the staff this summer, nine of which have been filled despite the acute teacher shortage which has developed. A good twenty percent of the faculty will consist of new faces this term.

As announced previously, only post remaining unfilled is that of Industrial Arts Instructor. A limited Arts program, however, will be conducted, with one shop course being held daily.

## STANTON P. E. CHURCH TO REOPEN ON OCTOBER 4

**Renovations Expected To Be Completed By That Date**

Stanton, Sept. 17th — The St. James P. E. Church School resumed services on Sunday following the summer vacation, being held in the Parish house, pending the completion of church repairs. The formal opening of the church will take place on Sunday, October 4th, following complete renovation.

Services in the Stanton Methodist Church on Sunday were in charge of the Rev. F. O. Baynard. The morning topic was "The Need of a Mid-Week Service." The evening subject was "Bearing the Burden."

The Stanton school enrollment this year is 152 pupils, stated Miss Lora Little, Principal. The second and fifth grades are divided because of the large enrollment. The School Cafeteria also reopened on Wednesday, under the direction of Mrs. Jane Chambers. Visitors at the school this week included Mrs. Phyllis Heck, Supervisor, and Mrs. Bertha Barnes, Attendance Officer.

The Young Women's Class of the Stanton Methodist Church met on Monday evening at the home of Mrs. William Vanamon, with Mrs. Emily Lucas, assisting the hostess.

Mrs. Walter Boys of Stanton has returned home after spending a few days with her husband, Sergt. Walter Boys of Fort Benning, Ga. Mr. Edgar Boys, a brother, and Mrs. Sara Boys, mother, also made the trip.

Mr. and Mrs. Jacob Maclary had as their guests on Sunday, Mrs. Elizabeth Atkinson of Wilmington, Mr. and Mrs. C. P. Donovan of Newark; Mr. and Mrs. J. William Turner of Wilmington, and Miss Emma Maclary of Newport.

Mrs. Walter Foster of Stanton, visited her parents, Mr. and Mrs. William Jackson of Elk Mills, Md., this week.

Mrs. Bessie Crawford of Wilmington is the guest here this week of her daughter Mrs. William Hollett.

Mr. and Mrs. C. M. Newcomb of Stanton have returned home from a vacation trip to various points in New York State.

Pupils of the Stanton School have started their magazine subscription campaign for the benefit of school affairs to be conducted during the year, and for the annual trip of the graduates.

## FARM SCRAP HARVEST

**War Bonds As Prizes**

October 1 to October 21 inclusive has been announced as the time selected for Delaware's National Farm Scrap Harvest Drive. Special representatives from local Granges, F.F.A., or other school groups, 4-H clubs, AAA committees, Fire Companies, and Farm Implement Dealers will assist the present local salvage committees in making detailed plans for the drive in each community.

In order to encourage the participation of rural organizations County prizes will be awarded to the ones collecting the most scrap. Three \$25.00 war bonds will be given in each County, one to the highest F.F.A. Chapter, one to the highest 4-H club, and one to the highest subordinate Grange.

## 26 Vacancies Still Exist in State's Schools

Twenty-six vacancies in the teaching staffs of the secondary schools in Delaware, including Newark, exist at the beginning of the fall semester, Dr. John Shilling, assistant state superintendent of public education in charge of secondary schools stated today.

In each of the following schools, one teacher is needed in the department named: Newark, manual training; Claymont, mathematics; Alfred I. duPont, mathematics; Harrington, art; Lord Baltimore, art and manual training; Selbyville, science; Henry C. Conrad, mechanical drawing; Greenwood, manual training.

Schools where two teachers are needed and the departments are: Georgetown, chemical and art; Milford, art and physical education; Middletown, physical education and social studies; John M. Clayton, commercial and manual training; Seaford, chemical and English; Marshallton, science and social studies; Delmar, mathematics and science; Milton, agriculture and science and mathematics and science, and Georgetown (Negro), English and social studies, and English and mathematics.

One of the largest Marine Corps bases, San Diego, Cal., was first occupied by Marines in December 1921.

An honorable discharge in the U. S. Marine Corps contains the words "Fideli certa merces," which means "to the faithful, reward is certain."

## Demands for Bibles Jump in N. Y. Air Alert

During New York's Labor Day air-raid alert, caused by a briefly unidentified Army bomber, an Eighth Avenue hotel reported its desk received many calls for Bibles.

One woman, who insisted on one being sent up immediately, was told that there was a Bible in her room. "I know that," she countered, "but my husband is reading it."

## HOME FOOD PRODUCTION CUTS COST OF LIVING

**58 Families In State Produced \$15,000 In Food For Home Use**

This past year, 58 Delaware farm families cooperated with Miss Louise R. Whitcomb, home management specialist for the Delaware Agricultural Extension Service, in keeping complete family living cost records. The summary of these accounts reveals that these families produced \$15,000 worth of food and fuel for their home use.

Delaware farm families who are following such a program of home food production this year find their efforts well rewarded. In addition to meeting winter food requirements, home produced food is an important factor in reducing the family living costs.

The production and conservation of this food on the farm meant that these families enjoyed diets which included the protective foods such as milk, eggs, fruits, and vegetables.

Present indications are that more foods for home use are being canned and stored this year than in the past. Such a program, says Miss Whitcomb, will insure better diets and release cash funds to pay off debts and help with the war effort.

In addition to producing, canning and storing an adequate family food budget, supplies of similar foods will be available for use by our armed forces and our war industry workers.

Although many rural homemakers have already canned a substantial part of their food requirements, Miss Whitcomb urges that no vegetables and fruits be permitted to go to waste. During the coming weeks farm families are especially urged to store their products from the fall garden.

## STATE FREE OF TYPHOID FOR YEAR

**Only One Case Reported In County**

"Delaware, I believe, has the distinction of being the first state that has ever passed through a full calendar year without a death from typhoid fever," says Richard C. Beckett, State Sanitary Engineer, in an article in the State Board of Health issue of the Delaware State Medical Journal.

Last year Delaware did not have a single death from typhoid and only 11 cases of the disease. New Castle Co. had 1 case. Ten years ago there were 11 deaths from typhoid fever in Delaware and 51 cases of the disease, of which 4 cases occurred in New Castle County. The year before that showed a marked increase with 125 cases in the state resulting in 18 deaths.

"There are many factors," says Mr. Beckett, "which have contributed to the gradual reduction of cases of ty-

phoid fever and deaths from this fifth born disease. When the Division of Sanitation was organized in 1924, pasteurized milk was available in Wilmington, Milford and Dover only. Last year pasteurized milk was available in all the incorporated towns in the state, some with populations as low as 125 people.

"Safe public water supplies have also increased both in the suburban areas and down state and are available to a far greater number of people than formerly."

Two other programs which Mr. Beckett feels have been important factors in the effort to reduce the typhoid fever death rate in Delaware are the sewer and community sanitation programs.

## Mother and Son Doing Well—Dad Does Not

The birth of a 7 3-4 pound son early Sunday morning to Mrs. Len Merullo had a disastrous effect on the fielding of the Chicago Cub's shortstop.

Merullo gained the dubious distinction of setting a new record for errors for a major league shortstop in a single inning when he was charged with four misplays in the second frame of the nightcap between the Braves and Cubs Sunday.

Mother and baby are reported doing well.

Residents of Newark and all Property Owners are requested to

## Cut The Weeds

On all lots within the town limits.

Cutting of weeds is essential to the health, welfare

and elimination of fire hazards in the community.

By Order of The

COUNCIL OF NEWARK

**COME ON!**  
*Let's Get It Over With!*

FACTORY windows ablaze at night . . . long freights rolling by in the twilight . . . somewhere to the north, six bombers, motors idling, poised eastward on a runway in the gray dawn. The signs of American production.

O. K. Uncle Sam, we're with you.

Electricity, too, has rolled up its sleeves to "get this job over with." Turning the wheels of industry ever faster . . . helping produce greater quantities of better ships, shells, tanks and planes for our fighting forces.

For electricity is a vital part of all industries in this "all out" effort to end the war sooner—victoriously, to once again return to peaceful pursuits of helping to raise the American standard of living to still greater heights.

*"The Public Appreciates Service"*

600 MARKET STREET

WILMINGTON

PHONE 6211

*What's the Answer?*

**Why were bicycles called "boneshakers" in the old days?**

**ANSWER:** Bicycles were called "boneshakers" about 1865, because they had heavy wooden wheels with thick iron tires which vibrated on the cobblestones.

**Where can you find a list of the bicycle dealers in your vicinity?**

**ANSWER:** When you want to repair your old bicycle, you'll find the dealer nearest to you listed in the Yellow Pages of the Bell Telephone Directory—as well as the Dentists, Veterinarians, Chiropodists, Photographers, Druggists and many other services.

You can save time and many steps these busy days if you look in the Yellow Pages when you want to know "where to buy it" or who will do the job.

*You'll find it in the YELLOW PAGES!*

## WHAT TO DO IN CASE OF A BLACKOUT

### Defense Officials Compile Bulletin Of Instructions

Civilian Defense Bulletin No. 2, just issued, gives complete instructions to civilians to be followed when the "blacks" catches them on the streets or highways.

Every pedestrian and driver is urged to study these instructions carefully and follow them to the letter in cooperation with volunteer workers in Civilian Defense units.

#### VEHICLES PERMITTED TO OPERATE:

1. Vehicles of the Armed Forces of the United States.

2. Ambulances, Governmental and Police agencies, Fire Vehicles, Vehicles when properly identified, being used officially by order of the Civil Defense Council, Members of the Civil Defense Corps en route to posts.

3. Public utility vehicles, when properly identified, actually in emergency service for the repair or control of Public Utility Facilities.

4. Vehicles, when properly identified, under actual control of Officers or Enlisted Men of the State Guards, and actually in Emergency Service.

5. Vehicles, when properly identified, transporting war materials, mail, doctors, nurses, clergymen, and workers in defense plants.

6. Vehicles of passenger transportation companies operating over duly certificated or franchise routes.

#### PEDESTRIANS PERMITTED TO PROCEED:

a. Members of the Air Spotting Corps en route to their posts will be permitted to proceed to those posts during practice and actual air-raid warnings.

b. Men in the uniform of the Army of the United States will be handled as civilians during blackouts or air-raid drills unless they are on Official Business in connection with the Drill or other Army Business. They will not be required to divulge the nature of their business nor organization, but their names and rank should be noted by the Air Raid Warden or Auxiliary Policeman and reported if they insist on proceeding.

c. Defense workers with identification buttons or passes will be allowed to proceed to work after their names and identification numbers have been taken down (to be turned into headquarters). Anyone without identification insisting on passing will be escorted to Headquarters to apply for a pass. This latter applies to vehicles as well as pedestrians.

d. Civilian Defense Messengers will be permitted to proceed whether on foot or bicycles.

#### TRAFFIC CONTROL:

Traffic will be controlled and directed by the State Police and the authorized Auxiliary Police. Wardens may act for Auxiliary Police when deputized for a specific station or occasion.

#### PEDESTRIAN CONTROL:

Pedestrians on the streets without authorization should seek the nearest shelter and get off the streets. If at home, people should not remain in their yards or on their porches but should take shelter in their houses.

#### PARKING REGULATIONS:

Vehicles shall draw to the side of the road or street off the pavement, dispersed, if possible, but parked in first available space so as not to obstruct use of the road or street, or any intersecting road or street, police or fire station driveway, other driveway, or fire hydrant, or at the discretion of the officer. In no event, leave less than 15 feet of unobstructed roadway space for the passage of emergency vehicles.

Wardens and Police should arrange for the safety of occupants of parked cars, guiding them to shelters.

#### DRIVING RESTRICTIONS:

a. Speed limit: During Blackouts vehicles shall not be operated at a speed

of more than 15 miles per hour, whether inside or outside the limits of incorporated cities or towns. This shall not apply to Police, Fire or Ambulance Vehicles on Emergency Runs.

b. No operator of a vehicle shall pass any other vehicle, proceeding in the same direction, on a two-lane highway. No vehicles shall follow another vehicle, traveling in the same direction, closer than 100 feet.

#### IDENTIFICATION OF VEHICLES PERMITTED TO OPERATE:

Until further notice, the present Official Civilian Defense Flags will be acceptable. Police will turn in license number of all Civilian Defense Cars going through their zones.

#### IDENTIFICATION OF DRIVERS:

Essential driver personnel shall carry the standard identification card issued by the Local Council of Defense and, upon request, shall produce other papers or credentials to warrant their mission.

#### BLACKOUT LIGHTING EQUIPMENT:

Until approved blackout lamps are available, essential cars may operate on parking lights (not dimmers).

The use of color for dimming effect on car lamps is not permitted during a blackout, excepting Police, Fire Equipment, or Ambulances for Emergency Runs Only. Permitted lamps on cars are not intended to produce enough light for safe driving, but to serve as markers to warn approaching vehicles of the presence of another vehicle.

#### VIOLATIONS:

All violations of Air-Raid Warning Restrictions should be reported to Headquarters, giving name, license number, address, or other identifying information.

Names, etc., of violators are turned in to, and kept on file by, the State and Local Police. Punitive measures are promptly taken with second offenders.

## POULTRY RECORD CALENDAR AVAILABLE

### Simplifies Work Of Keeping An Accurate Check On Egg Business

"Do your hens keep you or do you keep your hens?" — that's the question Delaware poultrymen can best answer through keeping records, says W. S. Skoglund, extension poultryman for the Delaware Agricultural Extension Service.

And to simplify and lessen the work required to keep an accurate check on the business of producing eggs, Skoglund has prepared a new poultry record calendar which is available to poultrymen of the State.

In this new record calendar poultrymen can record their egg production, expenses and receipts and provide themselves with information that they will surely find helpful in their all-out effort to produce their share of the vast quantity of eggs needed.

Incorporated in the calendar are timely suggestions for the poultryman for each month of the year. The calendar is prepared so that it may be hung in the poultry house feed room where it will be handy to enter the various figures.

As each month's record is completed poultrymen may forward a duplicate copy of this record to the county agricultural agent who will assist them in correcting any problems facing them. He will also supply each cooperator a state summary of all flocks reporting.

Skoglund recommends that all poultrymen begin their laying flock records on October 1, and advises that copies of the Extension Poultry record calendar may be obtained by addressing a request to the county agricultural agent.

## MEETING HELD BY WOMEN'S SOCIETY

### Marshallton Bible Class Met At Home Of Mrs. J. Kelso

Marshallton, Sept. 16 — Mr. and Mrs. Edwin C. Denny, Jr., Brookland Terrace, are spending this week in Cleveland, Ohio, where Mr. Denny is attending a labor convention.

The Woman's Bible Class met Monday evening at the social hall of Marshallton Methodist Church, with Mrs. John M. Kelso presiding.

Mrs. Harvey White, chairman of the first aid work and dressing stations for the Civilian Defense Council of the Mill Creek Sector, has announced the formation of a class in first aid commencing this past Monday night at 7:30 o'clock at the Mill Creek Fire Hall.

The Marshallton 4-H Club met Monday evening at 7:30 o'clock at the home of Mrs. Sylvester Brittingham, adult leader, to plan fall activities.

Sergt. Francis Newell of Fort Jackson, South Carolina, has recently been promoted to the rank of staff sergeant. Francis is the brother of Mrs. Howard Glick of the Cedars.

Irwin G. Klair, superintendent of Red Clay Creek Presbyterian Church School, appointed the following delegates Sunday to attend the forty-fifth annual convention of Mill Creek Hundred Sunday School Association at Ebenezer Methodist Church Thursday.

Mrs. Herbert Pierson, Mrs. Henry Goss, Mrs. Leonard C. Eastburn, Mrs. Evans H. Crossan, and Mrs. Warden Goss.

The Missionary Society of Red Clay Creek Presbyterian Church will begin its fall activities on September 24.

Guests Sunday at the home of Mr. and Mrs. Lawrence H. Pennington at "The Mermaid" were Mr. and Mrs. Howard Gow Welch of Garden City, Long Island, New York, Miss Mary Welch, and Miss Livingstone of Reading, Pennsylvania.

The Civilian Defense Council of the Mill Creek sector has completed arrangements for opening the sector control center, located in the fire hall building, on a 24-hour schedule.

Mr. and Mrs. William H. Bennertum are in charge of the volunteers who will serve at the center.

The schedules follow: 6 a. m. to 9 p. m. Volunteer Women of the sector, and from 9 p. m. to 6 a. m., members of the Mill Creek Fire Company. The women will work in pairs serving on three-hour shifts.

Scott V. Norris, sector Commander, presided over last night's meeting and films of local community life were shown by Joseph A. L. Errigo.

The Council voted to purchase helmets and safety belts for all members of the Auxiliary police corps and also to purchase warden signs for the various warden posts throughout the sector.

Howard E. Wivel was appointed chief air raid warden, succeeding Howard

and E. Work, resigned, and Miss Helen Norris was appointed chairman and of messenger service.

A drive will be made for additional volunteers, especially messengers and all persons 15 years of age and older may offer their services by calling at the control center.

Mrs. W. H. Bennertum, salvage chairman, announced that another campaign is in progress to collect additional salvage and urged all block wardens to make lists of families still having salvage material.

The public is also urged to save its tin cans and to bring them to the salvage depot near the Marshallton School where they will be collected. The Council will hold another meeting in two weeks.

Miss Mary Alice Pierson, daughter of Mr. and Mrs. Joseph R. Pierson, of Old Wilmington Road, left this week for Princeton, New Jersey, where she will enter the Westminster Choir School as a freshman.

Miss Pierson graduated last June from Conrad School where she was a member of the National Honor Society, the Glee Club, the Oread Club, and the Conradian Press Club.

## APPLES CURRENT V-FOOD SPECIAL

Fresh apples, designated a Victory Food Special by the Agricultural Marketing Administrator Roy F. Hendrickson, will be featured during the period September 17 through the 26th by local food dealers cooperating with Uncle Sam's "food for freedom" campaign, it was announced by Clifford W. Shedd, local representative of the AMA.

"Food can be the most effective weapon of war," said Mr. Shedd, "provided all who handle food use it without waste."

Consumers in this area are urged to help conserve America's wartime food supply by using more fresh apples, which have been named a Victory Food Special because of unusual abundance during the designated period. In spite of the heavy demand for processed apples for military, Lend-Lease shipment and other wartime requirements, an abundant supply is available for domestic consumption.

Increased use now of apple varieties at their best and most bountiful will conserve other foods needed for war, and will also help farmers continue producing the quantities needed to meet war needs, Mr. Shedd pointed out.

In spite of transportation and labor shortages commercial apple production for 1942 was estimated on August 1 at 122,215,000 bushels, an increase over last year's crop.

Twelve different food commodities have preceded apples as Victory Food Specials. Others will follow. "By watching for these Victory Foods and using them abundantly when they are featured, every consumer can contribute to this national effort to make the maximum use of our food supply," stated Mr. Shedd.

Aboard ship United States Marines man the secondary batteries and anti-aircraft guns.

## AMAZING PROGRESS FORESEEN

"The world of 1940 has already become an antiquity," Dr. Charles M. A. Stine, chief of research and development for the duPont company of Wilmington declared in the opening address of the general session of the American Chemical Society on Labor Day.

He said science and invention are meeting the challenge. The war "is compressing into the space of months developments which might have taken half a century to realize if necessity had not forced the pace;" and he told the convention that aluminum production will be seven times greater by the end of next year than it was in 1939, and sufficient to furnish in one year enough metal to build three times the number of passenger cars now operating on all American railroads. There will be such an improvement in fuels, he said, that "the petroleum chemist now sees all existing motors as out of date," and he emphasized his belief that "we are now in the 1960's of motor cars, as measured by the old pace of development" which indicates that new autos will make 50 miles to the gallon.

Dr. Stine asserted "that the high-pressure synthesis of ammonia" will take on an industrial status that "in terms of new producing capacity, may be comparable to the discovery of a sixth continent," and he suggested that the new capacity of fertilizer chemicals "will be so large that the trends of agriculture may be changed," while we will have glass that is unbreakable and glass that will float, wood that won't burn and laminations of plastics and wood that will compete with structural metals; and chemical rubbers manufactured from petroleum, alcohol, coal and limestone; and ten, fifty or a hundred times more new materials than we ever had before. He said there would be new fabrics for clothing, steels to challenge the new light metals; things to be made from chemical building blocks of hydrogen and carbon; new houses made at low cost of new materials and painted with new paints; developments in medicine which might ultimately "outweigh by many times even the staggering losses of the world-wide conflagration."

All persons who have followed the creation and development of thousands of new products of chemistry since the last world war know that Dr. Stine ranks with all the great scientists of our times.

Dr. Harry N. Holmes, president of the Society and a member of the faculty of Oberlin College, and Drs. Donald F. Othmer and R. L. Ratcliffe, of the Polytechnic Institute of Brooklyn, and others confirmed Dr. Stine.

The proceedings of the American Chemical Society have been featured in newspaper reports. The subjects tackled included longevity, diet, foods, calories, vitamins, dehydrated foods, and reports of experiments on the lungs and liver of human beings down the line to investigations of why mice die of pneumonia and whooping cough.

Three centuries ago a famous philosopher whose name still lives asserted: "Tomorrow I found a horse shoe." Evidently American science and chemistry have full knowledge of the mysteries connected with tomorrow's horse shoes.

## KEEPING THE CLOTHES ON OUR BACKS

About this time of year, with the cold months directly ahead, most housewives throughout the land follow the traditional custom of getting out their woolen blankets and heavy woolen clothing to have them ready for use when the frost comes.

This year there is special importance attached to this tradition because new wool for civilian use is scarce and may grow scarcer. Practically our entire domestic wool output is being used to fill demands of the Army and Navy. From now on clothes and blankets will be made more and more with blends of new wool and synthetic fibers, and reused and reprocessed wool.

In spite of recent developments in the manufacture of fibers competitive to wool, no synthetic fiber has yet been produced to equal the degree of durability and resistance to cold that wool affords. During the winter ahead of us, maintenance of the health of the civilian population will become increasingly important. And in order to make it possible for all of us to get the greatest mileage out of good woollens already owned or about to be purchased, experts have compiled some suggestions which we think are highly important.

Under the heading of general care we are advised to observe the following rules: (1) Always hang your clothes, preferably on wooden hangers, hanging trousers from the bottom and removing all weighty objects from pockets; (2) if you have several suits, wear them in rotation; hand-press whenever possible and let them hang for at least a full day before wearing; (3) always give suits a good brushing before hanging in order to remove dirt and dust; (4) never hang sweaters, but fold them and place on a shelf or in a drawer to avoid pulling them out of shape.

The washing of woollens is a special art which even the best of housewives will admit. Whenever in doubt, don't hesitate to check with your neighbor on your laundry. In general, woollens should never be soaked. Use only lukewarm water and plenty of mild, neutral soap suds. The goods should be kept in easy motion and the soap should be rinsed out in water of the same lukewarm temperature. After washing, squeeze them dry in a heavy towel. Never wring or twist them. Dry in a warm place but never in the sun or before a radiator or open fire.

A magazine quotes a girlish statement contained in the early diary of Peggy Joyce of marrying fame. "I shall never marry, because all men deceive their wives." Her subsequent career illustrates the saying that a lady has the right to change her mind, and usually does.

AN AMERICAN "FIRST"—Capt. Billy of Skidmore, Mo., who distinguished himself by being the first American fighter pilot to drop a bomb in the western desert in the Middle East war zone.

## Weekly Sermon

Waiting on God

Text: "They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."—Isaiah 40:31.

We read here of three things which the child of God is enabled to do. There is a progression in the order in which they are mentioned, and there is also a progression in the effect of those three exercises.

First, we may mount up with wings as eagles. We may go up into the enjoyment of God's light and life. There is no mention here of becoming tired. For there is nothing exhausting about entering into the enjoyment of heavenly things on the wings of some eloquent sermon on a Sunday morning, or in living in a spiritual atmosphere while attending church.

But to run the race set before us in the presence of spectators, to maintain a clear Christian testimony on our course through the world, here is where weariness begins. How easy it is to pause for rest and so fail to impress others with our earnestness and the reality of the prize of the high calling of God in Christ Jesus.

Then comes the walk, and the fainting. Of all that we do this surely is the thing for which we most need strength—to walk in fellowship with those who are our brethren and sisters in the Lord; to walk together in spite of temperaments and tempers, of misunderstandings and differences of opinion.

Walking is always associated with fellowship in the Bible; that fellowship that shares all that comes—the tears, the disappointments, as well as the joys. Is not this walking the thing that causes us to faint?

But looking at this verse the other way around, it is as we walk together, waiting upon the Lord, that we shall be enabled to run before others without wearying, and to soar into the heavenly places where our communion is with Him.

Is this difficult? How good to read verse 29: "He giveth power to the faint; and to them that have no might he increaseth strength." May the Lord help us to wait upon Him that these things may be ours.

## Bathing Kittens Part Of Fraternity Initiation

Bathing a kitten in front of the State Theatre was part of the initiation ceremony given eight University of Delaware students Monday by the Theta Chi Fraternity. Officers Bud Wassmer and James Smith had to disperse the crowd which collected on the sidewalk. Those initiated were: Barney Runcie, Harold Shaw, Paul Bender, Tim Maroney, Burton Willard, Robert Lewis, Arthur Carswell, and Tom Waller. Others will be initiated next week.

## Home Education

Issued by the National Kindergarten Association, 8 West 40th Street, New York City. These articles are appearing weekly in our columns.

### "CAN'T A GUY DO ANYTHING?"

"Bruce, please don't turn the water on the window box. The sun's too hot." Mrs. Bradley's voice held a weary note of irritation. Why must Bruce be so trying on a hot, busy morning like this?

There was, also, a distinctly peevish note in her eight-year-old son's response. "Jimmie, Mom! Can't a guy do anything?"

"Bruce, you've said that twenty times this morning. I do believe. I wish you'd try not to say it so much." "Have I, Mom?" The small boy stared up through the open dining room window at her. "Twenty times! Whew, that's a lot."

He was thoughtful a moment, then exclaimed, "Well, Mom, I've only said it when you told me not to do things, so that proves what a lot of things I'm not allowed to do around here."

With a shock, Mrs. Bradley realized that her son's remark was true. He hadn't repeated his monotonous query any other than she had said, "Don't!"

If his expression had been tiresome to her disciplined, adult mind, how much more so, must hers have been to him! Mrs. Bradley felt that she must do some deep thinking. She couldn't do it with the clear-eyed gaze of her son upon her.

"Bruce, will you go on an errand for me?" she asked. There was no irritation in her tone, now. "Sure, Mom, sure. Where to? May I take Tuck along?" His tone, too, had changed—it was eager and had lost all fretfulness.

"Yes, you may take Tuck. It will be a nice little trip for him. I have a magazine to send to Mrs. Jensen. It's quite a distance to go this warm morning."

"I don't mind—honest I don't. There's lots of shade."

There was a mist in Mrs. Bradley's eyes as she watched him step blithely down the street.

"The first 'Please do', instead of 'Don't', that I have said this morning—and look how he responds to it," she murmured contentedly.

She stopped her work and sat down in a chair. "Let me see. What are some of the 'don'ts' that I have handed out so freely to the child this morning?" she said. "There was, 'Don't make Tuck growl.' Don't come to the table until you have combed your hair." "Don't leave the screen door open." "Don't ask for another cent today." "Don't—O, I had better get a pencil and some paper and go at this in a businesslike way!"

Carefully, Mrs. Bradley listed all the "Don'ts" she could remember having inflicted on Bruce that morning. Opposite them, she listed the positive requests which she might have made in place of the negatives which had so irked her small son. She now realized how easy it would have been to stay,

"Please take Tuck out for a little run, Bruce," instead of "Don't get that dog barking. I'm trying to phone."

Instead of telling him not to water the petunias, she could have suggested some use of the water which would have been beneficial or at least would have done no harm.

"With a little thought, I could have avoided all those unwise negatives," she decided. "In the future, I shall certainly try to avoid them. But if I forget, when Bruce says, 'Can't a guy do anything?' I'll say, 'Surely a guy can do something. Son,' and then I'll suggest something interesting to do. I have a suspicion," with a wry smile, "that it will help my disposition as much as it does his."

And Mrs. Bradley was right, as she soon proved.

## FOOD for THOUGHT

Charlotte Spencer Hurley

"Summer Meals"

Hot weather affects appetites differently. Some people want scarcely anything to eat while others eat as heavily as if it were ten degrees below.

For people who want much less to eat in summer than in winter, there is danger that they will not eat a well balanced diet. They still need as much or more milk, eggs, fruits and vegetables. The foods which they omit should be only such things as fat meats, fried foods, heavy desserts and sweets. There was a recent report of between meal hot dogs and soft drinks forbidden to men at any army post because the soldiers weren't eating the well balanced meals prepared for them.

There are equal dangers for people who overeat in hot weather. In winter extra food is needed to keep the body warm. In summer few of us want the extra heat or fat that overeating may produce. Then too hot weather digestions are more easily upset so less fatty and less highly seasoned food is a safe rule.

Too many cold drinks may, like a cold shower, actually result in making you warmer by the emergency heat production with which the body responds. Milk drinks and fruit juices are the most healthful of hot weather beverages.

The best rule for eating in hot weather is to eat moderately at regular meal hours. Include plenty of milk, fruits, vegetables, cheese and eggs but avoid foods which are heavy and difficult to digest.

## VIRGINIA EVANS TO BE BRIDE OF LIEUT. VAUGHN

The marriage of Miss Virginia Evans, daughter of Mr. and Mrs. G. T. Evans of South College Avenue, to Lieutenant Molloy Clark Vaughn, Jr., son of Mr. and Mrs. M. C. Vaughn of "Dixie-del Farms", Lewes, Delaware, will take place tomorrow evening at 8 o'clock in the First Presbyterian Church of Newark. The Reverend H. Everett Hallman, pastor, will perform the ceremony. A reception will follow at the Newark Country Club.

Miss Louise Laval Vaughn, sister of the groom, will be maid of honor. The bridesmaids will be Miss Barbara Medendorp and Miss Frances Williams both of Baltimore, Maryland, and Miss Isabelle Ashbridge and Mrs. John Prior Sinclair of Newark.

Mr. Stephen Vaughn will be his brother's best man, and the ushers will be Lieutenant Russ Willard, of Fort Salisbury, Delaware; Mr. Allan Mowbray and Mr. Pete Raeburn of Wilmington; and Mr. Calvin Gerner, of Southmore, Pa.

Miss Jean Bryan, of the Music Department of the Women's College, will be soloist, accompanied by Miss Nell Wilson, organist.

Both Miss Evans and Lieutenant Vaughn are graduates of the 1942 class of the University of Delaware. Lieutenant Vaughn is attending the Balloon Barrage School at Camp Tyson, Paris, Tennessee.

Among the parties given for the bride-elect was a luncheon shower given by Mrs. Sinclair and Miss Anne O'Daniel of Washington, D. C. Following the wedding rehearsal Thursday evening, Mrs. Sinclair will entertain the bridal party at her home.

On Friday Mrs. Harry L. Bonham of Newark is entertaining at a luncheon for the bridal party, families, and out-of-town guests, and Mrs. Donald M. Ashbridge will be hostess at a buffet supper.

After a wedding trip, Lieutenant Vaughn and his bride will reside at McKendzie, Tennessee.

## BIRTHDAY PARTY FOR CHARLES K. SKINNER

Charles K. Skinner, son of Dr. and Mrs. Glenn Skinner, celebrated his seventh birthday on Sunday. He entertained a few friends at a croquet party.

Among those attending were George Webber, Sammy Gray, Peter Mahanna, Janet Chalmers, Caroline Chalmers, Glenn Skinner, Jr., and Charles Skinner.

## NEWS ABOUT LOCAL BOYS IN SERVICE

William M. Coverdale left Monday for service with the U. S. Navy. He has been appointed petty officer, third class, in the yeoman service. Coverdale served with the State Highway Department for five years. In January, this year, he was employed by the duPont Company experimental station. He attended the University of Delaware and Bescom College.

Word has been received from the War Department by Mrs. Orville Little that her son, First Lieutenant William K. Richardson, has arrived safely at his new destination. He is on foreign soil but the location is not known.

Lieutenant Grover T. Surratt, who has been in the hospital at Fort Ord, California, suffering from sinus trouble, is reported as improving. Lieutenant Surratt reports that "weather conditions there are most unfavorable".

Word has been received by Mr. and Mrs. Ernest C. Jamison that their son, Ernest M. Jamison, has been sent to 577 Technical School, Squadron AA-FTTC TS22, Replacement Training Center, Miami Beach, Florida.

Among the recent promotions of service men is that of George A. Kennedy of Newark, who has been promoted to corporal at Camp Forrest, Tennessee.

Col. Lewis R. Parker, commanding officer, Army Air Base, Bolling Field, in Washington, D. C., has announced the promotion of Roger P. Watkins of Wilmington to corporal. Corporal Watkins is the husband of Mrs. Caroline Johnston Watkins of 1807 Washington Street, Wilmington, formerly of Newark.

## PYTHIAN SISTERS TO ELECT OFFICERS

The Degree Association of Friendship Temple No. 6, Pythian Sisters, will hold their first fall meeting on Thursday, September 24, at 8 o'clock at the home of Mrs. Mildred Crill, Annabelle Street.

Mrs. Clara Morris, president, will

preside. Co-hostesses will be Mrs. Helen Bramble and Mrs. Edna Berger. An election of officers will be held, and all members are requested to be present at this meeting.

## LADIES BIBLE CLASS TO RESUME MEETINGS

The first fall meeting of the Ladies Bible Class of the Newark Methodist Church will be held in the Ladies Parlor of the church on Monday, September 21, at 8 o'clock.

Mrs. Frank Jamison, president, will preside at the meeting.

Mrs. R. E. Stone will be in charge of the entertainment, and Mrs. Helen Beswick will be in charge of refreshments.

## BIBLE CLASS TO HOLD REGULAR MEETING SUN.

The regular meeting of the Ladies Bible Class of the Newark Methodist Church will be held on Sunday morning at 10 o'clock.

The subject for the morning will be "Judah, an example of self-sacrifice. How even material things of life are often used by God for bringing us into new circumstances".

Friends are invited to attend these weekly meetings and spend an hour of study with the group.

## R. T. JONES, JR. RECEIVES DEGREE

At the convocation services at the University of Pennsylvania last evening, Robert Thomas Jones, Jr., son of Mr. and Mrs. R. T. Jones of West Main Street, received the Degree of Bachelor of Science in Economics from the Wharton School.

Jones enlisted in the Naval Reserves last December and is now awaiting orders to report for service.

## CHESTER GIRL WEDS WALTER C. WHITE

Announcement has been made of the marriage of Miss Elvina U. Brighton, daughter of Mrs. Joseph Wagner of Chester, and Mr. Walter Carol White of Audubon, N. J., son of Mr. and Mrs. John C. White of Newark. The ceremony was performed in the First Baptist Church, Chester, by the Rev. Louis J. Velte at 6:30 p. m. Saturday, September 12.

The bride was given in marriage by her stepfather, Mr. Joseph Wagner. Miss Florence MacLean of Chester, cousin of the bride, was maid of honor. Mrs. William Brighton of Folcroft was bridesmaid.

Mr. Winfield S. Adams of Edge Moore Terrace, brother-in-law of the bridegroom, was best man. Mr. William Brighton, brother of the bride, and Mr. Milus MacLean, cousin of the bride, were ushers.

Mrs. Fred Smeeton played the wedding music and Mrs. Donald Lindenbank sang.

The couple left after the reception for a wedding trip north.

Mr. and Mrs. Oscar Lane are receiving congratulations on the birth of a son at the Wilmington General Hospital on Wednesday.

Mr. and Mrs. Howard Eveland of 267 East Main Street will celebrate their eleventh wedding anniversary on Saturday, September 19. They have two children, Yvonne, 9, and Donna, 3. Mrs. Eveland will be remembered as the former Miss Sara White.

Miss Alice Douglass, daughter of Mr. and Mrs. Carleton E. Douglass of South College Avenue, will leave Thursday, September 24, to enter Cornell University where she will be a member of the Junior Class.

Mr. Hudson Long, a member of the English Department of the University of Delaware, received his Doctors Degree at the University of Pennsylvania last evening.

Mrs. Leila Little was a guest of "Martin's Family Day" on Saturday which was sponsored by the Labor Management Committee War Production Drive at the Glenn L. Martin Airport. Orville Richardson, her son, is Flight Test Engineer and Co-Pilot of the B-26 Bomber built by the Glenn Martin plant at Middle River.

## Clowns In Hunt Bros. Circus

## PERSONALS

Mrs. Ellen Lasher has returned to her home in New York City after having been the guest of Mrs. E. B. Crooks, West Main Street.

Sunday guests at the home of Mr. and Mrs. William L. Tryens, Kells Avenue, were Mr. and Mrs. William Oberon of Huntington, West Virginia, and Mr. and Mrs. William Moore and son, Billy, of Andover, Maryland.

Lieutenant Justin Steele, who is stationed at Washington, visited his mother, Mrs. Kathryn Steele, last week-end.

Mrs. Elroy Steedle and Mrs. Charles Sharpless returned on Sunday following a visit with Mrs. Steedle's sister, Mrs. Elizabeth Hollis, of Martinsburg, Va.

Mrs. O. D. Murray of Norfolk, Va., was the recent guest of Mr. and Mrs. William D. Murray of South College Avenue.

Mrs. Ida F. Strickland of Wilmington was the guest last week of Mr. and Mrs. Lee L. Lewis, East Main Street.

Miss Catherine McPeak of Philadelphia spent Sunday with Mr. and Mrs. Frank Tweed of East Delaware Avenue.

Mr. and Mrs. Rex L. Root, Centre Apartments, celebrated their eleventh wedding anniversary on Tuesday.

Mrs. S. A. Slack has been ill for several days at her home on Center Street.

Deputy State Chief Dairy Maid Mrs. Sara E. Tryens installed the officers of Shawmut Craft of Dairy Maids in North East, Md., on Monday evening. Her assistants were Past Chief Dairy Maids Mrs. Eva Cully and Mrs. Martha Tasker.

Mrs. E. B. Wright and son, S. J. Wright, were recent visitors in New York City.

Mr. and Mrs. Paul Dolan spent a recent vacation at Stone Harbor, N. J.

Frank Tweed of East Delaware Avenue, who has been seriously ill in the Delaware Hospital in Wilmington, is reported as improving nicely.

Mrs. Walter Steele, who has been ill for about ten days at her home on South College Avenue, is improving.

Mr. and Mrs. Clarence Taylor of New York City have returned home after a visit with Mrs. Taylor's parents, Mr. and Mrs. Charles E. Grubb, South College Avenue.

Fred Selling of Detroit, Michigan, has arrived to spend the school year with Dr. and Mrs. Kermit Oberlin.

Mrs. Vera L. Moore attended the installation ceremonies of Shawmut Craft of Dairy Maids at North East, Md., on Monday evening. Mrs. Moore is a member of the Mineola Craft of Newark.

Miss Bettina Sargeant recently visited friends in Washington, D. C.

Daniel Boone, who returned recently from a visit in Pottsville, Pa., left Monday to enter Westtown Friends School, Westtown, Pa.

Mr. and Mrs. F. A. Wheelless, Orchard Road, were recent visitors at the homes of Mr. and Mrs. Chauncey Wheelless in Seaford, and Mr. and Mrs. Arlington Jackson in Camden.

Col. Donald Dutton, who has been visiting his family here, left last week for March Field, Riverside, California.

Mrs. Jean White of Punxsutawney, Pa., is a house guest of Mr. and Mrs. L. Parker Thomas, West Main Street.

Lawrence Willson of New Haven, Conn., and Lancaster, N. H., who has been visiting Dr. and Mrs. Arthur Dunlap, has left for Knoxville, Tenn., where he will be a member of the faculty of the University of Tennessee.

Mr. and Mrs. Norris Wright were recent guests of Mr. and Mrs. John Lewis Smith of Washington at their home at Rehoboth Beach.

## Boy Scout Committee Advances Five Scouts

The Committee of the Newark Boy Scouts, Troop No. 55 met Tuesday evening in the home of Mr. George A. Hyde, with Gerald M. Gilligan presiding.

After a picnic supper, a board of review was conducted with the following scouts awarded merit badges or advanced to second class: Frank Mc-Berty, Sam Talucci, Hugh Miller, George Hyde, and Bill Osborne.

Mrs. David Sheimire of Ardmore, Pa., was the guest of Mr. and Mrs. Frank Powell last week.

Mrs. F. B. Dunlap of Trufo, Nova Scotia, is visiting Dr. and Mrs. Arthur Dunlap for the month of September.

Mrs. J. W. O'Daniel left last week for Washington, where she will join her daughter, Miss Anne O'Daniel. Col. O'Daniel is on duty overseas at the present.

Robert E. Kern, instructor in languages at the Newark High School, received the Degree of Master of Science in Education at the University of Pennsylvania last evening.

Pvt. John P. Sinclair of Camp Dix, N. J., visited his family here recently.

Mr. and Mrs. Earl L. Baker of Capitol Trail have received word that their son, Corporal Earl L. Baker, Jr., Army Air Force, has arrived safely at his destination somewhere in England.

PHONES 2900 AND 2213

NEWARK, DELAWARE

**SHADES OF THE LONG RIFLE**  
and the con skin cap returned to this era of the tommy gun and tank, with a recent announcement by Wild Life officials calling on the nation's hunters to "make every shot count" this fall.

The old rallying cry is issued in the face of the ammunition shortage caused by the war. Merchants, for the most part, are forced to make their present stock last, since manufacturing plants have diverted their production to the war.

The supply should be sufficient, but not enough to permit frustrated Daniel Boones to shoot up every tin can and milk bottle they pass.

**EVEN SO, WE DEPARTMENT** store Kit Carson is fortunate to be able to slip away at all from crumbling civilization long enough for a bit of hunting these brisk fall days.

What a thrill to get out in the local wilderness, alone against Nature, the Game Asso., and wandering wardens. How free one feels stalking the wild trackless private properties hereabouts with our trusty licenses in our pockets and our trusty tags on our backs.

Ab, how like the pioneer we roam the untamed cabbage patches, eyes keen for the smallest no trespassing sign, ears—the uncanny ears of the woodsman—atune to the slightest rustle denoting that an embattled farmer has discovered us in his pasture.

**AND WHAT PRIMITIVE JOY IT IS** to draw in great gulps of tangy air, provided, of course, our time is not up and we're not over our limit.

What excitement when a pheasant rises, if it is not a chicken and is a male bird. How madly we dash the legal distance from the nearest dwelling, take aim through a thicket of telephone wires and wait eagerly for the warden to tap us on the shoulder and ask how many shells we have in our gun.

**AND HOW SATISFYING AS WE** trudge happily homeward, our thoughts on the little brood waiting hungrily for our return, to stop a moment at the Magistrate's to pay our various fines. Even minor difficulties, like not seeing any game, do not bother us. We're the true woodsmen, seeking only the wild, freedom of the hunt.

## SEMI-FINALS REACHED IN MEMORIAL TOURNAMENT

**Tammany And Stewart Gain Places In Semis On Wright Tourney**

Four survivors move into the semi-finals of the Wright Memorial Tournament at the Newark Country Club this week-end, as a result of the third round matches completed last week.

Don Tammany won his niche in the semis when he took over F. B. Ridgway, who failed to maintain the hot pace he set in the preceding round when he tripped Club Champion B. F. Richards. Tammany eliminated Ridgway by a 1-up score.

Bob Stewart, Jr., also moved into the semis by taking over Phil King, 4 and 3 after the two had battled to a tie in their first eighteen, a second match being necessary to gain the decision.

C. H. Hopkins and Doyle McSpadden match had not been played by the early part of the week, nor was the H. B. Williamson and P. K. Musselman match.

Winner of the Hopkins-McSpadden match will meet Don Tammany in the semi-finals, while the victor in the Williamson-Musselman match will face Bob Stewart.

**Phils Rally Cures Fan Taken Ill At Game**

Theodore Gotwalt, 29, of York, was feeling fine this week-end and he had no one to thank but the Philadelphia Phils. Gotwalt attended the Phils-St. Louis Cardinals double header Sunday and in the seventh inning of the first game, with the Cards leading 1-0, he became ill.

He was taken to Temple Hospital where physicians said he was suffering from acute hysteria.

However, when Gotwalt was told that the Phils had scored two runs in the ninth inning to win the game, he immediately returned to the park for the second contest, which the Phils lost, 3 to 2.

**49-Day Garden Park Meet Pays Million to N. J.**

Despite priorities and restrictions, almost half a million customers visited the new Garden State Park during its 49-day season and deposited \$25,882,523 in the pari-mutuel machines, it was estimated this week.

The state of New Jersey received an estimated \$1,035,200 as its 4 per cent of the mutual handle, while the Garden State stockholders got approximately \$1,000,000.

## BLUE HENS ROUNDING INTO PLAYING TRIM WITH THIRD WEEK OF DRILLS UNDERWAY

**Murray Drills Squad In All Phases Of Game As Delaware Preps For Debut With West Chester Teachers; Latter Scheduled to Meet Moravian Tomorrow**

Entering the third week of practice, defensive workouts, punting, and offensive drills, following the inter-squad game on Saturday, marked the grid sessions on Frazer Field as Coach Bill Murray's Hens showed signs of rounding into fighting trim for their opener less than a week away.

## BIG RODEO TO CLIMAX CLOSING OF FAIR

**Elaborate Show This Week-End At The Reading Victory Fair**

Cowboys and cowgirls in bright western regalia will take over the entertainment program at the Reading Victory Fair Saturday and Sunday afternoons when Col. A. L. Gatewood of Bozeman, Mont., presents his Flying X Ranch rodeo with some two score of the nation's best riders competing in two dozen thrill packed events.

Two carloads of bucking horses, wild steers and cow ponies have arrived at the fair grounds under charge of saddle bowed chapareros-wearing westerners who are to be the principal actors in the frontier day celebration.

Wild brahma cattle, roughest riding critters known to the rodeo sport, are included in the array of heavy stock that the buckaroos will attempt to saddle and ride. Calf roping, lariat spinning, bull dogging and broncho busting and all of the other exhibitions of skill and daring usually identified with a wild western show will be included in the two hour program each day. Cow girls as well as male riders will participate in the contests.

Added to the rodeo features will be an exhibition of equestrianism, horse drills and trick and fancy riding. Preceding the contests there will be a program of vaudeville, circus and hippodrome attractions.

Saturday will mark the last opportunity for fair visitors to inspect the magnificent agricultural and livestock exhibits as buildings will be closed on Sunday while exhibitors dismantle their displays. Only the rodeo program on Sunday afternoon has been scheduled for the closing day. It will be the last performance and the last fair to be held for the duration as the U. S. Government will take over the grounds on October 1 for the duration.

Saturday night will also bring the final performance of the Victory parade, spectacular musical revue with the Gae Foster Roxyette girls and a dozen vaudeville acts. A big fireworks display will close the Saturday night program.

## ALSAB AND WHIRLWAY TO MEET

**Race Slated For This Saturday**

Whirlaway may become the first race horse ever to win \$500,000. Already boasting a \$491,136 in winnings, he can collect another \$25,000 in the special match race with Alsab this Saturday, the winner taking the entire purse.

The race was arranged over the last week-end by Narragansett President James E. Dooley after Alsab was scratched from last Saturday's Narragansett Special and Whirlaway romped to an easy victory.

Al Sabath, owner of Alsab, said he withdrew his colt because he had no workout after arriving here from Chicago on Thursday. Dooley then made his offer and Sabath agreed at once. Warren Wright, to whom Whirlaway belongs, agreed to the race by phone.

The test will be for a mile and three-sixteenths with Whirl, 4-year-old, carrying 126 pounds, and Alsab, a three-year-old, totting 119.

Dooley said the plant, which already had contributed \$101,804 to Army and Navy relief funds, would donate its share of Saturday's betting to the service organizations.

## U. of D. Soccer Team Has 8-Game Schedule

University of Delaware's soccer team will play an eight-game schedule this season, opening with Western Maryland College on the home field on Oct. 10. Candidates for the team have been drilling under Coach Bill Lawrence.

The schedule:  
Oct. 10—Western Maryland, home.  
Oct. 15—Franklin & Marshall, away.  
Oct. 23—Seton Hall, away.  
Oct. 24—Stevens, away.  
Oct. 28—Gettysburg, away.  
Oct. 30—Loyola, home.  
Nov. 7—Maryland, away.  
Nov. 14—Johns Hopkins, home.

## REGULAR BOWLING LEAGUES TO OPEN

**Wednesday Nite Loop Opener Set For Sept. 23rd; Friday Nite, 25th**

The local bowling season will get underway in earnest when the regular leagues open competition the latter part of this month at the American Legion Bowling Alleys, said Manager Morris Adams this week.

The Wednesday Night loop will raise the lid on the current season on September 23 with the Friday Night League opening operations on the 25th. Meetings of the team captains of both circuits to arrange details are scheduled for this week.

Tentative date for the opening of the Monday Night League is September 28 and for the Tuesday Night League the 29th. Team captains will meet on the 21st and 22nd for the Monday and Tuesday Night circuits respectively.

Details concerning prize money, organization, and new rules and regulations will be ironed out at the sessions. No plans to date have been made for a Thursday Night League.

While experiencing some bottle-necks in obtaining players due to the conflicting working shifts of many, Manager Adams expects to have a full quota of legions lined up for the opening of play.

The Wednesday and Friday Night loops are already fairly well organized, while the Monday and Tuesday night circuits are expected to be fully lined up following the planned meetings.

Any new players wishing to join the competition are urged to get in touch with Manager Adams at the American Legion Alleys.

## Grows His "Smokes" In Own Backyard

Owen D. Leek is all ready for tobacco rationing if and when it comes.

The son of a former Kentucky tobacco grower is raising his own crop of "smokes" right in the backyard of his home in Morris County community.

"I ought to be able to get enough tobacco for about 10 dozen cigars, any amount of cigarettes and plenty of pipe smokes," Leek said.

American factories will use ten billion pounds of salt in this year's war effort. Its sodium and chloride play parts in making of airplanes, tanks, jeeps, guns, synthetic rubber and highest gasoline.

## YELLOW JACKETS BEGIN PRACTICE DESPITE DOUBT OVER FOOTBALL FUTURE

**Wartime Transportation Difficulties May Force Curtailment of 7-Game Schedule; Squad of 39 Reports for Opening Drills In Preparation for Debut Slated for Oct. 3**

Despite the uncertainty surrounding Newark High School's football future, especially the doubt as to whether the team can fulfill its schedule because of wartime transportation difficulties, practice sessions started this week under Coach "Bill" Gillespie.

## DREXEL GRIDDERS REPORT TO REPSCHA

**Al Repscha Takes Over Reins; Squad Hit by Graduation And Service Calls**

The vanguard of Drexel Tech's football squad reported Sunday, 13th, at Drexel Lodge, Newtown Square, for physical examinations and to ready itself for its debut with the University of Del., on October 3. For the Blue Hens, opening with W. C. Rams on Sept. 25, it will be their second taste of action. Drexel will hold two-a-day sessions with lectures and blackboard talks occupying the evening program.

For the first time in fifteen years football at Drexel Tech will be under new management. Al Repscha, an Associate Professor of Mechanical Engineering, who, for sixteen years, has served at different times as freshman, line and blackfield coach, has succeeded Walter Halas, as head coach.

Repscha, who perhaps is facing the most difficult task ever asked of a Drexel athletic coach, takes over a squad that has been riddled by graduation and war service. More than half of last year's twenty-six lettermen are in the armed forces, and there is a good possibility that more will be called within the next few weeks.

Of the thirty-five men expected, only ten are letter winners and seven are holdovers, which means that the bulk of the group will be freshman students. The experienced talent on hand includes Captain Irving Kun, Bob Clyde and George Menas, at guard; Bill Poehlmann at center; Willis Burrows, tackle; Joe Michaels, Walter Proper, Pete Halas, Herb Beatty, and Joe Vill, backs.

The Dragons' schedule follows:  
Oct. 3 University of Delaware — Phila.  
Oct. 10 Juniata College — Phila.  
Oct. 17 Haverford College — Haverford, Pa.  
Oct. 24 Lebanon Valley College — Philadelphia.  
Oct. 31 Gettysburg College — Gettysburg, Pa.  
Nov. 7 Ursinus College — Collegeville, Pa.  
Nov. 14 Susquehanna University — Philadelphia.

Members of last year's squad and their weights are: Earl Henderson, 120; Ted Trempey, 174; Wayne Pollard, 156; James Davis, 159; Walter Martin, 160; Lynn George, 142; Henry Hammond, 135; Oliver Suddard, 135; Joseph Talucci, 132; Ollie Colmlinen, 128; Vernon Connel, 155; Paul Teller, 140; William Miller, 163; Donald Huston, 165; Joe Wells, 135; and Richard Kelly.

Newcomers to the squad this year are: Norbert Castell, 142; John Bole, 160; G. Talucci, 115; Marvies Boler, 211; Manlove McMullen, 137; Bradon Davis, 127; William Hamilton, 120; Nelson Lee, 120; Louis McCormick, 120; "Buddy" Cataldi, 135; Rodney Hahn, 125; Daniel Ferry, 135; Bill Osborn, 135; Graham Lomax, 160; John Wall, 135; Harry Morrow, 145; Harvey Gray, 140; and William Gray, 145.

Schedule as it now stands:  
Oct. 3—Brown Vocational, home.  
Oct. 10—Wilmington High, away.  
Oct. 16—Boothwyn, away.  
Oct. 24—Open (originally N. Coventry)  
Oct. 30—A. I. duPont, away.  
Nov. 6—Milford, home.  
Nov. 26—Conrad, home.

## Priorities For Liberty Bell Shelter Demanded

The Philadelphia Legion asked that War Production Board Monday to raise priorities holding up construction of an underground shelter for the Liberty Bell.

"The American people surely will demand an accounting" if anything should happen to the bell, said the Liberty county council in a letter to Frank M. Nelson, WPB chairman.

An insurance company offered to build a bomb-protected shelter and the city applied for the necessary priorities last June.

The Elliott Trophy match, fired at Quantico, Va., rifle range in 1921, was won by a Marine Corps team from Parris Island, S. C.

## 407 ENROLL AT KREBS SCHOOL IN NEWPORT

### 150 Attend First Formal Dance For Service Men In The Masonic Hall

Newport, Sept. 17th — The Krebs School opened this week with an enrollment of 407 pupils. There are more children enrolling here each year due to the many new developments in this area which has greatly increased the population here. D. J. Richey, Principal, stated that many of the grades would be divided due to the large enrollment. The school cafeteria reopened on Monday and hot lunches will be served the children daily, under the direction of Mrs. P. R. Hall and Mrs. William Butlerbaugh, who will operate the school cafeteria jointly.

The first formal dance at the Newport Service Center in the Masonic Hall, Newport, was held Friday evening with approximately 150 guests attending, including service men from the New Castle County Airport, and young women of the community. The orchestra was furnished by the Pythian Service Organization of Wilmington. Mrs. Betty Williamson, Miss Rebecca Springer and Mrs. Harry Poole were hostesses. The auditorium was decorated with patriotic colors. The hostesses who served refreshments, etc., included Miss Bessie Lynam, Mrs. William Schwaiger, Mrs. William Clugston, Mrs. Arthur G. Craig, Mrs. G. D. Baldwin, Mrs. George Kipe, Mrs. S. W. Smith, Mrs. William Walker, Mrs. C. Roy Myers, Mrs. Walter Kemp, Mrs. Beate Dunne, and Mrs. V. DiJorio.

The Pythian Service Organization will sponsor an evening of entertainment at the Newport center in the Masonic Hall on Thursday evening, October 15th. Proceeds will be used for the entertainment of the service men. A greeting was received during the opening dance from William R. Preston, Worshipful Master of Armstrong Lodge of Newport who was inducted into service on Sept. 3rd. Private Preston is now stationed in Florida.

The St. James Guild and Women's Auxiliary and women's organizations of the St. James P. E. Church of Newport, met in the Church Friday for a "Quiet Day" service. A Communion Service was conducted by the Rev. E. Kenneth Albright, rector, followed by an address by the Rev. J. E. Large of St. Andrew's P. E. Church, Wilmington. Box Luncheon was enjoyed by the group in the Parish House, following which the Women's Auxiliary members discussed plans for the fall months.

On Tuesday evening, the Newport M.Y.F. were hosts to the Methodist Youth Fellowship of the Wilmington District of the Methodist Conference. About 200 young people attended. A devotional program was held, followed by musical numbers. Games were also enjoyed, in charge of the Recreational President of the District, Jack Smiley and Janice Peterson were on the Receiving Committee. Miss Emogene Zimmerman was in charge of the refreshment committee, assisted by Miss Joan Schranek and Miss Mildred Stradley.

The Newport Sunday School Board will resume business sessions for the fall season on Wednesday evening, Sept. 30th, following the weekly prayer service. Plans will be made for all activities and the Rally Day Exercises in October.

Services in the Newport Methodist Church on Sunday were in charge of the Rev. R. S. Hodgson, pastor, who spoke at 11 a. m. on "What is in Thy Hand." In the evening, the subject was — "Thou Shalt Not Kill."

Miss Mera Riddell of Washington, D. C., who has spent the summer here with her aunt and uncle, Mr. and Mrs. M. Mann, returned home on Sunday. Mr. and Mrs. George L. Biddle of Silver have returned home after spending a few days at Ocean Grove, N. J.

C. W. MacLary has returned home following a three week's trip through the Western States.

Mrs. J. K. Seidel of Newport and Miss Elsie Mae Gottschall of Lyndalia have been guests this week at Onowah Lodge, Pocahontas Mountains.

Fredus Baldwin, son of Mr. and Mrs. Fredus Baldwin, left Sunday for Barboursville, Ky., where he will enter Union College.

The Newport Woman's Club resumed fall business sessions Tuesday afternoon. Mrs. Edward M. Bratton, President, presided. Plans were discussed for a birthday tea on October 13th. Mrs. S. C. Lomax, chairman of arrangements for the Ninth Annual Flower Show, which is being held Thursday, Sept. 17, announced details of the show, open to residents of the community. Two new members were welcomed by the Club, Mrs. Fred Norris, Newport Heights and Mrs. John Sheets of Elm-burn.

## AVIATION COURSE OFFERED

### Good Enrollment For New Course At High School

A new course in aviation, offering pre-flight training, has been introduced this year at the Newark High School. Although only a small number of students have enrolled, more are expected.

The course is in line with the school policy of keeping abreast of changing conditions and is offered in an effort to prepare students for the increased emphasis certain to be placed on aviation following the war. The course is designed to develop air-mindedness rather than pilots.

The first four units, covering this semester, will embrace the history and development of aviation, the study of aircraft structure and the identification of types, principles of Aerodynamics, and the study of power plants or aircraft engines.

The second semester will cover air communications, Meteorology, and Aviation or flight instruments.

## CARE OF FARMING MACHINERY IS URGED

### Parts of Insect Spraying And Dusting Devices Hard to Replace

The battle against insects and diseases on Delaware farms is an annual conflict. With less farm machinery available than usual, Eugene P. Brasher, truck repair specialist for the Delaware Agricultural Extension Service, urges that truck and fruit growers thoroughly clean and store their dusting and spraying machinery this fall.

Insecticides are injurious to rubber and metal parts, and these parts are difficult to replace.

Dusting equipment may be cleaned by emptying the hopper and distributing system and then gently wrapping the tubes and nozzles while the engine is running. The outside as well as the inside of the machine should be cleared of all accumulations.

To clean the sprayer, Brasher suggests that at the end of the season clear water be run through the pump. Then cylinder oil to keep the packing soft and to prevent rust. Grease should be applied at all detachable joints and unions. All rubber hose connections should be removed so they will not deteriorate from contact with the oil.

Rubber lined hose should not be suspended over pegs or nails, and the rubber tires should be cleaned of all spray materials, oil and grease. When the spray rig is not in use store it under shelter and out of the rays of the sun. In storing be sure to take the weight off the tires.

By carefully storing the spraying and dusting machinery and making such repairs as are necessary when time permits, growers next spring can keep loss of time due to breakdowns to a minimum in the fields and orchards.

### ARE YOU A 3-MINUTE EGG?

"You see, sir, it wasn't taken three minutes to sell you 475 FLOOR AND TRIM VARNISH!"

- Honestly, you too will be surprised how quickly you can detect the value and quality in 475 FLOOR AND TRIM VARNISH.
- If YOU want a varnish that laughs at water, stands abuse, dries quickly, looks beautiful and really GIVES SERVICE you'll buy 475 FLOOR AND TRIM VARNISH—in less than three minutes.
- In fact, a phone call will do the trick!

## BRACK-EX METHODISTS TO FETE SOLDIERS

### Women's Group To Entertain Airport Service Men At Dinner In Homes

Brack-Ex, Sept. 16 — The Woman's Society of Christian Service of Brack-Ex Methodist Church is planning to entertain soldiers from the New Castle County airport and from the U.S.O. for Sunday Church services, followed by dinner in the various homes. The date will be announced later.

Mrs. Ralph L. Minker, president of the Wilmington District Society, was guest speaker at a recent meeting of the society.

The society pledged \$50 on the "Victory Bridge" campaign to raise three thousand dollars for the mortgage indebtedness on the church property.

Mrs. Warren H. Reuss, treasurer, reported \$43.76 received from the thank offering turned in by members of the society.

A new member Mrs. Irene B. Denney was welcomed.

Joanne Eleanor Denney, daughter of Mr. and Mrs. Marvin F. Denney, Brookland Terrace, celebrated her fourth birthday anniversary on Sunday.

On Sunday two hundred and twenty-seven students attended the church school session of the Brack-Ex Methodist Church.

The Rev. John E. Jones, pastor, preached on the subject, "What's Right With The Church?" at the morning service and the senior choir sang "O Worship The King." Eleanor Denney sang "Ave Maria," and the Junior A-Capella Choir, directed by June Wallace, also sang.

At the evening service, Mr. Jones preached on the topic "Fear Not Little Flock," and the senior choir sang "Love Divine," "All Love Excelling."

"The Second Mile," was the subject of the sermon by the Rev. Clarence S. Hoffman, pastor of the Elsmere Presbyterian Church, Sunday morning. Elsmere Presbyterian Church Boy Scout Troop No. 65 met Monday night in the church hall.

The board of trustees of the Brack-Ex Methodist Church meeting Monday evening in the church voted to have a stained window placed in the church sanctuary in honor of the Rev. R. High Adams, former pastor of the church, and Mrs. Adams in appreciation of their twenty-two years of faithful service at the church.

Mr. Adams resigned as pastor at the close of the last Conference Year, Leonard E. Barnes, president, conducted the meeting.

In addition it was announced that the trustees had accepted the offers of five other stained glass windows which will be placed in the church in memory or honor of loved ones by their families.

The movement to install stained glass windows was started by the Rev. William H. Briggs, retired Methodist Minister of Roselle, who made known his offer at the opening service following the renovating and improvement of the church sanctuary on Sunday, September 6.

Mrs. Joseph W. Williams of 126 Central Avenue, Brack-Ex, visited her son, Leonard Williams recently at Curtis

## No Canning Sugar Forms Granted After Sept. 30

Local housewives are reminded by Newark Rationing Officials the canning season closes September 30.

No applications for canning sugar will be issued by the Newark Board after that date, according to Mrs. A. H. Haroldson, chairman of the sugar panel.

Bay, Maryland, where he is in training for duty in the Navy.

The Men's Bible Class of Brack-Ex Methodist Church resumed their regular business meetings for the fall and winter season with a meeting on Tuesday evening.

John Buck, president, had charge and a social hour of recreation and games followed.

The Women's Home Missionary Society of the Elsmere Presbyterian Church held its first business meeting of the fall season at the home of Mrs. Harry A. Menser, 107 Northern Avenue on Tuesday afternoon.

Mrs. William A. Dryden, president, had charge and a social hour of recreation and games followed.

Mrs. Dryden also conducted the meeting of the executive committee at 1 o'clock preceding the business session.

## Et. duPont Needs Bugles, And Furniture

Bugles and children's furniture are required by the Army, Robert H. Smith, Jr., director of the U. S. O., said today in a renewal of an appeal for these articles. Residents who might have these articles were asked to communicate with Mr. Smith.

Bugles are needed for Army posts and children's chairs and tables are asked for by the chief chaplain at Fort duPont. The furniture is for a Sunday school for children of officers and enlisted men stationed at Fort duPont.

Two pianos are also wanted for Fort duPont, Mr. Smith said.

Major Logan Feland achieved one of the most brilliant records in World War I when he commanded the Fifth Marines in some of the hardest fighting of that war.

STATE OF DELAWARE  
Office of Secretary of State  
CERTIFICATE OF DISSOLUTION  
To All Whom These Presents May Come, Greeting:

Whereas, It appears to my satisfaction by duly authenticated record of the proceedings of the voluntary dissolution thereof, by the consent of all the stockholders deposited in my office, the

MACHRE DISTRIBUTORS, INC., a corporation of this State whose principal office is situated at

No. 109 West Tenth Street, in the city of Wilmington, County of New Castle, State of Delaware

The Corporation Trust Company being agent therein, and in charge thereof, upon whom process may be served, has complied with the requirements of the Corporation Laws of the State of Delaware, as contained in 2033, Section 1, to 2246, Section 214, Chapter 65, of the Revised Code of 1935, as amended, preliminary to the issuing of this

CERTIFICATE OF DISSOLUTION. Now, therefore, I, Earle D. Willey, Secretary of State of the State of Delaware, do hereby certify that the said corporation did on the

fifteenth day of September, A. D. 1942, file in the office a duly executed and attested consent, in writing, to the dissolution of said Corporation executed by the consent of more than two-thirds in interest of all the stockholders deposited in my office, the

Lincoln-Jowa Securities Corporation, a corporation of this State whose principal office is situated at

## NITROGEN goes up in Smoke!

EVERY time a gun is fired, nitrogen goes up in smoke. To keep the guns firing, nitrogen must be conserved on the farm.

One of the best ways of conserving nitrogen is to make better use of farm manure. Three pounds of 20% superphosphate per cow sprinkled on floors and gutters in the dairy barn makes barn manure into a complete fertilizer. Dairymen, with a well-manured rotation, can get along with superphosphate alone, will not need a nitrogen fertilizer.

By laying in both your winter and spring supply of superphosphate now, you can be sure of adequate supplies when you need them. Order your superphosphate requirements now.

## HOUSING PROJECT

Approximately  
35% Complete

The Federal housing project on the Wilson tract is regarded by officials as approximately 35 percent complete, with houses mushrooming steadily on the once barren tract.

Framework on about fifty or more is complete, with a dozen finished as to roofing, plumbing and electrical work and ready for the plasterers.

About 42 double houses, or almost half the single homes called for in the contract, have the roofs in place. Foundation on the community house was begun this week, the chimney installed, and the work well underway. Water and gas pipe material has arrived as have some of the bathroom fixtures.

## Council To Buy Town Siren

(Continued from page 1)

mitted to members of the Town Council last week follows:

7 1/2 H.P. Siren ..... \$435.00  
Remote Control ..... 40.00  
Telephone relay ..... 25.00  
Automatic Tuner ..... 60.00

4 Sector Dressing Stations—  
Material and surgical  
supplies ..... 100.00  
Cots, blankets, black out  
curtains, etc. .... 100.00

200.00 each 800.00  
Ambulance Supplies for 2  
TOWN ambulances at 420.00  
each ..... 160.00

Steel Helmets for Wardens and  
Police — 300 at \$3.50 (maybe  
\$4.00 each) ..... 1,050.00  
Auxiliary Firemen additional  
equipment ..... 1,000.00

TOTAL COST of  
IMMEDIATE NEED ..... \$3,570.00  
Decontamination Squad essen-  
tial equipment ..... 2,500.00

Non-recurring expense ..... \$6,070.00  
General expenses for miscella-  
neous monthly expense ..... \$40.00

Unquestionably some of the items set forth in the above schedule are essential to our preparedness program. Just where the funds with which to carry on this program are to come from is the question which must soon be answered.

## Scrap Rally

(Continued from Page 1)

Private transportation is also out, due to safety factors involved.

Two possible solutions were offered by Coach Gillespie, one being the use of the regular bus routes, from Newark to Wilmington, chief drawbacks being the large expense and the lack of passenger space. The other way out was a suggestion that parents with cars, if willing, might carry their boys and possibly a friend.

Otherwise, the situation remains unsettled, with the North Coventry game already cancelled, the Milford game a possible cancel, and the Thanksgiving game with Conrad also in doubt. The latter blow brought a groan from the assembled students.

Superintendent Douglass, in outlining means by which students might do their part in the war, discussed the increased emphasis being placed on mathematics, science, and physical education by the school and further urged students to aid in an economy program offering a number of ways by which expenses could be reduced.

## Tires Approved

(Continued from page 1)

senger retreats; Earl O. Snider, Marshallton, two passenger retreats; Charles A. Hicks, Faulkland, R. D. 1, Marshallton, ass't foreman, four recaps.

## IN REVIEW

September 26, 1917

### College Enrollment

Seventy-eight young men had been admitted to the Delaware College class up until this week. Twenty-four will take the Arts and Science course, fourteen Agriculture, and forty Engineering.

The freshman class of the Women's College this year numbers forty students. The new students come from six different states, one as far away as Florida.

### Men At Camp Dix

Lee L. Lewis, one of the New Castle County contingent, who reported for service in the National Army at Camp Dix, last Wednesday has written to relatives here of life in the camp. All Delaware men have been assigned to the 307th Machine Gun Battalion and a number have already won "non-com" positions. Among these are corporals "Eph" Jolls, George Madden, and "Tom" Lyons.

Joseph Goheen has been made mess sergeant, and Herman Little, supply sergeant.

### School Garden Prizes

Prizes, amounting to ten dollars, will be awarded to pupils in the School Garden Class, on Thursday of this week. The winners follow: \$2.50, Lynnam Reed; \$2.00, Herman Renshaw; \$1.50, John Morrison; \$1.00, Martin Darden; \$1.50, Vola Eubanks; \$1.00, Alice Kilmon; \$1.00, divided between Pauline Widdoes and Evelyn Stoll.

### Ambulance Drivers Needed

Arthur S. Homewood, a former Newark boy, now of Section 540, U.S.A.A.S., writes from Allentown, asking local persons interested to join the American Ambulance Corps.

### Old College Hall Occupied

"Old College Hall," formerly the main building of Delaware College, transformed this year into a student "Commons," was formally delivered to the authorities of the College on Wednesday of last week. Dr. R. K. Greenfield, recently appointed to the office of student secretary, received the keys, and assumed temporary charge of the building.

Old College Hall, as the oldest building on the campus is the one in which centers the affection of the alumni of the College. Owing to its historical significance, no change has been made in the exterior of the building.

### Mitchell-Jaquette Wedding

Miss Helen S. Jaquette of Newark and Mr. Harvey G. Mitchell of Barksdale, were quietly married last Wednesday evening at the home of the bride. The Rev. W. J. Rowan, pastor of the Newark Presbyterian Church, officiated. Only members of the immediate families were present.

The bride wore a becoming gown of white net. She was attended by her sister, Miss Katharine Jaquette. Mr. Paul Lovett acted as best man. After a short wedding trip the young couple have returned to their new home, on a farm near Barksdale. Mrs. Mitchell has for the last four years been teacher at Milford Cross Roads. She is succeeded by her sister, Miss Irma Jaquette.

### Social Items

Friends of George Mitchell were entertained on last Saturday evening at a farewell party previous to their host's departure for Tome School, where he resumed his studies this week.

Mrs. Harvey Hofferger has been appointed a member of the Advisory Board of the New Century Club, to succeed Mrs. E. W. Cooch, resigned.

At the September meeting of the Welch Tract Parent-Teacher Association the following officers were elected: Mrs. Lee Cooch, president; Mrs. Saunders, vice-president; Mrs. Johnson, secretary; Mrs. Armstrong, treasurer.

Mr. and Mrs. Charles W. Colmery entertained a party of friends last Thursday evening the occasion being the anniversary of Mr. Colmery's birthday. Those present included T. R. McMullen, William H. Barton, C.R.E. Lewis, Jonathan Johnson, Charles Medill and W. R. Powell. Refreshments were served. Mrs. Colmery's guest, Miss E. M. Collison, of Philadelphia, assisting her in serving.

### Personals

Mrs. Sarah Manuel, of Plainsfield, N. J., has returned home after a visit with her sister, Mrs. Armanda Corning.

E. W. Cooch and family leave Friday for their new home in Wilmington.

Franklin Collins, of White River Junction, Vt., has recently moved to the property on West Main Street, formerly owned by Dr. A. Lee Porter, and purchased by Mr. Collins last year. Mr. Collins is an alumnus of Delaware College Class of '89. His two sons and one daughter will enter the local college.

Dr. Franklin Pedrick and mother, and the Misses Birch of Washington, D. C., were weekend guests of H. E. Vinsinger and family. Dr. Pedrick has entered the U. S. Service and last week received definite sailing orders for France.

Little Misses Dorothy and Sarah Curtis of Wilmington were the recent guests of their grandparents, Mr. and Mrs. A. A. Curtis.

Miss Ruth Ocheltree of Wilmington is the guest of Mrs. Daniel Thompson. Mr. George W. Wilson left this week for Yale where he will take up his second year's work in the University.

C. B. Evans, president of the Newark Trust and Safe Deposit Company, is attending the meeting of the American Bankers' Association, in session at Atlantic City this week. With Mrs. Evans he is registered at the Hotel Traymore.

Little Dickie Thomas who had both tonsils and adenoids removed last Sunday by Dr. Davis of Baltimore, is getting along nicely.

Mrs. K. S. Landreth has returned to her home in Philadelphia after spend-

ing the summer months in Newark.

Mrs. A. L. Beals has returned after an extended visit with relatives in New England.

W. M. Coverdale and family moved last Saturday to Wilmington.

Miss Laura Colmery spent the weekend in Philadelphia.

Mrs. James Robinson, nee Miss Elsie Tweed, is convalescing after a severe case of diphtheria.

## G. L. MEDILL SUCCUMBS AT HOME IN YORK

Noted Banker  
In Delaware  
Was Former  
Resident Here

George Lodge Medill, a well known banker in the State of Delaware for a number of years and a former resident of the Town of Newark died suddenly at his home in York, Pa., September 11 at the age of sixty-four years. Mr. Medill was born on a farm about one mile outside the Town of Newark and was a graduate of the Newark schools and the University of Delaware. He is a veteran of the Spanish-American War and thereafter was a well known figure in banking circles during which time he served as the first State Bank Commissioner of the State of Delaware by appointment of Governor John G. Townsend. Later he became Vice President of Farmers Bank and subsequently Vice President of Delaware Trust Company until the retirement of Charles W. Mills as President of the latter institution whereupon he became President of Delaware Trust Company and served in that capacity until 1928. At the time of his death Mr. Medill was President of the First National Bank of York, Pa., and for the past several years has made his home in that city.

Surviving him are his wife, Marie Cook Medill, daughter of Dr. Glenn Cook, former pastor of the Second Baptist Church of Wilmington, Delaware. He also leaves surviving him four children: First Lt. Daniel K. Medill of San Diego, Calif., George C. Medill, York, Pa., Louise L. Medill and Mary A. Medill of York, Pa. Mr. Medill leaves three brothers and two sisters, namely: Frances Medill of Newark, Delaware, Mrs. Joseph McVey, of Newark, Delaware, Mr. Charles M. Medill of Wilmington, Mr. David Medill of Denver, Colorado and Dr. Wm. F. Medill of Baltimore, Maryland.

## DAVIS IN REGIONAL CONTEST

Newark Youth  
Does Not Place  
In FFA Event

Robert J. Davis, Jr., who represented Delaware in the regional Future Farmers of America Public Speaking Contest at Rutgers University, New Brunswick, N. J., last week-end, failed to place in the event, it was announced.

The fact that he drew first number and was forced to be the opening speaker on the program in which youths from fourteen other northeastern states were competing, placed him at a disadvantage, it was said.

A practice speaker, having won the state and county public speaking contests last year, he did not appear at his best in the regional contest.

A member of the Newark FFA chapter and a sophomore in vocational agriculture at Newark High School, Davis is the son of Mr. and Mrs. Robert J. Davis, Sr., of Newark. Subject he chose for the regional contest was "Future of America's Dairy Industry."

## 28 Pupils Enroll At Pleasant Valley

The pupils of Pleasant Valley School, twenty-eight in number, have organized a Victory Club with the following officers: president, Elaine Tiouvenen; vice-president, Donald McCormick; secretary, Alice Stanton; and treasurer, Margaret Stewart.

The Art Club is sponsoring a Flower Show on Wednesday, September 30, with Miss Stella M. Balderston, art supervisor, and parents and friends as invited guests.
