Dear Friend:

I have your note of March 2, sending me the copies of the reports by Dr. Somay<sup>2</sup> and Dr. Solmssen, which I need not tell you I have read with the very greatest interest and which I am keeping entirely personal and confidential.

I am sorry to know that we shall not see you before we leave. We shall be in the United States until about June 1, and should be in Vienna again about the middle of June. If you should be in the States in May I hope you will let me know. I can always be reached through the State Department or through the Metropolitan Club in Washington.

With all good wishes to you and Mrs. Heineman and the hope that all goes well with your family, in which my wife joins me,

Cordially yours,

D.N. Heineman, Esquire,  
38 Rue de Naples,  
Brussels, Belgium.
