George S. Messersmith, Esq.,  
c/o Mr. John Ehrlich,  
Amitas,  
Suite 1700, 50 Broadway,  
New York.

Dear George,

This is just a short note to advise you that I have received your letter of May 16 about the Mexlight-Sofina contract and the copy of your letter of the same date to E. A. Graydon, as well as your letter of May 18 on the same subject. I am grateful to you for your information and your frank views.

We are preparing data which will indicate the nature of the services provided by Sofina to Mexlight and its subsidiaries, and the compensation which Sofina has received for these services.

With reference to the Tacubaya plant specifically, Mr. Speciael and I have had that matter under consideration for some time.

Within the next week I hope to be able to write you a fuller letter on the subject of the service contract. I don't believe we shall have difficulty in composing any differences of views between Mexlight and our people here relating to specific contract provisions, or any adjustments which may appear equitable after full examination.

I am always pleased to receive your frank comments concerning our enterprises, as in only this way can we best arrive at constructive conclusions.

With kind regards and many thanks,

Very sincerely yours,

D. N. Heineman.
