December 14th 1953

Dear Friends:

Many thanks for your very kind thought in sending me books on my birthday. I am looking forward very much to reading these and hope to be able to do so during the Christmas holidays when I am planning to stay home and relax after a few rather crowded weeks.

I hope you will enjoy the Christmas holidays in Cuernavaca and with warmest wishes to you both in which the family joins,

Cordially yours,

D.N. Heineman
