WHEREAS, for Ruth Lane, working at Legislative Hall was a chance to tell stories of people, places and things past and present, always spun in her folksy way, making everyone laugh; and

WHEREAS, famous for her fat-free dips, any alcove inhabited by Ruth Lane brought many visitors, who had to stop by and try the latest spread, all the while knowing that it would not hurt the ever-expanding waistslines of legislators and lobbyists alike; and

WHEREAS, as we bid Ruth Lane a fond farewell, we do so with a thank you for her work as a Republican party loyalist and valued staff person to the workings of the Delaware General Assembly, and hope she continues to stay involved with local politics for many more years to come.

WHEREAS, the use of managed care is becoming increasingly prevalent in the delivery of health care in Delaware; and

WHEREAS, these concerns are reflected in several proposals to regulate managed care in a very prescriptive manner; and

WHEREAS, it is critical that Delaware be cautious in adopting legislation that might inhibit the delivery of cost-effective, high-quality managed care and that would result in the over involvement of government in regulating private sector activity; and

WHEREAS, it is also important that Delaware not ignore the need to ensure that managed care plans be administered fairly and so as to ensure high quality health care.

BE IT RESOLVED by the House of Representatives of the 138th General Assembly of the State of Delaware to request that the Secretary of the Department of Health & Social Services, after consultation with the Health Care Commission and the Insurance Commissioner, Report to the General Assembly on or before January 15, 1997 regarding her recommendations to ensure appropriate regulatory oversight of health insurance providers, including but not limited to, managed care providers in terms of the quality of care they provide, their policies for ensuring adequate credential checks of health care providers, and the degree of consumer choice they afford.

BE IT FURTHER RESOLVED that the Secretary of the Department of Health & Social Services, after consultation with the Insurance Commissioner, present recommendations to standardize and simplify health insurance reimbursement and other insurance forms across insurers so as to reduce the large paperwork burden and high costs imposed on health providers as a result of the proliferation of such forms.

COMMUNICATIONS RECEIVED AFTER JULY 1, 1996

Congress of the United States  
House of Representatives  
June 24, 1996

Ms. JoAnn M. Hedrick  
Chief Clerk of the House  
House of Representatives  
Legislative Hall  
Dover, Delaware 19903

Dear Ms. Hedrick:

Thank you for sending me a copy of the Delaware General Assembly's Resolution 71. I appreciate knowing of the Assembly's support for maintaining the Marcus Hook refinery, and I am glad to look into this situation.

You will be pleased to know my staff both here in Washington and in Wilmington have been working with Congressman Curt Weldon's (R-PA) staff to discover all the facts of this issue and determine how we can resolve this situation. It is my understanding that Tosco purchased the refinery in order to obtain some gas stations in the area. Currently, the refinery is operating at a lower capacity and Tosco plans to make a final decision on the future of the facility by January 1997.

My staff and I will continue monitoring this situation, and I am hopeful that we may see it resolved fairly. Again, thank you for alerting me to Resolution 71. Please feel free to share any information that may be helpful to finding a resolution to this situation.

Sincerely,  
Michael N. Castle

Ms. JoAnn M. Hedrick  
Chief Clerk of the House  
House of Representatives  
Legislative Hall  
Dover, Delaware 19903

Dear Ms. Hedrick:

Thank you for forwarding me a copy of the Delaware General Assembly's Resolution 75. I appreciate knowing of the Assembly's support for S. 1629, and am glad to share my own thoughts on this legislation.

Senator Ted Stevens (R-AK) introduced S. 1629, legislation to enforce the 10th Amendment and reduce the reach of the Federal Government. Specifically, Senator Stevens' legislation requires any statute enacted by Congress to include clear Constitutional authority to preempt state and local law. Similar legislation has been introduced in the House of Representatives by Congressman John Shadegg (R-AZ).

I understand and share your desire to limit the number of federal mandates on state and local governments, and I am pleased the 104th Congress has made significant progress toward returning power to the States. I am still reviewing Congressman Shadegg's bill, HR 3411, and knowing the General Assembly's views will be helpful to me when I make a final decision on this legislation.

Again, thank you for sharing Resolution 75 with me. Please continue to alert me to the issues of interest or concern to the Assembly.

Sincerely,  
Michael N. Castle

The following legislation is a constitutional amendment and does not require the signature of the Governor: HB 639.

The following legislation was vetoed by Governor Thomas R. Carper on the date indicated: 7/25/96 - SB 465 & HB 591.

TO THE MEMBERS OF THE HOUSE OF REPRESENTATIVES OF THE 138TH GENERAL ASSEMBLY:

On July 15, 1996, I received House Bill No. 591, which is entitled:

"AN ACT TO AMEND CHAPTER 47 OF TITLE 9 OF THE DELAWARE CODE RELATING TO GARBAGE COLLECTION DISTRICTS."

I am returning H.B. 591 to the House of Representatives without my signature.

H.B. 591 has the effect of subsidizing private garbage collection firms to the detriment of Kent County residents. Pursuant to Chapter 47 of Title 9 of the Delaware Code, Kent County residents have the statutory right to petition Kent County government to create garbage collection districts. At this time, there are 45 such garbage collection districts in Kent County, serving approximately 4,900 households and providing consumers with reasonable services at low fees. By requiring garbage collection contractors to publicly bid on service contracts for garbage collection districts created upon petition of the local residents, current law ensures that residents of unincorporated areas of Kent County can use their collective power to receive garbage collection services at the most competitive price available. The requirement of a bid process also enables all collectors a fair opportunity to compete for business.

The following example illustrates the benefits which may inure to a member of a garbage collection district. Typically, a resident living in such a district pays \$13.65 per month for twice weekly garbage collection and disposal. By comparison, a Kent Countian living in an unincorporated area which is not part of a garbage collection district pays from \$20 to \$23 per month for once per week collection service.

Although intended by its sponsor to protect business revenues and investments of certain garbage collectors, H.B. 591 undermines the positive benefits of garbage collection districts. This legislation requires that, in most cases, Kent County wait five years after the creation of a district before a contract awarded for trash collection services can go into effect, unless the existing service providers are either: 1) given the opportunity to continue serving their customers for five years at the average rate previously charged; or 2) reimbursed by Kent County for twelve months of average monthly revenues. Under either scenario, the residents of Kent County have little if any incentive to seek the creation of a garbage collection district. If Kent Countians choose to create such a district, they are either held hostage by the private garbage collection firms for five years or they bear the added tax burden of what amounts to a subsidy for firms which lose the bid on the newly created district.

Given that the garbage collection district statute provides a fair opportunity for businesses to become providers and results in low priced garbage collection for Kent county residents, I cannot sign a bill that deprives Delawareans of those benefits. For that reason, I agree with the Kent County Levy Court that H.B. 591 should be returned to you without my signature.

Very truly yours,  
Thomas R. Carper
