Dear Senator Wheeler:

In accord with our conversation the other day I am sending you herewith some thoughts which I have dictated rather hurriedly bearing on some of the major aspects of the external problems we have to consider these days. I hope that this material may be of some interest and use to you. If there is any other aspect of the problem on which you would like me to comment, I will be glad to have you let me know.

I enjoyed very much having the opportunity of chatting with you the other day.

With very good wishes, believe me,

Cordially yours,

Enclosure:  
Memorandum.

The Honorable  
Burton K. Wheeler,  
United States Senate.
