Dear Dannie:

I sent you in an envelope some days ago a copy of the English text of a memorandum I prepared on the electricity situation. I dictated this one afternoon during the Easter holiday and quite a few mistakes crept into it as I did not have any documents available. Under separate cover I am sending you a copy of the English and Spanish texts of this memorandum, and I would appreciate your destroying the English text which I sent you some days ago.

Cordially and faithfully yours,

George S. Messersmith
